

STATE OF MINNESOTA

# Journal of the House

NINETY-FOURTH SESSION — 2026

---

SEVENTY-FIFTH LEGISLATIVE DAY

SAINT PAUL, MINNESOTA, THURSDAY, MAY 14, 2026

The House of Representatives convened at 11:00 a.m. and was called to order by Chris Swedzinski, Speaker pro tempore.

Prayer was offered by Deacon Jason Myhre, Saint Edward Catholic Church, Minneota, Minnesota.

The members of the House gave the pledge of allegiance to the flag of the United States of America.

The roll was called and the following members were present:

Acomb	Davis	Hanson, J.	Koznick	Niska	Scott
Agbaje	Dippel	Harder	Kraft	Noor	Sencer-Mura
Allen	Dotseth	Heintzeman	Kresha	Norris	Sexton
Altendorf	Duran	Hicks	Lawrence	Novotny	Skraba
Anderson, P. E.	Elkins	Hill	Lee, F.	O'Driscoll	Smith
Anderson, P. H.	Falconer	Hollins	Lee, K.	Olson	Stephenson
Backer	Feist	Howard	Lee, X.	Pérez-Vega	Stier
Bahner	Finke	Huot	Liebling	Perryman	Swedzinski
Bakeberg	Fischer	Hussein	Lillie	Pinto	Tabke
Baker	Fogelman	Igo	Long	Pursell	Torkelson
Bennett	Franson	Jacob	Luger-Nikolai	Quam	Van Binsbergen
Berg	Frazier	Johnson, P.	Mahamoud	Rarick	Vang
Bierman	Frederick	Johnson, W.	McDonald	Rehm	Virmig
Bliss	Freiberg	Jones	Mekeland	Rehrauer	Warwas
Buck	Gander	Jordan	Moller	Repinski	West
Burkel	Gillman	Joy	Momanyi-Hiltsley	Reyer	Wiener
Carroll	Gomez	Keeler	Mueller	Roach	Witte
Cha	Gordon	Klevorn	Murphy	Robbins	Wolgamott
Clardy	Gottfried	Knudsen	Myers	Rymer	Xiong
Coulter	Greene	Koegel	Nadeau	Schomacker	Youakim
Curran	Greenman	Kotyza-Witthuhn	Nash	Schultz	Zeleznikar
Davids	Hansen, R.	Kozlowski	Nelson	Schwartz	Spk. Demuth

A quorum was present.

Engen was excused until 2:00 p.m. Hudson was excused until 3:00 p.m.

Pursuant to Rule 10.05, relating to Remote House Operations, the DFL Caucus Leader permitted the following members to vote via remote means: Hill and Momanyi-Hiltsley.

This document can be made available in alternative formats upon request. Call (651) 296-2314 [voice] or the Minnesota State Relay Service at 1-800-627-3529 [TTY] for assistance; or visit the website at <http://www.house.mn>.

The Speaker assumed the Chair.

The Chief Clerk proceeded to read the Journal of the preceding day. There being no objection, further reading of the Journal was dispensed with and the Journal was approved as corrected by the Chief Clerk.

#### REPORTS OF CHIEF CLERK

S. F. No. 3891 and H. F. No. 3579, which had been referred to the Chief Clerk for comparison, were examined and found to be identical.

Myers moved that S. F. No. 3891 be substituted for H. F. No. 3579 and that the House File be indefinitely postponed. The motion prevailed.

#### PETITIONS AND COMMUNICATIONS

The following communications were received:

STATE OF MINNESOTA  
OFFICE OF THE GOVERNOR  
SAINT PAUL 55155

May 12, 2026

The Honorable Lisa Demuth  
Speaker of the House of Representatives  
The State of Minnesota

Dear Speaker Demuth:

Please be advised that I have received, approved, signed, and deposited in the Office of the Secretary of State the following House Files:

H. F. No. 4151, relating to occupations; modifying eligibility of certain applicants for licenses to serve as private detectives or protective agents.

H. F. No. 3769, relating to corrections; clarifying in law the multiple levels of substance abuse care provided by the commissioner of corrections; expanding access to mental health unit beds for incarcerated persons.

H. F. No. 4063, relating to transportation; modifying first aid kit requirements on school buses; requiring USDOT numbers for all school buses; authorizing use of school buses on public roads for training purposes.

H. F. No. 4502, relating to financial institutions; establishing a trusted contact program to mitigate financial exploitation and fraud; limiting liability.

H. F. No. 3521, relating to health; providing for an exception to the hospital construction moratorium.

Sincerely,

TIM WALZ  
Governor

STATE OF MINNESOTA  
OFFICE OF THE SECRETARY OF STATE  
ST. PAUL 55155

The Honorable Lisa Demuth  
Speaker of the House of Representatives

The Honorable Bobby Joe Champion  
President of the Senate

I have the honor to inform you that the following enrolled Acts of the 2026 Session of the State Legislature have been received from the Office of the Governor and are deposited in the Office of the Secretary of State for preservation, pursuant to the State Constitution, Article IV, Section 23:

<i>S. F. No.</i>	<i>H. F. No.</i>	<i>Session Laws Chapter No.</i>	<i>Time and Date Approved 2026</i>	<i>Date Filed 2026</i>
4171		81	12:39 May 12	May 12
1750		82	12:39 May 12	May 12
	4151	83	12:40 May 12	May 12
	3769	84	12:40 May 12	May 12
	4063	85	12:41 May 12	May 12
	4502	86	12:42 May 12	May 12
2814		87	12:43 May 12	May 12
4244		88	12:43 May 12	May 12
3637		89	12:44 May 12	May 12
1714		90	12:44 May 12	May 12
	3521	91	12:45 May 12	May 12

Sincerely,

STEVE SIMON  
Secretary of State

### SECOND READING OF SENATE BILLS

S. F. No. 3891 was read for the second time.

### INTRODUCTION AND FIRST READING OF HOUSE BILLS

The following House Files were introduced:

Burkel introduced:

H. F. No. 5144, A bill for an act relating to agriculture; modifying the nonprofit corporation exemption under the corporate farm law; amending Minnesota Statutes 2024, section 500.24, subdivision 2.

The bill was read for the first time and referred to the Committee on Agriculture Finance and Policy.

Duran introduced:

H. F. No. 5145, A bill for an act relating to judiciary; making state guardian ad litem program records subject to the Rules of Public Access to Records of the Guardian Ad Litem Program; amending Minnesota Statutes 2024, section 480.35, subdivision 6.

The bill was read for the first time and referred to the Committee on Judiciary Finance and Civil Law.

Wolgamott introduced:

H. F. No. 5146, A bill for an act relating to education; waiving certain graduation requirements for international baccalaureate program students; amending Minnesota Statutes 2024, section 120B.024, by adding a subdivision.

The bill was read for the first time and referred to the Committee on Education Policy.

Bierman introduced:

H. F. No. 5147, A bill for an act relating to taxation; individual income and corporate franchise tax; requiring an addition for certain pharmaceutical marketing expenses; amending Minnesota Statutes 2024, sections 290.0131, by adding a subdivision; 290.0133, by adding a subdivision.

The bill was read for the first time and referred to the Committee on Taxes.

Tabke; Rehm; Norris; Huot; Curran; Hanson, J., and Hill introduced:

H. F. No. 5148, A bill for an act relating to transportation; modifying motor vehicle registration tax; providing a registration tax rebate; appropriating money; amending Minnesota Statutes 2025 Supplement, section 168.013, subdivision 1a.

The bill was read for the first time and referred to the Committee on Transportation Finance and Policy.

Seencer-Mura; Stephenson; Long; Kozlowski; Pérez-Vega; Feist; Hussein; Wolgamott; Clardy; Xiong; Lee, X.; Virnig; Mahamoud; Agbaje; Lee, F.; Lee, K.; Gomez; Reyer; Jordan; Rehm; Kraft; Finke; Coulter; Jones; Pinto; Tabke; Cha; Liebling; Freiberg; Carroll; Kotyza-Witthuhn; Greene; Gottfried; Bahner and Fischer introduced:

H. F. No. 5149, A bill for an act relating to immigration enforcement; restricting law enforcement access to sensitive locations; establishing civil remedies; modifying the concealing identity crime; expanding the scope of use of force investigations; limiting access to certain information; amending Minnesota Statutes 2024, sections 13.319, by adding a subdivision; 13.32, subdivision 3; 123B.51, by adding a subdivision; 299C.80, subdivision 1; 609.662, by adding a subdivision; 609.735; Minnesota Statutes 2025 Supplement, section 13.32, subdivision 5; proposing coding for new law in Minnesota Statutes, chapters 120A; 135A; 142B; 144; 604; proposing coding for new law as Minnesota Statutes, chapter 480C.

The bill was read for the first time and referred to the Committee on Judiciary Finance and Civil Law.

Niska moved that the House recess subject to the call of the Chair. The motion prevailed.

RECESS

RECONVENED

The House reconvened and was called to order by the Speaker.

The following Conference Committee Report was received:

CONFERENCE COMMITTEE REPORT ON H. F. No. 3426

A bill for an act relating to natural resources; appropriating money from environment and natural resources trust fund; extending certain prior appropriations; modifying provisions on expenditures from environment and natural resources trust fund; modifying requirements for community grants program; amending Minnesota Statutes 2024, sections 116P.08, subdivision 4, by adding a subdivision; 116P.09, subdivision 6; 116X.03, by adding subdivisions.

May 13, 2026

The Honorable Lisa M. Demuth  
Speaker of the House of Representatives

The Honorable Bobby Joe Champion  
President of the Senate

We, the undersigned conferees for H. F. No. 3426 report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 3426 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. **APPROPRIATIONS.**

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this act. The appropriations are from the environment and natural resources trust fund, or another named fund, and are available for the fiscal years indicated for each purpose. The figures "2026" and "2027" used in this act mean that the appropriations listed under them are available for the fiscal year ending June 30, 2026, or June 30, 2027, respectively. "The first year" is fiscal year 2026. "The second year" is fiscal year 2027. "The biennium" is fiscal years 2026 and 2027.

<b><u>APPROPRIATIONS</u></b>	
<b><u>Available for the Year</u></b>	
<b><u>Ending June 30</u></b>	
<b><u>2026</u></b>	<b><u>2027</u></b>

Sec. 2. **MINNESOTA RESOURCES.**

Subdivision 1. **Total Appropriation**

**\$-0-**

**\$102,036,000**

This appropriation is from the environment and natural resources trust fund. The amounts that may be spent for each purpose are specified in the following subdivisions.

**Subd. 2. Definition**

"Trust fund" means the Minnesota environment and natural resources trust fund established under the Minnesota Constitution, article XI, section 14.

**Subd. 3. Resiliency**

-0-

10,641,000**(a) Community Resiliency through AmeriCorps**

\$3,312,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with ServeMinnesota to conduct environmental and natural resource management; outdoor recreation; and improvement, enhancement, or rehabilitation projects and to build community resiliency and capacity by recruiting, training, and deploying AmeriCorps members to local and Tribal agencies and nonprofit organizations.

**(b) Preparing Resilient Communities with Model Land Use Ordinances**

\$468,000 the second year is from the trust fund to the commissioner of the Pollution Control Agency to:

(1) develop and improve Minnesota-specific model land-use ordinances for sustainable and resilient development that help protect, conserve, preserve, and enhance the environment and natural resources; and

(2) work with local communities to adopt and apply the model ordinances to their needs and priorities.

**(c) Resilient and Biodiverse Community Spaces**

\$612,000 the second year is from the trust fund to the Board of Water and Soil Resources to partner with Great River Greening, Audubon Upper Mississippi River, and Metro Blooms to develop a planning guide, implement case studies, and provide technical assistance that helps local communities plan and create climate-resilient and biodiverse community spaces.

**(d) Northwoods and Waters Community Resilience Collaborative**

\$1,220,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Arrowhead Regional Development Commission, in partnership with the Headwaters Regional Development Commission and the Minnesota Climate Adaptation Partnership at the University of Minnesota, to work with and provide technical assistance to northeast and central Minnesota counties, Tribal Nations, and agencies to develop a regional climate resilience plan.

**(e) Protect Community Forests for Community Resiliency**

\$2,603,000 the second year is from the trust fund to the commissioner of natural resources to reduce emerald ash borer impacts by providing canopy gap and planting assessments, trainings, technical assistance, and grants for communities to monitor and manage emerald ash borer impacts, plant a diversity of trees, and engage citizens in community forestry activities.

**(f) Identifying Flooding Hazards on Mille Lacs Tribal Lands**

\$800,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Mille Lacs Band of Ojibwe to develop hydrologic and hydraulic models for the Big Sandy Lake and upper Rice River watersheds to map flood-prone areas, identify restrictive infrastructure that may contribute to flooding, and incorporate results into emergency preparedness plans. This appropriation is available until June 30, 2030, by which time the project must be completed and final products delivered.

**(g) Advancing Dehydration Technologies for Resilient Minnesota Food Systems**

\$300,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to:

(1) assess opportunities and develop technology for solar dehydration and curing of produce that reduces climatic impact of food loss and waste; and

(2) develop and distribute findings to farmers, farming organizations, community partners, and other supply chain and market players in Minnesota.

**(h) Climate-Smart Counties and Communities: Collaborative Resiliency Solutions**

\$827,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota for the Institute on the Environment to provide technical expertise and support to predominantly rural and small communities and counties across Minnesota to develop climate resiliency plans and implement projects that enhance local resiliency.

**(i) Mahnomen Emerald Ash Borer Preparation Project**

\$62,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the city of Mahnomen to remove and replace ash trees vulnerable to emerald ash borer and to create a more diverse and resilient tree canopy.

**(j) Sustainable Food Security, Ecosystem Restoration, and Indigenous Empowerment**

\$437,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota, Duluth, to combat food insecurity in Indigenous communities through community-driven agriculture, ecosystem restoration, improved local supply chains, and outreach and education. Notwithstanding subdivision 12, paragraph (e), this appropriation may be spent on green infrastructure and pollinator plantings on lands with a long-term commitment from the landowner.

Subd. 4. **Water**

-0-

17,014,000

**(a) Statewide Ecological Risk Estimates for Contaminants of Emerging Concern**

\$175,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the University of St. Thomas to compile and analyze Minnesota's contaminant of emerging concern occurrence data for lakes and rivers to generate ecological risk estimates and publicly accessible and user-friendly dashboards that will support managing and restoring freshwater habitats.

**(b) Eliminating Phenolic Compounds from Water Using Enzyme Filter**

\$300,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to evaluate enzymes and design an enzyme membrane filter to capture and eliminate harmful phenolic compounds from Minnesota's rivers and lakes.

**(c) Vadnais Lake: Nature-Based Recreation and Drinking Water Protection**

\$2,842,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the city of Vadnais Heights to install water quality improvement ponds, recreational features, and educational signage near East Vadnais Lake to connect underserved community members with natural resources, protect drinking water, and promote water stewardship. This appropriation is available until June 30, 2030, by which time the project must be completed and final products delivered.

**(d) Almanac's Statewide Environment and Natural Resources Desk**

\$632,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Twin Cities Public Television to establish Almanac's environment and natural resources desk that reports on environment and natural resources issues and solutions across the state and hosts community conversations that raise awareness and increase appreciation of Minnesota's air, water, land, and other natural resources.

**(e) Studying Dam Removal Feasibility for the Mississippi Gorge**

\$923,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Friends of the Mississippi River to assess the feasibility, environmental benefits, river restoration potential, and costs of dam removal for the Lower St. Anthony Falls Lock and Dam and Lock and Dam 1 in the Mississippi River gorge.

**(f) Protecting Minnesota's Waters from Plastic- and Rubber-Derived Chemicals**

\$418,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to develop stormwater treatment strategies and recommendations to protect surface water and groundwater from pollutants leached from polymers, coatings, plastics, and tire rubbers by assessing pollutant sources, presence, and reactivity.

**(g) Public Toolbox to Forecast Toxic Cyanobacteria Blooms**

\$509,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota for the Natural Resources Research Institute in Duluth to validate the concept of a field-deployable toolbox to proactively and rapidly detect harmful algal blooms and forecast associated toxin production, evaluate the feasibility of the integrated toolbox, and seek feedback from potential users to inform further refinement.

**(h) PFAS in Precipitation: Assessing a Critical Statewide Threat**

\$910,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota for the Minnesota Sea Grant college program in Duluth to create a multiyear, multisite, foundational dataset of per- and polyfluoroalkyl substances (PFAS) in rain and snow and to investigate the processes and sources that influence PFAS levels in rain and snow to inform management and remediation efforts. This appropriation is available until June 30, 2030, by which time the project must be completed and final products delivered.

**(i) Assessment of Microplastic Pollution in Minnesota Karst Aquifers**

\$458,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to determine the nature and extent of microplastic pollution in shallow karst aquifers, identify potential sources, and assess human and ecosystem health implications to inform mitigation and prevention strategies.

**(j) Ash Recovery and Recycling Center**

\$1,177,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Otter Tail County to construct and equip a facility to store and recycle resource-recovery-generated ash as an alternative to landfilling.

**(k) PFAS and Microplastics: Potential Impacts of Environmental Co-Occurrence**

\$721,000 the second year is from the trust fund to the commissioner of the Pollution Control Agency to analyze water, sediment, and fish for per- and polyfluoroalkyl substances (PFAS) and microplastics to determine whether co-occurrence has an impact on bioaccumulation in aquatic habitats.

**(l) Brookdale Park Shingle Creek Restoration and Access Improvements**

\$409,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the city of Brooklyn Park to stabilize and enhance Shingle Creek through Brookdale Park and a portion of Palmer Lake Environmental Nature Area to improve wildlife passage and habitat, hydrologic function, water quality, and recreational opportunities through streambank and outfall stabilization, native plantings, and stream enhancements.

**(m) Determining Fracture Characteristics for Karst Groundwater Flow Modeling**

\$375,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to develop and validate machine-learning software to identify complex fracture characteristics and improve predictions for groundwater flow and pollutant transport in Minnesota's karst aquifers.

**(n) Restoring Wild Rice Waters: Sulfate and Mercury Treatment**

\$727,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the White Iron Chain of Lakes Association to test a biological sulfate reduction system to treat sulfate and sequester mercury to improve the health of wild rice waters and aquatic ecosystems in northern Minnesota. Before costs for this appropriation are incurred, a fiscal agent for White Iron Chain of Lakes Association must be approved in the work plan.

**(o) Cheap Portable Sensor to Detect PFAS in Water**

\$357,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to develop a cheap, accurate, and easy-to-use sensor to monitor per- and polyfluoroalkyl substances (PFAS) in waterbodies and detect PFAS in drinking water.

**(p) Geologic Atlases for Water Resource Management**

\$1,275,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota, Minnesota Geological Survey, to continue producing county geologic atlases to inform management of surface water and groundwater resources. This appropriation is to complete Part A, which focuses on the properties and distribution of earth materials to define aquifer boundaries and the connection of aquifers to the land surface and surface water resources.

**(q) Mitigating Short-Chain Forever Chemicals Toward a PFAS-Free Minnesota**

\$299,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to demonstrate, optimize, and provide an energy cost analysis of an enhanced plasma reactor to remove resistant short-chain per- and polyfluoroalkyl substances (PFAS) from wastewater and other point sources.

**(r) Anoka Rum River Dam Reconstruction and Modification Project**

\$3,110,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the city of Anoka for predesign, engineering, and final design of improvements to the Anoka Rum River Dam to enhance dam safety, restore aquatic habitats, and expand recreational opportunities in the Rum River just upstream of its confluence with the Mississippi River.

**(s) Lake Superior River Watch**

\$404,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Fond du Lac Tribal and Community College to revitalize the river watch program in the Lake Superior watershed by engaging students in water quality monitoring and analysis to support Minnesota's Lake Superior stewardship efforts.

**(t) Red Lake Nation Long-Term Continuous Monitoring Buoys**

\$993,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Red Lake Band of Chippewa Indians to procure, install, and collect real-time water quality data from long-term buoys on Upper and

Lower Red Lakes and Lake of the Woods and to improve hazardous algal bloom forecasts. This appropriation is available until June 30, 2031, by which time the project must be completed and final products delivered.

Subd. 5. **Education and Outdoor Recreation**

-0-

36,554,000

(a) **Greater Minnesota Children's Museum Coalition Nature Play Curriculum**

\$300,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Children's Museum of Southern Minnesota to collaborate with other greater Minnesota children's museums to standardize and enhance existing curriculum and implement nature-based programming that engages children and fosters environmental stewardship, awareness of natural resources, and sustainability. Before costs for this appropriation are incurred, a fiscal management plan must be approved in the work plan, unless otherwise determined by the commissioner.

(b) **Cultivate, Connect, and Train Minnesota's Young Conservation Scientists**

\$538,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota for the Minnesota Landscape Arboretum to expand a conservation science program that trains teachers and engages students in immersive research experiments and collaborative activities that build their scientific knowledge, skills, and interest and their appreciation for Minnesota's natural heritage.

(c) **Native Fish Exhibits Transforming Aquatic Education in Minnesota**

\$299,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Headwaters Science Center to design and construct interactive, year-round exhibits and conduct educational programming featuring native fish species that increase the public's understanding, awareness, and stewardship of northern Minnesota's vital lake resources.

(d) **Inspiring and Connecting the Next Generations with Nature**

\$3,085,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the YMCA of the North to increase access for Minnesota youth to outdoor camp and environmental learning experiences through scholarships, transportation assistance, and free equipment rentals.

**(e) River Bend Nature Center's Inclusive Interpretive Plan Implementation**

\$293,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the River Bend Nature Center to design and install interactive multilingual interpretive and educational exhibits that provide culturally relevant and accessible information on the environment and natural resources and increase accessibility to nature for multilingual, blind, and deaf communities.

**(f) Fostering Environmental Stewardship Through Art**

\$298,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Watermark Art Center, in partnership with the Headwaters Science Center, to engage underserved youth in northern Minnesota in art-related experiences, with regional artists and culture bearers, that integrate art and science to deliver culturally relevant hands-on environmental learning experiences. Before costs for this appropriation are incurred, a fiscal management plan must be approved in the work plan, unless otherwise determined by the commissioner.

**(g) Increasing Pollinator Conservation Action Through Education and Engagement**

\$501,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to:

(1) train volunteers and beekeepers to become pollinator ambassadors that lead educational events and increase native pollinator conservation awareness and the adoption of pollinator conservation practices; and

(2) train volunteers to collect data on bumblebee nests and develop recommendations for conserving bumblebee nesting habitat.

**(h) Flyway Fellows: Engaging Teachers in Bird Migration Education**

\$362,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to train teachers in bird monitoring practices and support them in engaging students in scientific research that advances Mississippi Flyway conservation efforts.

**(i) Minnesota Community Schoolyards**

\$1,343,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Trust for Public Land to engage students and communities in the creation of nature-focused habitat improvements at schoolyards across the state to encourage environmental stewardship and outdoor learning.

**(j) Bringing Environmental Education and Outdoor Recreation to K-12 Schools**

\$192,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Osprey Wilds Environmental Learning Center to deliver hands-on environmental education and outdoor recreation learning experiences directly to K-12 school classrooms and students through programs at participating schools. Before costs for this appropriation are incurred, a fiscal management plan must be approved in the work plan, unless otherwise determined by the commissioner.

**(k) Improving Trail Accessibility for Minnesotans at Osprey Wilds**

\$25,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Osprey Wilds Environmental Learning Center to improve trails and install directional and interpretive signage on hiking and cross-country ski trails at the center's campus. Before costs for this appropriation are incurred, a fiscal management plan must be approved in the work plan, unless otherwise determined by the commissioner.

**(l) Duluth Traverse Accessibility and Sustainability Improvements**

\$85,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Cyclists of Gitchee Gumees Shores to rehabilitate a section of the Duluth Traverse Trail to enhance outdoor recreation opportunities, improve accessibility, reduce erosion, and improve water quality.

**(m) Hardwood Creek Regional Trail Extension**

\$1,244,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Washington County to acquire easements for, design, and construct a new section of the Hardwood Creek Regional Trail to fill a gap in a regional trail network near a planned connection of regional trails across three counties.

**(n) College-School Collaboration to Restore Campuses and Activate Stewardship**

\$199,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Minnesota State University, Mankato, to build partnerships among natural resource professionals, colleges, and secondary schools in southern Minnesota and expose youth to outdoor experiences, environmental issues, and natural resource career paths through internships, field trips, and environmental projects.

**(o) Urban Farming Education to Increase Urban Environmental Stewardship**

\$300,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the East Phillips Neighborhood Institute to (1) design and deliver workshops and youth apprenticeship opportunities related to land and water stewardship and urban farming to reconnect residents to the land and water and foster interest in environmental careers; and (2) conduct soil testing at an urban farming demonstration site. Before costs for this appropriation are incurred, a fiscal management plan must be approved in the work plan, unless otherwise determined by the commissioner.

**(p) A State Trail System for 21st-Century Minnesota**

\$623,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Bicycle Alliance of Minnesota to increase participation in outdoor recreation and use of Minnesota's trails by nontraditional users through active adult education programming and community engagement.

**(q) Mississippi River Water Trail Access in Dayton**

\$464,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Three Rivers Park District to develop public access to the Mississippi River in Dayton by designing and constructing recreational amenities, including a nonmotorized boat launch and staging area, paved trail connection, and parking.

**(r) YES! Connects Students to Outdoors for Youth-Led Sustainability**

\$199,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Prairie Woods Environmental Learning Center to empower Minnesota youth to lead sustainability projects and expose them to environmental and natural resource career opportunities through hands-on environmental education, natural resource-based recreation, and partnerships with local schools and communities.

**(s) Sharing Minnesota's Greatest Environmental Investment - Phase 2**

\$623,000 the second year is from the trust fund to the Science Museum of Minnesota, in coordination with the Legislative-Citizen Commission on Minnesota Resources (LCCMR), to increase public access to the results of LCCMR-recommended projects, including through an enhanced and expanded online interactive story map, in-depth videos, and public events.

**(t) Diversifying Nature Education Access**

\$438,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Ramsey County Parks and Recreation Department to provide culturally relevant and inclusive environmental education programming, including nature center outreach and events, Indigenous-led nature programming, and interpretive nature signage designed by Indigenous artists and educators. This appropriation is available until June 30, 2030, by which time the project must be completed and final products delivered.

**(u) Lebanon Hills Regional Park Natural Resources Restoration and Sustainable Trails Improvements**

\$2,126,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Dakota County to reconstruct heavily eroded trails, decommission trails in highly sensitive natural areas, construct new trail connections, and restore land at Lebanon Hills Regional Park to reduce user conflicts, create a more sustainable and functional trail system, and improve habitat for pollinators and wildlife.

**(v) Minnesota State Trails Development**

\$4,943,000 the second year is from the trust fund to the commissioner of natural resources to expand recreational opportunities on Minnesota state trails by rehabilitating and enhancing existing state trails and replacing or repairing existing state trail bridges. High-priority trail bridges to be repaired or replaced under this appropriation include but are not limited to the Minnesota River State Trail Bridge. High-priority trail segments to be rehabilitated and enhanced include but are not limited to the Glacial Lakes State Trail and the Minnesota Valley State Trail. This appropriation is available until June 30, 2030, by which time the project must be completed and final products delivered.

**(w) Tettegouche State Park Entrance Bridge Replacement**

\$3,674,000 the second year is from the trust fund to the commissioner of natural resources to replace the Baptism River Bridge in Tettegouche State Park and ensure ongoing accessibility for Minnesotans to recreational opportunities in areas of the park accessed by the bridge. This appropriation is available until June 30, 2030, by which time the project must be completed and final products delivered.

**(x) Expanding Adaptive Outdoor Recreation Opportunities Around the Boundary Waters Canoe Area**

\$996,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Adaptive Wilderness Within Reach to remove barriers and promote access to

the Boundary Waters region for individuals with physical disabilities through adaptive wilderness experiences, adaptive equipment purchases, and trail accessibility improvements. Before costs for this appropriation are incurred, a fiscal agent for Adaptive Wilderness Within Reach must be approved in the work plan. This appropriation is available until June 30, 2030, by which time the project must be completed and final products delivered.

**(y) Engaging Saint Paul Youth in Meaningful Restoration Work**

\$300,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Urban Roots MN to engage underserved youth in paid job training internships and educational programming centered around environmental stewardship, natural resource conservation, and outdoor recreation.

**(z) Expanding and Enhancing Environmental Education Through Partnerships**

\$550,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Belwin Conservancy to expand environmental education and partner with schools and Indigenous organizations to provide students with hands-on, standards-aligned, and culturally relevant science and nature programs.

**(aa) Greater Fountain Lake Aquatic and Trail Accessibility Enhancements**

\$1,162,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Shell Rock River Watershed District to design and construct pedestrian paths, crossings, bridges, and recreational features that improve public access to fishing, canoeing, kayaking, and public green space located along the Shell Rock River Channel in the city of Albert Lea.

**(bb) Local Parks, Trails, and Natural Areas Grant Programs**

\$3,833,000 the second year is from the trust fund to the commissioner of natural resources to solicit and rank applications and fund competitive matching grants for local parks, trail connections, and natural and scenic areas under Minnesota Statutes, section 85.019. This appropriation is for local nature-based recreation, connections to regional and state natural areas, and recreation facilities and may not be used for athletic facilities, such as sport fields, courts, or playgrounds.

**(cc) Lake Marion Greenway: Ritter Farm Park to Dodd Boulevard**

\$1,797,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the city of Lakeville to construct new trails and pedestrian crossings, improve existing trails and trailhead facilities, and install interpretive and wayfinding signage as part of the Lake Marion Greenway.

**(dd) Restored Bluff and Trail at Owámmiyomni**

\$2,385,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Owámmiyomni Okhódayapi to design, engineer, and construct an ADA accessible pedestrian-only trail and restore the vegetated limestone bluff landscape.

**(ee) Minnesota Water Education for Grades K-5**

\$295,000 the second year is from the trust fund to the Science Museum of Minnesota to provide educational programming on water science and conservation to underserved schools in Minnesota.

**(ff) Outdoor Learning Center and Trails**

\$250,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Cook County Public Schools to improve and expand access to the outdoor environment and provide spaces for exploration and education through accessible trails, outdoor classrooms, shelter, and seating for students in Cook County public schools. Before costs for this appropriation are incurred, a fiscal management plan must be approved in the work plan, unless otherwise determined by the commissioner.

**(gg) Facility Outdoor Improvements**

\$180,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Veterans on the Lake to upgrade outdoor recreation facilities at Veterans on the Lake Resort on Fall Lake, including the construction of an accessible fishing pier and an accessible fish-cleaning house, to improve access to the wilderness and outdoor recreation for disabled American veterans. Before costs for this appropriation are incurred, approval of the proposed improvements and conditions of funding by the property owner must be demonstrated. Before costs for this appropriation are incurred, a fiscal agent for Veterans on the Lake must be approved in the work plan.

**(hh) Classrooms to Careers: Expanding Environmental STEM Pathways**

\$763,000 the second year is from the trust fund to the Science Museum of Minnesota to provide hands-on research experiences and mentorship for high school youth and professional development for high school teachers to strengthen environmental STEM education and expose students to STEM career opportunities.

**(ii) Outdoor Learning Professional Development for Educators and Administrators**

\$323,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Wolf Ridge Environmental Learning Center to train, mentor, and provide professional development opportunities for teachers and administrators to enable them to implement innovative, locally focused outdoor learning at their schools. Before costs for this appropriation are incurred, a fiscal management plan must be approved in the work plan, unless otherwise determined by the commissioner.

**(j) Emerging Conservation Leaders: Expanding the Network**

\$786,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Minnesota Valley National Wildlife Refuge Trust, Inc., to introduce metro area youth to the outdoors and conservation professions through apprenticeships, internships, and youth environmental programming. This appropriation is available until June 30, 2030, by which time the project must be completed and final products delivered.

**(kk) Lakewood Elementary School Trail Renewal and Community Engagement**

\$288,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Duluth Public Schools to improve the Lakewood School Forest Trail and carry out erosion stabilization and restoration activities along the trail at Lakewood Elementary to ensure continued opportunities for safe outdoor education and community usage. Before costs for this appropriation are incurred, a fiscal management plan must be approved in the work plan, unless otherwise determined by the commissioner.

**(ll) Explore Minnesota with COPAL**

\$392,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Comunidades Organizando el Poder y la Accion Latina (COPAL) to expand community partnerships, provide environmentally

focused programming and outreach focused on Latine and BIPOC communities, support youth environmental and outdoor leadership and engagement, and conduct an evaluation on the accessibility and inclusivity of Minnesota public lands.

**(mm) Expanding Community Boat Building and Outdoor Experiences**

\$100,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Urban Boatbuilders to engage youth in hands-on woodworking experiences designing and constructing longboards, canoes, kayaks, and paddles that help develop technical, career-readiness, and leadership skills. Before costs for this appropriation are incurred, a fiscal management plan must be approved in the work plan, unless otherwise determined by the commissioner.

**Subd. 6. Fish and Wildlife**

-0-

18,750,000

**(a) Which Cisco are Strongest? Identifying Healthy Populations**

\$674,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to:

(1) determine if certain cisco populations are better suited for Minnesota lakes experiencing higher temperatures and lower oxygen levels due to climate change; and

(2) create a habitat suitability map for different cisco populations under different climate scenarios to guide management decisions.

**(b) Mapping Leech Lake Vegetation: A Closer Look**

\$478,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Leech Lake Band of Ojibwe to:

(1) survey aquatic vegetation and cultural uses of Leech Lake resources to understand changes over time and to guide future management; and

(2) conduct public engagement, update aquatic vegetation inventories, and use genetics to distinguish between native and invasive plant species.

**(c) Salvaged Wildlife to Inform Environmental Health, Ecology, and Education - Phase 2**

\$673,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota, Bell Museum, to expand and support the statewide Salvage Wildlife network, prepare deceased wildlife as museum-quality specimens, and build biodiversity resources for research, education, and conservation of Minnesota's wildlife.

**(d) Partnership for Resilient Landscapes**

\$2,638,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Pheasants Forever, Inc. to collaborate with the Natural Resources Conservation Service, United States Fish and Wildlife Services, Board of Water and Soil Resources, and Minnesota Department of Natural Resources to accelerate adoption of voluntary conservation practices on working lands in Minnesota by increasing technical assistance to farmers and landowners while also attracting federal matching funds.

**(e) Highly Pathogenic Avian Influenza's Impacts on Minnesota Raptors**

\$298,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota for the Raptor Center, in partnership with Hawk Ridge Bird Observatory, to continue to evaluate Minnesota raptors for current or past infections with highly pathogenic avian influenza virus to better understand disease transmission and outbreak impacts on raptor populations.

**(f) United in Responding to CWD in Minnesota**

\$2,200,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota for the College of Veterinary Medicine to:

(1) study the environmental persistence and transportation of chronic wasting disease (CWD) prions and the risk factors for CWD outbreaks in deer populations; and

(2) advance antemortem testing for early detection of CWD in Minnesota, support Tribal and state surveillance efforts, and provide education about the public's role in CWD management.

**(g) Survival and Movement of Deer in Minnesota's Prairie and Transition Zones**

\$1,000,000 the second year is from the trust fund to the commissioner of natural resources to GPS-collar and monitor deer to examine survival, causes of mortality, predator impacts, seasonal movements, and habitat selection in the state's northwest and central permit zones to determine deer herd health and inform harvest regulations and future CWD management. This appropriation is available until June 30, 2031, by which time the project must be completed and final products delivered.

**(h) Uniting Minnesota's Insect Record**

\$932,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota, Bell Museum, to develop the first comprehensive list of Minnesota insect species, consolidate Bell Museum and other state insect collections, and integrate specimen records of statewide natural history collections with the Minnesota Biodiversity Atlas.

**(i) Lake Sturgeon Restoration at Great Lakes Aquarium**

\$500,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Lake Superior Authority to create a new lake-sturgeon-rearing program and educational grow-out exhibit at the Great Lakes Aquarium to advance restoration of lake sturgeon to the St. Louis River. Net income generated as part of this appropriation may be reinvested in the project if a plan for reinvestment is approved in the work plan as provided under Minnesota Statutes, section 116P.10.

**(j) Wolf Monitoring on the Leech Lake Reservation**

\$295,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Leech Lake Band of Ojibwe to monitor and assess wolf population dynamics and update a wolf management plan to guide collaboration with other natural resource agencies for the long-term survival of wolves on the Leech Lake Reservation.

**(k) Erosion Investigation of Pine and Curry Island SNA**

\$539,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Lake of the Woods County to:

(1) collect data, run models, and assess design alternatives to stabilize the shoreline, restore habitat, and improve water quality at Pine and Curry Island Scientific and Natural Area; and

(2) summarize the data, evaluations, and final recommendations into a public report.

**(l) Building a Future for Minnesota's At-Risk Butterflies**

\$294,000 the second year is from the trust fund to the Minnesota Zoological Board to develop husbandry protocols for the Pawnee Skipper, identify conservation strategies for other at-risk butterfly species, and determine thresholds for taking action to inform conservation planning.

**(m) Advancing Bison Recovery and Stewardship Through Statewide Partnership**

\$658,000 the second year is from the trust fund to the Minnesota Zoological Board to advance conservation of bison in Minnesota by coordinating and implementing the priorities of the multiagency Minnesota Bison Collaborative, including monitoring herd genetics and health, assessing potential reintroduction sites, and developing an educational framework and tools.

**(n) Identifying Climate-Resilient Fisheries to Guide Minnesota Lake Management**

\$643,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to assess factors supporting multispecies resilience to climate change, identify bright spots where fisheries are thriving despite environmental change, and develop decision options within the Resist-Accept-Direct framework for fisheries management.

**(o) Supporting Implementation of Large-Scale Moose Habitat Management**

\$1,054,000 the second year is from the trust fund to the commissioner of natural resources to:

(1) coordinate delivery of the moose habitat implementation plan that was created to overcome challenges to large-scale moose habitat management across diverse land ownerships among multiple partners; and

(2) provide education, communication, and outreach to address specific implementation challenges and to establish and execute a monitoring plan to evaluate implementation success.

**(p) Evaluating Forward-Facing Sonar Impacts on Minnesota Fish**

\$676,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to evaluate the impact of forward-facing sonar on angler catch rates and fish mortality across multiple species and lake types to inform sustainable management of Minnesota freshwater fish populations.

**(q) Incidence of Avian Influenza in Minnesota Forest Birds**

\$234,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota, Duluth, to augment wild bird surveys in northern Minnesota with sampling for present and past infections with avian influenza and coinfection with Haemosporidian parasites to identify at-risk bird species and quantify trends in avian influenza prevalence over time.

**(r) Regarding Native Fish: Outreach, Engagement, and Citizen Science**

\$270,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to advance conservation of native fish in Minnesota by collecting field data on native rough fish ecology and population dynamics, engaging a citizen-scientist angler network, and providing education and outreach on the importance of native rough fish as prioritized in the Department of Natural Resources' 2023 Native Fish Report.

**(s) Minnesota Invasive Terrestrial Plants and Pests Center - Phase 8**

\$4,694,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota, Minnesota Invasive Terrestrial Plants and Pests Center, to fund high-priority research projects to better manage invasive plants, pathogens, and pests on Minnesota's natural and agricultural lands. This appropriation is available until June 30, 2032, by which time the project must be completed and final products delivered.

**Subd. 7. Energy**-0-773,000**(a) Minnesota Chiller Energy Efficiency and Onsite Energy Generation**

\$298,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota for the Minnesota Technical Assistance Program to decrease carbon emissions through technical assistance to reduce energy use in industrial and commercial chiller systems and identify onsite energy solutions that promote decarbonization and resilience.

**(b) Novel Piezoelectric Energy Converters for Minnesota Waters**

\$475,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota for the St. Anthony Falls Laboratory to model and evaluate the viability of an innovative renewable energy approach using an underwater piezoelectric filament canopy to sustainably harness the untapped wave energy resources of Lake Superior and similar regions.

**Subd. 8. Land**-0-17,964,000**(a) Lake Minnewashta Regional Park Restoration**

\$392,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Carver County to:

(1) restore critical habitat at Lake Minnewashta Regional Park consistent with the park natural resources management plan; and

(2) collect data to evaluate restoration success and guide adaptive management.

**(b) Adopt a Flyway: Enhancing Minnesota's Migratory Bird Pitstops**

\$840,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with the Audubon Upper Mississippi River to pilot an adopt-a-flyway program to incentivize habitat restoration and enhancement of Minnesota's Mississippi Flyway to support the full life cycles of native birds. Notwithstanding subdivision 12, paragraph (e), restoration efforts may be undertaken on private lands if a long-term agreement is secured to protect and maintain the restored area as approved in the work plan and money is committed to monitor that agreement. This appropriation is available until June 30, 2030, by which time the project must be completed and final products delivered.

**(c) Utilizing Wood Waste and Biochar for Mine Land Reclamation**

\$358,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota for the Natural Resources Research Institute in Duluth to:

(1) evaluate water infiltration, pollutant removal, and plant growth in mine land soils amended with wood waste and biochar; and

(2) estimate the ecosystem and climate benefits of using wood waste and biochar soil mixes for mine land reclamation in Minnesota and disseminate project results to stakeholders.

**(d) Certified Prescribed Burn Manager Curriculum Development and Pilot**

\$454,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to design and pilot a Minnesota certified prescribed burn manager program to increase capacity for nonagency stewardship of privately owned and

fire-dependent native grasslands and forests across Minnesota. Net income generated as part of this appropriation may be reinvested in the project if a plan for reinvestment is approved in the work plan as provided under Minnesota Statutes, section 116P.10.

**(e) Updating Land Cover Maps for Enhanced Natural Systems**

\$298,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to produce high-resolution land cover maps using new LiDAR and aerial imagery to support conservation, water management, climate resilience, and planning in Minnesota's largest population centers.

**(f) Pollinator Central V: Habitat Improvement with Public Engagement**

\$750,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Great River Greening to partner with municipalities to create and enhance pollinator habitat along public corridors from Mankato to Little Falls and engage communities with native pollinator education and natural resources stewardship. This appropriation is available until June 30, 2030, by which time the project must be completed and final products delivered.

**(g) Evaluating Soil Health Benefits of Controlled Agricultural Drainage**

\$249,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Minnesota State University, Mankato, to study the impact of controlled tile drainage on soil health and conduct outreach and education on the potential environmental and economic benefits of controlled tile drainage.

**(h) Oak Savanna Restoration for Living Landscapes**

\$1,944,000 the second year is from the trust fund to the Board of Water and Soil Resources, in partnership with the Xerces Society, to pilot a program to provide grants and other agreements, conservation plans, seed mixes, and other technical resources to restore and enhance oak savannas and supporting tallgrass prairies and woodlands on public and protected conservation lands in Minnesota's Eastern Broadleaf Forest Province. This appropriation is available until June 30, 2031, by which time the project must be completed and final products delivered.

**(i) Metropolitan Regional Parks System Land Acquisition - Phase 9**

\$2,414,000 the second year is from the trust fund to the Metropolitan Council for grants to acquire land with high-quality natural resources or natural resources restoration potential for the metropolitan regional parks system. This appropriation must be matched by an equal amount from a combination of Metropolitan Council and local agency money. This appropriation is available until June 30, 2030, by which time the project must be completed and final products delivered.

**(j) SNA Habitat Enhancement, Public Engagement, and Biodiversity Protection**

\$3,996,000 the second year is from the trust fund to the commissioner of natural resources to restore and enhance habitat on scientific and natural areas (SNAs), increase public involvement and outreach, and strategically acquire lands that meet criteria for SNAs under Minnesota Statutes, section 86A.05, from willing sellers. This appropriation is available until June 30, 2030, by which time the project must be completed and final products delivered.

**(k) Lake Brophy Park Trail Armoring and Trail Improvements**

\$70,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Douglas County to design and construct enhancements to existing single-track trails at Lake Brophy Park.

**(l) Sustainable Land Use with Robotic Technology on Small Farms**

\$524,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to collaborate with the Hmong American Farmers Association to design and test new robotic technologies to assist with sustainable agricultural practices on small farms.

**(m) Managing Minnesota's Forests for Carbon: Tradeoffs and Synergies**

\$300,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to identify tradeoffs and synergies between managing forests for carbon credits and managing forests for other purposes, including wildlife and timber production.

**(n) Native Prairie Bank - Private Native Prairie Conservation and Outreach**

\$1,758,000 the second year is from the trust fund to the commissioner of natural resources to provide technical stewardship assistance to prairie landowners, restore and enhance native prairie protected by easements in the native prairie bank, and acquire easements for the native prairie bank in accordance with Minnesota Statutes, section 84.96, including preparing initial baseline property assessments. Up to \$75,000 of this appropriation may be deposited in the natural resources conservation easement stewardship account created under Minnesota Statutes, section 84.69, proportional to the number of easements acquired. This appropriation is available until June 30, 2030, by which time the project must be completed and final products delivered.

**(o) Alleviating PFAS Impacts of Biosolids on Agricultural Lands**

\$300,000 the second year is from the trust fund to the Board of Regents of the University of Minnesota to evaluate the impacts of biosolids containing per- and polyfluoroalkyl substances (PFAS) on farmland microbial health and explore an alternative cost-effective biotreatment to remove PFAS from agricultural fields.

**(p) Southeast Minnesota Groundwater Protection and Soil Health Initiative**

\$2,817,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with Olmsted County to provide results-based incentives, technical assistance, and educational tools to increase implementation of soil health practices on agricultural fields to prevent nitrate leaching to groundwater in karst regions of southeast Minnesota. This appropriation is available until June 30, 2030, by which time the project must be completed and final products delivered.

**(q) Living with Fire in Minnesota Forests**

\$500,000 the second year is from the trust fund to the commissioner of natural resources for an agreement with The Nature Conservancy, in partnership with Dovetail Partners, to accelerate prescribed burning by educating private landowners, coordinating management, and conducting prescribed burns on public and Tribal lands to restore Minnesota's forestlands.

**Subd. 9. Administration**

-0-

340,000

\$340,000 the second year is from the trust fund to the commissioner of natural resources, at the direction of the Legislative-Citizen Commission on Minnesota Resources, for expenses incurred in preparing and administering contracts, including for the agreements specified in this section.

**Subd. 10. Availability of appropriations**

Money appropriated in this section may not be spent on activities unless they are directly related to and necessary for a specific appropriation and are specified in the work plan approved by the Legislative-Citizen Commission on Minnesota Resources. Money appropriated in this section must not be spent on indirect costs or other institutional overhead charges that are not directly related to and necessary for a specific appropriation. Costs that are directly related to and necessary for an appropriation, including financial services, human resources, information services, rent, and utilities, are eligible only if the costs can be clearly justified and individually documented specific to the appropriation's purpose and would not be generated by the recipient but for receipt of the appropriation. No broad allocations for costs in either dollars or percentages are allowed. Unless otherwise provided, the amounts in this section are available for three years beginning July 1, 2026, and ending June 30, 2029, when projects must be completed and final products delivered. For acquisition of real property, the appropriations in this section are available for an additional fiscal year if a binding contract for acquisition of the real property is entered into before the expiration date of the appropriation. If a project receives a federal award, the period of the appropriation is extended to equal the federal award period to a maximum trust fund appropriation length of six years.

**Subd. 11. Data availability requirements**

Data collected by the projects funded under this section must conform to guidelines and standards adopted by Minnesota IT Services. Spatial data must also conform to additional guidelines and standards designed to support data coordination and distribution that have been published by the Minnesota Geospatial Information Office. Descriptions of spatial data must be prepared as specified in the state's geographic metadata guidelines, and final data must be uploaded to the Minnesota Geospatial Commons upon project completion. All data must be accessible and free to the public unless made private under the Data Practices Act, Minnesota Statutes, chapter 13. To the extent practicable, summary data and results of projects funded under this section should be readily accessible on the Internet and identified as having received funding from the environment and natural resources trust fund.

**Subd. 12. Project requirements**

(a) As a condition of accepting an appropriation under this section, an agency or entity receiving an appropriation or a party to an agreement from an appropriation must comply with paragraphs (b) to (m) and Minnesota Statutes, chapter 116P, and must submit a work plan and annual or semiannual progress reports in the form

determined by the Legislative-Citizen Commission on Minnesota Resources for any project funded in whole or in part with money from the appropriation. Modifications to the approved work plan and budget expenditures must be made through the amendment process established by the Legislative-Citizen Commission on Minnesota Resources.

(b) A recipient of money appropriated in this section that conducts a restoration using money appropriated in this section must use native plant species according to the Board of Water and Soil Resources' native vegetation establishment and enhancement guidelines and include an appropriate diversity of native species selected to provide habitat for pollinators throughout the growing season as required under Minnesota Statutes, section 84.973.

(c) For all restorations conducted with money appropriated under this section, a recipient must prepare an ecological restoration and management plan that, to the degree practicable, is consistent with the highest-quality conservation and ecological goals for the restoration site. Consideration should be given to soil, geology, topography, and other relevant factors that would provide the best chance for long-term success and durability of the restoration project. The plan must include the proposed timetable for implementing the restoration, including site preparation, establishment of diverse plant species, maintenance, and additional enhancement to establish the restoration; identify long-term maintenance and management needs of the restoration and how the maintenance, management, and enhancement will be financed; and take advantage of the best-available science and include innovative techniques to achieve the best restoration.

(d) An entity receiving an appropriation in this section for restoration activities must provide an initial restoration evaluation at the completion of the appropriation and an evaluation three years after the completion of the expenditure. Restorations must be evaluated relative to the stated goals and standards in the restoration plan, current science, and, when applicable, the Board of Water and Soil Resources' native vegetation establishment and enhancement guidelines. The evaluation must determine whether the restorations are meeting planned goals, identify any problems with implementing the restorations, and, if necessary, give recommendations on improving restorations. The evaluation must be focused on improving future restorations.

(e) All restoration and enhancement projects funded with money appropriated in this section must be on land permanently protected by a conservation easement or public ownership.

(f) A recipient of money from an appropriation under this section must give consideration to contracting with Conservation Corps Minnesota & Iowa for contract restoration and enhancement services.

(g) All conservation easements acquired with money appropriated under this section must:

(1) be permanent;

(2) specify the parties to the easement in the easement document;

(3) specify all provisions of an agreement that are permanent;

(4) be sent to the Legislative-Citizen Commission on Minnesota Resources in an electronic format at least 20 business days before closing;

(5) include a long-term monitoring and enforcement plan and funding for monitoring and enforcing the easement agreement; and

(6) include requirements in the easement document to protect the quantity and quality of groundwater and surface water through specific activities, such as keeping water on the landscape, reducing nutrient and contaminant loading, and not permitting artificial hydrological modifications.

(h) For any acquisition of lands or interest in lands, a recipient of money appropriated under this section must not agree to pay more than 100 percent of the appraised value for a parcel of land using this money to complete the purchase, in part or in whole, except that up to ten percent above the appraised value may be allowed to complete the purchase, in part or in whole, using this money if permission is received in advance of the purchase from the Legislative-Citizen Commission on Minnesota Resources.

(i) For any acquisition of land or interest in land for environmental and natural resources conservation purposes, a recipient of money appropriated under this section must give priority to minimally disturbed lands that provide the greatest capacity for multiple conservation benefits to humans, fish, wildlife, and water resources.

(j) For new lands acquired with money appropriated under this section, a recipient must prepare an ecological restoration and management plan in compliance with paragraph (c), including sufficient funding for implementation unless the work plan addresses why a portion of the money is not necessary to achieve a high-quality restoration.

(k) To ensure public accountability for using public money, a recipient of money appropriated under this section must, within 60 days of a land acquisition, provide to the Legislative-Citizen Commission on Minnesota Resources documentation of the selection process used to identify parcels acquired and provide documentation of all related transaction costs, including but not

limited to appraisals, legal fees, recording fees, commissions, other similar costs, and donations. This information must be provided for all parties involved in the transaction. The recipient must also report to the Legislative-Citizen Commission on Minnesota Resources any difference between the acquisition amount paid to the seller and the state-certified or state-reviewed appraisal, if a state-certified or state-reviewed appraisal was conducted.

(l) A recipient of an appropriation from the trust fund under this section must acknowledge financial support from the environment and natural resources trust fund in project publications, signage, and other public communications and outreach related to work completed using the appropriation. Acknowledgment may occur, as appropriate, through use of the trust fund logo or inclusion of language attributing support from the trust fund. Each direct recipient of money appropriated in this section, as well as each recipient of a grant awarded pursuant to this section, must satisfy all reporting and other requirements incumbent upon constitutionally dedicated funding recipients as provided in Minnesota Statutes, section 3.303, subdivision 10, and chapter 116P.

(m) A recipient of an appropriation from the trust fund under this section that is receiving funding to conduct children's services, as defined in Minnesota Statutes, section 299C.61, subdivision 7, must certify to the Legislative-Citizen Commission on Minnesota Resources, as part of the required work plan, that criminal background checks for background check crimes, as defined in Minnesota Statutes, section 299C.61, subdivision 2, are performed on all employees, contractors, and volunteers that have or may have access to a child to whom the recipient provides children's services using the appropriation.

**Subd. 13. Payment conditions and capital equipment expenditures**

(a) All agreements, grants, or contracts referred to in this section must be administered on a reimbursement basis unless otherwise provided in this section. Notwithstanding Minnesota Statutes, section 16A.41, expenditures made on or after July 1, 2026, or the date the work plan is approved, whichever is later, are eligible for reimbursement unless otherwise provided in this section. Periodic payments must be made upon receiving documentation that the deliverable items articulated in the approved work plan have been achieved, including partial achievements as evidenced by approved progress reports. Reasonable amounts may be advanced to projects to accommodate cash-flow needs or match federal money. The advances must be approved as part of the work plan. No expenditures for capital equipment are allowed unless expressly authorized in the project work plan.

(b) Single-source contracts as specified in the approved work plan are allowed.

**Subd. 14. Purchasing recycled and recyclable materials**

A political subdivision, public or private corporation, or other entity that receives an appropriation under this section must use the appropriation in compliance with Minnesota Statutes, section 16C.0725, regarding purchasing recycled, repairable, and durable materials, and Minnesota Statutes, section 16C.073, regarding purchasing and using paper stock and printing.

**Subd. 15. Accessibility**

Structural and nonstructural facilities must meet the design standards in the Americans with Disabilities Act (ADA) accessibility guidelines.

**Subd. 16. Carryforward; extensions**

(a) The availability of the appropriations for the following projects is extended to June 30, 2027:

(1) Laws 2021, First Special Session chapter 6, article 5, section 2, subdivision 6, paragraph (e), Emerald Ash Borer and Black Ash: Maintaining Forests and Benefits;

(2) Laws 2021, First Special Session chapter 6, article 5, section 2, subdivision 9, paragraph (t), Chippewa County Acquisition, Recreation, and Education;

(3) Laws 2022, chapter 94, section 2, subdivision 10, paragraph (e), Conservation Reserve Program State Incentives;

(4) Laws 2023, chapter 60, article 2, section 2, subdivision 3, paragraph (f), Statewide Forest Carbon Inventory and Change Mapping;

(5) Laws 2023, chapter 60, article 2, section 2, subdivision 3, paragraph (p), Old Growth Forest Monitoring;

(6) Laws 2023, chapter 60, article 2, section 2, subdivision 3, paragraph (r), Community Response Monitoring for Adaptive Management in Southeast Minnesota;

(7) Laws 2023, chapter 60, article 2, section 2, subdivision 7, paragraph (c), Completing Installment of the Minnesota Ecological Monitoring Network;

(8) Laws 2023, chapter 60, article 2, section 2, subdivision 8, paragraph (e), Minnesota Million: Seedlings for Reforestation and CO 2 Sequestration;

(9) Laws 2023, chapter 60, article 2, section 2, subdivision 8, paragraph (q), Statewide Diversion of Furniture and Mattress Waste Pilots; and

(10) Laws 2023, chapter 60, article 2, section 2, subdivision 10, paragraph (b), Emerging Issues.

(b) The availability of the appropriation under Laws 2023, chapter 60, article 2, section 2, subdivision 9, paragraph (e), Minnesota State Trails Development, is extended to June 30, 2028.

Sec. 3. Minnesota Statutes 2024, section 116P.08, subdivision 4, is amended to read:

Subd. 4. **Legislative recommendations.** (a) Funding may be provided only for those projects that meet the categories established in subdivision 1.

(b) The commission must recommend an annual or biennial legislative bill to make appropriations from the trust fund for the purposes provided in subdivision 1. The recommendations must be submitted to the governor for inclusion in the biennial budget and supplemental budget submitted to the legislature.

(c) The commission may recommend regional block grants for a portion of trust fund expenditures to partner with existing regional organizations that have strong citizen involvement, to address unique local needs and capacity, and to leverage all available funding sources for projects.

~~(d) The commission may recommend the establishment of an emerging issues account in its legislative bill for funding emerging issues, which come up unexpectedly, but which still adhere to the commission's strategic plan, to be approved by the governor after initiation and recommendation by the commission.~~

~~(e)~~ (d) Money in the trust fund may not be spent except under an appropriation by law.

Sec. 4. Minnesota Statutes 2024, section 116P.08, is amended by adding a subdivision to read:

Subd. 4a. **Emerging issues account.** (a) The commission may recommend the establishment of an emerging issues account in its legislative bill for funding emerging issues, which come up unexpectedly but still adhere to the commission's strategic plan.

(b) Money in the emerging issues account may only be spent on activities that meet all of the following requirements:

(1) address an immediate threat to public health, the environment, or the state's natural resources; and

(2) are conducted by a state agency or performed under a contract directed by a state agency.

(c) Money in the emerging issues account may not be spent on:

(1) a project that was previously reviewed and rejected by the commission during the most recently completed funding cycle or included in a bill introduced during either of the last two regular legislative sessions; or

(2) a capital construction project.

(d) Except as provided under section 116P.09, subdivision 6, paragraph (b), recommendations by the commission for an expenditure from the emerging issues account require an affirmative vote of at least 12 members of the commission. An expenditure from the emerging issues account must be approved by the governor after initiation and recommendation by the commission. The chairs and ranking minority members of the legislative committees with jurisdiction over environment and natural resources must be notified of an expenditure sent to the governor for approval.

(e) A recipient of money from the emerging issues account must submit a final report to the chairs and ranking minority members of the legislative committees with jurisdiction over environment and natural resources detailing the expenditure of the money and outcomes achieved.

Sec. 5. Minnesota Statutes 2024, section 116P.09, subdivision 6, is amended to read:

Subd. 6. **Conflict of interest.** (a) A commission member, a technical advisory committee member, a peer reviewer, or an employee of the commission may not participate in or vote on a decision of the commission, advisory committee, or peer review relating to an organization in which the member, peer reviewer, or employee has either a direct or indirect personal financial interest. While serving on the commission or technical advisory committee or as a peer reviewer or while an employee of the commission, a person must avoid any potential conflict of interest.

(b) A commission member may not vote on a motion regarding the purchase of land under section 116P.18 ~~or~~; the final recommendations of the commission required under section 116P.05, subdivision 2, paragraph (a); or the expenditure of money from the emerging issues account if the motion relates to an organization in which the member has a direct personal financial interest. If a commission member is prohibited from voting under this paragraph, the number of affirmative votes required under section 116P.05, subdivision 2, paragraph (a), or section 116P.18 is reduced by the number of members ineligible to vote under this paragraph.

Sec. 6. Minnesota Statutes 2024, section 116X.03, is amended by adding a subdivision to read:

Subd. 1a. **Grant awards; maximum amounts.** (a) A grant awarded under this section may not exceed:

(1) \$2,000,000, if the grant is for trail maintenance; or

(2) \$750,000, if the grant is for a purpose other than trail maintenance.

(b) The commissioner must award grants under this section in each fiscal year for more than one purpose under subdivision 1, paragraph (b).

(c) Paragraph (a), clause (1), is a limitation on the total amount of money that can be awarded in a single grant cycle under this section to a grantee for work on the same trail.

(d) This subdivision expires June 30, 2028.

Sec. 7. Minnesota Statutes 2024, section 116X.03, is amended by adding a subdivision to read:

Subd. 3a. **Staff training requirements.** All Department of Natural Resources staff who are assigned grants management responsibilities for grants awarded under this section must complete annual training on financial reconciliation and fraud prevention in addition to the training required under section 16B.98, subdivision 6a.

Sec. 8. Minnesota Statutes 2024, section 116X.03, is amended by adding a subdivision to read:

Subd. 3b. **Grants monitoring.** The commissioner must conduct at least one in-person unannounced monitoring visit before final payment is made on all grants awarded under this section that are for an amount of \$50,000 or more. For grant amounts under \$50,000, the commissioner must select a sample from the grants awarded each year and conduct at least one unannounced monitoring visit on the selected grants before final payment is made.

Sec. 9. Minnesota Statutes 2024, section 116X.03, is amended by adding a subdivision to read:

Subd. 3c. **Small grant administration requirements.** (a) The commissioner must conduct a preaward risk assessment under section 16B.981 for a grant awarded under this section that is for an amount less than \$50,000.

(b) The commissioner must conduct a financial reconciliation of grantees' expenditures on a sample of grants under \$50,000 before final payments are made.

Sec. 10. Minnesota Statutes 2024, section 116X.03, is amended by adding a subdivision to read:

Subd. 4a. **Advance payment.** (a) Except as provided under paragraph (b), a grant awarded under this section must be administered on a reimbursement basis.

(b) The commissioner may provide an advance payment to a recipient of a grant administered under this section if:

(1) the recipient has obtained a surety bond in an amount and in a form approved by the commissioner; or

(2) a fiscal agent has been designated and approved by the commissioner under paragraph (c).

(c) The commissioner may designate and approve a fiscal agent for purposes of this subdivision if the fiscal agent is subject to the requirements under sections 16B.97 to 16B.991.

Sec. 11. Minnesota Statutes 2024, section 116X.03, is amended by adding a subdivision to read:

Subd. 5a. **Grant recipient reporting.** A recipient of a grant awarded under this section must submit a quarterly written progress report on the grant to the commissioner in a form and manner approved by the commissioner until all grant funds have been expended and all of the terms in the grant contract agreement have been met.

Sec. 12. **ENVIRONMENT AND NATURAL RESOURCES TRUST FUND COMMUNITY GRANT PROGRAM APPROPRIATION.**

(a) \$28,180,000 in fiscal year 2027 is appropriated from the environment and natural resources trust fund to the commissioner of natural resources for grants under Minnesota Statutes, section 116X.03, allocated as required under Minnesota Statutes, section 116X.03, subdivision 1.

(b) This is a onetime appropriation. Minnesota Statutes, chapter 116P, does not apply to this appropriation or to projects funded with this appropriation. This appropriation is available until June 30, 2030.

Sec. 13. **REPEALER.**

Minnesota Statutes 2024, section 116P.17, is repealed.

**EFFECTIVE DATE.** This section is effective the day following final enactment."

Delete the title and insert:

"A bill for an act relating to natural resources; appropriating money from environment and natural resources trust fund; extending certain prior appropriations; modifying provisions on expenditures from environment and natural resources trust fund; modifying requirements for community grants program; amending Minnesota Statutes 2024, sections 116P.08, subdivision 4, by adding a subdivision; 116P.09, subdivision 6; 116X.03, by adding subdivisions; repealing Minnesota Statutes 2024, section 116P.17."

We request the adoption of this report and repassage of the bill.

House Conferees: SYDNEY JORDAN, PETER FISCHER, JOSH HEINTZEMAN and JOHN BURKEL.

Senate Conferees: FOUNG HAWJ, JENNIFER MCEWEN and MARY KUNESH.

Jordan moved that the report of the Conference Committee on H. F. No. 3426 be adopted and that the bill be repassed as amended by the Conference Committee. The motion prevailed.

H. F. No. 3426, A bill for an act relating to natural resources; appropriating money from environment and natural resources trust fund; extending certain prior appropriations; modifying provisions on expenditures from environment and natural resources trust fund; modifying requirements for community grants program; amending Minnesota Statutes 2024, sections 116P.08, subdivision 4, by adding a subdivision; 116P.09, subdivision 6; 116X.03, by adding subdivisions; repealing Minnesota Statutes 2024, section 116P.17.

The bill was read for the third time, as amended by Conference, and placed upon its repassage.

The question was taken on the repassage of the bill and the roll was called. There were 117 yeas and 15 nays as follows:

Those who voted in the affirmative were:

Acomb	Curran	Gottfried	Joy	Luger-Nikolai	Perryman
Agbaje	Davids	Greene	Keeler	Mahamoud	Pinto
Allen	Dotseth	Greenman	Klevorn	McDonald	Pursell

Those who voted in the negative were:

Engen

The bill was passed and its title agreed to.

### MOTIONS AND RESOLUTIONS

Reyer moved that the name of Xiong be added as an author on H. F. No. 1049. The motion prevailed.

Pursell moved that the name of Smith be added as an author on H. F. No. 1991. The motion prevailed.

Pinto moved that the name of Jones be added as an author on H. F. No. 3335. The motion prevailed.

Rehm moved that the name of Rehm be stricken as an author on H. F. No. 3785. The motion prevailed.

Koegel moved that the name of Jones be added as an author on H. F. No. 4250. The motion prevailed.

Davis moved that the names of Rarick and Fogelman be added as authors on H. F. No. 5084. The motion prevailed.

Frazier moved that the name of Xiong be added as an author on H. F. No. 5103. The motion prevailed.

Elkins moved that the name of Bahner be added as an author on H. F. No. 5142. The motion prevailed.

Schultz moved that the name of Gordon be added as an author on H. F. No. 5143. The motion prevailed.

Rarick was excused between the hours of 6:00 p.m. and 7:50 p.m.

Pursuant to Rule 10.05, relating to Remote House Operations, the Speaker permitted the following member to vote via remote means between the hours of 6:00 p.m. and 8:15 p.m.: Anderson, P. E.

### MOTION TO SUSPEND RULES

Long moved that the rules of the House be so far suspended so that H. F. No. 5140 be recalled from the Committee on Public Safety Finance and Policy, be given its second and third readings and be placed upon its final passage.

A roll call was requested and properly seconded.

### MOTION TO FIX TIME TO CONVENE

Niska moved that when the House adjourns today it adjourn until 12:00 noon, Saturday, May 16, 2026. The motion prevailed.

### CALL OF THE HOUSE

On the motion of Keeler and on the demand of 10 members, a call of the House was ordered. The following members answered to their names:

Acomb	Altendorf	Bahner	Bennett	Bliss	Carroll
Agbaje	Anderson, P. H.	Bakeberg	Berg	Buck	Cha
Allen	Backer	Baker	Bierman	Burkel	Clardy

Coulter	Gillman	Johnson, W.	Long	Perryman	Smith
Curran	Gomez	Jones	Luger-Nikolai	Pinto	Stephenson

Bliss	Gordon	McDonald	Perryman	Skraba	
Burkel	Harder	Mekeland	Quam	Stier	
Davids	Heintzeman	Mueller	Rarick	Swedzinski	
Davis	Hudson	Murphy	Repinski	Torkelson	

The motion did not prevail.

### **MOTIONS AND RESOLUTIONS, Continued**

Norris moved that S. F. No. 1943, now on the General Register, be re-referred to the Committee on Ways and Means. The motion prevailed.

### **ADJOURNMENT**

Niska moved that the House adjourn. The motion prevailed, and the Speaker declared the House stands adjourned until 12:00 noon, Saturday, May 16, 2026.

PATRICK DUFFY Murphy, Chief Clerk, House of Representatives
