Subdivision 1. **Definitions.** For purposes of this section, the terms defined have the meanings given them:

(a) "Consumer small loan" is a loan transaction in which cash is advanced to a borrower for the borrower's own personal, family, or household purpose. A consumer small loan is a short-term, unsecured loan to be repaid in a single installment. The cash advance of a consumer small loan is equal to or less than \$350. A consumer small loan includes an indebtedness evidenced by but not limited to a promissory note or agreement to defer the presentation of a personal check for a fee.

No other charges or payments are permitted or may be received by the lender in connection with a consumer small loan.~~

~~(1) on any amount up to and including \$50, a charge of \$5.50 may be added;~~

~~(2) on amounts in excess of \$50, but not more than \$100, a charge may be added equal to ten percent of the loan proceeds plus a \$5 administrative fee;~~

~~(4) for amounts in excess of \$250 and not greater than the maximum in subdivision 1, paragraph (a), a charge may be added equal to six percent of the loan proceeds with a minimum of \$17.50 plus a \$5 administrative fee.~~

(b) The term of a loan made under this section shall be for no more than 30 calendar days.

(c) After maturity, the contract rate must not exceed 2.75 percent per month of the remaining loan proceeds after the maturity date calculated at a rate of 1/30 of the monthly rate in the contract for each calendar day the balance is outstanding.

(d) No insurance charges or other charges must be permitted to be charged, collected, or imposed on a consumer small loan except as authorized in this section.

(e) On a loan transaction in which cash is advanced in exchange for a personal check, a return check charge may be charged as authorized by section 604.113, subdivision 2, paragraph (a). The civil penalty provisions of section 604.113, subdivision 2, paragraph (b), may not be demanded or assessed against the borrower.

(f) A loan made under this section must not be repaid by the proceeds of another loan made under this section by the same lender or related interest. The proceeds from a loan made under this section must not be applied to another loan from the same lender or related interest. No loan to a single borrower made pursuant to this section shall be split or divided and no single borrower shall have outstanding more than one loan with the result of collecting a higher charge than permitted by this section or in an aggregate amount of principal exceed at any one time the maximum of \$350.

Sec. 4. Minnesota Statutes 2022, section 47.60, is amended by adding a subdivision to read:

(3) making, offering, assisting, or arranging for a debtor to obtain a loan with a greater rate or amount of interest, consideration, charge, or payment than is permitted by this section through any method including mail, telephone, Internet, or any electronic means regardless of whether a person has a physical location in this state.

(b) A person is a consumer small loan lender subject to the requirements of this section notwithstanding the fact that a person purports to act as an agent or service provider, or acts in another capacity for another person that is not subject to this section, if a person:

(1) directly or indirectly holds, acquires, or maintains the predominant economic interest, risk, or reward in a loan or lending business; or

(2) both: (i) markets, solicits, brokers, arranges, or facilitates a loan; and (ii) holds, or holds the right, requirement, or first right of refusal to acquire, loans, receivables, or other direct or interest in a loan.

For the purposes of this section, each new advance of money to a borrower under a consumer short-term loan agreement constitutes a new consumer short-term loan. A "consumer short-term loan" does not include any transaction made under chapter 325J or a loan made by a consumer short-term lender where, in the event of default on the loan, the sole recourse for recovery of the amount owed, other than a lawsuit for damages for the debt, is to proceed against physical goods pledged by the borrower as collateral for the loan.

(d) The holder or assignee of a check or other instrument evidencing an obligation of a borrower in connection with a consumer short-term loan takes the instrument subject to all claims by and defenses of the borrower against the consumer short-term lender.

(c) A person is a consumer short-term loan lender subject to the requirements of this section if the totality of the circumstances indicate that a person is a lender and the transaction is structured to evade the requirements of this section. - (2) in violation of any provision of subdivision 2 or 3; or
