159.26 requirements provided in this section.

159.27 (c) Nothing in sections 181.9445 to 181.9448 shall be construed to preempt, limit, or
159.28 otherwise affect the applicability of any other law, regulation, requirement, policy, or
159.29 standard that provides for a greater amount, accrual, or use by employees of paid sick and
159.30 safe time or that extends other protections to employees.

159.31 (d) Nothing in sections 181.9445 to 181.9448 shall be construed or applied so as to
159.32 create any power or duty in conflict with federal law.

159.33 (e) Employers who provide earned sick and safe time to their employees under a paid
159.34 time off policy or other paid leave policy that may be used for the same purposes and under

the same conditions as earned sick and safe time, and that meets or exceeds, and does not otherwise conflict with, the minimum standards and requirements provided in sections 181.9445 to 181.9448 are not required to provide additional earned sick and safe time.

(f) The provisions of sections 181.9445 to 181.9448 may be waived by a collective bargaining agreement with a bona fide building and construction trades labor organization that has established itself as the collective bargaining representative for the affected building and construction industry employees, provided that for such waiver to be valid, it shall explicitly reference sections 181.9445 to 181.9448 and clearly and unambiguously waive application of those sections to such employees.

(g) The requirements of section 181.9447, subdivision 3, may be waived for paid leave made available to an employee by an employer for absences from work in excess of the minimum amount required in section 181.9446 through a collective bargaining agreement with a labor organization that has established itself as the collective bargaining representative for the employees, provided that for such waiver to be valid, it shall explicitly reference section 181.9447, subdivision 3, and clearly and unambiguously waive application of that subdivision to such employees.

(h) An individual provider, as defined in section 256B.0711, subdivision 1, paragraph (d), who provides services through a consumer support grant under section 256.476, consumer-directed community supports under section 256B.4911, or community first services and supports under section 256B.85, to a family member who is a participant, as defined in section 256B.0711, subdivision 1, paragraph (e), may individually waive the provisions of sections 181.9445 to 181.9448 for the remainder of the participant's service plan year, provided that the funds are returned to the participant's budget. Once an individual provider has waived the provisions of sections 181.9445 to 181.9448, they may not accrue earned sick and safe time until the start of the participant's next service plan year.

(i) Sections 181.9445 to 181.9448 do not prohibit an employer from establishing a policy whereby employees may donate unused accrued sick and safe time to another employee.

(j) Sections 181.9445 to 181.9448 do not prohibit an employer from advancing sick and safe time to an employee before accrual by the employee. An employer is permitted to advance earned sick and safe time to an employee based on the number of hours the employee is anticipated to work for the remaining portion of an accrual year. If the advanced amount is less than the amount the employee would have accrued based on the actual hours worked, the employer must provide additional earned sick and safe time to make up the difference.

EFFECTIVE DATE. This section is effective January 1, 2026.
