

1.1 moves to amend H.F. No. 2209, the delete everything amendment
1.2 (H2209DE2), as follows:

1.3 Page 174, after line 27, insert:

1.4 "(c) A research and development or demonstration project recommended for funding
1.5 under this section must have as its outcome the development of a product or process that:

1.6 (1) meets the eligibility criteria of section 116C.779, subdivision 1 and this subdivision;

1.7 (2) has no additional significant technical or economic barriers to commercial application
1.8 as a marketable product; and

1.9 (3) primarily benefits Minnesota ratepayers receiving electric service from the utility
1.10 that is subject to section 116C.779 , subdivision 1, or the Prairie Island Indian Community
1.11 or its members."
