**Notes:**

<sup>1</sup> This summary is meant to cover certain COVID aids to local governments from the U.S. Treasury, not more targeted COVID funding from other federal agencies.

<sup>2</sup> Hennepin and Ramsey Counties each received their CARES Act distribution directly from the U.S. Treasury in March 2020, thus having about 9 months (until December 2020) for spending. For Minnesota's other 85 counties, CARES Act funding was available for less than 6 months, from July - December 2020.

<sup>3</sup> Of the \$467 million in CARES Act funding distributed by the State of Minnesota to 85 counties, just over \$125 million or 26% was used for Small Business Assistance.

<sup>4</sup> ARPA Local Fiscal Recovery Funds will be distributed in two tranches, the first in May 2021 and the second approximately 12 months later. Funds for eligible purposes may be used until December 31, 2024 (FY 2025).
