Overview

This is the 2025 omnibus tax bill.

Article 1: Individual Income and Corporate Franchise Taxes

This article includes various provisions related to income taxes. Among other changes, the article includes the following provisions.

- Requires the Campaign Finance Board to establish an electronic filing system for the political contribution refund.

- Establishes new income tax subtractions for coerced debt, certain consumer enforcement public compensation payments, student loan payments made by critical access dental clinics, and for foreign service pensions.
- Clarifies the rollover of the sustainable aviation fuels credit.
- Makes the credit for increasing research (also known as the research credit) partially refundable, with growth in the refundable amount subject to a cap.
- Repeals the assignment process for the Minnesota education credit.

Section	Description – Article 1: Individual Income and Corporate Franchise Taxes
----------------	---

1	Data privacy related to electronic reporting system.
----------	---

Permits the Campaign Finance and Public Disclosure Board to access data entered by campaign treasurers into the electronic reporting system provided by the board. Under current law, data in the system may not be accessed by the board for any purpose without consent. This section would permit the board to access the data for the purpose of administering the political contribution refund program. Any data accessed, used, or maintained by the board based on this authority is classified as nonpublic data or private data on individuals.

Effective January 1, 2027.

2	Refund receipts; penalty.
----------	----------------------------------

Requires the Campaign Finance and Public Disclosure Board to provide electronic receipts, rather than paper receipts, to political parties and candidates eligible to participate in the political contribution refund program. Specific detail regarding when the receipt may be issued, and what it must contain, is also provided.

At least once each business day, the board is required to provide a receipt validation report to the commissioner of revenue. Specific items that must be reported are specified in this section.

A receipt validation report and a receipt validation number are private data on individuals.

Effective for contributions made on or after December 31, 2026.

3	Allocation limits.
----------	---------------------------

Clarifies how the rollover of the sustainable aviation fuels credit allocation applies from fiscal years 2025 through 2030.

Effective the day following final enactment.

Section Description – Article 1: Individual Income and Corporate Franchise Taxes

4 Standards of conduct.

Conforming change striking language in the tax preparer standards of conduct statute. The language stricken pertains to education credit assignments, which are repealed in section 20.

Effective for tax year 2025 and later.

5 Discharges of indebtedness; coerced debt.

Allows an income tax subtraction for coerced debts that are discharged.

Effective for tax year 2025 and later.

6 Consumer enforcement public compensation payments.

Provides a subtraction for the consumer enforcement public compensation payments in article 8.

Effective for tax year 2025 and later.

7 Student loan education assistance paid by critical access dental clinics.

Allows an income tax subtraction for student loan educational assistance payments that are made by a dentist or dental clinic that is designated as a critical access dental facility. The subtraction is limited to amounts in excess of the amounts excluded federally.

Effective for tax year 2026 and later.

8 Foreign service pension; retirement pay.

Allows an income tax subtraction for pension income from a federal pension earned for service in the foreign service. Adjusts the subtraction to account for the portion of the taxpayer's total service that represents employment in the foreign service.

Effective for tax year 2025 and later.

9 Refund of contributions to political parties and candidates.

Provides a number of amendments to the law governing the processing of political refund contribution claims, to reflect the electronic filing system required by this bill. Among the changes, the commissioner is prohibited from issuing a refund, whether in one payment or in aggregate, to a taxpayer if the refund exceeds the maximum refund amount permitted by law. Refund claims must be submitted using the electronic filing system and must reflect a minimum \$10 claim amount.

Section Description – Article 1: Individual Income and Corporate Franchise Taxes

- Effective for contributions made after December 31, 2026.
- 10 **Limitation; carryover.**
Conforming change for partial refundability of the research credit.

Effective for tax year 2025 and thereafter.
- 11 **Credit to be partially refundable.**
Allows the research credit to be partially refundable beginning in tax year 2025, if a taxpayer elects. The amount refundable is the excess of the credit amount multiplied by the refundability rate. The excess is determined after the application of any existing research credit carryover. Amounts not refunded are an additional carryover.

Effective for tax year 2025 and thereafter.
- 12 **Determination of refundability rate.**
Establishes the refundability rate for the partially refundable research credit. For tax year 2025, the rate is 19.2 percent of the excess of tax liability. For tax years 2026 and 2027, the rate is 25 percent. For tax years 2028 and thereafter, the rate is the lesser of 25 percent or the percentage at which the dollar amount of refunds is approximately \$25,000,000.

Effective for tax year 2025 and thereafter.
- 13 **Appropriation.**
Appropriates the money needed to pay the research credit refunds to the commissioner of revenue.

Effective the day following final enactment.
- 14 **Definitions.**
Modifies the short line credit definitions to include new definitions for “credit certificate” and “transfer credit certificate.”

Effective for tax year 2025 and thereafter.
- 15 **Credit certificates; written agreement required; transferability.**
Requires the commissioner of transportation to issue the short line railroad credit certificates. Modifies the assignability of the credit by allowing the full amount of the credit to be transferred prior to a taxpayer claiming any portion of the credit or the full five-year carryover. Strikes the provision assigning liability on audit or

Section Description – Article 1: Individual Income and Corporate Franchise Taxes

assessments to the transferee and only allows one credit transfer per taxpayer per year.

Effective for tax year 2025 and thereafter.

16 Definitions. (Alternative minimum tax)

Specifies that the income tax subtractions in this article also reduce alternative minimum taxable income for the Minnesota alternative minimum tax.

Effective for claims based on property taxes in 2026 and later.

17 Income. (Homestead credit refund)

Specifies that discharges of indebtedness for coerced debts and consumer restitution payments are not included in the income measure used to calculate the homestead credit refund.

Effective for claims based on property taxes in 2026 and later.

18 Correction of errors; certain retirement contributions.

Requires an annuity contract provider to designate certain IRA contributions to the tax year prior to the year the contribution is made, provided that the contribution is timely made under federal law and notice is provided to the provider within three years of the taxpayer's return filing deadline.

Effective retroactively for contributions made in 2023, for designation to the 2022 contribution limit.

19 Stipend payments to SEIU Healthcare Minnesota & Iowa bargaining unity members.

Establishes an income tax subtraction for stipend payments that were included in a collective bargaining agreement between the state of Minnesota and SEIU Healthcare Minnesota and Iowa. Excludes stipends for the income measures used to calculate the renter's credit, homestead credit refund, and alternative minimum tax.

Specifies that stipend payments must not be considered income, assets, or personal property for the purposes of determining eligibility for child care assistance, general assistance, housing support, the Minnesota Family Investment Program, other economic assistance programs, or certain health care programs.

Effective the day following final enactment.

Section Description – Article 2: Property Taxes

- Effective beginning with assessment year 2026.
- 5 **Certain property owned by an Indian Tribe.**
Provides a property tax exemption for a property in Minneapolis owned by the Mille Lacs Band of Ojibwe.

Effective beginning with assessment year 2026.
- 6 **Conservation property tax valuation.**
Allows assessors to reduce the valuation of property subject to a conservation easement if the property is in a metropolitan county that has both authorized such reductions and adopted a program to protect farmland or natural areas.

Effective beginning with assessment year 2026.
- 7 **Requirement.**
Defines the range of low-income rental properties which must comply with rent and income restrictions to qualify for class 4d(1) property tax classification.

Effective beginning with assessment year 2026.
- 8 **Class 2.**
Allows property to qualify for the agricultural property tax classification if it is used to produce floriculture products. This section also allows property to qualify for the agricultural property tax classification if it contains a residence, is less than 15 acres in size, and was used in the previous year for market farming that produced gross income of at least \$20,000.

Effective beginning with assessment year 2026.
- 9 **Percentage of assessments; exceptions.**
Clarifies how the distribution systems of electric utility cooperatives are taxed.

Effective for assessment year 2025 and thereafter.
- 10 **Amount of tax; distribution.**
Clarifies that certain distribution line property owned by utility cooperatives is exempt. Under current law, distribution lines, including their attachments and appurtenances, that are owned by a cooperative association and located outside of a city are not subject to property taxes. Instead, the cooperative associations pay a separate tax of \$10 for each 100 members of the association. This section clarifies

Section Description – Article 2: Property Taxes

that, except for substations and transmission or generation equipment, utility cooperatives' power distribution systems are exempt from property taxes.

Effective beginning with assessment year 2025.

11 Installment payments.

Sets the interest rate on confession of judgment payments equal to the prime rate charged by banks, except that the rate cannot be lower than five percent or greater than 14 percent.

Effective January 1, 2026.

12 Tax levy for free music in third class cities.

Increases from \$3,000 to \$10,000 the amount a city of the third class is allowed to levy for free musical entertainment.

Effective the day following final enactment.

13 Land bank organization.

Defines "land bank organization" as an organization that acquires, holds, or manages vacant, blighted, foreclosed, or tax-forfeited property for future development, redevelopment, or disposal. A land bank organization must be either (1) a nonprofit organization with a governing board whose members are elected or appointed by a unit of government or an agency of a unit of government, or whose members are elected or appointed officials of a unit of government, or (2) a limited liability company of which such a nonprofit is the sole member.

14 Authority.

Allows local units of government to abate property taxes on property that will be used for the development of affordable housing and on property that is held by a land bank organization for future development.

15 Duration limit.

Allows abatements granted to property described in the previous section to be granted for a duration of up to five years.

16 Repayment.

Requires repayment, with interest, of an abatement received by a land bank organization if the land for which the abatement was granted is used for a purpose other than the purpose given by the land bank organization, prior to redevelopment.

Section Description – Article 2: Property Taxes

Land is subject to this provision for the same number of years that the abatement was granted.

17 Exemption for land held for economic development.

Extends a property tax exemption for property owned by the Bloomington Port Authority that is being held for economic development purposes. Under current law, property held by a political subdivision of the state for later resale for economic development purposes is eligible for a property tax exemption for up to nine years. The current law exemption for the property covered by the section is set to expire after 2025. This provision would extend the exemption through 2031.

Effective upon approval by the Bloomington City Council.

18 Property tax exemption; Red Lake Nation College.

Provides a property tax exemption for taxes paid in 2022 and a portion of taxes paid in 2021 for property in Minneapolis purchased by Red Lake Nation for the Red Lake Nation College. This section provides a state payment for taxes attributable to the exemption.

Effective the day following final enactment.

19 Repealer.

Repeals a requirement that a fiscal disparities adjustment be included on certain property tax notices. This provision was enacted in 2023 and required an adjustment to the fiscal disparities line on property tax statements for properties within the Iron Range fiscal disparities program. With this repeal, the fiscal disparities line on property tax statements will be displayed as it had been prior to 2023.

Effective beginning with property taxes payable in 2026.

Article 3: Sales and Use Taxes; Excise Taxes

This section makes changes to sales and use taxes and excise taxes, including requiring certain vendors to remit a portion of their June sales tax liability early, increasing the cannabis gross receipts tax, repealing the electricity sales tax exemption for qualified data centers, and allowing certain brewers to file alcohol excise tax returns annually.

Section Description – Article 3: Sales and Use Taxes; Excise Taxes

1 Sales and use tax.

Requires vendors with \$250,000 or more of annual sales tax liability to remit 5.6 percent of their June liability two business days before June 30. The remaining amount of the payment would be due on August 20.

Effective for tax remitted after May 31, 2027.

2 Accelerated payment June sales tax liability; penalty for underpayment.

Establishes a late payment penalty for taxpayers who do not make the early June payment required in section 1. The penalty would equal ten percent of the difference between the June liability and the amount actually paid. The penalty does not apply if the vendor remitted the lesser of 5.6 percent of the vendor's May or June liability.

Effective for taxes remitted after May 31, 2027.

3 Gross receipts tax imposed.

Increases the cannabis gross receipts tax from ten percent to 15 percent.

Effective for sales after June 30, 2025.

4 Qualified data centers.

Repeals the electricity sales tax exemption for qualified data centers and qualified refurbished data centers.

Effective for sales and purchases after June 30, 2025.

5 Quarterly and annual payments and returns.

Allows a brewer qualifying for the brewer tax credit to file its alcohol excise tax return annually, without authorization from the Department of Revenue.

Effective for returns filed in 2026.

Article 4: Property Tax Aids

This article makes changes related to property tax aids including reducing Sustainable Forest Incentive Act payments, reducing the appropriation for aquatic invasive species prevention aid, proving aid penalty forgiveness to certain cities, and providing an adjustment in the 2026 local government aid calculation for the city of Baldwin.

Section Description – Article 4: Property Tax Aids

- 1 Calculation of incentive payment.**
Reduces Sustainable Forest Incentive Act (SFIA) payment rates by ten percent.

Effective beginning with payments made in 2027.
- 2 Withdrawal procedures.**
Provides procedures for withdrawal from the SFIA program based on reductions in SFIA payments.

Effective the day following final enactment.
- 3 Towns.**
Ensures the entire annual appropriation for township aid gets distributed.

Effective beginning with aids payable in 2026.
- 4 Appropriation.**
Reduces from \$10,000,000 to \$5,000,000 the annual appropriation for aquatic invasive species prevention aid.

Effective beginning with aids payable in 2027.
- 5 Aid penalty forgiveness.**
Provides local government aid (LGA) penalty forgiveness for the cities of Stewart, Alpha, Odin, and Trosky. Upon submitting required financial reports, each city will receive any withheld LGA and small city assistance payments.

Effective the day following final enactment.
- 6 Base year formula aid for the city of Baldwin.**
Adjusts the calculation for 2026 LGA for the city of Baldwin. Under this section, it would be assumed that, for the purposes of the 2026 LGA calculation, the city received \$2.85 per capita in LGA in 2025. The city of Baldwin incorporated in 2024 and will first be eligible to receive LGA in 2026. The adjustment under this section allows the city's aid to phase in more quickly than it would otherwise, raising the city's 2026 aid from \$206 to \$20,169.

Effective for aids payable in 2026 only.

Article 5: Tax Increment Financing
