Committee Rules and Procedures for the 2023-2024 Legislative Session

1. Meetings will begin promptly at the regularly scheduled times.
2. All amendments are to be pre-filed, via email, with the Committee Administrator by 10:00 AM the day before the hearing. An amendment is considered public once it is turned in. To ensure proper format, Members should have amendments drafted by House Research staff or the Revisor's Office. Please allow staff enough time to draft your amendments in order to meet the 10:00 AM deadline.
3. The Chair may waive or amend rules at their discretion.
