1.21 "Subd. 2. **Exempted location data.** Location data required to aid criminal or civil  
1.22 investigations or enforce security or acceptable use policies is exempt from the consent  
1.23 requirements of subdivision 3 and the notice requirements of subdivision 4. Exempted

2.1 location data includes civil investigative data under section 13.39, security service data  
 2.2 under section 13.861, criminal investigative data under section 13.82, surveillance technology  
 2.3 under section 13.82, keycard access data, point of sale data, and transit use data. Wi-Fi  
 2.4 access point data is only exempt under this subdivision to aid criminal or civil investigations  
 2.5 or enforce security or acceptable use policies.

2.6 Subd. 3. **Consent.** (a) A public postsecondary educational institution must not use a  
 2.7 technology provider to collect educational data concerning a student's location without the  
 2.8 student consenting to having location data collected by a technology provider. A public  
 2.9 postsecondary educational institution must not require a student's consent to location data  
 2.10 collection by a technology provider as a condition of:

2.11 (1) enrolling in the institution or any program or class;

2.12 (2) receiving a scholarship or other financial aid award; or

2.13 (3) entering into a dining contract, housing contract, or any other agreement for the  
 2.14 provision of a basic university service, including connecting to campus Wi-Fi.

2.15 (b) A student who gives consent to having location data collected may revoke that consent  
 2.16 at any time by providing written notice as prescribed by the public postsecondary educational  
 2.17 institution.

2.18 Subd. 4. **Notice.** (a) Within 30 days of the start of each school year, a public  
 2.19 postsecondary educational institution must give students notice, by United States mail,  
 2.20 e-mail, or any means reasonably likely to inform students, of any technology provider that  
 2.21 is collecting educational data concerning a student's location. The notice must:

2.22 (1) be written in plain language;

2.23 (2) identify each technology provider collecting location data;

2.24 (3) identify the location data being collected by the technology provider;

2.25 (4) include information about the consent required in subdivision 3, including the right  
 2.26 to revoke consent; and

2.27 (5) include information about how to access a copy of the contract unless the public  
 2.28 postsecondary educational institution publishes the terms of any contract with a technology  
 2.29 provider, with the exception of trade secret data, on the institution's website for the duration  
 2.30 of the contract or for the period the technology provider is actually collecting educational  
 2.31 data concerning a student's location, whichever period is shorter."
