HOUSE RESOLUTION NO. 5

A House resolution expressing the sense of the Minnesota House of Representatives that the Baseball Hall of Fame elect Roger Maris to the Baseball Hall of Fame.

Whereas, Roger Maris was born on the Iron Range in Hibbing, Minnesota; and

Whereas, Roger Maris was an outstanding athlete and played for four major league baseball teams in both major leagues in a distinguished 12-year major league career; and

Whereas, Roger Maris hit 275 career home runs and drove in 851 runs in major league season play and played a key role in the success of seven World Series teams and three World Champion teams, and is among a handful of players to hit a World Series home run for a team from each league; and

Whereas, Roger Maris captured the attention and imagination of America as few in the sports world have, when his outstanding season challenged and surpassed baseball's most cherished record held by the immortal Babe Ruth; and

Whereas, he accomplished the unparalleled feat of hitting 61 home runs against 46 different pitchers while striking out only 67 times during the 1961 season, a feat made more remarkable by the unceasing pressure exerted upon him by the press and public attention; and

Whereas, Roger Maris was a fleet outfielder, renowned equally for his skill with a glove as for his prowess as an outstanding hitter, and displayed remarkable abilities on defense for which he received a Gold Glove award; and

Whereas, he was selected as the most valuable player in the American League in consecutive seasons, 1960 and 1961, and probably achieved more in baseball with less appreciation from sportswriters and fans than any other player, which is an injustice that could be rectified by the Committee on Baseball Veterans; *Now, Therefore,*

Be It Resolved by the House of Representatives of the State of Minnesota that the Committee on Baseball Veterans of the Baseball Hall of Fame should elect Roger Maris to the Baseball Hall of Fame as a well-deserved tribute to his outstanding major league career and his inspiration to youth through his exemplary conduct both on and off the baseball diamond.

Be It Further Resolved that the Chief Clerk of the House of Representatives is directed to prepare an enrolled copy of this resolution, to be authenticated by his signature and that of the Speaker, and transmit it to the Committee on Baseball Veterans of the Baseball Hall of Fame.

Sertich moved that House Resolution No. 5 be now adopted.

Kahn, Urdahl and Sertich moved to amend House Resolution No. 5 as follows:

Page 2, after line 15, insert:

"Be It Further Resolved that the Committee on Baseball Statistics of the Baseball Hall of Fame should remove the asterisk in all books and records documenting Roger Maris's unparalleled feat of hitting 61 home runs."

The motion prevailed and the amendment was adopted.

The question recurred on the Sertich motion. The motion prevailed and House Resolution No. 5, as amended, was adopted.
