

**Subject** Native landscapes on private land

**Authors** Hansen, R. and others

**Analyst** Chelsea Griffin

**Date** February 7, 2022

## Summary

This bill requires a statutory or home rule charter city to allow an owner, authorized agent, or authorized occupant of private property to install and maintain a managed natural landscape on the private property. A managed natural landscape may include plants and grasses that are more than eight inches tall that have gone to seed. Noxious weeds may not be included in the landscape.
