*Per Article 7, if Minnesota receives federal funds that may be used for the purposes of Articles 1, 4, and 5, those federal funds are appropriated for those purposes, and the general fund appropriations are reduced by the amount of the federal funds appropriated.

**This appropriation is available only if federal funds are not received by June 30, 2021, by Minnesota for the purpose of covering any special additional unemployment benefits paid on behalf of reimbursing employers under this section.
