1.12 primary jurisdiction over the location where the offender resides.

1.13 (c) "Motor vehicle" means a self-propelled vehicle designed and originally manufactured  
1.14 to operate primarily on highways. Motor vehicle does not include a motorboat in operation  
1.15 or an off-road recreational vehicle.

1.17 244.052.

1.18 (e) "Peace officer" means any member of a local law enforcement agency who has, by

1.20 Subd. 2. **Plate impoundment order.** (a) No later than five days from the date of receipt  
1.21 of the information under section 243.166, subdivision 4a, the local law enforcement agency  
1.22 shall provide to the commissioner the information the offender provided under section  
1.23 243.166, subdivision 4a, paragraph (a), clauses (1) and (6). If the offender is the registered

2.1 owner of a motor vehicle that does not have special plates under subdivision 11, the  
2.2 commissioner when notified by the local law enforcement agency must issue a registration  
2.3 plate impoundment order.

2.4 (b) The order must require the impoundment of the registration plates for the motor  
2.5 vehicle and all motor vehicles owned by, registered to, or leased in the name of the offender,  
2.6 and any motor vehicle registered jointly or leased in the name of the offender and another  
2.7 person.

2.8 Subd. 3. **Notice of impoundment.** An impoundment order is effective on the date the  
2.9 commissioner or a peace officer acting on behalf of the commissioner notifies the offender  
2.10 who is the registered owner of the motor vehicle of the intent to impound the registration  
2.11 plates and provide an order of impoundment. The notice must advise the offender of the  
2.12 duties and obligations under subdivision 6 and of the right to obtain administrative and  
2.13 judicial review. If mailed, the notice and order of impoundment is deemed received three  
2.14 days after the notice is mailed to the last known address of the offender.

2.15 Subd. 4. **Peace officer as agent for notice of impoundment.** A peace officer on behalf  
2.16 of the commissioner may serve a notice of intent to impound and an order of impoundment.  
2.17 If the vehicle involved in the plate impoundment is accessible to the peace officer at the  
2.18 time the impoundment order is issued, the peace officer must seize the registration plates

2.23 destroyed.

2.24 Subd. 5. **Temporary permit.** The peace officer must issue a temporary vehicle permit  
2.25 that is valid for seven days at the time the peace officer issues the notice under subdivision  
2.26 3. The permit must be in a form determined by the registrar and must be posted on the left  
2.27 side of the inside rear window of the vehicle whenever practicable. A permit is valid only  
2.28 for the vehicle for which the permit is issued.

2.29 Subd. 6. **Surrender of plates.** No later than seven days after the date of receipt of the  
2.30 notice of impoundment and impoundment order, an offender who received the notice and  
2.31 order must surrender all registration plates subject to the impoundment order that were not  
2.32 seized by a peace officer under subdivision 4. Registration plates required to be surrendered  
2.33 under this subdivision must be surrendered to the local law enforcement agency with a copy

3.2 been destroyed. The notification to the commissioner must also include a copy of the  
3.3 impoundment order.

3.4 Subd. 7. **Vehicle not owned by offender.** An offender may file a sworn statement with  
3.5 the commissioner no later than seven days after the date of receipt of an impoundment order  
3.6 containing any material information relating to the impoundment order, including whether  
3.7 the vehicle has been sold or destroyed, and the date, name, location, and address of the  
3.8 person or entity that purchased or destroyed the vehicle. The commissioner must rescind  
3.9 the impoundment order if the offender shows that the impoundment order was not properly  
3.10 issued.

3.11 Subd. 8. **Commissioner review.** At any time during the plate impoundment, a person  
3.12 may request in writing a review of the impoundment order by the commissioner. On receiving  
3.13 a request, the commissioner must review the order, the evidence upon which the order was  
3.14 based, and any other material information brought to the attention of the commissioner, and  
3.15 determine whether sufficient cause exists to sustain the order. The commissioner must report  
3.16 in writing the results of the review no later than 15 days after the date of receipt of the  
3.17 request. As a result of the review, the commissioner may authorize the issuance of new  
3.18 registration plates at no cost to the registered owner of the vehicle if the registered owner  
3.19 is not the offender. The review provided under this subdivision is not subject to the contested  
3.20 case provisions of chapter 14. The person may appeal the decision of the commissioner to  
3.21 the district court in Ramsey County no later than ten days after the date of receipt of the  
3.22 commissioner's decision under this subdivision.

3.23 Subd. 9. **Petition for judicial review.** (a) A person may petition the district court in  
3.24 Ramsey County for review no later than 30 days after the date of receipt of a notice and  
3.25 order of impoundment under this section. The petition must include proof of service of a  
3.26 copy of the petition on the commissioner; the petitioner's date of birth, driver's license  
3.27 number, and date of the plate impoundment violation; and the names of the offender and  
3.28 the local law enforcement agency that issued the plate impoundment order or the  
3.29 commissioner as applicable. The petition must state with specificity the grounds upon which  
3.30 the petitioner seeks rescission of the order for impoundment.

3.31 (b) The filing of the petition does not stay the impoundment order. The reviewing court  
3.32 may order a stay of the balance of the impoundment period if the hearing has not been  
3.33 conducted no later than 60 days after the filing date of the petition, upon terms the court  
3.34 deems proper. The court must order that the impoundment be rescinded or sustained, and

4.1 forward the order to the commissioner. The court must file its order no later than 14 days  
4.2 following the hearing.

4.3 Subd. 10. **Charge for reinstatement of plates.** When the registrar of motor vehicles  
4.4 reinstates a person's registration plates after impoundment for reasons other than those  
4.5 described in subdivision 11, the registrar must charge the person \$50 per vehicle for which  
4.6 the registration plates are being reinstated.

4.7 Subd. 11. **Special registration plates.** (a) At any time during the effective period of an  
4.8 impoundment order, an offender may apply to the commissioner for new registration plates.

4.9 (b) Special registration plates issued under this subdivision must have a special series  
4.10 of numbers or letters that are readily identified by law enforcement officers.

4.11 (c) The commissioner may issue the special plates upon payment of a \$50 fee for each  
4.12 vehicle for which special plates are requested.

4.13 (d) Notwithstanding paragraphs (a) to (c), the commissioner must issue upon request  
4.14 new registration plates for a vehicle with impounded registration plates if:

4.15 (1) the impoundment order is rescinded;

4.16 (2) the vehicle is transferred in compliance with subdivision 12; or

4.17 (3) the vehicle is transferred to a Minnesota automobile dealer licensed under section  
4.18 168.27, a financial institution that has submitted a repossession affidavit, or a government  
4.19 agency.

4.20 Subd. 12. **Sale of vehicle subject to impoundment order.** (a) An offender is prohibited  
4.21 from selling or transferring a motor vehicle during the time its registration plates have been  
4.22 ordered impounded or during the time its registration plates bear a special series number,  
4.23 except when:

4.24 (1) the sale is for a valid consideration;

4.25 (2) the transferee and the offender are not family or household members;

4.26 (3) the transferee signs an acceptable sworn statement with the commissioner attesting:

4.27 (i) the transferee and offender are not family or household members; and

4.28 (ii) the transferee understands the vehicle is subject to an impoundment order; and

4.29 (4) all elements of section 168A.10 are satisfied.

4.30 (b) If the conditions of paragraph (a) are satisfied, the registrar may transfer the title to  
4.31 the new owner upon proper application and issue new registration plates for the vehicle.

5.1 Subd. 13. **Acquiring another vehicle.** If the offender applies to the commissioner for  
5.2 registration plates for any vehicle, the commissioner is prohibited from issuing registration  
5.3 plates unless the plates issued are special plates described under subdivision 11.

5.4 Subd. 14. **Fees credited.** Fees collected from the sale or reinstatement of license plates  
5.5 under this section must be paid into the state treasury and credited as follows:

5.6 (1) one-half to the vehicle services operating account in the special revenue fund under  
5.7 section 299A.705; and
