CONFERENCE COMMITTEE REPORT ON S. F. NO. 917

A bill for an act relating to health; providing for grants related to positive abortion alternatives; appropriating money; proposing coding for new law in Minnesota Statutes, chapter 145.

May 21, 2005

The Honorable James P. Metzen
President of the Senate

The Honorable Steve Sviggum
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 917, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S. F. No. 917 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [SHORT TITLE.]

This act may be cited as the "Positive Alternatives Act."

Sec. 2. [145.4235] [POSITIVE ABORTION ALTERNATIVES.]

Subdivision 1. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given:

(1) "abortion" means the use of any means to terminate the pregnancy of a woman known to be pregnant with knowledge that the termination with those means will, with reasonable likelihood, cause the death of the unborn child. For purposes of this section, abortion does not include an abortion necessary to prevent the death of the mother;

(2) "nondirective counseling" means providing clients with:

(i) a list of health care providers and social service providers that provide prenatal care, childbirth care, infant care, foster care, adoption services, alternatives to abortion, or abortion services; and

(ii) nondirective, nonmarketing information regarding such providers; and

(3) "unborn child" means a member of the species Homo sapiens from fertilization until birth.

Subd. 2. [ELIGIBILITY FOR GRANTS.] (a) The commissioner shall award grants to eligible applicants under paragraph (c) for the reasonable expenses of alternatives to abortion programs to support, encourage, and assist women in carrying their pregnancies to term and caring for their babies after birth by providing information on, referral to, and assistance with securing necessary services that enable women to carry their pregnancies to term and care for their babies after birth. Necessary services must include, but are not limited to:

(1) medical care;

(2) nutritional services;

(3) housing assistance;

(4) adoption services;

(5) education and employment assistance, including services that support the continuation and completion of high school;

(6) child care assistance; and

(7) parenting education and support services.

An applicant may not provide or assist a woman to obtain adoption services from a provider of adoption services that is not licensed.

(b) In addition to providing information and referral under paragraph (a), an eligible program may provide one or more of the necessary services under paragraph (a) that assists women in carrying their pregnancies to term. To avoid duplication of efforts, grantees may refer to other public or private programs, rather than provide the care directly, if a woman meets eligibility criteria for the other programs.

(c) To be eligible for a grant, an agency or organization must:

(1) be a private, nonprofit organization;

(2) demonstrate that the program is conducted under appropriate supervision;

(3) not charge women for services provided under the program;

(4) provide each pregnant woman counseled with accurate information on the developmental characteristics of babies and of unborn children, including offering the printed information described in section 145.4243;

(5) ensure that its alternatives-to-abortion program's purpose is to assist and encourage women in carrying their pregnancies to term and to maximize their potentials thereafter;

(6) ensure that none of the money provided is used to encourage or affirmatively counsel a woman to have an abortion not necessary to prevent her death, to provide her an abortion, or to directly refer her to an abortion provider for an abortion. The agency or organization may provide nondirective counseling; and

(7) have had the alternatives to abortion program in existence for at least one year as of July 1, 2005; or incorporated an alternative to abortion program that has been in existence for at least one year as of July 1, 2005.

(d) The provisions, words, phrases, and clauses of paragraph (c) are inseverable from this subdivision, and if any provision, word, phrase, or clause of paragraph (c) or its application to any person or circumstance is held invalid, the invalidity applies to all of this subdivision.

(e) An organization that provides abortions, promotes abortions, or directly refers to an abortion provider for an abortion is ineligible to receive a grant under this program. An affiliate of an organization that provides abortions, promotes abortions, or directly refers to an abortion provider for an abortion is ineligible to receive a grant under this section unless the organizations are separately incorporated and independent from each other. To be independent, the organizations may not share any of the following:

(1) the same or a similar name;

(2) medical facilities or nonmedical facilities, including but not limited to, business offices, treatment rooms, consultation rooms, examination rooms, and waiting rooms;

(3) expenses;

(4) employee wages or salaries; or

(5) equipment or supplies, including but not limited to, computers, telephone systems, telecommunications equipment, and office supplies.

(f) An organization that receives a grant under this section and that is affiliated with an organization that provides abortion services must maintain financial records that demonstrate strict compliance with this subdivision and that demonstrate that its independent affiliate that provides abortion services receives no direct or indirect economic or marketing benefit from the grant under this section.

(g) The commissioner shall approve any information provided by a grantee on the health risks associated with abortions to ensure that the information is medically accurate.

Subd. 3. [PRIVACY PROTECTION.] (a) Any program receiving a grant under this section must have a privacy policy and procedures in place to ensure that the name, address, telephone number, or any other information that might identify any woman seeking the services of the program is not made public or shared with any other agency or organization without the written consent of the woman. All communications between the program and the woman must remain confidential. For purposes of any medical care provided by the program, including, but not limited to, pregnancy tests or ultrasonic scanning, the program must adhere to the requirements in section 144.335 that apply to providers before releasing any information relating to the medical care provided.

(b) Notwithstanding paragraph (a), the commissioner has access to any information necessary to monitor and review a grantee's program as required under subdivision 4.

Subd. 4. [DUTIES OF COMMISSIONER.] The commissioner shall make grants under subdivision 2 beginning no later than July 1, 2006. In awarding grants, the commissioner shall consider the program's demonstrated capacity in providing services to assist a pregnant woman in carrying her pregnancy to term. The commissioner shall monitor and review the programs of each grantee to ensure that the grantee carefully adheres to the purposes and requirements of subdivision 2 and shall cease funding a grantee that fails to do so.

Subd. 5. [SEVERABILITY.] Except as provided in subdivision 2, paragraph (d), if any provision, word, phrase, or clause of this section or its application to any person or circumstance is held invalid, such invalidity shall not affect the provisions, words, phrases, clauses, or applications of this section that can be given effect without the invalid provision, word, phrase, clause, or application and to this end, the provisions, words, phrases, and clauses of this section are severable.

Subd. 6. [SUPREME COURT JURISDICTION.] The Minnesota Supreme Court has original jurisdiction over an action challenging the constitutionality of this section and shall expedite the resolution of the action.

Sec. 3. [APPROPRIATIONS; COMMUNITY HEALTH AND FAMILY PROMOTION.]

\$2,500,000 is appropriated from the general fund to the commissioner of health for positive abortion alternatives under new Minnesota Statutes, section 127A.145. Of this amount, \$50,000 is available for the fiscal year ending June 30, 2006, and \$100,000 is available for the fiscal year ending June 30, 2007, for administrative costs of implementing the grant program. The balance of the appropriation is available for the fiscal year ending June 30, 2007. The base funding for fiscal years 2008 and 2009 is \$2,500,000 per year."

62E.12 [MINIMUM BENEFITS OF COMPREHENSIVE HEALTH INSURANCE PLAN.]

(a) The association through its comprehensive health insurance plan shall offer policies which provide the benefits of a number one qualified plan and a number two qualified plan, except that the maximum lifetime benefit on these plans shall be \$2,800,000; and an extended basic Medicare supplement plan and a basic Medicare supplement plan as described in sections 62A.31 to 62A.44. The association may also offer a plan that is identical to a number one and number two qualified plan except that it has a \$2,000 annual deductible and a \$2,800,000 maximum lifetime benefit. The association, subject to the approval of the commissioner, may also offer plans that are identical to the number one or number two qualified plan, except that they have annual deductibles of \$5,000 and \$10,000, respectively; have limitations on total annual out-of-pocket expenses equal to those annual deductibles and therefore cover 100 percent of the allowable cost of covered services in excess of those annual deductibles; and have a \$2,800,000 maximum lifetime benefit. The association, subject to approval of the commissioner, may also offer plans that meet all other requirements of state law except those that are inconsistent with high deductible health plans as defined in sections 220 and 223 of the Internal Revenue Code and supporting regulations. As of January 1, 2006, the association shall no longer be required to offer an extended basic Medicare supplement plan.

(b) The requirement that a policy issued by the association must be a qualified plan is satisfied if the association contracts with a preferred provider network and the level of benefits for services provided within the network satisfies the requirements of a qualified plan. If the association uses a preferred provider network, payments to nonparticipating providers must meet the minimum requirements of section 72A.20, subdivision 15.

(c) The association shall offer health maintenance organization contracts in those areas of the state where a health maintenance organization has agreed to make the coverage available and has been selected as a writing carrier.

(d) Notwithstanding the provisions of section 62E.06 and unless those charges are billed by a provider that is part of the association's preferred provider network, the state plan shall exclude coverage of services of a private duty nurse other than on an inpatient basis and any charges for treatment in a hospital located outside of the state of Minnesota in which the covered person is receiving treatment for a mental or nervous disorder, unless similar treatment for the mental or nervous disorder is medically necessary, unavailable in Minnesota and provided upon referral by a licensed Minnesota medical practitioner.

Sec. 14. Minnesota Statutes 2004, section 62E.13, subdivision 2, is amended to read:

Subd. 2. [SELECTION OF WRITING CARRIER.] The association may select policies and contracts, or parts thereof, submitted by a member or members of the association, or by the association or others, to develop specifications for bids from any entity which wishes to be selected as a writing carrier to administer the state plan. The selection of the writing carrier shall be based upon criteria established by the board of directors of the association and approved by the commissioner. The criteria shall outline specific qualifications that an entity must satisfy in order to be selected and, at a minimum, shall include the entity's proven ability to handle large group accident and health insurance cases, efficient claim paying capacity, and the estimate of total charges for administering the plan. The association may select separate writing carriers for the two types of qualified plans and the \$2,000, \$5,000, and \$10,000 deductible plans, the ~~qualified~~ Medicare supplement ~~plan plans~~, and the health maintenance organization contract.

Sec. 15. [62L.056] [SMALL EMPLOYER FLEXIBLE BENEFITS PLANS.]

(a) Notwithstanding any provision of this chapter, chapter 363A, or any other law to the contrary, a health carrier may offer, sell, issue, and renew a health benefit plan that is a flexible benefits plan under this section to a small employer if the following requirements are satisfied:

(1) the health benefit plan must be offered in compliance with this chapter, except as otherwise permitted in this section;

(2) the health benefit plan to be offered must be designed to enable employers and covered persons to better manage costs and coverage options through the use of co-pays, deductibles, and other cost-sharing arrangements;

(3) the health benefit plan must be issued and administered in compliance with sections 62E.141; 62L.03, subdivision 6; and 62L.12, subdivisions 3 and 4, relating to prohibitions against enrolling in the Minnesota Comprehensive Health Association persons eligible for employer group coverage;

(4) the health benefit plan may modify or exclude any or all coverages of benefits that would otherwise be required by law, except for maternity benefits and other benefits required under federal law;

(5) each health benefit plan must be approved by the commissioner of commerce, but the commissioner may not disapprove a plan on the grounds of a modification or exclusion permitted under clause (4); and

(6) prior to sale of the health benefit plan, the small employer must be given a written list of the coverages otherwise required by law that are modified or excluded in the health benefit plan. The list must include a description of each coverage in the list and indicate whether the coverage is modified or excluded. If a coverage is modified, the list must describe the modification. The list may, but need not, also list any or all coverages otherwise required by law that are included in the health benefit plan and indicate that they are included. The insurer must require that a copy of this written list be provided, prior to the effective date of the health benefit plan, to each employee who is eligible for health coverage under the employer's plan.

(b) The definitions in section 62L.02 apply to this section as modified by this section.

(c) An employer may provide a health benefit plan permitted under this section to its employees, the employees' dependents, and other persons eligible for coverage under the employer's plan, notwithstanding chapter 363A or any other law to the contrary.

Sec. 16. Minnesota Statutes 2004, section 62Q.471, is amended to read:

62Q.471 [EXCLUSION FOR SUICIDE ATTEMPTS PROHIBITED.]

(a) No health plan may exclude or reduce coverage for health care for an enrollee who is otherwise covered under the health plan on the basis that the need for the health care arose out of a suicide or suicide attempt by the enrollee.

(b) For purposes of this section, "health plan" has the meaning given in section 62Q.01, subdivision 3, but includes the coverages described in section 62A.011, clauses (4), (6), and (7) ~~and~~ through (10).

Sec. 17. Minnesota Statutes 2004, section 62Q.65, is amended to read:

62Q.65 [ACCESS TO PROVIDER DISCOUNTS.]

Subdivision 1. [REQUIREMENT.] A high deductible health plan must, when used in connection with a medical savings account or health savings account, provide the enrollee access to any discounted provider fees for services covered by the high deductible health plan, regardless of whether the enrollee has satisfied the deductible for the high deductible health plan.

Subd. 2. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given:

(1) "high deductible health plan" has the meaning given under the Internal Revenue Code of 1986, section 220(c)(2), with respect to a medical savings account; and the meaning given under Internal Revenue Code of 1986, section 223(c)(2), with respect to a health savings account;

(2) "medical savings account" has the meaning given under the Internal Revenue Code of 1986, section 220(d)(1); ~~and~~

(3) "discounted provider fees" means fees contained in a provider agreement entered into by the issuer of the high deductible health plan, or an affiliate of the issuer, for use in connection with the high deductible health plan; and

(4) "health savings account" has the meaning given under the Internal Revenue Code of 1986, section 223(d).

Sec. 18. Minnesota Statutes 2004, section 65A.29, subdivision 11, is amended to read:

Subd. 11. [NONRENEWAL.] Every insurer shall establish a plan that sets out the minimum number and amount of claims during an experience period that may result in a nonrenewal. For purposes of the plan, the insurer may not consider as a claim the insured's inquiry about a hypothetical claim, or the insured's inquiry to the insured's agent regarding a potential claim.

No homeowner's insurance policy may be nonrenewed based on the insured's loss experience unless the insurer has sent a written notice that any future losses may result in nonrenewal due to loss experience.

Any nonrenewal of a homeowner's insurance policy must, at a minimum, comply with the requirements of subdivision 8 and the rules adopted by the commissioner.

Sec. 19. [65A.297] [ACTIVE DUTY MEMBER OF ARMED SERVICES RESERVE OR NATIONAL GUARD; USE IN UNDERWRITING PROHIBITED.]

No insurer, including the Minnesota FAIR plan, shall refuse to renew, decline to offer or write, reduce the limits of, cancel, or charge differential rates for equivalent coverage for any coverage in a homeowner's policy because the dwelling is vacant or occupied by a caretaker if the insured's absence is caused solely by the insured being called to active duty as a member of the armed services reserve or the National Guard.

Sec. 20. [65B.286] [SNOWMOBILE AUXILIARY LIGHTING SYSTEM DISCOUNT.]

Subdivision 1. [DEFINITION.] For the purposes of this section, the term "auxiliary hazard warning lighting system" means a system installed by the manufacturer of a snowmobile as original equipment or installed in a snowmobile by the manufacturer or an authorized dealer of that manufacturer as an aftermarket system that does the following when activated:

(1) a yellow light emitting diode (L.E.D.) light on the front of the snowmobile that flashes at least once per second and is visible at least one-half mile in front of the snowmobile; and

(2) a red light emitting diode (L.E.D.) light on the rear of the snowmobile that flashes at least once per second and is visible at least one-half mile from behind the snowmobile.

Subd. 2. [REQUIRED REDUCTION.] An insurer must provide an appropriate premium reduction of at least five percent on a policy insuring the snowmobile, or on that portion of a policy insuring a snowmobile that is issued, delivered, or renewed in this state, to the insured whose snowmobile is equipped with an authorized auxiliary hazard warning lighting system. The premium reduction required by this subdivision applies to every snowmobile of the insured that is equipped with an auxiliary hazard warning lighting system.

Sec. 21. Minnesota Statutes 2004, section 65B.48, subdivision 3, is amended to read:

Subd. 3. Self-insurance, subject to approval of the commissioner, is effected by filing with the commissioner in satisfactory form:

(1) a continuing undertaking by the owner or other appropriate person to pay tort liabilities or basic economic loss benefits, or both, and to perform all other obligations imposed by sections 65B.41 to 65B.71;

(2) evidence that appropriate provision exists for prompt administration of all claims, benefits, and obligations provided by sections 65B.41 to 65B.71;

(3) evidence that reliable financial arrangements, deposits, or commitments exist providing assurance, substantially equivalent to that afforded by a policy of insurance complying with sections 65B.41 to 65B.71, for payment of tort liabilities, basic economic loss benefits, and all other obligations imposed by sections 65B.41 to 65B.71; and

(4) a nonrefundable initial application fee of ~~\$1,500~~ \$2,500 and ~~an annual~~ a renewal fee of ~~\$400~~ \$1,200 for political subdivisions and ~~\$500~~ \$1,500 for nonpolitical entities every three years.

Sec. 22. Minnesota Statutes 2004, section 72A.20, subdivision 13, is amended to read:

Subd. 13. [REFUSAL TO RENEW.] Refusing to renew, declining to offer or write, or charging differential rates for an equivalent amount of homeowner's insurance coverage, as defined by section 65A.27, for property located in a town or statutory or home rule charter city, in which the insurer offers to sell or writes homeowner's insurance, solely because:

(a) of the geographic area in which the property is located;

(b) of the age of the primary structure sought to be insured;

(c) the insured or prospective insured was denied coverage of the property by another insurer, whether by cancellation, nonrenewal or declination to offer coverage, for a reason other than those specified in section 65A.01, subdivision 3a, clauses (a) to (e); ~~or~~

(d) the property of the insured or prospective insured has been insured under the Minnesota FAIR Plan Act, shall constitute an unfair method of competition and an unfair and deceptive act or practice; or

(e) the insured has inquired about coverage for a hypothetical claim or has made an inquiry to the insured's agent regarding a potential claim.

This subdivision prohibits an insurer from filing or charging different rates for different zip code areas within the same town or statutory or home rule charter city.

This subdivision shall not prohibit the insurer from applying underwriting or rating standards which the insurer applies generally in all other locations in the state and which are not specifically prohibited by clauses (a) to ~~(d)~~ (e). Such underwriting or rating standards shall specifically include but not be limited to standards based upon the proximity of the insured property to an extraordinary hazard or based upon the quality or availability of fire protection services or based upon the density or concentration of the insurer's risks. Clause (b) shall not prohibit the use of rating standards based upon the age of the insured structure's plumbing, electrical, heating or cooling system or other part of the structure, the age of which affects the risk of loss. Any insurer's failure to comply with section 65A.29, subdivisions 2 to 4, either (1) by failing to give an insured or applicant the required notice or statement or (2) by failing to state specifically a bona fide underwriting or other reason for the refusal to write shall create a presumption that the insurer has violated this subdivision.

Sec. 23. Minnesota Statutes 2004, section 72A.20, subdivision 36, is amended to read:

Subd. 36. [LIMITATIONS ON THE USE OF CREDIT INFORMATION.] (a) No insurer or group of affiliated insurers may reject, cancel, or nonrenew a policy of private passenger motor vehicle insurance as defined under section 65B.01 or a policy of homeowner's insurance as defined under section 65A.27, for any person in whole or in part on the basis of credit information, including a credit reporting product known as a "credit score" or "insurance score," without consideration and inclusion of any other applicable underwriting factor.

(b) If credit information, credit scoring, or insurance scoring is to be used in underwriting, the insurer must disclose to the consumer that credit information will be obtained and used as part of the insurance underwriting process.

(c) Insurance inquiries and non-consumer-initiated inquiries must not be used as part of the credit scoring or insurance scoring process.

(d) If a credit score, insurance score, or other credit information relating to a consumer, with respect to the types of insurance referred to in paragraph (a), is adversely impacted or cannot be generated because of the absence of a credit history, the insurer must exclude the use of credit as a factor in the decision to reject, cancel, or nonrenew.

(e) Insurers must upon the request of a policyholder reevaluate the policyholder's score. Any change in premium resulting from the reevaluation must be effective upon the renewal of the policy. An insurer is not required to reevaluate a policyholder's score pursuant to this paragraph more than twice in any given calendar year.

(f) Insurers must upon request of the applicant or policyholder provide reasonable underwriting exceptions based upon prior credit histories for persons whose credit information is unduly influenced by expenses related to a catastrophic injury or illness, temporary loss of employment, or the death of an immediate family member. The insurer may require reasonable documentation of these events prior to granting an exception.

~~(f)~~ (g) A credit scoring or insurance scoring methodology must not be used by an insurer if the credit scoring or insurance scoring methodology incorporates the gender, race, nationality, or religion of an insured or applicant.

~~(g)~~ (h) Insurers that employ a credit scoring or insurance scoring system in underwriting of coverage described in paragraph (a) must have on file with the commissioner:

(1) the insurer's credit scoring or insurance scoring methodology; and

(2) information that supports the insurer's use of a credit score or insurance score as an underwriting criterion.

~~(h)~~ (i) Insurers described in paragraph (g) shall file the required information with the commissioner within 120 days of August 1, 2002, or prior to implementation of a credit scoring or insurance scoring system by the insurer, if that date is later.

~~(i)~~ (j) Information provided by, or on behalf of, an insurer to the commissioner under this subdivision is trade secret information under section 13.37.

Sec. 24. Minnesota Statutes 2004, section 79.211, is amended by adding a subdivision to read:

Subd. 4. [EXPERIENCE MODIFICATION FACTOR REVISION FOR CERTAIN CLOSED CLAIMS.] An insurer or an employer insured under a workers' compensation policy subject to an experience rating plan may request in writing of the data service organization computing the policy's experience modification factor that the most recent factor be revised if each of the following criteria is met:

(1) a workers' compensation claim under that policy is closed between the normal valuation date for that claim and the next time that valuation is used in computing the experience modification factor on the policy;

(2) the data service organization receives a revised unit statistical report containing data on the closed claim in a form consistent with its filed unit statistical plan; and

(3) inclusion of the closed claim in the experience modification factor calculation would impact that factor by five percentage points or more.

Sec. 25. Minnesota Statutes 2004, section 79.40, is amended to read:

79.40 [PREMIUM INCLUSION IN RATEMAKING.]

Premiums charged members by the reinsurance association shall be recognized in the ratemaking procedures for insurance rates ~~in the same manner as assessments for the special compensation fund.~~

Sec. 26. Minnesota Statutes 2004, section 79.56, subdivision 1, is amended to read:

Subdivision 1. [PREFILING OF RATES.] (a) Each insurer shall file with the commissioner a complete copy of its rates and rating plan, and all changes and amendments thereto, and such supporting data and information that the commissioner may by rule require, at least 60 days prior to its effective date. The commissioner shall advise an insurer within 30 days of the filing if its submission is not accompanied with such supporting data and information that the commissioner by rule may require. The commissioner may extend the filing review period and effective date for an additional 30 days if an insurer, after having been advised of what supporting data and information is necessary to complete its filing, does not provide such information within 15 days of having been so notified. If any rate or rating plan filing or amendment thereto is not disapproved by the commissioner within the filing review period, the insurer may implement it. For the period August 1, 1995, to December 31, 1995, the filing shall be made at least 90 days prior to the effective date and the department shall advise an insurer within 60 days of such filing if the filing is insufficient under this section.

(b) A rating plan or rates are not subject to the requirements of paragraph (a), where the insurer files a certification verifying that it will use the mutually agreed upon rating plan or rates only to write a specific employer that generates \$250,000 in annual written workers' compensation premiums before the application of any large deductible rating plan. The certification must be refiled upon each renewal of the employer's policy. The \$250,000 threshold includes premiums generated in any state. The designation and certification must be submitted in substantially the following form:

Name and address of insurer:

Name and address of insured employer:

Policy period:

I certify that the employer named above generates \$250,000 or more in annual countrywide written workers' compensation premiums, and that the calculation of this threshold is based on the rates and rating plans that have been approved by the appropriate state regulatory authority. The filing of this certification authorizes the use of this rate or rating plan only for the named employer.

Name of responsible officer:

Title:

Signature:

Sec. 27. Minnesota Statutes 2004, section 79.56, subdivision 3, is amended to read:

Subd. 3. [PENALTIES.] ~~(a)~~ Any insurer using a rate or a rating plan which has not been filed or certified under subdivision 1 shall be subject to a fine of up to \$100 for each day the failure to file continues. The commissioner may, after a hearing on the record, find that the failure is willful. A willful failure to meet filing requirements shall be punishable by a fine of up to \$500 for each day during which a willful failure continues. These penalties shall be in addition to any other penalties provided by law.

~~(b) Notwithstanding this subdivision, an employer that generates \$250,000 in annual written workers' compensation premium under the rates and rating plan of an insurer before the application of any large deductible rating plans, may be written by that insurer using rates or rating plans that are not subject to disapproval but which have been filed. For the purposes of this paragraph, written workers' compensation premiums generated from states other than Minnesota are included in calculating the \$250,000 threshold for large risk alternative rating option plans.~~

Sec. 28. Minnesota Statutes 2004, section 79.62, subdivision 3, is amended to read:

Subd. 3. [ISSUANCE.] The commissioner, upon finding that the applicant organization is qualified to provide the services required and proposed, or has contracted with a licensed data service organization to purchase these services which are required by this chapter but are not provided directly by the applicant, and that all requirements of law are met, shall issue a license. Each license is subject to annual renewal effective June 30. Each new or renewal license application must be accompanied by a fee of ~~\$50~~ \$1,000.

Sec. 29. Minnesota Statutes 2004, section 79A.03, subdivision 9, is amended to read:

Subd. 9. [FILING REPORTS.] (a) Incurred losses, paid and unpaid, specifying indemnity and medical losses by classification, payroll by classification, and current estimated outstanding liability for workers' compensation shall be reported to the commissioner by each self-insurer on a calendar year basis, in a manner and on forms available from the commissioner. Payroll information must be filed by April 1 of the following year.

(b) Each self-insurer shall, under oath, attest to the accuracy of each report submitted pursuant to paragraph (a). Upon sufficient cause, the commissioner shall require the self-insurer to submit a certified audit of payroll and claim records conducted by an independent auditor approved by the commissioner, based on generally accepted accounting principles and generally accepted auditing standards, and supported by an actuarial review and opinion of the future contingent liabilities. The basis for sufficient cause shall include the following factors: where the

losses reported appear significantly different from similar types of businesses; where major changes in the reports exist from year to year, which are not solely attributable to economic factors; or where the commissioner has reason to believe that the losses and payroll in the report do not accurately reflect the losses and payroll of that employer. If any discrepancy is found, the commissioner shall require changes in the self-insurer's or workers' compensation service company record-keeping practices.

(c) An annual status report due August 1 by each self-insurer shall be filed in a manner and on forms prescribed by the commissioner.

(d) Each individual self-insurer shall, within four months after the end of its fiscal year, annually file with the commissioner its latest 10K report required by the Securities and Exchange Commission. If an individual self-insurer does not prepare a 10K report, it shall file an annual certified financial statement, together with such other financial information as the commissioner may require to substantiate data in the financial statement.

(e) Each member of the group shall, within ~~seven~~ six months after the end of each fiscal year for that group, ~~file~~ submit to a certified public accountant designated by the group, the most recent annual financial statement, reviewed by a certified public accountant in accordance with the Statements on Standards for Accounting and Review Services, Volume 2, the American Institute of Certified Public Accountants Professional Standards, or audited in accordance with generally accepted auditing standards, together with such other financial information the commissioner may require. In addition, the group shall file with the commissioner, within seven months after the end of each fiscal year for that group, combining financial statements of the group members, compiled by a certified public accountant in accordance with the Statements on Standards for Accounting and Review Services, Volume 2, the American Institute of Certified Public Accountants Professional Standards. The combining financial statements shall include, but not be limited to, a balance sheet, income statement, statement of changes in net worth, and statement of cash flow. Each combining financial statement shall include a column for each individual group member along with a total column. Each combined statement shall have a statement from the certified public accountant confirming that each member has submitted the required financial statement as defined in this section. The certified public accountant shall notify the commissioner if any statement is qualified or otherwise conditional. The commissioner may require additional financial information from any group member.

Where a group has 50 or more members, the group shall file, in lieu of the combining financial statements, a combined financial statement showing only the total column for the entire group's balance sheet, income statement, statement of changes in net worth, and statement of cash flow. Additionally, the group shall disclose, for each member, the total assets, net worth, revenue, and income for the most recent fiscal year. The combining and combined financial statements may omit all footnote disclosures.

(f) In addition to the financial statements required by paragraphs (d) and (e), interim financial statements or 10Q reports required by the Securities and Exchange Commission may be required by the commissioner upon an indication that there has been deterioration in the self-insurer's financial condition, including a worsening of current ratio, lessening of net worth, net loss of income, the downgrading of the company's bond rating, or any other significant change that may adversely affect the self-insurer's ability to pay expected losses. Any self-insurer that files an 8K report with the Securities and Exchange Commission shall also file a copy of the report with the commissioner within 30 days of the filing with the Securities and Exchange Commission.

Sec. 30. Minnesota Statutes 2004, section 79A.04, subdivision 2, is amended to read:

Subd. 2. [MINIMUM DEPOSIT.] The minimum deposit is 110 percent of the private self-insurer's estimated future liability. The deposit may be used to secure payment of all administrative and legal costs, and unpaid assessments required by section 79A.12, subdivision 2, relating to or arising from its or other employers' self-insuring. As used in this section, "private self-insurer" includes both current and former members of the self-insurers' security fund; and "private self-insurers' estimated future liability" means the private self-insurers' total of

estimated future liability as determined by an Associate or Fellow of the Casualty Actuarial Society every year for group member private self-insurers and, for a nongroup member private self-insurer's authority to self-insure, every year for the first five years. After the first five years, the nongroup member's total shall be as determined by an Associate or Fellow of the Casualty Actuarial Society at least every two years, and each such actuarial study shall include a projection of future losses during the period until the next scheduled actuarial study, less payments anticipated to be made during that time.

All data and information furnished by a private self-insurer to an Associate or Fellow of the Casualty Actuarial Society for purposes of determining private self-insurers' estimated future liability must be certified by an officer of the private self-insurer to be true and correct with respect to payroll and paid losses, and must be certified, upon information and belief, to be true and correct with respect to reserves. The certification must be made by sworn affidavit. In addition to any other remedies provided by law, the certification of false data or information pursuant to this subdivision may result in a fine imposed by the commissioner of commerce on the private self-insurer up to the amount of \$5,000, and termination of the private self-insurers' authority to self-insure. The determination of private self-insurers' estimated future liability by an Associate or Fellow of the Casualty Actuarial Society shall be conducted in accordance with standards and principles for establishing loss and loss adjustment expense reserves by the Actuarial Standards Board, an affiliate of the American Academy of Actuaries. The commissioner may reject an actuarial report that does not meet the standards and principles of the Actuarial Standards Board, and may further disqualify the actuary who prepared the report from submitting any future actuarial reports pursuant to this chapter. Within 30 days after the actuary has been served by the commissioner with a notice of disqualification, an actuary who is aggrieved by the disqualification may request a hearing to be conducted in accordance with chapter 14. Based on a review of the actuarial report, the commissioner of commerce may require an increase in the minimum security deposit in an amount the commissioner considers sufficient.

Estimated future liability is determined by first taking the total amount of the self-insured's future liability of workers' compensation claims and then deducting the total amount which is estimated to be returned to the self-insurer from any specific excess insurance coverage, aggregate excess insurance coverage, and any supplementary benefits or second injury benefits which are estimated to be reimbursed by the special compensation fund. However, in the determination of estimated future liability, the actuary for the self-insurer shall not take a credit for any excess insurance or reinsurance which is provided by a captive insurance company which is wholly owned by the self-insurer. Supplementary benefits or second injury benefits will not be reimbursed by the special compensation fund unless the special compensation fund assessment pursuant to section 176.129 is paid and the reports required thereunder are filed with the special compensation fund. In the case of surety bonds, bonds shall secure administrative and legal costs in addition to the liability for payment of compensation reflected on the face of the bond. In no event shall the security be less than the last retention limit selected by the self-insurer with the Workers' Compensation Reinsurance Association, provided that the commissioner may allow former members to post less than the Workers' Compensation Reinsurance Association retention level if that amount is adequate to secure payment of the self-insurers' estimated future liability, as defined in this subdivision, including payment of claims, administrative and legal costs, and unpaid assessments required by section 79A.12, subdivision 2. The posting or depositing of security pursuant to this section shall release all previously posted or deposited security from any obligations under the posting or depositing and any surety bond so released shall be returned to the surety. Any other security shall be returned to the depositor or the person posting the bond.

As a condition for the granting or renewing of a certificate to self-insure, the commissioner may require a private self-insurer to furnish any additional security the commissioner considers sufficient to insure payment of all claims under chapter 176.

Sec. 31. Minnesota Statutes 2004, section 79A.04, subdivision 10, is amended to read:

Subd. 10. [NOTICE; OBLIGATION OF FUND.] In the event of bankruptcy, insolvency, or certificate of default, the commissioner shall immediately notify by certified mail the commissioner of finance, the surety, the issuer of an irrevocable letter of credit, and any custodian of the security required in this chapter. At the time of notification, the commissioner shall also call the security and transfer and assign it to the self-insurers' security fund.

The commissioner shall also immediately notify by certified mail the self-insurers' security fund, and order the security fund to assume the insolvent self-insurers' obligations for which it is liable under chapter 176. The security fund shall commence payment of these obligations within 14 days of receipt of this notification and order. Payments shall be made to claimants whose entitlement to benefits can be ascertained by the security fund, with or without proceedings before the Department of Labor and Industry, the Office of Administrative Hearings, the Workers' Compensation Court of Appeals, or the Minnesota Supreme Court. Upon the assumption of obligations by the security fund pursuant to the commissioner's notification and order, the security fund has the right to immediate possession of any posted or deposited security and the custodian, surety, or issuer of any irrevocable letter of credit or the commissioner, if in possession of it, shall turn over the security, proceeds of the surety bond, or letter of credit to the security fund together with the interest that has accrued since the date of the self-insured employer's insolvency. The security fund has the right to the immediate possession of all relevant workers' compensation claim files and data of the self-insurer, and the possessor of the files and data must turn the files and data, or complete copies of them, over to the security fund within five days of the notification provided under this subdivision. If the possessor of the files and data fails to timely turn over the files and data to the security fund, it is liable to the security fund for a penalty of \$500 per day for each day after the five-day period has expired. The security fund is entitled to recover its reasonable attorney fees and costs in any action brought to obtain possession of the workers' compensation claim files and data of the self-insurer, and for any action to recover the penalties provided by this subdivision. The self-insurers' security fund may administer payment of benefits or it may retain a third-party administrator to do so.

Sec. 32. Minnesota Statutes 2004, section 79A.06, subdivision 5, is amended to read:

Subd. 5. [PRIVATE EMPLOYERS WHO HAVE CEASED TO BE SELF-INSURED.] (a) Private employers who have ceased to be private self-insurers shall discharge their continuing obligations to secure the payment of compensation which is accrued during the period of self-insurance, for purposes of Laws 1988, chapter 674, sections 1 to 21, by compliance with all of the following obligations of current certificate holders:

(1) Filing reports with the commissioner to carry out the requirements of this chapter;

(2) Depositing and maintaining a security deposit for accrued liability for the payment of any compensation which may become due, pursuant to chapter 176. However, if a private employer who has ceased to be a private self-insurer purchases an insurance policy from an insurer authorized to transact workers' compensation insurance in this state which provides coverage of all claims for compensation arising out of injuries occurring during the entire period the employer was self-insured, whether or not reported during that period, the policy will:

(i) discharge the obligation of the employer to maintain a security deposit for the payment of the claims covered under the policy;

(ii) discharge any obligation which the self-insurers' security fund has or may have for payment of all claims for compensation arising out of injuries occurring during the period the employer was self-insured, whether or not reported during that period; and

(iii) discharge the obligations of the employer to pay any future assessments to the self-insurers' security fund.

A private employer who has ceased to be a private self-insurer may instead buy an insurance policy described above, except that it covers only a portion of the period of time during which the private employer was self-insured; purchase of such a policy discharges any obligation that the self-insurers' security fund has or may have for payment of all claims for compensation arising out of injuries occurring during the period for which the policy provides coverage, whether or not reported during that period.

A policy described in this clause may not be issued by an insurer unless it has previously been approved as to form and substance by the commissioner; and

(3) Paying within 30 days all assessments of which notice is sent by the security fund, for a period of seven years from the last day its certificate of self-insurance was in effect. Thereafter, the private employer who has ceased to be a private self-insurer may either: (i) continue to pay within 30 days all assessments of which notice is sent by the security fund until it has no incurred liabilities for the payment of compensation arising out of injuries during the period of self-insurance; or (ii) pay the security fund a cash payment equal to four percent of the net present value of all remaining incurred liabilities for the payment of compensation under sections 176.101 and 176.111 as certified by a member of the casualty actuarial society. Assessments shall be based on the benefits paid by the employer during the calendar year immediately preceding the calendar year in which the employer's right to self-insure is terminated or withdrawn.

(b) With respect to a self-insurer who terminates its self-insurance authority after April 1, 1998, that member shall obtain and file with the commissioner an actuarial opinion of its outstanding liabilities as determined by an associate or fellow of the Casualty Actuarial Society within 120 days of the date of its termination. If the actuarial opinion is not timely filed, the self-insurers' security fund may, at its discretion, engage the services of an actuary for this purpose. The expense of this actuarial opinion must be assessed against and be the obligation of the self-insurer. The commissioner may issue a certificate of default against the self-insurer for failure to pay this assessment to the self-insurers' security fund as provided by section 79A.04, subdivision 2. The opinion must separate liability for indemnity benefits from liability from medical benefits, and must discount each up to four percent per annum to net present value. Within 30 days after notification of approval of the actuarial opinion by the commissioner, the member shall pay to the security fund an amount equal to 120 percent of that discounted outstanding indemnity liability, multiplied by the greater of the average annualized assessment rate since inception of the security fund or the annual rate at the time of the most recent assessment before termination. If the payment is not made within 30 days of the notification, interest on it at the rate prescribed by section 549.09 must be paid by the former member to the security fund until the principal amount is paid in full.

(c) A former member who terminated its self-insurance authority before April 1, 1998, who has paid assessments to the self-insurers' security fund for seven years, and whose annualized assessment is \$500 or less, may buy out of its outstanding liabilities to the self-insurers' security fund by an amount calculated as follows: 1.35 multiplied by the indemnity case reserves at the time of the calculation, multiplied by the then current self-insurers' security fund annualized assessment rate.

(d) A former member who terminated its self-insurance authority before April 1, 1998, and who is paying assessments within the first seven years after ceasing to be self-insured under paragraph (a), clause (3), may elect to buy out its outstanding liabilities to the self-insurers' security fund by obtaining and filing with the commissioner an actuarial opinion of its outstanding liabilities as determined by an associate or fellow of the Casualty Actuarial Society. The opinion must separate liability for indemnity benefits from liability for medical benefits, and must discount each up to four percent per annum to net present value. Within 30 days after notification of approval of the actuarial opinion by the commissioner, the member shall pay to the security fund an amount equal to 120 percent of that discounted outstanding indemnity liability, multiplied by the greater of the average annualized assessment rate since inception of the security fund or the annual rate at the time of the most recent assessment.

(e) A former member who has paid the security fund according to paragraphs (b) to (d) and subsequently receives authority from the commissioner to again self-insure shall be assessed under section 79A.12, subdivision 2, only on indemnity benefits paid on injuries that occurred after the former member received authority to self-insure again; provided that the member furnishes verified data regarding those benefits to the security fund.

(f) In addition to proceedings to establish liabilities and penalties otherwise provided, a failure to comply may be the subject of a proceeding before the commissioner. An appeal from the commissioner's determination may be taken pursuant to the contested case procedures of chapter 14 within 30 days of the commissioner's written determination.

Any current or past member of the self-insurers' security fund is subject to service of process on any claim arising out of chapter 176 or this chapter in the manner provided by section 5.25, or as otherwise provided by law. The issuance of a certificate to self-insure to the private self-insured employer shall be deemed to be the agreement that any process which is served in accordance with this section shall be of the same legal force and effect as if served personally within this state.

Sec. 33. Minnesota Statutes 2004, section 79A.12, subdivision 2, is amended to read:

Subd. 2. [ASSESSMENT.] The security fund may assess each of its members a pro rata share of the funding necessary to carry out its obligation and the purposes of this chapter. Total annual assessments in any calendar year shall not exceed ten percent of ~~the workers' compensation benefits paid under sections 176.101 and 176.111 during the previous paid indemnity losses, as defined in section 176.129, made by the self-insured employer during the preceding~~ calendar year. The annual assessment calculation shall not include supplementary benefits paid which will be reimbursed by the special compensation fund. Funds obtained by assessments pursuant to this subdivision may only be used for the purposes of this chapter. The trustees shall certify to the commissioner the collection and receipt of all money from assessments, noting any delinquencies. The trustees shall take any action deemed appropriate to collect any delinquent assessments.

The date shall be no earlier than 18 months following the end of such fund year. The first disbursement of fund surplus may not be made prior to the written approval of the commissioner. There can be no more than one refund made in any 12 month period.

(b) Except as otherwise provided in paragraph (c), for groups that have been in existence for five years or more, 100 percent of any surplus money for a fund year in excess of 110 percent of the amount necessary to fulfill all obligations under the Workers' Compensation Act, chapter 176, for that fund year may be declared refundable to eligible members at any time.

(c) Excess surplus distributions under paragraphs (a) and (b) may not be greater than the combined surplus of the group at the time of the distribution.

(d) When all the claims of any one fund year have been fully paid, as certified by an actuary, all surplus money from that fund year may be declared refundable.

~~(b)~~ (e) The commercial self-insurance group shall give ten days' prior notice to the commissioner of any refund. Said The notice shall must be accompanied by a statement from the commercial self-insurer group's certified public accountant certifying that the proposed refund is in compliance with paragraph (a) this subdivision.

Sec. 35. Minnesota Statutes 2004, section 79A.22, is amended by adding a subdivision to read:

Subd. 14. [ALL STATES COVERAGE.] Policies issued by commercial self-insurance groups pursuant to this chapter may also provide workers' compensation coverage required under the laws of states other than Minnesota, commonly known as "all states coverage." The coverage must be provided to members of the group which are temporarily performing work in another state.

Sec. 36. Minnesota Statutes 2004, section 176.191, subdivision 3, is amended to read:

Subd. 3. [INSURER PAYMENT.] If a dispute exists as to whether an employee's injury is compensable under this chapter and the employee is otherwise covered by an insurer or entity pursuant to chapters 62A, 62C ~~and~~ 62D, 62E, 62R, and 62T, that insurer or entity shall pay any medical costs incurred by the employee for the injury up to the limits of the applicable coverage and shall make any disability payments otherwise payable by that insurer or entity in the absence of or in addition to workers' compensation liability. If the injury is subsequently determined to be compensable pursuant to this chapter, the workers' compensation insurer shall be ordered to reimburse the insurer or entity that made the payments for all payments made under this subdivision by the insurer or entity, including interest at a rate of 12 percent a year. If a payment pursuant to this subdivision exceeds the reasonable value as permitted by sections 176.135 and 176.136, the provider shall reimburse the workers' compensation insurer for all the excess as provided by rules promulgated by the commissioner.

The commissioner also shall make reasonable efforts to notify the victim of the offender's crime of the terms of the offender's conditional release. Subd. 28. [DISCLOSURE OF PREDATORY OFFENDER REGISTRANT STATUS.] Law enforcement agency disclosure to health facilities of the registrant status of a registered predatory offender is governed by section 244.052.

[EFFECTIVE DATE.] This section is effective July 1, 2005.

Sec. 2. Minnesota Statutes 2004, section 144A.135, is amended to read:

144A.135 [TRANSFER AND DISCHARGE APPEALS.]

(a) The commissioner shall establish a mechanism for hearing appeals on transfers and discharges of residents by nursing homes or boarding care homes licensed by the commissioner. The commissioner may adopt permanent rules to implement this section.

(b) Until federal regulations are adopted under sections 1819(f)(3) and 1919(f)(3) of the Social Security Act that govern appeals of the discharges or transfers of residents from nursing homes and boarding care homes certified for participation in Medicare or medical assistance, the commissioner shall provide hearings under sections 14.57 to 14.62 and the rules adopted by the Office of Administrative Hearings governing contested cases. To appeal the discharge or transfer, or notification of an intended discharge or transfer, a resident or the resident's representative must request a hearing in writing no later than 30 days after receiving written notice, which conforms to state and federal law, of the intended discharge or transfer.

(c) Hearings under this section shall be held no later than 14 days after receipt of the request for hearing, unless impractical to do so or unless the parties agree otherwise. Hearings shall be held in the facility in which the resident resides, unless impractical to do so or unless the parties agree otherwise.

(d) A resident who timely appeals a notice of discharge or transfer, and who resides in a certified nursing home or boarding care home, may not be discharged or transferred by the nursing home or boarding care home until resolution of the appeal. The commissioner can order the facility to readmit the resident if the discharge or transfer was in violation of state or federal law. If the resident is required to be hospitalized for medical necessity before resolution of the appeal, the facility shall readmit the resident unless the resident's attending physician documents, in writing, why the resident's specific health care needs cannot be met in the facility.

(e) The commissioner and Office of Administrative Hearings shall conduct the hearings in compliance with the federal regulations described in paragraph (b), when adopted.

(f) Nothing in this section limits the right of a resident or the resident's representative to request or receive assistance from the Office of Ombudsman for Older Minnesotans or the Office of Health Facility Complaints with respect to an intended discharge or transfer.

(g) A person required to inform a health care facility of the person's status as a registered predatory offender under section 243.166, subdivision 4b, who knowingly fails to do so shall be deemed to have endangered the safety of individuals in the facility under Code of Federal Regulations, chapter 42, section 483.12. Notwithstanding paragraph (d), any appeal of the notice and discharge shall not constitute a stay of the discharge.

Sec. 3. Minnesota Statutes 2004, section 241.06, is amended to read:

241.06 [RECORD OF INMATES; DEPARTMENT OF CORRECTIONS.]

The records shall state every transfer from one facility to another, naming each. This information shall be furnished to the commissioner of corrections by each facility, with such other obtainable facts as the commissioner may from time to time require. The chief executive officer of each such facility, within ten days after the commitment or entrance thereto of a person, inmate, or convict, shall cause a true copy of the entrance record to be forwarded to the commissioner of corrections. The commissioner of corrections may authorize the chief executive officer of any facility under the commissioner's control to release to probation officers, local social services agencies or other specifically designated interested persons or agencies any information regarding any person, inmate, or convict thereat, if, in the opinion of the commissioner, it will be for the benefit of the person, inmate, or convict.

(b) The commissioner shall develop a plan to provide for residential and outpatient sex offender programming and aftercare when required for conditional release under section 609.108 or as a condition of supervised release. The plan may include co-payments from the offender, third-party payers, local agencies, or other funding sources as they are identified.

(4) provide an opportunity to local and regional governments, agencies, and programs to establish models of sex offender programs that are suited to the needs of that region.

(c) The commissioner shall establish an advisory task force consisting of county probation officers from Community Corrections Act counties and other counties, court services providers, and other interested officials. The commissioner shall consult with the task force ~~concerning the establishment and operation of the project on how best to implement the requirements of this subdivision.~~

If the authority determines it would be more practical and would further public safety for the person to report to another law enforcement authority with jurisdiction where the person is staying, it may, after consulting with the other law enforcement authority, include this requirement in the person's alternative reporting process;

(4) the authority shall require the person to comply with the weekly, in-person reporting process required under paragraph (d), if the person moves to a new area where this process would be practical;

(5) the authority shall require the person to report any changes to the registration information provided under subdivision 4a and to comply with the periodic registration requirements specified under paragraph (f); and

The offender and the law enforcement agency that was responsible for the charge resulting in confinement shall be notified of the time and place of the committee's meeting. The offender has a right to be present and be heard at the meeting. The law enforcement agency may provide material in writing that is relevant to the offender's risk level to the chair of the committee.  - (ii) the availability of residential supports to the offender, such as a stable and supervised living arrangement in an appropriate location;
 - (iii) the offender's familial and social relationships, including the nature and length of these relationships and the level of support that the offender may receive from these persons; and
 - (iv) the offender's lack of education or employment stability;
 - (5) whether the offender has indicated or credible evidence in the record indicates that the offender will reoffend if released into the community; and
 - (6) whether the offender demonstrates a physical condition that minimizes the risk of reoffense, including but not limited to, advanced age or a debilitating illness or physical condition.
- (h) Upon the request of the law enforcement agency or the offender's corrections agent, the commissioner may reconvene the end-of-confinement review committee for the purpose of reassessing the risk level to which an offender has been assigned under paragraph (e). In a request for a reassessment, the law enforcement agency which was responsible for the charge resulting in confinement or agent shall list the facts and circumstances arising after the initial assignment or facts and circumstances known to law enforcement or the agent but not considered by the committee under paragraph (e) which support the request for a reassessment. The request for reassessment by the law enforcement agency must occur within 30 days of receipt of the report indicating the offender's risk level assignment. The offender's corrections agent, in consultation with the chief law enforcement officer in the area where the offender resides or intends to reside, may request a review of a risk level at any time if substantial evidence exists that the offender's risk level should be reviewed by an end-of-confinement review committee. This evidence includes, but is not limited to, evidence of treatment failures or completions, evidence of exceptional crime-free community adjustment or lack of appropriate adjustment, evidence of substantial community need to know more about the offender or mitigating circumstances that would narrow the proposed scope of notification, or other practical situations articulated and based in evidence of the offender's behavior while under supervision. Upon review of the request, the end-of-confinement review committee may reassign an offender to a different risk level. If the offender is reassigned to a higher risk level, the offender has the right to seek review of the committee's determination under subdivision 6.
- (i) An offender may request the end-of-confinement review committee to reassess the offender's assigned risk level after three years have elapsed since the committee's initial risk assessment and may renew the request once every two years following subsequent denials. In a request for reassessment, the offender shall list the facts and circumstances which demonstrate that the offender no longer poses the same degree of risk to the community. In order for a request for a risk level reduction to be granted, the offender must demonstrate full compliance with supervised release conditions, completion of required post-release treatment programming, and full compliance with all registration requirements as detailed in section 243.166. The offender must also not have been convicted of any felony, gross misdemeanor, or misdemeanor offenses subsequent to the assignment of the original risk level. The committee shall follow the process outlined in paragraphs (a) to (c) in the reassessment. An offender who is incarcerated may not request a reassessment under this paragraph.

(j) Offenders returned to prison as release violators shall not have a right to a subsequent risk reassessment by the end-of-confinement review committee unless substantial evidence indicates that the offender's risk to the public has increased.

~~(k) The commissioner shall establish an end-of confinement review committee to assign a risk level to offenders who are released from a federal correctional facility in Minnesota or another state and who intend to reside in Minnesota, and to offenders accepted from another state under a reciprocal agreement for parole supervision under the interstate compact authorized by section 243.16. The committee shall make reasonable efforts to conform to the same timelines as applied to Minnesota cases. Offenders accepted from another state under a reciprocal agreement for probation supervision are not assigned a risk level, but are considered downward dispositional departures. The probation or court services officer and law enforcement officer shall manage such cases in accordance with section 244.10, subdivision 2a. The policies and procedures of the committee for federal offenders and interstate compact cases must be in accordance with all requirements as set forth in this section, unless restrictions caused by the nature of federal or interstate transfers prevents such conformance.~~

(4) If the committee assigns a predatory offender to risk level III, the committee shall determine whether residency restrictions shall be included in the conditions of the offender's release based on the offender's pattern of offending behavior.

[EFFECTIVE DATE.] This section is effective July 1, 2005, and applies to persons subject to community notification on or after that date.

Sec. 13. Minnesota Statutes 2004, section 244.052, is amended by adding a subdivision to read:

Subd. 3a. [OFFENDERS FROM OTHER STATES AND OFFENDERS RELEASED FROM FEDERAL FACILITIES.] (a) Except as provided in paragraph (b), the commissioner shall establish an end-of-confinement review committee to assign a risk level:

(1) to offenders who are released from a federal correctional facility in Minnesota or a federal correctional facility in another state and who intend to reside in Minnesota;

(2) to offenders who are accepted from another state under the interstate compact authorized by section 243.16 or 243.1605 or any other authorized interstate agreement; and

(3) to offenders who are referred to the committee by local law enforcement agencies under paragraph (f).

(b) This subdivision does not require the commissioner to convene an end-of-confinement review committee for a person coming into Minnesota who is subject to probation under another state's law. The probation or court services officer and law enforcement officer shall manage such cases in accordance with section 244.10, subdivision 2a.

(c) The committee shall make reasonable efforts to conform to the same timelines applied to offenders released from a Minnesota correctional facility and shall collect all relevant information and records on offenders assessed and assigned a risk level under this subdivision. However, for offenders who were assigned the most serious risk level by another state, the committee must act promptly to collect the information required under this paragraph.

The end-of-confinement review committee must proceed in accordance with all requirements set forth in this section and follow all policies and procedures applied to offenders released from a Minnesota correctional facility in reviewing information and assessing the risk level of offenders covered by this subdivision, unless restrictions caused by the nature of federal or interstate transfers prevent such conformance. All of the provisions of this section apply to offenders who are assessed and assigned a risk level under this subdivision.

(d) If a local law enforcement agency learns or suspects that a person who is subject to this section is living in Minnesota and a risk level has not been assigned to the person under this section, the law enforcement agency shall provide this information to the Bureau of Criminal Apprehension and the commissioner of corrections within three business days.

(e) If the commissioner receives reliable information from a local law enforcement agency or the bureau that a person subject to this section is living in Minnesota and a local law enforcement agency so requests, the commissioner must determine if the person was assigned a risk level under a law comparable to this section. If the commissioner determines that the law is comparable and public safety warrants, the commissioner, within three business days of receiving a request, shall notify the local law enforcement agency that it may, in consultation with the department, proceed with notification under subdivision 4 based on the person's out-of-state risk level. However, if the commissioner concludes that the offender is from a state with a risk level assessment law that is not comparable to this section, the extent of the notification may not exceed that of a risk level II offender under subdivision 4, paragraph (b), unless the requirements of paragraph (f) have been met. If an assessment is requested from the end-of-confinement review committee under paragraph (f), the local law enforcement agency may continue to disclose information under subdivision 4 until the committee assigns the person a risk level. After the committee assigns a risk level to an offender pursuant to a request made under paragraph (f), the information disclosed by law enforcement shall be consistent with the risk level assigned by the end-of-confinement review committee. The commissioner of corrections, in consultation with legal advisers, shall determine whether the law of another state is comparable to this section.

(f) If the local law enforcement agency wants to make a broader disclosure than is authorized under paragraph (e), the law enforcement agency may request that an end-of-confinement review committee assign a risk level to the offender. The local law enforcement agency shall provide to the committee all information concerning the offender's criminal history, the risk the offender poses to the community, and other relevant information. The department shall attempt to obtain other information relevant to determining which risk level to assign the offender. The committee shall promptly assign a risk level to an offender referred to the committee under this paragraph.

[EFFECTIVE DATE.] This section is effective July 1, 2005, and applies to persons subject to community notification on or after that date.

Sec. 14. Minnesota Statutes 2004, section 244.052, subdivision 4, is amended to read:

Subd. 4. [LAW ENFORCEMENT AGENCY; DISCLOSURE OF INFORMATION TO PUBLIC.] (a) The law enforcement agency in the area where the predatory offender resides, expects to reside, is employed, or is regularly found, shall disclose to the public any information regarding the offender contained in the report forwarded to the agency under subdivision 3, paragraph (f), that is relevant and necessary to protect the public and to counteract the offender's dangerousness, consistent with the guidelines in paragraph (b). The extent of the information disclosed and the community to whom disclosure is made must relate to the level of danger posed by the offender, to the offender's pattern of offending behavior, and to the need of community members for information to enhance their individual and collective safety.

(b) The law enforcement agency shall employ the following guidelines in determining the scope of disclosure made under this subdivision:

(1) if the offender is assigned to risk level I, the agency may maintain information regarding the offender within the agency and may disclose it to other law enforcement agencies. Additionally, the agency may disclose the information to any victims of or witnesses to the offense committed by the offender. The agency shall disclose the information to victims of the offense committed by the offender who have requested disclosure and to adult members of the offender's immediate household;

(2) if the offender is assigned to risk level II, the agency also may disclose the information to agencies and groups that the offender is likely to encounter for the purpose of securing those institutions and protecting individuals in their care while they are on or near the premises of the institution. These agencies and groups include the staff members of public and private educational institutions, day care establishments, and establishments and organizations that primarily serve individuals likely to be victimized by the offender. The agency also may disclose the information to individuals the agency believes are likely to be victimized by the offender. The agency's belief shall be based on the offender's pattern of offending or victim preference as documented in the information provided by the department of corrections or human services;

(3) if the offender is assigned to risk level III, the agency shall disclose the information to the persons and entities described in clauses (1) and (2) and to other members of the community whom the offender is likely to encounter, unless the law enforcement agency determines that public safety would be compromised by the disclosure or that a more limited disclosure is necessary to protect the identity of the victim.

Notwithstanding the assignment of a predatory offender to risk level II or III, a law enforcement agency may not make the disclosures permitted or required by clause (2) or (3), if: the offender is placed or resides in a residential facility. However, if an offender is placed or resides in a residential facility, the offender and the head of the facility shall designate the offender's likely residence upon release from the facility and the head of the facility shall notify the commissioner of corrections or the commissioner of human services of the offender's likely residence at least 14 days before the offender's scheduled release date. The commissioner shall give this information to the law enforcement agency having jurisdiction over the offender's likely residence. The head of the residential facility also shall notify the commissioner of corrections or human services within 48 hours after finalizing the offender's approved relocation plan to a permanent residence. Within five days after receiving this notification, the appropriate commissioner shall give to the appropriate law enforcement agency all relevant information the commissioner has concerning the offender, including information on the risk factors in the offender's history and the risk level to which the offender was assigned. After receiving this information, the law enforcement agency shall make the disclosures permitted or required by clause (2) or (3), as appropriate.

(c) As used in paragraph (b), clauses (2) and (3), "likely to encounter" means that:

(1) the organizations or community members are in a location or in close proximity to a location where the offender lives or is employed, or which the offender visits or is likely to visit on a regular basis, other than the location of the offender's outpatient treatment program; and

(2) the types of interaction which ordinarily occur at that location and other circumstances indicate that contact with the offender is reasonably certain.

(d) A law enforcement agency or official who discloses information under this subdivision shall make a good faith effort to make the notification within 14 days of receipt of a confirmed address from the Department of Corrections indicating that the offender will be, or has been, released from confinement, or accepted for supervision, or has moved to a new address and will reside at the address indicated. If a change occurs in the release plan, this notification provision does not require an extension of the release date.

(e) A law enforcement agency or official who discloses information under this subdivision shall not disclose the identity or any identifying characteristics of the victims of or witnesses to the offender's offenses.

(f) A law enforcement agency shall continue to disclose information on an offender as required by this subdivision for as long as the offender is required to register under section 243.166. This requirement on a law enforcement agency to continue to disclose information also applies to an offender who lacks a primary address and is registering under section 243.166, subdivision 3a.

(g) A law enforcement agency that is disclosing information on an offender assigned to risk level III to the public under this subdivision shall inform the commissioner of corrections what information is being disclosed and forward this information to the commissioner within two days of the agency's determination. The commissioner shall post this information on the Internet as required in subdivision 4b.

(h) A city council may adopt a policy that addresses when information disclosed under this subdivision must be presented in languages in addition to English. The policy may address when information must be presented orally, in writing, or both in additional languages by the law enforcement agency disclosing the information. The policy may provide for different approaches based on the prevalence of non-English languages in different neighborhoods.

(i) An offender who is the subject of a community notification meeting held pursuant to this section may not attend the meeting.

[EFFECTIVE DATE.] This section is effective the day following final enactment and applies to persons subject to community notification on or after that date.

Sec. 15. Minnesota Statutes 2004, section 244.052, is amended by adding a subdivision to read:

[LAW ENFORCEMENT AGENCY; DISCLOSURE OF INFORMATION TO A HEALTH CARE FACILITY.] (a) The law enforcement agency in the area where a health care facility is located shall disclose the registrant status of any predatory offender registered under section 243.166 to the health care facility if the registered offender is receiving inpatient care in that facility.

(b) As used in this section, "health care facility" means a hospital or other entity licensed under sections 144.50 to 144.58, a nursing home licensed to serve adults under section 144A.02, or a group residential housing facility or an intermediate care facility for the mentally retarded licensed under chapter 245A.

[EFFECTIVE DATE.] This section is effective the day following final enactment.

If a corrections agency supervising an offender who is required to register as a predatory offender under section 243.166 and who is classified by the department as a public risk monitoring case has knowledge that the offender is seeking housing arrangements in a location under the jurisdiction of another corrections agency, the agency shall notify the other agency of this and initiate a supervision transfer request.

[EFFECTIVE DATE.] This section is effective August 1, 2005.

Sec. 17. [244.057] [PLACEMENT OF PREDATORY OFFENDER IN HOUSEHOLD WITH CHILDREN.]

Sec. 18. Minnesota Statutes 2004, section 244.10, subdivision 2a, is amended to read:

Subd. 2a. [NOTICE OF INFORMATION REGARDING PREDATORY OFFENDERS.] (a) Subject to paragraph (b), in any case in which a person is convicted of an offense and the presumptive sentence under the Sentencing Guidelines is commitment to the custody of the commissioner of corrections, if the court grants a dispositional departure and stays imposition or execution of sentence, the probation or court services officer who is assigned to supervise the offender shall provide in writing to the following the fact that the offender is on probation and the terms and conditions of probation:

(1) a victim of and any witnesses to the offense committed by the offender, if the victim or the witness has requested notice; and

(2) the chief law enforcement officer in the area where the offender resides or intends to reside.

The law enforcement officer, in consultation with the offender's probation officer, may provide all or part of this information to any of the following agencies or groups the offender is likely to encounter: public and private educational institutions, day care establishments, and establishments or organizations that primarily serve individuals likely to be victimized by the offender. The law enforcement officer, in consultation with the offender's probation officer, also may disclose the information to individuals the officer believes are likely to be victimized by the offender. The officer's belief shall be based on the offender's pattern of offending or victim preference as documented in the information provided by the Department of Corrections or Department of Human Services.

The probation officer is not required under this subdivision to provide any notice while the offender is placed or resides in a residential facility that is licensed under section 245A.02, subdivision 14, or 241.021, if the facility staff is trained in the supervision of sex offenders.

(b) Paragraph (a) applies only to offenders required to register under section 243.166, as a result of the conviction.

(c) The notice authorized by paragraph (a) shall be limited to data classified as public under section 13.84, subdivision 6, unless the offender provides informed consent to authorize the release of nonpublic data or unless a court order authorizes the release of nonpublic data.

(d) Nothing in this subdivision shall be interpreted to impose a duty on any person to use any information regarding an offender about whom notification is made under this subdivision.

[EFFECTIVE DATE.] This section is effective August 1, 2005, and applies to offenders entering the state, released from confinement, subject to community notification, or sentenced on or after that date.

Sec. 19. Minnesota Statutes 2004, section 253B.18, subdivision 5, is amended to read:

Subd. 5. [PETITION; NOTICE OF HEARING; ATTENDANCE; ORDER.] (a) A petition for an order of transfer, discharge, provisional discharge, or revocation of provisional discharge shall be filed with the commissioner and may be filed by the patient or by the head of the treatment facility. A patient may not petition the special review board for six months following commitment under subdivision 3 or following the final disposition of any previous petition and subsequent appeal by the patient. The medical director may petition at any time.

(b) Fourteen days prior to the hearing, the committing court, the county attorney of the county of commitment, the designated agency, interested person, the petitioner, and the petitioner's counsel shall be given written notice by the commissioner of the time and place of the hearing before the special review board. Only those entitled to statutory notice of the hearing or those administratively required to attend may be present at the hearing. The patient

may designate interested persons to receive notice by providing the names and addresses to the commissioner at least 21 days before the hearing. The board shall provide the commissioner with written findings of fact and recommendations within 21 days of the hearing. The commissioner shall issue an order no later than 14 days after receiving the recommendation of the special review board. A copy of the order shall be sent by certified mail to every person entitled to statutory notice of the hearing within five days after it is signed. (a) As used in this subdivision:

(1) "crime" has the meaning given to "violent crime" in section 609.1095, and includes criminal sexual conduct in the fifth degree and offenses within the definition of "crime against the person" in section 253B.02, subdivision 4a, and also includes offenses listed in section 253B.02, subdivision 7a, paragraph (b), regardless of whether they are sexually motivated;

(2) "victim" means a person who has incurred loss or harm as a result of a crime the behavior for which forms the basis for a commitment under this section or section 253B.185; and

(3) "convicted" and "conviction" have the meanings given in section 609.02, subdivision 5, and also include juvenile court adjudications, findings under Minnesota Rules of Criminal Procedure, Rule 20.02, that the elements of a crime have been proved, and findings in commitment cases under this section or section 253B.185 that an act or acts constituting a crime occurred.

In addition, the county attorney shall make a reasonable effort to promptly notify the victim of the resolution of the petition.

(c) Before provisionally discharging, discharging, granting pass-eligible status, approving a pass plan, or otherwise permanently or temporarily releasing a person committed under this section or section 253B.185 from a treatment facility, the head of the treatment facility shall make a reasonable effort to notify any victim of a crime for which the person was convicted that the person may be discharged or released and that the victim has a right to submit a written statement regarding decisions of the medical director, special review board, or commissioner with respect to the person. To the extent possible, the notice must be provided at least 14 days before any special review board hearing or before a determination on a pass plan.

(d) This subdivision applies only to victims who have requested notification by contacting, in writing, the county attorney in the county where the conviction for the crime occurred. A county attorney who receives a request for notification under this paragraph shall promptly forward the request to the commissioner of human services.

(e) The rights under this subdivision are in addition to rights available to a victim under chapter 611A. This provision does not give a victim all the rights of a "notified person" or a person "entitled to statutory notice" under subdivision 4a, 4b, or 5.

If the person was convicted for a violation of one of those sections after a previous sex offense conviction as defined in subdivision 5, or sentenced under subdivision 6 to a mandatory departure, the person shall be placed on conditional release for ten years, minus the time the person served on supervised release.

(b) The conditions of release may include successful completion of treatment and aftercare in a program approved by the commissioner, satisfaction of the release conditions specified in section 244.05, subdivision 6, and any other conditions the commissioner considers appropriate. Any person who is not mandated to report shall, upon request to the local welfare agency, receive a concise summary of the disposition of any report made by that reporter, unless release would be detrimental to the best interests of the child.

Subdivision 1. In a prosecution under sections 609.109 ~~or~~ 609.342 to 609.3451, or 609.3453, the testimony of a victim need not be corroborated.

Subd. 2. In a prosecution under sections 609.109 ~~or~~ 609.342 to 609.3451, or 609.3453, there is no need to show that the victim resisted the accused.

Subd. 3. In a prosecution under sections 609.109, 609.342 to 609.3451, 609.3453, or 609.365, evidence of the victim's previous sexual conduct shall not be admitted nor shall any reference to such conduct be made in the presence of the jury, except by court order under the procedure provided in subdivision 4. The evidence can be admitted only if the probative value of the evidence is not substantially outweighed by its inflammatory or prejudicial nature and only in the circumstances set out in paragraphs (a) and (b). For the evidence to be admissible under paragraph (a), subsection (i), the judge must find by a preponderance of the evidence that the facts set out in the accused's offer of proof are true. For the evidence to be admissible under paragraph (a), subsection (ii) or paragraph (b), the judge must find that the evidence is sufficient to support a finding that the facts set out in the accused's offer of proof are true, as provided under Rule 901 of the Rules of Evidence.

(a) When consent of the victim is a defense in the case, the following evidence is admissible:

(i) evidence of the victim's previous sexual conduct tending to establish a common scheme or plan of similar sexual conduct under circumstances similar to the case at issue. In order to find a common scheme or plan, the judge must find that the victim made prior allegations of sexual assault which were fabricated; and

(ii) evidence of the victim's previous sexual conduct with the accused.

(b) When the prosecution's case includes evidence of semen, pregnancy, or disease at the time of the incident or, in the case of pregnancy, between the time of the incident and trial, evidence of specific instances of the victim's previous sexual conduct is admissible solely to show the source of the semen, pregnancy, or disease.

Subd. 4. The accused may not offer evidence described in subdivision 3 except pursuant to the following procedure:

(a) A motion shall be made by the accused at least three business days prior to trial, unless later for good cause shown, setting out with particularity the offer of proof of the evidence that the accused intends to offer, relative to the previous sexual conduct of the victim;

(b) If the court deems the offer of proof sufficient, the court shall order a hearing out of the presence of the jury, if any, and in such hearing shall allow the accused to make a full presentation of the offer of proof;

(c) At the conclusion of the hearing, if the court finds that the evidence proposed to be offered by the accused regarding the previous sexual conduct of the victim is admissible under subdivision 3 and that its probative value is not substantially outweighed by its inflammatory or prejudicial nature, the court shall make an order stating the extent to which evidence is admissible. The accused may then offer evidence pursuant to the order of the court;

(d) If new information is discovered after the date of the hearing or during the course of trial, which may make evidence described in subdivision 3 admissible, the accused may make an offer of proof pursuant to clause (a) and the court shall order an in camera hearing to determine whether the proposed evidence is admissible by the standards herein.

Subd. 5. In a prosecution under sections 609.109 ~~or~~, 609.342 to 609.3451, or 609.3453, the court shall not instruct the jury to the effect that:

(a) It may be inferred that a victim who has previously consented to sexual intercourse with persons other than the accused would be therefore more likely to consent to sexual intercourse again; or

(b) The victim's previous or subsequent sexual conduct in and of itself may be considered in determining the credibility of the victim; or

(c) Criminal sexual conduct is a crime easily charged by a victim but very difficult to disprove by an accused because of the heinous nature of the crime; or

(d) The jury should scrutinize the testimony of the victim any more closely than it should scrutinize the testimony of any witness in any felony prosecution.

Subd. 6. (a) In a prosecution under sections 609.109 ~~or~~, 609.342 to 609.3451, or 609.3453, involving a psychotherapist and patient, evidence of the patient's personal or medical history is not admissible except when:

(1) the accused requests a hearing at least three business days prior to trial and makes an offer of proof of the relevancy of the history; and

(2) the court finds that the history is relevant and that the probative value of the history outweighs its prejudicial value.

(b) The court shall allow the admission only of specific information or examples of conduct of the victim that are determined by the court to be relevant. The court's order shall detail the information or conduct that is admissible and no other evidence of the history may be introduced.

(c) Violation of the terms of the order is grounds for mistrial but does not prevent the retrial of the accused.

The owner may assign to the prosecuting attorney the right to file this motion. In addition to the grounds provided in chapter 566, the maintaining or conducting of a nuisance as defined in section 617.81, subdivision 2, by a tenant or lessee, is an additional ground authorized by law for seeking the cancellation of a lease or the restitution of the premises. Service of motion brought under this section must be served in a manner that is sufficient under the Rules of Civil Procedure and chapter 566.

It is no defense to a motion under this section by the owner or the prosecuting attorney that the lease or other agreement controlling the tenancy or leasehold does not provide for eviction or cancellation of the lease upon the ground provided in this section.

Upon a finding by the court that the tenant or lessee has maintained or conducted a nuisance in any portion of the building, the court shall order cancellation of the lease or tenancy and grant restitution of the premises to the owner. The court must not order abatement of the premises if the court:

(a) cancels a lease or tenancy and grants restitution of that portion of the premises to the owner; and

(b) further finds that the act or acts constituting the nuisance as defined in section 617.81, subdivision 2, were committed by the tenant or lessee whose lease or tenancy has been canceled pursuant to this section and the tenant or lessee was not committing the act or acts in conjunction with or under the control of the owner.

[EFFECTIVE DATE.] This section is effective August 1, 2005, and applies to acts committed on or after that date.

Sec. 19. [DEVELOPMENT OF COMPUTER SYSTEM; REPORT.]

The commissioner of public safety shall study the feasibility of a centralized computer or electronic system to enable pharmacies to carry out their duties under Minnesota Statutes, section 152.02, subdivision 6, paragraph (e), clause (2), electronically or by the Internet. By February 1, 2006, the commissioner shall report its findings to the legislature. Sec. 20. [BOARD OF VETERINARY MEDICINE REPORT, PRECURSOR ANIMAL PRODUCTS.]

The Board of Veterinary Medicine shall study and issue a report on animal products that may be used in the manufacture of methamphetamine. The report must include proposals for restricting access to such products only to legitimate users, specifically addressing the manufacturing, wholesaling, distributing, and retailing of precursor veterinary products. The board shall report its findings to the chairs and ranking minority members of the senate and house committees having jurisdiction over criminal justice and veterinary policy by February 1, 2006.

[EFFECTIVE DATE.] This section is effective the day following final enactment.

Sec. 21. [REVISOR'S INSTRUCTION.]

The revisor of statutes shall recodify the provisions of Minnesota Statutes, section 152.021, subdivision 2a, paragraph (b), and subdivision 3, as amended by this article, that relate to the possession of chemical reagents or precursors with the intent to manufacture methamphetamine and the penalties for doing this into a new section of law codified as Minnesota Statutes, section 152.0262. The revisor shall make any necessary technical changes, including, but not limited to, changes to statutory cross-references, to Minnesota Statutes, section 152.021, and any other statutory sections to accomplish this.

Program design may be different for the grantees depending on youth service needs of the communities being served.

The commissioner shall provide the application form, procedures for making application form, criteria for review of the application, and kinds of contributions in addition to cash that qualify as local matching money. No grant to any agency may exceed \$50,000.

Unless the commissioner chooses to proceed in district court under subdivision 1, the contested case and judicial review provisions of chapter 14 apply to the orders of the commissioner imposing a penalty under sections 216D.01 to 216D.07. No application shall be denied on the basis of the marital status of the applicant.

(b) When a person applies for a name change, the court shall determine whether the person has ~~been convicted of a felony~~ a criminal history in this or any other state. (7) the applicant has a plan to leverage resources from the entities listed in clause (6) and other private sources to accomplish the goal of moving people into housing and services; and

(8) the applicant has a plan for evaluation of the applicant's pilot project that is designed to measure the program's effectiveness in connecting people experiencing homelessness to housing and services and reducing the use of public safety and corrections resources.

Subd. 3. [ANNUAL REPORT.] Grant recipients shall report to the commissioner by June 30, 2006, and June 30, 2007, on the services provided, expenditures of grant money, and an evaluation of the program's success in: (1) connecting individuals experiencing homelessness to housing and services; and (2) reducing the use of public safety and corrections resources. The commissioner shall submit reports to the chairs and ranking minority members of the house of representatives and senate committees having jurisdiction over public safety and health and human services by November 1, 2006, and November 1, 2007. (b) If so authorized by the county board, the county auditor may insure the building or structure against loss or damage resulting from fire or windstorm, may purchase workers' compensation insurance to insure the county against claims for injury to the persons employed in the building or structure by the county, and may insure the county, its officers and employees against claims for injuries to persons or property because of the management, use, or operation of the building or structure.

(f) Before the sale of a parcel of forfeited land located in an urban area, the county auditor may with the approval of the county board provide for the grading of the land by filling or the removal of any surplus material from it. If the physical condition of forfeited lands is such that a reasonable grading of the lands is necessary for the protection and preservation of the property of any adjoining owner, the adjoining property owner or owners may apply to the county board to have the grading done. If, after considering the application, the county board believes that the grading will enhance the value of the forfeited lands commensurate with the cost involved, it may approve it, and the work must be performed under the supervision of the county or city engineer, as the case may be, and the expense paid from the forfeited tax sale fund.

[EFFECTIVE DATE.] This section is effective July 1, 2005.

Sec. 10. Minnesota Statutes 2004, section 299F.19, subdivision 2, is amended to read:

Subd. 2. [BLASTING AGENT DEFINED; EXPLOSIVES CLASSIFIED.] ~~(a)~~ For the purposes of this section, and the rules adopted pursuant ~~thereto,~~ the term to this section:

(a) "Blasting agent" means any material or mixture, consisting of a fuel and oxidizer, intended for blasting, not otherwise classified as an explosive and in which none of the ingredients is classified as an explosive, ~~providing that,~~ the finished product, as mixed and packaged for use or shipment, cannot be detonated by means of a number 8 test blasting cap when unconfined. ~~The term "Blasting agent" does not include flammable liquids or flammable gases.~~

(b) ~~For the purposes of this section, and the rules adopted pursuant thereto, "Explosive" means any chemical compound, mixture, or device, the primary or common purpose of which is to function by explosion. The term includes, but is not limited to, dynamite, black powder, pellet powder, initiating explosives, detonators, safety fuses, squibs, detonating cord, igniter cord, igniters, display fireworks, and class 1.3G fireworks (formerly classified as Class B special fireworks). "Explosive" includes any material determined to be within the scope of United States Code, title 18, chapter 40, and also includes any material classified as an explosive other than consumer fireworks, 1.4G (Class C, Common), by the hazardous materials regulations of the United States Department of Transportation (DOTn) in Code of Federal Regulations, title 49.~~

(c) ~~Explosives are divided into three classes~~ four categories and are defined as follows:

(1) ~~class A explosives: possessing detonating or otherwise maximum hazard, such as dynamite, nitroglycerin, picric acid, lead azide, fulminate of mercury, blasting caps, and detonating primers;~~

(2) ~~class B explosives: possessing flammable hazard, such as propellant explosives (including some smokeless powders), black powder, photographic flash powders, and some special fireworks;~~

(3) ~~class C explosives: includes certain types of manufactured articles which contain class A, or class B explosives, or both, as components but in restricted quantities.~~

~~The term explosive or explosives means any chemical compound, mixture or device, the primary or common purpose of which is to function by explosion; that is, with substantially instantaneous release of gas and heat, unless such compound, mixture, or device is otherwise specifically classified by the United States Department of Transportation. The term explosives includes all material which is classified as class A, class B, and class C explosives by the United States Department of Transportation, and includes, but is not limited to dynamite, black powder, pellet powder, initiating explosives, blasting caps, electric blasting caps, safety fuse, fuse lighters, fuse igniters, squibs, cordeau detonate fuse, instantaneous fuse, igniter cord, igniters, and some special fireworks. Commercial explosives are those explosives which are intended to be used in commercial or industrial operation. The term explosives does not include flammable liquids or flammable gases.~~

(1) High explosive: explosive material, such as dynamite, that can be caused to detonate by means of a number eight test blasting cap when unconfined.

(2) Low explosive: explosive material that will burn or deflagrate when ignited, characterized by a rate of reaction that is less than the speed of sound, including, but not limited to, black powder, safety fuse, igniters, igniter cord, fuse lighters, class 1.3G fireworks (formerly classified as Class B special fireworks), and class 1.3C propellants.

(3) Mass-detonating explosives: division 1.1, 1.2, and 1.5 explosives alone or in combination, or loaded into various types of ammunition or containers, most of which can be expected to explode virtually instantaneously when a small portion is subjected to fire, severe concussion, impact, the impulse of an initiating agent, or the effect of a considerable discharge of energy from without. Materials that react in this manner represent a mass explosion hazard. Such an explosive will normally cause severe structural damage to adjacent objects. Explosive propagation could occur immediately to other items of ammunition and explosives stored sufficiently close to and not adequately protected from the initially exploding pile with a time interval short enough so that two or more quantities must be considered as one for quantity-distance purposes.

(4) United Nations/United States Department of Transportation (UN/DOTn) Class 1 explosives: the hazard class of explosives that further defines and categorizes explosives under the current system applied by DOTn for all explosive materials into further divisions as follows, with the letter G identifying the material as a pyrotechnic substance or article containing a pyrotechnic substance and similar materials:

(i) Division 1.1 explosives have a mass explosion hazard. A mass explosion is one that affects almost the entire load instantaneously.

(ii) Division 1.2 explosives have a projection hazard but not a mass explosion hazard.

(iii) Division 1.3 explosives have a fire hazard and either a minor blast hazard or a minor projection hazard or both, but not a mass explosion hazard.

(iv) Division 1.4 explosives pose a minor explosion hazard. The explosive effects are largely confined to the package and no projection of fragments of appreciable size or range is to be expected. An external fire must not cause virtually instantaneous explosion of almost the entire contents of the package.

(v) Division 1.5 explosives are very insensitive and are comprised of substances that have a mass explosion hazard, but are so insensitive that there is very little probability of initiation or of transition from burning to detonation under normal conditions of transport.

(vi) Division 1.6 explosives are extremely insensitive and do not have a mass explosion hazard, comprised of articles that contain only extremely insensitive detonating substances and that demonstrate a negligible probability of accidental initiation or propagation.

When actuated, the detector ~~shall~~ must provide an alarm in the dwelling unit or guest room.

[EFFECTIVE DATE.] This section is effective July 1, 2005.

Sec. 13. Minnesota Statutes 2004, section 624.22, subdivision 1, is amended to read:

Subdivision 1. [GENERAL REQUIREMENTS; PERMIT; INVESTIGATION; FEE.] (a) Sections 624.20 to 624.25 do not prohibit the supervised display of fireworks by a statutory or home rule charter city, fair association, amusement park, or other organization, except that:

(1) a fireworks display may be conducted only when supervised by an operator certified by the state fire marshal; and

(2) a fireworks display must either be given by a municipality or fair association within its own limits, or by any other organization, whether public or private, only after a permit for the display has first been secured.

(b) An application for a permit for an outdoor fireworks display must be made in writing to the municipal clerk at least 15 days in advance of the date of the display and must list the name of an operator who is certified by the state fire marshal and will supervise the display. The application must be promptly referred to the chief of the fire department, who shall make an investigation to determine whether the operator of the display is competent and is certified by the state fire marshal, and whether the display is of such a character and is to be so located, discharged, or fired that it will not be hazardous to property or endanger any person. The fire chief shall report the results of this investigation to the clerk. If the fire chief reports that the operator is certified, that in the chief's opinion the operator is competent, and that the fireworks display as planned will conform to the safety guidelines of the state fire marshal provided for in paragraph (f), the clerk shall issue a permit for the display when the applicant pays a permit fee.

(c) When the supervised outdoor fireworks display for which a permit is sought is to be held outside the limits of an incorporated municipality, the application must be made to the county auditor, and the auditor shall perform duties imposed by sections 624.20 to 624.25 upon the clerk of the municipality. When an application is made to the auditor, the county sheriff shall perform the duties imposed on the fire chief of the municipality by sections 624.20 to 624.25.

(d) An application for an indoor fireworks display permit must be made in writing to the state fire marshal by the operator of the facility in which the display is to occur at least 15 days in advance of the date of any performance, show, or event which will include the discharge of fireworks inside a building or structure. The application must list the name of an operator who is certified by the state fire marshal and will supervise the display. The state fire marshal shall make an investigation to determine whether the operator of the display is competent and is properly certified and whether the display is of such a character and is to be so located, discharged, or fired that it will not be hazardous to property or endanger any person. If the state fire marshal determines that the operator is certified and competent, that the indoor fireworks display as planned will conform to the safety guidelines provided for in paragraph (f), and that adequate notice will be given to inform patrons of the indoor fireworks display, the state fire marshal shall issue a permit for the display when the applicant pays an indoor fireworks fee of \$150 and reimburses the fire marshal for costs of inspection. Receipts from the indoor fireworks fee and inspection reimbursements must be deposited in the general fund as a nondedicated receipt. The state fire marshal may issue a single permit for multiple indoor fireworks displays when all of the displays are to take place at the same venue as part of a series of performances by the same performer or group of performers. A copy of the application must be promptly conveyed to the chief of the local fire department, who shall make appropriate preparations to ensure public safety in the vicinity of the display. The operator of a facility where an indoor fireworks display occurs must provide notice in a prominent place as approved by the state fire marshal to inform patrons attending a performance when indoor fireworks will be part of that performance. ARTICLE 10

911 EMERGENCY TELECOMMUNICATIONS SERVICES

Section 1. [237.491] [COMBINED PER NUMBER FEE.]

Subdivision 1. [DEFINITIONS.] (a) The definitions in this subdivision apply to this section.

(b) "911 emergency and public safety communications program" means the program governed by chapter 403.

(c) "Minnesota telephone number" means a ten-digit telephone number being used to connect to the public switched telephone network and starting with area code 218, 320, 507, 612, 651, 763, or 952, or any subsequent area code assigned to this state.

(d) "Service provider" means a provider doing business in this state who provides real time, two-way voice service with a Minnesota telephone number.

(e) "Telecommunications access Minnesota program" means the program governed by sections 237.50 to 237.55.

(f) "Telephone assistance program" means the program governed by sections 237.69 to 237.711.

Subd. 2. [PER NUMBER FEE.] (a) By January 15, 2006, the commissioner of commerce shall report to the legislature and to the senate Committee on Jobs, Energy, and Community Development and the house Committee on Regulated Industries, recommendations for the amount of and method for assessing a fee that would apply to each service provider based upon the number of Minnesota telephone numbers in use by current customers of the service provider. The fee would be set at a level calculated to generate only the amount of revenue necessary to fund:

(1) the telephone assistance program and the telecommunications access Minnesota program at the levels established by the commission under sections 237.52, subdivision 2, and 237.70; and

(2) the 911 emergency and public safety communications program at the levels appropriated by law to the commissioner of public safety and the commissioner of finance for purposes of sections 403.11, 403.113, 403.27, 403.30, and 403.31 for each fiscal year.

(b) The recommendations must include any changes to Minnesota Statutes necessary to establish the procedures whereby each service provider, to the extent allowed under federal law, would collect and remit the fee proceeds to the commissioner of revenue. The commissioner of revenue would allocate the fee proceeds to the three funding areas in paragraph (a) and credit the allocations to the appropriate accounts.

(c) The recommendations must be designed to allow the combined per telephone number fee to be collected beginning July 1, 2006. The per access line fee used to collect revenues to support the TAP, TAM, and 911 programs remains in effect until the statutory changes necessary to implement the per telephone number fee have been enacted into law and taken effect.

(d) As part of the process of developing the recommendations and preparing the report to the legislature required under paragraph (a), the commissioner of commerce must, at a minimum, consult regularly with the Departments of Public Safety, Finance, and Administration, the Public Utilities Commission, service providers, the chairs and ranking minority members of the senate and house committees, subcommittees, and divisions having jurisdiction over telecommunications and public safety, and other affected parties.

Sec. 2. Minnesota Statutes 2004, section 237.70, subdivision 7, is amended to read:

Subd. 7. [APPLICATION, NOTICE, FINANCIAL ADMINISTRATION, COMPLAINT INVESTIGATION.]
The telephone assistance plan must be administered jointly by the commission, the Department of Commerce, and the local service providers in accordance with the following guidelines:

(a) The commission and the Department of Commerce shall develop an application form that must be completed by the subscriber for the purpose of certifying eligibility for telephone assistance plan credits to the local service provider. The application must contain the applicant's Social Security number. Applicants who refuse to provide a Social Security number will be denied telephone assistance plan credits. The application form must also include a statement that the applicant household is currently eligible for one of the programs that confers eligibility for the federal Lifeline Program. The application must be signed by the applicant, certifying, under penalty of perjury, that the information provided by the applicant is true.

(b) Each local service provider shall annually mail a notice of the availability of the telephone assistance plan to each residential subscriber in a regular billing and shall mail the application form to customers when requested.

The notice must state the following:

YOU MAY BE ELIGIBLE FOR ASSISTANCE IN PAYING YOUR TELEPHONE BILL IF YOU RECEIVE BENEFITS FROM CERTAIN LOW-INCOME ASSISTANCE PROGRAMS. FOR MORE INFORMATION OR AN APPLICATION FORM PLEASE CONTACT

(c) An application may be made by the subscriber, the subscriber's spouse, or a person authorized by the subscriber to act on the subscriber's behalf. On completing the application certifying that the statutory criteria for eligibility are satisfied, the applicant must return the application to the subscriber's local service provider. On receiving a completed application from an applicant, the subscriber's local service provider shall provide telephone assistance plan credits against monthly charges in the earliest possible month following receipt of the application. The applicant must receive telephone assistance plan credits until the earliest possible month following the service provider's receipt of information that the applicant is ineligible.

If the telephone assistance plan credit is not itemized on the subscriber's monthly charges bill for local telephone service, the local service provider must notify the subscriber of the approval for the telephone assistance plan credit.

(d) The commission shall serve as the coordinator of the telephone assistance plan and be reimbursed for its administrative expenses from the surcharge revenue pool. As the coordinator, the commission shall:

- (1) establish a uniform statewide surcharge in accordance with subdivision 6;
- (2) establish a uniform statewide level of telephone assistance plan credit that each local service provider shall extend to each eligible household in its service area;
- (3) require each local service provider to account to the commission on a periodic basis for surcharge revenues collected by the provider, expenses incurred by the provider, not to include expenses of collecting surcharges, and credits extended by the provider under the telephone assistance plan;
- (4) require each local service provider to remit surcharge revenues to the Department of ~~Administration~~ Public Safety for deposit in the fund; and

(5) remit to each local service provider from the surcharge revenue pool the amount necessary to compensate the provider for expenses, not including expenses of collecting the surcharges, and telephone assistance plan credits. When it appears that the revenue generated by the maximum surcharge permitted under subdivision 6 will be inadequate to fund any particular established level of telephone assistance plan credits, the commission shall reduce the credits to a level that can be adequately funded by the maximum surcharge. Similarly, the commission may increase the level of the telephone assistance plan credit that is available or reduce the surcharge to a level and for a period of time that will prevent an unreasonable overcollection of surcharge revenues.

(e) Each local service provider shall maintain adequate records of surcharge revenues, expenses, and credits related to the telephone assistance plan and shall, as part of its annual report or separately, provide the commission and the Department of Commerce with a financial report of its experience under the telephone assistance plan for the previous year. That report must also be adequate to satisfy the reporting requirements of the federal matching plan.

(f) The Department of Commerce shall investigate complaints against local service providers with regard to the telephone assistance plan and shall report the results of its investigation to the commission.

When the revenue bonds authorized under section 403.27, subdivision 1, have been fully paid or defeased, the commissioner shall reduce the fee to reflect that debt service on the bonds is no longer needed. The commissioner shall provide companies and carriers a minimum of 45 days' notice of each fee change. The fee must be the same for all customers.

(d) The fee must be collected by each wireless or wire-line telecommunications service provider subject to the fee. The bond proceeds may be used to make improvements to an existing 800 MHz radio system that will interoperate with the regionwide public safety radio communication system, provided that the improvements conform to the board's plan and technical standards. The council must time the sale and issuance of the bonds so that the debt service on the bonds can be covered by the additional revenue that will become available in the fiscal year ending June 30, 2005, generated under section 403.11 and appropriated under section 403.30.~~

(1) to pay the costs of the statewide public safety radio communication system backbone identified in the plan under section 403.36 and those elements that the Statewide Radio Board determines are of regional or statewide benefit and support mutual aid and emergency medical services communication, including, but not limited to, costs of master controllers of the backbone;

(2) to pay the costs of issuance, debt service, and bond insurance or other credit enhancements, and to fund reserves; and

(3) to refund bonds issued under this section.

(b) The amount of bonds that may be issued for the purposes of clause (1) will be set from time to time by law; the amount of bonds that may be issued for the purposes of clauses (2) and (3) is not limited.

(c) The bond proceeds may be used to to pay up to 50 percent of the cost to a local government unit of building a subsystem. The bond proceeds may be used to make improvements to an existing 800 MHz radio system that will interoperate with the regionwide public safety radio communication system, provided that the improvements conform to the Statewide Radio Board's plan and technical standards. The bond proceeds may not be used to pay for portable or subscriber radio sets.

Subd. 2. [PROCEDURE.] (a) The commissioner may sell and issue the bonds on the terms and conditions the commissioner determines to be in the best interests of the state. The commissioner may enter any agreements or pledges the commissioner determines necessary or useful to sell the bonds that are not inconsistent with sections 403.21 to 403.40. Sections 16A.672 to 16A.675 apply to the bonds. The proceeds of the bonds issued under this section must be credited to a special 911 revenue bond proceeds account in the state treasury.

(b) Before the proceeds are received in the 911 revenue bond proceeds account, the commissioner of finance may transfer to the account from the 911 emergency telecommunications service account amounts not exceeding the expected proceeds from the next bond sale. The commissioner of finance shall return these amounts to the 911 emergency telecommunications service account by transferring proceeds when received. The amounts of these transfers are appropriated from the 911 emergency telecommunications service account and from the 911 revenue bond proceeds account.

Subd. 3. [REVENUE SOURCES.] The debt service on the bonds is payable only from the following sources:

(1) revenue credited to the 911 emergency telecommunications service account from the fee imposed and collected under section 237.491 or 403.11, subdivision 1, or from any other source; and

(2) other revenues pledged to the payment of the bonds.

Subd. 4. Payment of the bonds is limited to the revenues explicitly authorized to be pledged under this section. The state neither makes nor has a moral obligation to pay the bonds if the pledged revenues and other legal security for them is insufficient.

Subd. 7. [PLEDGES.] Any pledge made by the commissioner is valid and binding from the time the pledge is made. The money or property pledged and later received by the commissioner is immediately subject to the lien of the pledge without any physical delivery of the property or money or further act, and the lien of any pledge is valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the commissioner, whether or not those parties have notice of the lien or pledge. Neither the order nor any other instrument by which a pledge is created need be recorded.

Subd. 8. [BONDS; PURCHASE AND CANCELLATION.] The commissioner, subject to agreements with bondholders that may then exist, may, out of any money available for the purpose, purchase bonds of the commissioner at a price not exceeding (1) if the bonds are then redeemable, the redemption price then applicable plus accrued interest to the next interest payment date thereon, or (2) if the bonds are not redeemable, the redemption price applicable on the first date after the purchase upon which the bonds become subject to redemption plus accrued interest to that date.

Subd. 9. [STATE PLEDGE AGAINST IMPAIRMENT OF CONTRACTS.] The state pledges and agrees with the holders of any bonds that the state will not limit or alter the rights vested in the commissioner to fulfill the terms of any agreements made with the bondholders, or in any way impair the rights and remedies of the holders until the bonds, together with interest on them, with interest on any unpaid installments of interest, and all costs and expenses

in connection with any action or proceeding by or on behalf of the bondholders, are fully met and discharged. The commissioner may include this pledge and agreement of the state in any agreement with the holders of bonds issued under this section.

Sec. 18. [COLLATERAL SANCTIONS CROSS-REFERENCES; CREATION OF A NEW CHAPTER.]

Subdivision 1. [DEFINITIONS.] For purposes of this section:

(1) "automatically" means either by operation of law or by the mandated action of a designated official or agency; and

(2) "collateral sanction" means a legal penalty, disability, or disadvantage, however denominated, that is imposed on a person automatically when that person is convicted of or found to have committed a crime, even if the sanction is not included in the sentence. Collateral sanction does not include:

(i) a direct consequence of the crime such as a criminal fine, restitution, or incarceration; or

(ii) a requirement imposed by the sentencing court or other designated official or agency that the convicted person provide a biological specimen for DNA analysis, provide fingerprints, or submit to any form of assessment or testing.

Subd. 2. [REVISOR INSTRUCTION.] The revisor of statutes shall create a new chapter in Minnesota Statutes that contains cross-references to Minnesota laws imposing collateral sanctions. The revisor shall create a structure within this new chapter that categorizes these laws in a useful way to users and provides them with quick access to the cross-referenced laws. The revisor may consider, but is not limited to, using the following categories in the new chapter:

(1) collateral sanctions relating to employment and occupational licensing;

(2) collateral sanctions relating to driving and motor vehicles;

(3) collateral sanctions relating to public safety;

(4) collateral sanctions relating to eligibility for services and benefits;

(5) collateral sanctions relating to property rights;

(6) collateral sanctions relating to civil rights and remedies; and

(7) collateral sanctions relating to recreational activities.

If possible, the revisor shall locate the new chapter in proximity to Minnesota Statutes, chapter 609, the Minnesota Criminal Code.

Subd. 3. [CAUTIONARY LANGUAGE.] The revisor shall include appropriate cautionary language at the beginning of the new chapter that notifies users of the following types of issues:

(1) that the list of collateral sanctions laws contained in the chapter is intended to be comprehensive but is not necessarily complete;

(2) that the inclusion or exclusion of a collateral sanction in the chapter is not intended to have any substantive legal effect;

(3) that the cross-references used in the chapter are intended solely to indicate the contents of the cross-referenced section or subdivision and are not part of the cross-referenced statute;

(4) that the cross-references are not substantive and may not be used to construe or limit the meaning of any statutory language; and

(5) that users must consult the language of each cross-referenced law to fully understand the scope and effect of the collateral sanction it imposes.

Subd. 4. [CONSULTATION WITH LEGISLATORS AND LEGISLATIVE STAFF.] The revisor shall consult with legislative staff and the chairs and ranking minority members of the senate and house committees having jurisdiction over criminal justice matters to identify laws that impose collateral sanctions and develop the appropriate categories and cross-references to use in the new chapter.

[EFFECTIVE DATE.] This section is effective July 1, 2005.

Sec. 19. [REPORT OF COLLATERAL SANCTIONS LAWS.]

Each state or local governmental agency having responsibility to impose a collateral sanction shall prepare a list that identifies all of the collateral sanctions within the authority's statutory jurisdiction. The agency shall submit the list to the Office of the Revisor of Statutes no later than September 1, 2005. State and local agencies covered by this section include, but are not limited to, state agencies, the judiciary, the state Public Defender's Office, the Attorney General's Office, and county attorneys.

[EFFECTIVE DATE.] This section is effective July 1, 2005.

Sec. 20. [RAMSEY COUNTY COURT COMMISSIONER.]

The chief justice of the Supreme Court may assign a retired court commissioner to act in Ramsey County as a commissioner of the district court. The commissioner may perform duties assigned by the chief judge of the judicial district with the powers provided by Minnesota Statutes, section 489.02. This section expires December 31, 2025.

[EFFECTIVE DATE.] This section is effective July 1, 2005.

Sec. 21. [REPEALER.]

Minnesota Statutes 2004, sections 386.30 and 624.04, are repealed.

[EFFECTIVE DATE.] This section is effective July 1, 2005.

ARTICLE 15

CHILD PROTECTION

Section 1. Minnesota Statutes 2004, section 259.24, subdivision 1, is amended to read:

Subdivision 1. [EXCEPTIONS.] No child shall be adopted without the consent of the child's parents and the child's guardian, if there be one, except in the following instances:

(a) Consent shall not be required of a parent not entitled to notice of the proceedings.

(b) Consent shall not be required of a parent who has abandoned the child, or of a parent who has lost custody of the child through a divorce decree or a decree of dissolution, and upon whom notice has been served as required by section 259.49.

(c) Consent shall not be required of a parent whose parental rights to the child have been terminated by a juvenile court or who has lost custody of a child through a final commitment of the juvenile court or through a decree in a prior adoption proceeding.

(d) If there be no parent or guardian qualified to consent to the adoption, the consent ~~may~~ shall be given by the commissioner. After the court accepts a parent's consent to the adoption under section 260C.201, subdivision 11, consent by the commissioner or commissioner's delegate is also necessary. Agreement to the identified prospective adoptive parent by the responsible social services agency under section 260C.201, subdivision 11, does not constitute the required consent.

(e) The commissioner or agency having authority to place a child for adoption pursuant to section 259.25, subdivision 1, shall have the exclusive right to consent to the adoption of such child. The commissioner or agency shall make every effort to place siblings together for adoption. Notwithstanding any rule to the contrary, the commissioner may delegate the right to consent to the adoption or separation of siblings, if it is in the child's best interest, to a local social services agency.

Sec. 2. Minnesota Statutes 2004, section 259.24, subdivision 2a, is amended to read:

Subd. 2a. [TIME OF CONSENT; NOTICE OF INTENT TO CONSENT TO ADOPTION.] (a) Not sooner than 72 hours after the birth of a child and not later than 60 days after the child's placement in a prospective adoptive home, a person whose consent is required under this section shall execute a consent.

(b) Unless all birth parents from whom consent is required under this section are involved in making the adoptive placement and intend to consent to the adoption, a birth parent who intends to execute a consent to an adoption must give notice to the child's other birth parent of the intent to consent to the adoption prior to or within 72 hours following the placement of the child, if the other birth parent's consent to the adoption is required under subdivision 1. The birth parent who receives notice shall have 60 days after the placement of the child to either consent or refuse to consent to the adoption. If the birth parent who receives notice fails to take either of these actions, that parent shall be deemed to have irrevocably consented to the child's adoption. The notice provisions of chapter 260C and the rules of juvenile protection procedure shall apply to both parents when the consent to adopt is executed under section 260C.201, subdivision 11.

(c) When notice is required under this subdivision, it shall be provided to the other birth parent according to the Rules of Civil Procedure for service of a summons and complaint.

Sec. 3. Minnesota Statutes 2004, section 259.24, subdivision 5, is amended to read:

Subd. 5. [EXECUTION.] All consents to an adoption shall be in writing, executed before two competent witnesses, and acknowledged by the consenting party. In addition, all consents to an adoption, except those by the commissioner, the commissioner's agent, a licensed child-placing agency, an adult adoptee, or the child's parent in a petition for adoption by a stepparent, shall be executed before a representative of the commissioner, the commissioner's agent, or a licensed child-placing agency. All consents by a parent:

(1) shall contain notice to the parent of the substance of subdivision 6a, providing for the right to withdraw consent unless the parent will not have the right to withdraw consent because consent was executed under section 260C.201, subdivision 11, following proper notice that consent given under that provision is irrevocable upon acceptance by the court as provided in subdivision 6a; and

(2) shall contain the following written notice in all capital letters at least one-eighth inch high:

"This agency will submit your consent to adoption to the court. The consent itself does not terminate your parental rights. Parental rights to a child may be terminated only by an adoption decree or by a court order terminating parental rights. Unless the child is adopted or your parental rights are terminated, you may be asked to support the child."

Consents shall be filed in the adoption proceedings at any time before the matter is heard provided, however, that a consent executed and acknowledged outside of this state, either in accordance with the law of this state or in accordance with the law of the place where executed, is valid.

Sec. 4. Minnesota Statutes 2004, section 259.24, subdivision 6a, is amended to read:

Subd. 6a. [WITHDRAWAL OF CONSENT.] Except for consents executed under section 260C.201, subdivision 11, a parent's consent to adoption may be withdrawn for any reason within ten working days after the consent is executed and acknowledged. Written notification of withdrawal of consent must be received by the agency to which the child was surrendered no later than the tenth working day after the consent is executed and acknowledged. On the day following the tenth working day after execution and acknowledgment, the consent shall become irrevocable, except upon order of a court of competent jurisdiction after written findings that consent was obtained by fraud. A consent to adopt executed under section 260C.201, subdivision 11, is irrevocable upon proper notice to both parents of the effect of a consent to adopt and acceptance by the court, except upon order of the same court after written findings that the consent was obtained by fraud. In proceedings to determine the existence of fraud, the adoptive parents and the child shall be made parties. The proceedings shall be conducted to preserve the confidentiality of the adoption process. There shall be no presumption in the proceedings favoring the birth parents over the adoptive parents.

Sec. 5. Minnesota Statutes 2004, section 260C.201, subdivision 11, is amended to read:

Subd. 11. [REVIEW OF COURT-ORDERED PLACEMENTS; PERMANENT PLACEMENT DETERMINATION.] (a) This subdivision and subdivision 11a do not apply in cases where the child is in placement due solely to the child's developmental disability or emotional disturbance, where legal custody has not been transferred to the responsible social services agency, and where the court finds compelling reasons under section 260C.007, subdivision 8, to continue the child in foster care past the time periods specified in this subdivision. Foster care placements of children due solely to their disability are governed by section 260C.141, subdivision 2b. In all other cases where the child is in foster care or in the care of a noncustodial parent under subdivision 1, the court shall conduct a hearing to determine the permanent status of a child not later than 12 months after the child is placed in foster care or in the care of a noncustodial parent.

For purposes of this subdivision, the date of the child's placement in foster care is the earlier of the first court-ordered placement or 60 days after the date on which the child has been voluntarily placed in foster care by the child's parent or guardian. For purposes of this subdivision, time spent by a child under the protective supervision of the responsible social services agency in the home of a noncustodial parent pursuant to an order under subdivision 1 counts towards the requirement of a permanency hearing under this subdivision or subdivision 11a.

For purposes of this subdivision, 12 months is calculated as follows:

(1) during the pendency of a petition alleging that a child is in need of protection or services, all time periods when a child is placed in foster care or in the home of a noncustodial parent are cumulated;

(2) if a child has been placed in foster care within the previous five years under one or more previous petitions, the lengths of all prior time periods when the child was placed in foster care within the previous five years are cumulated. If a child under this clause has been in foster care for 12 months or more, the court, if it is in the best interests of the child and for compelling reasons, may extend the total time the child may continue out of the home under the current petition up to an additional six months before making a permanency determination.

(b) Unless the responsible social services agency recommends return of the child to the custodial parent or parents, not later than 30 days prior to this hearing, the responsible social services agency shall file pleadings in juvenile court to establish the basis for the juvenile court to order permanent placement of the child according to paragraph (d). Notice of the hearing and copies of the pleadings must be provided pursuant to section 260C.152. If a termination of parental rights petition is filed before the date required for the permanency planning determination and there is a trial under section 260C.163 scheduled on that petition within 90 days of the filing of the petition, no hearing need be conducted under this subdivision.

(c) At the conclusion of the hearing, the court shall order the child returned to the care of the parent or guardian from whom the child was removed or order a permanent placement in the child's best interests. The "best interests of the child" means all relevant factors to be considered and evaluated. Transfer of permanent legal and physical custody, termination of parental rights, or guardianship and legal custody to the commissioner through a consent to adopt are preferred permanency options for a child who cannot return home.

(d) If the child is not returned to the home, the court must order one of the following dispositions:

(1) permanent legal and physical custody to a relative in the best interests of the child according to the following conditions:

(i) an order for transfer of permanent legal and physical custody to a relative shall only be made after the court has reviewed the suitability of the prospective legal and physical custodian;

(ii) in transferring permanent legal and physical custody to a relative, the juvenile court shall follow the standards applicable under this chapter and chapter 260, and the procedures set out in the juvenile court rules;

(iii) an order establishing permanent legal and physical custody under this subdivision must be filed with the family court;

(iv) a transfer of legal and physical custody includes responsibility for the protection, education, care, and control of the child and decision making on behalf of the child;

(v) the social services agency may bring a petition or motion naming a fit and willing relative as a proposed permanent legal and physical custodian. The commissioner of human services shall annually prepare for counties information that must be given to proposed custodians about their legal rights and obligations as custodians together with information on financial and medical benefits for which the child is eligible; and

(vi) the juvenile court may maintain jurisdiction over the responsible social services agency, the parents or guardian of the child, the child, and the permanent legal and physical custodian for purposes of ensuring appropriate services are delivered to the child and permanent legal custodian or for the purpose of ensuring conditions ordered by the court related to the care and custody of the child are met;

(2) termination of parental rights according to the following conditions:

(i) unless the social services agency has already filed a petition for termination of parental rights under section 260C.307, the court may order such a petition filed and all the requirements of sections 260C.301 to 260C.328 remain applicable; and

(ii) an adoption completed subsequent to a determination under this subdivision may include an agreement for communication or contact under section 259.58;

(3) long-term foster care according to the following conditions:

(i) the court may order a child into long-term foster care only if it finds compelling reasons that neither an award of permanent legal and physical custody to a relative, nor termination of parental rights is in the child's best interests; and

(ii) further, the court may only order long-term foster care for the child under this section if it finds the following:

(A) the child has reached age 12 and reasonable efforts by the responsible social services agency have failed to locate an adoptive family for the child; or

(B) the child is a sibling of a child described in subitem (A) and the siblings have a significant positive relationship and are ordered into the same long-term foster care home;

(4) foster care for a specified period of time according to the following conditions:

(i) foster care for a specified period of time may be ordered only if:

(A) the sole basis for an adjudication that the child is in need of protection or services is the child's behavior;

(B) the court finds that foster care for a specified period of time is in the best interests of the child; and

(C) the court finds compelling reasons that neither an award of permanent legal and physical custody to a relative, nor termination of parental rights is in the child's best interests;

(ii) the order does not specify that the child continue in foster care for any period exceeding one year; or

(5) guardianship and legal custody to the commissioner of human services under the following procedures and conditions:

(i) there is an identified prospective adoptive home that has agreed to adopt the child and agreed to by the responsible social services agency having legal custody of the child pursuant to court order under this section and the court accepts the parent's voluntary consent to adopt under section 259.24;

(ii) if the court accepts a consent to adopt in lieu of ordering one of the other enumerated permanency dispositions, the court must review the matter at least every 90 days. The review will address the reasonable efforts of the agency to achieve a finalized adoption;

(iii) a consent to adopt under this clause vests all legal authority regarding the child, including guardianship and legal custody of the child, with the commissioner of human services as if the child were a state ward after termination of parental rights;

(iv) the court must forward a copy of the consent to adopt, together with a certified copy of the order transferring guardianship and legal custody to the commissioner, to the commissioner; ~~and~~

(v) if an adoption is not finalized by the identified prospective adoptive parent within 12 months of the execution of the consent to adopt under this clause, the commissioner of human services or the commissioner's delegate shall pursue adoptive placement in another home unless the commissioner certifies that the failure to finalize is not due to either an action or a failure to act by the prospective adoptive parent; and

(vi) notwithstanding item (v), the commissioner of human services or the commissioner's designee must pursue adoptive placement in another home as soon as the commissioner or commissioner's designee determines that finalization of the adoption with the identified prospective adoptive parent is not possible, that the identified prospective adoptive parent is not willing to adopt the child, that the identified prospective adoptive parent is not cooperative in completing the steps necessary to finalize the adoption, or upon the commissioner's determination to withhold consent to the adoption.

(e) In ordering a permanent placement of a child, the court must be governed by the best interests of the child, including a review of the relationship between the child and relatives and the child and other important persons with whom the child has resided or had significant contact.

(f) Once a permanent placement determination has been made and permanent placement has been established, further court reviews are necessary if:

(1) the placement is long-term foster care or foster care for a specified period of time;

(2) the court orders further hearings because it has retained jurisdiction of a transfer of permanent legal and physical custody matter;

(3) an adoption has not yet been finalized; or

(4) there is a disruption of the permanent or long-term placement.

(g) Court reviews of an order for long-term foster care, whether under this section or section 260C.317, subdivision 3, paragraph (d), or foster care for a specified period of time must be conducted at least yearly and must review the child's out-of-home placement plan and the reasonable efforts of the agency to:

(1) identify a specific long-term foster home for the child or a specific foster home for the time the child is specified to be out of the care of the parent, if one has not already been identified;

(2) support continued placement of the child in the identified home, if one has been identified;

(3) ensure appropriate services are provided to the child during the period of long-term foster care or foster care for a specified period of time;

(4) plan for the child's independence upon the child's leaving long-term foster care living as required under section 260C.212, subdivision 1; and

(5) where placement is for a specified period of time, a plan for the safe return of the child to the care of the parent.

(h) An order under this subdivision must include the following detailed findings:

(1) how the child's best interests are served by the order;

(2) the nature and extent of the responsible social service agency's reasonable efforts, or, in the case of an Indian child, active efforts to reunify the child with the parent or parents;

(3) the parent's or parents' efforts and ability to use services to correct the conditions which led to the out-of-home placement; and

(4) whether the conditions which led to the out-of-home placement have been corrected so that the child can return home.

(i) An order for permanent legal and physical custody of a child may be modified under sections 518.18 and 518.185. The social services agency is a party to the proceeding and must receive notice. A parent may only seek modification of an order for long-term foster care upon motion and a showing by the parent of a substantial change in the parent's circumstances such that the parent could provide appropriate care for the child and that removal of the child from the child's permanent placement and the return to the parent's care would be in the best interest of the child.

(j) The court shall issue an order required under this section within 15 days of the close of the proceedings. The court may extend issuing the order an additional 15 days when necessary in the interests of justice and the best interests of the child.

Sec. 6. [260C.209] [BACKGROUND CHECKS.]

Subdivision 1. [SUBJECTS.] The responsible social services agency must conduct a background check under this section of the following:

(1) a noncustodial parent or nonadjudicated parent who is being assessed for purposes of providing day-to-day care of a child temporarily or permanently under section 260C.212, subdivision 4, and any member of the parent's household who is over the age of 13 when there is a reasonable cause to believe that the parent or household member over age 13 has a criminal history or a history of maltreatment of a child or vulnerable adult which would endanger the child's health, safety, or welfare;

(2) an individual whose suitability for relative placement under section 260C.212, subdivision 5, is being determined, and any member of the relative's household who is over the age of 13 when: (i) the relative must be licensed for foster care; or (ii) the agency must conduct a background study under section 259.53, subdivision 2; or (iii) the agency has reasonable cause to believe the relative or household member over the age of 13 has a criminal history which would not make transfer of permanent legal and physical custody to the relative under section 260C.201, subdivision 11, in the child's best interest; and

(3) a parent, following an out-of-home placement, when the responsible social service agency has reasonable cause to believe that the parent has been convicted of a crime directly related to the parent's capacity to maintain the child's health, safety, or welfare; or the parent is the subject of an open investigation of, or has been the subject of a substantiated allegation of, child or vulnerable-adult maltreatment within the past ten years.

"Reasonable cause" means that the agency has received information or a report from the subject or a third person that creates an articulable suspicion that the individual has a history that may pose a risk to the health, safety, or welfare of the child. The information or report must be specific to the potential subject of the background check and shall not be based on the race, religion, ethnic background, age, class, or lifestyle of the potential subject.

Subd. 2. [GENERAL PROCEDURES.] (a) When conducting a background check under subdivision 1, the agency may require the individual being assessed to provide sufficient information to ensure an accurate assessment under this section, including:

(1) the individual's first, middle, and last name and all other names by which the individual has been known;

(2) home address, zip code, city, county, and state of residence for the past ten years;

(3) sex;

(4) date of birth; and

(5) driver's license number or state identification number.

(b) When notified by the responsible social services agency that it is conducting an assessment under this section, the Bureau of Criminal Apprehension, commissioners of health and human services, law enforcement, and county agencies must provide the responsible social services agency or county attorney with the following information on the individual being assessed: criminal history data, reports about the maltreatment of adults substantiated under section 626.557, and reports of maltreatment of minors substantiated under section 626.556.

Subd. 3. [MULTISTATE INFORMATION.] (a) For any assessment completed under this section, if the responsible social services agency has reasonable cause to believe that the individual is a multistate offender, the individual must provide the responsible social services agency or the county attorney with a set of classifiable fingerprints obtained from an authorized law enforcement agency. The responsible social services agency or county attorney may obtain criminal history data from the National Criminal Records Repository by submitting the fingerprints to the Bureau of Criminal Apprehension.

(b) For purposes of this subdivision, the responsible social services agency has reasonable cause when, but not limited to:

(1) information from the Bureau of Criminal Apprehension indicates that the individual is a multistate offender;

(2) information from the Bureau of Criminal Apprehension indicates that multistate offender status is undetermined;

(3) the social services agency has received a report from the individual or a third party indicating that the individual has a criminal history in a jurisdiction other than Minnesota; or

(4) the individual is or has been a resident of a state other than Minnesota at any time during the prior ten years.

Subd. 4. [NOTICE UPON RECEIPT.] The responsible social services agency must provide the subject of the background study with the results of the study under this section within 15 business days of receipt or at least 15 days prior to the hearing at which the results will be presented, whichever comes first. The subject may provide written information to the agency that the results are incorrect and may provide additional or clarifying information to the agency and to the court through a party to the proceeding. This provision does not apply to any background study conducted under chapters 245A and 245C.

Sec. 7. Minnesota Statutes 2004, section 260C.212, subdivision 4, is amended to read:

Subd. 4. [RESPONSIBLE SOCIAL SERVICE AGENCY'S DUTIES FOR CHILDREN IN PLACEMENT.] (a) When a child is in placement, the responsible social services agency shall make diligent efforts to identify, locate, and, where appropriate, offer services to both parents of the child.

(1) If The responsible social services agency shall assess whether a noncustodial or nonadjudicated parent is willing and capable of providing for the day-to-day care of the child temporarily or permanently. An assessment under this clause may include, but is not limited to, obtaining information under section 260C.209. If after assessment, the responsible social services agency determines that a noncustodial or nonadjudicated parent is willing and capable of providing day-to-day care of the child, the responsible social services agency may seek authority from the custodial parent or the court to have that parent assume day-to-day care of the child. If a parent is not an adjudicated parent, the responsible social services agency shall require the nonadjudicated parent to cooperate with paternity establishment procedures as part of the case plan.

(2) If, after assessment, the responsible social services agency determines that the child cannot be in the day-to-day care of either parent, the agency shall:

(i) prepare an out-of-home placement plan addressing the conditions that each parent must meet before the child can be in that parent's day-to-day care; and

(ii) provide a parent who is the subject of a background study under section 260C.209 15 days' notice that it intends to use the study to recommend against putting the child with that parent, as well as the notice provided in section 260C.209, subdivision 4, and the court shall afford the parent an opportunity to be heard concerning the study.

The results of a background study of a noncustodial parent shall not be used by the agency to determine that the parent is incapable of providing day-to-day care of the child unless the agency reasonably believes that placement of the child into the home of that parent would endanger the child's health, safety, or welfare.

(3) If, after the provision of services following an out-of-home placement plan under this section, the child cannot return to the care of the parent from whom the child was removed or who had legal custody at the time the child was placed in foster care, the agency may petition on behalf of a noncustodial parent to establish legal custody with that parent under section 260C.201, subdivision 11. If paternity has not already been established, it may be established in the same proceeding in the manner provided for under chapter 257.

(4) The responsible social services agency may be relieved of the requirement to locate and offer services to both parents by the juvenile court upon a finding of good cause after the filing of a petition under section 260C.141.

(b) The responsible social services agency shall give notice to the parent or parents or guardian of each child in a residential facility, other than a child in placement due solely to that child's developmental disability or emotional disturbance, of the following information:

(1) that residential care of the child may result in termination of parental rights or an order permanently placing the child out of the custody of the parent, but only after notice and a hearing as required under chapter 260C and the juvenile court rules;

(2) time limits on the length of placement and of reunification services, including the date on which the child is expected to be returned to and safely maintained in the home of the parent or parents or placed for adoption or otherwise permanently removed from the care of the parent by court order;

(3) the nature of the services available to the parent;

(4) the consequences to the parent and the child if the parent fails or is unable to use services to correct the circumstances that led to the child's placement;

(5) the first consideration for placement with relatives;

(6) the benefit to the child in getting the child out of residential care as soon as possible, preferably by returning the child home, but if that is not possible, through a permanent legal placement of the child away from the parent;

(7) when safe for the child, the benefits to the child and the parent of maintaining visitation with the child as soon as possible in the course of the case and, in any event, according to the visitation plan under this section; and

(8) the financial responsibilities and obligations, if any, of the parent or parents for the support of the child during the period the child is in the residential facility.

(c) The responsible social services agency shall inform a parent considering voluntary placement of a child who is not developmentally disabled or emotionally disturbed of the following information:

(1) the parent and the child each has a right to separate legal counsel before signing a voluntary placement agreement, but not to counsel appointed at public expense;

(2) the parent is not required to agree to the voluntary placement, and a parent who enters a voluntary placement agreement may at any time request that the agency return the child. If the parent so requests, the child must be returned within 24 hours of the receipt of the request;

(3) evidence gathered during the time the child is voluntarily placed may be used at a later time as the basis for a petition alleging that the child is in need of protection or services or as the basis for a petition seeking termination of parental rights or other permanent placement of the child away from the parent;

(4) if the responsible social services agency files a petition alleging that the child is in need of protection or services or a petition seeking the termination of parental rights or other permanent placement of the child away from the parent, the parent would have the right to appointment of separate legal counsel and the child would have a right to the appointment of counsel and a guardian ad litem as provided by law, and that counsel will be appointed at public expense if they are unable to afford counsel; and

(5) the timelines and procedures for review of voluntary placements under subdivision 3, and the effect the time spent in voluntary placement on the scheduling of a permanent placement determination hearing under section 260C.201, subdivision 11.

(d) When an agency accepts a child for placement, the agency shall determine whether the child has had a physical examination by or under the direction of a licensed physician within the 12 months immediately preceding the date when the child came into the agency's care. If there is documentation that the child has had an examination within the last 12 months, the agency is responsible for seeing that the child has another physical examination within one year of the documented examination and annually in subsequent years. If the agency determines that the child has not had a physical examination within the 12 months immediately preceding placement, the agency shall ensure that the child has an examination within 30 days of coming into the agency's care and once a year in subsequent years.

ARTICLE 16

CRIMINAL SENTENCING POLICY

Section 1. Minnesota Statutes 2004, section 244.09, subdivision 5, is amended to read:

Subd. 5. [PROMULGATION OF SENTENCING GUIDELINES.] The commission shall promulgate Sentencing Guidelines for the district court. The guidelines shall be based on reasonable offense and offender characteristics. The guidelines promulgated by the commission shall be advisory to the district court and shall establish:

(1) The circumstances under which imprisonment of an offender is proper; and

(2) A presumptive, fixed sentence for offenders for whom imprisonment is proper, based on each appropriate combination of reasonable offense and offender characteristics. The guidelines ~~may~~ shall provide for an increase ~~or~~ of 20 percent and a decrease of up to 15 percent in the presumptive, fixed sentence.

The Sentencing Guidelines promulgated by the commission may also establish appropriate sanctions for offenders for whom imprisonment is not proper. Any guidelines promulgated by the commission establishing sanctions for offenders for whom imprisonment is not proper shall make specific reference to noninstitutional sanctions, including but not limited to the following: payment of fines, day fines, restitution, community work orders, work release programs in local facilities, community based residential and nonresidential programs, incarceration in a local correctional facility, and probation and the conditions thereof.

Although the Sentencing Guidelines are advisory to the district court, the court shall follow the procedures of the guidelines when it pronounces sentence in a proceeding to which the guidelines apply by operation of statute. Sentencing pursuant to the Sentencing Guidelines is not a right that accrues to a person convicted of a felony; it is a procedure based on state public policy to maintain uniformity, proportionality, rationality, and predictability in sentencing.

In establishing and modifying the Sentencing Guidelines, the primary consideration of the commission shall be public safety. The commission shall also consider current sentencing and release practices; correctional resources, including but not limited to the capacities of local and state correctional facilities; and the long-term negative impact of the crime on the community.

The provisions of sections 14.001 to 14.69 do not apply to the promulgation of the Sentencing Guidelines, and the Sentencing Guidelines, including severity levels and criminal history scores, are not subject to review by the legislative commission to review administrative rules. However, the commission shall adopt rules pursuant to sections 14.001 to 14.69 which establish procedures for the promulgation of the Sentencing Guidelines, including procedures for the promulgation of severity levels and criminal history scores, and these rules shall be subject to review by the legislative coordinating commission.

[EFFECTIVE DATE.] This section is effective August 1, 2005, and applies to crimes committed on or after that date.

Sec. 2. Minnesota Statutes 2004, section 244.09, subdivision 11, is amended to read:

Subd. 11. **[MODIFICATION.]** The commission shall meet as necessary for the purpose of modifying and improving the guidelines. Any modification which amends the Sentencing Guidelines grid, including severity levels and criminal history scores, or which would result in the reduction of any sentence or in the early release of any inmate, with the exception of a modification mandated or authorized by the legislature or relating to a crime created or amended by the legislature in the preceding session, shall be submitted to the legislature by January + 15 of any year in which the commission wishes to make the change and shall be effective on August 1 of that year, unless the legislature by law provides otherwise. All other modifications shall take effect according to the procedural rules of the commission. On or before January + 15 of each year, the commission shall submit a written report to the committees of the senate and the house of representatives with jurisdiction over criminal justice policy that identifies and explains all modifications made during the preceding 12 months and all proposed modifications that are being submitted to the legislature that year.

[EFFECTIVE DATE.] This section is effective August 1, 2005, and applies to reports submitted on or after that date.

Sec. 3. Minnesota Statutes 2004, section 244.10, is amended by adding a subdivision to read:

Subd. 4. **[AGGRAVATED DEPARTURES.]** In bringing a motion for an aggravated sentence, the state is not limited to factors specified in the Sentencing Guidelines provided the state provides reasonable notice to the defendant and the district court prior to sentencing of the factors on which the state intends to rely.

[EFFECTIVE DATE.] This section is effective the day following final enactment and applies to sentencing hearings, resentencing hearings, and sentencing departures sought on or after that date. This section expires February 1, 2007.

Sec. 4. Minnesota Statutes 2004, section 244.10, is amended by adding a subdivision to read:

Subd. 5. **[PROCEDURES IN CASES WHERE STATE INTENDS TO SEEK AN AGGRAVATED DEPARTURE.]** (a) When the prosecutor provides reasonable notice under subdivision 4, the district court shall allow the state to prove beyond a reasonable doubt to a jury of 12 members the factors in support of the state's request for an aggravated departure from the Sentencing Guidelines as provided in paragraph (b) or (c).

(b) The district court shall allow a unitary trial and final argument to a jury regarding both evidence in support of the elements of the offense and evidence in support of aggravating factors when the evidence in support of the aggravating factors:

(1) would be admissible as part of the trial on the elements of the offense; or

(2) would not result in unfair prejudice to the defendant.

The existence of each aggravating factor shall be determined by use of a special verdict form.

Upon the request of the prosecutor, the court shall allow bifurcated argument and jury deliberations.

(c) The district court shall bifurcate the proceedings to allow for the production of evidence, argument, and deliberations on the existence of factors in support of an aggravated departure after the return of a guilty verdict when the evidence in support of an aggravated departure:

(1) includes evidence that is otherwise inadmissible at a trial on the elements of the offense; and

(2) would result in unfair prejudice to the defendant.

[EFFECTIVE DATE.] This section is effective the day following final enactment and applies to sentencing hearings, resentencing hearings, and sentencing departures sought on or after that date. This section expires February 1, 2007.

Sec. 5. Minnesota Statutes 2004, section 244.10, is amended by adding a subdivision to read:

Subd. 6. [DEFENDANTS TO PRESENT EVIDENCE AND ARGUMENT.] In either a unitary or bifurcated trial under subdivision 5, a defendant shall be allowed to present evidence and argument to the jury or factfinder regarding whether facts exist that would justify an aggravated durational departure. A defendant is not allowed to present evidence or argument to the jury or factfinder regarding facts in support of a mitigated departure during the trial, but may present evidence and argument in support of a mitigated departure to the judge as factfinder during a sentencing hearing.

[EFFECTIVE DATE.] This section is effective the day following final enactment and applies to sentencing hearings, resentencing hearings, and sentencing departures sought on or after that date. This section expires February 1, 2007.

Sec. 6. Minnesota Statutes 2004, section 244.10, is amended by adding a subdivision to read:

Subd. 7. [WAIVER OF JURY DETERMINATION.] The defendant may waive the right to a jury determination of whether facts exist that would justify an aggravated sentence. Upon receipt of a waiver of a jury trial on this issue, the district court shall determine beyond a reasonable doubt whether the factors in support of the state's motion for aggravated departure exist.

[EFFECTIVE DATE.] This section is effective the day following final enactment and applies to sentencing hearings, resentencing hearings, and sentencing departures sought on or after that date. This section expires February 1, 2007.

Sec. 7. Minnesota Statutes 2004, section 244.10, is amended by adding a subdivision to read:

Subd. 8. [NOTICE OF INFORMATION REGARDING PREDATORY OFFENDERS.] (a) Subject to paragraph (b), in any case in which a person is convicted of an offense and the presumptive sentence under the Sentencing Guidelines is commitment to the custody of the commissioner of corrections, if the court grants a dispositional departure and stays imposition or execution of sentence, the probation or court services officer who is assigned to supervise the offender shall provide in writing to the following the fact that the offender is on probation and the terms and conditions of probation:

(1) a victim of and any witnesses to the offense committed by the offender, if the victim or the witness has requested notice; and

(2) the chief law enforcement officer in the area where the offender resides or intends to reside.

The law enforcement officer, in consultation with the offender's probation officer, may provide all or part of this information to any of the following agencies or groups the offender is likely to encounter: public and private educational institutions, day care establishments, and establishments or organizations that primarily serve individuals likely to be victimized by the offender.

The probation officer is not required under this subdivision to provide any notice while the offender is placed or resides in a residential facility that is licensed under section 241.021 or 245A.02, subdivision 14, if the facility staff is trained in the supervision of sex offenders.

(b) Paragraph (a) applies only to offenders required to register under section 243.166, as a result of the conviction.

(c) The notice authorized by paragraph (a) shall be limited to data classified as public under section 13.84, subdivision 6, unless the offender provides informed consent to authorize the release of nonpublic data or unless a court order authorizes the release of nonpublic data.

(d) Nothing in this subdivision shall be interpreted to impose a duty on any person to use any information regarding an offender about whom notification is made under this subdivision.

[EFFECTIVE DATE.] This section is effective August 1, 2005, and applies to crimes committed on or after that date.

Sec. 8. Minnesota Statutes 2004, section 244.10, is amended by adding a subdivision to read:

Subd. 9. [COMPUTATION OF CRIMINAL HISTORY SCORE.] If the defendant contests the existence of or factual basis for a prior conviction in the calculation of the defendant's criminal history score, proof of it is established by competent and reliable evidence, including a certified court record of the conviction.

[EFFECTIVE DATE.] This section is effective August 1, 2005, and applies to crimes committed on or after that date.

Sec. 9. Minnesota Statutes 2004, section 609.109, subdivision 4, is amended to read:

Subd. 4. [MANDATORY 30-YEAR SENTENCE.] (a) The court shall commit a person to the commissioner of corrections for not less than 30 years, notwithstanding the statutory maximum sentence under section 609.343, if:

(2) a vehicle, including a rail vehicle, engaged in providing bus rapid transit service or light rail transit service;

(3) a signal maintenance vehicle of a road authority; or

(4) a vehicle authorized to contain such a device by order of the commissioner of public safety.

(2) a person authorized by a road authority to perform signal maintenance, while engaged in such maintenance;
or

(3) a person authorized by order of the commissioner of public safety to possess a traffic signal-override device, but only to the extent authorized in the order.

[EFFECTIVE DATE.] This section is effective August 1, 2005, and applies to crimes committed on or after that date.

Sec. 2. Minnesota Statutes 2004, section 169A.275, subdivision 1, is amended to read:

Subdivision 1. **[SECOND OFFENSE.]** (a) The court shall sentence a person who is convicted of a violation of section 169A.20 (driving while impaired) within ten years of a qualified prior impaired driving incident to either:

(1) a minimum of 30 days of incarceration, at least 48 hours of which must be served ~~consecutively~~ in a local correctional facility; or

(2) eight hours of community work service for each day less than 30 days that the person is ordered to serve in a local correctional facility.

Notwithstanding section 609.135 (stay of imposition or execution of sentence), the penalties in this paragraph must be executed, unless the court departs from the mandatory minimum sentence under paragraph (b) or (c).

(b) Prior to sentencing, the prosecutor may file a motion to have a defendant described in paragraph (a) sentenced without regard to the mandatory minimum sentence established by that paragraph. The motion must be accompanied by a statement on the record of the reasons for it. When presented with the prosecutor's motion and if it finds that substantial mitigating factors exist, the court shall sentence the defendant without regard to the mandatory minimum sentence established by paragraph (a).

(c) The court may, on its own motion, sentence a defendant described in paragraph (a) without regard to the mandatory minimum sentence established by that paragraph if it finds that substantial mitigating factors exist and if its sentencing departure is accompanied by a statement on the record of the reasons for it. The court also may sentence the defendant without regard to the mandatory minimum sentence established by paragraph (a) if the defendant is sentenced to probation and ordered to participate in a program established under section 169A.74 (pilot programs of intensive probation for repeat DWI offenders).

Sec. 3. Minnesota Statutes 2004, section 169A.52, subdivision 4, is amended to read:

Subd. 4. [TEST FAILURE; LICENSE REVOCATION.] (a) Upon certification by the peace officer that there existed probable cause to believe the person had been driving, operating, or in physical control of a motor vehicle in violation of section 169A.20 (driving while impaired) and that the person submitted to a test and the test results indicate an alcohol concentration of 0.08 or more or the presence of a controlled substance listed in schedule I or II, other than marijuana or tetrahydrocannabinols, then the commissioner shall revoke the person's license or permit to drive, or nonresident operating privilege:

- (1) for a period of 90 days;

- (3) for a person with a qualified prior impaired driving incident within the past ten years, for a period of 180 days; or
- (4) if the test results indicate an alcohol concentration of 0.20 or more, for twice the applicable period in clauses (1) to (3).

(b) On certification by the peace officer that there existed probable cause to believe the person had been driving, operating, or in physical control of a commercial motor vehicle with any presence of alcohol and that the person submitted to a test and the test results indicated an alcohol concentration of 0.04 or more, the commissioner shall disqualify the person from operating a commercial motor vehicle under section 171.165 (commercial driver's license disqualification).

(c) If the test is of a person's blood or urine by a laboratory operated by the Bureau of Criminal Apprehension, or authorized by the bureau to conduct the analysis of a blood or urine sample, the laboratory may directly certify to the commissioner the test results, and the peace officer shall certify to the commissioner that there existed probable cause to believe the person had been driving, operating, or in physical control of a motor vehicle in violation of section 169A.20 and that the person submitted to a test. Upon receipt of both certifications, the commissioner shall undertake the license actions described in paragraphs (a) and (b).

[EFFECTIVE DATE.] This section is effective August 1, 2006, and applies to blood and urine test samples analyzed on or after that date.

Sec. 4. Minnesota Statutes 2004, section 169A.53, subdivision 3, is amended to read:

Subd. 3. [JUDICIAL HEARING; ISSUES, ORDER, APPEAL.] (a) A judicial review hearing under this section must be before a district judge in any county in the judicial district where the alleged offense occurred. The hearing is to the court and may be conducted at the same time and in the same manner as hearings upon pretrial motions in the criminal prosecution under section 169A.20 (driving while impaired), if any. The hearing must be recorded. The commissioner shall appear and be represented by the attorney general or through the prosecuting authority for the jurisdiction involved. The hearing must be held at the earliest practicable date, and in any event no later than 60 days following the filing of the petition for review. The judicial district administrator shall establish procedures to ensure efficient compliance with this subdivision. To accomplish this, the administrator may, whenever possible, consolidate and transfer review hearings among the locations within the judicial district where terms of district court are held.

- (b) The scope of the hearing is limited to the issues in clauses (1) to (10):

(1) Did the peace officer have probable cause to believe the person was driving, operating, or in physical control of a motor vehicle or commercial motor vehicle in violation of section 169A.20 (driving while impaired)?

(2) Was the person lawfully placed under arrest for violation of section 169A.20?

(3) Was the person involved in a motor vehicle accident or collision resulting in property damage, personal injury, or death?

(4) Did the person refuse to take a screening test provided for by section 169A.41 (preliminary screening test)?

(5) If the screening test was administered, did the test indicate an alcohol concentration of 0.08 or more?

(6) At the time of the request for the test, did the peace officer inform the person of the person's rights and the consequences of taking or refusing the test as required by section 169A.51, subdivision 2?

(7) Did the person refuse to permit the test?

(8) If a test was taken by a person driving, operating, or in physical control of a motor vehicle, did the test results indicate at the time of testing:

(i) an alcohol concentration of 0.08 or more; or

(ii) the presence of a controlled substance listed in schedule I or II, other than marijuana or tetrahydrocannabinols?

(9) If a test was taken by a person driving, operating, or in physical control of a commercial motor vehicle, did the test results indicate an alcohol concentration of 0.04 or more at the time of testing?

(10) Was the testing method used valid and reliable and were the test results accurately evaluated?

(c) It is an affirmative defense for the petitioner to prove that, at the time of the refusal, the petitioner's refusal to permit the test was based upon reasonable grounds.

(d) Certified or otherwise authenticated copies of laboratory or medical personnel reports, records, documents, licenses, and certificates are admissible as substantive evidence.

(e) The court shall order that the revocation or disqualification be either rescinded or sustained and forward the order to the commissioner. The court shall file its order within 14 days following the hearing. If the revocation or disqualification is sustained, the court shall also forward the person's driver's license or permit to the commissioner for further action by the commissioner if the license or permit is not already in the commissioner's possession.

(f) Any party aggrieved by the decision of the reviewing court may appeal the decision as provided in the Rules of Appellate Procedure.

(g) The civil hearing under this section shall not give rise to an estoppel on any issues arising from the same set of circumstances in any criminal prosecution.

[EFFECTIVE DATE.] This section is effective the day following final enactment.

Subd. 10. [PETITION FOR JUDICIAL REVIEW.] (a) Within 30 days following receipt of a notice and order of impoundment under this section, a person may petition the court for review. The petition must include proof of service of a copy of the petition on the commissioner. The petition must include the petitioner's date of birth, driver's license number, and date of the plate impoundment violation, as well as the name of the violator and the law enforcement agency that issued the plate impoundment order. The petition must state with specificity the grounds upon which the petitioner seeks rescission of the order for impoundment. The petition may be combined with any petition filed under section 169A.53 (administrative and judicial review of license revocation).

(b) Except as otherwise provided in this section, the judicial review and hearing are governed by section 169A.53 and must take place at the same time as any judicial review of the person's license revocation under section 169A.53. The filing of the petition does not stay the impoundment order. The reviewing court may order a stay of the balance of the impoundment period if the hearing has not been conducted within 60 days after filing of the petition upon terms the court deems proper. The court shall order either that the impoundment be rescinded or sustained, and forward the order to the commissioner. The court shall file its order within 14 days following the hearing.

(c) In addition to the issues described in section 169A.53, subdivision 3 (judicial review of license revocation), the scope of a hearing under this subdivision is limited to:

(1) ~~whether the violator owns, is the registered owner of, possesses, or has access to the vehicle used in the plate impoundment violation;~~

(2) ~~whether a member of the violator's household has a valid driver's license, the violator or registered owner has a limited license issued under section 171.30, the registered owner is not the violator, and the registered owner has a valid or limited driver's license, or a member of the registered owner's household has a valid driver's license; and~~

~~(3) if the impoundment is based on a plate impoundment violation described in subdivision 1, paragraph (e)~~ (d), clause (3) or (4), whether the peace officer had probable cause to believe the violator committed the plate impoundment violation and whether the evidence demonstrates that the plate impoundment violation occurred; and

(2) for all other cases, whether the peace officer had probable cause to believe the violator committed the plate impoundment violation.

(d) In a hearing under this subdivision, the following records are admissible in evidence:

(1) certified copies of the violator's driving record; and

(2) certified copies of vehicle registration records bearing the violator's name.

[EFFECTIVE DATE.] This section is effective August 1, 2005.

Sec. 6. Minnesota Statutes 2004, section 169A.60, subdivision 11, is amended to read:

Subd. 11. [RESCISSION OF REVOCATION; AND DISMISSAL OR ACQUITTAL; NEW PLATES.] If:

(1) the driver's license revocation that is the basis for an impoundment order is rescinded; and

(2) the charges for the plate impoundment violation have been dismissed with prejudice; or

~~(3)~~ the violator has been acquitted of the plate impoundment violation;

then the registrar of motor vehicles shall issue new registration plates for the vehicle at no cost, when the registrar receives an application that includes a copy of the order rescinding the driver's license revocation; and either the order dismissing the charges; or the judgment of acquittal.

[EFFECTIVE DATE.] This section is effective the day following final enactment.

Sec. 7. Minnesota Statutes 2004, section 169A.63, subdivision 8, is amended to read:

Subd. 8. [ADMINISTRATIVE FORFEITURE PROCEDURE.] (a) A motor vehicle used to commit a designated offense or used in conduct resulting in a designated license revocation is subject to administrative forfeiture under this subdivision.

(b) When a motor vehicle is seized under subdivision 2, or within a reasonable time after seizure, the appropriate agency shall serve the driver or operator of the vehicle with a notice of the seizure and intent to forfeit the vehicle. Additionally, when a motor vehicle is seized under subdivision 2, or within a reasonable time after that, all persons known to have an ownership, possessory, or security interest in the vehicle must be notified of the seizure and the intent to forfeit the vehicle. For those vehicles required to be registered under chapter 168, the notification to a person known to have a security interest in the vehicle is required only if the vehicle is registered under chapter 168 and the interest is listed on the vehicle's title. Notice mailed by certified mail to the address shown in Department of Public Safety records is sufficient notice to the registered owner of the vehicle. For motor vehicles not required to be registered under chapter 168, notice mailed by certified mail to the address shown in the applicable filing or registration for the vehicle is sufficient notice to a person known to have an ownership, possessory, or security interest in the vehicle. Otherwise, notice may be given in the manner provided by law for service of a summons in a civil action.

(c) The notice must be in writing and contain:

(1) a description of the vehicle seized;

(2) the date of seizure; and

(3) notice of the right to obtain judicial review of the forfeiture and of the procedure for obtaining that judicial review, printed in English, Hmong, and Spanish. Substantially the following language must appear conspicuously: "IF YOU DO NOT DEMAND JUDICIAL REVIEW EXACTLY AS PRESCRIBED IN MINNESOTA STATUTES, SECTION 169A.63, SUBDIVISION 8, YOU LOSE THE RIGHT TO A JUDICIAL DETERMINATION OF THIS FORFEITURE AND YOU LOSE ANY RIGHT YOU MAY HAVE TO THE ABOVE-DESCRIBED PROPERTY. YOU MAY NOT HAVE TO PAY THE FILING FEE FOR THE DEMAND IF DETERMINED YOU ARE UNABLE TO AFFORD THE FEE. IF THE PROPERTY IS WORTH \$7,500 OR LESS, YOU MAY FILE YOUR CLAIM IN CONCILIATION COURT. YOU DO NOT HAVE TO PAY THE CONCILIATION COURT FILING FEE IF THE PROPERTY IS WORTH LESS THAN \$500."

(d) Within 30 days following service of a notice of seizure and forfeiture under this subdivision, a claimant may file a demand for a judicial determination of the forfeiture. The demand must be in the form of a civil complaint and must be filed with the court administrator in the county in which the seizure occurred, together with proof of service of a copy of the complaint on the prosecuting authority having jurisdiction over the forfeiture; and the appropriate agency that initiated the forfeiture, including the standard filing fee for civil actions unless the petitioner has the right to sue in forma pauperis under section 563.01. If the value of the seized property is \$7,500 or less, the claimant may file an action in conciliation court for recovery of the seized vehicle. A copy of the conciliation court

statement of claim must be served personally or by mail on the prosecuting authority having jurisdiction over the forfeiture, as well as on the appropriate agency that initiated the forfeiture, within 30 days following service of the notice of seizure and forfeiture under this subdivision. If the value of the seized property is less than \$500, the claimant does not have to pay the conciliation court filing fee.

No responsive pleading is required of the prosecuting authority and no court fees may be charged for the prosecuting authority's appearance in the matter. The prosecuting authority may appear for the appropriate agency. Pleadings, filings, and methods of service are governed by the Rules of Civil Procedure.

(e) The complaint must be captioned in the name of the claimant as plaintiff and the seized vehicle as defendant, and must state with specificity the grounds on which the claimant alleges the vehicle was improperly seized, the claimant's interest in the vehicle seized, and any affirmative defenses the claimant may have. Notwithstanding any law to the contrary, an action for the return of a vehicle seized under this section may not be maintained by or on behalf of any person who has been served with a notice of seizure and forfeiture unless the person has complied with this subdivision.

(f) If the claimant makes a timely demand for a judicial determination under this subdivision, the forfeiture proceedings must be conducted as provided under subdivision 9.

[EFFECTIVE DATE.] This section is effective August 1, 2005, and applies to forfeiture actions initiated on or after that date.

Sec. 8. Minnesota Statutes 2004, section 169A.70, subdivision 3, is amended to read:

Subd. 3. [ASSESSMENT REPORT.] (a) The assessment report must be on a form prescribed by the commissioner and shall contain an evaluation of the convicted defendant concerning the defendant's prior traffic and criminal record, characteristics and history of alcohol and chemical use problems, and amenability to rehabilitation through the alcohol safety program. The report is classified as private data on individuals as defined in section 13.02, subdivision 12.

(b) The assessment report must include:

(1) a diagnosis of the nature of the offender's chemical and alcohol involvement;

(2) an assessment of the severity level of the involvement;

(3) a recommended level of care for the offender in accordance with the criteria contained in rules adopted by the commissioner of human services under section 254A.03, subdivision 3 (chemical dependency treatment rules);

(4) an assessment of the offender's placement needs;

~~(5)~~ (5) recommendations for other appropriate remedial action or care, including aftercare services in section 254B.01, subdivision 3, that may consist of educational programs, one-on-one counseling, a program or type of treatment that addresses mental health concerns, or a combination of them; ~~or~~ and

~~(6)~~ (6) a specific explanation why no level of care or action was recommended, if applicable.

[EFFECTIVE DATE.] This section is effective August 1, 2005, and applies to chemical use assessments made on or after that date.

Sec. 9. Minnesota Statutes 2004, section 169A.70, is amended by adding a subdivision to read:

Subd. 6. [METHOD OF ASSESSMENT.] (a) As used in this subdivision, "collateral contact" means an oral or written communication initiated by an assessor for the purpose of gathering information from an individual or agency, other than the offender, to verify or supplement information provided by the offender during an assessment under this section. The term includes contacts with family members and criminal justice agencies.

(b) An assessment conducted under this section must include at least one personal interview with the offender designed to make a determination about the extent of the offender's past and present chemical and alcohol use or abuse. It must also include collateral contacts and a review of relevant records or reports regarding the offender including, but not limited to, police reports, arrest reports, driving records, chemical testing records, and test refusal records. If the offender has a probation officer, the officer must be the subject of a collateral contact under this subdivision. If an assessor is unable to make collateral contacts, the assessor shall specify why collateral contacts were not made.

[EFFECTIVE DATE.] This section is effective August 1, 2005, and applies to chemical use assessments made on or after that date.

Sec. 10. Minnesota Statutes 2004, section 169A.70, is amended by adding a subdivision to read:

Subd. 7. [PRECONVICTION ASSESSMENT.] (a) The court may not accept a chemical use assessment conducted before conviction as a substitute for the assessment required by this section unless the court ensures that the preconviction assessment meets the standards described in this section.

(b) If the commissioner of public safety is making a decision regarding reinstating a person's driver's license based on a chemical use assessment, the commissioner shall ensure that the assessment meets the standards described in this section.

[EFFECTIVE DATE.] This section is effective August 1, 2005, and applies to chemical use assessments made on or after that date.

Sec. 11. Minnesota Statutes 2004, section 171.09, is amended to read:

Subdivision 1. [AUTHORITY; VIOLATIONS.] (a) The commissioner shall have the authority, when good cause appears, to impose restrictions suitable to the licensee's driving ability or such other restrictions applicable to the licensee as the commissioner may determine to be appropriate to assure the safe operation of a motor vehicle by the licensee. The commissioner may, upon receiving satisfactory evidence of any violation of the restrictions of the license, suspend or revoke the license. A license suspension under this section is subject to section 171.18, subdivisions 2 and 3.

(b) A person who drives, operates, or is in physical control of a motor vehicle while in violation of the restrictions imposed in a restricted driver's license issued to that person under paragraph (a) is guilty of a crime as follows:

(1) if the restriction relates to the possession or consumption of alcohol or controlled substances, the person is guilty of a gross misdemeanor; or

(2) if the restriction relates to another matter, the person is guilty of a misdemeanor.

Subd. 2. [NO-ALCOHOL RESTRICTION.] (a) Upon proper application by a person having a valid driver's license containing the restriction that the person must consume no alcohol and whose driving record contains no impaired driving incident within the past ten years, the commissioner must issue to the person a duplicate driver's license that does not show that restriction. Such issuance of a duplicate license does not rescind the no-alcohol restriction on the recipient's driving record. "Impaired driving incident" has the meaning given in section 169A.03, subdivision 22.

(b) Upon the issuance of a duplicate license to a person under paragraph (a), the no-alcohol restriction on the person's driving record is classified as private data on individuals, as defined in section 13.02, subdivision 12, but may be provided to requesting law enforcement agencies, probation and parole agencies, and courts.

[EFFECTIVE DATE.] This section is effective July 1, 2005, and expires on July 1, 2006.

(b) Before the license is reinstated, a person whose license has been suspended under sections 169.791 to 169.798 must pay a \$20 reinstatement fee.

(c) When fees are collected by a licensing agent appointed under section 171.061, a handling charge is imposed in the amount specified under section 171.061, subdivision 4. The reinstatement fee and surcharge must be deposited in an approved state depository as directed under section 171.061, subdivision 4.

(d) Reinstatement fees collected under paragraph (a) for suspensions under sections 171.16, subdivision 3, and 171.18, subdivision 1, clause (10), shall be deposited in the special revenue fund and are appropriated to the Peace Officer Standards and Training Board for peace officer training reimbursement to local units of government.

(e) A suspension may be rescinded without fee for good cause.

Sec. 2. [325F.171] [CRIB SAFETY.]

Subdivision 1. [DEFINITIONS.] (a) "Commercial user" means any person who deals in cribs or who otherwise by one's occupation holds oneself out as having knowledge or skill peculiar to cribs, or any person who is in the business of remanufacturing, retrofitting, selling, leasing, subletting, or otherwise placing cribs in the stream of commerce.

(b) "Infant" means any person less than 35 inches tall and less than three years of age.

(c) "Crib" means a bed or containment designed to accommodate an infant.

(d) "Full-size crib" means a full-size crib as defined in the Code of Federal Regulations, title 16, section 1508.3, regarding the requirements for full-size cribs.

(e) "Non-full-size crib" means a non-full-size crib as defined in the Code of Federal Regulations, title 16, section 1509.2, regarding the requirements for non-full-size cribs.

(f) "Place in the stream of commerce" means to sell, offer for sale, give away, offer to give away, or allow to use.

Subd. 2. [UNSAFE CRIBS PROHIBITED.] (a) No commercial user may remanufacture, retrofit, sell, contract to sell or resell, lease, sublet, or otherwise place any unsafe crib in the stream of commerce on or after January 1, 2006.

(b) On or after January 1, 2006, no person operating a hotel, motel, or lodging establishment shall provide any unsafe crib to any guest, either with or without charge, for use during the guest's stay. For the purposes of this paragraph, "hotel," "motel," and "lodging establishment" have the meanings given them in section 157.15.

(c) A crib is presumed to be unsafe for purposes of this section if it does not conform to the standards endorsed or established by the United States Consumer Product Safety Commission, including but not limited to the Code of Federal Regulations, title 16, and ASTM International, as follows:

(1) Code of Federal Regulations, title 16, part 1508, and any regulations adopted to amend or supplement the regulations;

A commercial user who complies with this paragraph is not liable for use of the crib contrary to the notice provided.

Subd. 3. [RETROFITS.] (a) An unsafe crib, as determined under subdivision 2, may be retrofitted if the retrofit has been approved by the United States Consumer Product Safety Commission. A retrofitted crib may be sold if it is accompanied at the time of sale by a notice stating that it is safe to use for a child under three years of age. The commercial user is responsible for ensuring that the notice is present with the retrofitted crib at the time of sale. The notice must include:

(1) a description of the original problem that made the crib unsafe;

(2) a description of the retrofit that explains how the original problem was eliminated and declares that the crib is now safe to use for a child under three years of age; and

(3) the name and address of the commercial user who accomplished the retrofit certifying that the work was done along with the name and model number of the crib.

(b) A retrofit is exempt from this section if:

(1) the retrofit is for a crib that requires assembly by the consumer, the approved retrofit is provided with the product by the commercial user, and the retrofit is accompanied at the time of sale by instructions explaining how to apply the retrofit; or

(2) the seller of a previously unsold product accomplishes the retrofit prior to sale.

Subd. 4. [EXCEPTION.] A commercial user does not violate this section if the crib placed in the stream of commerce by the commercial user was not included on the consumer product safety commission's list during the entire 14-day period before this placement.

A bill for an act relating to health; modifying provisions for isolation and quarantine of persons exposed to or infected with a communicable disease; amending Minnesota Statutes 2004, sections 144.419, subdivision 1; 144.4195, subdivisions 1, 2, 5; Laws 2002, chapter 402, section 21, as amended; proposing coding for new law in Minnesota Statutes, chapter 144.

May 23, 2005

The Honorable Steve Sviggum
Speaker of the House of Representatives

The Honorable James P. Metzen
President of the Senate

We, the undersigned conferees for H. F. No. 1507, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 1507 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2004, section 144.419, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] For purposes of ~~this section and section 144.4195~~ sections 144.419 to 144.4196, the following definitions apply:

(1) "bioterrorism" means the intentional use of any microorganism, virus, infectious substance, or biological product that may be engineered as a result of biotechnology, or any naturally occurring or bioengineered component of any such microorganism, virus, infectious substance, or biological product, to cause death, disease, or other biological malfunction in a human, an animal, a plant, or another living organism in order to influence the conduct of government or to intimidate or coerce a civilian population;

(2) "communicable disease" means a disease caused by a living organism or virus and believed to be caused by bioterrorism or a new or novel or previously controlled or eradicated infectious agent or biological toxin that can be transmitted person to person and for which isolation or quarantine is an effective control strategy, excluding a disease that is directly transmitted as defined under section 144.4172, subdivision 5;

(3) "isolation" means separation, during the period of communicability, of a person infected with a communicable disease, in a place and under conditions so as to prevent direct or indirect transmission of an infectious agent to others; and

(4) "quarantine" means restriction, during a period of communicability, of activities or travel of an otherwise healthy person who likely has been exposed to a communicable disease to prevent disease transmission during the period of communicability in the event the person is infected.

Sec. 2. Minnesota Statutes 2004, section 144.4195, subdivision 1, is amended to read:

Subdivision 1. [EX PARTE ORDER FOR ISOLATION OR QUARANTINE.] (a) Before isolating or quarantining a person or group of persons, the commissioner of health shall obtain a written, ex parte order authorizing the isolation or quarantine from the District Court of Ramsey County, the county where the person or group of persons is located, or a county adjoining the county where the person or group of persons is located. The evidence or testimony in support of an application may be made or taken by telephone, facsimile transmission, video equipment, or other electronic communication. The court shall grant the order upon a finding that probable cause exists to believe isolation or quarantine is warranted to protect the public health.

(b) The order must state the specific facts justifying isolation or quarantine, must state that the person being isolated or quarantined has a right to a court hearing under this section and a right to be represented by counsel during any proceeding under this section, and must be provided immediately to each person isolated or quarantined. The commissioner of health shall provide a copy of the authorizing order to the commissioner of public safety and other peace officers known to the commissioner to have jurisdiction over the site of the isolation or quarantine. If feasible, the commissioner of health shall give each person being isolated or quarantined an estimate of the expected period of the person's isolation or quarantine.

(c) If it is impracticable to provide individual orders to a group of persons isolated or quarantined, one order shall suffice to isolate or quarantine a group of persons believed to have been commonly infected with or exposed to a communicable disease. A copy of the order and notice shall be posted in a conspicuous place:

(1) in the isolation or quarantine premises, but only if the persons to be isolated or quarantined are already at the isolation or quarantine premises and have adequate access to the order posted there; or

(2) in another location where the group of persons to be isolated or quarantined is located, such that the persons have adequate access to the order posted there.

If the court determines that posting the order according to clause (1) or (2) is impractical due to the number of persons to be isolated or quarantined or the geographical area affected, the court must use the best means available to ensure that the affected persons are fully informed of the order and notice.

(d) Any peace officer, as defined in section 144.4803, subdivision 16, may use force as described by sections 609.06 and 609.066 to apprehend, hold, transport, quarantine, or isolate a person subject to the order if the person flees or forcibly resists the officer. This subdivision is authority to carry out enforcement duties under this section. The commissioner or an agent of a local board of health authorized under section 145A.04 shall advise the peace officer on request of protective measures recommended to protect the officer from possible transmission of the communicable disease. The peace officer may act upon telephone, facsimile, or other electronic notification of the order from the court, commissioner of health, agent of a local board of health, or commissioner of public safety. This paragraph expires August 1, 2009.

(e) No person may be isolated or quarantined pursuant to an order issued under this subdivision for longer than 21 days without a court hearing under subdivision 3 to determine whether isolation or quarantine should continue. A person who is isolated or quarantined may request a court hearing under subdivision 3 at any time before the expiration of the order.

Sec. 3. Minnesota Statutes 2004, section 144.4195, subdivision 2, is amended to read:

Subd. 2. [TEMPORARY HOLD UPON COMMISSIONER'S DIRECTIVE.] (a) Notwithstanding subdivision 1, the commissioner of health may by directive isolate or quarantine a person or group of persons without first obtaining a written, ex parte order from the court if a delay in isolating or quarantining the person or group of persons would significantly jeopardize the commissioner of health's ability to prevent or limit the transmission of a communicable or potentially communicable life threatening disease to others. The directive shall specify the known period of incubation or communicability or the estimated period under the commissioner's best medical judgment when the disease is unknown. The directive remains in effect for the period specified unless amended by the commissioner or superseded by a court order. The commissioner must provide the person or group of persons subject to the temporary hold with notice that the person has a right to request a court hearing under this section and a right to be represented by counsel during a proceeding under this section. If it is impracticable to provide individual notice to each person subject to the temporary hold, notice of these rights may be posted in the same manner as the posting of orders under subdivision 1, paragraph (c). ~~Following the imposition of isolation or quarantine under this subdivision~~ Immediately upon executing the directive and initiating notice of the parties subject to it, the commissioner of health shall ~~within 24 hours~~ initiate the process to apply for a written, ex parte order pursuant to subdivision 1 authorizing the isolation or quarantine. The court must rule within 24 hours of receipt of the application or sooner if practicable or necessary. If the person is under a temporary hold, the person may not be held in isolation or quarantine after the temporary hold expires unless the court issues an ex parte order under subdivision 1. If the court does not rule within 36 hours after the execution of the directive, the directive shall expire.

(b) At the same time the commissioner initiates the process to apply for a written, ex parte order under paragraph (a), the commissioner shall notify the governor, the majority and minority leaders of the senate, the speaker and majority and minority leaders of the house, and the chairs and the ranking minority members of the senate and house committees having jurisdiction over health policy that a directive for a temporary hold has been issued under this subdivision. Notice under this paragraph is governed by the data privacy provisions of section 144.4195, subdivision 6.

(c) Any peace officer, as defined in section 144.4803, subdivision 16, may assist a public health official to apprehend, hold, transport, quarantine, or isolate a person subject to the commissioner's directive. The peace officer may use force as described by sections 609.06 and 609.066. The commissioner or an agent of a local board of health authorized under section 145A.04 shall advise the peace officer on request of protective measures recommended to protect the officer from possible transmission of the communicable disease. The peace officer may act upon telephone, facsimile, or other electronic notification of the commissioner's directive or upon the request of an agent of a local board of health.

(d) If a person subject to a commissioner's directive under paragraph (a) is already institutionalized in an appropriate health care facility, the commissioner of health may direct the facility to continue to hold the person. The facility shall take all reasonable measures to prevent the person from exposing others to the communicable disease.

(e) This subdivision expires August 1, 2009.

Sec. 4. Minnesota Statutes 2004, section 144.4195, subdivision 5, is amended to read:

Subd. 5. [JUDICIAL PROCEDURES AND DECISIONS.] (a) Court orders issued pursuant to subdivision 3 or 4 shall be based upon clear and convincing evidence and a written record of the disposition of the case shall be made and retained.

(b) Any person subject to isolation or quarantine has the right to be represented by counsel ~~or other lawful representative~~. ~~Persons not otherwise represented may request the court to appoint counsel at the expense of the Department of Health or of a local public health board that has entered into a written delegation agreement with the commissioner under subdivision 7. The court shall appoint counsel when so requested and may have one counsel represent a group of persons similarly situated. The appointments shall be only for representation under subdivisions 3 and 4 and for appeals of orders under subdivisions 3 and 4. On counsel's request, the commissioner or an agent of a local board of health authorized under section 145A.04 shall advise counsel of protective measures recommended to protect counsel from possible transmission of the communicable disease. Appointments shall be made and counsel compensated according to procedures developed by the Supreme Court. The procedures shall provide standards for determining indigency for purposes of appeal. A person seeking an appeal who does not meet the indigency standard may, upon motion by the commissioner of health or local public health board and subsequent court order, reimburse the Department of Health or local public health board for the attorney fees and costs incurred in the person's appeal. Counsel appointed for a respondent must be allowed to withdraw from representation and is not required to pursue an appeal if, in the opinion of counsel, there is insufficient basis for proceeding.~~

(c) ~~The court may choose to conduct a hearing under subdivision 3 or 4 by telephonic, interactive video, or other electronic means to maintain isolation or quarantine precautions and reduce the risk of spread of a communicable disease. Otherwise,~~ the manner in which the request for a hearing is filed and acted upon shall be in accordance with the existing laws and rules of the courts of this state or, if the isolation or quarantine occurs during a national security or peacetime emergency, any rules that are developed by the courts for use during a national security or peacetime emergency.

Sec. 5. [144.4196] [EMPLOYEE PROTECTION.]

Subdivision 1. [DEFINITIONS.] For purposes of this section:

(1) "qualifying employee" means a person who performs services for hire in Minnesota and who has been subject to isolation or quarantine for a communicable disease as defined in section 144.419, subdivision 1, clause (2). The term applies to persons who comply with isolation or quarantine restrictions because of:

(i) a commissioner's directive;

(ii) an order of a federal quarantine officer;

(iii) a state or federal court order; or

(iv) a written recommendation of the commissioner or designee that the person enter isolation or quarantine; and

(2) "employer" means any person having one or more employees in Minnesota and includes the state and any political subdivision of the state.

Subd. 2. [PROTECTIONS.] (a) An employer shall not discharge, discipline, threaten, or penalize a qualifying employee, or otherwise discriminate in the work terms, conditions, location, or privileges of the employee, because the employee has been in isolation or quarantine.

(b) A qualifying employee claiming a violation of paragraph (a) may bring a civil action for recovery of lost wages or benefits, for reinstatement, or for other relief within 180 days of the claimed violation or 180 days of the end of the isolation or quarantine, whichever is later. A qualifying employee who prevails shall be allowed reasonable attorney fees fixed by the court.

(c) Nothing in this subdivision is intended to alter sick leave or sick pay terms of the employment relationship.

Subd. 3. [LIMITATIONS.] The protections of subdivision 2 do not apply to work absences due to isolation or quarantine for periods longer than 21 consecutive work days. However, absences due to isolation or quarantine for periods longer than 21 consecutive work days resulting in loss of employment shall be treated for purposes of unemployment compensation in the same manner as loss of employment due to a serious illness.

Sec. 6. [144.4197] [EMERGENCY VACCINE ADMINISTRATION AND LEGEND DRUG DISPENSING.]

(a) When a mayor, county board chair, or legal successor to such official has declared a local emergency under section 12.29 or the governor has declared an emergency under section 12.31, subdivision 1 or 2, the commissioner of health may authorize any person, including, but not limited to, any person licensed or otherwise credentialed under chapters 144E, 147 to 148, 150A, 151, 153, or 156, to administer vaccinations or dispense legend drugs if the commissioner determines that such action is necessary to protect the health and safety of the public. The authorization shall be in writing and shall contain the categories of persons included in the authorization, any additional training required before performance of the vaccination or drug dispensing by such persons, any supervision required for performance of the vaccination or drug dispensing, and the duration of the authorization. The commissioner may, in writing, extend the scope and duration of the authorization as the emergency warrants. Any person authorized by the commissioner under this section shall not be subject to criminal liability, administrative penalty, professional discipline, or other administrative sanction for good faith performance of the vaccination or drug dispensing duties assigned according to this section.

(b) This section expires August 1, 2009.

Sec. 7. Laws 2002, chapter 402, section 21, as amended by Laws 2004, chapter 279, article 11, section 7, is amended to read:

Sec. 21. [SUNSET.]

Sections ~~1 to 19~~, 2, 5, 10, and 11 expire August 1, 2005.

Sec. 8. [EFFECTIVE DATE.]

Section 7 is effective the day following final enactment."

May 23, 2005

The Honorable Steve Sviggum
Speaker of the House of Representatives

The Honorable James P. Metzen
President of the Senate

We, the undersigned conferees for H. F. No. 1555, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 1555 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2004, section 12.03, is amended by adding a subdivision to read:

Subd. 1e. [DECLARED EMERGENCY.] "Declared emergency" means a national security or peacetime emergency declared by the governor under section 12.31.

Sec. 2. Minnesota Statutes 2004, section 12.03, subdivision 4d, is amended to read:

Subd. 4d. [FACILITY.] "Facility" means any real property, building, structure, or other improvement to real property or any motor vehicle, rolling stock, aircraft, watercraft, or other means of transportation. Facility does not include a private residence but may include a licensed health care facility only when other alternatives are not feasible.

Sec. 3. Minnesota Statutes 2004, section 12.22, subdivision 2a, is amended to read:

Subd. 2a. ~~[VOLUNTEER ASSISTANCE PROTECTIONS.]~~ (a) Individuals who volunteer to assist a local political subdivision during an emergency or disaster, who register with that subdivision, and who are under the direction and control of that subdivision, are considered an employee of that subdivision for purposes of workers' compensation and tort claim defense and indemnification.

(b) Individuals who volunteer to assist the state during an emergency or disaster, who register with a state agency, and who are under the direction and control of the state agency are considered an employee of the state for purposes of workers' compensation and tort claim defense and indemnification.

Sec. 4. Minnesota Statutes 2004, section 12.22, is amended by adding a subdivision to read:

Subd. 4. [OTHER LAW PRESERVED.] Nothing in this chapter shall be construed to remove any immunity from, defense to, or limitation on liability provided by the Minnesota Tort Claims Act, the Municipal Tort Claims Act, or other law.

Sec. 5. Minnesota Statutes 2004, section 12.31, subdivision 1, is amended to read:

Subdivision 1. [DECLARATION OF NATIONAL SECURITY EMERGENCY.] When information from the President of the United States, the Federal Emergency Management Agency, the Department of Defense, or the National Warning System indicates the imminence of a national security emergency within the United States, which means the several states, the District of Columbia, and the Commonwealth of Puerto Rico, or the occurrence within the state of Minnesota of a major disaster ~~or public health emergency~~ from enemy sabotage or other hostile action,

the governor may, by proclamation, declare that a national security emergency exists in all or any part of the state. If the legislature is then in regular session or, if it is not, if the governor concurrently with the proclamation declaring the emergency issues a call convening immediately both houses of the legislature, the governor may exercise for a period not to exceed 30 days the powers and duties conferred and imposed by sections 12.31 to 12.37 and 12.381. The lapse of these emergency powers does not, as regards any act occurring or committed within the 30-day period, deprive any person, political subdivision, municipal corporation, or body politic of any right to compensation or reimbursement that it may have under this chapter.

Sec. 6. Minnesota Statutes 2004, section 12.31, subdivision 2, is amended to read:

Subd. 2. [DECLARATION OF PEACETIME EMERGENCY.] (a) The governor may declare a peacetime emergency. A peacetime declaration of emergency may be declared only when an act of nature, a technological failure or malfunction, a terrorist incident, ~~a public health emergency~~, an industrial accident, a hazardous materials accident, or a civil disturbance endangers life and property and local government resources are inadequate to handle the situation. If the peacetime emergency occurs on Indian lands, the governor or state director of emergency management shall consult with tribal authorities before the governor makes such a declaration. Nothing in this section shall be construed to limit the governor's authority to act without such consultation when the situation calls for prompt and timely action. When the governor declares a peacetime emergency, the governor must immediately notify the majority and minority leaders of the senate and the speaker and majority and minority leaders of the house of representatives. A peacetime emergency must not be continued for more than five days unless extended by resolution of the Executive Council up to 30 days. An order, or proclamation declaring, continuing, or terminating an emergency must be given prompt and general publicity and filed with the secretary of state.

~~(b) This paragraph applies to a peacetime emergency declared as a result of a public health emergency. If the legislature is sitting in session at the time of the emergency declaration, the governor may exercise the powers and duties conferred by this chapter for the period allowed under paragraph (a). If the legislature is not sitting in session when a peacetime emergency is declared or renewed, the governor may exercise the powers and duties conferred by this chapter for the period allowed under paragraph (a) only if the governor issues a call convening both houses of the legislature at the same time the governor declares or renews the peacetime emergency. By majority vote of each house of the legislature, the legislature may terminate a peacetime emergency extending beyond 30 days. If the governor determines a need to extend the peacetime emergency declaration beyond 30 days and the legislature is not sitting in session, the governor must issue a call immediately convening both houses of the legislature. Nothing in this section limits the governor's authority over or command of the National Guard as described in the Military Code, chapters 190 to 192A, and required by the Minnesota Constitution, article V, section 3.~~

Sec. 7. Minnesota Statutes 2004, section 12.32, is amended to read:

12.32 [GOVERNOR'S ORDERS AND RULES, EFFECT.]

Orders and rules promulgated by the governor under authority of section 12.21, subdivision 3, clause (1), when approved by the Executive Council and filed in the Office of the Secretary of State, have, during a national security emergency, peacetime emergency ~~declared due to a public health emergency~~, or energy supply emergency, the full force and effect of law. Rules and ordinances of any agency or political subdivision of the state inconsistent with the provisions of this chapter or with any order or rule having the force and effect of law issued under the authority of this chapter, is suspended during the period of time and to the extent that the emergency exists.

Sec. 8. Minnesota Statutes 2004, section 12.34, subdivision 1, is amended to read:

Subdivision 1. [EMERGENCY POWERS.] When necessary to save life, property, or the environment during a national security emergency or during a peacetime emergency ~~declared due to a public health emergency~~, the governor, the state director, or a member of a class of members of a state or local emergency management organization designated by the governor, may:

(1) require any person, except members of the federal or state military forces and officers of the state or a political subdivision, to perform services for emergency management purposes as directed by any of the persons described above; and

(2) commandeer, for emergency management purposes as directed by any of the persons described above, any motor vehicles, tools, appliances, medical supplies, or other personal property and any facilities.

Sec. 9. Minnesota Statutes 2004, section 12.381, is amended to read:

12.381 [SAFE DISPOSITION OF DEAD HUMAN BODIES.]

Subdivision 1. [POWERS FOR SAFE DISPOSITION.] Notwithstanding chapter 149A and Minnesota Rules, chapter 4610, in connection with deaths related to a public health declared emergency ~~and during a national security emergency declared due to a public health emergency or peacetime emergency declared due to a public health emergency~~, the governor may:

(1) direct measures to provide for the safe disposition of dead human bodies as may be reasonable and necessary for emergency response. Measures may include, but are not limited to, transportation, preparation, temporary mass burial and other interment, disinterment, and cremation of dead human bodies. Insofar as the emergency circumstances allow, the governor shall respect the religious rites, cultural customs, family wishes, and predeath directives of a decedent concerning final disposition. The governor may limit visitations or funeral ceremonies based on public health risks;

(2) consult with coroners and medical examiners, take possession or control of any dead human body, and order an autopsy of the body; and

(3) request any business or facility authorized to embalm, bury, cremate, inter, disinter, transport, or otherwise provide for disposition of a dead human body under the laws of this state to accept any dead human body or provide the use of its business or facility if the actions are reasonable and necessary for emergency management purposes and are within the safety precaution capabilities of the business or facility.

Subd. 2. [IDENTIFICATION OF BODIES; DATA CLASSIFICATION.] (a) A person in charge of the body of a person believed to have died due to a public health declared emergency shall maintain a written record of the body and all available information to identify the decedent, the circumstances of death, and disposition of the body. Pages 19 to 21, delete section 13, and insert:

"Sec. 13. [260C.209] [BACKGROUND CHECKS.]

Subdivision 1. [SUBJECTS.] (a) The responsible social services agency must conduct a background check of the following under this section:

(1) a noncustodial parent or nonadjudicated parent who is being assessed for purposes of providing day-to-day care of a child temporarily or permanently under section 260C.212, subdivision 4, and any member of the parent's household who is over 13 years of age when there is a reasonable cause to believe that the parent or household member over 13 years of age has a criminal history or a history of maltreatment of a child or vulnerable adult which would endanger the child's health, safety, or welfare;

(2) an individual whose suitability for relative placement under section 260C.212, subdivision 5, is being determined, and any member of the relative's household who is over 13 years of age when: (i) the relative must be licensed for foster care; (ii) the agency must conduct a background study under section 259.53, subdivision 2; or (iii) the agency has reasonable cause to believe the relative or household member over 13 years of age has a criminal history which would not make transfer of permanent legal and physical custody to the relative under section 260C.201, subdivision 11, in the child's best interest; and

(3) a parent, following an out-of-home placement, when the responsible social services agency has reasonable cause to believe that the parent has been convicted of a crime directly related to the parent's capacity to maintain the child's health, safety, or welfare or the parent is the subject of an open investigation of, or has been the subject of a substantiated allegation of, child or vulnerable-adult maltreatment within the past ten years.

(b) As used in this subdivision, "reasonable cause" means that the agency has received information or a report from the subject or a third person that creates an articulable suspicion that the individual has a history that may pose a risk to the health, safety, or welfare of the child. The information or report must be specific to the potential subject of the background check and must not be based on the race, religion, ethnic background, age, class, or lifestyle of the potential subject.

Subd. 2. [GENERAL PROCEDURES.] (a) When conducting a background check under subdivision 1, the agency may require the individual being assessed to provide sufficient information to ensure an accurate assessment under this section, including the individual's:

(1) first, middle, and last name and all other names by which the individual has been known;

(2) home address, zip code, city, county, and state of residence for the past ten years;

(3) sex;

(4) date of birth; and

(5) driver's license number or state identification number.

(b) When notified by the responsible social services agency that it is conducting an assessment under this section, the Bureau of Criminal Apprehension, the commissioners of health and human services, law enforcement, and county agencies must provide the responsible social services agency or county attorney with the following information on the individual being assessed: criminal history data, reports about the maltreatment of adults substantiated under section 626.557, and reports of maltreatment of minors substantiated under section 626.556.

Subd. 3. [MULTISTATE INFORMATION.] (a) For any assessment completed under this section, if the responsible social services agency has reasonable cause to believe that the individual is a multistate offender, the individual must provide the responsible social services agency or the county attorney with a set of classifiable fingerprints obtained from an authorized law enforcement agency. The responsible social services agency or county attorney may obtain criminal history data from the National Criminal Records Repository by submitting the fingerprints to the Bureau of Criminal Apprehension.

(b) For purposes of this subdivision, the responsible social services agency has reasonable cause when, but not limited to:

(1) information from the Bureau of Criminal Apprehension indicates that the individual is a multistate offender;

(2) information from the Bureau of Criminal Apprehension indicates that multistate offender status is undetermined;

(3) the social services agency has received a report from the individual or a third party indicating that the individual has a criminal history in a jurisdiction other than Minnesota; or

(4) the individual is or has been a resident of a state other than Minnesota at any time during the prior ten years.

Subd. 4. [NOTICE UPON RECEIPT.] The responsible social services agency must provide the subject of the background study with the results of the study under this section within 15 business days of receipt or at least 15 days prior to the hearing at which the results will be presented, whichever comes first. The subject may provide written information to the agency that the results are incorrect and may provide additional or clarifying information to the agency and to the court through a party to the proceeding. This provision does not apply to any background study conducted under chapters 245A and 245C."

Sec. 16. Minnesota Statutes 2004, section 518.1705, subdivision 4, is amended to read:

Subd. 4. [CUSTODY DESIGNATION.] ~~A final judgment and decree that includes a parenting plan using alternate terms to designate decision-making responsibilities or allocation of residential time between the parents must designate whether the parents have joint legal custody or joint physical custody or which parent has sole legal custody or sole physical custody, or both. This designation is solely for enforcement of the final judgment and decree where this designation is required for that enforcement and has no effect under the laws of this state, any other state, or another country that do not require this designation. If the parenting plan substitutes other terms for legal and physical custody and if a designation of legal and physical custody is necessary for enforcement of the judgment and decree in another jurisdiction, it must be considered solely for that purpose that the parents have joint legal and joint physical custody. Under Minnesota law, a parenting plan does not require a designation of sole or joint, legal or physical custody.~~

ARTICLE 2

STATE GOVERNMENT OPERATIONS

Section 1. [5.31] [STATEWIDE VOTER REGISTRATION SYSTEM.]

The secretary of state may sell intellectual property rights associated with the statewide voter registration system to other states or to units of local government in other states. Receipts from the sale must be deposited in the state treasury and credited to the Help America Vote Act account.

Sec. 2. [6.755] [REPORTS TO THE LEGISLATURE.]

Section 3.195 applies to the state auditor. For purposes of determining whether members or employees of the legislature wish to receive reports or publications prepared by the state auditor, the state auditor may send a brief listing of reports to each member. The state auditor must deliver reports or publications to the legislature electronically whenever it is cost effective.

[EFFECTIVE DATE.] This section is effective the day following final enactment.

Sec. 3. [6.79] [STATE MANDATES.]

A county, town, school district, or statutory or home rule charter city may file a written resolution with the state auditor objecting to a state mandate or making recommendations for reforming a state mandate. The state auditor must list on the state auditor's Web site a list of all state mandates cited in a resolution under this section, and the name of the unit of local government citing the mandate.

Sec. 4. [6.80] [RULE AND LAW WAIVER REQUESTS.]

Subdivision 1. [GENERALLY.] (a) Except as provided in paragraph (b), a local government unit may request the state auditor to grant a waiver from one or more administrative rules or a temporary, limited exemption from enforcement of state procedural laws governing delivery of services by the local government unit. Two or more local government units may submit a joint application for a waiver or exemption under this section if they propose to cooperate in providing a service or program that is subject to the rule or law. Before submitting an application to the state auditor, the governing body of the local government unit must approve, in concept, the proposed waiver or exemption at a meeting required to be public under chapter 13D. A local government unit or two or more units acting jointly may apply for a waiver or exemption on behalf of a nonprofit organization providing services to clients whose costs are paid by the unit or units. A waiver or exemption granted to a nonprofit organization under this section applies to services provided to all the organization's clients.

(b) A school district that is granted a variance from rules of the commissioner of education under section 122A.163, need not apply for a waiver of those rules under this section. A school district may not seek a waiver of rules under this section if the commissioner of education has authority to grant a variance to the rules under section 122A.163. This paragraph does not preclude a school district from being included in a cooperative effort with another local government unit under this section.

(c) Before petitioning the state auditor's office for an exemption from an administrative rule, the petitioner must have requested and been denied such an exemption from the appropriate agency pursuant to sections 14.055 and 14.056.

Subd. 2. [APPLICATION.] A local government unit requesting a waiver of a rule or exemption from enforcement of a law under this section shall present a written application to the state auditor. The application must include:

(1) the name and address of the entity for whom a waiver of a rule or exemption from enforcement of a law is being requested;

(2) identification of the service or program at issue;

(3) identification of the administrative rule or the law imposing a procedural requirement with respect to which the waiver or exemption is sought;

(4) a description of the improved service outcome sought, including an explanation of the effect of the waiver or exemption in accomplishing that outcome, and why that outcome cannot be accomplished under established rules or laws;

(5) information on the state auditor's office treatment on similar cases;

(6) the name, address, and telephone number of any person, business, or other government unit the petitioner knows would be adversely affected by the grant of the petition; and

(7) a signed statement as to the accuracy of the facts presented.

A copy of the application must be provided by the requesting local government unit to the exclusive representative certified under section 179A.12 to represent employees who provide the service or program affected by the requested waiver or exemption.

Subd. 3. [REVIEW PROCESS.] (a) Upon receipt of an application from a local government unit, the state auditor shall review the application. The state auditor shall dismiss an application if the application proposes a waiver of rules or exemption from enforcement of laws that would result in due process violations, violations of federal law or the state or federal constitution, or the loss of services to people who are entitled to them.

(b) The state auditor shall determine whether a law from which an exemption for enforcement is sought is a procedural law, specifying how a local government unit is to achieve an outcome, rather than a substantive law prescribing the outcome or otherwise establishing policy. For the purposes of this section, "procedural law" does not include a statutory notice requirement. In making the determination, the state auditor shall consider whether the law specifies such requirements as:

(1) who must deliver a service;

(2) where the service must be delivered;

(3) to whom and in what form reports regarding the service must be made; and

(4) how long or how often the service must be made available to a given recipient.

(c) If the application requests a waiver of a rule or temporary, limited exemptions from enforcement of a procedural law over which the Metropolitan Council or a metropolitan agency has jurisdiction, the state auditor shall also transmit a copy of the application to the council or applicable metropolitan agency, whichever has jurisdiction, for review and comment. The council or agency shall report its comments to the board within 60 days of the date the application was transmitted to the council or agency. The council or agency may point out any resources or technical assistance it may be able to provide a local government unit submitting a request under this section.

(d) Within 15 days after receipt of the application, the state auditor shall transmit a copy of it to the commissioner of each agency having jurisdiction over a rule or law from which a waiver or exemption is sought. The agency may mail a notice that it has received an application for a waiver or exemption to all persons who have registered with the agency under section 14.14, subdivision 1a, identifying the rule or law from which a waiver or exemption is requested. If no agency has jurisdiction over the rule or law, the state auditor shall transmit a copy of the application to the attorney general. The agency shall inform the state auditor of its agreement with or objection to and grounds for objection to the waiver or exemption request within 60 days of the date when the application was transmitted to it. An agency's failure to do so is considered agreement to the waiver or exemption. The state auditor shall decide whether to grant a waiver or exemption at the end of the 60-day response period. Interested persons may submit written comments to the state auditor on the waiver or exemption request up to the end of the 60-day response period.

(e) If the exclusive representative of the affected employees of the requesting local government unit objects to the waiver or exemption request it may inform the state auditor of the objection to and the grounds for the objection to the waiver or exemption request within 60 days of the receipt of the application.

Subd. 4. [HEARING.] If a state agency under subdivision 3, paragraph (d), or the exclusive representative of the affected employees under subdivision 3, paragraph (e), has objected to a waiver or exemption request, the state auditor's office shall set a date for a hearing on the applications. The hearing must be conducted informally at a time and place determined by all parties. Persons representing the local government unit shall present their case for the waiver or exemption, and persons representing the agency or the exclusive representative of the affected employees shall explain their objection to it. The state auditor may request additional information from the local government unit or either objecting party. The state auditor may also request, either before or at the hearing, information or comments from representatives of business, labor, local governments, state agencies, consultants, and members of the public. If necessary, the hearing may be continued for a later date. The state auditor may modify the terms of the waiver or exemption request in arriving at the agreement required under subdivision 5.

Subd. 5. [CONDITIONS OF AGREEMENTS.] (a) In determining whether to grant a petition for a waiver of a rule or exemption from enforcement of a law, the state auditor should consider the following factors:

(1) whether there is a true and unique impediment under current law to accomplishing the goal of the local government unit;

(2) granting the waiver of a rule or exemption from enforcement of law will only change procedural requirements of a local government unit;

(3) the purpose of any rule or law that is waived is still being met in another manner;

(4) granting the proposed waiver of a rule or exemption from enforcement of a law would result in a more efficient means of providing government services; and

(5) granting the proposed waiver will not have a significant negative impact on other state government, local government units, businesses, or citizens.

(b) If the state auditor grants a request for a waiver or exemption, the state auditor and the local government unit shall enter into an agreement providing for the delivery of the service or program that is the subject of the application. The agreement must specify desired outcomes, the reasons why the desired outcomes cannot be met under current laws or rules, and the means of measurement by which the state auditor will determine whether the outcomes specified in the agreement have been met. The agreement must specify the duration of the waiver or exemption. The duration of a waiver from an administrative rule may be for no less than two years and no more than four years, subject to renewal if both parties agree. An exemption from enforcement of a law terminates ten days after adjournment of the regular legislative session held during the calendar year following the year when the exemption is granted, unless the legislature has acted to extend or make permanent the exemption.

(c) The state auditor must report any grants of waivers or exemptions to the legislature, including the chairs of the governmental operations and appropriate policy committees in the house and senate, and the governor within 30 days.

(d) The state auditor may reconsider or renegotiate the agreement if the rule or law affected by the waiver or exemption is amended or repealed during the term of the original agreement. A waiver of a rule under this section has the effect of a variance granted by an agency under section 14.055. A local unit of government that is granted an exemption from enforcement of a procedural requirement in state law under this section is exempt from that law for the duration of the exemption. The state auditor may require periodic reports from the local government unit, or conduct investigations of the service or program.

Subd. 6. [ENFORCEMENT.] If the state auditor finds that the local government unit is failing to comply with the terms of the agreement under subdivision 5, the state auditor may rescind the agreement. Upon the rescission, the local unit of government becomes subject to the rules and laws covered by the agreement.

Subd. 7. [ACCESS TO DATA.] If a local government unit, through a cooperative program under this section, gains access to data collected, created, received, or maintained by another local government that is classified as not public, the unit gaining access is governed by the same restrictions on access to and use of the data as the unit that collected, created, received, or maintained the data.

Sec. 5. [8.065] [PRIVATE ATTORNEY CONTRACTS.]

The attorney general may not enter into a contract for legal services in which the fees and expenses paid by the state exceed, or can reasonably be expected to exceed, \$1,000,000 unless the attorney general first submits the proposed contract to the Legislative Advisory Commission, and waits at least 20 days to receive a possible recommendation from the commission.

Sec. 6. [10.60] [PUBLIC WEB SITES AND PUBLICATIONS.]

Subdivision 1. [DEFINITIONS.] For purposes of this section:

(1) "political subdivision" means a county, statutory or home rule charter city, town, school district, or other municipal corporation, and the Metropolitan Council and a metropolitan or regional agency;

Subd. 3. [PROHIBITIONS.] (a) A Web site or publication must not include pictures or other materials that tend to attribute the Web site or publication to an individual or group of individuals instead of to a public office, state agency, or political subdivision. A publication must not include the words "with the compliments of" or contain letters of personal greeting that promote an elected or appointed official of a state agency or political subdivision.

(b) A Web site may not contain a link to a Weblog or site maintained by a candidate, a political committee, a political party or party unit, a principal campaign committee, or a state committee. Terms used in this paragraph have the meanings given them in chapter 10A, except that "candidate" also includes a candidate for an elected office of a political subdivision.

Subd. 4. [PERMITTED MATERIAL.] (a) Material specified in this subdivision may be included on a Web site or in a publication, but only if the material complies with subdivision 2. This subdivision is not a comprehensive list of material that may be contained on a Web site or in a publication, if the material complies with subdivision 2.

(b) A Web site or publication may include biographical information about an elected or appointed official, a single official photograph of the official, and photographs of the official performing functions related to the office. (c) A Web site or publication may include press releases, proposals, policy positions, and other information directly related to the legal functions, duties, and jurisdiction of a public official or organization.

Subd. 5. [OTHER STANDARDS.] This section does not prohibit a state agency or political subdivision from adopting more restrictive standards for the content of a Web site or publication maintained by the agency or political subdivision.

(1) venture capital investment businesses through participation in limited partnerships, trusts, private placements, limited liability corporations, limited liability companies, limited liability partnerships, and corporations;

(3) state board participation in an investment vehicle is limited to 20 percent thereof for investments made under paragraph (a), clause (1), (2), (3), or (4); and

(4) state board participation in a limited partnership does not include a general partnership interest or other interest involving general liability. The state board may not engage in any activity as a limited partner which creates general liability.

(c) All financial, business, or proprietary data collected, created, received, or maintained by the state board in connection with investments authorized by paragraph (a), clause (1), (2), or (4), are nonpublic data under section 13.02, subdivision 9. As used in this paragraph, "financial, business, or proprietary data" means data, as determined by the responsible authority for the state board, that is of a financial, business, or proprietary nature, the release of which could cause competitive harm to the state board, the legal entity in which the state board has invested or has considered an investment, the managing entity of an investment, or a portfolio company in which the legal entity holds an interest. As used in this section, "business data" is data described in section 13.591, subdivision 1. Regardless of whether they could be considered financial, business, or proprietary data, the following data received, prepared, used, or retained by the state board in connection with investments authorized by paragraph (a), clause (1), (2), or (4), are public at all times:

Sec. 8. Minnesota Statutes 2004, section 13.635, is amended by adding a subdivision to read:

Subd. 1a. [STATE BOARD OF INVESTMENT.] Certain government data of the State Board of Investment related to investments are classified under section 11A.24, subdivision 6.

Sec. 9. [14.127] [LEGISLATIVE APPROVAL REQUIRED.]

For purposes of this section, "business" means a business entity organized for profit or as a nonprofit, and includes an individual, partnership, corporation, joint venture, association, or cooperative.

Subd. 2. [AGENCY DETERMINATION.] An agency must make the determination required by subdivision 1 before the close of the hearing record, or before the agency submits the record to the administrative law judge if there is no hearing. The administrative law judge must review and approve or disapprove the agency determination under this section.

Subd. 3. [LEGISLATIVE APPROVAL REQUIRED.] If the agency determines that the cost exceeds the threshold in subdivision 1, or if the administrative law judge disapproves the agency's determination that the cost does not exceed the threshold in subdivision 1, any business that has less than 50 full-time employees or any statutory or home rule charter city that has less than ten full-time employees may file a written statement with the agency claiming a temporary exemption from the rules. Upon filing of such a statement with the agency, the rules do not apply to that business or that city until the rules are approved by a law enacted after the agency determination or administrative law judge disapproval.

Subd. 4. [EXCEPTIONS.] (a) Subdivision 3 does not apply if the administrative law judge approves an agency's determination that the legislature has appropriated money to sufficiently fund the expected cost of the rule upon the business or city proposed to be regulated by the rule.

(b) Subdivision 3 does not apply if the administrative law judge approves an agency's determination that the rule has been proposed pursuant to a specific federal statutory or regulatory mandate.

(c) This section does not apply if the rule is adopted under section 14.388 or under another law specifying that the rulemaking procedures of this chapter do not apply.

(d) This section does not apply to a rule adopted by the Public Utilities Commission.

(e) Subdivision 3 does not apply if the governor waives application of subdivision 3. The governor may issue a waiver at any time, either before or after the rule would take effect, but for the requirement of legislative approval. As soon as possible after issuing a waiver under this paragraph, the governor must send notice of the waiver to the speaker of the house of representatives and the president of the senate and must publish notice of this determination in the State Register.

Subd. 5. [SEVERABILITY.] If an administrative law judge determines that part of a proposed rule exceeds the threshold specified in subdivision 1, but that a severable portion of a proposed rule does not exceed the threshold in subdivision 1, the administrative law judge may provide that the severable portion of the rule that does not exceed the threshold may take effect without legislative approval.

[EFFECTIVE DATE.] This section is effective July 1, 2005. This section applies to any rule for which the hearing record has not closed before July 1, 2005, or, if there is no public hearing, for which the agency has not submitted the record to the administrative law judge before that date.

Sec. 10. Minnesota Statutes 2004, section 14.19, is amended to read:

14.19 [DEADLINE TO COMPLETE RULEMAKING.]

Within 180 days after issuance of the administrative law judge's report or that of the chief administrative law judge, the agency shall submit its notice of adoption, amendment, or repeal to the State Register for publication. If the agency has not submitted its notice to the State Register within 180 days, the rule is automatically withdrawn. The agency may not adopt the withdrawn rules without again following the procedures of sections 14.05 to 14.28, with the exception of section 14.101, if the noncompliance is approved by the chief administrative law judge. The agency shall report to the Legislative Coordinating Commission, other appropriate committees of the legislature, and the governor its failure to adopt rules and the reasons for that failure. The 180-day time limit of this section does not include:

(1) any days used for review by the chief administrative law judge or the commission if the review is required by law; ~~or~~

(2) days during which the rule cannot be adopted, because of votes by legislative committees under section 14.126; or

(3) days during which the rule cannot be adopted because approval of the legislature is required under section 14.127.

Sec. 11. Minnesota Statutes 2004, section 15.054, is amended to read:

15.054 [PUBLIC EMPLOYEES NOT TO PURCHASE MERCHANDISE FROM GOVERNMENTAL AGENCIES; EXCEPTIONS; PENALTY.]

No officer or employee of the state or any of its political subdivisions shall sell or procure for sale or possess or control for sale to any other officer or employee of the state or subdivision, as appropriate, any property or materials owned by the state or subdivision except pursuant to conditions provided in this section. Property or materials owned by the state or a subdivision and not needed for public purposes, may be sold to an employee of the state or subdivision after reasonable public notice at a public auction or by sealed response, if the employee is not directly involved in the auction or process pertaining to the administration and collection of sealed responses. Requirements for reasonable public notice may be prescribed by other law or ordinance so long as at least one week's published notice is specified. An employee of the state or a political subdivision may purchase no more than one motor vehicle from the state ~~in any 12-month period at any one auction~~. A person violating the provisions of this section is guilty of a misdemeanor. This section shall not apply to the sale of property or materials acquired or produced by the state or subdivision for sale to the general public in the ordinary course of business. Nothing in this section shall prohibit an employee of the state or a political subdivision from selling or possessing for sale public property if the sale or possession for sale is in the ordinary course of business or normal course of the employee's duties.

Sec. 12. [15.60] [PUBLIC SAFETY OFFICERS; AMERICAN FLAG.]

(a) A public employer may not forbid a peace officer or firefighter from wearing a patch or pin depicting the flag of the United States of America on the employee's uniform, according to customary and standard flag etiquette. However, a public employer may limit the size of a flag patch worn on a uniform to no more than three inches by five inches.

(b) For purposes of this section:

(1) "peace officer" has the meaning given in section 626.84, subdivision 1, paragraph (c) or (f);

(2) "firefighter" means a person as defined in section 299A.41, subdivision 4, clause (3) or (4); and

(3) "public employer" has the meaning given in section 179A.03, subdivision 15, and also includes a municipal fire department and an independent nonprofit firefighting corporation.

(c) A peace officer or firefighter who believes a public employer is violating this section may request the attorney general to issue an opinion on the issue. Upon request, the attorney general must issue a written opinion, which is binding, unless a court makes a contrary decision. If after issuing an opinion, the attorney general determines that a public employer continues to violate this section, the attorney general may bring an action in district court to compel compliance.

Sec. 13. Minnesota Statutes 2004, section 16A.103, is amended by adding a subdivision to read:

Subd. 4. [REPORT ON EXPENDITURE INCREASES.] By January 10 of an odd-numbered year, the commissioner of finance must report on those programs or components of programs for which expenditures for the next biennium according to the forecast issued the previous November are projected to increase more than 15 percent over the expenditures for that program in the current biennium. The report must include an analysis of the factors that are causing the increases in expenditures.

Sec. 14. Minnesota Statutes 2004, section 16A.1286, subdivision 3, is amended to read:

Subd. 3. [APPROPRIATION.] Money transferred into the account is appropriated to the commissioner to pay for statewide systems services ~~during the biennium in which it is appropriated.~~

Sec. 15. Minnesota Statutes 2004, section 16A.151, subdivision 2, is amended to read:

Subd. 2. [EXCEPTIONS.] (a) If a state official litigates or settles a matter on behalf of specific injured persons or entities, this section does not prohibit distribution of money to the specific injured persons or entities on whose behalf the litigation or settlement efforts were initiated. If money recovered on behalf of injured persons or entities cannot reasonably be distributed to those persons or entities because they cannot readily be located or identified or because the cost of distributing the money would outweigh the benefit to the persons or entities, the money must be paid into the general fund.

(b) Money recovered on behalf of a fund in the state treasury other than the general fund may be deposited in that fund.

(c) This section does not prohibit a state official from distributing money to a person or entity other than the state in litigation or potential litigation in which the state is a defendant or potential defendant.

(d) State agencies may accept funds as directed by a federal court for any restitution or monetary penalty under United States Code, title 18, section 3663(a)(3) or United States Code, title 18, section 3663A(a)(3). Funds received must be deposited in a special revenue account and are appropriated to the commissioner of the agency for the purpose as directed by the federal court.

(e) Subdivision 1 does not apply to a recovery or settlement of less than \$750,000.

Sec. 16. Minnesota Statutes 2004, section 16A.152, subdivision 2, is amended to read:

Subd. 2. [ADDITIONAL REVENUES; PRIORITY.] (a) If on the basis of a forecast of general fund revenues and expenditures, the commissioner of finance determines that there will be a positive unrestricted budgetary general fund balance at the close of the biennium, the commissioner of finance must allocate money to the following accounts and purposes in priority order:

(1) the cash flow account established in subdivision 1 until that account reaches \$350,000,000;

(2) the budget reserve account established in subdivision 1a until that account reaches \$653,000,000;

(3) the amount necessary to increase the aid payment schedule for school district aids and credits payments in section 127A.45 to not more than 90 percent rounded to the nearest tenth of a percent without exceeding the amount available and with any remaining funds deposited in the budget reserve; and

(4) the amount necessary to restore all or a portion of the net aid reductions under section 127A.441 and to reduce the property tax revenue recognition shift under section 123B.75, subdivision 5, paragraph (c), and Laws 2003, First Special Session chapter 9, article 5, section 34, as amended by Laws 2003, First Special Session chapter 23, section 20, by the same amount.

(b) The amounts necessary to meet the requirements of this section are appropriated from the general fund within two weeks after the forecast is released or, in the case of transfers under paragraph (a), clauses (3) and (4), as necessary to meet the appropriations schedules otherwise established in statute.

(c) To the extent that a positive unrestricted budgetary general fund balance is projected, appropriations under this section must be made before ~~any transfer is made under~~ section 16A.1522 takes effect.

(d) The commissioner of finance shall certify the total dollar amount of the reductions under paragraph (a), clauses (3) and (4), to the commissioner of education. The commissioner of education shall increase the aid payment percentage and reduce the property tax shift percentage by these amounts and apply those reductions to the current fiscal year and thereafter.

Sec. 17. Minnesota Statutes 2004, section 16A.1522, subdivision 1, is amended to read:

Subdivision 1. [FORECAST.] If, on the basis of a forecast of general fund revenues and expenditures in November of an even-numbered year or February of an odd-numbered year, the commissioner projects a positive unrestricted budgetary general fund balance at the close of the biennium that exceeds one-half of one percent of total general fund biennial revenues, the commissioner shall designate the entire balance as available for rebate to the taxpayers of this state. ~~In forecasting, projecting, or designating the unrestricted budgetary general fund balance or general fund biennial revenue under this section, the commissioner shall not include any balance or revenue attributable to settlement payments received after July 1, 1998, and before July 1, 2001, as defined in Section 11B of the settlement document, filed May 18, 1998, in State v. Philip Morris, Inc., No. C1-94-8565 (Minnesota District Court, Second Judicial District).~~

Sec. 18. Minnesota Statutes 2004, section 16A.281, is amended to read:

16A.281 [APPROPRIATIONS TO LEGISLATURE.]

Except as provided in this section, section 16A.28 applies to appropriations made to the legislature, the senate, the house of representatives, or its committees or commissions. An appropriation made to the legislature, the senate, the house of representatives, or a legislative commission or committee other than a standing committee, if not spent

during the first year, may be spent during the second year of a biennium. An unexpended balance not carried forward and remaining unexpended and unencumbered at the end of a biennium lapses and shall be returned to the fund from which appropriated. Balances may be carried forward into the next biennium and credited to special accounts to be used only as follows: (1) for nonrecurring expenditures on investments that enhance efficiency or improve effectiveness; (2) to pay expenses associated with ~~special~~ sessions, interim activities, public hearings, or other public outreach efforts and related activities; and (3) to pay severance costs of involuntary terminations. The approval of the commissioner of finance under section 16A.28, subdivision 2, does not apply to the legislature. An appropriation made to the legislature, the senate, the house of representatives, or a standing committee for all or part of a biennium may be spent in either year of the biennium.

Sec. 19. [16B.296] [TRANSFER OF REAL PROPERTY.]

Notwithstanding any law to the contrary, real property purchased in whole or in part with state funds may not be transferred for less than the appraised value, or if the property has not been appraised, for less than the fair market value as determined by the commissioner of administration. This section does not apply to a department listed in section 15.01, the Minnesota State Colleges and Universities, the University of Minnesota, or a political subdivision of the state.

Sec. 20. Minnesota Statutes 2004, section 16B.33, subdivision 4, is amended to read:

Subd. 4. [DESIGNER SELECTION PROCESS.] (a) [PUBLICITY.] Upon receipt of a request from a user agency for a primary designer, the board shall publicize the proposed project in order to determine the identity of designers interested in the design work on the project. The board shall establish criteria for the selection process and make this information public, and shall compile data on and conduct interviews of designers. The board's selection criteria must include consideration of each interested designer's performance on previous projects for the state or any other person. Upon completing the process, the board shall select the primary designer and shall state its reasons in writing. If the board's vote for the selection of a primary designer results in a tie vote, the nonvoting member appointed under subdivision 2, paragraph (b), must vote for the selection of the primary designer. Notification to the commissioner of the selection shall be made not more than 60 days after receipt from a user agency of a request for a primary designer. The commissioner shall promptly notify the designer and the user agency. The commissioner shall negotiate the designer's fee and prepare the contract to be entered into between the designer and the user agency.

(b) [CONFLICT OF INTEREST.] A board member may not participate in the review, discussion, or selection of a designer or firm in which the member has a financial interest.

(c) [SELECTION BY COMMISSIONER.] In the event the board receives a request for a primary designer on a project, the estimated cost of which is less than the limit established by subdivision 3, or a planning project with estimated fees of less than the limit established by subdivision 3, the board may submit the request to the commissioner of administration, with or without recommendations, and the commissioner shall thereupon select the primary designer for the project.

(d) [SECOND SELECTION.] If the designer selected for a project declines the appointment or is unable to reach agreement with the commissioner on the fee or the terms of the contract, the commissioner shall, within 60 days after the first appointment, request the board to make another selection.

(e) [SIXTY DAYS TO SELECT.] If the board fails to make a selection and forward its recommendation to the commissioner within 60 days of the user agency's request for a designer, the commissioner may appoint a designer to the project without the recommendation of the board.

(f) [LESS THAN SATISFACTORY PERFORMANCE.] The commissioner, or the University of Minnesota and the Minnesota State Colleges and Universities for projects under their supervision, shall forward to the board a written report describing each instance in which the performance of a designer selected by the board or the commissioner has been less than satisfactory. Criteria for determining satisfaction include the ability of the designer to complete design work on time, to provide a design responsive to program needs within the constraints of the budget, to solve design problems and achieve a design consistent with the proposed function of the building, to avoid costly design errors or omissions, and to observe the construction work. These reports are public data and are available for inspection under section 13.03.

Sec. 21. [16C.064] [COST-BENEFIT ANALYSIS.]

(a) The commissioner or an agency official to whom the commissioner has delegated duties under section 16C.03, subdivision 16, may not approve a contract or purchase of goods or services in an amount greater than \$50,000,000 unless a cost-benefit analysis has been completed and shows a positive benefit to the public. The Management Analysis Division must perform or direct the performance of the analysis. Money appropriated for the contract or purchase must be used to pay for the analysis. A cost-benefit analysis must be performed for a project if an aggregation of contracts or purchases for a project exceeds \$50,000,000.

(b) All cost-benefit analysis documents under this section, including preliminary drafts and notes, are public data.

(c) If a cost-benefit analysis does not show a positive benefit to the public, the governor may approve a contract or purchase of goods or services if a cost-effectiveness study had been done that shows the proposed project is the most effective way to provide a necessary public good.

(d) This section applies to contracts for goods or services that are expected to have a useful life of more than three years. This section does not apply for purchase of goods or services for response to a natural disaster if an emergency has been declared by the governor. This section does not apply to contracts involving the Minnesota state colleges and universities, state buildings, or state highways.

(e) This section is repealed effective July 1, 2008.

Subd. 3. [CONDITIONS.] Forward pricing mechanism transactions must be made only under the following conditions:

(1) the quantity of energy affected by the forward pricing mechanism must not exceed 90 percent of the estimated energy use for the state agency for the same period, which shall not exceed 24 months; and

(2) a separate account must be established for each state agency using a forward pricing mechanism.

Subd. 4. [WRITTEN POLICIES AND PROCEDURES.] Before exercising the authority under this section, the commissioner must develop written policies and procedures governing the use of forward pricing mechanisms.

Sec. 2. [43A.346] [POSTRETIREMENT OPTION.]

Subdivision 1. Subd. 2. [ELIGIBILITY.] This section applies to a state or Metropolitan Council employee who:

(4) agrees to accept a postretirement option position with the same or a different appointing authority, working a reduced schedule that is both (i) a reduction of at least 25 percent from the employee's number of regularly scheduled work hours; and (ii) 1,044 hours or less in state or Metropolitan Council service.

Subd. 3. [UNCLASSIFIED SERVICE.] Notwithstanding any law to the contrary, state postretirement option positions shall be in the unclassified service but shall not be covered by the Minnesota State Retirement System unclassified employees plan.

Subd. 4. [ANNUITY REDUCTION NOT APPLICABLE.] Notwithstanding any law to the contrary, when an eligible state employee in a postretirement option position under this section commences receipt of the annuity, the provisions of section 352.115, subdivision 10, or 353.37 governing annuities of reemployed annuitants, shall not apply for the duration of employment in the position.

Subd. 5. [APPOINTING AUTHORITY DISCRETION.] The appointing authority has sole discretion to determine if and the extent to which a postretirement option position under this section is available to a state employee. Any offer of such a position must be made in writing to the employee by the appointing authority on a form prescribed by the Department of Employee Relations and the Minnesota State Retirement System or the Public Employees Retirement Association. The appointing authority may not require a person to waive any rights under a collective bargaining agreement or unrepresented employee compensation plan as a condition of participation.

Subd. 6. [DURATION.] Postretirement option employment shall be for an initial period not to exceed one year. During that period, the appointing authority may not modify the conditions specified in the written offer without the employee's agreement, except as required by law or by the collective bargaining agreement or compensation plan applicable to the employee. At the end of the initial period, the appointing authority has sole discretion to determine if the offer of a postretirement option position will be renewed, renewed with modifications, or terminated. Postretirement option employment may be renewed for periods of up to one year, not to exceed a total duration of five years. No person shall be employed in one or a combination of postretirement option positions under this section for a total of more than five years.

Subd. 7. [COPY TO FUND.] The appointing authority shall provide the Minnesota State Retirement System or the Public Employees Retirement Association with a copy of the offer, the employee's acceptance of the terms, and any subsequent renewal agreement.

Subd. 8. [NO SERVICE CREDIT.] Notwithstanding any law to the contrary, a person may not earn service credit in the Minnesota State Retirement System or the Public Employees Retirement Association for employment covered under this section, and employer contributions and payroll deductions for the retirement fund must not be made based on earnings of a person working under this section. No change shall be made to a monthly annuity or retirement allowance based on employment under this section.

Subd. 9. [INSURANCE CONTRIBUTION.] Notwithstanding any law to the contrary, the appointing authority must make an employer insurance contribution for a person who is employed in a postretirement option position under this section and who is not receiving any other state-paid or Metropolitan Council-paid employer insurance contribution. The amount of the contribution must be equal to the percent time worked in the postretirement option position (hours scheduled to be worked annually divided by 2,088) times 1.5 times the full employer contribution for employee-only health and dental coverage. The appointing authority must contribute that amount to a health reimbursement arrangement.

Subd. 10. [SUBSEQUENT EMPLOYMENT.] If a person has been in a postretirement option position and accepts any other position in state or Metropolitan Council-paid service, in the subsequent state or Metropolitan Council-paid employment the person may not earn service credit in the Minnesota State Retirement System or Public Employees Retirement Association, no employer contributions or payroll deductions for the retirement fund shall be made, and the provisions of section 352.115, subdivision 10, or section 353.37, shall apply.

Sec. 3. [VOLUNTARY HOUR REDUCTION PLAN.]

(a) This section applies to a state employee who:

(1) on the effective date of this section is regularly scheduled to work 1,044 or more hours a year in a position covered by a pension plan administered by the Minnesota state retirement system; and

(2) enters into an agreement with the appointing authority to work a reduced schedule of 1,044 hours or less in the covered position.

(b) Notwithstanding any law to the contrary, for service under an agreement entered into under paragraph (a), contributions may be made to the applicable plan of the Minnesota state retirement system as if the employee had not reduced hours. The employee must pay the additional employee contributions and the employer must pay the additional employer contributions necessary to bring the service credit and salary up to the level prior to the voluntary reduction in hours. Contributions must be made in a time and manner prescribed by the executive director of the Minnesota state retirement system.

(c) The amount of hours worked, the work schedule, and the duration of the voluntary hour reduction must be mutually agreed to by the employee and the appointing authority. The appointing authority may not require a person to waive any rights under a collective bargaining agreement as a condition of participation under this section. The appointing authority has sole discretion to determine if and the extent to which voluntary hour reduction under this section is available to an employee.

(d) A person who works under this section is a member of the appropriate bargaining unit; is covered by the appropriate collective bargaining contract or compensation plan; and is eligible for health care coverage as provided in the collective bargaining contract or compensation plan.

(e) An agreement under this section may apply only to work through June 30, 2007.

Sec. 4. [VOLUNTARY UNPAID LEAVE OF ABSENCE.]

(a) Appointing authorities in state government may allow each employee to take unpaid leaves of absence for up to 1,040 hours between July 1, 2005, and June 30, 2007. Each appointing authority approving such a leave shall allow the employee to continue accruing vacation and sick leave, be eligible for paid holidays and insurance benefits, accrue seniority, and, if payments are made under paragraph (b), accrue service credit and credited salary in the state retirement plans as if the employee had actually been employed during the time of leave. An employee covered by the unclassified plan may voluntarily make the employee contributions to the unclassified plan during the leave of absence. If the employee makes these contributions, the appointing authority must make the employer contribution. If the leave of absence is for one full pay period or longer, any holiday pay shall be included in the first payroll warrant after return from the leave of absence. The appointing authority shall attempt to grant requests for the unpaid leaves of absence consistent with the need to continue efficient operation of the agency. However, each appointing authority shall retain discretion to grant or refuse to grant requests for leaves of absence and to schedule and cancel leaves, subject to the applicable provisions of collective bargaining agreements and compensation plans.

(b) To receive eligible service credit and credited salary in a defined benefit plan, the member shall pay an amount equal to the applicable employee contribution rates. If an employee pays the employee contribution for the period of the leave under this section, the appointing authority must pay the employer contribution. The appointing authority may, at its discretion, pay the employee contributions. Contributions must be made in a time and manner prescribed by the executive director of the applicable pension plan.

[EFFECTIVE DATE.] This section is effective the day following final enactment.

Sec. 2. Minnesota Statutes 2004, section 192.19, is amended to read:

192.19 [RETIRED MEMBERS MAY BE ORDERED TO ACTIVE DUTY.]

The commander-in-chief or the adjutant general may assign officers, warrant officers, and enlisted personnel on the retired list, with their consent, to temporary active service in recruiting, upon courts-martial, courts of inquiry and boards, to staff duty not involving service with troops, or in charge of a military reservation left temporarily without officers. Such personnel while so assigned shall receive the full pay and allowances of their grades at time of retirement, except that the commander-in-chief or the adjutant general may authorize pay and allowances in a higher grade when it is considered appropriate based on special skills or experience of the person being assigned to temporary active service.

Sec. 3. Minnesota Statutes 2004, section 192.261, subdivision 2, is amended to read:

Subd. 2. [REINSTATEMENT.] Except as otherwise hereinafter provided, upon the completion of such service such officer or employee shall be reinstated in the public position, which was held at the time of entry into such service, or a public position of like seniority, status, and pay if such is available at the same salary which the officer or employee would have received if the leave had not been taken, upon the following conditions: (1) that the position has not been abolished or that the term thereof, if limited, has not expired; (2) that the officer or employee is not physically or mentally disabled from performing the duties of such position; (3) that the officer or employee makes written application for reinstatement to the appointing authority within 90 days after termination of such service, or 90 days after discharge from hospitalization or medical treatment which immediately follows the termination of, and results from, such service; provided such application shall be made within one year and 90 days after termination of such service notwithstanding such hospitalization or medical treatment; (4) that the officer or employee submits an honorable discharge or other form of release by proper authority indicating that the officer's or employee's military or naval service was satisfactory. [EFFECTIVE DATE.] This section is effective the day following final enactment and applies to any public officer or public employee serving in active military service on or after September 11, 2001.

This payment may be made only to a person whose basic active duty military salary is less than the salary the person would be paid as an active political subdivision employee. (b) Subject to the limits under paragraph (g), each school district shall pay to each eligible member of the National Guard or other reserve component of the armed forces of the United States an amount equal to the difference between the member's basic active duty military salary and the salary the member would be paid as an active school district employee, including any adjustments the member would have received if not on leave of absence. The pay differential must be based on a comparison between the member's daily rate of active duty pay, calculated by dividing the member's military monthly salary by the number of paid days in the month, and the member's daily rate of pay for the member's school district salary, calculated by dividing the member's total school district salary by the number of contract days. The member's salary as a school district employee must include the member's basic salary and any additional salary the member earns from the school district for cocurricular activities. (e) A school district must continue the employee's enrollment in health and dental coverage, and the employer contribution toward that coverage, until the employee is covered by health and dental coverage provided by the armed forces. If the employee had elected dependent coverage for health or dental coverage as of the time that the

employee reported for active service, a school district must offer the employee the option to continue the dependent coverage at the employee's own expense. A school district must permit the employee to continue participating in any pretax account in which the employee participated when the employee reported for active service, to the extent of employee pay available for that purpose.

(f) For purposes of this section, "active service" has the meaning given in section 190.05, subdivision 5, but excludes service performed exclusively for purposes of:

- (1) basic combat training, advanced individual training, annual training, and periodic inactive duty training;
- (2) special training periodically made available to reserve members; and
- (3) service performed in accordance with section 190.08, subdivision 3.

(g) A school district making payments under paragraph (b) shall place a sum equal to any difference between the amount of salary that would have been paid to the employee who is receiving the payments and the amount of salary being paid to substitutes for that employee into a special fund that must be used to pay or partially pay the deployed employee's payments under paragraph (b). (b) Ongoing absentee voter status ends on:

(2) the voter's death;

Sec. 24. Minnesota Statutes 2004, section 203B.07, subdivision 2, is amended to read:

Subd. 2. [DESIGN OF ENVELOPES.] The return envelope shall be of sufficient size to conveniently enclose and contain the ballot envelope and a voter registration card folded along its perforations. The return envelope shall be designed to open on the left-hand end. Notwithstanding any rule to the contrary, the return envelope must be designed in one of the following ways:

(1) it must be of sufficient size to contain an additional envelope that when sealed, conceals the signature, identification, and other information; or

(2) it must provide an additional flap that when sealed, conceals the signature, identification, and other information. Election officials may open the flap or the additional envelope at any time after receiving the returned ballot to inspect the returned certificate for completeness or to ascertain other information. A certificate of eligibility to vote by absentee ballot shall be printed on the ~~right hand three-fourths of the~~ back of the envelope. The certificate shall contain a statement to be signed and sworn by the voter indicating that the voter meets all of the requirements established by law for voting by absentee ballot. The certificate shall also contain a statement signed by a person who is registered to vote in Minnesota or by a notary public or other individual authorized to administer oaths stating that:

- (a) the ballots were displayed to that individual unmarked;
- (b) the voter marked the ballots in that individual's presence without showing how they were marked, or, if the voter was physically unable to mark them, that the voter directed another individual to mark them; and
- (c) if the voter was not previously registered, the voter has provided proof of residence as required by section 201.061, subdivision 3.

The county auditor or municipal clerk shall affix first class postage to the return envelopes.

Sec. 25. Minnesota Statutes 2004, section 203B.11, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] Each full-time municipal clerk or school district clerk who has authority under section 203B.05 to administer absentee voting laws shall designate election judges to deliver absentee ballots in accordance with this section. The county auditor ~~may~~ must also designate election judges to perform the duties in this section. A ballot may be delivered only to an eligible voter who is a temporary or permanent resident or patient in a health care facility or hospital located in the municipality in which the voter maintains residence. The ballots shall be delivered by two election judges, each of whom is affiliated with a different major political party. When the election judges deliver or return ballots as provided in this section, they shall travel together in the same vehicle. Both election judges shall be present when an applicant completes the certificate of eligibility and marks the absentee ballots, and may assist an applicant as provided in section 204C.15. The election judges shall deposit the return envelopes containing the marked absentee ballots in a sealed container and return them to the clerk on the same day that they are delivered and marked.

Sec. 26. Minnesota Statutes 2004, section 203B.12, subdivision 2, is amended to read:

Subd. 2. [EXAMINATION OF RETURN ENVELOPES.] Two or more election judges shall examine each return envelope and shall mark it accepted or rejected in the manner provided in this subdivision. The election judges shall mark the return envelope "Accepted" and initial or sign the return envelope below the word "Accepted" if the election judges or a majority of them are satisfied that:

- (1) the voter's name and address on the return envelope are the same as the information provided on the absentee ballot application;
- (2) the voter's signature on the return envelope is the genuine signature of the individual who made the application for ballots and the certificate has been completed as prescribed in the directions for casting an absentee ballot, except that if a person other than the voter applied for the absentee ballot under applicable Minnesota Rules, the signature is not required to match;
- (3) the voter is registered and eligible to vote in the precinct or has included a properly completed voter registration application in the return envelope; and
- (4) the voter has not already voted at that election, either in person or by absentee ballot.

There is no other reason for rejecting an absentee ballot. In particular, failure to place the envelope within the security envelope before placing it in the outer white envelope is not a reason to reject an absentee ballot.

The return envelope from accepted ballots must be preserved and returned to the county auditor.

If all or a majority of the election judges examining return envelopes find that an absent voter has failed to meet one of the requirements prescribed in clauses (1) to (4), they shall mark the return envelope "Rejected," initial or sign it below the word "Rejected," and return it to the county auditor.

Sec. 27. Minnesota Statutes 2004, section 203B.20, is amended to read:

203B.20 [CHALLENGES.]

The county auditor or municipal clerk shall not be required to serve a copy of the petition and notice of hearing on the challenged voter. If the absentee ballot application was submitted on behalf of a voter by an individual authorized under section 203B.17, subdivision 1, paragraph (a), the county auditor must attempt to notify the individual who submitted the application of the challenge. The county auditor may contact other registered voters to request information that may resolve any discrepancies appearing in the application. All reasonable doubt shall be resolved in favor of the validity of the application. If the voter's challenge is affirmed, the county auditor shall provide the challenged voter with a copy of the petition and the decision and shall inform the voter of the right to appeal as provided in section 201.195.

Sec. 28. Minnesota Statutes 2004, section 203B.21, subdivision 1, is amended to read:

Subdivision 1. [FORM.] Absentee ballots under sections 203B.16 to 203B.27 shall conform to the requirements of the Minnesota Election Law, except that modifications in the size or form of ballots or envelopes may be made if necessary to satisfy the requirements of the United States postal service. The return envelope must be designed in one of the following ways:

(1) it must be of sufficient size to contain an additional envelope that when sealed, conceals the signature, identification, and other information; or

(2) it must provide an additional flap that when sealed, conceals the signature, identification, and other information.

The flap or the additional envelope must be perforated to permit election officials to inspect the returned certificate for completeness or to ascertain other information at any time after receiving the returned ballot without opening the return envelope.

Sec. 29. Minnesota Statutes 2004, section 203B.21, subdivision 3, is amended to read:

Subd. 3. [BACK OF RETURN ENVELOPE.] On the back of the return envelope an affidavit form shall appear with space for:

(a) The voter's address of present or former residence in Minnesota;

(b) A statement indicating the category described in section 203B.16 to which the voter belongs;

(c) A statement that the voter has not cast and will not cast another absentee ballot in the same election or elections;

(d) A statement that the voter personally marked the ballots without showing them to anyone, or if physically unable to mark them, that the voter directed another individual to mark them; and

The affidavit shall also contain a signed and dated oath in the form required by section 705 of the Help America Vote Act, Public Law 107-252, which must read:

"I swear or affirm, under penalty of perjury, that:

I am a member of the uniformed services or merchant marine on active duty or an eligible spouse or dependent of such a member; a United States citizen temporarily residing outside the United States; or other United States citizen residing outside the United States; and I am a United States citizen, at least 18 years of age (or will be by the date of the election), and I am eligible to vote in the requested jurisdiction; I have not been convicted of a felony, or other disqualifying offense, or been adjudicated mentally incompetent, or, if so, my voting rights have been reinstated; and I am not registering, requesting a ballot, or voting in any other jurisdiction in the United States except the jurisdiction cited in this voting form. In voting, I have marked and sealed my ballot in private and have not allowed any person to observe the marking of the ballot, except for those authorized to assist voters under state or federal law. I have not been influenced.

My signature and date below indicate when I completed this document.

The information on this form is true, accurate, and complete to the best of my knowledge. I understand that a material misstatement of fact in completion of this document may constitute grounds for a conviction for perjury."

Sec. 30. Minnesota Statutes 2004, section 203B.24, subdivision 1, is amended to read:

Subdivision 1. [CHECK OF VOTER ELIGIBILITY; PROPER EXECUTION OF AFFIDAVIT.] Upon receipt of an absentee ballot returned as provided in sections 203B.16 to 203B.27, the election judges shall compare the voter's name with the names appearing on their copy of the application records to insure that the ballot is from a voter eligible to cast an absentee ballot under sections 203B.16 to 203B.27. ~~Any discrepancy or disqualifying fact shall be noted on the envelope by the election judges.~~ The election judges shall mark the return envelope "Accepted" and initial or sign the return envelope below the word "Accepted" if the election judges are satisfied that:

(1) the voter's name on the return envelope appears in substantially the same form as on the application records provided to the election judges by the county auditor;

(2) the voter has signed the federal oath prescribed pursuant to section 705(b)(2) of the Help America Vote Act, Public Law 107-252;

(3) the voter has set forth the voter's military identification number or passport number or, if those numbers do not appear, a person authorized to administer oaths under federal law or the law of the place where the oath was administered or a witness who is military personnel with a rank at or above the rank of sergeant or its equivalent has signed the ballot; and

(4) the voter has not already voted at that election, either in person or by absentee ballot.

An absentee ballot case pursuant to sections 203B.16 to 203B.27 may only be rejected for the lack of one of clauses (1) to (4). In particular, failure to place the envelope within the security envelope before placing it in the outer white envelope is not a reason to reject an absentee ballot.

Election judges must note the reason for rejection on the back of the envelope in the space provided for that purpose.

Failure to return unused ballots shall not invalidate a marked ballot, but a ballot shall not be counted if the affidavit on the return envelope is not properly executed. In all other respects the provisions of the Minnesota Election Law governing deposit and counting of ballots shall apply.

May 23, 2005

The Honorable Steve Sviggum
Speaker of the House of Representatives

The Honorable James P. Metzen
President of the Senate

We, the undersigned conferees for H. F. No. 874, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 874 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2004, section 201.022, is amended by adding a subdivision to read:

Subd. 3. [CONSULTATION WITH LOCAL OFFICIALS.] The secretary of state must consult with representatives of local election officials in the development of the statewide voter registration system.

Sec. 2. Minnesota Statutes 2004, section 204B.14, subdivision 2, is amended to read:

Subd. 2. [SEPARATE PRECINCTS; COMBINED POLLING PLACE.] (a) The following shall constitute at least one election precinct:

(1) each city ward; and

(2) each town and each statutory city.

(b) A single, accessible, combined polling place may be established no later than June 1 of any year:

(1) for any city of the third or fourth class, any town, or any city having territory in more than one county, in which all the voters of the city or town shall cast their ballots;

(2) for two contiguous precincts in the same municipality that have a combined total of fewer than 500 registered voters; ~~or~~

(3) for up to four contiguous municipalities located entirely outside the metropolitan area, as defined by section 473.121, subdivision 2, that are contained in the same county; or

(4) for noncontiguous precincts located in one or more counties.

A copy of the ordinance or resolution establishing a combined polling place must be filed with the county auditor within 30 days after approval by the governing body. A polling place combined under clause (3) must be approved by the governing body of each participating municipality. A polling place combined under clause (4) must be approved by the governing body of each participating municipality and the secretary of state and may be located outside any of the noncontiguous precincts. A municipality withdrawing from participation in a combined polling place must do so by filing a resolution of withdrawal with the county auditor no later than May 1 of any year.

The secretary of state shall provide a separate polling place roster for each precinct served by the combined polling place. A single set of election judges may be appointed to serve at a combined polling place. The number of election judges required must be based on the total number of persons voting at the last similar election in all precincts to be voting at the combined polling place. Separate ballot boxes must be provided for the ballots from each precinct. The results of the election must be reported separately for each precinct served by the combined polling place, except in a polling place established under clause (2) where one of the precincts has fewer than ten registered voters, in which case the results of that precinct must be reported in the manner specified by the secretary of state.

Subd. 7a. [ELECTRONIC BALLOT DISPLAY.] "Electronic ballot display" means a graphic representation of a ballot on a computer monitor or screen on which a voter may make vote choices for candidates and questions for the purpose of marking a nonelectronic ballot or securely transmitting an electronic ballot to automatic tabulating equipment in the polling place.

Sec. 9. Minnesota Statutes 2004, section 206.56, is amended by adding a subdivision to read:

Subd. 7b. [ELECTRONIC BALLOT MARKER.] "Electronic ballot marker" means equipment that is part of an electronic voting system that uses an electronic ballot display or audio ballot reader to:

Sec. 10. Minnesota Statutes 2004, section 206.56, subdivision 8, is amended to read:

Subd. 8. [ELECTRONIC VOTING SYSTEM.] "Electronic voting system" means a system in which the voter records votes by means of marking or transmitting a ballot, ~~which is designed~~ so that votes may be counted by automatic tabulating equipment in the polling place where the ballot is cast or at a counting center.

Subdivision 1. [EXAMINATION AND REPORT BY SECRETARY OF STATE; APPROVAL.] A vendor of an electronic voting system may apply to the secretary of state to examine the system and to report as to its compliance with the requirements of law and as to its accuracy, durability, efficiency, and capacity to register the will of voters. The secretary of state or a designee shall examine the system submitted and file a report on it in the Office of the Secretary of State. Examination is not required of every individual machine or counting device, but only of each type of electronic voting system before its adoption, use, or purchase and before its continued use after significant changes have been made in an approved system. The examination must include the ballot programming; electronic ballot marking, including all assistive technologies intended to be used with the system; vote counting; and vote accumulation functions of each voting system.

If the report of the secretary of state or the secretary's designee concludes that the kind of system examined complies with the requirements of sections 206.55 to 206.90 and can be used safely, the system shall be deemed approved by the secretary of state, and may be adopted and purchased for use at elections in this state. A voting system not approved by the secretary of state may not be used at an election in this state. The secretary of state may adopt permanent rules consistent with sections 206.55 to 206.90 relating to the examination and use of electronic voting systems.

Sec. 13. Minnesota Statutes 2004, section 206.57, subdivision 5, is amended to read:

Subd. 7. [ELECTION ASSISTANCE COMMISSION STANDARDS.] If the federal Election Assistance Commission has not established by January 1, 2006, standards for an electronic ballot marker or other voting system component that is required to enable a voting system to meet the requirements of subdivision 5, the secretary of state may certify the voting system on an experimental basis pending the completion of federal standards, notwithstanding subdivision 6. Within two years after the Election Assistance Commission issues standards for a voting system component used in a voting system authorized under this subdivision, the secretary of state must review or reexamine the voting system to determine whether the system conforms to federal standards.

Sec. 15. Minnesota Statutes 2004, section 206.61, subdivision 4, is amended to read:

Subd. 4. [ORDER OF CANDIDATES.] On the "State Partisan Primary Ballot" prepared for primary elections, and on the white ballot prepared for the general election, the order of the names of nominees or names of candidates for election shall be the same as required for paper ballots. More than one column or row may be used for the same office or party. Electronic ballot display and audio ballot readers must conform to the candidate order on the optical scan ballot used in the precinct.

Sec. 16. Minnesota Statutes 2004, section 206.61, subdivision 5, is amended to read:

Subd. 5. [ALTERNATION.] The provisions of the election laws requiring the alternation of names of candidates must be observed as far as practicable by changing the order of the names on an electronic voting system in the various precincts so that each name appears on the machines or marking devices used in a municipality substantially an equal number of times in the first, last, and in each intermediate place in the list or group in which they belong. However, the arrangement of candidates' names must be the same on all voting systems used in the same precinct. If the number of names to be alternated exceeds the number of precincts, the election official responsible for providing the ballots, in accordance with subdivision 1, shall determine by lot the alternation of names.

If an electronic ballot marker is used with a paper ballot that is not an optical scan ballot card, the manner of alternation of candidate names on the paper ballot must be as prescribed for optical scan ballots in this subdivision. If a machine is used to securely transmit a ballot electronically to automatic tabulating equipment in the polling place, the manner of alternation of candidate names on the transmitting machine must be as prescribed for optical scan ballots in this subdivision.

Sec. 17. Minnesota Statutes 2004, section 206.64, subdivision 1, is amended to read:

Subdivision 1. [GENERAL PROVISIONS FOR ELECTRONIC SYSTEM VOTING.] Each electronic voting system booth must be placed and protected so that it is accessible to only one voter at a time and is in full view of all the election judges and challengers at the polling place. The election judges shall admit one individual at a time to each booth after determining that the individual is eligible to vote. Voting by electronic voting system must be secret, except for voters who ~~need request~~ assistance. A voter may remain inside the voting booth for ~~three minutes~~ the time reasonably required for the voter to complete the ballot. A voter who refuses to leave the voting booth after a reasonable amount of time, but not less than three minutes, must be removed by the election judges.

Sec. 18. Minnesota Statutes 2004, section 206.80, is amended to read:

206.80 [ELECTRONIC VOTING SYSTEMS.]

(a) An electronic voting system may not be employed unless it:

- (1) permits every voter to vote in secret;
- (2) permits every voter to vote for all candidates and questions for whom or upon which the voter is legally entitled to vote;
- (3) provides for write-in voting when authorized;
- (4) automatically rejects by means of the automatic tabulating equipment, except as provided in section 206.84 with respect to write-in votes, all votes for an office or question when the number of votes cast on it exceeds the number which the voter is entitled to cast;
- (5) permits a voter at a primary election to select secretly the party for which the voter wishes to vote; and
- (6) automatically rejects, by means of the automatic tabulating equipment, all votes cast in a primary election by a voter when the voter votes for candidates of more than one party; and
- (7) provides every voter an opportunity to verify votes recorded on the permanent paper ballot or paper record, either visually or using assistive voting technology, and to change votes or correct any error before the voter's ballot is cast and counted, produces an individual, discrete, permanent, paper ballot or paper record of the ballot cast by the voter, and preserves the paper ballot or paper record as an official record available for use in any recount.

(b) An electronic voting system purchased on or after the effective date of this section may not be employed unless it:

- (1) accepts and tabulates, in the polling place or at a counting center, a marked optical scan ballot;
- (2) creates a marked optical scan ballot that can be tabulated in the polling place or at a counting center by automatic tabulating equipment certified for use in this state; or
- (3) securely transmits a ballot electronically to automatic tabulating equipment in the polling place while creating an individual, discrete, permanent paper record of each vote on the ballot.

Sec. 19. [206.805] [STATE VOTING SYSTEMS CONTRACTS.]

Subdivision 1. [CONTRACTS REQUIRED.] (a) The secretary of state, with the assistance of the commissioner of administration, shall establish one or more state voting systems contracts. The contracts should, if practical, include provisions for maintenance of the equipment purchased. The voting systems contracts must address precinct-based optical scan voting equipment, ballot marking equipment for persons with disabilities and other voters, and assistive voting machines that combine voting methods used for persons with disabilities with precinct-based optical scan voting machines. The contracts must give the state a perpetual license to use and modify the software. The contracts must include provisions to escrow the software source code, as provided in subdivision 2. Bids for voting systems and related election services must be solicited from each vendor selling or leasing voting systems that have been certified for use by the secretary of state. The contracts must be renewed from time to time.

(b) The secretary of state shall appoint an advisory committee, including representatives of the state chief information officer, county auditors, municipal clerks who have had operational experience with the use of electronic voting systems, and members of the disabilities community to advise the secretary of state in reviewing and evaluating the merits of proposals submitted from voting equipment vendors for the state contracts.

(c) Counties and municipalities may purchase or lease voting systems and obtain related election services from the state contracts.

Subd. 2. [ESCROW OF SOURCE CODE.] The contracts must require the voting system vendor to provide a copy of the source code for the voting system to an independent third-party evaluator selected by the vendor, the secretary of state, and the chairs of the major political parties. The evaluator must examine the source code and certify to the secretary of state that the voting system will record and count votes as represented by the vendor. Source code that is trade secret information must be treated as nonpublic information, in accordance with section 13.37. Each major political party may designate an agent to examine the source code to verify that the voting system will record and count votes as represented by the vendor; the agent must not disclose the source code to anyone else.

Sec. 20. Minnesota Statutes 2004, section 206.81, is amended to read:

206.81 [ELECTRONIC VOTING SYSTEMS; EXPERIMENTAL USE.]

(a) The secretary of state may ~~approve~~ certify an electronic voting system for experimental use at an election prior to its approval for general use.

~~(b) The secretary of state must approve one or more direct recording electronic voting systems for experimental use at an election before their approval for general use and may impose restrictions on their use. At least one voting system approved under this paragraph must permit sighted persons to vote and at least one system must permit a blind or visually impaired voter to cast a ballot independently and privately.~~

~~(c)~~ Experimental use must be observed by the secretary of state or the secretary's designee and the results observed must be considered at any subsequent proceedings for ~~approval~~ certification for general use.

~~(d)~~ (c) The secretary of state may adopt rules consistent with sections 206.55 to 206.90 relating to experimental use. The extent of experimental use must be determined by the secretary of state.

Sec. 21. Minnesota Statutes 2004, section 206.82, subdivision 1, is amended to read:

Subdivision 1. [PROGRAM.] A program or programs for use in an election conducted by means of an electronic voting system or using an electronic ballot marker shall be prepared at the direction of the county auditor or municipal clerk who is responsible for the conduct of the election and shall be independently verified by a competent person designated by that official. The term "competent person" as used in this section means a person

who can demonstrate knowledge as a computer programmer and who is other than and wholly independent of any person operating or employed by the counting center or the corporation or other preparer of the program. A test deck prepared by a competent person shall be used for independent verification of the program; it shall test the maximum digits used in totaling the returns and shall be usable by insertion during the tabulation process as well as prior to tabulation. A test deck must also be prepared using the electronic ballot marker program and must also be used to verify that all valid votes counted by the vote tabulator may be selected using the electronic ballot marker. The secretary of state shall adopt rules further specifying test procedures.

Sec. 22. Minnesota Statutes 2004, section 206.82, subdivision 2, is amended to read:

Subd. 2. [PLAN.] The municipal clerk in a municipality where an electronic voting system is used and the county auditor of a county in which an electronic voting system is used in more than one municipality and the county auditor of a county in which a counting center serving more than one municipality is located shall prepare a plan which indicates acquisition of sufficient facilities, computer time, and professional services and which describes the proposed manner of complying with section 206.80. The plan must be signed, notarized, and submitted to the secretary of state more than 60 days before the first election at which the municipality uses an electronic voting system. Prior to July 1 of each subsequent general election year, the clerk or auditor shall submit to the secretary of state notification of any changes to the plan on file with the secretary of state. The secretary of state shall review each plan for its sufficiency and may request technical assistance from the Department of Administration or other agency which may be operating as the central computer authority. The secretary of state shall notify each reporting authority of the sufficiency or insufficiency of its plan within 20 days of receipt of the plan. The attorney general, upon request of the secretary of state, may seek a district court order requiring an election official to fulfill duties imposed by this subdivision or by rules promulgated pursuant to this section.

Sec. 23. Minnesota Statutes 2004, section 206.83, is amended to read:

206.83 [TESTING OF VOTING SYSTEMS.]

Within 14 days before election day, the official in charge of elections shall have the voting system tested to ascertain that the system will correctly mark or securely transmit to automatic tabulating equipment in the polling place ballots using all methods supported by the system, including through assistive technology, and count the votes cast for all candidates and on all questions within 14 days prior to election day. Public notice of the time and place of the test must be given at least two days in advance by publication once in official newspapers. The test must be observed by at least two election judges, who are not of the same major political party, and must be open to representatives of the political parties, candidates, the press, and the public. The test must be conducted by (1) processing a preaudited group of ballots punched or marked to record a predetermined number of valid votes for each candidate and on each question, and must include for each office one or more ballot cards which have votes in excess of the number allowed by law in order to test the ability of the voting system tabulator and electronic ballot marker to reject those votes; and (2) processing an additional test deck of ballots marked using the electronic ballot marker for the precinct, including ballots marked or ballots securely transmitted electronically to automatic tabulating equipment in the polling place using the electronic ballot display, audio ballot reader, and any assistive voting technology used with the electronic ballot marker. If any error is detected, the cause must be ascertained and corrected and an errorless count must be made before the voting system may be used in the election. After the completion of the test, the programs used and ballot cards must be sealed, retained, and disposed of as provided for paper ballots.

Sec. 24. Minnesota Statutes 2004, section 206.84, subdivision 1, is amended to read:

Subdivision 1. [INSTRUCTION OF JUDGES, VOTERS.] The officials in charge of elections shall determine procedures to instruct election judges and voters in the use of electronic voting system manual marking devices and the electronic ballot marker, including assistive voting technology.

Sec. 25. Minnesota Statutes 2004, section 206.84, subdivision 3, is amended to read:

Subd. 3. [BALLOTS.] The ballot information must be in the same order provided for paper ballots, except that the information may be in vertical or horizontal rows, or on a number of separate pages. The secretary of state shall provide by rule for standard ballot formats for electronic voting systems. Electronic ballot displays and audio ballot readers shall be in the order provided for on the optical scan ballot. Electronic ballot displays may employ zooms or other devices as assistive voting technology. Audio ballot readers may employ rewinds or audio cues as assistive voting technology.

Ballot cards may contain special printed marks ~~and holes~~ as required for proper positioning and reading of the ballots by electronic vote counting equipment. Ballot cards must contain an identification of the precinct for which they have been prepared which can be read visually and which can be tabulated by the automatic tabulating equipment.

Sec. 26. Minnesota Statutes 2004, section 206.84, subdivision 6, is amended to read:

Subd. 6. [DUTIES OF OFFICIAL IN CHARGE.] The official in charge of elections in each municipality where an electronic voting system is used shall have the voting systems put in order, set, adjusted, and made ready for voting when delivered to the election precincts. The official shall also provide each precinct with a container for transporting ballot cards to the counting location after the polls close. The container shall be of sturdy material to protect the ballots from all reasonably foreseeable hazards including auto collisions. The election judges shall meet at the polling place at least one hour before the time for opening the polls. Before the polls open the election judges shall compare the ballot cards used with the sample ballots, electronic ballot displays, and audio ballot reader furnished to see that the names, numbers, and letters on both agree and shall certify to that fact on forms provided for the purpose. The certification must be filed with the election returns.

Sec. 27. [206.845] [BALLOT RECORDING AND COUNTING SECURITY.]

Subdivision 1. [PROHIBITED CONNECTIONS.] The county auditor and municipal clerk must secure ballot recording and tabulating systems physically and electronically against unauthorized access. Except for wired connections within the polling place, ballot recording and tabulating systems must not be connected to or operated on, directly or indirectly, any electronic network, including a local area network, a wide-area network, the Internet, or the World Wide Web. Wireless communications may not be used in any way in a vote recording or vote tabulating system. Wireless, device-to-device capability is not permitted. No connection by modem is permitted.

Transfer of information from the ballot recording or tabulating system to another system for network distribution or broadcast must be made by disk, tape, or other physical means of communication, other than direct or indirect electronic connection of the vote recording or vote tabulating system.

Subd. 2. [TRANSMISSION TO CENTRAL REPORTING LOCATION.] After the close of the polls, the head election judge must create a printed record of the results of the election for that precinct. After the record has been printed, the head election judge in a precinct that employs automatic tabulating equipment may transmit the accumulated tally for each device to a central reporting location using a telephone, modem, Internet, or other electronic connection. During the canvassing period, the results transmitted electronically must be considered unofficial until the canvassing board has performed a complete reconciliation of the results.

Sec. 28. Minnesota Statutes 2004, section 206.85, subdivision 1, is amended to read:

Subdivision 1. [DUTIES OF RESPONSIBLE OFFICIAL.] The official in charge of elections in a municipality where an electronic voting system is used at a counting center must:

- (a) be present or personally represented throughout the counting center proceedings;
- (b) be responsible for acquiring sufficient facilities and personnel to ensure timely and lawful processing of votes;
- (c) be responsible for the proper training of all personnel participating in counting center proceedings and deputize all personnel who are not otherwise election judges;
- (d) maintain actual control over all proceedings and be responsible for the lawful execution of all proceedings in the counting center whether or not by experts;
- (e) be responsible for assuring the lawful retention and storage of ballots and read-outs; and
- (f) arrange for observation by the public and by candidates' representatives of counting center procedures by publishing the exact location of the counting center in a legal newspaper at least once during the week preceding the week of election and in the newspaper of widest circulation once on the day preceding the election, or once the week preceding the election if the newspaper is a weekly.

The official may make arrangements with news reporters which permit prompt reporting of election results but which do not interfere with the timely and lawful completion of counting procedures.

Sec. 29. Minnesota Statutes 2004, section 206.90, subdivision 1, is amended to read:

Subdivision 1. [DEFINITION.] For the purposes of this section, "optical scan voting system" means an electronic voting system approved for use under sections 206.80 to 206.81 in which the voter records votes by marking with a pencil or other ~~writing instrument~~ device, including an electronic ballot marker, a ballot on which the names of candidates, office titles, party designation in a partisan primary or election, and a statement of any question accompanied by the words "Yes" and "No" are printed.

Sec. 30. Minnesota Statutes 2004, section 206.90, subdivision 5, is amended to read:

Subd. 5. [INSTRUCTION OF JUDGES, VOTERS.] In instructing judges and voters under section 206.84, subdivision 1, officials in charge of election precincts using optical scan voting systems shall include instruction on the proper mark for recording votes on ballot cards marked with a pencil or other writing instrument and the insertion by the voter of the ballot card into automatic tabulating equipment that examines and counts votes as the ballot card is deposited into the ballot box.

Officials shall include instruction on the insertion by the voter of the ballot card into an electronic ballot marker that can examine votes before the ballot card is deposited into the ballot box.

Sec. 31. Minnesota Statutes 2004, section 206.90, subdivision 6, is amended to read:

Subd. 6. [BALLOTS.] In precincts using optical scan voting systems, a single ballot card on which all ballot information is included must be printed in black ink on white colored material except that marks not to be read by the automatic tabulating equipment may be printed in another color ink.

On the front of the ballot must be printed the words "Official Ballot" and the date of the election and lines for the initials of at least two election judges.

When optical scan ballots are used, the offices to be elected must appear in the following order: federal offices; state legislative offices; constitutional offices; proposed constitutional amendments; county offices and questions; municipal offices and questions; school district offices and questions; special district offices and questions; and judicial offices.

On optical scan ballots, the names of candidates and the words "yes" and "no" for ballot questions must be printed as close to their corresponding vote targets as possible.

The line on an optical scan ballot for write-in votes must contain the words "write-in, if any."

If a primary ballot contains both a partisan ballot and a nonpartisan ballot, the instructions to voters must include a statement that reads substantially as follows: "THIS BALLOT CARD CONTAINS A PARTISAN BALLOT AND A NONPARTISAN BALLOT. ON THE PARTISAN BALLOT YOU ARE PERMITTED TO VOTE FOR CANDIDATES OF ONE POLITICAL PARTY ONLY." If a primary ballot contains political party columns on both sides of the ballot, the instructions to voters must include a statement that reads substantially as follows: "ADDITIONAL POLITICAL PARTIES ARE PRINTED ON THE OTHER SIDE OF THIS BALLOT. VOTE FOR ONE POLITICAL PARTY ONLY." At the bottom of each political party column on the primary ballot, the ballot must contain a statement that reads substantially as follows: "CONTINUE VOTING ON THE NONPARTISAN BALLOT." The instructions in section 204D.08, subdivision 4, do not apply to optical scan partisan primary ballots. Electronic ballot displays and audio ballot readers must follow the order of offices and questions on the optical scan or paper ballot used in the same precinct, or the sample ballot posted for that precinct.

Sec. 32. Minnesota Statutes 2004, section 206.90, subdivision 8, is amended to read:

Subd. 8. [DUTIES OF ELECTION OFFICIALS.] The official in charge of elections in each municipality where an optical scan voting system is used shall have the electronic ballot marker that examines and marks votes on ballot cards or the machine that securely transmits a ballot electronically to automatic tabulating equipment in the polling place and the automatic tabulating equipment that examines and counts votes as ballot cards are deposited into ballot boxes put in order, set, adjusted, and made ready for voting when delivered to the election precincts.

Sec. 33. Minnesota Statutes 2004, section 206.90, subdivision 9, is amended to read:

Subd. 9. [SPOILED BALLOT CARDS.] Automatic tabulating equipment and electronic ballot markers must be capable of examining a ballot card for defects and returning it to the voter before it is counted and deposited into the ballot box and must be programmed to return as a spoiled ballot a ballot card with votes for an office or question which exceed the number which the voter is entitled to cast and at a primary a ballot card with votes for candidates of more than one party.

Sec. 34. [APPROPRIATIONS.]

Subdivision 1. [ASSISTIVE VOTING TECHNOLOGY.] (a) \$29,000,000 is appropriated from the Help America Vote Act account to the secretary of state for grants to counties for the following purposes:

(1) to purchase electronic voting systems equipped for individuals with disabilities that meet the requirements of Minnesota Statutes, section 206.80, and have been certified by the secretary of state under Minnesota Statutes, section 206.57; the systems may be either ballot marking equipment for persons with disabilities and other voters or assistive voting machines that combine voting methods used for persons with disabilities with precinct-based optical scan voting machines;

(2) to defray operating costs of the assistive voting equipment purchased under clause (1), up to \$600 per polling place per year; and

(3) to the extent that money remains after purchasing an assistive voting system for each polling place, to purchase precinct-count or central-count optical scan electronic voting systems.

This appropriation is available until June 30, 2009.

(b) "Operating costs" include actual county and municipal costs for hardware maintenance, election day technical support, software licensing, system programming, voting system testing, training of county or municipal staff in the use of the assistive voting system, transportation of the assistive voting systems to and from the polling places, and storage of the assistive voting systems between elections.

(c) The secretary of state shall allocate the amount to each county in proportion to the number of precincts used by the county in the state general election of 2004.

Subd. 2. [OPTICAL SCAN EQUIPMENT.] \$6,000,000 is appropriated from the Help America Vote Act account to the secretary of state for grants to counties to purchase optical scan voting equipment. Counties are eligible for grants to the extent that they decide to purchase ballot marking machines and as a result do not have sufficient Help America Vote Act grant money remaining to also purchase a compatible precinct-based optical scan machine or central-count machine. These grants must be allocated to counties at a rate of \$3,000 per eligible precinct until the appropriation is exhausted, with priority in the payment of grants to be given to counties currently using hand- and central-count voting systems and counties using precinct-count optical scan voting systems incompatible with assistive voting systems or ballot marking machines. This appropriation is available until June 30, 2009.

Subd. 3. [GRANT APPLICATION.] To receive a grant under subdivision 1 or 2, a county must apply to the secretary of state on forms prescribed by the secretary of state that set forth how the grant money will be spent, which must be in accordance with the plan adopted under section 35. A county may submit more than one grant application, so long as the appropriation remains available and the total amount granted to the county does not exceed the county's allocation.

Subd. 4. [REPORT; AUDIT RECORDS.] Each county receiving a grant under subdivision 1 or 2 must report to the secretary of state by January 15, 2006, the amount spent for the purchase of each kind of electronic voting system and for operating costs of the systems purchased. The secretary of state shall compile this information and report it to the legislature by February 15, 2006.

In addition to the report required by this section, each county receiving a grant under this act must maintain financial records for each grant sufficient to satisfy federal audit standards and must transmit those records to the secretary of state upon request of the secretary of state.

Subd. 5. [ACCESS TO POLLING PLACES.] \$290,000 is appropriated from the Help America Vote Act account to the secretary of state to make grants to counties and municipalities to improve access to polling places for individuals with disabilities, to be available until June 30, 2007.

Subd. 6. [ADMINISTRATIVE COSTS.] \$3,000,000 is appropriated from the Help America Vote Act account to the secretary of state for the following purposes, to be available until June 30, 2007:

(1) \$1,218,000 to maintain the statewide voter registration system and to develop the capacity to handle registration and election transactions at the polling place;

(2) \$20,000 to verify voter registration data against the Department of Public Safety driver's license and Social Security number database;

- (3) \$200,000 to make the statewide voter registration system available for use by local election officials;
- (4) \$440,000 to assist local election officials using the statewide voter registration system;
- (5) \$79,000 to develop and operate the system for matching Social Security numbers against driver's license records;
- (6) \$83,000 for the state court administrator to automate the interchange of information between the state courts and the statewide voter registration system;
- (7) \$200,000 to administer implementation of the Help America Vote Act and to audit the grants to counties and municipalities under this section;
- (8) \$120,000 to process complaints received under Minnesota Statutes, section 200.04;
- (9) \$40,000 to establish the state voting systems contracts required by new Minnesota Statutes, section 206.805, and to administer the grants to counties and municipalities under this section;
- (10) \$200,000 to train local election officials on the use, maintenance, and implementation of the new electronic voting systems purchased with the appropriations in this section; and
- (11) \$400,000 to educate voters on how to vote using the new electronic voting systems purchased with the appropriations in this section.

Subd. 7. [USE OF BALANCE.] Any balance remaining in the Help America Vote Act account after previous appropriations and the appropriations in this section is reserved for future appropriations to supplement those made in subdivisions 1 and 2 of this section.

Sec. 35. [LOCAL EQUIPMENT PLANS.]

(a) The county auditor shall convene a working group of all city, town, and school district election officials in each county to create a local equipment plan. The working group must continue to meet until the plan is completed, which must be no later than September 15, 2005, or 45 days after state certification of assistive voting systems, whichever is later. The plan must:

- (1) contain procedures to implement voting systems as defined in Minnesota Statutes, section 206.80, in each polling location;
- (2) define who is responsible for any capital or operating costs related to election equipment not covered by federal money from the Help America Vote Act account; and

(3) outline how the federal money from the Help America Vote Act account will be spent.

(b) A county plan must provide funding to purchase either precinct-based optical scan voting equipment or assistive voting machines that combine voting methods used for persons with disabilities with precinct-based optical scan voting machines for any precinct whose city or town requests it, if the requesting city or town agrees with the county on who will be responsible for operating and replacement costs related to the use of the precinct-based equipment.

(c) The plan must be submitted to the secretary of state for review and comment.

(d) The county board of commissioners must adopt the local equipment plan after a public hearing. Money from the Help America Vote Act account may not be expended until the plan is adopted. The county auditor shall file the adopted local equipment plan with the secretary of state.

Sec. 36. [MAIL BALLOTING.]

Nothing in this act is intended to preclude the use of mail balloting in those precincts where it is allowed under state law.

Sec. 37. [EFFECTIVE DATE.]

This act is effective the day following final enactment."

Sec. 3. Minnesota Statutes 2004, section 13.01, subdivision 1, is amended to read:

Subdivision 1. [APPLICABILITY.] All ~~state agencies, political subdivisions and statewide systems~~ government entities shall be governed by this chapter.

Sec. 4. Minnesota Statutes 2004, section 13.01, subdivision 3, is amended to read:

Subd. 3. [SCOPE.] This chapter regulates the collection, creation, storage, maintenance, dissemination, and access to government data in ~~state agencies, statewide systems, and political subdivisions~~ government entities. It establishes a presumption that government data are public and are accessible by the public for both inspection and copying unless there is federal law, a state statute, or a temporary classification of data that provides that certain data are not public.

Sec. 5. Minnesota Statutes 2004, section 13.02, subdivision 7, is amended to read:

Subd. 7. [GOVERNMENT DATA.] "Government data" means all data collected, created, received, maintained or disseminated by any ~~state agency, political subdivision, or statewide system~~ government entity regardless of its physical form, storage media or conditions of use.

Sec. 6. Minnesota Statutes 2004, section 13.03, subdivision 1, is amended to read:

Subdivision 1. [PUBLIC DATA.] All government data collected, created, received, maintained or disseminated by a ~~state agency, political subdivision, or statewide system~~ government entity shall be public unless classified by statute, or temporary classification pursuant to section 13.06, or federal law, as nonpublic or protected nonpublic, or with respect to data on individuals, as private or confidential. The responsible authority in every ~~state agency, political subdivision and statewide system~~ government entity shall keep records containing government data in such an arrangement and condition as to make them easily accessible for convenient use. Photographic, photostatic, microphotographic, or microfilmed records shall be considered as accessible for convenient use regardless of the size of such records.

Sec. 7. Minnesota Statutes 2004, section 13.03, subdivision 2, is amended to read:

Subd. 2. [PROCEDURES.] (a) The responsible authority in every ~~state agency, political subdivision, and statewide system~~ government entity shall establish procedures, consistent with this chapter, to insure that requests for government data are received and complied with in an appropriate and prompt manner.

(b) The responsible authority shall prepare public access procedures in written form and update them no later than August 1 of each year as necessary to reflect any changes in personnel or circumstances that might affect public access to government data. The responsible authority shall make copies of the written public access procedures easily available to the public by distributing free copies of the procedures to the public or by posting a copy of the procedures in a conspicuous place within the government entity that is easily accessible to the public.

(c) Full convenience and comprehensive accessibility shall be allowed to researchers including historians, genealogists and other scholars to carry out extensive research and complete copying of all records containing government data except as otherwise expressly provided by law.

A responsible authority may designate one or more designees.

Sec. 8. Minnesota Statutes 2004, section 13.03, subdivision 3, is amended to read:

Subd. 3. [REQUEST FOR ACCESS TO DATA.] (a) Upon request to a responsible authority or designee, a person shall be permitted to inspect and copy public government data at reasonable times and places, and, upon request, shall be informed of the data's meaning. If a person requests access for the purpose of inspection, the responsible authority may not assess a charge or require the requesting person to pay a fee to inspect data.

(b) For purposes of this section, "inspection" includes, but is not limited to, the visual inspection of paper and similar types of government data. Inspection does not include printing copies by the government entity, unless printing a copy is the only method to provide for inspection of the data. In the case of data stored in electronic form and made available in electronic form on a remote access basis to the public by the government entity, inspection includes remote access to the data by the public and the ability to print copies of or download the data on the public's own computer equipment. Nothing in this section prohibits a government entity from charging a reasonable fee for remote access to data under a specific statutory grant of authority. A government entity may charge a fee for remote access to data where either the data or the access is enhanced at the request of the person seeking access.

(c) The responsible authority or designee shall provide copies of public data upon request. If a person requests copies or electronic transmittal of the data to the person, the responsible authority may require the requesting person to pay the actual costs of searching for and retrieving government data, including the cost of employee time, and for making, certifying, compiling, and electronically transmitting the copies of the data or the data, but may not charge for separating public from not public data. However, if 100 or fewer pages of black and white, letter or legal size paper copies are requested, actual costs shall not be used, and instead, the responsible authority may charge no more than 25 cents for each page copied. If the responsible authority or designee is not able to provide copies at the time a request is made, copies shall be supplied as soon as reasonably possible.

(d) When a request under this subdivision involves any person's receipt of copies of public government data that has commercial value and is a substantial and discrete portion of or an entire formula, pattern, compilation, program, device, method, technique, process, database, or system developed with a significant expenditure of public funds by the ~~agency~~ government entity, the responsible authority may charge a reasonable fee for the information in addition to the costs of making, certifying, and compiling the copies. Any fee charged must be clearly demonstrated by the ~~agency~~ government entity to relate to the actual development costs of the information. The responsible authority, upon the request of any person, shall provide sufficient documentation to explain and justify the fee being charged.

(e) The responsible authority of a ~~state agency, statewide system, or political subdivision~~ government entity that maintains public government data in a computer storage medium shall provide to any person making a request under this section a copy of any public data contained in that medium, in electronic form, if the government entity can reasonably make the copy or have a copy made. This does not require a government entity to provide the data in an electronic format or program that is different from the format or program in which the data are maintained by the government entity. The entity may require the requesting person to pay the actual cost of providing the copy.

(f) If the responsible authority or designee determines that the requested data is classified so as to deny the requesting person access, the responsible authority or designee shall inform the requesting person of the determination either orally at the time of the request, or in writing as soon after that time as possible, and shall cite the specific statutory section, temporary classification, or specific provision of federal law on which the determination is based. Upon the request of any person denied access to data, the responsible authority or designee shall certify in writing that the request has been denied and cite the specific statutory section, temporary classification, or specific provision of federal law upon which the denial was based.

Sec. 9. Minnesota Statutes 2004, section 13.03, subdivision 4, is amended to read:

Subd. 4. [CHANGE IN CLASSIFICATION OF DATA; EFFECT OF DISSEMINATION AMONG AGENCIES.] (a) The classification of data in the possession of an ~~agency entity~~ shall change if it is required to do so to comply with either judicial or administrative rules pertaining to the conduct of legal actions or with a specific statute applicable to the data in the possession of the disseminating or receiving ~~agency entity~~.

(b) If data on individuals is classified as both private and confidential by this chapter, or any other statute or federal law, the data is private.

(c) To the extent that government data is disseminated to ~~state agencies, political subdivisions, or statewide systems~~ a government entity by another ~~state agency, political subdivision, or statewide system~~ government entity, the data disseminated shall have the same classification in the hands of the ~~agency entity~~ receiving it as it had in the hands of the entity providing it.

(d) If a ~~state agency, statewide system, or political subdivision~~ government entity disseminates data to another ~~state agency, statewide system, or political subdivision~~ government entity, a classification provided for by law in the hands of the entity receiving the data does not affect the classification of the data in the hands of the entity that disseminates the data.

Sec. 10. Minnesota Statutes 2004, section 13.03, subdivision 5, is amended to read:

Subd. 5. [COPYRIGHT OR PATENT OF GOVERNMENT DATA.] A ~~state agency, statewide system, or political subdivision~~ government entity may enforce a copyright or acquire a patent for a computer software program or components of a program created by that government ~~agency entity~~ without statutory authority. In the event that a government ~~agency entity~~ acquires a patent to a computer software program or component of a program, the data shall be treated as trade secret information pursuant to section 13.37.

Sec. 11. Minnesota Statutes 2004, section 13.03, subdivision 6, is amended to read:

Subd. 6. [DISCOVERABILITY OF NOT PUBLIC DATA.] If a ~~state agency, political subdivision, or statewide system~~ government entity opposes discovery of government data or release of data pursuant to court order on the grounds that the data are classified as not public, the party that seeks access to the data may bring before the appropriate presiding judicial officer, arbitrator, or administrative law judge an action to compel discovery or an action in the nature of an action to compel discovery.

The presiding officer shall first decide whether the data are discoverable or releasable pursuant to the rules of evidence and of criminal, civil, or administrative procedure appropriate to the action.

If the data are discoverable the presiding officer shall decide whether the benefit to the party seeking access to the data outweighs any harm to the confidentiality interests of the ~~agency~~ entity maintaining the data, or of any person who has provided the data or who is the subject of the data, or to the privacy interest of an individual identified in the data. In making the decision, the presiding officer shall consider whether notice to the subject of the data is warranted and, if warranted, what type of notice must be given. The presiding officer may fashion and issue any protective orders necessary to assure proper handling of the data by the parties. If the data are a videotape of a child victim or alleged victim alleging, explaining, denying, or describing an act of physical or sexual abuse, the presiding officer shall consider the provisions of section 611A.90, subdivision 2, paragraph (b).

Sec. 12. Minnesota Statutes 2004, section 13.03, subdivision 8, is amended to read:

Subd. 8. [CHANGE TO CLASSIFICATION OF DATA NOT ON INDIVIDUALS.] Except for security information, nonpublic and protected nonpublic data shall become public either ten years after the creation of the data by the government ~~agency~~ entity or ten years after the data was received or collected by any governmental ~~agency~~ entity unless the responsible authority for the originating or custodial ~~agency~~ entity for the data reasonably determines that, if the data were made available to the public or to the data subject, the harm to the public or to a data subject would outweigh the benefit to the public or to the data subject. If the responsible authority denies access to the data, the person denied access may challenge the denial by bringing an action in district court seeking release of the data. The action shall be brought in the district court located in the county where the data are being maintained, or, in the case of data maintained by a state agency, in any county. The data in dispute shall be examined by the court in camera. In deciding whether or not to release the data, the court shall consider the benefits and harms in the same manner as set forth above. The court shall make a written statement of findings in support of its decision.

Sec. 13. Minnesota Statutes 2004, section 13.04, subdivision 2, is amended to read:

Subd. 2. [INFORMATION REQUIRED TO BE GIVEN INDIVIDUAL.] An individual asked to supply private or confidential data concerning the individual shall be informed of: (a) the purpose and intended use of the requested data within the collecting ~~state agency, political subdivision, or statewide system~~ government entity; (b) whether the individual may refuse or is legally required to supply the requested data; (c) any known consequence arising from supplying or refusing to supply private or confidential data; and (d) the identity of other persons or entities authorized by state or federal law to receive the data. Sec. 14. Minnesota Statutes 2004, section 13.04, subdivision 4, is amended to read:

Subd. 4. [PROCEDURE WHEN DATA IS NOT ACCURATE OR COMPLETE.] (a) An individual subject of the data may contest the accuracy or completeness of public or private data. Data in dispute shall be disclosed only if the individual's statement of disagreement is included with the disclosed data.

The determination of the responsible authority may be appealed pursuant to the provisions of the Administrative Procedure Act relating to contested cases. Upon receipt of an appeal by an individual, the commissioner shall, before issuing the order and notice of a contested case hearing required by chapter 14, try to resolve the dispute through education, conference, conciliation, or persuasion. If the parties consent, the commissioner may refer the matter to mediation. Following these efforts, the commissioner shall dismiss the appeal or issue the order and notice of hearing.

(b) Data on individuals that have been successfully challenged by an individual must be completed, corrected, or destroyed by a state agency, political subdivision, or statewide system without regard to the requirements of section 138.17.

After completing, correcting, or destroying successfully challenged data, a ~~state agency, political subdivision, or statewide system~~ government entity may retain a copy of the commissioner of administration's order issued under chapter 14 or, if no order were issued, a summary of the dispute between the parties that does not contain any particulars of the successfully challenged data.

(d) Private data may be used by and disseminated to any person or ~~agency~~ entity if the individual subject or subjects of the data have given their informed consent. (e) Private or confidential data on an individual may be discussed at a meeting open to the public to the extent provided in section 13D.05.

Sec. 17. Minnesota Statutes 2004, section 13.05, subdivision 6, is amended to read:

Subd. 6. [CONTRACTS.] Except as provided in section 13.46, subdivision 5, in any contract between a ~~governmental unit~~ government entity subject to this chapter and any person, when the contract requires that data on individuals be made available to the contracting parties by the ~~governmental unit~~ government entity, that data shall be administered consistent with this chapter. A contracting party shall maintain the data on individuals which it received according to the statutory provisions applicable to the data.

Sec. 18. Minnesota Statutes 2004, section 13.05, subdivision 7, is amended to read:

Subd. 7. [PREPARATION OF SUMMARY DATA.] The use of summary data derived from private or confidential data on individuals under the jurisdiction of one or more responsible authorities is permitted. Unless classified pursuant to section 13.06, another statute, or federal law, summary data is public. The responsible authority shall prepare summary data from private or confidential data on individuals upon the request of any person if the request is in writing and the cost of preparing the summary data is borne by the requesting person. The responsible authority may delegate the power to prepare summary data (1) to the administrative officer responsible for any central repository of summary data; or (2) to a person outside of ~~its agency~~ the entity if the person's purpose is set forth, in writing, and the person agrees not to disclose, and the ~~agency~~ entity reasonably determines that the access will not compromise private or confidential data on individuals.

Sec. 19. Minnesota Statutes 2004, section 13.05, subdivision 8, is amended to read:

Subd. 8. [PUBLICATION OF ACCESS PROCEDURES.] The responsible authority shall prepare a public document setting forth in writing the rights of the data subject pursuant to section 13.04 and the specific procedures in effect in the ~~state agency, statewide system or political subdivision~~ government entity for access by the data subject to public or private data on individuals.

Sec. 20. Minnesota Statutes 2004, section 13.05, subdivision 9, is amended to read:

Subd. 9. Sec. 21. [13.055] [STATE AGENCIES; DISCLOSURE OF BREACH IN SECURITY.]

Subdivision 1. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given to them.

(a) "Breach of the security of the data" means unauthorized acquisition of data maintained by a state agency that compromises the security and classification of the data. Good faith acquisition of government data by an employee, contractor, or agent of a state agency for the purposes of the state agency is not a breach of the security of the data, if the government data is not provided to an unauthorized person.

(b) "Contact information" means either name and mailing address or name and e-mail address for each individual who is the subject of data maintained by the state agency.

(c) "Unauthorized acquisition" means that a person has obtained government data without the informed consent of the individuals who are the subjects of the data or statutory authority and with the intent to use the data for non-governmental purposes.

(d) "Unauthorized person" means any person who accesses government data without permission or without a work assignment that reasonably requires the person to have access to the data.

Subd. 2. [NOTICE TO INDIVIDUALS.] A state agency that collects, creates, receives, maintains or disseminates private or confidential data on individuals must disclose any breach of the security of the data following discovery or notification of the breach. Notification must be made to any individual who is the subject of the data and whose private or confidential data was, or is reasonably believed to have been, acquired by an unauthorized person. The disclosure must be made in the most expedient time possible and without unreasonable delay, consistent with (1) the legitimate needs of a law enforcement agency as provided in subdivision 3; or (2) any measures necessary to determine the scope of the breach and restore the reasonable security of the data.

Subd. 3. [DELAYED NOTICE.] The notification required by this section may be delayed if a law enforcement agency determines that the notification will impede an active criminal investigation. The notification required by this section must be made after the law enforcement agency determines that it will not compromise the investigation.

Subd. 4. [METHOD OF NOTICE.] Notice under this section may be provided by one of the following methods:

(a) written notice by first class mail to each affected individual;

(b) electronic notice to each affected individual, if the notice provided is consistent with the provisions regarding electronic records and signatures as set forth in United States Code, title 15, section 7001; or

(c) substitute notice, if the state agency demonstrates that the cost of providing the written notice required by paragraph (a) would exceed \$250,000, or that the affected class of individuals to be notified exceeds 500,000, or the state agency does not have sufficient contact information. Substitute notice consists of all of the following:

(i) e-mail notice if the state agency has an e-mail address for the affected individuals;

(ii) conspicuous posting of the notice on the Web site page of the state agency, if the state agency maintains a Web site; and

(iii) notification to major media outlets that reach the general public.

Subd. 5. [COORDINATION WITH CONSUMER REPORTING AGENCIES.] If the state agency discovers circumstances requiring notification under this section of more than 1,000 individuals at one time, the state agency must also notify, without unreasonable delay, all consumer reporting agencies that compile and maintain files on consumers on a nationwide basis, as defined in United States Code, title 15, section 1681a, of the timing, distribution, and content of the notices.

Sec. 22. Minnesota Statutes 2004, section 13.06, subdivision 1, is amended to read:

Subdivision 1. [APPLICATION TO COMMISSIONER.] Notwithstanding the provisions of section 13.03, the responsible authority of a ~~state agency, political subdivision, or statewide system~~ government entity may apply to the commissioner for permission to classify data or types of data on individuals as private or confidential, or data not on individuals as nonpublic or protected nonpublic, for its own use and for the use of other similar ~~agencies, political subdivisions, or statewide systems~~ government entities on a temporary basis until a proposed statute can be acted upon by the legislature. The application for temporary classification is public.

Upon the filing of an application for temporary classification, the data which is the subject of the application shall be deemed to be classified as set forth in the application for a period of 45 days, or until the application is disapproved, rejected, or granted by the commissioner, whichever is earlier.

If the commissioner determines that an application has been submitted for purposes not consistent with this section, the commissioner may immediately reject the application, give notice of that rejection to the applicant, and return the application. When the applicant receives the notice of rejection from the commissioner, the data which was the subject of the application shall have the classification it had before the application was submitted to the commissioner.

Sec. 23. Minnesota Statutes 2004, section 13.06, subdivision 2, is amended to read:

Subd. 2. [CONTENTS OF APPLICATION FOR PRIVATE OR CONFIDENTIAL DATA.] An application for temporary classification of data on individuals shall include and the applicant shall have the burden of clearly establishing that no statute currently exists which either allows or forbids classification as private or confidential; and either

(a) that data similar to that for which the temporary classification is sought has been treated as either private or confidential by other ~~state agencies or political subdivisions~~ government entities, and by the public; or

(b) that a compelling need exists for immediate temporary classification, which if not granted could adversely affect the public interest or the health, safety, well being or reputation of the data subject.

Sec. 24. Minnesota Statutes 2004, section 13.06, subdivision 3, is amended to read:

Subd. 3. [CONTENTS OF APPLICATION FOR NONPUBLIC OR NONPUBLIC PROTECTED DATA.] An application for temporary classification of government data not on individuals shall include and the applicant shall have the burden of clearly establishing that no statute currently exists which either allows or forbids classification as nonpublic or protected nonpublic; and either

(a) that data similar to that for which the temporary classification is sought has been treated as nonpublic or protected nonpublic by other ~~state agencies or political subdivisions~~ government entities, and by the public; or

(b) public access to the data would render unworkable a program authorized by law; or

(c) that a compelling need exists for immediate temporary classification, which if not granted could adversely affect the health, safety or welfare of the public.

Sec. 25. Minnesota Statutes 2004, section 13.06, subdivision 4, is amended to read:

Subd. 4. [PROCEDURE WHEN CLASSIFICATION AFFECTS OTHERS.] If the commissioner determines that an application for temporary classification involves data which would reasonably be classified in the same manner by all ~~agencies, political subdivisions, or statewide systems~~ government entities similar to the one which made the application, the commissioner may approve or disapprove the classification for data of the kind which is the subject of the application for the use of all ~~agencies, political subdivisions, or statewide systems~~ government entities similar to the applicant. On deeming this approach advisable, the commissioner shall provide notice of the proposed action by publication in the State Register within ten days of receiving the application. Within 30 days after publication in the State Register an affected ~~agency, political subdivision, or statewide system~~ government entity or the public, ~~or statewide system~~ may submit comments on the commissioner's proposal. The commissioner shall consider any comments received when granting or denying a classification for data of the kind which is the subject of the application, for the use of all ~~agencies, political subdivisions, or statewide systems~~ government entities similar to the applicant. Within 45 days after the close of the period for submitting comment, the commissioner shall grant or disapprove the application. Applications processed under this subdivision shall be either approved or disapproved by the commissioner within 90 days of the receipt of the application. For purposes of subdivision 1, the data which is the subject of the classification shall be deemed to be classified as set forth in the application for a period of 90 days, or until the application is disapproved or granted by the commissioner, whichever is earlier. If requested in the application, or determined to be necessary by the commissioner, the data in the application shall be so classified for all ~~agencies, political subdivisions, or statewide systems~~ government entities similar to the applicant until the application is disapproved or granted by the commissioner, whichever is earlier. Proceedings after the grant or disapproval shall be governed by the provisions of subdivision 5.

Sec. 26. Minnesota Statutes 2004, section 13.07, is amended to read:

13.07 [DUTIES OF THE COMMISSIONER.]

The rules shall not affect section 13.04, relating to rights of subjects of data. Prior to the adoption of rules authorized by this section the commissioner shall give notice to all state agencies and political subdivisions in the same manner and in addition to other parties as required by section 14.06 of the date and place of hearing, enclosing a copy of the rules to be adopted.

Sec. 27. Minnesota Statutes 2004, section 13.072, subdivision 4, is amended to read:

Subd. 4. [DATA SUBMITTED TO COMMISSIONER.] A ~~state agency, statewide system, or political subdivision~~ government entity may submit not public data to the commissioner for the purpose of requesting or responding to a person's request for an opinion. Government data submitted to the commissioner by a ~~state agency, statewide system, or political subdivision~~ government entity or copies of government data submitted by other persons have the same classification as the data have when held by the ~~state agency, statewide system, or political subdivision~~ government entity. If the nature of the opinion is such that the release of the opinion would reveal not public data, the commissioner may issue an opinion using pseudonyms for individuals. Data maintained by the commissioner, in the record of an opinion issued using pseudonyms that would reveal the identities of individuals protected by the use of the pseudonyms, are private data on individuals.

Sec. 28. Minnesota Statutes 2004, section 13.073, subdivision 3, is amended to read:

[BASIC TRAINING.] The basic training component should be designed to meet the basic information policy needs of all government employees and public officials with a focus on key data practices laws and procedures that apply to all government entities. The commissioner should design the basic training component in a manner that minimizes duplication of the effort and cost for government entities to provide basic training. The commissioner may develop general programs and materials for basic training such as video presentations, data practices booklets, and training guides. The commissioner may assist state and local government ~~agencies~~ entities in developing training expertise within their own ~~agencies~~ entities and offer assistance for periodic training sessions for this purpose.

An agency or institution may not charge a fee to search for or to retrieve the educational records. An agency or institution that receives a request for copies of the educational records of a child with a disability may charge a fee that reflects the costs of reproducing the records except when to do so would impair the ability of the child's parent or guardian, or the child who has reached the age of majority, to exercise their right to inspect and review those records.

The notification must inform the law enforcement agency that the data will retain its classification as confidential or protected nonpublic data if the law enforcement agency updates the data or notifies CIBRS that the investigation is still active before the 120th day. A new 120-day period begins if the data is updated or if a law enforcement agency notifies CIBRS that an active investigation is continuing.

(g) A law enforcement agency that submits data to CIBRS must notify CIBRS if an investigation has become inactive so that the data is classified as private data or nonpublic data. The law enforcement agency must provide this notice to CIBRS within ten days after an investigation becomes inactive.

(h) All queries and responses and all actions in which data is submitted to CIBRS, changes classification, or is disseminated by CIBRS to any law enforcement agency must be recorded in the CIBRS audit trail.

Subd. 5. The authority granted by this subdivision does not include the authority to require an organization to make specific expenditures of more than ten percent per year from its net profits derived from lawful gambling. For the purposes of this subdivision, net profits are gross profits less amounts expended for allowable expenses and paid in taxes assessed on lawful gambling. A statutory or home rule charter city or a county may not require an organization conducting lawful gambling within its jurisdiction to make an expenditure to the city or county as a condition to operate within that city or county, except as authorized under section 349.16, subdivision 8, or 297E.02; provided, however, that an ordinance requirement that such organizations must contribute ten percent per year of their net profits derived from lawful gambling conducted at premises within the city's or county's jurisdiction to a fund administered and regulated by the responsible local unit of government without cost to such fund, for disbursement by the responsible local unit of government of the receipts for (i) lawful purposes, or (ii) police, fire, and other emergency or public safety-related services, equipment, and training, excluding pension obligations, is not considered an expenditure to the city or county nor a tax under section 297E.02, and is valid and lawful. A city or county making expenditures authorized under this paragraph must by March 15 of each year file a report with the board, on a form the board prescribes, that lists all such revenues collected and expenditures for the previous calendar year.

(b) A statutory or home rule city or county may by ordinance require that a licensed organization conducting lawful gambling within its jurisdiction expend all or a portion of its expenditures for lawful purposes on lawful purposes conducted or located within the city's or county's trade area. Such an ordinance must be limited to lawful purpose expenditures of gross profits derived from lawful gambling conducted at premises within the city's or county's jurisdiction, must define the city's or county's trade area, and must specify the percentage of lawful purpose expenditures which must be expended within the trade area. A trade area defined by a city under this subdivision must include each city and township contiguous to the defining city.

(c) A more stringent regulation or prohibition of lawful gambling adopted by a political subdivision under this subdivision must apply equally to all forms of lawful gambling within the jurisdiction of the political subdivision, except a political subdivision may prohibit the use of paddlewheels.

Subd. 2. [LOCAL APPROVAL.] Before issuing or renewing a premises permit ~~or bingo hall license~~, the board must notify the city council of the statutory or home rule city in which the organization's premises ~~or the bingo hall~~ is located or, if the premises ~~or hall~~ is located outside a city, the county board of the county and the town board of the town where the premises ~~or hall~~ is located. The board may require organizations ~~or bingo halls~~ to notify the appropriate local government at the time of application. This required notification is sufficient to constitute the notice required by this subdivision. The board may not issue or renew a premises permit ~~or bingo hall license~~ unless the organization submits a resolution from the city council or county board approving the premises permit ~~or bingo hall license~~. The resolution must have been adopted within 90 days of the date of application for the new or renewed permit or license.

Subd. 3. [LOCAL GAMBLING TAX.] A statutory or home rule charter city that has one or more licensed organizations operating lawful gambling, and a county that has one or more licensed organizations outside incorporated areas operating lawful gambling, may impose a local gambling tax on each licensed organization within the city's or county's jurisdiction. The tax may be imposed only if the amount to be received by the city or

county is necessary to cover the costs incurred by the city or county to regulate lawful gambling. The tax imposed by this subdivision may not exceed three percent per year of the gross receipts of a licensed organization from all lawful gambling less prizes actually paid out by the organization. A city or county may not use money collected under this subdivision for any purpose other than to regulate lawful gambling. All documents pertaining to site inspections, fines, penalties, or other corrective action involving local lawful gambling regulation must be shared with the board within 30 days of filing at the city or county of jurisdiction. A tax imposed under this subdivision is in lieu of all other local taxes and local investigation fees on lawful gambling. A city or county that imposes a tax under this subdivision shall annually, by March 15, file a report with the board in a form prescribed by the board showing (1) the amount of revenue produced by the tax during the preceding calendar year, and (2) the use of the proceeds of the tax.

Sec. 37. Minnesota Statutes 2004, section 609.75, subdivision 1, is amended to read:

Subdivision 1. [LOTTERY.] (a) A lottery is a plan which provides for the distribution of money, property or other reward or benefit to persons selected by chance from among participants some or all of whom have given a consideration for the chance of being selected. A participant's payment for use of a 900 telephone number or another means of communication that results in payment to the sponsor of the plan constitutes consideration under this paragraph.

(b) An in-package chance promotion is not a lottery if all of the following are met:

(1) participation is available, free and without purchase of the package, from the retailer or by mail or toll-free telephone request to the sponsor for entry or for a game piece;

(2) the label of the promotional package and any related advertising clearly states any method of participation and the scheduled termination date of the promotion;

(3) the sponsor on request provides a retailer with a supply of entry forms or game pieces adequate to permit free participation in the promotion by the retailer's customers;

(4) the sponsor does not misrepresent a participant's chances of winning any prize;

(5) the sponsor randomly distributes all game pieces and maintains records of random distribution for at least one year after the termination date of the promotion;

(6) all prizes are randomly awarded if game pieces are not used in the promotion; and

(7) the sponsor provides on request of a state agency a record of the names and addresses of all winners of prizes valued at \$100 or more, if the request is made within one year after the termination date of the promotion.

(c) Except as provided by section 349.40, acts in this state in furtherance of a lottery conducted outside of this state are included notwithstanding its validity where conducted.

(d) The distribution of property, or other reward or benefit by an employer to persons selected by chance from among participants ~~who~~, all of whom:

(1) have made a contribution through a payroll or pension deduction campaign to a registered combined charitable organization, within the meaning of section 309.501; or

(2) have paid other consideration to the employer entirely for the benefit of such a registered combined charitable organization, as a precondition to the chance of being selected, is not a lottery if:

- (4) (i) all of the persons eligible to be selected are employed by or retirees of the employer; and
- (2) (ii) the cost of the property or other reward or benefit distributed and all costs associated with the distribution are borne by the employer.

Sec. 38. [REPEALER.]

Minnesota Statutes 2004, sections 349.162, subdivision 3; 349.164; and 349.17, subdivision 1, are repealed.

518.54 [DEFINITIONS.]

Subdivision 1. [TERMS.] For the purposes of sections 518.54 to ~~518.66~~ 518.773, the terms defined in this section shall have the meanings respectively ascribed to them.

Subd. 2. [CHILD.] "Child" means an individual under 18 years of age, an individual under age 20 who is still attending secondary school, or an individual who, by reason of physical or mental condition, is incapable of self-support.

Subd. 3. [MAINTENANCE.] "Maintenance" means an award made in a dissolution or legal separation proceeding of payments from the future income or earnings of one spouse for the support and maintenance of the other.

Subd. 4. [SUPPORT MONEY; CHILD SUPPORT.] "Support money" or "child support" means an amount for basic support, child care support, and medical support pursuant to:

(1) an award in a dissolution, legal separation, annulment, or parentage proceeding for the care, support and education of any child of the marriage or of the parties to the proceeding; ~~or~~

(2) a contribution by parents ordered under section 256.87; or

(3) support ordered under chapter 518B or 518C.

Subd. 4a. [SUPPORT ORDER.] "Support order" means a judgment, decree, or order, whether temporary, final, or subject to modification, issued by a court or administrative agency of competent jurisdiction, for the support and maintenance of a child, including a child who has attained the age of majority under the law of the issuing state, or a child and the parent with whom the child is living, that provides for monetary support, child care, medical support including expenses for confinement and pregnancy, arrearages, or reimbursement, and that may include related costs and fees, interest and penalties, income withholding, and other relief. - (a) is acquired as a gift, bequest, devise or inheritance made by a third party to one but not to the other spouse;
- (b) is acquired before the marriage;
- (c) is acquired in exchange for or is the increase in value of property which is described in clauses (a), (b), (d), and (e);
- (d) is acquired by a spouse after the valuation date; or
- (e) is excluded by a valid antenuptial contract.

Subd. 6. [INCOME.] "Income" means any form of periodic payment to an individual including, but not limited to, wages, salaries, payments to an independent contractor, workers' compensation, unemployment benefits, annuity, military and naval retirement, pension and disability payments. Benefits received under Title IV-A of the Social Security Act and chapter 256J are not income under this section.

Subd. 7. [OBLIGEE.] "Obligee" means a person to whom payments for maintenance or support are owed.

Subd. 8. [OBLIGOR.] "Obligor" means a person obligated to pay maintenance or support. A person who is designated as the sole physical custodian of a child is presumed not to be an obligor for purposes of calculating current support under section 518.551 unless the court makes specific written findings to overcome this presumption. For purposes of ordering medical support under section 518.719, a custodial parent may be an obligor subject to a cost-of-living adjustment under section 518.641 and a payment agreement under section 518.553.

Subd. 9. [PUBLIC AUTHORITY.] "Public authority" means the ~~public authority responsible for child support enforcement~~ local unit of government, acting on behalf of the state, that is responsible for child support enforcement or the Department of Human Services, Child Support Enforcement Division.

Subd. 10. [PENSION PLAN BENEFITS OR RIGHTS.] "Pension plan benefits or rights" means a benefit or right from a public or private pension plan accrued to the end of the month in which marital assets are valued, as determined under the terms of the laws or other plan document provisions governing the plan, including section 356.30.

Subd. 11. [PUBLIC PENSION PLAN.] "Public pension plan" means a pension plan or fund specified in section 356.20, subdivision 2, or 356.30, subdivision 3, the deferred compensation plan specified in section 352.96, or any retirement or pension plan or fund, including a supplemental retirement plan or fund, established, maintained, or supported by a governmental subdivision or public body whose revenues are derived from taxation, fees, assessments, or from other public sources.

Subd. 12. [PRIVATE PENSION PLAN.] "Private pension plan" means a plan, fund, or program maintained by an employer or employee organization that provides retirement income to employees or results in a deferral of income by employees for a period extending to the termination of covered employment or beyond.

Subd. 13. [ARREARS.] Arrears are amounts that accrue pursuant to an obligor's failure to comply with a support order. Past support and pregnancy and confinement expenses contained in a support order are arrears if the court order does not contain repayment terms. Arrears also arise by the obligor's failure to comply with the terms of a court order for repayment of past support or pregnancy and confinement expenses. An obligor's failure to comply with the terms for repayment of amounts owed for past support or pregnancy and confinement turns the entire amount owed into arrears.

Subd. 14. [IV-D CASE.] "IV-D case" means a case where a party has assigned to the state rights to child support because of the receipt of public assistance as defined in section 256.741 or has applied for child support services under title IV-D of the Social Security Act, United States Code, title 42, section 654(4).

Subd. 15. [PARENTAL INCOME FOR CHILD SUPPORT (PICS).] "Parental income for child support," or "PICS," means gross income under subdivision 18 minus deductions for nonjoint children as allowed by section 518.717.

Subd. 16. [APPORTIONED VETERANS' BENEFITS.] "Apportioned veterans' benefits" means the amount the Veterans Administration deducts from the veteran's award and disburses to the child or the child's representative payee. The apportionment of veterans' benefits shall be that determined by the Veterans Administration and governed by Code of Federal Regulations, title 38, sections 3.450 to 3.458.

Subd. 17. [BASIC SUPPORT.] "Basic support" means the support obligation determined by applying the parent's parental income for child support, or if there are two parents, their combined parental income for child support, to the guideline in the manner set out in section 518.725. Basic support includes the dollar amount ordered for a child's housing, food, clothing, transportation, and education costs, and other expenses relating to the child's care. Basic support does not include monetary contributions for a child's child care expenses and medical and dental expenses.

Subd. 18. [GROSS INCOME.] "Gross income" means:

- (1) the gross income of the parent calculated under section 518.7123; plus
- (2) Social Security or veterans' benefit payments received on behalf of the child under section 518.718; plus
- (3) the potential income of the parent, if any, as determined in subdivision 23; minus
- (4) spousal maintenance that any party has been ordered to pay; minus
- (5) the amount of any existing child support order for other nonjoint children.

Subd. 19. [JOINT CHILD.] "Joint child" means the dependent child who is the son or daughter of both parents in the support proceeding. In those cases where support is sought from only one parent of a child, a joint child is the child for whom support is sought.

Subd. 20. [NONJOINT CHILD.] "Nonjoint child" means the legal child of one, but not both of the parents subject to this determination. Specifically excluded from this definition are stepchildren.

Subd. 21. [PARENTING TIME.] "Parenting time" means the amount of time a child is scheduled to spend with the parent according to a court order. Parenting time includes time with the child whether it is designated as visitation, physical custody, or parenting time. For purposes of section 518.722, the percentage of parenting time may be calculated by calculating the number of overnights that a child spends with a parent, or by using a method other than overnights if the parent has significant time periods where the child is in the parent's physical custody, but does not stay overnight.

Subd. 22. [PAYOR OF FUNDS.] "Payor of funds" means a person or entity that provides funds to an obligor, including an employer as defined under chapter 24, section 3401(d), of the Internal Revenue Code, an independent contractor, payor of workers' compensation benefits or unemployment insurance benefits, or a financial institution as defined in section 13B.06.

Subd. 23. [POTENTIAL INCOME.] "Potential income" is income determined under this subdivision.

(a) If a parent is voluntarily unemployed, underemployed, or employed on a less than full-time basis, or there is no direct evidence of any income, child support shall be calculated based on a determination of potential income. For purposes of this determination, it is rebuttably presumed that a parent can be gainfully employed on a full-time basis.

(b) Determination of potential income shall be made according to one of three methods, as appropriate:

(1) the parent's probable earnings level based on employment potential, recent work history, and occupational qualifications in light of prevailing job opportunities and earnings levels in the community;

(2) if a parent is receiving unemployment compensation or workers' compensation, that parent's income may be calculated using the actual amount of the unemployment compensation or workers' compensation benefit received; or

(3) the amount of income a parent could earn working full time at 150 percent of the current federal or state minimum wage, whichever is higher.

(c) A parent is not considered voluntarily unemployed or underemployed upon a showing by the parent that:

(1) unemployment or underemployment is temporary and will ultimately lead to an increase in income;

(2) the unemployment or underemployment represents a bona fide career change that outweighs the adverse effect of that parent's diminished income on the child; or

(3) the parent is unable to work full time due to a verified disability or due to incarceration.

(d) As used in this section, "full time" means 40 hours of work in a week except in those industries, trades, or professions in which most employers due to custom, practice, or agreement utilize a normal work week of more or less than 40 hours in a week.

(e) If the parent of a joint child is a recipient of a temporary assistance to a needy family (TANF) cash grant, no potential income shall be imputed to that parent.

(f) If a parent stays at home to care for a child who is subject to the child support order, the court may consider the following factors when determining whether the parent is voluntarily unemployed or underemployed:

(1) the parties' parenting and child care arrangements before the child support action;

(2) the stay-at-home parent's employment history, recency of employment, earnings, and the availability of jobs within the community for an individual with the parent's qualifications;

(3) the relationship between the employment-related expenses, including, but not limited to, child care and transportation costs required for the parent to be employed, and the income the stay-at-home parent could receive from available jobs within the community for an individual with the parent's qualifications;

(4) the child's age and health, including whether the child is physically or mentally disabled; and

(5) the availability of child care providers.

(g) Paragraph (f) does not apply if the parent stays at home to care for other nonjoint children, only.

(h) A self-employed parent shall not be considered to be voluntarily unemployed or underemployed if that parent can show that the parent's net self-employment income is lower because of economic conditions.

Subd. 24. [PRIMARY PHYSICAL CUSTODY.] The parent having "primary physical custody" means the parent who provides the primary residence for a child and is responsible for the majority of the day-to-day decisions concerning a child.

Subd. 25. [SOCIAL SECURITY BENEFITS.] "Social Security benefits" means the monthly amount the Social Security Administration pays to a joint child or the child's representative payee due solely to the disability or retirement of either parent. Benefits paid to a parent due to the disability of a child are excluded from this definition.

Subd. 26. [SPLIT CUSTODY.] "Split custody" means that each parent in a two-parent calculation has primary physical custody of at least one of the joint children.

Subd. 27. [SURVIVORS' AND DEPENDENTS' EDUCATIONAL ASSISTANCE.] "Survivors' and dependents' educational assistance" are funds disbursed by the Veterans Administration under United States Code, title 38, chapter 35, to the child or the child's representative payee.

Sec. 6. Minnesota Statutes 2004, section 518.55, subdivision 4, is amended to read:

Subd. 4. [DETERMINATION OF CONTROLLING ORDER.] The public authority or a party may request the district court to determine a controlling order in situations in which more than one order involving the same obligor and child exists. The court shall presume that the latest order that involves the same obligor and joint child is controlling, subject to contrary proof.

Sec. 7. Minnesota Statutes 2004, section 518.551, subdivision 5, is amended to read:

Subd. 5. [NOTICE TO PUBLIC AUTHORITY; GUIDELINES.] (a) The petitioner shall notify the public authority of all proceedings for dissolution, legal separation, determination of parentage or for the custody of a child, if either party is receiving public assistance or applies for it subsequent to the commencement of the proceeding. The notice must contain the full names of the parties to the proceeding, their Social Security account numbers, and their birth dates. After receipt of the notice, the court shall set child support as provided in ~~this subdivision~~ section 518.725. The court may order either or both parents owing a duty of support to a child of the marriage to pay an amount reasonable or necessary for the child's support, without regard to marital misconduct. The court shall approve a child support stipulation of the parties if each party is represented by independent counsel, unless the stipulation does not meet the conditions of ~~paragraph (i)~~ section 518.725. In other cases the court shall determine and order child support in a specific dollar amount in accordance with the guidelines and the other factors set forth in ~~paragraph (e)~~ section 518.714 and any departure therefrom. The court may also order the obligor to pay child support in the form of a percentage share of the obligor's net bonuses, commissions, or other forms of compensation, in addition to, or if the obligor receives no base pay, in lieu of, an order for a specific dollar amount.

(b) The court shall derive a specific dollar amount for child support by multiplying the obligor's net income by the percentage indicated by the following guidelines:

Net Income Per Month of Obligor	Number of Children						
	1	2	3	4	5	6	7 or more
\$550 and Below	Order based on the ability of the obligor to provide support at these income levels, or at higher levels, if the obligor has the earning ability.

\$601-650	17%	21%	24%	27%	29%	32%	34%

or the amount
in effect under
paragraph (k)

Guidelines for support for an obligor with a monthly income in excess of the income limit currently in effect under paragraph (k) shall be the same dollar amounts as provided for in the guidelines for an obligor with a monthly income equal to the limit in effect.

Net Income defined as:

Total monthly income less	*(i) Federal Income Tax
	*(ii) State Income Tax
	-(iii) Social Security Deductions
	-(iv) Reasonable Pension Deductions
*Standard Deductions apply use of tax tables recommended	-(v) Union Dues
	-(vi) Cost of Dependent Health Insurance Coverage

- ~~-(vii) Cost of Individual or Group
Health/Hospitalization
Coverage or an
Amount for Actual
Medical Expenses~~
- ~~-(viii) A Child Support or
Maintenance Order that is
Currently Being Paid.~~

"Net income" does not include:

~~(1) the income of the obligor's spouse, but does include in-kind payments received by the obligor in the course of employment, self-employment, or operation of a business if the payments reduce the obligor's living expenses; or~~

~~(2) compensation received by a party for employment in excess of a 40-hour work week, provided that:~~

~~(i) support is nonetheless ordered in an amount at least equal to the guidelines amount based on income not excluded under this clause; and~~

~~(ii) the party demonstrates, and the court finds, that:~~

~~(A) the excess employment began after the filing of the petition for dissolution;~~

~~(B) the excess employment reflects an increase in the work schedule or hours worked over that of the two years immediately preceding the filing of the petition;~~

~~(C) the excess employment is voluntary and not a condition of employment;~~

~~(D) the excess employment is in the nature of additional, part-time or overtime employment compensable by the hour or fraction of an hour; and~~

~~(E) the party's compensation structure has not been changed for the purpose of affecting a support or maintenance obligation.~~

The court shall review the work-related and education-related child care costs paid and shall allocate the costs to each parent in proportion to each parent's net income, as determined under this subdivision, after the transfer of child support and spousal maintenance, unless the allocation would be substantially unfair to either parent. There is a presumption of substantial unfairness if after the sum total of child support, spousal maintenance, and child care costs is subtracted from the obligor's income, the income is at or below 100 percent of the federal poverty guidelines. The cost of child care for purposes of this paragraph is 75 percent of the actual cost paid for child care, to reflect the approximate value of state and federal tax credits available to the obligee. The actual cost paid for child care is the total amount received by the child care provider for the child or children of the obligor from the obligee or any public agency. The court shall require verification of employment or school attendance and documentation of child care expenses from the obligee and the public agency, if applicable. If child care expenses fluctuate during the year because of seasonal employment or school attendance of the obligee or extended periods of parenting time with the obligor, the court shall determine child care expenses based on an average monthly cost. The amount allocated for child care expenses is considered child support but is not subject to a cost of living adjustment under section 518.641. The amount allocated for child care expenses terminates when either party notifies the public authority that the child care costs have ended and without any legal action on the part of either party. The public authority shall verify the information received under this provision before authorizing termination. The termination is effective as of the date of the notification. In other cases where there is a substantial increase or decrease in child care expenses, the parties may modify the order under section 518.64.

~~The court may allow the obligor parent to care for the child while the obligee parent is working, as provided in section 518.175, subdivision 8, but this is not a reason to deviate from the guidelines.~~

~~(c) In addition to the child support guidelines, the court shall take into consideration the following factors in setting or modifying child support or in determining whether to deviate from the guidelines:~~

~~(1) all earnings, income, and resources of the parents, including real and personal property, but excluding income from excess employment of the obligor or obligee that meets the criteria of paragraph (b), clause (2)(ii);~~

~~(2) the financial needs and resources, physical and emotional condition, and educational needs of the child or children to be supported;~~

~~(3) the standard of living the child would have enjoyed had the marriage not been dissolved, but recognizing that the parents now have separate households;~~

~~(4) which parent receives the income taxation dependency exemption and what financial benefit the parent receives from it;~~

~~(5) the parents' debts as provided in paragraph (d); and~~

~~(6) the obligor's receipt of public assistance under the AFDC program formerly codified under sections 256.72 to 256.82 or 256B.01 to 256B.40 and chapter 256J or 256K.~~

~~(d) In establishing or modifying a support obligation, the court may consider debts owed to private creditors, but only if:~~

~~(1) the right to support has not been assigned under section 256.741;~~

~~(2) the court determines that the debt was reasonably incurred for necessary support of the child or parent or for the necessary generation of income. If the debt was incurred for the necessary generation of income, the court shall consider only the amount of debt that is essential to the continuing generation of income; and~~

~~(3) the party requesting a departure produces a sworn schedule of the debts, with supporting documentation, showing goods or services purchased, the recipient of them, the amount of the original debt, the outstanding balance, the monthly payment, and the number of months until the debt will be fully paid.~~

~~(e) Any schedule prepared under paragraph (d), clause (3), shall contain a statement that the debt will be fully paid after the number of months shown in the schedule, barring emergencies beyond the party's control.~~

~~(f) Any further departure below the guidelines that is based on a consideration of debts owed to private creditors shall not exceed 18 months in duration, after which the support shall increase automatically to the level ordered by the court. Nothing in this section shall be construed to prohibit one or more step increases in support to reflect debt retirement during the 18-month period.~~

~~(g) If payment of debt is ordered pursuant to this section, the payment shall be ordered to be in the nature of child support.~~

~~(h) Nothing shall preclude the court from receiving evidence on the above factors to determine if the guidelines should be exceeded or modified in a particular case.~~

~~(i) The guidelines in this subdivision are a rebuttable presumption and shall be used in all cases when establishing or modifying child support. If the court does not deviate from the guidelines, the court shall make written findings concerning the amount of the obligor's income used as the basis for the guidelines calculation and any other significant evidentiary factors affecting the determination of child support. If the court deviates from the guidelines, the court shall make written findings giving the amount of support calculated under the guidelines, the reasons for the deviation, and shall specifically address the criteria in paragraph (c) and how the deviation serves the best interest of the child. The court may deviate from the guidelines if both parties agree and the court makes written findings that it is in the best interests of the child, except that in cases where child support payments are assigned to the public agency under section 256.741, the court may deviate downward only as provided in paragraph (j). Nothing in this paragraph prohibits the court from deviating in other cases. The provisions of this paragraph apply whether or not the parties are each represented by independent counsel and have entered into a written agreement. The court shall review stipulations presented to it for conformity to the guidelines and the court is not required to conduct a hearing, but the parties shall provide the documentation of earnings required under subdivision 5b.~~

~~(j) If the child support payments are assigned to the public agency under section 256.741, the court may not deviate downward from the child support guidelines unless the court specifically finds that the failure to deviate downward would impose an extreme hardship on the obligor.~~

~~(k) The dollar amount of the income limit for application of the guidelines must be adjusted on July 1 of every even-numbered year to reflect cost-of-living changes. The Supreme Court shall select the index for the adjustment from the indices listed in section 518.641. The state court administrator shall make the changes in the dollar amount required by this paragraph available to courts and the public on or before April 30 of the year in which the amount is to change.~~

~~(l) In establishing or modifying child support, if a child receives a child's insurance benefit under United States Code, title 42, section 402, because the obligor is entitled to old age or disability insurance benefits, the amount of support ordered shall be offset by the amount of the child's benefit. The court shall make findings regarding the obligor's income from all sources, the child support amount calculated under this section, the amount of the child's benefit, and the obligor's child support obligation. Any benefit received by the child in a given month in excess of the child support obligation shall not be treated as an arrearage payment or a future payment.~~

Sec. 8. Minnesota Statutes 2004, section 518.551, subdivision 5b, is amended to read:

Subd. 5b. [DETERMINATION OF INCOME PROVIDING INCOME INFORMATION.] (a) ~~The parties shall~~ timely serve and file documentation of earnings and income. ~~When there is a prehearing conference, the court must receive the documentation of income at least ten days prior to the prehearing conference. Documentation of earnings and income also includes, but is not limited to, pay stubs for the most recent three months, employer statements, or statement of receipts and expenses if self employed. Documentation of earnings and income also includes copies of each parent's most recent federal tax returns, including W-2 forms, 1099 forms, unemployment benefits statements, workers' compensation statements, and all other documents evidencing income as received that provide verification of income over a longer period~~ In any case where the parties have joint children for which a child support order must be determined, the parties shall serve and file with their initial pleadings or motion documents, a financial affidavit, disclosing all sources of gross income. The financial affidavit shall include relevant supporting documentation necessary to calculate the parental income for child support under section 518.54, subdivision 15, including, but not limited to, pay stubs for the most recent three months, employer statements, or statements of receipts and expenses if self-employed. Documentation of earnings and income also include relevant copies of each parent's most recent federal tax returns, including W-2 forms, 1099 forms, unemployment benefit statements, workers' compensation statements, and all other documents evidencing earnings or income as received that provide verification for the financial affidavit.

(b) In addition to the requirements of paragraph (a), at any time after an action seeking child support has been commenced or when a child support order is in effect, a party or the public authority may require the other party to give them a copy of the party's most recent federal tax returns that were filed with the Internal Revenue Service. The party shall provide a copy of the tax returns within 30 days of receipt of the request unless the request is not made in good faith. A request under this paragraph may not be made more than once every two years, in the absence of good cause.

(c) If a parent under the jurisdiction of the court does not ~~appear at a court hearing after proper notice of the time and place of the hearing~~ serve and file the financial affidavit with the parent's initial pleading, the court shall set income for that parent based on credible evidence before the court or in accordance with ~~paragraph (d)~~ section 518.54, subdivision 23. Credible evidence may include documentation of current or recent income, testimony of the other parent concerning recent earnings and income levels, and the parent's wage reports filed with the Minnesota Department of Employment and Economic Development under section 268.044.

~~(d) If the court finds that a parent is voluntarily unemployed or underemployed or was voluntarily unemployed or underemployed during the period for which past support is being sought, support shall be calculated based on a determination of imputed income. A parent is not considered voluntarily unemployed or underemployed upon a showing by the parent that the unemployment or underemployment: (1) is temporary and will ultimately lead to an increase in income; or (2) represents a bona fide career change that outweighs the adverse effect of that parent's diminished income on the child. Imputed income means the estimated earning ability of a parent based on the parent's prior earnings history, education, and job skills, and on availability of jobs within the community for an individual with the parent's qualifications.~~

~~(e) If there is insufficient information to determine actual income or to impute income pursuant to paragraph (d), the court may calculate support based on full-time employment of 40 hours per week at 150 percent of the federal minimum wage or the Minnesota minimum wage, whichever is higher. If a parent is a recipient of public assistance under section 256.741, or is physically or mentally incapacitated, it shall be presumed that the parent is not voluntarily unemployed or underemployed.~~

~~(f) Income from self employment is equal to gross receipts minus ordinary and necessary expenses. Ordinary and necessary expenses do not include amounts allowed by the Internal Revenue Service for accelerated depreciation expenses or investment tax credits or any other business expenses determined by the court to be inappropriate for determining income for purposes of child support. The person seeking to deduct an expense, including depreciation, has the burden of proving, if challenged, that the expense is ordinary and necessary. Net income under this section may be different from taxable income.~~

Sec. 9. [518.6197] [CHILD SUPPORT DEBT/ARREARAGE MANAGEMENT.]

In order to reduce and otherwise manage support debts and arrearages, the parties, including the public authority where arrearages have been assigned to the public authority, may compromise unpaid support debts or arrearages owed by one party to another, whether or not docketed as a judgment. A party may agree or disagree to compromise only those debts or arrearages owed to that party.

Sec. 10. Minnesota Statutes 2004, section 518.64, subdivision 2, is amended to read:

Subd. 2. [MODIFICATION.] (a) The terms of an order respecting maintenance or support may be modified upon a showing of one or more of the following: (1) substantially increased or decreased ~~earnings of a party~~ gross income of an obligor or obligee; (2) substantially increased or decreased need of ~~a party~~ an obligor or obligee or the child or children that are the subject of these proceedings; (3) receipt of assistance under the AFDC program formerly codified under sections 256.72 to 256.87 or 256B.01 to 256B.40, or chapter 256J or 256K; (4) a change in the cost of living for either party as measured by the Federal Bureau of Labor Statistics, any of which makes the

terms unreasonable and unfair; (5) extraordinary medical expenses of the child not provided for under section 518.171; ~~or~~ (6) the addition of work-related or education-related child care expenses of the obligee or a substantial increase or decrease in existing work-related or education-related child care expenses; or (7) upon the emancipation of the child, as provided in section 518.64, subdivision 4a.

~~On a motion to modify support, the needs of any child the obligor has after the entry of the support order that is the subject of a modification motion shall be considered as provided by section 518.551, subdivision 5f.~~

(b) It is presumed that there has been a substantial change in circumstances under paragraph (a) and the terms of a current support order shall be rebuttably presumed to be unreasonable and unfair if:

(1) the application of the child support guidelines in section 518.551, subdivision 5, to the current circumstances of the parties results in a calculated court order that is at least 20 percent and at least ~~\$50~~ \$75 per month higher or lower than the current support order;

(2) the medical support provisions of the order established under section ~~518.171~~ 518.719 are not enforceable by the public authority or the obligee;

(3) health coverage ordered under section ~~518.171~~ 518.719 is not available to the child for whom the order is established by the parent ordered to provide; ~~or~~

(4) the existing support obligation is in the form of a statement of percentage and not a specific dollar amount; or

(5) the gross income of an obligor or obligee has decreased by at least 20 percent through no fault or choice of the party.

(c) A child support order is not presumptively modifiable solely because an obligor or obligee becomes responsible for the support of an additional nonjoint child, which is born after an existing order. Section 518.717 shall be considered if other grounds are alleged which allow a modification of support.

(d) On a motion for modification of maintenance, including a motion for the extension of the duration of a maintenance award, the court shall apply, in addition to all other relevant factors, the factors for an award of maintenance under section 518.552 that exist at the time of the motion. On a motion for modification of support, the court:

(1) shall apply section ~~518.551, subdivision 5~~ 518.725, and shall not consider the financial circumstances of each party's spouse, if any; and

(2) shall not consider compensation received by a party for employment in excess of a 40-hour work week, provided that the party demonstrates, and the court finds, that:

(i) the excess employment began after entry of the existing support order;

(ii) the excess employment is voluntary and not a condition of employment;

(iii) the excess employment is in the nature of additional, part-time employment, or overtime employment compensable by the hour or fractions of an hour;

(iv) the party's compensation structure has not been changed for the purpose of affecting a support or maintenance obligation;

(v) in the case of an obligor, current child support payments are at least equal to the guidelines amount based on income not excluded under this clause; and

(vi) in the case of an obligor who is in arrears in child support payments to the obligee, any net income from excess employment must be used to pay the arrearages until the arrearages are paid in full.

~~(d)~~ (e) A modification of support or maintenance, including interest that accrued pursuant to section 548.091, may be made retroactive only with respect to any period during which the petitioning party has pending a motion for modification but only from the date of service of notice of the motion on the responding party and on the public authority if public assistance is being furnished or the county attorney is the attorney of record. ~~However, modification may be applied to an earlier period if the court makes express findings that:~~

~~(1) the party seeking modification was precluded from serving a motion by reason of a significant physical or mental disability, a material misrepresentation of another party, or fraud upon the court and that the party seeking modification, when no longer precluded, promptly served a motion;~~

~~(2) the party seeking modification was a recipient of federal Supplemental Security Income (SSI), Title II Older Americans, Survivor's Disability Insurance (OASDI), other disability benefits, or public assistance based upon need during the period for which retroactive modification is sought;~~

~~(3) the order for which the party seeks amendment was entered by default, the party shows good cause for not appearing, and the record contains no factual evidence, or clearly erroneous evidence regarding the individual obligor's ability to pay; or~~

~~(4) the party seeking modification was institutionalized or incarcerated for an offense other than nonsupport of a child during the period for which retroactive modification is sought and lacked the financial ability to pay the support ordered during that time period. In determining whether to allow the retroactive modification, the court shall consider whether and when a request was made to the public authority for support modification.~~

~~The court may provide that a reduction in the amount allocated for child care expenses based on a substantial decrease in the expenses is effective as of the date the expenses decreased.~~

(e) (f) Except for an award of the right of occupancy of the homestead, provided in section 518.63, all divisions of real and personal property provided by section 518.58 shall be final, and may be revoked or modified only where the court finds the existence of conditions that justify reopening a judgment under the laws of this state, including motions under section 518.145, subdivision 2. The court may impose a lien or charge on the divided property at any time while the property, or subsequently acquired property, is owned by the parties or either of them, for the payment of maintenance or support money, or may sequester the property as is provided by section 518.24.

~~(f)~~ (g) The court need not hold an evidentiary hearing on a motion for modification of maintenance or support.

~~(g)~~ (h) Section 518.14 shall govern the award of attorney fees for motions brought under this subdivision.

(i) Except as expressly provided, an enactment, amendment, or repeal of law does not constitute a substantial change in the circumstances for purposes of modifying a child support order.

(j) There may be no modification of an existing child support order during the first year following the effective date of sections 518.7123 to 518.729 except as follows:

(1) there is at least a 20 percent change in the gross income of the obligor;

(2) there is a change in the number of joint children for whom the obligor is legally responsible and actually supporting;

(3) the child supported by the existing child support order becomes disabled; or

(4) both parents consent to modification of the existing order in compliance with the new income shares guidelines.

(k) On the first modification under the income shares method of calculation, the modification of basic support may be limited if the amount of the full variance would create hardship for either the obligor or the obligee.

Paragraph (j) expires January 1, 2008.

Sec. 11. Minnesota Statutes 2004, section 518.64, is amended by adding a subdivision to read:

Subd. 7. [CHILD CARE EXCEPTION.] The court may provide that a reduction in the amount allocated for child care expenses based on a substantial decrease in the expenses is effective as of the date the expense is decreased.

Sec. 12. Minnesota Statutes 2004, section 518.64, is amended by adding a subdivision to read:

Subd. 8. [CHILD SUPPORT DEBT AND ARREARAGE MANAGEMENT.] The parties, including the public authority, may compromise child support debt or arrearages owed by one party to another, whether or not reduced to judgment, upon agreement of the parties involved.

Sec. 13. Minnesota Statutes 2004, section 518.68, subdivision 2, is amended to read:

Subd. 2. [CONTENTS.] The required notices must be substantially as follows:

IMPORTANT NOTICE

1. PAYMENTS TO PUBLIC AGENCY

According to Minnesota Statutes, section 518.551, subdivision 1, payments ordered for maintenance and support must be paid to the public agency responsible for child support enforcement as long as the person entitled to receive the payments is receiving or has applied for public assistance or has applied for support and maintenance collection services. MAIL PAYMENTS TO:

2. DEPRIVING ANOTHER OF CUSTODIAL OR PARENTAL RIGHTS -- A FELONY

A person may be charged with a felony who conceals a minor child or takes, obtains, retains, or fails to return a minor child from or to the child's parent (or person with custodial or visitation rights), according to Minnesota Statutes, section 609.26. A copy of that section is available from any district court clerk.

3. NONSUPPORT OF A SPOUSE OR CHILD -- CRIMINAL PENALTIES

A person who fails to pay court-ordered child support or maintenance may be charged with a crime, which may include misdemeanor, gross misdemeanor, or felony charges, according to Minnesota Statutes, section 609.375. A copy of that section is available from any district court clerk.

4. RULES OF SUPPORT, MAINTENANCE, PARENTING TIME

(a) Payment of support or spousal maintenance is to be as ordered, and the giving of gifts or making purchases of food, clothing, and the like will not fulfill the obligation.

(b) Payment of support must be made as it becomes due, and failure to secure or denial of parenting time is NOT an excuse for nonpayment, but the aggrieved party must seek relief through a proper motion filed with the court.

(c) Nonpayment of support is not grounds to deny parenting time. The party entitled to receive support may apply for support and collection services, file a contempt motion, or obtain a judgment as provided in Minnesota Statutes, section 548.091.

(d) The payment of support or spousal maintenance takes priority over payment of debts and other obligations.

(e) A party who accepts additional obligations of support does so with the full knowledge of the party's prior obligation under this proceeding.

(f) Child support or maintenance is based on annual income, and it is the responsibility of a person with seasonal employment to budget income so that payments are made throughout the year as ordered.

~~(g) If the obligor is laid off from employment or receives a pay reduction, support may be reduced, but only if a motion to reduce the support is served and filed with the court. Any reduction will take effect only if ordered by the court and may only relate back to the time that the motion is filed. If a motion is not filed, the support obligation will continue at the current level. The court is not permitted to reduce support retroactively, except as provided in Minnesota Statutes, section 518.64, subdivision 2, paragraph (e).~~

~~(h)~~ Reasonable parenting time guidelines are contained in Appendix B, which is available from the court administrator.

~~(i)~~ (h) The nonpayment of support may be enforced through the denial of student grants; interception of state and federal tax refunds; suspension of driver's, recreational, and occupational licenses; referral to the department of revenue or private collection agencies; seizure of assets, including bank accounts and other assets held by financial institutions; reporting to credit bureaus; interest charging, income withholding, and contempt proceedings; and other enforcement methods allowed by law.

(i) The public authority may suspend or resume collection of the amount allocated for child care expenses if the conditions of section 518.72, subdivision 4, are met.

5. MODIFYING CHILD SUPPORT

If either the obligor or obligee is laid off from employment or receives a pay reduction, child support may be modified, increased, or decreased. Any modification will only take effect when it is ordered by the court, and will only relate back to the time that a motion is filed. Either the obligor or obligee may file a motion to modify child support, and may request the public agency for help. UNTIL A MOTION IS FILED, THE CHILD SUPPORT OBLIGATION WILL CONTINUE AT THE CURRENT LEVEL. THE COURT IS NOT PERMITTED TO REDUCE SUPPORT RETROACTIVELY.

5 6. PARENTAL RIGHTS FROM MINNESOTA STATUTES, SECTION 518.17, SUBDIVISION 3

Unless otherwise provided by the Court:

(a) Each party has the right of access to, and to receive copies of, school, medical, dental, religious training, and other important records and information about the minor children. Each party has the right of access to information regarding health or dental insurance available to the minor children. Presentation of a copy of this order to the custodian of a record or other information about the minor children constitutes sufficient authorization for the release of the record or information to the requesting party.

(b) Each party shall keep the other informed as to the name and address of the school of attendance of the minor children. Each party has the right to be informed by school officials about the children's welfare, educational progress and status, and to attend school and parent teacher conferences. The school is not required to hold a separate conference for each party.

(c) In case of an accident or serious illness of a minor child, each party shall notify the other party of the accident or illness, and the name of the health care provider and the place of treatment.

(d) Each party has the right of reasonable access and telephone contact with the minor children.

6 7. WAGE AND INCOME DEDUCTION OF SUPPORT AND MAINTENANCE

Child support and/or spousal maintenance may be withheld from income, with or without notice to the person obligated to pay, when the conditions of Minnesota Statutes, section 518.6111 have been met. A copy of those sections is available from any district court clerk.

7 8. CHANGE OF ADDRESS OR RESIDENCE

Unless otherwise ordered, each party shall notify the other party, the court, and the public authority responsible for collection, if applicable, of the following information within ten days of any change: the residential and mailing address, telephone number, driver's license number, Social Security number, and name, address, and telephone number of the employer.

8 9. COST OF LIVING INCREASE OF SUPPORT AND MAINTENANCE

Child support and/or spousal maintenance may be adjusted every two years based upon a change in the cost of living (using Department of Labor Consumer Price Index, unless otherwise specified in this order) when the conditions of Minnesota Statutes, section 518.641, are met. Cost of living increases are compounded. A copy of Minnesota Statutes, section 518.641, and forms necessary to request or contest a cost of living increase are available from any district court clerk.

9 10. JUDGMENTS FOR UNPAID SUPPORT

If a person fails to make a child support payment, the payment owed becomes a judgment against the person responsible to make the payment by operation of law on or after the date the payment is due, and the person entitled to receive the payment or the public agency may obtain entry and docketing of the judgment WITHOUT NOTICE to the person responsible to make the payment under Minnesota Statutes, section 548.091. Interest begins to accrue on a payment or installment of child support whenever the unpaid amount due is greater than the current support due, according to Minnesota Statutes, section 548.091, subdivision 1a.

~~40~~ 11. JUDGMENTS FOR UNPAID MAINTENANCE

A judgment for unpaid spousal maintenance may be entered when the conditions of Minnesota Statutes, section 548.091, are met. A copy of that section is available from any district court clerk.

~~44~~ 12. ATTORNEY FEES AND COLLECTION COSTS FOR ENFORCEMENT OF CHILD SUPPORT

A judgment for attorney fees and other collection costs incurred in enforcing a child support order will be entered against the person responsible to pay support when the conditions of section 518.14, subdivision 2, are met. A copy of section 518.14 and forms necessary to request or contest these attorney fees and collection costs are available from any district court clerk.

~~42~~ 13. PARENTING TIME EXPEDITOR PROCESS

On request of either party or on its own motion, the court may appoint a parenting time expeditor to resolve parenting time disputes under Minnesota Statutes, section 518.1751. A copy of that section and a description of the expeditor process is available from any district court clerk.

~~43~~ 14. PARENTING TIME REMEDIES AND PENALTIES

Remedies and penalties for the wrongful denial of parenting time are available under Minnesota Statutes, section 518.175, subdivision 6. These include compensatory parenting time; civil penalties; bond requirements; contempt; and reversal of custody. A copy of that subdivision and forms for requesting relief are available from any district court clerk.

Sec. 14. [518.7123] [CALCULATION OF GROSS INCOME.]

(a) Except as excluded below, gross income includes income from any source, including, but not limited to, salaries, wages, commissions, advances, bonuses, dividends, severance pay, pensions, interest, honoraria, trust income, annuities, return on capital, Social Security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, gifts, prizes, including lottery winnings, alimony, spousal maintenance payments, income from self-employment or operation of a business, as determined under section 518.7125. All salary, wages, commissions, or other compensation paid by third parties shall be based upon Medicare gross income. No deductions shall be allowed for contributions to pensions, 401-K, IRA, or other retirement benefits.

(b) Excluded and not counted in gross income is compensation received by a party for employment in excess of a 40-hour work week, provided that:

(1) child support is nonetheless ordered in an amount at least equal to the guideline amount based on gross income not excluded under this clause; and

(2) the party demonstrates, and the court finds, that:

(i) the excess employment began after the filing of the petition for dissolution;

(ii) the excess employment reflects an increase in the work schedule or hours worked over that of the two years immediately preceding the filing of the petition;

(iii) the excess employment is voluntary and not a condition of employment;

(iv) the excess employment is in the nature of additional, part-time or overtime employment compensable by the hour or fraction of an hour; and

(v) the party's compensation structure has not been changed for the purpose of affecting a support or maintenance obligation.

(c) Expense reimbursements or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business shall be counted as income if they reduce personal living expenses.

(d) Gross income may be calculated on either an annual or monthly basis. Weekly income shall be translated to monthly income by multiplying the weekly income by 4.33.

(e) Excluded and not counted as income is any child support payment received by a party. It is a rebuttable presumption that adoption assistance payments, guardianship assistance payments, and foster care subsidies are excluded and not counted as income.

(f) Excluded and not counted as income is the income of the obligor's spouse and the obligee's spouse.

Sec. 15. [518.7125] [INCOME FROM SELF-EMPLOYMENT OR OPERATION OF A BUSINESS.]

For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, gross income is defined as gross receipts minus costs of goods sold minus ordinary and necessary expenses required for self-employment or business operation. Specifically excluded from ordinary and necessary expenses are amounts allowable by the Internal Revenue Service for the accelerated component of depreciation expenses, investment tax credits, or any other business expenses determined by the court to be inappropriate or excessive for determining gross income for purposes of calculating child support.

Sec. 16. [518.713] [COMPUTATION OF CHILD SUPPORT OBLIGATIONS.]

To determine the presumptive amount of support owed by a parent, follow the procedure set forth in this section:

- (1) determine the gross income of each parent using the definition in section 518.54, subdivision 18;
- (2) calculate the parental income for child support (PICS) of each parent under section 518.54, subdivision 15, by subtracting from the gross income the credit, if any, for each parent's nonjoint children under section 518.717;
- (3) determine the percentage contribution of each parent to the combined PICS by dividing the combined PICS into each parent's PICS;
- (4) determine the combined basic support obligation by application of the schedule in section 518.725;
- (5) determine each parent's share of the basic support obligation by multiplying the percentage figure from clause (3) by the combined basic support obligation in clause (4);
- (6) determine the parenting expense adjustment, if any, as provided in section 518.722, and adjust that parent's basic support obligation accordingly;
- (7) determine the child care support obligation for each parent as provided in section 518.72;
- (8) determine the health care coverage obligation for each parent as provided in section 518.719. Unreimbursed and uninsured medical expenses are not included in the presumptive amount of support owed by a parent and are calculated and collected as described in section 518.722;
- (9) determine each parent's total child support obligation by adding together each parent's basic support, child care support, and health care coverage obligations as provided in clauses (1) to (8);

(10) reduce or increase each parent's total child support obligation by the amount of the health care coverage contribution paid by or on behalf of the other parent, as provided in section 518.719, subdivision 5;

(11) if Social Security benefits or veterans' benefits are received by one parent as a representative payee for a joint child due to the other parent's disability or retirement, subtract the amount of benefits from the other parent's net child support obligation, if any;

(12) apply the self-support adjustment and minimum support obligation provisions as provided in section 518.724; and

(13) the final child support order shall separately designate the amount owed for basic support, child care support, and medical support.

Sec. 17. [518.714] [DEVIATIONS FROM CHILD SUPPORT GUIDELINES.]

Subdivision 1. [GENERAL FACTORS.] Among other reasons, deviation from the presumptive guideline amount is intended to encourage prompt and regular payments of child support and to prevent either parent or the joint children from living in poverty. In addition to the child support guidelines, the court must take into consideration the following factors in setting or modifying child support or in determining whether to deviate upward or downward from the guidelines:

(1) all earnings, income, circumstances, and resources of each parent, including real and personal property, but excluding income from excess employment of the obligor or obligee that meets the criteria of section 518.7123, paragraph (b), clause (2);

(2) the extraordinary financial needs and resources, physical and emotional condition, and educational needs of the child to be supported;

(3) the standard of living the child would enjoy if the parents were currently living together, but recognizing that the parents now have separate households;

(4) which parent receives the income taxation dependency exemption and the financial benefit the parent receives from it;

(5) the parents' debts as provided in subdivision 2; and

(6) the obligor's total payments for court-ordered child support exceed the limitations set forth in section 571.922.

Subd. 2. [DEBT OWED TO PRIVATE CREDITORS.] (a) In establishing or modifying a support obligation, the court may consider debts owed to private creditors, but only if:

(1) the right to support has not been assigned under section 256.741;

(2) the court determines that the debt was reasonably incurred for necessary support of the child or parent or for the necessary generation of income. If the debt was incurred for the necessary generation of income, the court may consider only the amount of debt that is essential to the continuing generation of income; and

(3) the party requesting a departure produces a sworn schedule of the debts, with supporting documentation, showing goods or services purchased, the recipient of them, the original debt amount, the outstanding balance, the monthly payment, and the number of months until the debt will be fully paid.

(b) A schedule prepared under paragraph (a), clause (3), must contain a statement that the debt will be fully paid after the number of months shown in the schedule, barring emergencies beyond the party's control.

(c) Any further departure below the guidelines that is based on a consideration of debts owed to private creditors must not exceed 18 months in duration. After 18 months the support must increase automatically to the level ordered by the court. This section does not prohibit one or more step increases in support to reflect debt retirement during the 18-month period.

(d) If payment of debt is ordered pursuant to this section, the payment must be ordered to be in the nature of child support.

Subd. 3. [EVIDENCE.] The court may receive evidence on the factors in this section to determine if the guidelines should be exceeded or modified in a particular case.

Subd. 4. [PAYMENTS ASSIGNED TO PUBLIC AUTHORITY.] If the child support payments are assigned to the public authority under section 256.741, the court may not deviate downward from the child support guidelines unless the court specifically finds that the failure to deviate downward would impose an extreme hardship on the obligor.

Subd. 5. [JOINT LEGAL CUSTODY.] An award of joint legal custody is not a reason for deviation from the guidelines.

Subd. 6. [SELF-SUPPORT LIMITATION.] If, after payment of income and payroll taxes, the obligor can establish that they do not have enough for the self-support reserve, a downward deviation may be allowed.

Sec. 18. [518.715] [WRITTEN FINDINGS.]

Subdivision 1. [NO DEVIATION.] If the court does not deviate from the guidelines, the court must make written findings concerning the amount of the parties' gross income used as the basis for the guidelines calculation and any other significant evidentiary factors affecting the child support determination.

Subd. 2. [DEVIATION.] (a) If the court deviates from the guidelines by agreement of the parties or pursuant to section 518.714, the court must make written findings giving the amount of support calculated under the guidelines, the reasons for the deviation, and must specifically address how the deviation serves the best interests of the child; and

(b) determine each parent's gross income and PICS.

Subd. 3. [WRITTEN FINDINGS REQUIRED IN EVERY CASE.] The provisions of this section apply whether or not the parties are each represented by independent counsel and have entered into a written agreement. The court must review stipulations presented to it for conformity to the guidelines. The court is not required to conduct a hearing, but the parties must provide sufficient documentation to verify the child support determination, and justify any deviation from the guidelines.

Sec. 19. [518.716] [GUIDELINES REVIEW.]

No later than 2006 and every four years after that, the Department of Human Services must conduct a review of the child support guidelines.

Sec. 20. [518.717] [NONJOINT CHILDREN.]

(a) When either or both parents of the joint child subject to this determination are legally responsible for a nonjoint child who resides in that parent's household, a credit for this obligation shall be calculated under this section.

(b) Determine the gross income for each parent under section 518.54, subdivision 18.

(c) Using the guideline as established in section 518.725, determine the basic child support obligation for the nonjoint child or children who actually reside in the parent's household, by using the gross income of the parent for whom the credit is being calculated, and using the number of nonjoint children actually in the parent's immediate household. If the number of nonjoint children to be used for the determination is greater than two, the determination shall be made using the number two instead of the greater number.

(d) The credit for nonjoint children shall be 50 percent of the guideline amount from paragraph (c).

Sec. 21. [518.718] [SOCIAL SECURITY OR VETERANS' BENEFIT PAYMENTS RECEIVED ON BEHALF OF THE CHILD.]

(a) The amount of the monthly Social Security benefits or apportioned veterans' benefits received by the child or on behalf of the child shall be added to the gross income of the parent for whom the disability or retirement benefit was paid.

(b) The amount of the monthly survivors' and dependents' educational assistance received by the child or on behalf of the child shall be added to the gross income of the parent for whom the disability or retirement benefit was paid.

(c) If the Social Security or apportioned veterans' benefits are paid on behalf of the obligor, and are received by the obligee as a representative payee for the child or by the child attending school, then the amount of the benefits may also be subtracted from the obligor's net child support obligation as calculated pursuant to section 518.713.

(d) If the survivors' and dependents' educational assistance is paid on behalf of the obligor, and is received by the obligee as a representative payee for the child or by the child attending school, then the amount of the assistance shall also be subtracted from the obligor's net child support obligation as calculated pursuant to section 518.713.

Sec. 22. [518.719] [MEDICAL SUPPORT.]

Subdivision 1. [DEFINITIONS.] The definitions in this subdivision apply to sections 518.54 to 518.773.

(a) "Health care coverage" means health care benefits that are provided by a health plan. Health care coverage does not include any form of medical assistance under chapter 256B or MinnesotaCare under chapter 256L.

(b) "Health carrier" means a carrier as defined in sections 62A.011, subdivision 2, and 62L.02, subdivision 16.

(c) "Health plan" means a plan meeting the definition under section 62A.011, subdivision 3, a group health plan governed under the federal Employee Retirement Income Security Act of 1974 (ERISA), a self-insured plan under sections 43A.23 to 43A.317 and 471.617, or a policy, contract, or certificate issued by a community-integrated service network licensed under chapter 62N. Health plan includes plans:

(1) provided on an individual and group basis;

(2) provided by an employer or union;

(3) purchased in the private market; and

(4) available to a person eligible to carry insurance for the joint child.

Health plan includes a plan providing for dependent-only dental or vision coverage and a plan provided through a party's spouse or parent.

(d) "Medical support" means providing health care coverage for a joint child by carrying health care coverage for the joint child or by contributing to the cost of health care coverage, public coverage, unreimbursed medical expenses, and uninsured medical expenses of the joint child.

(e) "National medical support notice" means an administrative notice issued by the public authority to enforce health insurance provisions of a support order in accordance with Code of Federal Regulations, title 45, section 303.32, in cases where the public authority provides support enforcement services.

(f) "Public coverage" means health care benefits provided by any form of medical assistance under chapter 256B or MinnesotaCare under chapter 256L.

(g) "Uninsured medical expenses" means a joint child's reasonable and necessary health-related expenses if the joint child is not covered by a health plan or public coverage when the expenses are incurred.

(h) "Unreimbursed medical expenses" means a joint child's reasonable and necessary health-related expenses if a joint child is covered by a health plan or public coverage and the plan or coverage does not pay for the total cost of the expenses when the expenses are incurred. Unreimbursed medical expenses do not include the cost of premiums. Unreimbursed medical expenses include, but are not limited to, deductibles, co-payments, and expenses for orthodontia, and prescription eyeglasses and contact lenses, but not over-the-counter medications if coverage is under a health plan.

Subd. 2. [ORDER.] (a) A completed national medical support notice issued by the public authority or a court order that complies with this section is a qualified medical child support order under the federal Employee Retirement Income Security Act of 1974 (ERISA), United States Code, title 29, section 1169(a).

(b) Every order addressing child support must state:

(1) the names, last known addresses, and Social Security numbers of the parents and the joint child that is a subject of the order unless the court prohibits the inclusion of an address or Social Security number and orders the parents to provide the address and Social Security number to the administrator of the health plan;

(2) whether appropriate health care coverage for the joint child is available and, if so, state:

(i) which party must carry health care coverage;

(ii) the cost of premiums and how the cost is allocated between the parties;

(iii) how unreimbursed expenses will be allocated and collected by the parties; and

(iv) the circumstances, if any, under which the obligation to provide health care coverage for the joint child will shift from one party to the other;

(3) if appropriate health care coverage is not available for the joint child, whether a contribution for medical support is required; and

(4) whether the amount ordered for medical support is subject to a cost-of-living adjustment under section 518.641.

Subd. 3. [DETERMINING APPROPRIATE HEALTH CARE COVERAGE.] (a) In determining whether a party has appropriate health care coverage for the joint child, the court must evaluate the health plan using the following factors:

(1) accessible coverage. Dependent health care coverage is accessible if the covered joint child can obtain services from a health plan provider with reasonable effort by the parent with whom the joint child resides. Health care coverage is presumed accessible if:

(i) primary care coverage is available within 30 minutes or 30 miles of the joint child's residence and specialty care coverage is available within 60 minutes or 60 miles of the joint child's residence;

(ii) the coverage is available through an employer and the employee can be expected to remain employed for a reasonable amount of time; and

(iii) no preexisting conditions exist to delay coverage unduly;

(2) comprehensive coverage. Dependent health care coverage is comprehensive if it includes, at a minimum, medical and hospital coverage and provides for preventive, emergency, acute, and chronic care. If both parties have health care coverage that meets the minimum requirements, the court must determine which health care coverage is more comprehensive by considering whether the coverage includes:

(i) basic dental coverage;

(ii) orthodontia;

(iii) eyeglasses;

(iv) contact lenses;

(v) mental health services; or

(vi) substance abuse treatment;

(3) affordable coverage. Dependent health care coverage is affordable if it is reasonable in cost; and

(4) the joint child's special medical needs, if any.

(b) If both parties have health care coverage available for a joint child, and the court determines under paragraph (a), clauses (1) and (2), that the available coverage is comparable with regard to accessibility and comprehensiveness, the least costly health care coverage is the presumed appropriate health care coverage for the joint child.

Subd. 4. [ORDERING HEALTH CARE COVERAGE.] (a) If a joint child is presently enrolled in health care coverage, the court must order that the parent who currently has the joint child enrolled continue that enrollment unless the parties agree otherwise or a party requests a change in coverage and the court determines that other health care coverage is more appropriate.

(b) If a joint child is not presently enrolled in health care coverage, upon motion of a party or the public authority, the court must determine whether one or both parties have appropriate health care coverage for the joint child and order the party with appropriate health care coverage available to carry the coverage for the joint child.

(c) If only one party has appropriate health care coverage available, the court must order that party to carry the coverage for the joint child.

(d) If both parties have appropriate health care coverage available, the court must order the parent with whom the joint child resides to carry the coverage for the joint child, unless:

(1) either party expresses a preference for coverage available through the parent with whom the joint child does not reside;

(2) the parent with whom the joint child does not reside is already carrying dependent health care coverage for other children and the cost of contributing to the premiums of the other parent's coverage would cause the parent with whom the joint child does not reside extreme hardship; or

(3) the parents agree to provide coverage and agree on the allocation of costs.

(e) If the exception in paragraph (d), clause (1) or (2), applies, the court must determine which party has the most appropriate coverage available and order that party to carry coverage for the joint child. If the court determines under subdivision 3, paragraph (a), clauses (1) and (2), that the parties' health care coverage for the joint child is comparable with regard to accessibility and comprehensiveness, the court must presume that the party with the least costly health care coverage to carry coverage for the joint child.

(f) If neither party has appropriate health care coverage available, the court must order the parents to:

(1) contribute toward the actual health care costs of the joint children based on a pro rata share; or

(2) if the joint child is receiving any form of medical assistance under chapter 256B or MinnesotaCare under chapter 256L, the parent with whom the joint child does not reside shall contribute a monthly amount toward the actual cost of medical assistance under chapter 256B or MinnesotaCare under chapter 256L. The amount of contribution of the noncustodial parent is the amount the noncustodial parent would pay for the child's premiums if the noncustodial parent's income meets the eligibility requirements for public coverage. For purposes of determining the premium amount, the noncustodial parent's household size is equal to one parent plus the child or children who are the subject of the child support order. If the noncustodial parent's income exceeds the eligibility requirements for public coverage, the court must order the noncustodial parent's contribution toward the full premium cost of the child's or children's coverage. The custodial parent's obligation is determined under the requirements for public coverage as set forth in chapter 256B or 256L. The court may order the parent with whom the child resides to apply for public coverage for the child.

(g) A presumption of no less than \$50 per month must be applied to the actual health care costs of the joint children or to the cost of health care coverage.

(h) The commissioner of human services must publish a table with the premium schedule for public coverage and update the chart for changes to the schedule by July 1 of each year.

Subd. 5. [MEDICAL SUPPORT COSTS; UNREIMBURSED AND UNINSURED MEDICAL EXPENSES.]

(a) Unless otherwise agreed to by the parties and approved by the court, the court must order that the cost of health care coverage and all unreimbursed and uninsured medical expenses under the health plan be divided between the obligor and obligee based on their proportionate share of the parties' combined monthly PICS.

(b) If a party owes a joint child support obligation for a child and is ordered to carry health care coverage for the joint child, and the other party is ordered to contribute to the carrying party's cost for coverage, the carrying party's child support payment must be reduced by the amount of the contributing party's contribution.

(c) If a party owes a joint child support obligation for a child and is ordered to contribute to the other party's cost for carrying health care coverage for the joint child, the contributing party's child support payment must be increased by the amount of the contribution.

(d) If the party ordered to carry health care coverage for the joint child already carries dependent health care coverage for other dependents and would incur no additional premium costs to add the joint child to the existing coverage, the court must not order the other party to contribute to the premium costs for coverage of the joint child.

(e) If a party ordered to carry health care coverage for the joint child does not already carry dependent health care coverage but has other dependents who may be added to the ordered coverage, the full premium costs of the dependent health care coverage must be allocated between the parties in proportion to the party's share of the parties' combined PICS, unless the parties agree otherwise.

(f) If a party ordered to carry health care coverage for the joint child is required to enroll in a health plan so that the joint child can be enrolled in dependent health care coverage under the plan, the court must allocate the costs of the dependent health care coverage between the parties. The costs of the health care coverage for the party ordered to carry the coverage for the joint child must not be allocated between the parties.

Subd. 6. [NOTICE OR COURT ORDER SENT TO PARTY'S EMPLOYER, UNION, OR HEALTH CARRIER.] (a) The public authority must forward a copy of the national medical support notice or court order for health care coverage to the party's employer within two business days after the date the party is entered into the work reporting system under section 256.998.

(b) The public authority or a party seeking to enforce an order for health care coverage must forward a copy of the national medical support notice or court order to the obligor's employer or union, or to the health carrier under the following circumstances:

(1) the party ordered to carry health care coverage for the joint child fails to provide written proof to the other party or the public authority, within 30 days of the effective date of the court order, that the party has applied for health care coverage for the joint child;

(2) the party seeking to enforce the order or the public authority gives written notice to the party ordered to carry health care coverage for the joint child of its intent to enforce medical support. The party seeking to enforce the order or public authority must mail the written notice to the last known address of the party ordered to carry health care coverage for the joint child; and

(3) the party ordered to carry health care coverage for the joint child fails, within 15 days after the date on which the written notice under clause (2) was mailed, to provide written proof to the other party or the public authority that the party has applied for health care coverage for the joint child.

(c) The public authority is not required to forward a copy of the national medical support notice or court order to the obligor's employer or union, or to the health carrier, if the court orders health care coverage for the joint child that is not employer-based or union-based coverage.

Subd. 7. [EMPLOYER OR UNION REQUIREMENTS.] (a) An employer or union must forward the national medical support notice or court order to its health plan within 20 business days after the date on the national medical support notice or after receipt of the court order.

(b) Upon determination by an employer's or union's health plan administrator that a joint child is eligible to be covered under the health plan, the employer or union and health plan must enroll the joint child as a beneficiary in the health plan, and the employer must withhold any required premiums from the income or wages of the party ordered to carry health care coverage for the joint child.

(c) If enrollment of the party ordered to carry health care coverage for a joint child is necessary to obtain dependent health care coverage under the plan, and the party is not enrolled in the health plan, the employer or union must enroll the party in the plan.

(d) Enrollment of dependents and, if necessary, the party ordered to carry health care coverage for the joint child must be immediate and not dependent upon open enrollment periods. Enrollment is not subject to the underwriting policies under section 62A.048.

(e) Failure of the party ordered to carry health care coverage for the joint child to execute any documents necessary to enroll the dependent in the health plan does not affect the obligation of the employer or union and health plan to enroll the dependent in a plan. Information and authorization provided by the public authority, or by a party or guardian, is valid for the purposes of meeting enrollment requirements of the health plan.

(f) An employer or union that is included under the federal Employee Retirement Income Security Act of 1974 (ERISA), United States Code, title 29, section 1169(a), may not deny enrollment to the joint child or to the parent if necessary to enroll the joint child based on exclusionary clauses described in section 62A.048.

(g) A new employer or union of a party who is ordered to provide health care coverage for a joint child must enroll the joint child in the party's health plan as required by a national medical support notice or court order.

Subd. 8. [HEALTH PLAN REQUIREMENTS.] (a) If a health plan administrator receives a completed national medical support notice or court order, the plan administrator must notify the parties, and the public authority if the public authority provides support enforcement services, within 40 business days after the date of the notice or after receipt of the court order, of the following:

(1) whether coverage is available to the joint child under the terms of the health plan and, if not, the reason why coverage is not available;

(2) whether the joint child is covered under the health plan;

(3) the effective date of the joint child's coverage under the health plan; and

(4) what steps, if any, are required to effectuate the joint child's coverage under the health plan.

(b) If the employer or union offers more than one plan and the national medical support notice or court order does not specify the plan to be carried, the plan administrator must notify the parents and the public authority if the public authority provides support enforcement services. When there is more than one option available under the plan, the public authority, in consultation with the parent with whom the joint child resides, must promptly select from available plan options.

(c) The plan administrator must provide the parents and public authority, if the public authority provides support enforcement services, with a notice of the joint child's enrollment, description of the coverage, and any documents necessary to effectuate coverage.

(d) The health plan must send copies of all correspondence regarding the health care coverage to the parents.

(e) An insured joint child's parent's signature is a valid authorization to a health plan for purposes of processing an insurance reimbursement payment to the medical services provider or to the parent, if medical services have been prepaid by that parent.

Subd. 9. [EMPLOYER OR UNION LIABILITY.] (a) An employer or union that willfully fails to comply with the order or notice is liable for any uninsured medical expenses incurred by the dependents while the dependents were eligible to be enrolled in the health plan and for any other premium costs incurred because the employer or union willfully failed to comply with the order or notice.

(b) An employer or union that fails to comply with the order or notice is subject to a contempt finding, a \$250 civil penalty under section 518.615, and is subject to a civil penalty of \$500 to be paid to the party entitled to reimbursement or the public authority. Penalties paid to the public authority are designated for child support enforcement services.

Subd. 10. [CONTESTING ENROLLMENT.] (a) A party may contest a joint child's enrollment in a health plan on the limited grounds that the enrollment is improper due to mistake of fact or that the enrollment meets the requirements of section 518.145.

(b) If the party chooses to contest the enrollment, the party must do so no later than 15 days after the employer notifies the party of the enrollment by doing the following:

(1) filing a motion in district court or according to section 484.702 and the expedited child support process rules if the public authority provides support enforcement services;

(2) serving the motion on the other party and public authority if the public authority provides support enforcement services; and

(3) securing a date for the matter to be heard no later than 45 days after the notice of enrollment.

(c) The enrollment must remain in place while the party contests the enrollment.

Subd. 11. [DISENROLLMENT; CONTINUATION OF COVERAGE; COVERAGE OPTIONS.] (a) Unless a court order provides otherwise, a child for whom a party is required to provide health care coverage under this section must be covered as a dependent of the party until the child is emancipated, until further order of the court, or as consistent with the terms of the coverage.

(b) The health carrier, employer, or union may not disenroll or eliminate coverage for the child unless:

(1) the health carrier, employer, or union is provided satisfactory written evidence that the court order is no longer in effect;

(2) the joint child is or will be enrolled in comparable health care coverage through another health plan that will take effect no later than the effective date of the disenrollment;

(3) the employee is no longer eligible for dependent coverage; or

(4) the required premium has not been paid by or on behalf of the joint child.

(c) The health plan must provide 30 days' written notice to the joint child's parents, and the public authority if the public authority provides support enforcement services, before the health plan disenrolls or eliminates the joint child's coverage.

(d) A joint child enrolled in health care coverage under a qualified medical child support order, including a national medical support notice, under this section is a dependent and a qualified beneficiary under the Consolidated Omnibus Budget and Reconciliation Act of 1985 (COBRA), Public Law 99-272. Upon expiration of the order, the joint child is entitled to the opportunity to elect continued coverage that is available under the health plan. The employer or union must provide notice to the parties and the public authority, if it provides support services, within ten days of the termination date.

(e) If the public authority provides support enforcement services and a plan administrator reports to the public authority that there is more than one coverage option available under the health plan, the public authority, in consultation with the parent with whom the joint child resides, must promptly select coverage from the available options.

Subd. 12. [SPOUSAL OR FORMER SPOUSAL COVERAGE.] The court must require the parent with whom the joint child does not reside to provide dependent health care coverage for the benefit of the parent with whom the joint child resides if the parent is ordered to provide dependent health care coverage for the parties' joint child and adding the other parent to the coverage results in no additional premium cost.

Subd. 13. [DISCLOSURE OF INFORMATION.] (a) If the public authority provides support enforcement services, the parties must provide the public authority with the following information:

(1) information relating to dependent health care coverage or public coverage available for the benefit of the joint child for whom support is sought, including all information required to be included in a medical support order under this section;

(2) verification that application for court-ordered health care coverage was made within 30 days of the court's order; and

(3) the reason that a joint child is not enrolled in court-ordered health care coverage, if a joint child is not enrolled in coverage or subsequently loses coverage.

(b) Upon request from the public authority under section 256.978, an employer, union, or plan administrator, including an employer subject to the federal Employee Retirement Income Security Act of 1974 (ERISA), United States Code, title 29, section 1169(a), must provide the public authority the following information:

(1) information relating to dependent health care coverage available to a party for the benefit of the joint child for whom support is sought, including all information required to be included in a medical support order under this section; and

(2) information that will enable the public authority to determine whether a health plan is appropriate for a joint child, including, but not limited to, all available plan options, any geographic service restrictions, and the location of service providers.

(c) The employer, union, or plan administrator must not release information regarding one party to the other party. The employer, union, or plan administrator must provide both parties with insurance identification cards and all necessary written information to enable the parties to utilize the insurance benefits for the covered dependent.

(d) The public authority is authorized to release to a party's employer, union, or health plan information necessary to verify availability of dependent health care coverage, or to establish, modify, or enforce medical support.

(e) An employee must disclose to an employer if medical support is required to be withheld under this section and the employer must begin withholding according to the terms of the order and under section 518.6111. If an employee discloses an obligation to obtain health care coverage and coverage is available through the employer, the employer must make all application processes known to the individual and enroll the employee and dependent in the plan.

Subd. 14. [CHILD SUPPORT ENFORCEMENT SERVICES.] The public authority must take necessary steps to establish and enforce an order for medical support if the joint child receives public assistance or a party completes an application for services from the public authority under section 518.551, subdivision 7.

Subd. 15. [ENFORCEMENT.] (a) Remedies available for collecting and enforcing child support apply to medical support.

(b) For the purpose of enforcement, the following are additional support:

(1) the costs of individual or group health or hospitalization coverage;

(2) dental coverage;

(3) medical costs ordered by the court to be paid by either party, including health and dental insurance premiums paid by the obligee because of the obligor's failure to obtain coverage as ordered; and

(4) liabilities established under this subdivision.

(c) A party who fails to carry court-ordered dependent health care coverage is liable for the joint child's uninsured medical expenses unless a court order provides otherwise. A party's failure to carry court-ordered coverage, or to provide other medical support as ordered, is a basis for modification of a support order under section 518.64, subdivision 2.

(d) Payments by the health carrier or employer for services rendered to the dependents that are directed to a party not owed reimbursement must be endorsed over to and forwarded to the vendor or appropriate party or the public authority. A party retaining insurance reimbursement not owed to the party is liable for the amount of the reimbursement.

Subd. 16. [INCOME WITHHOLDING; OFFSET.] (a) If a party owes no joint child support obligation for a child and is an obligor ordered to contribute to the other party's cost for carrying health care coverage for the joint child, the obligor is subject to an offset under subdivision 5 or income withholding under section 518.6111.

(b) If a party's court-ordered health care coverage for the joint child terminates and the joint child is not enrolled in other health care coverage or public coverage, and a modification motion is not pending, the public authority may remove the offset to a party's child support obligation or terminate income withholding instituted against a party under section 518.6111. The public authority must provide notice to the parties of the action.

(c) A party may contest the public authority's action to remove the offset to the child support obligation or terminate income withholding if the party makes a written request for a hearing within 30 days after receiving written notice. If a party makes a timely request for a hearing, the public authority must schedule a hearing and send written notice of the hearing to the parties by mail to the parties' last known addresses at least 14 days before the

hearing. The hearing must be conducted in district court or in the expedited child support process if section 484.702 applies. The district court or child support magistrate must determine whether removing the offset or terminating income withholding is appropriate and, if appropriate, the effective date for the removal or termination.

(d) If the party does not request a hearing, the district court or child support magistrate must order the offset or income withholding termination effective the first day of the month following termination of the joint child's health care coverage.

Subd. 17. [COLLECTING UNREIMBURSED AND UNINSURED MEDICAL EXPENSES.] (a) A party must initiate a request for reimbursement of unreimbursed and uninsured medical expenses within two years of the date that the party incurred the unreimbursed or uninsured medical expenses. The time period in this paragraph does not apply if the location of the other party is unknown.

(b) A party seeking reimbursement of unreimbursed and uninsured medical expenses must mail a written notice of intent to collect the expenses and a copy of an affidavit of health care expenses to the other party at the other party's last known address.

(c) The written notice must include a statement that the party has 30 days from the date the notice was mailed to (1) pay in full; (2) enter a payment agreement; or (3) file a motion requesting a hearing contesting the matter. If the public authority provides support enforcement services, the written notice also must include a statement that the requesting party must submit the amount due to the public authority for collection.

(d) The affidavit of health care expenses must itemize and document the joint child's unreimbursed or uninsured medical expenses and include copies of all bills, receipts, and insurance company explanations of benefits.

(e) If the public authority provides support enforcement services, the party seeking reimbursement must send to the public authority a copy of the written notice, the original affidavit, and copies of all bills, receipts, and insurance company explanations of benefits.

(f) If the party does not respond to the request for reimbursement within 30 days, the party seeking reimbursement or public authority, if the public authority provides support enforcement services, must commence an enforcement action against the party under subdivision 18.

(g) The public authority must serve the other party with a notice of intent to enforce unreimbursed and uninsured medical expenses and file an affidavit of service by mail with the district court administrator. The notice must state that, unless the party (1) pays in full; (2) enters into a payment agreement; or (3) files a motion contesting the matter within 14 days of service of the notice, the public authority will commence enforcement of the expenses as medical support arrears under subdivision 18.

(h) If the party files a timely motion for a hearing contesting the requested reimbursement, the contesting party must schedule a hearing in district court or in the expedited child support process if section 484.702 applies. The contesting party must provide the party seeking reimbursement and the public authority, if the public authority provides support enforcement services, with written notice of the hearing at least 14 days before the hearing by mailing notice of the hearing to the public authority and the party at the party's last known address. The party seeking reimbursement must file the original affidavit of health care expenses with the court at least five days before the hearing. Based upon the evidence presented, the district court or child support magistrate must determine liability for the expenses and order that the liable party is subject to enforcement of the expenses as medical support arrears under subdivision 18.

Subd. 18. [ENFORCING AN ORDER FOR MEDICAL SUPPORT ARREARS.] (a) If a party liable for unreimbursed and uninsured medical expenses owes a child support obligation to the party seeking reimbursement of the expenses, the expenses must be collected as medical support arrears.

(b) If a party liable for unreimbursed and uninsured medical expenses does not owe a child support obligation to the party seeking reimbursement, and the party seeking reimbursement owes the liable party basic support arrears, the liable party's medical support arrears must be deducted from the amount of the basic support arrears.

(c) If a liable party owes medical support arrears after deducting the amount owed from the amount of the child support arrears owed by the party seeking reimbursement, it must be collected as follows:

(1) if the party seeking reimbursement owes a child support obligation to the liable party, the child support obligation must be reduced by 20 percent until the medical support arrears are satisfied;

(2) if the party seeking reimbursement does not owe a child support obligation to the liable party, the liable party's income must be subject to income withholding under section 518.6111 for an amount required under section 518.553 until the medical support arrears are satisfied; or

(3) if the party seeking reimbursement does not owe a child support obligation, and income withholding under section 518.6111 is not available, payment of the medical support arrears must be required under a payment agreement under section 518.553.

(d) If a liable party fails to enter into or comply with a payment agreement, the party seeking reimbursement or the public authority, if it provides support enforcement services, may schedule a hearing to have a court order payment. The party seeking reimbursement or the public authority must provide the liable party with written notice of the hearing at least 14 days before the hearing.

Sec. 23. [518.72] [CHILD CARE SUPPORT.]

Subdivision 1. [CHILD CARE COSTS.] Unless otherwise agreed to by the parties and approved by the court, the court must order that work-related or education-related child care costs of joint children be divided between the obligor and obligee based on their proportionate share of the parties' combined monthly parental income for determining child support. Child care costs shall be adjusted by the amount of the estimated federal and state child care credit payable on behalf of a joint child. The Department of Human Services shall develop tables to calculate the applicable credit based upon the custodial parent's parental income for determining child support.

Subd. 2. [LOW-INCOME OBLIGOR.] (a) If the obligor's parental income for determining child support meets the income eligibility requirements for child care assistance under the basic sliding fee program under chapter 119B, the court must order the obligor to pay the lesser of the following amounts:

(1) the amount of the obligor's monthly co-payment for child care assistance under the basic sliding fee schedule established by the commissioner of education under chapter 119B, based on an obligor's monthly parental income for determining child support and the size of the obligor's household provided that the obligee is actually receiving child care assistance under the basic sliding fee program. For purposes of this subdivision, the obligor's household includes the obligor and the number of joint children for whom child support is being ordered; or

(2) the amount of the obligor's child care obligation under subdivision 1.

(b) The commissioner of human services must publish a table with the child care assistance basic sliding fee amounts and update the table for changes to the basic sliding fee schedule by July 1 of each year.

Subd. 3. [DETERMINING COSTS.] (a) The court must require verification of employment or school attendance and documentation of child care expenses from the obligee and the public authority, if applicable.

(b) If child care expenses fluctuate during the year because of the obligee's seasonal employment or school attendance or extended periods of parenting time with the obligor, the court must determine child care expenses based on an average monthly cost.

(c) The amount allocated for child care expenses is considered child support but is not subject to a cost-of-living adjustment under section 518.641.

(d) The court may allow the parent with whom the joint child does not reside to care for the joint child while the parent with whom the joint child resides is working or attending school, as provided in section 518.175, subdivision 8. Allowing the parent with whom the joint child does not reside to care for the joint child under section 518.175, subdivision 8, is not a reason to deviate from the guidelines.

Subd. 4. [CHANGE IN CHILD CARE.] (a) When a court order provides for child care expenses and the public authority provides child support enforcement services, the public authority must suspend collecting the amount allocated for child care expenses when:

(1) either party informs the public authority that no child care costs are being incurred; and

(2) the public authority verifies the accuracy of the information with the other party.

The public authority will resume collecting child care expenses when either party provides information that child care costs have resumed.

(b) If the parties provide conflicting information to the public authority regarding whether child care expenses are being incurred, the public authority will continue or resume collecting child care expenses. Either party, by motion to the court, may challenge the suspension or resumption of the collection of child care expenses. If the public authority suspends collection activities for the amount allocated for child care expenses, all other provisions of the court order remain in effect.

(c) In cases where there is a substantial increase or decrease in child care expenses, the parties may modify the order under section 518.64.

Sec. 24. [518.722] [PARENTING EXPENSE ADJUSTMENT.]

(a) This section shall apply when the amount of parenting time granted to an obligor is ten percent or greater. Every child support order shall specify the total percent of parenting time granted to each parent.

(b) The obligor shall be entitled to a parenting expense adjustment calculated as follows:

(1) find the adjustment percentage corresponding to the percentage of parenting time allowed to the obligor below:

	<u>Percentage Range of Parenting Time</u>	<u>Adjustment Percentage</u>
<u>(i)</u>	<u>less than 10 percent</u>	<u>no adjustment</u>
<u>(ii)</u>	<u>10 percent to 45 percent</u>	<u>12 percent</u>
<u>(iii)</u>	<u>45.1 percent to 50 percent</u>	<u>presume parenting time is equal</u>

(2) multiply the adjustment percentage by the obligor's basic child support obligation to arrive at the parenting expense adjustment.

(c) Subtract the parenting expense adjustment from the obligor's basic child support obligation. The result is the obligor's obligation after parenting expense adjustment.

(d) If the parenting time is equal, the expenses for the children are equally shared, and the parental incomes for determining child support of the parents also are equal, no support shall be paid.

(e) If the parenting time is equal but the parents' parental incomes for determining child support are not equal, the parent having the greater parental income for determining child support shall be obligated for basic child support, calculated as follows:

(1) multiply the combined basic support by 1.5;

(2) prorate the basic child support obligation between the parents, subtract the lower amount from the higher amount and divide the balance in half; and

(3) the resulting figure is the obligation after parenting expense adjustment for the parent with the greater adjusted gross income.

(f) This parenting expense adjustment reflects the presumption that while exercising parenting time, a parent is responsible for and incurs costs of caring for the child, including, but not limited to, food, transportation, recreation, and household expenses.

(g) In the absence of other evidence, there is a rebuttable presumption that each parent has 25 percent of the parenting time for each joint child.

Sec. 25. [518.724] [ABILITY TO PAY; SELF-SUPPORT ADJUSTMENT.]

It is a rebuttable presumption that a child support order should not exceed the obligor's ability to pay. To determine the amount of child support the obligor has the ability to pay, follow the procedure set out in this section:

(1) calculate the obligor's income available for support by subtracting a monthly self-support reserve equal to 120 percent of the federal poverty guidelines for one person from the obligor's gross income;

(2) compare the obligor's income available for support from clause (1) to the amount of support calculated as per section 518.713, clauses (1) to (15). The amount of child support that is presumed to be correct, as defined in section 518.713, is the lesser of these two amounts;

(3) this section does not apply to an incarcerated obligor;

(4) if the obligor's child support is reduced under clause (2), then the court must apply the reduction to the child support obligation in the following order:

(i) medical support obligation;

(ii) child support care obligation; and

(iii) basic support obligation; and

(5) [MINIMUM BASIC SUPPORT AMOUNT.] if the obligor's income available for support is less than the self-support reserve, then the court must order minimum support as follows:

(i) for one or two children, the obligor's basic support obligation is \$50 per month;

(ii) for three or four children, the obligor's basic support obligation is \$75 per month; and

(iii) for five or more children, the obligor's basic support obligation is \$100 per month.

If the court orders the obligor to pay the minimum basic support amount under this paragraph, the obligor is presumed unable to pay child care support and medical support.

If the court finds the obligor receives no income and completely lacks the ability to earn income, the minimum basic support amount under this paragraph does not apply.

Sec. 26. [518.725] [GUIDELINE USED IN CHILD SUPPORT DETERMINATIONS.]

Subdivision 1. [DETERMINATION OF SUPPORT OBLIGATION.] (a) The guideline in this section is a rebuttable presumption and shall be used in any judicial or administrative proceeding to establish or modify a support obligation under chapter 518.

(b) The basic child support obligation shall be determined by referencing the guideline for the appropriate number of joint children and the combined parental income for determining child support of the parents.

(c) If a child is not in the custody of either parent and a support order is sought against one or both parents, the basic child support obligation shall be determined by referencing the guideline for the appropriate number of joint children, and the parent's individual parental income for determining child support, not the combined parental incomes for determining child support of the parents.

(d) For combined parental incomes for determining child support exceeding \$15,000 per month, the presumed basic child support obligations shall be as for parents with combined parental income for determining child support of \$15,000 per month. A basic child support obligation in excess of this level may be demonstrated for those reasons set forth in section 518.714.

Subd. 2. [BASIC SUPPORT; GUIDELINE.] Unless otherwise agreed to by the parents and approved by the court, when establishing basic support, the court must order that basic support be divided between the parents based on their proportionate share of the parents' combined monthly parental income for determining child support, as determined under section 518.712, subdivision 8. Basic support must be computed using the following guideline:

<u>Combined Parental Income for Determining Child Support</u>		<u>Number of Children</u>					
		<u>One</u>	<u>Two</u>	<u>Three</u>	<u>Four</u>	<u>Five</u>	<u>Six</u>
<u>\$0-</u>	<u>\$799</u>	<u>\$50</u>	<u>\$50</u>	<u>\$75</u>	<u>\$75</u>	<u>\$100</u>	<u>\$100</u>
<u>800-</u>	<u>899</u>	<u>80</u>	<u>129</u>	<u>149</u>	<u>173</u>	<u>201</u>	<u>233</u>
<u>900-</u>	<u>999</u>	<u>90</u>	<u>145</u>	<u>167</u>	<u>194</u>	<u>226</u>	<u>262</u>
<u>1,000-</u>	<u>1,099</u>	<u>116</u>	<u>161</u>	<u>186</u>	<u>216</u>	<u>251</u>	<u>291</u>
<u>1,100-</u>	<u>1,199</u>	<u>145</u>	<u>205</u>	<u>237</u>	<u>275</u>	<u>320</u>	<u>370</u>
<u>1,200-</u>	<u>1,299</u>	<u>177</u>	<u>254</u>	<u>294</u>	<u>341</u>	<u>396</u>	<u>459</u>
<u>1,300-</u>	<u>1,399</u>	<u>212</u>	<u>309</u>	<u>356</u>	<u>414</u>	<u>480</u>	<u>557</u>

<u>1,400-</u>	<u>1,499</u>	<u>251</u>	<u>368</u>	<u>425</u>	<u>493</u>	<u>573</u>	<u>664</u>
<u>1,500-</u>	<u>1,599</u>	<u>292</u>	<u>433</u>	<u>500</u>	<u>580</u>	<u>673</u>	<u>780</u>

<u>the amount</u>							
<u>in effect</u>							
<u>under subd. 4</u>							

Subd. 3. [INCOME CAP ON DETERMINING BASIC SUPPORT.] (a) The basic support obligation for parents with a combined parental income for determining child support in excess of the income limit currently in effect under subdivision 2 must be the same dollar amount as provided for the parties with a combined parental income for determining child support equal to the income in effect under subdivision 2.

(b) A court may order a basic support obligation in a child support order in an amount that exceeds the income limit in subdivision 2 if it finds that a child has a disability or other substantial, demonstrated need for the additional support for those reasons set forth in section 518.714 and that the additional support will directly benefit the child.

(c) The dollar amount for the cap in subdivision 2 must be adjusted on July 1 of every even-numbered year to reflect cost-of-living changes. The Supreme Court must select the index for the adjustment from the indices listed in section 518.641, subdivision 1. The state court administrator must make the changes in the dollar amounts required by this paragraph available to courts and the public on or before April 30 of the year in which the amount is to change.

Subd. 4. [MORE THAN SIX CHILDREN.] If a child support proceeding involves more than six children, the court may derive a support order without specifically following the guidelines. However, the court must consider the basic principles encompassed by the guidelines and must consider both parents' needs, resources, and circumstances.

Sec. 27. [518.729] [WORKSHEET.]

The commissioner of human services must create and publish a worksheet to assist in calculating child support under sections 518.54 to 518.729. The worksheet must not impose substantive requirements other than requirements contained in sections 518.54 to 518.729. The commissioner must update the worksheet by July 1 of each year. The commissioner must make an interactive version of the worksheet available on the Department of Human Services Web site.

Sec. 28. [STUDY OF ECONOMIC IMPACT OF CHILD SUPPORT GUIDELINES.]

The commissioner of human services shall contract with a private provider to conduct an economic analysis of the child support guidelines contained in this act to evaluate whether the guidelines fairly represent the cost of raising children for the respective parental income levels, excluding medical support, child care, and education costs.

The results of the study shall be completed by no later than January 30, 2006. The private provider must have experience in evaluating or establishing child support guidelines, using the income shares approach, in other states.

Sec. 29. [INSTRUCTION TO THE REVISOR.]

The revisor of statutes shall create in the first edition of or supplement to Minnesota Statutes published after June 30, 2005, a new chapter which shall be comprised of the provisions of Minnesota Statutes, chapter 518, that relate to the provision of support for children. The transferred provisions shall be arranged as follows:

(1) definitions;

(2) computations of basic support and the related calculations, adjustments, and guidelines that may affect the computations;

(3) child care support;

(4) medical support;

(5) ability to pay and self-support reserves;

(6) deviation factors; and

(7) collection, administrative, and other matters.

The new chapter shall be edited by the revisor in accordance with usual editorial practices as provided by Minnesota Statutes, section 3C.10. If the revisor determines that additional changes are necessary to assure the clarity and utility of the new chapter, the revisor shall draft and propose appropriate legislation to the legislature.

[EFFECTIVE DATE.] This section is effective the day following final enactment.

Sec. 30. [APPROPRIATIONS.]

\$860,000 is appropriated in fiscal year 2006 from the general fund to the commissioner of human services to fund implementation of this act. \$450,000 is appropriated in fiscal year 2007 from the general fund to the commissioner of human services to reimburse counties for their implementation costs. The commissioner of human services shall distribute funds to the counties for their costs of implementation based upon their total county IV-D caseload. The appropriation base in fiscal year 2008 for grants to counties shall be \$450,000.

\$440,000 is appropriated in fiscal year 2007 from the general fund to the Supreme Court to fund implementation of this act. This is a onetime appropriation.

Sec. 31. [REPEALER.]

Minnesota Statutes 2004, sections 518.171; 518.54, subdivisions 2, 4, and 4a; and 518.551, subdivisions 1, 5a, 5c, and 5f, are repealed.

Sec. 32. [EFFECTIVE DATE.]

Except as otherwise provided, this act is effective January 1, 2007, and applies to orders adopted or modified after that date. Sections 1 to 3 of this act are effective July 1, 2005."
