Minnesota Statutes 2014, section 363A.36, subdivision 1, is amended to read: Subdivision 1. **Scope of application.** (a) For all contracts for goods and services in excess of \$100,000, no department or agency of the state shall accept any bid or proposal for a contract or agreement from any business having more than 40 full-time employees within this state on a single working day during the previous 12 months, unless the commissioner is in receipt of the business' affirmative action plan for the employment of minority persons, women, and qualified disabled individuals. No department or agency of the state shall execute any such contract or agreement until the affirmative action plan has been approved by the commissioner. Receipt of a certificate of compliance issued by the commissioner shall signify that a firm or business has an affirmative action plan that has been approved by the commissioner. A certificate shall be valid for a period of four years. A municipality as defined in section 466.01, subdivision 1, that receives state money for any reason is encouraged to prepare and implement an affirmative action plan for the employment of minority persons, women, and the qualified disabled and submit the plan to the commissioner.

(b) This paragraph applies to a contract for goods or services in excess of \$100,000 to be entered into between a department or agency of the state and a business that is not subject to paragraph (a), but that has more than 40 full-time employees on a single working day during the previous 12 months in the state where the business has its primary place of business. A department or agency of the state may not execute a contract or agreement with a business covered by this paragraph unless the business has a certificate of compliance issued by the commissioner under paragraph (a) or the business certifies that it is in compliance with federal affirmative action requirements.
