Becker-Finn from the Committee on Judiciary Finance and Civil Law to which was referred:

H. F. No. 4, A bill for an act relating to transportation; modifying requirements for a noncompliant driver's license or Minnesota identification card and making related changes, including on eligibility, proof of lawful presence, primary and secondary documentation, and data practices; making technical changes; appropriating money; amending Minnesota Statutes 2022, sections 13.6905, by adding a subdivision; 171.04, subdivision 5; 171.06, subdivision 3, by adding subdivisions; 171.07, subdivisions 1, 3; 171.12, subdivisions 3, 7a, 7b, 9, by adding a subdivision; proposing coding for new law in Minnesota Statutes, chapter 171; repealing Minnesota Statutes 2022, section 171.015, subdivision 7.

Reported the same back with the following amendments:

Page 10, delete section 2 and insert:

"Sec. 2. Minnesota Statutes 2022, section 168.327, subdivision 6, is amended to read:

Subd. 6. **Review and audit of subscription services.** Each subscriber under subdivision 4 or 5a must annually engage an independent professional organization to audit its uses of data and its information technology security procedures, including: (1) the methods and practices employed in the processing and use of driver and vehicle services data; and (2) compliance with the certification required under section 171.12, subdivision 7b, paragraph (d). Within 30 days of the date of the audit report, each subscriber must submit each report to the legislative auditor and the commissioner.

Sec. 3. Minnesota Statutes 2022, section 171.12, subdivision 7, is amended to read:

Subd. 7. **Privacy of data.** (a) Data on individuals provided to obtain a driver's license or Minnesota identification card shall be treated as provided by United States Code, title 18, section 2721, as in effect on May 23, 2005, and shall be disclosed as required or permitted by that section. The commissioner shall disclose the data in bulk form upon request to an authorized recipient under United States Code, title 18, section 2721. For any disclosure of data on individuals related to a noncompliant driver's license or identification card, the commissioner must require a certification pursuant to subdivision 7b, paragraph (d).

(b) An applicant for a driver's license or a Minnesota identification card may consent, in writing, to the commissioner to disclose the applicant's personal information exempted by United States Code, title 18, section 2721, to any person who makes a request for the personal information. If the applicant so authorizes disclosures, the commissioner shall implement the request and the information may be used.

(c) If authorized by an applicant for a driver's license or a Minnesota identification card, as indicated in paragraph (b), the applicant's personal information may be used, rented, or sold solely for bulk distribution by organizations for business purposes, including surveys, marketing, or solicitation.

(d) An applicant for a driver's license, instruction permit, or Minnesota identification card may request that the applicant's residence address be classified as "private data on individuals," as defined in section 13.02, subdivision 12. The commissioner shall grant the classification on receipt of a signed statement by the individual that the classification is required for the safety of the applicant or the applicant's family, if the statement also provides a valid, existing address where the applicant consents to receive service of process. The commissioner shall use the service for process mailing address in place of the residence address in all documents and notices pertaining to the driver's license, instruction permit, or Minnesota identification card. The residence address and any information

provided in the classification request, other than the mailing address, are private data on individuals and may be provided to requesting law enforcement agencies, probation and parole agencies, and public authorities, as defined in section 518A.26, subdivision 18."

"Sec. 7. Minnesota Statutes 2022, section 171.12, is amended by adding a subdivision to read:

Subd. 11. Certain data on noncompliant license or identification card; department and agents. (a) For purposes of this section, "immigration status data" means data on individuals who have applied for or been issued a noncompliant driver's license or identification card and that indicate or otherwise have the effect of identifying (1) whether the individual has demonstrated United States citizenship, or (2) whether the individual has demonstrated lawful presence in the United States. Immigration status data include but are not limited to any documents specified under section 171.06, subdivision 9, 10, or 11; immigration status data contained in those documents; or the applicant's submission of the documents.

(b) Immigration status data are classified as private data on individuals, as defined in section 13.02, subdivision 12. Notwithstanding any law to the contrary, the commissioner or a driver's license agent must not share or disseminate immigration status data except to or within the division of the department that administers driver licensing and to the secretary of state for purposes of improving the accuracy of voter registration records under subdivision 7a.

(c) As authorized or required by state or federal law, the commissioner or a driver's license agent may share or disseminate data on individuals who have applied for or been issued a noncompliant driver's license or identification card that are not immigration status data to a government entity, as defined in section 13.02, subdivision 7a, or to a federal government entity that does not enforce immigration law, provided that the receiving entity must not use the data for civil immigration enforcement purposes or further disclose the data to a state or federal government entity that primarily enforces immigration law or to any employee or agent of any such government entity.

(d) Notwithstanding any law to the contrary, the commissioner or a driver's license agent must not share or disseminate any data on individuals who have applied for or been issued a noncompliant driver's license or identification card to any federal government entity that primarily enforces immigration law, except pursuant to a valid search warrant or court order issued by a state or federal judge.

(e) Violation of this subdivision by the commissioner, a driver's license agent, a government entity, or an employee or agent thereof constitutes a violation of the Minnesota Government Data Practices Act and may be subject to penalties and remedies applicable under that chapter."

Subd. 8. **Loan conditions.** (a) When making loans from the drinking water revolving fund, the authority shall comply with the conditions of the federal Safe Drinking Water Act, including the criteria in this subdivision.

(b) Loans must be made at or below market interest rates, including zero interest loans, for terms not to exceed those allowed under the federal Safe Drinking Water Act.

(c) The annual principal and interest payments must begin no later than one year after completion of the project. Loans must be amortized no later than 20 years after project completion, unless the recipient's average annual residential drinking water system cost after completion of the project would exceed 1.2 percent of median household income in the recipient governmental unit or entity, in which case the loan must be fully amortized no later than 30 years after project completion.

(d) A loan recipient must identify and establish a dedicated source of revenue for repayment of the loan, and provide for a source of revenue to properly operate, maintain, and repair the water system.

(e) The fund must be credited with all payments of principal and interest on all loans, except the costs as permitted under section 446A.04, subdivision 5, paragraph (a).

(f) A loan may not be used to pay operating expenses or current obligations, unless specifically allowed by the federal Safe Drinking Water Act.

(g) A loan made by the authority must be secured by notes or bonds of the governmental unit and collateral to be determined by the authority for private borrowers.

(h) Notwithstanding Minnesota Rules, part 7380.0272, the interest rate for loans made to replace lead service lines is zero percent.

Sec. 5. Minnesota Statutes 2022, section 446A.081, subdivision 9, is amended to read:

Subd. 9. **Other uses of fund.** (a) The drinking water revolving loan fund may be used as provided in the act, including the following uses:

(1) to buy or refinance the debt obligations, at or below market rates, of public water systems for drinking water systems, where the debt was incurred after the date of enactment of the act, for the purposes of construction of the necessary improvements to comply with the national primary drinking water regulations under the federal Safe Drinking Water Act;

(2) to purchase or guarantee insurance for local obligations to improve credit market access or reduce interest rates;

(3) to provide a source of revenue or security for the payment of principal and interest on revenue or general obligation bonds issued by the authority if the bond proceeds are deposited in the fund;

(4) to provide loans or loan guarantees for similar revolving funds established by a governmental unit or state agency;

(5) to earn interest on fund accounts;

(6) to pay the reasonable costs incurred by the authority, the Department of Employment and Economic Development, and the Department of Health for conducting activities as authorized and required under the act up to the limits authorized under the act;

(7) to develop and administer programs for water system supervision, source water protection, and related programs required under the act;

(8) to provide principal forgiveness or grants to the extent permitted under the federal Safe Drinking Water Act and other federal law, based on the criteria and requirements established for drinking water projects under the water infrastructure funding program under section 446A.072;

(9) to provide loans, principal forgiveness or grants to the extent permitted under the federal Safe Drinking Water Act and other federal law to address green infrastructure, water or energy efficiency improvements, or other environmentally innovative activities;

(10) to provide principal forgiveness, or grants for 80 percent of project costs up to a maximum of \$100,000 for projects needed to comply with national primary drinking water standards for an existing nonmunicipal community public water system; ~~and~~

(11) to provide principal forgiveness or grants to the extent permitted under the federal Safe Drinking Water Act and other federal laws ~~for 50 percent of the project costs up to a maximum of \$250,000~~ for projects to replace the privately owned portion of drinking water lead service lines; and

(12) to provide principal forgiveness or grants to the extent permitted under the federal Safe Drinking Water Act and other federal laws for 50 percent of project costs up to a maximum of \$3,000,000 for projects to address emerging contaminants in drinking water as defined by the United States Environmental Protection Agency.

(b) Principal forgiveness or grants provided under paragraph (a), clause (9), may not exceed 25 percent of the eligible project costs as determined by the Department of Health for project components directly related to green infrastructure, water or energy efficiency improvements, or other environmentally innovative activities, up to a maximum of \$1,000,000."
