Scott from the Committee on Judiciary Finance and Civil Law to which was referred:

H. F. No. 101, A bill for an act relating to government data practices; prohibiting parent contact information from being designated as publicly available directory information; amending Minnesota Statutes 2024, section 13.32, subdivisions 2, 5.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2024, section 13.32, subdivision 2, is amended to read:

Subd. 2. **Student health and census data; data on parents.** (a) Health data concerning students, including but not limited to, data concerning immunizations, notations of special physical or mental problems and records of school nurses are educational data. Access by parents to student health data shall be pursuant to section 13.02, subdivision 8.

(b) Pupil census data, including emergency information and family information are educational data.

~~(c) Data concerning parents are private data on individuals but may be treated as directory information if the same procedures that are used by a school district to designate student data as directory information under subdivision 5 are followed.~~

Sec. 2. Minnesota Statutes 2024, section 13.32, subdivision 5, is amended to read:

Subd. 5. **Directory information; data on parents.** (a) Educational data designated as directory information is public data on individuals to the extent required under federal law. Directory information must be designated pursuant to the provisions of:

(1) this subdivision; and

(2) United States Code, title 20, section 1232g, and Code of Federal Regulations, title 34, section 99.37, which were in effect on January 3, 2012.

(b) When conducting the directory information designation and notice process required by federal law, an educational agency or institution shall give parents and students notice of the right to refuse to let the agency or institution designate specified data about the student as directory information. This notice may be given by any means reasonably likely to inform the parents and students of the right.

(c) An educational agency or institution may not designate a student's or parent's home address, telephone number, email address, or other personal contact information as directory information under this subdivision. This paragraph does not apply to a postsecondary institution.

(d) When requested, educational agencies or institutions must share personal student or parent contact information and directory information, whether public or private, with the Minnesota Department of Education, as required for federal reporting purposes.

(e) When requested, educational agencies or institutions may share personal student or parent contact information and directory information for students served in special education with postsecondary transition planning and services under section 125A.08, paragraph (b), clause (1), whether public or private, with the Department of Employment and Economic Development, as required for coordination of services to students with disabilities under sections 125A.08, paragraph (b), clause (1); 125A.023; and 125A.027.

(f) Data concerning parents is private data on individuals but may be treated as directory information if the same procedures that are used by a school district to designate student data as directory information under this subdivision are followed, except that a parent's home address, telephone number, email address, or other personal contact information may not be treated as directory information under this subdivision.

(g) For the purpose of voter outreach in a school district referendum, during the period between 90 days before the date of the election until the date of the election for which voters are contacted, an educational agency or institution must, upon request by a committee, as defined in section 211A.01, subdivision 4a, unless prohibited by a school district policy applicable to all committees, provide the committee with a parent's address, telephone number, and email address. A committee may not use or disseminate data collected under this paragraph for any purpose other than voter outreach in the school district referendum and must destroy data collected under this paragraph within 15 days following the date of the election for which the data was collected. A committee is subject to the penalties and remedies under sections 13.08, 13.085, and 13.09 for a violation of this paragraph.

Sec. 3. **EFFECTIVE DATE.**

Sections 1 and 2 are effective the day following final enactment. Beginning upon the effective date of sections 1 and 2, a parent's personal contact information subject to those sections must be treated by an educational agency or institution as private data on individuals regardless of whether that contact information was previously designated as or treated as directory information under Minnesota Statutes, section 13.32, subdivision 2."

With the recommendation that when so amended the bill be re-referred to the Committee on Education Policy.

The report was adopted.

"Section 1. **APPROPRIATIONS; TEACHER APPRENTICESHIPS.**

(a) \$.....in fiscal year 2026 and \$.....in fiscal year 2027 are appropriated from the workforce development fund to the commissioner of education for registered apprenticeships for teachers. Of these amounts, \$.....each year is for a joint apprenticeship training committee to administer an apprenticeship program leading to teacher licensure. This is a onetime appropriation.

(b) To be eligible for funding under this section, a joint apprenticeship training committee must include the following members from throughout Minnesota:

(1) school districts or cooperative units under Minnesota Statutes, section 123A.24, subdivision 2;

(2) teacher preparation program providers approved by the Professional Educator Licensing and Standards Board;

(3) superintendents, principals, or other school administrators;

(4) licensed teachers; and

(5) exclusive representatives, as defined in Minnesota Statutes, section 179A.03, subdivision 8, of teachers.

(c) Funding must be used to develop or implement a registered apprenticeship program with the following five components:

(1) involvement by school districts or cooperative units to ensure apprentices develop the skills needed to be effective teachers;

(2) structured on-the-job training from an experienced mentor;

(3) related instruction from a teacher training program approved by the Professional Educator Licensing and Standards Board;

(4) increases in wages for participants as they gain higher skill levels; and

(5) a sequence of training and instruction resulting in a Tier 3 license issued by the Professional Educator Licensing and Standards Board.

(d) A joint apprenticeship training committee that receives funding under this section must:

(1) review guidelines for teacher apprenticeship programs developed by other Minnesota apprenticeship programs and other states with existing registered apprenticeship programs; and

(2) consider how apprenticeship programs may be used to fill identified shortages of licensed teachers.

(e) The commissioner of education must consult with the commissioner of labor and industry and the Professional Educator Licensing and Standards Board to:

(1) determine criteria for awarding funding under this section;

(2) establish oversight over the registered teacher apprenticeship programs; and

(3) develop recommendations for the legislature to improve the effectiveness of teacher apprenticeship programs as a pathway to teacher licensure.

(f) The commissioner of education must report to the legislative committees with jurisdiction over kindergarten through grade 12 education, higher education, and workforce development on how teacher apprenticeship program funding was used and recommendations for statutory or rule changes to facilitate improvement and expansion of teacher apprenticeship programs as a pathway to teacher licensure.

EFFECTIVE DATE. This section is effective July 1, 2025."

Subd. 2. Dissemination of personal information. Subject to the exceptions in subdivision 3 and the requirements of section 626.971, no person, business, association, or government entity shall knowingly publicly post, display, publish, sell, or otherwise make available on the Internet the personal information of any public safety officer. Personal information shall be kept in a secure manner to prevent unauthorized access. Personal information may be disseminated pursuant to a specific authorization in law, rule, or with the written consent of the public safety officer.

Subd. 3. Exceptions. Subdivision 2 does not apply to:

(1) the dissemination of personal information if the information is relevant to and displayed as part of a news story, commentary, editorial, or other speech on a matter of public concern;

(2) personal information that the public safety officer voluntarily disseminates publicly after August 1, 2024;

(3) the dissemination of personal information made at the request of the public safety officer or that is necessary to effectuate the request of a public safety officer;

(4) a commercial entity using personal information internally, providing access to businesses under common ownership or affiliated by corporate control, or selling or providing data for a transaction or service requested by or concerning the individual whose personal information is being transferred;

(5) a commercial entity providing publicly available information through real-time or near real-time alert services for health or safety purposes;

(6) a commercial entity engaged in the collection, maintenance, disclosure, sale, communication, or use of any personal information bearing on a consumer's credit worthiness, credit standing, credit capacity, character, general reputation, personal characteristics, or mode of living by a consumer reporting agency, furnisher, or user that provides information for use in a consumer report, and by a user of a consumer report, but only to the extent that such activity is regulated by and authorized under the federal Fair Credit Reporting Act, United States Code, title 15, section 1681, et seq.;

(7) a consumer reporting agency subject to the federal Fair Credit Reporting Act, United States Code, title 15, section 1681, et seq.;

(8) a commercial entity using personal information collected, processed, sold, or disclosed in compliance with the federal Driver's Privacy Protection Act of 1994, United States Code, title 18, section 2721, et seq.;

(9) a commercial entity using personal information to prevent, detect, protect against, or respond to security incidents, identity theft, fraud, harassment, malicious or deceptive activities, or any illegal activity; preserve the integrity or security of systems; or investigate, report, or prosecute any person responsible for any such action;

(10) a financial institution, affiliate of a financial institution, or data subject to title V of the federal Gramm-Leach-Bliley Act, United States Code, title 15, section 6801, et seq.;

(11) a covered entity or business associate for purposes of the federal privacy regulations promulgated under the federal Health Insurance Portability and Accountability Act of 1996, specifically United States Code, title 42, section 1320d-2 note;

(12) insurance and insurance support organizations;

(13) law enforcement agencies or law enforcement support organizations and vendors that provide data support services to law enforcement agencies;

(14) the collection and sale or licensing of covered information incidental to conducting the activities described in clauses (4) to (13); and

(15) personal information contained in:

(i) real property records as defined in section 13.045, subdivision 1, clause (5);

(ii) uniform commercial code filings and tax liens maintained by the secretary of state; and

(iii) any other records maintained by a government entity evidencing title to, or any lien, judgment, or other encumbrance on, real or personal property.

EFFECTIVE DATE. This section is effective August 1, 2025.

Sec. 4. **[626.971] REMOVAL OF PERSONAL INFORMATION.**

Subdivision 1. **Internet dissemination.** If personal information about a public safety officer is publicly posted to the Internet by a person, business, association, or government entity, the public safety officer may submit a sworn affidavit to the person, business, association, or government entity requesting that the publicly posted personal information be removed. The affidavit shall:

(1) state that the individual whose information was disseminated is a public safety officer as defined in section 626.97;

(2) describe with specificity the personal information that the public safety officer seeks to remove; and

(3) state the name of the publication, website, or otherwise identify where the public safety officer's personal information is available to the public.

Subd. 2. **Removal of personal information; exception.** (a) Upon receipt of an affidavit requesting removal of the personal information of a public safety officer that meets the requirements of subdivision 1, the person, business, association, or government entity shall remove the publicly posted personal information within 30 days. If the person, business, association, or government entity fails to remove the publicly posted personal information within 30 days after an affidavit is submitted, the public safety officer may file a civil action in a court of competent jurisdiction seeking a court order compelling compliance, including injunctive and declarative relief.

(b) Paragraph (a) shall not apply to personal information contained in:

(1) real property records as defined in section 13.045, subdivision 1, clause (5);

(2) Uniform Commercial Code filings and tax liens maintained by the secretary of state; and

H. F. No. 2078, A bill for an act relating to child care licensing; modifying child care provider licensing; amending Minnesota Statutes 2024, section 142B.05, subdivision 2.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. **[142B.68] CHILD CARE CENTER PARENT ACCESS TO PROGRAM.**

An enrolled child's parent or guardian must have access to the child at any time the child is in attendance at a child care center unless a court order or other legal documentation restricts access to the child. A copy of any court order or legal documentation must be kept in the child's record.

Sec. 2. **[142B.69] CHILD CARE CENTER REQUIREMENTS FOR FURNISHINGS, EQUIPMENT, AND MATERIALS.**

Subdivision 1. **General requirement.** (a) A child care center must have furnishings, equipment, and materials as required under this section.

(b) The furnishings and equipment must not be hazardous objects and must be:

(1) durable, in good repair, and structurally sound and stable;

(2) free of sharp edges, dangerous protrusions, points where extremities of a child could be pinched or crushed, and openings or angles that could trap part of a child;

(3) appropriate for the age and size of children who use the furnishings and equipment; and

(4) used in accordance with the manufacturer's instructions.

Subd. 2. **Definitions.** (a) For purposes of this section, the following terms have the meanings given.

(b) "Cognitive development equipment and materials" means equipment and materials designed to enhance components of intellectual development, such as problem-solving abilities, observation skills, group skills, and symbol recognition.

(c) "Construction or building materials" means equipment and materials to allow children to build, stack, create, or construct something, such as building blocks, natural materials like sticks or stones, geometric solids, and other connecting or stacking toys.

(d) "Dramatic play equipment" or "practical life activity equipment" means equipment, such as dress-up clothes, large or miniature play sets, figures, and small and large building blocks that can be used to design a setting or space that stimulates the child's imagination and encourages role-playing and learning practical life skills. Practical life skills teach children how to take care of the space around them and can include setting the table, how to water and care for plants, and how to clean the table.

(e) "Gross motor or large muscle equipment" means equipment that is designed to enhance large muscle development and coordination, such as outdoor playground equipment, large boxes, large wheel toys, pull toys, balls, jump ropes, and rocking boats.

(f) "Manipulative equipment" means equipment that is designed to enhance fine motor development and coordination, such as pegs and peg boards, puzzles, beads and strings, and interlocking plastic forms.

(g) "Sensory or tactile stimulation materials" means equipment, other than pictures, that has different shapes, colors, and textures that are designed to stimulate the child's visual and tactile senses, such as sand and water activity materials, swatches of different textures of cloth, and wooden or plastic items of different shapes and colors.

(h) "Set" means a collection of toys, items, or materials of sufficient quantity to allow for a single child to engage in meaningful play.

Subd. 3. Accessibility of equipment. (a) Except as provided under paragraph (b), the center must make materials and equipment accessible to children during all hours of operation and in sufficient quantity to serve the number of children in attendance that day.

(b) Art materials and musical or rhythm instruments may be stored in locations that are not accessible to children when the materials and instruments are not being used but still must be made available at least once daily.

Subd. 4. Requirements for infants. (a) A center serving infants must have, at a minimum, the following furnishings:

(1) one area rug, carpeted area, or other soft floor covering per classroom;

(2) a variety of nonfolding, child-size chairs, including infant seats and high chairs, with at least one per child or a minimum of four per group;

(3) one changing table for every group of 12 infants and each additional group of 12 or fewer infants;

(4) one hands-free, covered diaper container per changing table;

(5) one crib and waterproof mattress per child;

(6) one linear foot of low, open shelving per child and within reach of children; and

(7) evacuation cribs in sufficient quantity to evacuate the number of infants the program is licensed to serve.

(b) A center serving infants must have, at a minimum, the following equipment:

(1) one music source per classroom and music selections appropriate for the music source;

(2) two single strollers or one multicapacity stroller or wagon;

(3) two pieces of infant mobility equipment that promote the infant's movement;

(4) one book per child;

(5) six building or stacking materials per group;

(6) two pieces of manipulative equipment per infant, such as shape toys and clutch balls;

(7) one mirror at least 12 inches by 36 inches in size, made of plexiglass or a similar plastic or of safety glass, per group;

(8) four music-making toys per group;

(9) four sensory or tactile stimulation items per group; and

(10) play materials representing a diversity of special needs, disabilities, and cultural and ethnic groups.

(c) A center serving infants must have, at a minimum, the following supplies:

(1) two sets of sheets for each crib;

(2) an adequate amount of disposable paper for the changing table;

(3) an adequate amount of diapers;

(4) an adequate amount of facial tissue;

(5) an adequate amount of single-service towels; and

(6) an adequate amount of liquid hand soap.

Subd. 5. **Requirements for toddlers.** (a) A center serving toddlers must have, at a minimum, the following furnishings:

(1) one area rug, carpeted area, or other soft floor covering per classroom;

(2) one nonfolding, child-size chair, including high chairs, per child;

(3) one changing table for every group of 14 toddlers and each additional group of 14 or fewer toddlers;

(4) one hands-free, covered diaper container per changing table;

(5) one cot per child, except that mats are acceptable for programs operating during the day for less than five hours;

(6) one linear foot of low, open shelving per child and within reach of children; and

(7) child-size tables with sufficient space for each child based on the licensed capacity of the center.

(b) A center serving toddlers must have, at a minimum, the following equipment:

(1) arts and crafts supplies, such as clay or play dough, tempera or finger paints, colored and white paper, paste, collage materials, paint brushes, washable felt-tip markers, crayons, blunt scissors, and smocks;

(2) one book per child;

(3) two sets of construction or building materials per group;

(4) three pieces of dramatic play equipment or sets of Montessori Practical Life equipment per group, such as a play kitchen, a woodworking bench, or doll furnishings;

(5) materials and accessories as needed to carry out the theme of the activities under clause (4), such as play food, pots and pans, dishes, or Montessori Practical Life exercises;

(6) one double easel or art-making station or area per group;

(7) three pieces of durable, indoor, gross motor or large muscle equipment per group;

(8) three pieces of durable, outdoor, gross motor or large muscle equipment per group;

(9) one set of cognitive developmental equipment and materials, such as puzzles and matching games, per child;

(10) two sets of manipulative equipment per child, such as interlocking plastic forms;

(11) seven musical or rhythm instruments per group;

(12) one mirror at least 12 inches by 36 inches in size, made of plexiglass or a similar plastic or of safety glass, per group;

Igo from the Committee on Housing Finance and Policy to which was referred:

H. F. No. 2140, A bill for an act relating to local government; requiring the creation of mixed-use housing zones; amending Minnesota Statutes 2024, section 462.355, subdivision 3, by adding a subdivision; proposing coding for new law in Minnesota Statutes, chapter 462.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. **[462.3573] MIXED HOUSING AND COMMERCIAL CORRIDOR DISTRICTS.**

Subdivision 1. **Definitions.** (a) For the purposes of this section, the following terms have the meanings given.

(b) "Accessory dwelling unit" means an addition or alteration that is an additional, subordinate dwelling unit on the same lot, and is entirely within a dwelling unit, attached to a dwelling unit, or in a detached structure.

(c) "Applicant" has the meaning provided in section 15.99.

(d) "Commercial corridor district" means a zoning district that is required to comply with subdivision 2, paragraph (c).

(e) "Covered municipality" means a city of the first class, an urban municipality, or a nonurban municipality.

(f) "Duplex" means a single building sited on a single lot that contains two separate residential units with separation either horizontal or vertical.

(g) "Fourplex" means a single building sited on a single lot that contains four residential units.

(h) "Minimum parking mandate" means a law, rule, or ordinance that specifies a minimum number of motor vehicle parking spaces, including on-street or off-street within a garage or other enclosed area.

(i) "Mixed housing" means all of the following types of dwellings:

(1) a single-family dwelling;

(2) a townhouse;

(3) a duplex;

(4) a triplex;

(5) a fourplex; and

(6) an accessory dwelling unit on a lot with a single-family dwelling.

(j) "Mixed housing district" means a zoning district that is required to comply with subdivision 2, paragraph (a) or (b).

(k) "Municipal state-aid street" means a street within a municipality that has been established as a municipal state-aid street pursuant to section 162.09.

(l) "Nonurban municipality" means a municipality with a population greater than 10,000 that is not an urban municipality or a city of the first class.

(m) "Request" has the meaning provided in section 15.99, except that for the purposes of this section, it also includes a written application for a building permit or a proposed subdivision related to the housing authorized under subdivision 2.

(n) "Residential unit" means a building or part of a building used or intended to be used for dwelling purposes by a single owner or tenant.

(o) "Single-family dwelling" means a building that contains one residential unit.

(p) "Townhouse" means a single-family dwelling constructed in a group of two or more attached units in which each unit extends from the foundation to the roof and having open space on at least two sides of each unit. Each single-family dwelling shall be considered to be a separate building. Separate building service utilities shall be provided to each single-family dwelling unit when required by other chapters of the State Building Code.

(q) "Triplex" means a single building sited on a single lot that contains three residential units.

(r) "Urban municipality" means a municipality other than a city of the first class that is adjacent to, or has a border that is within one mile of the border of, a city with a population greater than 150,000.

Subd. 2. **Mixed housing and commercial corridor districts required.** (a) An urban municipality or a city of the first class must create mixed housing districts that allow the following types of residential development in at least 75 percent of the area within the municipality that is zoned to permit residential use:

(1) any type of mixed housing as a permitted use on every lot in the mixed housing district, except an urban municipality may prohibit fourplexes; or

(2) any combination of residential developments or mixed housing sufficient to permit an average density in the mixed housing district of at least one residential unit per every 1,500 square feet.

(b) A nonurban municipality must enact mixed housing districts that allow the following types of residential development on at least 50 percent of the area within the nonurban municipality that is zoned to permit residential use:

(1) any type of mixed housing as a permitted use on every lot in the mixed housing district, except a nonurban municipality may prohibit fourplexes; or

(2) any combination of residential developments or mixed housing sufficient to permit an average density in the mixed housing district of at least one residential unit per every 4,000 square feet.

(c) A covered municipality must create commercial corridor districts that encompass every lot in the municipality that has frontage on a municipal state-aid street. The commercial corridor districts must permit the following residential density:

(1) cities of the first class must permit an average density of at least ... residential units per acre in the commercial corridor district;

(2) urban municipalities must permit an average density of at least ... residential units per acre in the commercial corridor district; or

(3) nonurban municipalities must permit an average density of at least ... residential units per acre in the commercial corridor district.

(d) When determining where to site commercial corridor and mixed housing districts, a covered municipality must consider proximity to transit, public amenities, and commercial areas.

(e) Subject to the limitations in subdivisions 3, 4, and 5, a covered municipality may require a development permitted under paragraphs (a), (b), and (c) to comply with any standards, performance conditions, or requirements, including the adequacy of existing public infrastructure, imposed by a municipality to promote public health, safety, and general welfare.

(f) Nothing in this section authorizes a covered municipality to permit a development that is prohibited by state or federal law or rule, or is prohibited under an ordinance adopted pursuant to such a state or federal law or rule, that protects floodplains, areas of critical or historic concern, wild and scenic rivers, or shore land, or that otherwise restrict residential units to protect and preserve the public health, the environment, or scenic areas.

Subd. 3. Municipal standards; limitations. (a) The following limitations on municipal authority apply to the developments permitted in mixed housing and commercial corridor districts required under subdivision 2.

(b) Subject to the maximum residential units permitted on a lot, districts required under subdivision 2 must authorize mixed housing as a permitted use.

(c) A covered municipality must not impose requirements related to the bulk and size of buildings that prevent the type of housing or number of residential units authorized by paragraph (b) from being constructed with at least 1,500 square feet of habitable floor space per residential unit, including requirements related to lot coverage, setbacks, maximum height, minimum unit size, dimensions, minimum square footage on a structure foundation, or floor area ratio.

(d) Except as provided in the State Building Code for dwellings adhering to the Minnesota Residential Code, Minnesota Rules, chapter 1309, a covered municipality must not impose requirements related to construction materials or methods, including architectural elements, building egress, durability, energy efficiency, or light access requirements.

(e) A covered municipality must not impose minimum parking mandates, except that a municipality may pass and enforce an ordinance under section 169.346, subdivision 4, related to disability parking spaces or any provision of the Minnesota Accessibility Code, Minnesota Rules, chapter 1341.

(f) A covered municipality must not take any action that requires a residential property to be part of a homeowners association or provide an incentive for such membership. A municipality must not require or incentivize a homeowners association to adopt, revoke, or amend a term in any governing document or a rule or regulation not required under state law. A municipality must not condition approval of a residential building permit or conditional use permit, residential subdivision development or residential planned unit development, or any other permit related to residential development on the:

(1) creation of a homeowners association;

(2) inclusion of any service, feature, or common property necessitating a homeowners association;

(3) inclusion of any terms in a homeowners association declaration, bylaws, articles of incorporation, or any other governing document that is not required under state law; or

(4) adoption or revocation of, or amendment to, a rule or regulation governing the homeowners association or its members.

Subd. 4. Administrative approvals. (a) A covered municipality must establish and follow an administrative process to review requests related to developments in commercial corridor districts, including proposed residential lot splits and subdivisions, in accordance with the process outlined in section 15.99.

(b) In mixed housing districts, a covered municipality must apply the same administrative approval process to requests related to any type of mixed housing that it would apply to a single-family dwelling being developed on the same lot.

(c) A municipality engaging in the process established in paragraph (a) or (b) must approve or deny a request for a building permit or proposed subdivision based on the request's alignment with the municipality's comprehensive plan, applicable zoning requirements, and subdivision regulations.

(d) A municipality engaging in the process established in paragraph (a) must:

(1) not require a conditional use permit or planned unit development agreement, except that a municipality may require a conditional use permit or planned unit development agreement to address an identified and documented risk to health or safety;

(2) not require more than one community meeting prior to approval of a request, except if more are required by state or federal law or the project involves or affects a lot located in a historic district under section 138.73; and

(3) provide any development agreement to the applicant no less than three days in advance of final plat approval, or before final approval of a request if a plat is not required.

Subd. 5. Official controls; limitations.
