

1.1 moves to amend H.F. No. 1502 as follows:

1.2 Page 1, delete subdivision 2, and insert:

1.3 "Subd. 2. **Voluntary certification program; best management practices.** (a) The
1.4 commissioner of the Pollution Control Agency must develop a training program that promotes
1.5 best management practices for snow and ice removal and deicer application that protect
1.6 water quality and allows commercial applicators to obtain certification as a water-friendly
1.7 applicator. The commissioner must certify a commercial applicator as a water-friendly
1.8 applicator if the applicator successfully completes the program and passes the examination.

1.9 (b) The commissioner, in consultation with the University of Minnesota, must provide
1.10 additional training under this section for certified commercial applicators renewing
1.11 certification after their initial training and certification.

1.12 (c) The commissioner, in consultation with the University of Minnesota, must provide
1.13 the training and testing module at locations statewide and may make the recertification
1.14 training available online.

1.15 (d) The commissioner, in consultation with the University of Minnesota, must annually
1.16 post the best management practices and a list of certified commercial applicators on the
1.17 agency's website.

1.18 (e) The commissioner may charge a fee of no more than \$350 per certified commercial
1.19 applicator for the training or recertification under this section. Fees collected under this
1.20 subdivision must be deposited in the environmental fund."
