The report was adopted.

Kotyza-Witthuhn and West from the Committee on Children and Families Finance and Policy to which was referred:

H. F. No. 1915, A bill for an act relating to child care; requiring child care centers to use video security cameras to monitor infants and toddlers; appropriating money; amending Minnesota Statutes 2024, section 13.461, subdivision 28; proposing coding for new law in Minnesota Statutes, chapter 142B.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. **[142B.68] VIDEO SECURITY CAMERAS IN CHILD CARE CENTERS.**

Subdivision 1. **Definitions.** (a) For the purposes of this section, the terms defined in this subdivision have the meanings given.

(b) "Facility" means the indoor and outdoor space in which child care is provided that is owned, leased, or operated by a licensed child care center.

(c) "Video security camera" means a video camera or other device that captures or records video.

**Subd. 2. Requirements for video security cameras.** (a) By January 1, 2026, a licensed child care center must have video security cameras to monitor and record infants and toddlers in public and shared areas of the facility as provided under this subdivision.

(b) A licensed child care center must have at least one video security camera in each room designated for infants or toddlers. The camera must be positioned to provide maximum visibility of the room. If one camera is not sufficient to view at least 80 percent of the square footage of the room, the center must place an additional camera or cameras in the room to achieve maximum visibility of the room.

(c) A licensed child care center must have a sufficient number of video security cameras to provide visibility of all outdoor recreational equipment used by infants or toddlers and at least 80 percent of the square footage of a fenced-in outdoor space used by infants or toddlers.

(d) The video security cameras must:

(1) be turned on and recording at all times the licensed child care center is in operation;

(2) record and display the accurate date and time;

(3) have a display resolution of 720p or higher; and

(4) have a frames per second rate of 15 or higher.

**Subd. 3. Retention and disposal of recordings.** (a) A licensed child care center must retain video security camera recordings required under this section for 60 calendar days after the date of the recording. Except as provided under paragraphs (b), (c), and (d), a licensed child care center must dispose of video security camera recordings required under this section after 60 calendar days.

(b) A licensed child care center that receives notice from a law enforcement official of a suspected crime committed against a child at the center may not dispose of any video security camera recordings required under this section until the law enforcement investigation of the suspected crime is complete.

(c) A licensed child care center must retain video security camera recordings related to an incident that the center must report to the commissioner under Minnesota Rules, part 9503.0130, for six months from the date of the incident.

(d) A licensed child care center may retain video security camera recordings required under this section to use for training center employees. Any recordings used for training purposes must redact, as defined under section 13.825, subdivision 1, identifying information on children shown or heard in the recording, unless a parent or legal guardian has provided written consent providing that the center may use unredacted recordings of the parent's or guardian's child.

(e) A licensed child care center must adhere to additional requirements issued by the commissioner regarding the retention and disposal of video security camera recordings required under this section.

**Subd. 4. Dissemination of recordings.** (a) A licensed child care center may not sell, share, transmit, or disseminate a video security camera recording required under this section to any person except as authorized by this section.

(b) A child care center must disseminate a video security camera recording required under this section pursuant to a valid court order, search warrant, or subpoena in a civil, criminal, or administrative proceeding, including an investigation by the commissioner.

(c) A licensed child care center must establish a process by which a parent or legal guardian may review, but not obtain a copy of, a video security camera recording required under this section if the parent or guardian provides:

(1) documentation of visible marks on a child, such as bruises or swelling that has persisted for more than 24 hours, or a child's physical impediment, such as a limp that was not previously present; or

(2) documentation from a physician of a child's physical injury.

(d) An employee of a licensed child care center who is the subject of proposed disciplinary action by the center based upon evidence obtained by a video security camera must be given access to that evidence for purposes of defending against the proposed action. An employee who obtains a recording or a copy of the recording must treat the recording or copy confidentially and must not further disseminate it to any other person except as required under law. The employee must not keep the recording or copy or a portion of the recording or copy after it is no longer needed for purposes of defending against a proposed action.

Subd. 5. **Hold harmless.** (a) The commissioner may not issue a fix-it ticket, correction order, or order of conditional license against a child care center license holder for a licensing violation that does not imminently endanger the health or safety of the children served by the center, if the only source of evidence for the violation is video security camera recordings reviewed as part of an investigation under subdivision 4, paragraph (b). This paragraph expires upon implementation of the child care weighted risk system under section 142B.171. The commissioner shall notify the revisor of statutes when the system has been implemented.

(b) Upon implementation of the child care weighted risk system under section 142B.171, the commissioner may not take a licensing action against a child care center license holder for a violation that counts as 6.5 or below for a child care center in the weighted risk system, if the only source of evidence for the violation is video security camera recordings reviewed as part of an investigation under subdivision 4, paragraph (b).

Subd. 6. **Written policy required.** A licensed child care center must have a written policy on the center's use of video security cameras that includes the following:

(1) the days and times the video security cameras in the facility are in use;

(2) the locations of all areas monitored by video security cameras in the facility;

(3) the center's retention and disposal policies and procedures for the video security camera recordings required under this section; and

(4) the center's policies governing access to the video security camera recordings required under this section.

Subd. 7. **Notices.** (a) A licensed child care center must notify all parents and legal guardians who apply to enroll or enroll a child in the center about the use of video security cameras in the facility. At the time of a child's enrollment, the center must provide parents and legal guardians with the video security camera policy required under subdivision 6.

(b) A licensed child care center must post a sign at each facility entrance accessible to visitors that states: "Video security cameras are present to record persons and activities."

Subd. 8. **Data practices.** Video footage collected or maintained by the commissioner under this section is classified as welfare data under section 13.46.

Sec. 2. Minnesota Statutes 2024, section 142D.23, subdivision 3, is amended to read:

Subd. 3. **Eligible uses of money.** Grantees must use money received under this section, either directly or through grants to eligible child care providers, for one or more of the following purposes:

- (1) the purchase of computers or mobile devices for use in business management;
- (2) access to the Internet through the provision of necessary hardware such as routers or modems or by covering the costs of monthly fees for Internet access;
- (3) covering the costs of subscription to child care management software;
- (4) covering the costs of training in the use of technology for business management purposes; ~~or~~
- (5) covering the costs of video security cameras and related training required for licensed child care centers under section 142B.68; or
- ~~(5)~~ (6) other services as determined by the commissioner.

Sec. 3. **APPROPRIATION; CHILD CARE PROVIDER ACCESS TO TECHNOLOGY GRANTS.**

\$250,000 in fiscal year 2026 and \$250,000 in fiscal year 2027 are appropriated from the general fund to the commissioner of children, youth, and families for the child care provider access to technology grants program under Minnesota Statutes, section 142D.23, subdivision 3, clause (5). The base for this appropriation is \$250,000 in fiscal year 2028 and beyond. Notwithstanding Minnesota Statutes, section 16B.98, subdivision 14, the amount for administrative costs under this paragraph is \$0."

Reported the same back with the following amendments:

Page 2, delete section 3 and insert:

"Sec. 3. **[609.467] MEDICAL ASSISTANCE FRAUD.**

**Subdivision 1. Medical assistance fraud prohibited.** A person who intentionally presents, submits, tenders, offers, or participates in the preparation of a claim for payment, claim for reimbursement, cost report, or rate application relating to the payment of medical assistance funds under chapter 256B knowing or having reason to know that any part of the claim, report, or application is false is guilty of medical assistance fraud and may be sentenced as provided in subdivision 2.

**Subd. 2. Penalties.** Whoever violates subdivision 1 may be sentenced as follows:

(1) to imprisonment of not more than 20 years, payment of a fine of not more than \$100,000, or both if the part of any claim for payment, claim for reimbursement, cost report, or rate application submitted, tendered, or offered that is false is more than \$35,000;

(2) to imprisonment of not more than ten years, payment of a fine of not more than \$20,000, or both if:

(i) the part of any claim for payment, claim for reimbursement, cost report, or rate application submitted, tendered, or offered that is false is more than \$5,000 but not more than \$35,000; or

(ii) the part of any claim for payment, claim for reimbursement, cost report, or rate application submitted, tendered, or offered that is false is not more than \$5,000 and the person has been convicted within the preceding five years for an offense under this section, section 256.98; 268.182; 609.24; 609.245; 609.247; 609.522; 609.53; 609.582, subdivision 1, 2, or 3; 609.625; 609.63; 609.631; or 609.821, or a statute from another state, the United States, or a foreign jurisdiction, in conformity with any of those sections, and the person received a felony or gross misdemeanor sentence for the offense, or a sentence that was stayed under section 609.135 if the offense to which a plea was entered would allow imposition of a felony or gross misdemeanor sentence; or

(3) to imprisonment of not more than five years, payment of a fine of not more than \$10,000, or both if the part of any claim for payment, claim for reimbursement, cost report, or rate application submitted, tendered, or offered that is false is not more than \$5,000.

**Subd. 3. Aggregation.** The total of all claims for payment, claims for reimbursement, cost reports, and rate applications submitted, tendered, or offered in violation of subdivision 1 within any six-month period may be aggregated and the defendant charged accordingly in applying the provisions of subdivision 2. When the same person commits two or more offenses in two or more counties, the accused may be prosecuted for all of the offenses aggregated under this subdivision in any county in which one of the offenses was committed.

Subd. 4. **Venue.** Notwithstanding anything to the contrary in section 627.01, a violation of this section may be prosecuted in:

(1) the county where any part of the offense occurred; or

(2) the county where the entity who received a claim for payment, claim for reimbursement, cost report, or rate application is located.

**EFFECTIVE DATE.** This section is effective August 1, 2025, and applies to crimes committed on or after that date."

Reported the same back with the following amendments:

Page 1, after line 5, insert:

"Section 1. Minnesota Statutes 2024, section 203B.04, subdivision 1, is amended to read:

Subdivision 1. **Application procedures.** (a) Except as otherwise allowed by subdivision 2 or by section 203B.11, subdivision 4, or 203B.29, an application for absentee ballots for any election;

(1) may be submitted in person at any time not later than the day before the election; or

(2) if not submitted in person as provided in clause (1), must be received at any time not less than ~~one day~~ seven days before the day of that election.

The county auditor shall prepare absentee ballot application forms in the format provided by the secretary of state and shall furnish them to any person on request. By January 1 of each even-numbered year, the secretary of state shall make the forms to be used available to auditors through electronic means. An application submitted pursuant to this subdivision shall be in writing. An application may be submitted in person, by electronic facsimile device, by electronic mail, or by mail to:

(1) the county auditor of the county where the applicant maintains residence; or

(2) the municipal clerk of the municipality, or school district if applicable, where the applicant maintains residence.

(b) An absentee ballot application may alternatively be submitted electronically through a secure website that shall be maintained by the secretary of state for this purpose. After 5:00 p.m. seven days prior to an election, the secretary of state must replace the electronic application with information detailing the available options to vote before and on the upcoming election day. Notwithstanding paragraph (d), the secretary of state must require applicants using the website to submit the applicant's email address and the applicant's:

(1) verifiable Minnesota driver's license number, or Minnesota state identification card number, ~~or~~; and

(2) the last four digits of the applicant's Social Security number.

If an applicant does not possess both types of documents, the applicant must include the number for one type of document and must affirmatively certify that the applicant does not possess the other type of documentation. This paragraph does not apply to a town election held in March.

(c) An application submitted electronically under ~~this~~ paragraph (b) may only be transmitted to the county auditor for processing if the secretary of state has verified the application information matches the information in a government database associated with the applicant's driver's license number, state identification card number, or Social Security number. The secretary of state must review all unverifiable applications for evidence of suspicious activity and must forward any such application to an appropriate law enforcement agency for investigation.

(d) An application shall be approved if it is timely received, signed and dated by the applicant, contains the applicant's name and residence and mailing addresses, date of birth, and at least one of the following:

(1) the applicant's Minnesota driver's license number;

(2) Minnesota state identification card number;

(3) the last four digits of the applicant's Social Security number; or

(4) a statement that the applicant does not have any of these numbers.

All applications must be retained by the county auditor or the municipal clerk or school district clerk, if applicable. If an application is received after 5:00 p.m. seven days prior to the election, the official in charge of the ballot board must, within one day of receipt of the application, attempt to contact the applicant by telephone or email to notify the applicant of opportunities to vote in the election. The official must document the attempts made to contact the applicant.

(e) To be approved, the application must contain an oath that the information contained on the form is accurate, that the applicant is applying on the applicant's own behalf, and that the applicant is signing the form under penalty of perjury.

(f) An applicant's full date of birth, Minnesota driver's license or state identification number, and the last four digits of the applicant's Social Security number must not be made available for public inspection. An application may be submitted to the county auditor or municipal clerk by an electronic facsimile device. An application mailed or returned in person to the county auditor or municipal clerk on behalf of a voter by a person other than the voter must be deposited in the mail or returned in person to the county auditor or municipal clerk within ~~ten~~ seven days after it has been dated by the voter and no later than ~~six~~ seven days before the election.

(g) An application under this subdivision may contain an application under subdivision 5 to automatically receive an absentee ballot."

"Sec. 3. Minnesota Statutes 2024, section 203B.121, subdivision 4, is amended to read:

Subd. 4. **Opening of envelopes.** (a) After the close of business on the 19th day before the election, the ballots from ~~secrecy~~ ballot envelopes within the signature envelopes marked "Accepted" may be opened, duplicated as needed in the manner provided in section 206.86, subdivision 5, initialed by the members of the ballot board, and deposited in the appropriate ballot box. If more than one voted ballot is enclosed in the ballot envelope, the ballots must be returned in the manner provided by section 204C.25 for return of spoiled ballots, and may not be counted.

(b) Accepted signature envelopes must be segregated by precinct and processed in accordance with this subdivision on a precinct-by-precinct basis. Precincts within a combination polling place established in section 205A.11, subdivision 2, may be processed together. At each step, members of the ballot board must notify the official responsible for the ballot board if there is a discrepancy in any count required by paragraphs (c) to (e) and note it in the ballot board incident log.

(c) Before opening accepted signature envelopes, two members of the ballot board must count and record the number of envelopes and ensure that the count matches either the number of accepted signature envelopes provided by the official responsible for the ballot board or the number of signature envelopes accepted by the ballot board that day.

(d) Two members of the ballot board must remove the ballots from the ballot envelopes. The governing body responsible for the ballot board must retain all ballot envelopes through the contest period of that election.

(e) After ballots have been removed from the ballot envelopes, two members of the ballot board must count and record the number of ballots to ensure the count matches the number of accepted signature envelopes, accounting for any empty envelopes or spoiled ballots, which must be noted on the ballot board incident log."

"Sec. 6. Minnesota Statutes 2024, section 203B.29, subdivision 1, is amended to read:

Subdivision 1. **Emergency response providers.** Any eligible Minnesota voter who is a trained or certified emergency response provider or utility worker who is deployed in response to any state of emergency declared by the President of the United States or any governor of any state within the United States during the time period

authorized by law for absentee voting or on election day may request that ballots, instructions, and a certificate of voter eligibility be transmitted to the voter electronically. Upon receipt of a properly completed application requesting electronic transmission, the county auditor must electronically transmit the requested materials to the voter. The absentee ballot application deadlines in section 203B.04, subdivision 1, do not apply to this subdivision. The county auditor is not required to provide return postage to voters to whom ballots are transmitted electronically.

Sec. 7. Minnesota Statutes 2024, section 203B.29, subdivision 2, is amended to read:

Subd. 2. **Reasonable accommodation for voter with disability.** Any eligible Minnesota voter with a print disability, including any voter with disabilities that interfere with the effective reading, writing, or use of printed materials, may request that ballots, instructions, and a certificate of voter eligibility be transmitted to the voter electronically in an accessible format that meets Election Assistance Commission minimum accessibility requirements. Upon receipt of a properly completed application requesting electronic transmission, the county auditor shall electronically transmit the requested materials to the voter. The absentee ballot application deadlines in section 203B.04, subdivision 1, do not apply to this subdivision. The county auditor must also mail the voter materials required under section 203B.07."
