Sec. 2. Minnesota Statutes 2016, section 152.02, subdivision 12, is amended to read:
Subd. 12. Coordination of controlled substance regulation with federal law and state statute. If any substance is designated, rescheduled, or deleted as a controlled substance under federal law and notice thereof is given to the state Board of Pharmacy, the state Board of Pharmacy shall similarly control the substance under this chapter, after the expiration of 30 days from publication in the Federal Register of a final order designating a substance as a controlled substance or rescheduling or deleting a substance. Such order shall be filed

117.1	with the secretary of state. If within that 30-day period, the state Board of Pharmacy objects
117.2	to inclusion, rescheduling, or deletion, it shall publish the reasons for objection and afford
117.3	all interested parties an opportunity to be heard. At the conclusion of the hearing, the state
117.4	Board of Pharmaey shall publish its decision, which shall be subject to the provisions of
117.5	<del>chapter 14</del> , the substance shall be deemed to be similarly designated, rescheduled, or deleted
117.6	under this section until the legislature enacts legislation or the board engages in rulemaking
117.7	to otherwise schedule the drug.
117.8	In exercising the authority granted by this chapter, the state Board of Pharmacy shall be
117.9	subject to the provisions of chapter 14.

The state Board of Pharmacy shall annually submit a report to the legislature on or before December 1 that specifies what changes the board made to the controlled substance schedules maintained by the board in Minnesota Rules, parts 6800.4210 to 6800.4250, in the preceding 117.13 12 months. The report must include specific recommendations for amending the controlled substance schedules contained in subdivisions 2 to 6, so that they conform with the controlled substance schedules maintained by the board in Minnesota Rules, parts 6800.4210 to 117.16 6800.4250.
