Rule 4.03 shall read:

4.03 WAYS AND MEANS COMMITTEE; BUDGET RESOLUTION; EFFECT ON EXPENDITURE AND REVENUE BILLS. (a) The Committee on Ways and Means must hold hearings as necessary to determine state expenditures and revenues for the fiscal biennium.

(b) Within 25 days after the last state general fund revenue and expenditure forecast for the next fiscal biennium becomes available during the regular session in the odd-numbered year, the Committee on Ways and Means must adopt a budget resolution. The budget resolution: (1) must set the maximum limit on net expenditures for the next fiscal biennium for the general fund, (2) must set an amount or amounts to be set aside as a budget reserve and a cash flow account, (3) must set net spending limits for each budget category represented by the major finance and revenue bills identified in paragraph (e), and (4) may set limits for expenditures from funds other than the general fund. The budget resolution must not specify, limit, or prescribe revenues or expenditures by any category other than those specified in clauses (1), (2), (3), and (4). After the Committee adopts the budget resolution, the limits in the resolution are effective during the regular session in the year in which the resolution is adopted, unless a different or amended resolution is adopted.

(c) During the regular session in the even-numbered year, before the Committee on Ways and Means reports a bill containing net increases or decreases in expenditures as compared to general fund expenditures in the current fiscal biennium estimated by the most recent state budget forecast, the Committee may adopt a budget resolution. If adopted, the resolution must account for the net changes in expenditures. The resolution may also (1) set limits for changes in net expenditures for each budget category represented by the major finance and revenue bills identified in paragraph (e), and (2) set limits for expenditures from funds other than the general fund.

If the Committee adopts a budget resolution, it is effective during the regular session that year, unless a different or amended resolution is adopted.

(d) The major finance or revenue bills may be combined or separated by a majority vote of either the Committee on Ways and Means or the Committee on Rules and Legislative Administration. Combined or separated bills must conform to the limits in the resolution as those limits apply to the accounts in those bills.

(e) Major finance and revenue bills are:

~~the capital investment bill;~~

~~the education finance bill;~~

~~the environment, energy and natural resources finance bill;~~

(f) After the adoption of a resolution by the Committee on Ways and Means, each finance committee, and the Committee on Taxes must reconcile each bill described in Rule 4.10 with the resolution. When reporting a finance or revenue bill, each committee or division must provide to the Committee on Ways and Means a fiscal statement reconciling the bill with the resolution.

(g) After the adoption of a resolution by the Committee on Ways and Means, the Committee on Ways and Means must reconcile finance and revenue bills with the resolution. When reporting a bill, the chair of the Committee must certify to the House that the Committee has reconciled the bill with the resolution.

(h) After the adoption of a resolution by the Committee on Ways and Means, an amendment to a bill is out of order if it would cause any of the limits specified in the resolution to be exceeded. Whether an amendment is out of order under this Rule is a question to be decided on the Floor by the Speaker or other presiding officer and in

Committee or Division by the person chairing the Committee or Division meeting. In making the determination, the Speaker or other presiding officer or the Committee or Division chair may consider: (1) the limits in a resolution; (2) the effect of existing laws on revenues and expenditures; (3) the effect of amendments previously adopted to the bill under consideration; (4) the effect of bills previously recommended by a Committee or Division or bills previously passed in the legislative session by the House or by the legislature; (5) whether expenditure increases or revenue decreases that would result from the amendment are offset by decreases in other expenditures or increases in other revenue specified by the amendment; and (6) other information reasonably related to expenditure and revenue amounts.

(i) After a resolution is adopted by the Committee on Ways and Means, the Committee must make available a summary of the estimated fiscal effect on the general fund of each bill that has been referred to the Committee on Ways and Means by a finance committee or a division of a finance committee, or the Committee on Taxes and of each bill that has been reported by the Committee on Ways and Means.

Except as otherwise provided in this Rule and Rule 1.15, a bill that is within the jurisdiction of the Committee on Government Operations ~~and Elections~~ must be referred to that Committee before it receives its second reading. A committee or division (other than the Committee on Government Operations ~~and Elections~~) reporting such a bill must recommend its re-referral to the Committee on Government Operations ~~and Elections~~ if reporting before the deadline for action on the bill by that Committee; if reporting after the deadline, the committee or division must recommend re-referral to the Committee on Rules and Legislative Administration.

The re-referral requirements of this Rule do not apply to the major finance and revenue bills identified in Rule 4.03. If a major finance or revenue bill contains a provision specified in clause (a) or (b) of the definition in this Rule, the chair of the finance or tax committee reporting the bill must notify the chair of the Committee on Rules and Legislative Administration before the bill is considered by the House.

The re-referral requirements of this Rule do not apply to other bills reported by a finance committee or division or the tax committee or division, except bills that contain a provision specified in clauses (a) and (b) of the definition in this Rule.
