Page 3, after line 23, insert:

"Sec. 4. **LEGISLATIVE INTENT.**

The intent of the legislature in enacting this bill is to clarify a cross referencing change made in 2007 relating to the criminal vehicular operation crime. It was not the legislature's intent in 2007 to make a substantive change regarding whether prior criminal vehicular operation convictions would qualify as prior impaired driving convictions or prior impaired driving-related losses of licenses or be considered as a predicate offense for the first-degree driving while impaired crime. The legislature's intent has always been that criminal vehicular operation convictions under both the pre-2007 law and the post-2007 law be used for enhancing driving while impaired penalties consistent with the provisions of the driving while impaired laws."

Amend the title accordingly

The motion prevailed and the amendment was adopted.
