"Sec. 29. [STATE LAND LOCATED WITHIN THE BOUNDARY WATERS CANOE AREA WILDERNESS; EXCHANGE AND OTHER MATTERS.]

Subdivision 1. [EXCHANGE HISTORY.] In response to 1999 Memorial Resolution Number 3, signed by the governor of Minnesota on April 23, 1999, and thereafter directed by the secretary of state to the President and Congress of the United States and to Minnesota's congressional delegation, the Forest Service of the federal Department of Agriculture has indicated an interest in exchanging land owned by the federal government that is within the Superior National Forest but located outside the Boundary Waters Canoe Area Wilderness (BWCAW) for school grant land and other land owned by the state of Minnesota inside the BWCAW. This section is enacted to expedite that exchange of land.

Subd. 2. [DUTIES OF THE COMMISSIONER OF NATURAL RESOURCES.] (a) Before July 1, 2005, the commissioner of natural resources shall present to the land exchange board a proposal to exchange school grant land and other state-owned land located inside the BWCAW for federal land of substantially equal value located in the Superior National Forest that is outside the BWCAW. In appraising the lands proposed for exchange, the commissioner shall contract with land appraisers that have substantial experience in the appraisal of lakeshore and forest land located in Cook, Lake, and St. Louis counties and who are neither present nor past land appraisers of either the state or federal governments. Before submitting any land for exchange, the commissioner shall present the appraisals, together with the qualifications of the appraisers, to the commissioner of transportation and to the staff of the state investment board for their separate reviews and comments, which must be submitted to the commissioner of natural resources within 90 days after receipt of the request for review and comment.

(b) By June 1, 2004, the commissioner shall establish and place in effect a system of fees or other charges for the use of state-owned land inside the BWCAW that produces income for the permanent school fund in approximately the same amount as that earned on similar school and other forested trust lands located outside the BWCAW. The money collected shall be deposited in the permanent school fund.

Subd. 3. [DUTIES OF THE ATTORNEY GENERAL.] If, by July 1, 2005, the commissioner has been unable to reach an agreement with the federal government on the exchange of all of the state-owned land located within the BWCAW for federal land located in the Superior National Forest that is outside the BWCAW, or if the commissioner has not adopted a system of fees or other charges under subdivision 2, paragraph (b), the attorney general, after first informing the state executive council, shall commence inverse condemnation proceedings in federal court in regard to any state-owned land remaining in the BWCAW. The attorney general shall request that the state be compensated, to the greatest extent, with federal land of equal value located outside the BWCAW but within the Superior National Forest.

Subd. 4. [MANAGEMENT OF LANDS RECEIVED IN EXCHANGE.] Notwithstanding any other law to the contrary, lands received by the state in any exchange under this section must be managed in perpetuity to produce the maximum income for the permanent school fund.
