Subdivision 1. **Comparable position.** (a) An employee returning from a leave of absence under section 181.941 is entitled to return to employment in the employee's former position or in a position of comparable duties, number of hours, and pay. An employee returning from a leave of absence longer than one month must notify a supervisor at least two weeks prior to return from leave. An employee returning from a leave under section 181.9412 or ~~181.9413~~ sections 181.9445 to 181.9448 is entitled to return to employment in the employee's former position.

(b) If, during a leave under sections 181.940 to 181.944, the employer experiences a layoff and the employee would have lost a position had the employee not been on leave, pursuant to the good faith operation of a bona fide layoff and recall system, including a system under a collective bargaining agreement, the employee is not entitled to reinstatement in the former or comparable position. In such circumstances, the employee retains all rights under the layoff and recall system, including a system under a collective bargaining agreement, as if the employee had not taken the leave.

(b) Employers must permit an employee to carry over accrued but unused sick and safe time into the following year. The total amount of accrued but unused earned sick and safe time for an employee must not exceed 80 hours at any time, unless an employer agrees to a higher amount.

(c) Employees who are exempt from overtime requirements under United States Code, title 29, section 213(a)(1), as amended through the effective date of this section, are deemed to work 40 hours in each workweek for purposes of accruing earned sick and safe time, except that an employee whose normal workweek is less than 40 hours will accrue earned sick and safe time based on the normal workweek.

(d) Earned sick and safe time under this section begins to accrue at the commencement of employment of the employee.

(e) Employees may use accrued earned sick and safe time beginning 90 calendar days after the day their employment commenced. After 90 days from the day employment commenced, employees may use earned sick and safe time as it is accrued. The 90-calendar-day period under this paragraph includes both days worked and days not worked.

Sec. 4. **[181.9447] USE OF EARNED SICK AND SAFE TIME.**

Subdivision 1. **Eligible use.** An employee may use accrued earned sick and safe time for:

(ii) who needs medical diagnosis, care, or treatment of a mental or physical illness, injury, or other health condition; or

(iii) who needs preventive medical or health care;

(3) absence due to domestic abuse, sexual assault, or stalking of the employee or employee's family member, provided the absence is to:

(i) seek medical attention related to physical or psychological injury or disability caused by domestic abuse, sexual assault, or stalking;

(ii) obtain services from a victim services organization;

(iii) obtain psychological or other counseling;

(iv) seek relocation due to domestic abuse, sexual assault, or stalking; or

(v) seek legal advice or take legal action, including preparing for or participating in any civil or criminal legal proceeding related to or resulting from domestic abuse, sexual assault, or stalking;

(4) closure of the employee's place of business due to weather or other public emergency or an employee's need to care for a family member whose school or place of care has been closed due to weather or other public emergency; and

(5) when it has been determined by the health authorities having jurisdiction or by a health care professional that the presence of the employee or family member of the employee in the community would jeopardize the health of others because of the exposure of the employee or family member of the employee to a communicable disease, whether or not the employee or family member has actually contracted the communicable disease.

Subd. 2. **Notice.** An employer may require notice of the need for use of earned sick and safe time as provided in this paragraph. If the need for use is foreseeable, an employer may require advance notice of the intention to use earned sick and safe time but must not require more than seven days' advance notice. If the need is unforeseeable, an employer may require an employee to give notice of the need for earned sick and safe time as soon as practicable.

Subd. 3. **Documentation.** When an employee uses earned sick and safe time for more than three consecutive days, an employer may require reasonable documentation that the earned sick and safe time is covered by subdivision 1. For earned sick and safe time under subdivision 1, clauses (1) and (2), reasonable documentation may include a signed statement by a health care professional indicating the need for use of earned sick and safe time. For earned sick and safe time under subdivision 1, clause (3), an employer must accept a court record or documentation signed by a volunteer or employee of a victims services organization, an attorney, a police officer, or an antiviolence counselor as reasonable documentation. An employer must not require disclosure of details relating to domestic abuse, sexual assault, or stalking or the details of an employee's or an employee's family member's medical condition as related to an employee's request to use earned sick and safe time under this section.

Subd. 4. **Replacement worker.** An employer may not require, as a condition of an employee using earned sick and safe time, that the employee seek or find a replacement worker to cover the hours the employee uses as earned sick and safe time.

Subd. 5. **Increment of time used.** Earned sick and safe time may be used in the smallest increment of time tracked by the employer's payroll system, provided such increment is not more than four hours.

Subd. 6. **Retaliation prohibited.** An employer shall not take retaliatory personnel action against an employee because the employee has requested earned sick and safe time, used earned sick and safe time, requested a statement of accrued sick and safe time, or made a complaint or filed an action to enforce a right to earned sick and safe time under this section.

Subd. 7. **Reinstatement to comparable position after leave.** An employee returning from a leave under this section is entitled to return to employment in a comparable position. If, during a leave under this section, the employer experiences a layoff and the employee would have lost a position had the employee not been on leave, pursuant to the good faith operation of a bona fide layoff and recall system, including a system under a collective bargaining agreement, the employee is not entitled to reinstatement in the former or comparable position. In such circumstances, the employee retains all rights under the layoff and recall system, including a system under a collective bargaining agreement, as if the employee had not taken the leave.

Subd. 8. **Pay and benefits after leave.** An employee returning from a leave under this section is entitled to return to employment at the same rate of pay the employee had been receiving when the leave commenced, plus any automatic adjustments in the employee's pay scale that occurred during the leave period. The employee returning from a leave is entitled to retain all accrued preleave benefits of employment and seniority as if there had been no interruption in service, provided that nothing under this section prevents the accrual of benefits or seniority during the leave pursuant to a collective bargaining or other agreement between the employer and employees.

Subd. 9. **Part-time return from leave.** An employee, by agreement with the employer, may return to work part time during the leave period without forfeiting the right to return to employment at the end of the leave, as provided under this section.

Subd. 10. **Notice and posting by employer.** (a) Employers must give notice to all employees that they are entitled to earned sick and safe time, including the amount of earned sick and safe time, the accrual year for the employee, and the terms of its use under this section; that retaliation against employees who request or use earned sick and safe time is prohibited; and that each employee has the right to file a complaint or bring a civil action if earned sick and safe time is denied by the employer or the employee is retaliated against for requesting or using earned sick and safe time.

(b) Employers must supply employees with a notice in English and other appropriate languages that contains the information required in paragraph (a) at commencement of employment or the effective date of this section, whichever is later.

(c) The means used by the employer must be at least as effective as the following options for providing notice:

(1) posting a copy of the notice at each location where employees perform work and where the notice must be readily observed and easily reviewed by all employees performing work; or

(2) providing a paper or electronic copy of the notice to employees.

The notice must contain all information required under paragraph (a). The commissioner shall create and make available to employers a poster and a model notice that contains the information required under paragraph (a) for their use in complying with this section.

(d) An employer that provides an employee handbook to its employees must include in the handbook notice of employee rights and remedies under this section.

Subd. 11. **Required statement to employee.** (a) Upon request of the employee, the employer must provide, in writing or electronically, current information stating the employee's amount of:

(1) earned sick and safe time available to the employee; and

(2) used earned sick and safe time.

(b) Employers may choose a reasonable system for providing the information in paragraph (a), including but not limited to listing information on each pay stub or developing an online system where employees can access their own information.

Subd. 12. **Employer records.** (a) Employers shall retain accurate records documenting hours worked by employees and earned sick and safe time taken and comply with all requirements under section 177.30.

(b) An employer must allow an employee to inspect records required by this section and relating to that employee at a reasonable time and place.

Subd. 13. **Confidentiality and nondisclosure.** (a) If, in conjunction with this section, an employer possesses:

(1) health or medical information regarding an employee or an employee's family member;

(2) information pertaining to domestic abuse, sexual assault, or stalking;

(3) information that the employee has requested or obtained leave under this section; or

(4) any written or oral statement, documentation, record, or corroborating evidence provided by the employee or an employee's family member, the employer must treat such information as confidential.

Information given by an employee may only be disclosed by an employer if the disclosure is requested or consented to by the employee, when ordered by a court or administrative agency, or when otherwise required by federal or state law.

(b) Records and documents relating to medical certifications, recertifications, or medical histories of employees or family members of employees created for purposes of section 177.50 or sections 181.9445 to 181.9448 must be maintained as confidential medical records separate from the usual personnel files. At the request of the employee, the employer must destroy or return the records required by sections 181.9445 to 181.9448 that are older than three years prior to the current calendar year.

(c) Employers may not discriminate against any employee based on records created for the purposes of section 177.50 or sections 181.9445 to 181.9448.

**Sec. 5. [181.9448] EFFECT ON OTHER LAW OR POLICY.**

Subdivision 1. **No effect on more generous sick and safe time policies.** (a) Nothing in sections 181.9445 to 181.9448 shall be construed to discourage employers from adopting or retaining earned sick and safe time policies that meet or exceed, and do not otherwise conflict with, the minimum standards and requirements provided in sections 181.9445 to 181.9447.

(b) Nothing in sections 181.9445 to 181.9447 shall be construed to limit the right of parties to a collective bargaining agreement to bargain and agree with respect to earned sick and safe time policies or to diminish the obligation of an employer to comply with any contract, collective bargaining agreement, or any employment benefit program or plan that meets or exceeds, and does not otherwise conflict with, the minimum standards and requirements provided in this section.

(c) Employers who provide earned sick and safe time to their employees under a paid time off policy or other paid leave policy that meets or exceeds, and does not otherwise conflict with, the minimum standards and requirements provided in sections 181.9445 to 181.9448 are not required to provide additional earned sick and safe time.

(d) An employer may opt to satisfy the requirements of sections 181.9445 to 181.9448 for construction industry employees by:

(1) paying at least the prevailing wage rate as defined by section 177.42 and as calculated by the Department of Labor and Industry; or

(2) paying at least the required rate established in a registered apprenticeship agreement for apprentices registered with the Department of Labor and Industry.

An employer electing this option is deemed to be in compliance with sections 181.9445 to 181.9448 for construction industry employees who receive either at least the prevailing wage rate or the rate required in the applicable apprenticeship agreement regardless of whether the employees are working on private or public projects.

(e) Sections 181.9445 to 181.9448 do not prohibit an employer from establishing a policy whereby employees may donate unused accrued sick and safe time to another employee.

(f) Sections 181.9445 to 181.9448 do not prohibit an employer from advancing sick and safe time to an employee before accrual by the employee.

Subd. 2. **Termination; separation; transfer.** Sections 181.9445 to 181.9448 do not require financial or other reimbursement to an employee from an employer upon the employee's termination, resignation, retirement, or other separation from employment for accrued earned sick and safe time that has not been used. If an employee is transferred to a separate division, entity, or location, but remains employed by the same employer, the employee is entitled to all earned sick and safe time accrued at the prior division, entity, or location and is entitled to use all earned sick and safe time as provided in sections 181.9445 to 181.9448. When there is a separation from employment and the employee is rehired within 180 days of separation by the same employer, previously accrued earned sick and safe time that had not been used must be reinstated. An employee is entitled to use accrued earned sick and safe time and accrue additional earned sick and safe time at the commencement of reemployment.

Subd. 3. **Employer succession.** (a) When a different employer succeeds or takes the place of an existing employer, all employees of the original employer who remain employed by the successor employer are entitled to all earned sick and safe time accrued but not used when employed by the original employer, and are entitled to use all earned sick and safe time previously accrued but not used.

(b) If, at the time of transfer of the business, employees are terminated by the original employer and hired within 30 days by the successor employer following the transfer, those employees are entitled to all earned sick and safe time accrued but not used when employed by the original employer, and are entitled to use all earned sick and safe time previously accrued but not used.

Sec. 6. **REPEALER.**

Minnesota Statutes 2020, section 181.9413, is repealed.

Sec. 7. **EFFECTIVE DATE.**

This article is effective 180 days following final enactment.

ARTICLE 2  
EARNED SICK AND SAFE TIME ENFORCEMENT

Section 1. Minnesota Statutes 2020, section 177.27, subdivision 2, is amended to read:

Subd. 2. **Submission of records; penalty.** The commissioner may require the employer of employees working in the state to submit to the commissioner photocopies, certified copies, or, if necessary, the originals of employment records which the commissioner deems necessary or appropriate. The records which may be required include full and correct statements in writing, including sworn statements by the employer, containing information relating to wages, hours, names, addresses, and any other information pertaining to the employer's employees and the conditions of their employment as the commissioner deems necessary or appropriate.

The commissioner may require the records to be submitted by certified mail delivery or, if necessary, by personal delivery by the employer or a representative of the employer, as authorized by the employer in writing.

The commissioner may fine the employer up to ~~\$1,000~~ \$10,000 for each failure to submit or deliver records as required by this section, ~~and up to \$5,000 for each repeated failure.~~ This penalty is in addition to any penalties provided under section 177.32, subdivision 1. In determining the amount of a civil penalty under this subdivision, the appropriateness of such penalty to the size of the employer's business and the gravity of the violation shall be considered.

Sec. 2. Minnesota Statutes 2020, section 177.27, subdivision 4, is amended to read:

Subd. 4. **Compliance orders.** The commissioner may issue an order requiring an employer to comply with sections 177.21 to 177.435, 181.02, 181.03, 181.031, 181.032, 181.101, 181.11, 181.13, 181.14, 181.145, 181.15, 181.172, paragraph (a) or (d), 181.275, subdivision 2a, 181.722, 181.79, ~~and~~ 181.939 to 181.943, ~~and 181.9445 to 181.9448,~~ or with any rule promulgated under section 177.28. The commissioner shall issue an order requiring an employer to comply with sections 177.41 to 177.435 if the violation is repeated. For purposes of this subdivision only, a violation is repeated if at any time during the two years that preceded the date of violation, the commissioner issued an order to the employer for violation of sections 177.41 to 177.435 and the order is final or the commissioner and the employer have entered into a settlement agreement that required the employer to pay back wages that were required by sections 177.41 to 177.435. The department shall serve the order upon the employer or the employer's authorized representative in person or by certified mail at the employer's place of business. An employer who wishes to contest the order must file written notice of objection to the order with the commissioner within 15 calendar days after being served with the order. A contested case proceeding must then be held in accordance with sections 14.57 to 14.69. If, within 15 calendar days after being served with the order, the employer fails to file a written notice of objection with the commissioner, the order becomes a final order of the commissioner.

Sec. 3. Minnesota Statutes 2020, section 177.27, subdivision 7, is amended to read:

Subd. 7. **Employer liability.** If an employer is found by the commissioner to have violated a section identified in subdivision 4, or any rule adopted under section 177.28, and the commissioner issues an order to comply, the commissioner shall order the employer to cease and desist from engaging in the violative practice and to take such affirmative steps that in the judgment of the commissioner will effectuate the purposes of the section or rule violated. The commissioner shall order the employer to pay to the aggrieved parties back pay, gratuities, and compensatory damages, less any amount actually paid to the employee by the employer, and for an additional equal amount as liquidated damages. Any employer who is found by the commissioner to have repeatedly or willfully violated a section or sections identified in subdivision 4 shall be subject to a civil penalty of up to ~~\$1,000~~ \$10,000 for each violation for each employee. In determining the amount of a civil penalty under this subdivision, the appropriateness of such penalty to the size of the employer's business and the gravity of the violation shall be considered. In addition, the commissioner may order the employer to reimburse the department and the attorney general for all appropriate litigation and hearing costs expended in preparation for and in conducting the contested

case proceeding, unless payment of costs would impose extreme financial hardship on the employer. If the employer is able to establish extreme financial hardship, then the commissioner may order the employer to pay a percentage of the total costs that will not cause extreme financial hardship. Costs include but are not limited to the costs of services rendered by the attorney general, private attorneys if engaged by the department, administrative law judges, court reporters, and expert witnesses as well as the cost of transcripts. Interest shall accrue on, and be added to, the unpaid balance of a commissioner's order from the date the order is signed by the commissioner until it is paid, at an annual rate provided in section 549.09, subdivision 1, paragraph (c). The commissioner may establish escrow accounts for purposes of distributing damages.

Sec. 4. **[177.50] EARNED SICK AND SAFE TIME ENFORCEMENT.**

**Subdivision 1. Definitions.** The definitions in section 181.9445 apply to this section.

**Subd. 2. Rulemaking authority.** The commissioner may adopt rules to carry out the purposes of this section and sections 181.9445 to 181.9448.

**Subd. 3. Individual remedies.** In addition to any other remedies provided by law, a person injured by a violation of sections 181.9445 to 181.9448 may bring a civil action to recover general and special damages, along with costs, fees, and reasonable attorney fees, and may receive injunctive and other equitable relief as determined by a court. An action to recover damages under this subdivision must be commenced within three years of the violation of sections 181.9445 to 181.9448 that caused the injury to the employee.

**Subd. 4. Grants to community organizations.** The commissioner may make grants to community organizations for the purpose of outreach to and education for employees regarding their rights under sections 181.9445 to 181.9448. The community-based organizations must be selected based on their experience, capacity, and relationships in high-violation industries. The work under such a grant may include the creation and administration of a statewide worker hotline.

**Subd. 5. Report to legislature.** (a) The commissioner must submit an annual report to the legislature, including to the chairs and ranking minority members of any relevant legislative committee. The report must include but is not limited to:

(1) a list of all violations of sections 181.9445 to 181.9448, including the employer involved, and the nature of any violations; and

(2) an analysis of noncompliance with sections 181.9445 to 181.9448, including any patterns by employer, industry, or county.

(b) A report under this section must not include an employee's name or other identifying information, any health or medical information regarding an employee or an employee's family member, or any information pertaining to domestic abuse, sexual assault, or stalking of an employee or an employee's family member.

**Subd. 6. Contract for labor or services.** It is the responsibility of all employers to not enter into any contract or agreement for labor or services where the employer has any actual knowledge or knowledge arising from familiarity with the normal facts and circumstances of the business activity engaged in, or has any additional facts or information that, taken together, would make a reasonably prudent person undertake to inquire whether, taken together, the contractor is not complying or has failed to comply with this section. For purposes of this subdivision, "actual knowledge" means information obtained by the employer that the contractor has violated this section within the past two years and has failed to present the employer with credible evidence that such noncompliance has been cured going forward.

**EFFECTIVE DATE.** This section is effective 180 days after final enactment.

ARTICLE 3

Gross misdemeanor offenses ineligible for a grant of expungement under this section remain ineligible if deemed to be for a misdemeanor pursuant to section 609.13, subdivision 2.

Subd. 4. **Notice.** (a) The court shall notify a person who may become eligible for an automatic expungement under this section of that eligibility at any hearing where the court dismisses and discharges proceedings against a person under section 152.18, subdivision 1, for violation of section 152.024, 152.025, or 152.027 for possession of a controlled substance; concludes that all pending actions or proceedings were resolved in favor of the person; grants a person's placement into a diversion program; or sentences a person or otherwise imposes a consequence for a qualifying offense.

(2) the person can file a petition to expunge the record and request that it be directed to the commissioner of human services and the Professional Educator Licensing and Standards Board.

Subd. 5. **Bureau of Criminal Apprehension to identify eligible persons and grant expungement relief.** (a) The Bureau of Criminal Apprehension shall identify adjudications and convictions that qualify for a grant of expungement relief pursuant to this subdivision or subdivision 1, 2, or 3.

(b) In making the determination under paragraph (a), the Bureau of Criminal Apprehension shall identify individuals who are the subject of relevant records through the use of finger and thumb prints where finger and thumb prints are available. Where finger and thumb prints are not available, the Bureau of Criminal Apprehension shall identify individuals through the use of the person's name and date of birth. Records containing the same name and date of birth shall be presumed to refer to the same individual unless other evidence establishes, by a preponderance of the evidence, that they do not refer to the same individual. The Bureau of Criminal Apprehension is not required to review any other evidence in making its determination.

(c) The Bureau of Criminal Apprehension shall grant expungement relief to qualifying persons and seal its own records without requiring an application, petition, or motion. Records shall be sealed 60 days after notice is sent to the judicial branch pursuant to paragraph (e) unless an order of the judicial branch prohibits sealing the records or additional information establishes that the records are not eligible for expungement.

Notification shall be made at the time and under the conditions described in paragraph (c), except that notice may be sent in real time or in the form of a monthly report sent no more than 30 days after the expiration of the deadline established in paragraph (c). Notification may be through electronic means. Each notified law enforcement agency shall seal all records relating to an arrest, indictment or information, trial, verdict, or dismissal and discharge for any case in which expungement relief was granted.

## ARTICLE 2 CONFORMING CHANGES

Section 1. Minnesota Statutes 2020, section 13.871, subdivision 14, is amended to read:

Subd. 14. **Expungement petitions.** (a) Provisions regarding the classification and sharing of data contained in a petition for expungement of a criminal record are included in section 609A.03.

(b) Provisions regarding the classification and sharing of data related to automatic expungements are included in sections 299C.097 and 609A.015.

Sec. 2. Minnesota Statutes 2020, section 152.18, subdivision 1, is amended to read:

Subdivision 1. **Deferring prosecution for certain first time drug offenders.** (a) A court may defer prosecution as provided in paragraph (c) for any person found guilty, after trial or upon a plea of guilty, of a violation of section 152.023, subdivision 2, 152.024, subdivision 2, 152.025, subdivision 2, or 152.027, subdivision 2, 3, 4, or 6, paragraph (d), for possession of a controlled substance, who:

(1) has not previously participated in or completed a diversion program authorized under section 401.065;

(2) has not previously been placed on probation without a judgment of guilty and thereafter been discharged from probation under this section; and

(3) has not been convicted of a felony violation of this chapter, including a felony-level attempt or conspiracy, or been convicted by the United States or another state of a similar offense that would have been a felony under this chapter if committed in Minnesota, unless ten years have elapsed since discharge from sentence.

(b) The court must defer prosecution as provided in paragraph (c) for any person found guilty of a violation of section 152.025, subdivision 2, who:

(1) meets the criteria listed in paragraph (a), clauses (1) to (3); and

(2) has not previously been convicted of a felony offense under any state or federal law or of a gross misdemeanor under section 152.025.

(c) In granting relief under this section, the court shall, without entering a judgment of guilty and with the consent of the person, defer further proceedings and place the person on probation upon such reasonable conditions as it may require and for a period, not to exceed the maximum sentence provided for the violation. The court may give the person the opportunity to attend and participate in an appropriate program of education regarding the nature and effects of alcohol and drug abuse as a stipulation of probation. Upon violation of a condition of the probation, the court may enter an adjudication of guilt and proceed as otherwise provided. The court may, in its discretion, dismiss the proceedings against the person and discharge the person from probation before the expiration of the maximum period prescribed for the person's probation. If during the period of probation the person does not violate any of the conditions of the probation, then upon expiration of the period the court shall discharge the person and dismiss the proceedings against that person. Discharge and dismissal under this subdivision shall be without court adjudication of guilt, but a not public record of it shall be retained by the Bureau of Criminal Apprehension for the purpose of use by the courts in determining the merits of subsequent proceedings against the person. The not public record may also be opened only upon court order for purposes of a criminal investigation, prosecution, or sentencing. Upon receipt of notice that the proceedings were dismissed, the Bureau of Criminal Apprehension shall notify the arresting or citing law enforcement agency and direct that agency to seal its records related to the charge. Upon request by law enforcement, prosecution, or corrections authorities, the bureau shall notify the requesting party of the existence of the not public record and the right to seek a court order to open it pursuant to this section. The court shall forward a record of any discharge and dismissal under this subdivision to the bureau which shall make and maintain the not public record of it as provided under this subdivision. The discharge or dismissal shall not be deemed a conviction for purposes of disqualifications or disabilities imposed by law upon conviction of a crime or for any other purpose.

For purposes of this subdivision, "not public" has the meaning given in section 13.02, subdivision 8a.

Sec. 3. **[299C.097] DATABASE FOR IDENTIFYING INDIVIDUALS ELIGIBLE FOR EXPUNGEMENT.**

(a) The superintendent of the Bureau of Criminal Apprehension shall maintain a computerized data system relating to petty misdemeanor and misdemeanor offenses that may become eligible for expungement pursuant to section 609A.015 and which do not require fingerprinting pursuant to section 299C.10 and are not linked to an arrest record in the criminal history system.

(b) This data is private data on individuals under section 13.02, subdivision 12.

**EFFECTIVE DATE.** This section is effective January 1, 2024.

Sec. 4. Minnesota Statutes 2020, section 299C.10, subdivision 1, is amended to read:

Subdivision 1. **Required fingerprinting.** (a) Sheriffs, peace officers, and community corrections agencies operating secure juvenile detention facilities shall take or cause to be taken immediately finger and thumb prints, photographs, distinctive physical mark identification data, information on any known aliases or street names, and other identification data requested or required by the superintendent of the bureau, of the following:

(1) persons arrested for, appearing in court on a charge of, or convicted of a felony, gross misdemeanor, or targeted misdemeanor;

(2) juveniles arrested for, appearing in court on a charge of, adjudicated delinquent for, or alleged to have committed felonies or gross misdemeanors as distinguished from those committed by adult offenders;

(3) adults and juveniles admitted to jails or detention facilities;

(4) persons reasonably believed by the arresting officer to be fugitives from justice;

(5) persons in whose possession, when arrested, are found concealed firearms or other dangerous weapons, burglar tools or outfits, high-power explosives, or articles, machines, or appliances usable for an unlawful purpose and reasonably believed by the arresting officer to be intended for such purposes;

(6) juveniles referred by a law enforcement agency to a diversion program for a felony or gross misdemeanor offense; and

(7) persons currently involved in the criminal justice process, on probation, on parole, or in custody for any offense whom the superintendent of the bureau identifies as being the subject of a court disposition record which cannot be linked to an arrest record, and whose fingerprints are necessary to reduce the number of suspense files, or to comply with the mandates of section 299C.111, relating to the reduction of the number of suspense files. This duty to obtain fingerprints for the offenses in suspense at the request of the bureau shall include the requirement that fingerprints be taken in post-arrest interviews, while making court appearances, while in custody, or while on any form of probation, diversion, or supervised release.

(b) Unless the superintendent of the bureau requires a shorter period, within 24 hours of taking the fingerprints and data, the fingerprint records and other identification data specified under paragraph (a) must be electronically entered into a bureau-managed searchable database in a manner as may be prescribed by the superintendent.

(c) Prosecutors, courts, and probation officers and their agents, employees, and subordinates shall attempt to ensure that the required identification data is taken on a person described in paragraph (a). Law enforcement may take fingerprints of an individual who is presently on probation.

(d) Finger and thumb prints must be obtained no later than:

(1) release from booking; or

(2) if not booked prior to acceptance of a plea of guilty or not guilty.

Prior to acceptance of a plea of guilty or not guilty, an individual's finger and thumb prints must be submitted to the Bureau of Criminal Apprehension for the offense. If finger and thumb prints have not been successfully received by the bureau, an individual may, upon order of the court, be taken into custody for no more than eight hours so that the taking of prints can be completed. Upon notice and motion of the prosecuting attorney, this time period may be extended upon a showing that additional time in custody is essential for the successful taking of prints.

(e) For purposes of this section, a targeted misdemeanor is a misdemeanor violation of section 169A.20 (driving while impaired), 518B.01 (order for protection violation), 609.224 (fifth-degree assault), 609.2242 (domestic assault), 609.746 (interference with privacy), 609.748 (harassment or restraining order violation), 609.749 (obscene or harassing telephone calls), 617.23 (indecent exposure), or 629.75 (domestic abuse no contact order).

Sec. 6. Minnesota Statutes 2020, section 299C.17, is amended to read:

**299C.17 REPORT BY COURT ADMINISTRATOR.**

The superintendent shall require the court administrator of every court which sentences a defendant for a felony, gross misdemeanor, ~~or targeted misdemeanor,~~ or petty misdemeanor to electronically transmit within 24 hours of the disposition of the case a report, in a form prescribed by the superintendent providing information required by the superintendent with regard to the prosecution and disposition of criminal cases. The remedy available is limited to a court order sealing the records and prohibiting the disclosure of their existence or their opening except under court order or statutory authority. Nothing in this chapter authorizes the destruction of records or their return to the subject of the records.

**EFFECTIVE DATE.** This section is effective January 1, 2024.

Sec. 8. Minnesota Statutes 2020, section 609A.03, subdivision 5, is amended to read:

Subd. 5. **Nature of remedy; standard.** (a) Except as otherwise provided by paragraph (b), expungement of a criminal record under this section is an extraordinary remedy to be granted only upon clear and convincing evidence that it would yield a benefit to the petitioner commensurate with the disadvantages to the public and public safety of:

(1) sealing the record; and

(2) burdening the court and public authorities to issue, enforce, and monitor an expungement order.

(b) Except as otherwise provided by this paragraph, if the petitioner is petitioning for the sealing of a criminal record under section 609A.02, subdivision 3, paragraph (a), clause (1) or (2), the court shall grant the petition to seal the record unless the agency or jurisdiction whose records would be affected establishes by clear and convincing evidence that the interests of the public and public safety outweigh the disadvantages to the petitioner of not sealing the record.

(c) In making a determination under this subdivision, the court shall consider:

(1) the nature and severity of the underlying crime, the record of which would be sealed;

(2) the risk, if any, the petitioner poses to individuals or society;

(3) the length of time since the crime occurred;

(4) the steps taken by the petitioner toward rehabilitation following the crime;

(5) aggravating or mitigating factors relating to the underlying crime, including the petitioner's level of participation and context and circumstances of the underlying crime;

(6) the reasons for the expungement, including the petitioner's attempts to obtain employment, housing, or other necessities;

(7) the petitioner's criminal record;

(8) the petitioner's record of employment and community involvement;

(9) the recommendations of interested law enforcement, prosecutorial, and corrections officials;

(10) the recommendations of victims or whether victims of the underlying crime were minors;

(11) the amount, if any, of restitution outstanding, past efforts made by the petitioner toward payment, and the measures in place to help ensure completion of restitution payment after expungement of the record if granted; and

(12) other factors deemed relevant by the court.

(d) Notwithstanding section 13.82, 13.87, or any other law to the contrary, if the court issues an expungement order it may require that the criminal record be sealed, the existence of the record not be revealed, and the record not be opened except as required under subdivision 7. Records must not be destroyed or returned to the subject of the record.

(e) Information relating to a criminal history record of an employee, former employee, or tenant that has been expunged before the occurrence of the act giving rise to the civil action may not be introduced as evidence in a civil action against a private employer or landlord or its employees or agents that is based on the conduct of the employee, former employee, or tenant.

**EFFECTIVE DATE.** This section is effective January 1, 2024.

Sec. 9. Minnesota Statutes 2021 Supplement, section 609A.03, subdivision 7a, is amended to read:

(b) Notwithstanding the issuance of an expungement order:

(1) except as provided in clause (2), an expunged record may be opened, used, or exchanged between criminal justice agencies without a court order for the purposes of initiating, furthering, or completing a criminal investigation or prosecution or for sentencing purposes or providing probation or other correctional services;

(2) when a criminal justice agency seeks access to a record that was sealed under section 609A.02, subdivision 3, paragraph (a), clause (1), after an acquittal or a court order dismissing for lack of probable cause, for purposes of a criminal investigation, prosecution, or sentencing, the requesting agency must obtain an ex parte court order after stating a good-faith basis to believe that opening the record may lead to relevant information;

(3) an expunged record of a conviction may be opened for purposes of evaluating a prospective employee in a criminal justice agency without a court order;

(4) an expunged record of a conviction may be opened for purposes of a background study under section 245C.08 unless the commissioner had been properly served with notice of the petition for expungement and the court order for expungement is directed specifically to the commissioner of human services;

(5) an expunged record of a conviction may be opened for purposes of a background check required under section 122A.18, subdivision 8, unless the court order for expungement is directed specifically to the Professional Educator Licensing and Standards Board; ~~and~~

(6) the court may order an expunged record opened upon request by the victim of the underlying offense if the court determines that the record is substantially related to a matter for which the victim is before the court;

(c) An agency or jurisdiction subject to an expungement order shall maintain the record in a manner that provides access to the record by a criminal justice agency under paragraph (b), clause (1) or (2), but notifies the recipient that the record has been sealed. The Bureau of Criminal Apprehension shall notify the commissioner of human services or the Professional Educator Licensing and Standards Board of the existence of a sealed record and of the right to obtain access under paragraph (b), clause (4) or (5). Upon request, the agency or jurisdiction subject to the expungement order shall provide access to the record to the commissioner of human services or the Professional Educator Licensing and Standards Board under paragraph (b), clause (4) or (5).

(d) An expunged record that is opened or exchanged under this subdivision remains subject to the expungement order in the hands of the person receiving the record.

(e) A criminal justice agency that receives an expunged record under paragraph (b), clause (1) or (2), must maintain and store the record in a manner that restricts the use of the record to the investigation, prosecution, or sentencing for which it was obtained.

(f) For purposes of this section, a "criminal justice agency" means a court or government agency that performs the administration of criminal justice under statutory authority.

A person or an agency or jurisdiction whose records would be affected by the order may appeal the order within 60 days of service of notice of filing of the order. An agency or jurisdiction or its officials or employees need not file a cost bond or supersedeas bond in order to further stay the proceedings or file an appeal.

**EFFECTIVE DATE.** This section is effective January 1, 2024.

Sec. 11. Minnesota Statutes 2020, section 611A.03, subdivision 1, is amended to read:

Subdivision 1. **Plea agreements; notification of victim.** Prior to the entry of the factual basis for a plea pursuant to a plea agreement recommendation, a prosecuting attorney shall make a reasonable and good faith effort to inform the victim of:

(1) the contents of the plea agreement recommendation, including the amount of time recommended for the defendant to serve in jail or prison if the court accepts the agreement; ~~and~~

(2) the right to be present at the sentencing hearing and at the hearing during which the plea is presented to the court and to express orally or in writing, at the victim's option, any objection to the agreement or to the proposed disposition.
