

1.1 moves to amend H.F. No. 1971 as follows:

1.2 Page 1, delete section 1 and insert:

1.3 "Section 1. **[161.318] CONTINGENT APPROPRIATIONS; TRUNK HIGHWAY**
1.4 **SYSTEM.**

1.5 Subdivision 1. Department of Transportation. (a) If, on June 30 of an
1.6 odd-numbered year, legislation has not been enacted to appropriate money for the next
1.7 fiscal year to the commissioner of transportation for state roads, on July 1, an amount
1.8 sufficient to pay the costs described in this subdivision is appropriated, for the fiscal
1.9 year beginning on that July 1, from the trunk highway fund to the commissioner of
1.10 transportation.

1.11 (b) The appropriation under paragraph (a) is for (1) actual payments necessary
1.12 under contracts relating to the budget activities of operations and maintenance, program
1.13 planning and delivery, and state road construction; and (2) an amount necessary to pay
1.14 the costs of Department of Transportation employees whose work is essential to (i) the
1.15 administration and performance of the contracts under clause (1), including but not limited
1.16 to project management, contract administration, and billing administration; and (ii) the
1.17 administration of available federal reimbursement of expenses from the contracts under
1.18 clause (1).

1.19 (c) The amount appropriated under paragraph (a) may not exceed the total of:

1.20 (1) unexpended funds from the amounts appropriated for the biennium ending on
1.21 June 30 to the commissioner for the budget activities of operations and maintenance,
1.22 program planning and delivery, and state road construction;

1.23 (2) unexpended funds from any amount made available to the commissioner in carry
1.24 forward authority into the biennium ending on June 30 for state road construction projects
1.25 for which money was originally encumbered in a previous biennium; and

2.1 (3) the amounts included in the appropriation base for the next fiscal year to the
2.2 commissioner for the budget activities of program planning and delivery, and agency
2.3 services.

2.4 (d) Any subsequent appropriation to the commissioner of transportation, or carry
2.5 forward authority provided to the commissioner, for a biennium in which this subdivision
2.6 has been applied shall supersede and replace the funding authorized in this subdivision.

2.7 (e) This subdivision applies only to those contracts as to which funds were
2.8 encumbered before the July 1 appropriation date.

2.9 Subd. 2. **Minnesota Management and Budget.** (a) If, on June 30 of an
2.10 odd-numbered year, legislation has not been enacted to appropriate money for the next
2.11 fiscal year to the commissioner of management and budget for central accounting,
2.12 procurement, payroll, and human resources functions, on July 1, an amount necessary to
2.13 operate those functions, solely for the purposes specified in subdivision 1, is appropriated
2.14 for the fiscal year beginning on that July 1, from the general fund to the commissioner of
2.15 management and budget. As necessary, the commissioner may transfer a portion of this
2.16 appropriation to other state agencies to support carrying out these functions.

2.17 (b) Any subsequent appropriation to the commissioner of management and budget
2.18 for a biennium in which this subdivision has been applied shall supersede and replace the
2.19 funding authorized in this subdivision."

2.20 Amend the title accordingly
