## REPORTS OF STANDING COMMITTEES

Sykora from the Committee on Education Policy to which was referred:

H. F. No. 2, A bill for an act relating to education; repealing and replacing the profile of learning; requiring legislative review of proposed statewide rigorous core academic standards in language arts, mathematics, science, and history and geography; repealing portions of Minnesota Rules, chapter 3501; proposing coding for new law in Minnesota Statutes, chapter 120B.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. [120B.001] [REPEALING PROFILE OF LEARNING STATUTES AND RULES.]

Notwithstanding sections 120B.02, 120B.031, 120B.30, 120B.31, and 120B.35, or other law to the contrary, the commissioner of children, families, and learning must not implement the profile of learning portion of the state's results-oriented graduation rule and all rules under Minnesota Rules, chapter 3501, related to the profile of learning portion of the state's results-oriented graduation rule described in this chapter are repealed.

[EFFECTIVE DATE.] This section is effective the day following final enactment and applies to the 2003-2004 school year and later.

Sec. 2. [REPLACING PROFILE OF LEARNING STATUTES AND RULES.]

Subdivision 1. [STAKEHOLDER ADVICE ON STANDARDS.] The commissioner of children, families, and learning must consider advice from at least the following stakeholders in developing statewide rigorous core academic standards in language arts, mathematics, science, and history and geography to replace the profile of learning:

(1) parents of school-age children and members of the public throughout the state;

(2) teachers throughout the state currently licensed and providing instruction in language arts, mathematics, science, or history and geography and licensed elementary and secondary school principals throughout the state currently administering a school site;

(3) currently serving members of local school boards and charter school boards throughout the state;

(4) faculty teaching core subjects at postsecondary institutions in Minnesota; and

(5) representatives of the Minnesota business community.

Subd. 2. [PARAMETERS FOR ACADEMIC STANDARDS.] The academic standards must:

(1) be based on factual, objective, verifiable knowledge in English, mathematics, science, and history and geography;

(2) be clear, concise, measurable, and grade-level appropriate;

(3) preserve and promote fundamental American principles stated in the Declaration of Independence and the Constitution of the United States and other such principles as national sovereignty, natural law, and free market enterprise;

(4) not mandate a specific teaching methodology nor include work-based learning or any other content standard inconsistent with this subdivision; and

(5) be assessed using tests aligned with the academic standards established under this section.

Subd. 3. [COMMISSIONER TO PRESENT PROPOSED RULES TO THE LEGISLATURE.] (a) The commissioner must present to the legislature proposed rules for implementing statewide rigorous core academic standards in language arts, mathematics, science, and history and geography as follows:

(1) by April 15, 2003, present proposed rules for implementing statewide rigorous core academic standards in language arts and mathematics;

(2) present a statewide plan for students, educators, schools, and school districts to make the transition from the profile of learning to the standards described under this act;

(3) by March 1, 2004, present proposed rules for implementing statewide rigorous core academic standards in science;

(4) by March 1, 2005, present proposed rules for implementing statewide rigorous core academic standards in history and geography.

(b) All proposed rules the commissioner presents must comply with the requirements of this section.

(c) A school district, no later than the 2007-2008 school year, must incorporate into its existing locally established graduation requirements the state graduation requirements premised on rules proposed under this section. A school district that incorporates these state graduation requirements before the 2007-2008 school year must provide students who enter the ninth grade in or before the 2004-2005 school year with the opportunity to earn a diploma based on existing locally established graduation requirements in effect when the students entered the ninth grade. District efforts to develop, implement, or improve instruction or curriculum as a result of the provisions of this section must be consistent with Minnesota Statutes, sections 120B.10, 120B.11, and 120B.20.

Subd. 4. [RULES IMPLEMENTING READING AND MATH STANDARDS.] The commissioner must adopt rules under Minnesota Statutes, section 14.388, clause (2), for implementing the statewide rigorous core academic standards in language arts and mathematics described in subdivision 2, clause (1).

[EFFECTIVE DATE.] Subdivisions 1, 2, and 3 are effective the day following final enactment. Subdivision 4 is effective April 30, 2003.

Sec. 3. [INTERIM ALTERNATIVE.]

If the legislature does not authorize the commissioner under section 2, subdivision 4, to adopt rules to implement statewide rigorous core academic standards in language arts and mathematics that are effective for the 2003-2004 school year, each school district and charter school shall continue to implement academic language arts and mathematics standards consistent with Minnesota Statutes 2002, section 120A.22, subdivision 9, until such rules to implement statewide rigorous core academic standards in language arts and mathematics are adopted.

[EFFECTIVE DATE.] This section is effective the day following final enactment."
