"Sec. 14. **DOUGLAS COUNTY; SPECIAL LICENSE.**

(a) Notwithstanding any other law, local ordinance, or charter provision, the governing body of a municipality may issue to a food truck a temporary license for the on-sale of intoxicating liquor in connection with a private event occurring in Douglas County in which the food truck has entered into a contract to provide food and beverage

services. Licenses under this section are not valid unless first approved by the commissioner of public safety. For purposes of this section, "food truck" means a business that is licensed or permitted by the licensing authority to prepare and sell food from a motorized vehicle or trailer within the municipality.

(b) The license allows the on-sale of intoxicating liquor for not more than four consecutive days, not to exceed 12 days per year, and only on the dates stated on the approved license application. The license must specify the conditions under which the intoxicating liquor must be dispensed and consumed. No sale under this license may be made outside the hours established by the municipality for on-premises consumption.

(c) This license is not required to be associated with a permanent building or fixed establishment and may authorize service from the licensed food truck or another mobile or temporary service unit located within the licensed premises described in the approved license application.

(d) A license under this section is subject to the terms, including a license fee, imposed by the issuing municipality, as well as all other provisions and requirements of Minnesota Statutes, chapter 340A, its applicable rules, and local ordinances not inconsistent with this section, including retailer's identification card, storage, and liability insurance requirements. The licensee shall be open for inspection by the commissioner and the commissioner's representatives and by peace officers, who may enter and inspect during reasonable hours. The commissioner may take an enforcement action as provided in Minnesota Statutes, chapter 340A, including Minnesota Statutes, section 340A.415, for any violation of this section and any other applicable provision of Minnesota Statutes, chapter 340A, or rule adopted under Minnesota Statutes, chapter 340A.

(e) The licensee shall notify prior to any private event: (1) the police chief of the city where the event will take place, if the event will take place within the corporate limits of a city; or (2) the Douglas County sheriff, if the event will be outside the corporate limits of any city.

(f) This section expires one year from the date it becomes effective.

EFFECTIVE DATE. This section is effective upon approval by the Douglas County Board of Commissioners and compliance with Minnesota Statutes, section 645.021."
