Moller and Novotny from the Committee on Public Safety Finance and Policy to which was referred:

H. F. No. 391, A bill for an act relating to public safety; providing for enforcement of judicially ordered firearms restrictions for abusing parties; amending Minnesota Statutes 2024, sections 260C.201, subdivision 3; 518B.01, subdivision 6; 609.2242, subdivision 3; 609.749, subdivision 8.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2024, section 260C.201, subdivision 3, is amended to read:

Subd. 3. **Domestic child abuse.** (a) If the court finds that the child is a victim of domestic child abuse, as defined in section 260C.007, subdivision 13, it may order any of the following dispositions of the case in addition to or as alternatives to the dispositions authorized under subdivision 1:

- (1) restrain any party from committing acts of domestic child abuse;
- (2) exclude the abusing party from the dwelling which the family or household members share or from the residence of the child;
- (3) on the same basis as is provided in chapter 518, establish temporary visitation with regard to minor children of the adult family or household members;
- (4) on the same basis as is provided in chapter 518 or 518A, establish temporary support or maintenance for a period of 30 days for minor children or a spouse;
- (5) provide counseling or other social services for the family or household members; or
- (6) order the abusing party to participate in treatment or counseling services.

Any relief granted by the order for protection shall be for a fixed period not to exceed one year.

(b) No order excluding the abusing party from the dwelling may be issued unless the court finds that:

- (1) the order is in the best interests of the child or children remaining in the dwelling;

(2) a remaining adult family or household member is able to care adequately for the child or children in the absence of the excluded party; and

(3) the local welfare agency has developed a plan to provide appropriate social services to the remaining family or household members.

(c) Upon a finding that the remaining parent is able to care adequately for the child and enforce an order excluding the abusing party from the home and that the provision of supportive services by the responsible social services agency is no longer necessary, the responsible social services agency may be dismissed as a party to the proceedings. Orders entered regarding the abusing party remain in full force and effect and may be renewed by the remaining parent as necessary for the continued protection of the child for specified periods of time, not to exceed one year.

(d) An order granting relief that was issued after a hearing of which the abusing party received actual notice and at which the abusing party had the opportunity to participate, shall prohibit the abusing party from possessing firearms for the length the order is in effect if the order (1) restrains the abusing party from harassing, stalking, or threatening the child or restrains the abusing party from engaging in other conduct that would place the child in reasonable fear of bodily injury, and (2) includes a finding that the abusing party represents a credible threat to the physical safety of the child or prohibits the abusing party from using, attempting to use, or threatening to use physical force against the child. The order shall inform the abusing party of that party's prohibited status. Except as provided in paragraph (f), the court shall order the abusing party to transfer any firearms that the person possesses, within three business days, to a federally licensed firearms dealer, a law enforcement agency, or a third party who may lawfully receive them. The transfer may be permanent or temporary. A temporary firearm transfer only entitles the receiving party to possess the firearm. A temporary transfer does not transfer ownership or title. An abusing party may not transfer firearms to a third party who resides with the abusing party. If an abusing party makes a temporary transfer, a federally licensed firearms dealer or law enforcement agency may charge the abusing party a reasonable fee to store the person's firearms and may establish policies for disposal of abandoned firearms, provided such policies require that the person be notified via certified mail prior to disposal of abandoned firearms. For temporary firearms transfers under this paragraph, a law enforcement agency, federally licensed firearms dealer, or third party shall exercise due care to preserve the quality and function of the transferred firearms and shall return the transferred firearms to the person upon request after the expiration of the prohibiting time period, provided the person is not otherwise prohibited from possessing firearms under state or federal law. The return of temporarily transferred firearms to an abusing party shall comply with state and federal law. If an abusing party permanently transfers the abusing party's firearms to a law enforcement agency, the agency is not required to compensate the abusing party and may charge the abusing party a reasonable processing fee. A law enforcement agency is not required to accept an abusing party's firearm under this paragraph.

(e) An abusing party who is ordered to transfer firearms under paragraph (d) must file proof of transfer as provided for in this paragraph. If the transfer is made to a third party, the third party must sign an affidavit under oath before a notary public either acknowledging that the abusing party permanently transferred the abusing party's firearms to the third party or agreeing to temporarily store the abusing party's firearms until such time as the abusing party is legally permitted to possess firearms. The affidavit shall indicate the serial number, make, and model of all firearms transferred by the abusing party to the third party. The third party shall acknowledge in the affidavit that the third party may be held criminally and civilly responsible under section 624.7144 if the abusing party gains access to a transferred firearm while the firearm is in the custody of the third party. If the transfer is to a law enforcement agency or federally licensed firearms dealer, the law enforcement agency or federally licensed firearms dealer shall provide proof of transfer to the abusing party. The proof of transfer must specify whether the firearms were permanently or temporarily transferred and include the name of the abusing party, date of transfer, and the serial number, make, and model of all transferred firearms. The abusing party shall provide the court with a signed and notarized affidavit or proof of transfer as described in this section within two business days of the firearms transfer. The court shall seal affidavits and proofs of transfer filed pursuant to this paragraph.

(f) When a court issues an order containing a firearms restriction provided for in paragraph (d), the court shall determine by a preponderance of evidence if an abusing party poses an imminent risk of causing another person substantial bodily harm. Upon a finding of imminent risk, the court shall order that the local law enforcement agency take immediate possession of all firearms in the abusing party's possession. The local law enforcement agency shall exercise due care to preserve the quality and function of the abusing party's firearms and shall return the firearms to the person upon request after the expiration of the prohibiting time period, provided the person is not otherwise prohibited from possessing firearms under state or federal law. The local law enforcement agency shall, upon written notice from the abusing party, transfer the firearms to a federally licensed firearms dealer or a third party who may lawfully receive them. Before a local law enforcement agency transfers a firearm under this paragraph, the agency shall require the third party or federally licensed firearms dealer receiving the firearm to submit an affidavit or proof of transfer that complies with the requirements for affidavits or proofs of transfer established in paragraph (e). The agency shall file all affidavits or proofs of transfer received with the court within two business days of the transfer. The court shall seal all affidavits or proofs of transfer filed pursuant to this paragraph. A federally licensed firearms dealer or third party who accepts a firearm transfer pursuant to this paragraph shall comply with paragraphs (d) and (e) as if accepting transfer from the abusing party. If the law enforcement agency does not receive written notice from the abusing party within three business days, the agency may charge a reasonable fee to store the abusing party's firearms. A law enforcement agency may establish policies for disposal of abandoned firearms, provided such policies require that the abusing party be notified via certified mail prior to disposal of abandoned firearms.

(g) The court shall ensure that all firearms have been transferred and all proofs of transfer submitted as required by paragraphs (d), (e), and (f), by scheduling and holding a compliance hearing. The compliance hearing is governed by section 518B.03.

Sec. 2. Minnesota Statutes 2024, section 518B.01, subdivision 6, is amended to read:

Subd. 6. **Relief by court.** (a) Upon notice and hearing, the court may provide relief as follows:

- (1) restrain the abusing party from committing acts of domestic abuse;
- (2) exclude the abusing party from the dwelling which the parties share or from the residence of the petitioner;
- (3) exclude the abusing party from a reasonable area surrounding the dwelling or residence, which area shall be described specifically in the order;
- (4) award temporary custody or establish temporary parenting time with regard to minor children of the parties on a basis which gives primary consideration to the safety of the victim and the children. In addition to the primary safety considerations, the court may consider particular best interest factors that are found to be relevant to the temporary custody and parenting time award. Findings under section 257.025, 518.17, or 518.175 are not required with respect to the particular best interest factors not considered by the court. If the court finds that the safety of the victim or the children will be jeopardized by unsupervised or unrestricted parenting time, the court shall condition or restrict parenting time as to time, place, duration, or supervision, or deny parenting time entirely, as needed to guard the safety of the victim and the children. The court's decision on custody and parenting time shall in no way delay the issuance of an order for protection granting other relief provided for in this section. The court must not enter a parenting plan under section 518.1705 as part of an action for an order for protection;
- (5) on the same basis as is provided in chapter 518 or 518A, establish temporary support for minor children or a spouse, and order the withholding of support from the income of the person obligated to pay the support according to chapter 518A;

(6) provide upon request of the petitioner counseling or other social services for the parties, if married, or if there are minor children;

(7) order the abusing party to participate in treatment or counseling services, including requiring the abusing party to successfully complete a domestic abuse counseling program or educational program under section 518B.02;

(8) award temporary use and possession of property and restrain one or both parties from transferring, encumbering, concealing, or disposing of property except in the usual course of business or for the necessities of life, and to account to the court for all such transfers, encumbrances, dispositions, and expenditures made after the order is served or communicated to the party restrained in open court;

(9) exclude the abusing party from the place of employment of the petitioner, or otherwise limit access to the petitioner by the abusing party at the petitioner's place of employment;

(10) order the abusing party to have no contact with the petitioner whether in person, by telephone, mail, or electronic mail or messaging, through a third party, or by any other means;

(11) order the abusing party to pay restitution to the petitioner;

(12) order the continuance of all currently available insurance coverage without change in coverage or beneficiary designation;

(13) order, in its discretion, other relief as it deems necessary for the protection of a family or household member, including orders or directives to the sheriff or other law enforcement or corrections officer as provided by this section;

(14) direct the care, possession, or control of a pet or companion animal owned, possessed, or kept by the petitioner or respondent or a child of the petitioner or respondent; and

(15) direct the respondent to refrain from physically abusing or injuring any pet or companion animal, without legal justification, known to be owned, possessed, kept, or held by either party or a minor child residing in the residence or household of either party as an indirect means of intentionally threatening the safety of such person.

(b) Any relief granted by the order for protection shall be for a period not to exceed two years, except when the court determines a longer period is appropriate. When a referee presides at the hearing on the petition, the order granting relief becomes effective upon the referee's signature.

(c) An order granting the relief authorized in paragraph (a), clause (1), may not be vacated or modified in a proceeding for dissolution of marriage or legal separation, except that the court may hear a motion for modification of an order for protection concurrently with a proceeding for dissolution of marriage upon notice of motion and motion. The notice required by court rule shall not be waived. If the proceedings are consolidated and the motion to modify is granted, a separate order for modification of an order for protection shall be issued.

(d) An order granting the relief authorized in paragraph (a), clause (2) or (3), is not voided by the admittance of the abusing party into the dwelling from which the abusing party is excluded.

(e) If a proceeding for dissolution of marriage or legal separation is pending between the parties, the court shall provide a copy of the order for protection to the court with jurisdiction over the dissolution or separation proceeding for inclusion in its file.

(f) An order for restitution issued under this subdivision is enforceable as civil judgment.

(g) An order granting relief shall prohibit the abusing party from possessing firearms for the length the order is in effect if the order (1) restrains the abusing party from harassing, stalking, or threatening the petitioner or restrains the abusing party from engaging in other conduct that would place the petitioner in reasonable fear of bodily injury, and (2) includes a finding that the abusing party represents a credible threat to the physical safety of the petitioner or prohibits the abusing party from using, attempting to use, or threatening to use physical force against the petitioner. The order shall inform the abusing party of that party's prohibited status. Except as provided in paragraph (i), the court shall order the abusing party to transfer any firearms that the person possesses, within three business days, to a federally licensed firearms dealer, a law enforcement agency, or a third party who may lawfully receive them. The transfer may be permanent or temporary. A temporary firearm transfer only entitles the receiving party to possess the firearm. A temporary transfer does not transfer ownership or title. An abusing party may not transfer firearms to a third party who resides with the abusing party. If an abusing party makes a temporary transfer, a federally licensed firearms dealer or law enforcement agency may charge the abusing party a reasonable fee to store the person's firearms and may establish policies for disposal of abandoned firearms, provided such policies require that the person be notified via certified mail prior to disposal of abandoned firearms. For temporary firearms transfers under this paragraph, a law enforcement agency, federally licensed firearms dealer, or third party shall exercise due care to preserve the quality and function of the transferred firearms and shall return the transferred firearms to the person upon request after the expiration of the prohibiting time period, provided the person is not otherwise prohibited from possessing firearms under state or federal law. The return of temporarily transferred firearms to an abusing party shall comply with state and federal law. If an abusing party permanently transfers the abusing party's firearms to a law enforcement agency, the agency is not required to compensate the abusing party and may charge the abusing party a reasonable processing fee. A law enforcement agency is not required to accept an abusing party's firearm under this paragraph.

(h) An abusing party who is ordered to transfer firearms under paragraph (g) must file proof of transfer as provided for in this paragraph. If the transfer is made to a third party, the third party must sign an affidavit under oath before a notary public either acknowledging that the abusing party permanently transferred the abusing party's firearms to the third party or agreeing to temporarily store the abusing party's firearms until such time as the abusing party is legally permitted to possess firearms. The affidavit shall indicate the serial number, make, and model of all firearms transferred by the abusing party to the third party. The third party shall acknowledge in the affidavit that the third party may be held criminally and civilly responsible under section 624.7144 if the abusing party gains access to a transferred firearm while the firearm is in the custody of the third party. If the transfer is to a law enforcement agency or federally licensed firearms dealer, the law enforcement agency or federally licensed firearms dealer shall provide proof of transfer to the abusing party. The proof of transfer must specify whether the firearms were permanently or temporarily transferred and include the name of the abusing party, date of transfer, and the serial number, make, and model of all transferred firearms. The abusing party shall provide the court with a signed and notarized affidavit or proof of transfer as described in this section within two business days of the firearms transfer. The court shall seal affidavits and proofs of transfer filed pursuant to this paragraph.

(i) When a court issues an order containing a firearms restriction provided for in paragraph (g), the court shall determine by a preponderance of evidence if an abusing party poses an imminent risk of causing another person substantial bodily harm. Upon a finding of imminent risk, the court shall order that the local law enforcement agency take immediate possession of all firearms in the abusing party's possession. The local law enforcement agency shall exercise due care to preserve the quality and function of the abusing party's firearms and shall return the firearms to the person upon request after the expiration of the prohibiting time period, provided the person is not otherwise prohibited from possessing firearms under state or federal law. The local law enforcement agency shall, upon written notice from the abusing party, transfer the firearms to a federally licensed firearms dealer or a third party who may lawfully receive them. Before a local law enforcement agency transfers a firearm under this paragraph, the agency shall require the third party or federally licensed firearms dealer receiving the firearm to submit an affidavit or proof of transfer that complies with the requirements for affidavits or proofs of transfer

established in paragraph (h). The agency shall file all affidavits or proofs of transfer received with the court within two business days of the transfer. The court shall seal all affidavits or proofs of transfer filed pursuant to this paragraph. A federally licensed firearms dealer or third party who accepts a firearm transfer pursuant to this paragraph shall comply with paragraphs (g) and (h) as if accepting transfer from the abusing party. If the law enforcement agency does not receive written notice from the abusing party within three business days, the agency may charge a reasonable fee to store the abusing party's firearms. A law enforcement agency may establish policies for disposal of abandoned firearms, provided such policies require that the abusing party be notified via certified mail prior to disposal of abandoned firearms.

(j) The court shall ensure that all firearms have been transferred and all proofs of transfer submitted as required by paragraphs (g), (h), and (i), by scheduling and holding a compliance hearing. The compliance hearing is governed by section 518B.03.

Sec. 3. **[518B.03] COMPLIANCE HEARING; IMMUNITY; SANCTIONS; PROTECTIONS.**

Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms have the meanings given.

(b) "Subject" means a person who is subject to a court order prohibiting the person from possessing firearms issued pursuant to section 260C.201, 518B.01, 609.2242, 609.749, or 629.715.

(c) "Transfer order" is a court order requiring that a subject transfer any firearms that the person possesses to comply with a firearms prohibition imposed pursuant to section 260C.201, 518B.01, 609.2242, 609.749, or 629.715.

Subd. 2. **Scope; timing.** (a) This section governs a hearing required to determine if a subject has complied with a transfer order.

(b) Compliance hearings must be held within ten business days of a court issuing a transfer order.

Subd. 3. **Waiver.** The court may waive the hearing requirement on its own motion or upon request of either the prosecutor or subject if the court determines that the subject has complied with the transfer order, including filing of a proof of transfer or affidavit of transfer, or otherwise submitted a credible declaration of nonpossession.

Subd. 4. **Noncompliance finding; sanctions.** If the court finds that there is probable cause to believe that the subject is not in compliance with a transfer order or fails to appear at a compliance hearing, the court must take appropriate action under the circumstances, including but not limited to issuing a warrant for the subject's arrest. The court may also initiate a contempt proceeding under section 588.01, subdivision 3, to impose remedial sanctions on its own motion, or upon the motion of the prosecutor, and issue an order requiring the subject to appear, with additional sanctions for failure to appear; provide proof of compliance with the order; and show cause why the subject should not be held in contempt of court.

Subd. 5. **Immunity.** The act of voluntarily surrendering firearms, providing testimony relating to the surrender of firearms, or complying with a transfer order, and any information directly or indirectly derived from such act or testimony, may not be used against the subject in any criminal prosecution, except a prosecution for perjury, giving a false statement, or otherwise failing to comply with the transfer order. Every transfer order must contain language consistent with the statutory immunity set forth in this subdivision.

Subd. 6. **Privilege against self-incrimination.** (a) If a subject invokes the privilege against self-incrimination at the time of issuance of the order or at a subsequent hearing, the court may afford the subject an opportunity to demonstrate that compliance with a transfer order would expose that person to a realistic threat of self-incrimination in a subsequent or pending criminal proceeding. The court may conduct this portion of the proceeding ex parte or receive evidence in camera, without the presence of the prosecuting attorney.

(b) If the subject establishes such a realistic threat of self-incrimination regarding possible criminal prosecution that is not addressed by the immunity from prosecution set forth in subdivision 5, the court must afford the relevant prosecuting attorney an opportunity to offer an immunity agreement tailored specifically to the firearms implicated by the potential self-incrimination. To achieve the purposes of this section, any immunity offered should be narrowly tailored to address any realistic threat of self-incrimination while ensuring that any other firearms not implicated are surrendered.

(c) Any immunity from prosecution beyond the immunity set forth in subdivision 5 may only be extended by the prosecuting attorney. If the prosecuting attorney declines to extend immunity such that the subject cannot fully comply with the transfer order without facing a realistic threat of self-incrimination, the court's order must provide for the surrender of every firearm and firearm permit that does not implicate a realistic threat of self-incrimination. The order's prohibition on firearms possession remains in effect.

Subd. 7. **Compliance required; burden of proof.** Nothing in this section shall be interpreted as diminishing the requirement that the subject fully comply with the order issued by the court. The burden remains on the subject to prove compliance.

Sec. 4. Minnesota Statutes 2024, section 609.2242, subdivision 3, is amended to read:

Subd. 3. **Domestic assaults; firearms.** (a) When a person is convicted of a violation of this section or section 609.221, 609.222, 609.223, 609.224, or 609.2247, the court shall determine and make written findings on the record as to whether:

- (1) the assault was committed against a family or household member, as defined in section 518B.01, subdivision 2;
- (2) the defendant owns or possesses a firearm; and
- (3) the firearm was used in any way during the commission of the assault.

(b) If the court determines that the assault was of a family or household member, and that the offender owns or possesses a firearm and used it in any way during the commission of the assault, it shall order that the firearm be summarily forfeited under section 609.5316, subdivision 3.

(c) When a person is convicted of assaulting a family or household member and is determined by the court to have used a firearm in any way during commission of the assault, the court may order that the person is prohibited from possessing any type of firearm for any period longer than three years or for the remainder of the person's life. A person who violates this paragraph is guilty of a gross misdemeanor. At the time of the conviction, the court shall inform the defendant for how long the defendant is prohibited from possessing a firearm and that it is a gross misdemeanor to violate this paragraph. The failure of the court to provide this information to a defendant does not affect the applicability of the firearm possession prohibition or the gross misdemeanor penalty to that defendant.

(d) Except as otherwise provided in paragraph (c), when a person is convicted of a violation of this section or section 609.224 and the court determines that the victim was a family or household member, the court shall inform the defendant that the defendant is prohibited from possessing a firearm for three years from the date of conviction and that it is a gross misdemeanor offense to violate this prohibition. The failure of the court to provide this information to a defendant does not affect the applicability of the firearm possession prohibition or the gross misdemeanor penalty to that defendant.

(e) Except as otherwise provided in paragraph (c), a person is not entitled to possess a pistol if the person has been convicted after August 1, 1992, or a firearm if a person has been convicted on or after August 1, 2014, of domestic assault under this section or assault in the fifth degree under section 609.224 and the assault victim was a

family or household member as defined in section 518B.01, subdivision 2, unless three years have elapsed from the date of conviction and, during that time, the person has not been convicted of any other violation of this section or section 609.224. Property rights may not be abated but access may be restricted by the courts. A person who possesses a firearm in violation of this paragraph is guilty of a gross misdemeanor.

(f) Except as otherwise provided in paragraphs (b) and (h), when a person is convicted of a violation of this section or section 609.221, 609.222, 609.223, 609.224, or 609.2247 and the court determines that the assault was against a family or household member, the court shall order the defendant to transfer any firearms that the person possesses, within three business days, to a federally licensed firearms dealer, a law enforcement agency, or a third party who may lawfully receive them. The transfer may be permanent or temporary, unless the court prohibits the person from possessing a firearm for the remainder of the person's life under paragraph (c). A temporary firearm transfer only entitles the receiving party to possess the firearm. A temporary transfer does not transfer ownership or title. A defendant may not transfer firearms to a third party who resides with the defendant. If a defendant makes a temporary transfer, a federally licensed firearms dealer or law enforcement agency may charge the defendant a reasonable fee to store the person's firearms and may establish policies for disposal of abandoned firearms, provided such policies require that the person be notified by certified mail prior to disposal of abandoned firearms. For temporary firearms transfers under this paragraph, a law enforcement agency, federally licensed firearms dealer, or third party shall exercise due care to preserve the quality and function of the transferred firearms and shall return the transferred firearms to the person upon request after the expiration of the prohibiting time period imposed under this subdivision, provided the person is not otherwise prohibited from possessing firearms under state or federal law. The return of temporarily transferred firearms to a person shall comply with state and federal law. If a defendant permanently transfers the defendant's firearms to a law enforcement agency, the agency is not required to compensate the defendant and may charge the defendant a reasonable processing fee. A law enforcement agency is not required to accept a person's firearm under this paragraph. The court shall order that the person surrender all permits to carry and purchase firearms to the sheriff.

(g) A defendant who is ordered to transfer firearms under paragraph (f) must file proof of transfer as provided for in this paragraph. If the transfer is made to a third party, the third party must sign an affidavit under oath before a notary public either acknowledging that the defendant permanently transferred the defendant's firearms to the third party or agreeing to temporarily store the defendant's firearms until such time as the defendant is legally permitted to possess firearms. The affidavit shall indicate the serial number, make, and model of all firearms transferred by the defendant to the third party. The third party shall acknowledge in the affidavit that the third party may be held criminally and civilly responsible under section 624.7144 if the defendant gains access to a transferred firearm while the firearm is in the custody of the third party. If the transfer is to a law enforcement agency or federally licensed firearms dealer, the law enforcement agency or federally licensed firearms dealer shall provide proof of transfer to the defendant. The proof of transfer must specify whether the firearms were permanently or temporarily transferred and include the name of the defendant, date of transfer, and the serial number, make, and model of all transferred firearms. The defendant shall provide the court with a signed and notarized affidavit or proof of transfer as described in this section within two business days of the firearms transfer. The court shall seal affidavits and proofs of transfer filed pursuant to this paragraph.

(h) When a person is convicted of a violation of this section or section 609.221, 609.222, 609.223, 609.224, or 609.2247, and the court determines that the assault was against a family or household member, the court shall determine by a preponderance of the evidence if the person poses an imminent risk of causing another person substantial bodily harm. Upon a finding of imminent risk, the court shall order that the local law enforcement agency take immediate possession of all firearms in the person's possession. The local law enforcement agency shall exercise due care to preserve the quality and function of the defendant's firearms and shall return the firearms to the person upon request after the expiration of the prohibiting time period, provided the person is not otherwise prohibited from possessing firearms under state or federal law. The local law enforcement agency shall, upon written notice from the person, transfer the firearms to a federally licensed firearms dealer or a third party who may lawfully receive them. Before a local law enforcement agency transfers a firearm under this paragraph, the agency

shall require the third party or federally licensed firearms dealer receiving the firearm to submit an affidavit or proof of transfer that complies with the requirements for affidavits or proofs of transfer established in paragraph (g). The agency shall file all affidavits or proofs of transfer received with the court within two business days of the transfer. The court shall seal all affidavits or proofs of transfer filed pursuant to this paragraph. A federally licensed firearms dealer or third party who accepts a firearm transfer pursuant to this paragraph shall comply with paragraphs (f) and (g) as if accepting transfer from the defendant. If the law enforcement agency does not receive written notice from the defendant within three business days, the agency may charge a reasonable fee to store the defendant's firearms. A law enforcement agency may establish policies for disposal of abandoned firearms, provided such policies require that the person be notified via certified mail prior to disposal of abandoned firearms.

(i) The court shall ensure that all firearms have been transferred and all proofs of transfer submitted as required by paragraphs (f), (g), and (h), by scheduling and holding a compliance hearing. The compliance hearing is governed by section 518B.03.

Sec. 5. Minnesota Statutes 2024, section 609.749, subdivision 8, is amended to read:

Subd. 8. **Harassment; stalking; firearms.** (a) When a person is convicted of harassment or stalking under this section and the court determines that the person used a firearm in any way during commission of the crime, the court may order that the person is prohibited from possessing any type of firearm for any period longer than three years or for the remainder of the person's life. A person who violates this paragraph is guilty of a gross misdemeanor. At the time of the conviction, the court shall inform the defendant for how long the defendant is prohibited from possessing a firearm and that it is a gross misdemeanor to violate this paragraph. The failure of the court to provide this information to a defendant does not affect the applicability of the firearm possession prohibition or the gross misdemeanor penalty to that defendant.

(b) Except as otherwise provided in paragraph (a), when a person is convicted of harassment or stalking under this section, the court shall inform the defendant that the defendant is prohibited from possessing a firearm for three years from the date of conviction and that it is a gross misdemeanor offense to violate this prohibition. The failure of the court to provide this information to a defendant does not affect the applicability of the firearm possession prohibition or the gross misdemeanor penalty to that defendant.

(c) Except as otherwise provided in paragraph (a), a person is not entitled to possess a pistol if the person has been convicted after August 1, 1996, of harassment or stalking under this section, or to possess a firearm if the person has been convicted on or after August 1, 2014, of harassment or stalking under this section, unless three years have elapsed from the date of conviction and, during that time, the person has not been convicted of any other violation of this section. Property rights may not be abated but access may be restricted by the courts. A person who possesses a firearm in violation of this paragraph is guilty of a gross misdemeanor.

(d) If the court determines that a person convicted of harassment or stalking under this section owns or possesses a firearm and used it in any way during the commission of the crime, it shall order that the firearm be summarily forfeited under section 609.5316, subdivision 3.

(e) Except as otherwise provided in paragraphs (d) and (g), when a person is convicted of harassment or stalking under this section, the court shall order the defendant to transfer any firearms that the person possesses, within three business days, to a federally licensed firearms dealer, a law enforcement agency, or a third party who may lawfully receive them. The transfer may be permanent or temporary. A temporary firearm transfer only entitles the receiving party to possess the firearm. A temporary transfer does not transfer ownership or title. A defendant may not transfer firearms to a third party who resides with the defendant. If a defendant makes a temporary transfer, a federally licensed firearms dealer or law enforcement agency may charge the defendant a reasonable fee to store the person's firearms and may establish policies for disposal of abandoned firearms, provided such policies require that the person be notified via certified mail prior to disposal of abandoned firearms. For temporary firearms transfers

under this paragraph, a law enforcement agency, federally licensed firearms dealer, or third party shall exercise due care to preserve the quality and function of the transferred firearms and shall return the transferred firearms to the person upon request after the expiration of the prohibiting time period imposed under this subdivision, provided the person is not otherwise prohibited from possessing firearms under state or federal law. The return of temporarily transferred firearms to a defendant shall comply with state and federal law. If a defendant permanently transfers the defendant's firearms to a law enforcement agency, the agency is not required to compensate the defendant and may charge the defendant a reasonable processing fee. A law enforcement agency is not required to accept a person's firearm under this paragraph. The court shall order that the person surrender all permits to carry and purchase firearms to the sheriff.

(f) A defendant who is ordered to transfer firearms under paragraph (e) must file proof of transfer as provided for in this paragraph. If the transfer is made to a third party, the third party must sign an affidavit under oath before a notary public either acknowledging that the defendant permanently transferred the defendant's firearms to the third party or agreeing to temporarily store the defendant's firearms until such time as the defendant is legally permitted to possess firearms. The affidavit shall indicate the serial number, make, and model of all firearms transferred by the defendant to the third party. The third party shall acknowledge in the affidavit that the third party may be held criminally and civilly responsible under section 624.7144 if the defendant gains access to a transferred firearm while the firearm is in the custody of the third party. If the transfer is to a law enforcement agency or federally licensed firearms dealer, the law enforcement agency or federally licensed firearms dealer shall provide proof of transfer to the defendant. The proof of transfer must specify whether the firearms were permanently or temporarily transferred and include the name of the defendant, date of transfer, and the serial number, make, and model of all transferred firearms. The defendant shall provide the court with a signed and notarized affidavit or proof of transfer as described in this section within two business days of the firearms transfer. The court shall seal affidavits and proofs of transfer filed pursuant to this paragraph.

(g) When a person is convicted of harassment or stalking under this section, the court shall determine by a preponderance of the evidence if the person poses an imminent risk of causing another person substantial bodily harm. Upon a finding of imminent risk, the court shall order that the local law enforcement agency take immediate possession of all firearms in the person's possession. The local law enforcement agency shall exercise due care to preserve the quality and function of the defendant's firearms and shall return the firearms to the person upon request after the expiration of the prohibiting time period, provided the person is not otherwise prohibited from possessing firearms under state or federal law. The local law enforcement agency shall, upon written notice from the person, transfer the firearms to a federally licensed firearms dealer or a third party who may lawfully receive them. Before a local law enforcement agency transfers a firearm under this paragraph, the agency shall require the third party or federally licensed firearms dealer receiving the firearm to submit an affidavit or proof of transfer that complies with the requirements for affidavits or proofs of transfer established in paragraph (f). The agency shall file all affidavits or proofs of transfer received with the court within two business days of the transfer. The court shall seal all affidavits or proofs of transfer filed pursuant to this paragraph. A federally licensed firearms dealer or third party who accepts a firearm transfer pursuant to this paragraph shall comply with paragraphs (e) and (f) as if accepting transfer from the defendant. If the law enforcement agency does not receive written notice from the defendant within three business days, the agency may charge a reasonable fee to store the defendant's firearms. A law enforcement agency may establish policies for disposal of abandoned firearms, provided such policies require that the person be notified via certified mail prior to disposal of abandoned firearms.

(h) The court shall ensure that all firearms have been transferred and all proofs of transfer submitted as required in paragraphs (e), (f), and (g), by scheduling and holding a compliance hearing. The compliance hearing is governed by section 518B.03.

Sec. 6. Minnesota Statutes 2024, section 629.715, subdivision 2, is amended to read:

Subd. 2. **Surrender of firearms.** (a) The judge may order as a condition of release that the person surrender to the local law enforcement agency all firearms, destructive devices, or dangerous weapons owned or possessed by the person, and may not live in a residence where others possess firearms. Any firearm, destructive device, or dangerous weapon surrendered under this subdivision shall be inventoried and retained, with due care to preserve its quality and function, by the local law enforcement agency, and must be returned to the person upon the person's acquittal, when charges are dismissed, or if no charges are filed. If the person is convicted, the firearm must be returned when the court orders the return or when the person is discharged from probation and restored to civil rights. If the person is convicted of a designated offense as defined in section 609.531, the firearm is subject to forfeiture as provided under that section. This condition may be imposed in addition to any other condition authorized by rule 6.02 of the Rules of Criminal Procedure.

(b) The court shall ensure that all firearms have been surrendered by scheduling and holding a compliance hearing. The compliance hearing is governed by section 518B.03."

(5) establish qualifications in collaboration with the program research institution to register with the commissioner as a facilitator, including any additional subjects on which individuals must demonstrate competency and how individuals must demonstrate competency in the required subjects; and

(6) establish qualifications to register with the commissioner as a cultivator in collaboration with the program research institution, including any additional subjects on which individuals must demonstrate competency in the required subjects and standards for cultivation. Cultivators must work with testing facilities to ensure appropriate quality and dosing of psilocybin prior to releasing to registered facilitators and patients for treatment.

(b) The commissioner must consult with the advisory committee and the program research institution in adopting rules under this subdivision.

(c) Rules for which notice is published in the State Register before July 1, 2027, may be adopted using the expedited rulemaking process in section 14.389. The notice of the proposed rule for the items in paragraph (a) must be published in the State Register no later than January 1, 2027.

Subd. 3. **Evaluation and research.** (a) The commissioner must collect from registered patients de-identified data on the frequency with which registered patients use psilocybin in administration sessions, the qualifying medical conditions for which psilocybin is used, outcomes from psilocybin use experienced by registered patients, and adverse effects of psilocybin use experienced by registered patients, as well as any changes to utilization of other health care, social services, or government funded programs. Registered patients and registered facilitators must provide data to the commissioner in a form and manner specified by the commissioner. The commissioner must use data collected under this paragraph to evaluate the program and, in consultation with the advisory committee and in collaboration with the program research institution, develop recommendations to improve the program. A program research institution may consult and partner with federal health and research institutions.

(b) The commissioner may support research that investigates novel therapeutic uses of psilocybin and psilocin. In determining whether to support research initiatives, the commissioner must consider the recommendations of the task force authorized under Laws 2023, chapter 70, article 4, section 99.

(3) submit to the commissioner a written certification or certifications from one or more physicians dated within 90 days of submission and verifying either:

(i) that the detailed health screening conducted according to subdivision 3 did not identify contraindications to the individual's use of psilocybin; or

(ii) that the detailed health screening identified contraindications to the individual's use of psilocybin but a physician conducted a further evaluation using a formal risk assessment tool and determined the individual's identified contraindications should not preclude the individual from using psilocybin; and

(b) Individuals may apply for enrollment in the program beginning January 1, 2027.

Subd. 3. **Health screening; evaluation.** An individual who wishes to enroll in the program must have a detailed health screening performed by a physician to identify whether the individual has a qualifying medical condition and if any significant physical or mental health conditions or medications that are contraindications to the use of psilocybin. Contraindicated conditions may include but are not limited to cardiovascular disease, psychosis, and bipolar disorders. Contraindicated medications include but are not limited to lithium, monoamine oxidase inhibitors (MAOIs), tramadol, and amphetamine stimulants. If the physician determines in the screening that the individual has one or more contraindications to the use of psilocybin, the individual must have the contraindication further evaluated by a physician using a formal risk assessment tool. An individual who has an additional evaluation performed may proceed with an application under subdivision 2 only if the physician performing the additional evaluation determines the individual's identified contraindications should not preclude the individual from using psilocybin.

Subd. 4. **Informed consent.** Upon receiving the individual's complete application and certifications required under subdivision 2, the commissioner must provide the individual with information on the nature of psilocybin use for therapeutic purposes, potential adverse effects of psilocybin use, and possible interactions between psilocybin and other commonly used drugs, along with a document, to be signed and returned by the individual, that the individual has read and understood the information provided and wishes to enroll in the program. Subd. 5. **Enrollment.** The commissioner must approve or deny the individual's application within 60 days after receiving the individual's informed consent form under subdivision 4. Upon approval of an individual's application and receipt of the enrollment fee required under section 152.52, the commissioner must register the individual in the program and issue the individual a card that permits the registered patient to access psilocybin with a registered facilitator at a treatment facility.

Subd. 6. **Renewal.** (a) A registered patient's registration is valid for 12 months from the date of issuance. A registered patient who wishes to renew the registration must, at least 60 days before the registration expires, submit an application for registration renewal; written certifications that meet the requirements in subdivision 2, paragraph (a), clauses (2) and (3); and the fee required under section 152.52. The commissioner must approve or deny a registered patient's renewal application within 60 days after receiving the complete application and written certifications.

(b) A registered patient whose registration expired less than 31 days ago may renew the registration under paragraph (a). A registered patient whose registration expired 31 or more days ago must apply for enrollment according to subdivision 2.

Subd. 7. **Permitted acts.** (a) Subject to section 152.46, a registered patient is permitted to:

(1) designate a registered facilitator; and

(2) consume the recommended amount at a treatment facility with an approved facilitator according to the recommended dosing limit.

(b) Subject to section 152.46, a registered supplier and testing facility registered with the commissioner is permitted to cultivate and possess psilocybin, provided the cultivation and testing is performed according to section 152.43 and the total amount possessed does not exceed the limit designed by the program.

(c) Subject to section 152.46, a registered facilitator is permitted, according to section 152.44, to obtain psilocybin from a registered supplier, transport psilocybin to the treatment facility, provide services to registered patients in preparation sessions and integration sessions, and to administer psilocybin and supervise administration sessions of registered patients.

(d) No civil or criminal penalty shall be imposed on:

(1) a registered patient solely for engaging in an act listed in paragraph (a);

(2) a registered supplier and testing facility solely for engaging in an act listed in paragraph (b); or

(3) a registered facilitator solely for engaging in an act listed in paragraph (c).

Subd. 8. **Program initiation.** The commissioner must approve an initial program structured to include:

(1) between 20 to 50 registered facilitators with experience either conducting clinical trials with psilocybin or administering ketamine-assisted therapy;

(2) at least three testing facilities; and

(3) no more than 1,000 patients with qualifying medical conditions registered in the program during the first three years of the program.

Subd. 9. **Program evaluation.** The commissioner, in consultation with the advisory committee and the program research institution, must evaluate the program at the end of the three-year period.

Sec. 5. **[152.43] CULTIVATION.**

Subdivision 1. **Cultivation authorized.** (a) A registered patient and registered facilitator may compensate a registered supplier who cultivates psilocybin for the program at a registered facility. Compensating a registered supplier for cultivation under this paragraph does not constitute the sale or commercial distribution of psilocybin.

(b) Before cultivating psilocybin for the program, a registered supplier must register with the commissioner.

(c) A registered supplier must:

(1) cultivate psilocybin only for licensed treatment facilities, registered facilitators, and their registered patients in an amount that does not exceed the cultivation limit as established by the commissioner of health; and

Subdivision 1. **Location.** A registered patient may use psilocybin in an administration session only:

(1) at an approved private residence, including the curtilage or yard of the residence, unless the property owner prohibits the use of psilocybin on the property; or

(2) at a licensed treatment facility, unless the property owner prohibits the use of psilocybin on the property.

Subd. 2. **Registered facilitator.** A registered facilitator must be physically present with a registered patient during an administration session to supervise the registered patient's use of psilocybin and to contact emergency services if necessary during the administration session. As a condition of supervising an administration session for a registered patient, a registered facilitator may require the registered patient to also participate in a preparation session and an integration session with the registered facilitator. A registered facilitator may charge a reasonable fee for the registered facilitator's services.

Subd. 3. **Informed consent.** (a) Before a registered facilitator supervises a registered patient's administration session, the registered facilitator must provide the registered patient with information on the nature of psilocybin use for therapeutic purposes, what to expect in an administration session, potential adverse effects of psilocybin use, and possible interactions between psilocybin and other commonly used drugs. Registered patients will also be allowed to opt in for consent to data collection for program monitoring.

(b) A registered patient who wishes to proceed with an administration session must sign and date a document stating that the patient has been informed of and understands the information provided according to paragraph (a). Registered facilitators must maintain the signed informed consent documents for two years after receipt.

Subd. 4. **Chain of custody for psilocybin and psilocin.** Before a registered patient's administration session, a registered facilitator or registered patient must procure the recommended dose of psilocybin from a registered supplier. At the time of exchange between a registered supplier and a registered facilitator or registered patient, both the registered supplier and registered facilitator or registered patient must attest to the exchange in a form and manner specified by the commissioner, and which must include, at minimum, the specific amount of psilocybin exchanged. Prior to an administration session, a registered facilitator and registered patient must attest to the specific dose amount that will be used in the administration session in a form and manner specified by the commissioner.

#### Sec. 7. **[152.45] REGISTERED FACILITATOR.**

Subdivision 1. **Registration required; qualifications.** An individual must register with the commissioner as a facilitator in order to supervise administration sessions for registered patients and to provide registered patients with services in preparation sessions and integration sessions. (2) possess a license as a mental health professional as defined in section 245I.02, subdivision 27; and

(3) demonstrate competency, in a manner determined by the commissioner and in collaboration with the program research institution, on facilitator ethics; the safe use of psilocybin; duties of a facilitator during preparation sessions, administration sessions, and integration sessions; and other topics as determined by the commissioner and the program research institution.

An individual who holds a license, registration, or certification from a health-related licensing board as defined in section 214.01, subdivision 2; from the Office of Emergency Medical Services; or from the commissioner authorizing the individual to practice a health-related occupation may also serve as a registered facilitator.

Subd. 2. **Application for registration; registration renewal.** (a) An individual who wishes to register as a facilitator must apply to the commissioner in a form and manner specified by the commissioner.
