H. F. No. 4239 was reported to the House.

Quam moved to amend H. F. No. 4239 as follows:

Page 1, after line 6, insert:

"Section 1. Minnesota Statutes 2024, section 10A.022, subdivision 3, is amended to read:

Subd. 3. **Investigation authority; complaint process.** (a) The board may investigate any alleged or potential violation of this chapter. The board may also investigate an alleged or potential violation of section 211B.04, 211B.12, or 211B.15 by or related to a candidate, treasurer, principal campaign committee, political committee, political fund, or party unit, as those terms are defined in this chapter. The board may only investigate an alleged violation if the board:

- (1) receives a written complaint alleging a violation;
- (2) discovers a potential violation as a result of an audit conducted by the board; or
- (3) discovers a potential violation as a result of a staff review.

The board may immediately dismiss a written complaint if it determines that the complaint is frivolous, was filed for the purpose of harassment, or is duplicative of facts and allegations that were previously submitted to and resolved by the board.

(b) When the board investigates the allegations made in a written complaint and the investigation reveals other potential violations that were not included in the complaint, the board may investigate the potential violations not alleged in the complaint only after making a determination under paragraph (d) that probable cause exists to believe a violation that warrants a formal investigation has occurred.

(c) Upon receipt of a written complaint filed with the board, the board chair or another board member designated by the chair shall promptly make a determination as to whether the complaint alleges a prima facie violation. If a determination is made that the complaint does not allege a prima facie violation, the complaint shall be dismissed without prejudice and the complainant and the subject of the complaint must be promptly notified of the reasons the complaint did not allege a prima facie violation. The notice to the subject of the complaint must include a copy of the complaint. If the complainant files a revised complaint regarding the same facts and the same subject, the prima facie determination must be completed by a board member other than the member who made the initial determination and who does not support the same political party as the member who made the initial determination. The chair may order that the prima facie determination for any complaint be made by the full board and must order that the prima facie determination for a complaint being submitted for the third time be made by the full board.

(d) If a determination is made that the complaint alleges a prima facie violation, the board shall, within 60 days of the prima facie determination, make findings and conclusions as to whether probable cause exists to believe the alleged violation that warrants a formal investigation has occurred. Any party filing a complaint and any party against whom a complaint is filed must be given an opportunity to be heard by the board prior to the board's determination as to whether probable cause exists to believe a violation that warrants a formal investigation has occurred.

(e) Upon a determination by the board that probable cause exists to believe a violation that warrants a formal investigation has occurred, the board must undertake an investigation under subdivision 2 and must issue an order at the conclusion of the investigation, except that if the complaint alleges a violation of section 10A.25 or 10A.27, the

board must either enter a conciliation agreement or make public findings and conclusions as to whether a violation has occurred and must issue an order within 60 days after the probable cause determination has been made. Prior to making findings and conclusions in an investigation, the board must offer the subject of the complaint an opportunity to answer the allegations of the complaint in writing and to appear before the board to address the matter. The deadline for action on a written complaint, including but not limited to issuance of a probable cause determination in accordance with paragraph (d), entering into a conciliation agreement, or issuance of public findings may be extended by majority vote of the board."

(i) The report must disclose the sum of all expenditures made by or on behalf of the reporting entity during the reporting period.

(b) The limitation in paragraph (a) does not apply to payments made by the candidate for the following that would otherwise be considered campaign contributions to the candidate's own campaign:

(1) detection-related security monitoring expenses for a candidate, including home security hardware, maintenance of home security monitoring hardware, identity theft monitoring services, and credit monitoring services; and

(2) purchase, installation, and maintenance of structural security devices such as locks, wiring, lighting, gates, doors, and fencing so long as such devices are intended solely to provide security.

An affidavit must also state the candidate's or campaign's nongovernment issued electronic mail address or an attestation that the candidate and the candidate's campaign do not possess an electronic mail address. Except for affidavits of candidacy for (1) judicial office, (2) the office of county attorney, or (3) county sheriff, an affidavit must also state the candidate's current address of residence as determined under section 200.031, or at the candidate's request in accordance with paragraph (c), the candidate's campaign contact address. For all other candidates who filed for an office whose residency requirement must be satisfied by the close of the filing period, a registered voter in this state may request in writing that the filing officer receiving the affidavit of candidacy review the address as provided in this paragraph, at any time up to one day after the last day for filing for office. If requested, the filing officer must determine whether the address provided in the affidavit of candidacy is within the area represented by the office the candidate is seeking. If the filing officer determines that the address is not within the area represented by the office, the filing officer must immediately notify the candidate and the candidate's name must be removed from the ballot for that office. A determination made by a filing officer under this paragraph is subject to judicial review under section 204B.44.

(c) If the candidate requests that the candidate's address of residence be classified as private data, the candidate must list the candidate's address of residence on a separate form to be attached to the affidavit. ~~The candidate must also certify on the affidavit that either: (1) a police report has been submitted, an order for protection has been issued, or the candidate has a reasonable fear in regard to the safety of the candidate or the candidate's family; or (2) the candidate's address is otherwise private pursuant to Minnesota law.~~ The address of residence provided by a candidate who makes a request for classification on the candidate's affidavit of candidacy ~~and provides the certification required by this paragraph~~ is classified as private data, as defined in section 13.02, subdivision 12, but may be reviewed by the filing officer as provided in this subdivision.
