"Sec. 2. **[308A.328] STANDARD OF CONDUCT.**

Subdivision 1. **Standard and liability.** A director shall discharge the duties of the position of director in good faith, in a manner the director reasonably believes to be in the best interests of the cooperative, and with the care an ordinarily prudent person in a like position would exercise under similar circumstances. A person who so performs those duties is not liable by reason of being or having been a director of the cooperative.

Subd. 2. **Reliance.** (a) A director is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, in each case prepared or presented by:

(1) one or more officers or employees of the cooperative who the director reasonably believes to be liable and competent in the matters presented;

(2) counsel, public accountants, or other persons as to matters that the director reasonably believes are within the person's professional or expert competence; or

(3) a committee of the board upon which the director does not serve, duly established by the board, as to matters within its designated authority, if the director reasonably believes the committee to merit confidence.

(b) Paragraph (a) does not apply to a director who has knowledge concerning the matter in question that makes the reliance otherwise permitted by paragraph (a) unwarranted.

Subd. 3. **Presumption of assent and dissent.** A director who is present at a meeting of the board when an action is approved by the affirmative vote of a majority of the directors present is presumed to have assented to the action approved, unless the director:

(1) objects at the beginning of the meeting to the transaction of business because the meeting is not lawfully called or convened and does not participate in the meeting after the objection, in which case the director is not considered to be present at the meeting for any purpose of this chapter;

(2) votes against the action at the meeting; or

(3) is prohibited by a conflict of interest from voting on the action.

**Subd. 4. Considerations.** In discharging the duties of the position of director, a director may, in considering the best interests of the cooperative, consider the interests of the cooperative's employees, customers, suppliers, and creditors, the economy of the state, and long-term as well as short-term interests of the cooperative and its patron members, including the possibility that these interests may be best served by the continued independence of the cooperative.

**Subd. 5. Relation to other law.** Notwithstanding any other provision of law, a director of a cooperative organized and operating under this chapter is governed by the standard of conduct under this section."
