(f) The hearing is subject to the requirements of section 142A.20. The human services judge may combine a fair hearing and administrative disqualification hearing into a single hearing if the factual issues arise out of the same or related circumstances and the provider receives prior notice that the hearings will be combined.

(g) A provider found to have committed an intentional program violation and is administratively disqualified must be disqualified, for a period of three years for the first offense and permanently for any subsequent offense, from receiving any payments from any child care program under this chapter.
