## REPORTS OF STANDING COMMITTEES AND DIVISIONS

Moller and Novotny from the Committee on Public Safety Finance and Policy to which was referred:

H. F. No. 962, A bill for an act relating to public safety; excluding peace officers from discipline for inclusion on Brady-Giglio lists; establishing a task force to examine Brady-Giglio lists; requiring a report; amending Minnesota Statutes 2024, section 626.89, by adding a subdivision.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. **634.046** **PROTECTION OF PERSONNEL DATA ACCESSED BY A PROSECUTING AUTHORITY.**

Subdivision 1. **Definitions.** (a) For the purposes of this section, the following terms have the meanings given in this subdivision.

(b) "Brady-Giglio material" means all data about a public employee witness that has been determined by a prosecuting authority, according to law and pursuant to the policy required under subdivision 2, to be potentially exculpatory and/or impeaching.

(c) "Criminal action" means any petty misdemeanor, misdemeanor, gross misdemeanor, felony, or delinquency proceedings.

(d) "Not public data" has the meaning given in section 13.02, subdivision 8a.

(e) "Peace officer" or "officer" has the meaning given in section 626.88, subdivision 1, paragraph (b).

(f) "Personnel data" has the meaning given in section 13.43, subdivision 1.

(g) "Private data" has the meaning given in section 13.02, subdivision 12.

(h) "Prosecuting authority" or "authority" means the public official and their designees responsible for initiating and conducting criminal prosecutions, including the Minnesota Attorney General's Office, each county attorney's office, and each principal city attorney, including any attorney contracted for the prosecution of criminal offenses for a city or municipality.

Subd. 2. **Contents of prosecuting authority policy.** (a) All prosecuting authorities in Minnesota shall implement a written policy to guide the process of seeking and reviewing personnel data, and disclosing personnel data if determined to be Brady-Giglio material in all criminal actions in Minnesota.

(b) A policy under this section must state goals and contain objectives and procedures to address the following matters:

(1) the methodology, according to law, used by the prosecuting authority to determine whether personnel data will be considered Brady-Giglio material and retained by the prosecuting authority;

(2) the requirement of the prosecuting authority to designate and identify responsible attorney personnel to oversee and administer shared obligations under the policy;

(3) procedures for a public employer, including a law enforcement authority, to notify the prosecuting authority of conduct by a public employee that could meet the definition of Brady-Giglio material;

(4) procedures for the prosecuting authority to notify the public employer and the subject of the data of the following:

(i) when the prosecuting authority subpoenas or requests personnel data or files a motion in court to seek the production of personnel data for in camera review;

(ii) when the prosecuting authority has determined it will retain an individual's data, including any not public data, for Brady-Giglio purposes; and

(iii) after receiving a court order in a criminal action handled by the prosecuting authority that makes a determination that a public employee's conduct may need to be disclosed in future cases under Brady-Giglio;

(5) procedures for the prosecuting authority to receive supplemental data or information from the public employer or the subject of the data for the purpose of updating Brady-Giglio material or requesting that the prosecuting authority reconsider its Brady-Giglio determination, including reasonable time frames;

(6) procedures for protecting retained personnel data for Brady-Giglio purposes from public disclosure or any improper use outside of the criminal action where that data may be disclosed or relevant; and

(7) procedures for educating law enforcement agencies and other public employers about the contents and requirements of the policy and their roles in assisting with the policy's implementation.

**Subd. 3. Prohibition on do not call.** Except as otherwise authorized or required by law, a prosecuting authority's disclosure of Brady-Giglio information must be on a case-by-case basis when the prosecuting authority has determined that the information about a testifying witness could be material. A prosecuting authority may not create or establish a blanket do not use or do not call list, status, or designation for public employees because that determination must be case specific. "Do not call" or "do not use" for purposes of this section means a predetermined, generic policy or decision by a prosecuting authority that a public employee witness will never be called to testify in any proceeding. The fact that a prosecuting authority has not called a public employee in any proceedings does not constitute or create the presumption of the existence of a blanket prohibition list.

**Subd. 4. Restrictions on data.** (a) Subject to the limitations of the Minnesota Government Data Practices Act, any personnel data designated as Brady-Giglio material and disclosed in a criminal action by any agency or government entity under this section or pursuant to any court order shall maintain its original data classification.

(b) Notwithstanding any law to the contrary, a prosecuting authority shall not disclose to any person any data that is received from a government entity and is on a current or former employee of that entity; provided, however, that the prosecuting authority shall disclose such data to the court or any party in a case as required under applicable law. The prosecuting authority may disclose such data: (1) to the current or former employee who is the subject of the data; (2) in response to an inquiry under Minnesota Rules, part 6700.0670, subpart 2, item A, subitem (13); or (3) to another prosecuting authority that is in compliance with the requirements of subdivision 2.

(c) The district court shall make appropriate safeguards to protect personnel data and classified data designated as Brady-Giglio material when disclosure is necessary to pro se parties representing themselves as defendants in any criminal action. The district court may appoint standby legal counsel to handle any Brady-Giglio material that must be disclosed in a criminal action to a pro se party.

(d) The district court may issue protective orders restricting the disclosure and use of personnel data provided to the defendant pursuant to this section upon the request of a prosecuting authority.

(e) Recipients of Brady-Giglio material in a criminal action marked by the prosecuting authority or the court as originating from a public employee's personnel file shall protect that data from further disclosure outside of the criminal action. Recipients of this data who fail to abide by this subdivision or a protective order issued under paragraph (d) are punishable by a misdemeanor.

Subd. 5. **Judicial notice to public employer and prosecuting authority.** If a court finds that a public employee, including a peace officer, who testifies at a hearing or submits other testimonial evidence, has been untruthful, the district court shall provide notice to the public employer, employee, and the local prosecuting authority, as well as the parties in the applicable case.

Subd. 6. **Compliance with other laws.** The provisions of this section shall not be construed in any way, manner, or form to restrict prosecutors or judges from fulfilling their constitutional, professional, and ethical obligations."

With the recommendation that when so amended the bill be re-referred to the Committee on Judiciary Finance and Civil Law.

For all other candidates who filed for an office whose residency requirement must be satisfied by the close of the filing period, a registered voter in this state may request in writing that the filing officer receiving the affidavit of candidacy review the address as provided in this paragraph, at any time up to one day after the last day for filing for office. If requested, the filing officer must determine whether the address provided in the affidavit of candidacy is within the area represented by the office the candidate is seeking. If the filing officer determines that the address is not within the area represented by the office, the filing officer must immediately notify the candidate and the candidate's name must be removed from the ballot for that office. A determination made by a filing officer under this paragraph is subject to judicial review under section 204B.44.

(c) If the candidate requests that the candidate's address of residence be classified as private data, the candidate must list the candidate's address of residence on a separate form to be attached to the affidavit. ~~The candidate must also certify on the affidavit that either: (1) a police report has been submitted, an order for protection has been issued, or the candidate has a reasonable fear in regard to the safety of the candidate or the candidate's family; or (2) the candidate's address is otherwise private pursuant to Minnesota law.~~ The address of residence provided by a candidate who makes a request for classification on the candidate's affidavit of candidacy ~~and provides the certification required by this paragraph~~ is classified as private data, as defined in section 13.02, subdivision 12, but may be reviewed by the filing officer as provided in this subdivision.
