Be It Resolved by the House of Representatives of the State of Minnesota that the Temporary Rules of the House for this session, the 87th Regular Session, are the same as the Permanent Rules of the House for the last session, the 86th Regular Session, as they existed on May 16, 2010, with the following exceptions:

Rule 1.01 shall read:

1.01 CONVENING OF THE HOUSE. Unless otherwise ordered, the House convenes at ~~12:00 p.m.~~ 3:00 p.m. The Speaker must take the chair at the appointed hour and call the House to order.

The call to order is followed by a prayer by the Chaplain or time for a brief meditation, then by the pledge of allegiance to the flag of the United States of America, and then by a call of the roll of members. The names of members present and members excused must be entered in the Journal of the House.

Rule 4.03 shall read:

4.03 WAYS AND MEANS COMMITTEE; BUDGET RESOLUTION; EFFECT ON EXPENDITURE AND REVENUE BILLS. (a) The Committee on Ways and Means must hold hearings as necessary to determine state expenditures and revenues for the fiscal biennium.

(b) Within 25 days after the last state general fund revenue and expenditure forecast for the next fiscal biennium becomes available during the regular session in the odd-numbered year, the Committee on Ways and Means must adopt a budget resolution. The budget resolution: (1) must set the maximum limit on net expenditures for the next fiscal biennium for the general fund, (2) must set an amount or amounts to be set aside as a budget reserve and a cash flow account, (3) must set net spending limits for each budget category represented by the major finance and revenue bills identified in paragraph (e), and (4) may set limits for expenditures from funds other than the general fund. The budget resolution must not specify, limit, or prescribe revenues or expenditures by any category other than those specified in clauses (1), (2), (3), and (4). After the Committee adopts the budget resolution, the limits in the resolution are effective during the regular session in the year in which the resolution is adopted, unless a different or amended resolution is adopted.

(c) During the regular session in the even-numbered year, before the Committee on Ways and Means reports a bill containing net increases or decreases in expenditures as compared to general fund expenditures in the current fiscal biennium estimated by the most recent state budget forecast, the Committee may adopt a budget resolution. If adopted, the resolution must account for the net changes in expenditures. The resolution may also (1) set limits for changes in net expenditures for each budget category represented by the major finance and revenue bills identified in paragraph (e), and (2) set limits for expenditures from funds other than the general fund.

If the Committee adopts a budget resolution, it is effective during the regular session that year, unless a different or amended resolution is adopted.

(d) The major finance or revenue bills may be combined or separated by a majority vote of either ~~the Committee on Finance~~, the Committee on Ways and Means, or the Committee on Rules and Legislative Administration. Combined or separated bills must conform to the limits in the resolution as those limits apply to the accounts in those bills.

(e) Major finance and revenue bills are:

the higher education and workforce development finance bill;

the K-12 education finance bill;

the early childhood finance bill;

the agriculture, rural economies, and veterans affairs finance bill;

the environment and natural resources finance bill;

the health care and human services finance bill;

the state government finance bill;

the transportation finance bill;

the public safety finance bill;

the cultural and outdoor resources finance bill;

the energy finance bill;

the housing and public health finance bill;

the capital investment bill; and

the tax bill.

(f) After the adoption of a resolution by the Committee on Ways and Means, ~~the Finance Committee~~, each finance committee ~~division~~, and the Committee on Taxes must reconcile each bill described in Rule 4.10 with the resolution. When reporting a finance or revenue bill, each committee or division must provide to the Committee on Ways and Means a fiscal statement reconciling the bill with the resolution.

(g) After the adoption of a resolution by the Committee on Ways and Means, the Committee on Ways and Means must reconcile finance and revenue bills with the resolution. When reporting a bill, the chair of the Committee must certify to the House that the Committee has reconciled the bill with the resolution.

(h) After the adoption of a resolution by the Committee on Ways and Means, an amendment to a bill is out of order if it would cause any of the limits specified in the resolution to be exceeded. Whether an amendment is out of order under this Rule is a question to be decided on the Floor by the Speaker or other presiding officer and in Committee or Division by the person chairing the Committee or Division meeting. In making the determination, the Speaker or other presiding officer or the Committee or Division chair may consider: (1) the limits in a resolution; (2) the effect of existing laws on revenues and expenditures; (3) the effect of amendments previously adopted to the bill under consideration; (4) the effect of bills previously recommended by a Committee or Division or bills previously passed in the legislative session by the House or by the legislature; (5) whether expenditure increases or revenue decreases that would result from the amendment are offset by decreases in other expenditures or increases in other revenue specified by the amendment; and (6) other information reasonably related to expenditure and revenue amounts.

(i) After a resolution is adopted by the Committee on Ways and Means, the Committee must make available a summary of the estimated fiscal effect on the general fund of each bill that has been referred to the Committee on Ways and Means by ~~the a~~ finance committee or a division of ~~the a~~ finance committee, or the Committee on Taxes and of each bill that has been reported by the Committee on Ways and Means.

Rule 4.10 shall read:

4.10 **BILLS AFFECTING STATE REVENUES AND EXPENDITURES.** (a) Except as provided in Rule 1.15, a House or Senate bill that directly, substantially, and specifically affects any present or future financial obligation, budget policy, or revenue of the State must be referred as provided in paragraphs (b) and (c) to the appropriate ~~Finance or Tax~~ committee before the bill receives its second reading. A bill that negligibly affects any present or future financial obligation, budget policy, or revenue of the State is not subject to mandatory referral under this rule.

(b) A bill subject to paragraph (a) reported by a finance committee ~~division~~ must, if recommended to pass, be subsequently referred to the ~~Finance~~ Committee on Ways and Means, unless the bill has a negligible fiscal impact and is subject to direct reference to the Floor under Rule 6.05. ~~Bills subject to paragraph (a) reported by the Finance Committee must be referred to the Committee on Ways and Means.~~

(c) A bill with a substantial impact on the tax revenues or tax policies of the State must be referred to the Committee on Taxes. A bill reported by the Committee on Taxes containing a substantial fiscal impact must be referred to the Committee on Ways and Means. For purposes of this paragraph, "tax" excludes any fee, charge, exaction, or assessment, a primary purpose of which is to recover direct or indirect costs incurred by the state or other governmental entity or as a payment for benefits received.

(d) The chairs of the Committees on Taxes; and Ways and Means; ~~and Finance~~ shall advise the Speaker on the application of this rule and may determine whether or not any given piece of legislation must be referred to the committee they chair.

Rule 4.12 shall read:

4.12 **BILLS AFFECTING DEBT AND CAPITAL PROJECTS.** The ~~Finance~~ Committee ~~Division~~ on Capital Investment has jurisdiction over legislation affecting debt obligations issued by the state and capital projects of the state, including the planning, acquiring and bettering of public lands and buildings and other state projects of a capital nature. Except as provided in Rule 1.15, a House or Senate bill that directly and specifically affects debt obligations or capital projects of the state must be referred to the ~~Finance~~ Committee ~~Division~~ on Capital Investment before the bill receives its second reading.

Referral is not required by this Rule if the bill deals primarily with the financing of state capital facilities using trunk highway funds, with transportation projects financed without debt obligations of the state, or with the local financing of capital facilities of local governments. Referral is not required by this Rule if the bill has a negligible effect on debt obligations and capital projects of the state as determined by the chair of the Committee on ~~Finance~~ Ways and Means, in conjunction with the chair of the ~~Division~~ Committee on Capital Investment, ~~with the concurrence of the chair of the Committee on Ways and Means.~~ Referral is not required by this Rule if the bill is a major finance or revenue bill identified in Rule 4.03, unless the bill directly and specifically affects debt obligations of the state, but if a major finance or revenue bill contains a provision that directly and specifically affects capital projects of the state, the chair of the finance or tax committee reporting the bill must notify the chair of the Committee on ~~Finance~~ Ways and Means and the chair of the ~~Division~~ Committee on Capital Investment of the provision before the bill is considered by the House.

The Speaker, by announcement, must assign to each finance committee the appropriate jurisdiction for recommendations on debt obligations and capital projects of the state. ~~Divisions of the Finance Committee~~ committees must submit recommendations within their jurisdiction to the ~~Division~~ Committee on Capital Investment for further disposition.

A bill with a fiscal effect reported by the ~~Division~~ Committee on Capital Investment must be accompanied by a statement of its fiscal effect, is exempt from the referral required by Rule 4.10, is subject to the same committee deadlines as the ~~Finance~~ Committee on Ways and Means, and must be referred to the Committee on Ways and Means. This referral is not required if the bill has a negligible fiscal effect, as determined by the chair of the ~~Division~~ Committee on Capital Investment with the concurrence of the chair of the Committee on Ways and Means.

Rule 4.13 shall read:

4.13 **BILLS AFFECTING STATE GOVERNMENT POWERS AND STRUCTURE.** The Committee on ~~State and Local Government Operations Reform, Technology~~ Government Operations and Elections has jurisdiction over a House or Senate bill that:

(a) establishes or reestablishes a department, agency, commission, board, task force, advisory committee or council, or bureau, or other like entity;

(b) delegates rulemaking authority to, or exempts from rulemaking, a department or agency of state government; or

(c) substantially changes the organization of a department or agency of state government or substantially changes, vests or divests the official rights, powers, or duties of an official, department or agency of state government or an institution under its control.

Except as otherwise provided in this Rule and Rule 1.15, a bill that is within the jurisdiction of the Committee on ~~State and Local Government Operations Reform, Technology~~ Government Operations and Elections must be referred to that Committee before it receives its second reading. A committee or division (other than the Committee on ~~State and Local Government Operations Reform, Technology~~ Government Operations and Elections) reporting such a bill must recommend its re-referral to the Committee on ~~State and Local Government Operations Reform, Technology~~ Government Operations and Elections if reporting before the deadline for action on the bill by that Committee; if reporting after the deadline, the committee or division must recommend re-referral to the Committee on Rules and Legislative Administration.

The re-referral requirements of this Rule do not apply to the major finance and revenue bills identified in Rule 4.03. If a major finance or revenue bill contains a provision specified in clause (a) or (b) of the definition in this Rule, the chair of the finance or tax committee reporting the bill must notify the chair of the Committee on Rules and Legislative Administration before the bill is considered by the House.

The re-referral requirements of this Rule do not apply to other bills reported by a finance committee or division or the tax committee or division, except bills that contain a provision specified in clauses (a) and (b) of the definition in this Rule.

Rule 4.31 shall read:

4.31 **TIME LIMIT TO CONSIDER BILLS.** If 20 legislative days after a bill has been referred to a committee or division (other than the Committee on Ways and Means, the Committee on Taxes, ~~the Finance Committee~~, or a division of one of those committees) a report has not been made on it by the committee or division, its chief author may request that it be returned to the House. The request must be entered in the Journal.

The committee or division must vote on the bill requested within ten calendar days after the day of the request.

If the committee or division fails to vote on it within ten days, the chief author may present a written demand to the Speaker for its immediate return to the House. The demand must be presented within five calendar days after the day that the committee or division is required to vote. If the demand is presented in the time allowed, it must be entered in the Journal and is the demand of the House. The bill is then considered to be in the possession of the House and must be given its second reading and placed on the General Register.

The bill may be re-referred by a majority vote of the whole House. If the motion to re-refer is made on the day of the demand or on the next House legislative day, the motion takes precedence over all other motions except privileged motions and is in order at any time.

Rule 6.01 shall read:

6.01 COMMITTEES AND DIVISIONS. Standing committees and divisions of the House must be appointed by the Speaker as follows:

~~Agriculture, Rural Economies and Veterans Affairs~~

A House or Senate bill that proposes a constitutional amendment must be referred to the Committee on Rules and Legislative Administration before it receives its second reading. When reporting such a bill, a committee or division, other than the Committee on Rules and Legislative Administration, must recommend re-referral to the Committee on Rules and Legislative Administration.

During an odd-numbered year, a House or Senate bill that proposes a constitutional amendment must not be considered in a committee or on the calendar for the day, the fiscal calendar, or any other floor calendar until bills necessary to provide a balanced general fund budget for the biennium beginning on July 1 of that year have been enacted into law. During an even-numbered year, if the most recent forecast of state revenues and expenditures predicts a deficit for the biennium ending on June 30 of the next odd-numbered year, a House or Senate bill that proposes a constitutional amendment must not be considered in a committee or on the calendar for the day, the fiscal calendar, or any other floor calendar until bills necessary to eliminate that projected deficit have been enacted into law."
