"Sec. 2. **[16A.663] BASEBALL STADIUM BONDS.**

**Subdivision 1. Authority.** When authorized by law enacted in accordance with the Constitution, article XI, sections 5 and 7, the commissioner may, by order, sell and issue baseball stadium special tax bonds of the state evidencing public debt incurred for the purposes stated in the law. The bonds are payable solely from the proceeds of the taxes appropriated to special tax bond debt service account established in subdivision 3 and other money on hand in that fund from time to time; the bonds are not general obligations of the state, and the full faith and credit of the state is not pledged for their payment.

**Subd. 2. Manner of issuance; maturities.** The bonds must be issued and sold in accordance with the procedures under section 16A.641, except the bonds are not general obligations. Sections 16A.672 and 16A.675 apply to the bonds, except the appropriations from the general fund do not apply and are instead made out of the bond proceeds fund.

**Subd. 3. Establishment of debt service fund; appropriation of debt service fund money.** A separate and special account designated as a baseball stadium special tax bond debt service account is established within the state bond fund. Revenues under section 297A.94, paragraph (g), must be credited to the account, including investment earnings on those amounts. The money on hand in the debt service account must be used solely for the payment of the principal of, and interest on, the bonds, and is appropriated for this purpose. This appropriation does not cancel as long as any of the bonds remain outstanding.

**Subd. 4. Application and appropriation of proceeds.** (a) The proceeds of the bonds must be deposited in the baseball stadium bond proceeds fund and spent as provided in this subdivision and are appropriated for those purposes. Any accrued interest and any premium received on the sale of the bonds, and any amount of bond proceeds determined by the commissioner to be needed to pay interest payable on the bonds up to 18 months following their issuance, must be credited to the baseball stadium special tax bond debt service account.

(b) Money in the fund is appropriated to the commissioner to pay grants to the authority for ballpark costs and to Hennepin County to fund public infrastructure costs associated with the development of the ballpark. So much of the proceeds as is necessary must be used to pay costs incurred in issuing and selling the bonds.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2004, section 297A.62, subdivision 1, is amended to read:

(b) A rate of 0.06 percent is added to the rate imposed under paragraph (a). This rate expires when the state determines that the revenues raised under this paragraph are sufficient to pay the costs of the development and construction of a ballpark and related infrastructure within the limits authorized under section 14.

**EFFECTIVE DATE.** This section is effective beginning with sales and purchases made after June 30, 2006."

The commissioner of finance shall certify to the commissioner the date on which the project received the conditional commitment.
