1.4 "Sec. 4. **ARTS AND CULTURAL HERITAGE FUND RECIPIENT DEDICATED**  
1.5 **DISPARITIES ASSISTANCE.**

1.6 (a) Entities receiving \$1,000,000 or more in arts and cultural heritage funds for  
1.7 programming or projects in this article must provide a portion of funding, through their own  
1.8 operating budget or using the percentage of arts and cultural heritage funds necessary, to  
1.9 create measurable goals and outcomes to increase access to programs and reduce disparities  
1.10 for access to programs funded by the arts and cultural heritage fund. Each entity required  
1.11 to comply with this section shall designate an employee to be responsible for the requirements  
1.12 of this section. Measurable goals may include:

1.13 (1) providing outreach or programing in different languages;

1.14 (2) improving access for individuals with disabilities and improving compliance with  
1.15 the Americans with Disabilities Act;

1.16 (3) improve access to programs in different regions of the state or assisting community  
1.17 members in regions of the state that are traditionally underserved in accessing programs;

1.18 (4) increasing access to individuals of different ages, or from different races or cultures  
1.19 than have traditionally accessed the programs provided by the entity receiving funds; and

1.20 (5) improving access to low-income individuals and families, including providing free  
1.21 and reduced cost programming to those individuals and families and to schools with a high  
1.22 percentage of students who receive free or reduced-price lunch.

- 2.1 (b) The funding must be used to create measurable goals and outcomes, to measure those  
2.2 goals, and to provide a written report to the house of representatives and senate committees  
2.3 with jurisdiction over the arts and cultural heritage fund by December 15, 2018."
