Subdivision 1. **Application for substitution.** Employers may apply to the commissioner for approval to meet their obligations under this chapter through the substitution of a private plan that provides paid family, paid medical, or paid family and medical benefits. In order to be approved as meeting an employer's obligations under this chapter, a private plan must confer all of the same rights, protections, and benefits provided to employees under this chapter, including but not limited to benefits under section 268B.08 and employment protections under section 268B.09. An employee covered by a private plan under this section retains all applicable rights and remedies under section 268B.09.

(1) all of the employees of the employer are to be covered under the provisions of the employer plan;

(2) eligibility requirements for benefits and leave are no more restrictive than as provided under this chapter;

(3) the weekly benefits payable under the private plan for any week are at least equal to the weekly benefit amount payable under this chapter, taking into consideration any coverage with respect to concurrent employment by another employer;

(4) the total number of weeks for which benefits are payable under the private plan is at least equal to the total number of weeks for which benefits would have been payable under this chapter;

(5) no greater amount is required to be paid by employees toward the cost of benefits under the employer plan than by this chapter;

(6) wage replacement benefits are stated in the plan separately and distinctly from other benefits;

(9) the private plan will allow any employee covered under the private plan who is eligible to receive medical benefits under this chapter to receive medical benefits under the employer plan; and

(10) coverage will be continued under the private plan while an employee remains employed by the employer.

Subd. 3. **Private plan requirements; family benefit program.** The commissioner must approve an application for private provision of the family benefit program if the commissioner determines:

(6) wage replacement benefits are stated in the plan separately and distinctly from other benefits;

If the employer plan involves a private insurance product, that insurance product must conform to any applicable law or rule.

Subd. 5. **Private plan approval and oversight fee.** An employer with an approved private plan will not be required to pay premiums established under section 268B.12. An employer with an approved private plan will be responsible for an annual private plan approval and oversight fee equal to five percent of the total premium that would have been paid under section 268B.12 if the employer had not gotten an approved private plan. The commissioner will review and report on the adequacy of this fee to cover private plan administrative costs annually beginning in 2020 as part of the annual report established in section 268B.21.

Subd. 6. **Plan duration.** A private plan under this section must be in effect for a period of at least one year and, thereafter, continuously unless the commissioner finds that the employer has given notice of withdrawal from the plan in a manner specified by the commissioner in this section or rule. The plan may be withdrawn by the employer within 30 days of the effective date of any law increasing the benefit amounts or within 30 days of the date of any change in the rate of premiums. (b) An employee no longer covered by an approved private plan is, if otherwise eligible, immediately entitled to benefits under this chapter to the same extent as though there had been no approval of the private plan.

Subd. 10. **Amendment.** (a) The commissioner must approve any amendment to a private plan adjusting the provisions thereof, if the commissioner determines:

(1) that the plan, as amended, will conform to the standards set forth in this chapter; and

(2) that notice of the amendment has been delivered to all affected employees at least ten days before the submission of the amendment.

(b) Any amendments approved under this subdivision are effective on the date of the commissioner's approval, unless the commissioner and the employer agree on a later date.

Subd. 11. **Successor employer.** A private plan in effect at the time a successor acquires the employer organization, trade, or business, or substantially all the assets thereof, or a distinct and severable portion of the organization, trade, or business, and continues its operation without substantial reduction of personnel resulting from the acquisition, must continue the approved private plan and must not withdraw the plan without a specific request for withdrawal in a manner and at a time specified by the commissioner. A successor may terminate a private plan with notice to the commissioner and within 90 days from the date of the acquisition.

(d) The payment of benefits must not be delayed during an employer's appeal of the revocation of approval of a private plan.

Subd. 13. **Employer penalties.** (a) The commissioner of labor and industry may assess the following monetary penalties against an employer with an approved private plan found to have violated this chapter:

"(2) Will you be 18 years old on or before election day?"

And the instruction:

"If you checked 'no' to either of these questions, do not complete this form."

The form of the voter registration application and the certification of voter eligibility must be as provided in this subdivision and approved by the secretary of state. Voter registration forms authorized by the National Voter Registration Act must also be accepted as valid. The federal postcard application form must also be accepted as valid if it is not deficient and the voter is eligible to register in Minnesota.

Sec. 3. **[201.276] DUTIES OF SECRETARY OF STATE; INFORMATION ABOUT VOTING RIGHTS.**

The secretary of state shall develop accurate and complete information in a single publication about the voting rights of people who have been charged with or convicted of a crime. This publication must be made available electronically to the state court administrator for distribution to judges, court personnel, probation officers, and the commissioner of corrections for distribution to corrections officials, parole and supervised release agents, and the public.

Sec. 4. Minnesota Statutes 2018, section 204C.10, is amended to read:

**204C.10 POLLING PLACE ROSTER; VOTER SIGNATURE CERTIFICATE; VOTER RECEIPT.**

The roster must also state: "I understand that deliberately providing false information is a felony punishable by not more than five years imprisonment and a fine of not more than \$10,000, or both."

(b) At the presidential nomination primary, the polling place roster must also state: "I am in general agreement with the principles of the party for whose candidate I intend to vote, and I understand that my choice of a party's ballot will be public information." This statement must appear separately from the statements required in paragraph (a). The felony penalty provided for in paragraph (a) does not apply to this paragraph.

(c) A judge may, before the applicant signs the roster or voter signature certificate, confirm the applicant's name, address, and date of birth.

(d) After the applicant signs the roster or voter signature certificate, the judge shall give the applicant a voter's receipt. The voter shall deliver the voter's receipt to the judge in charge of ballots as proof of the voter's right to vote, and thereupon the judge shall hand to the voter the ballot. The voters' receipts must be maintained during the time for notice of filing an election contest.

(e) Whenever a challenged status appears on the polling place roster, an election judge must ensure that the challenge is concealed or hidden from the view of any voter other than the voter whose status is challenged.

Sec. 5. **[243.205] NOTICE OF RESTORATION OF RIGHT TO VOTE.**

**Subdivision 1. Correctional facilities; designation of official.** The chief executive officer of each state and local correctional facility shall designate an official within the facility to provide the notice and application required under this section to persons to whom the civil right to vote is restored by reason of the persons' release from actual incarceration. **Subd. 3. Form of notice.** The notice required by subdivision 2 must appear substantially as follows:

**"NOTICE OF RESTORATION OF YOUR RIGHT TO VOTE.**

To register, you may complete a voter registration application and return it to the Office of the Minnesota Secretary of State. You may also register to vote in your polling place on election day. You will not be permitted to cast a ballot until you register to vote. The first time you appear at your polling place to cast a ballot, you may be required to provide proof of your current residence."

**Subd. 4. Failure to provide notice.** A failure to provide proper notice as required by this section does not prevent the restoration of the person's civil right to vote.

Sec. 6. Minnesota Statutes 2018, section 609.165, subdivision 1, is amended to read:

Subdivision 1. **Restoration.** When a person has been deprived of civil rights by reason of conviction of a crime and is thereafter discharged, such discharge shall restore the person to all civil rights and to full citizenship, with full right to ~~vote and~~ hold office, the same as if such conviction had not taken place, and the order of discharge shall so provide."
