Section

Article 1: Community Supports

Overview

This article modifies the disability waiver rate system (DWRS), modifies home health services to conform to federal requirements, modifies MnCHOICES assessments for long-term care services and supports, modernizes deaf and hard-of-hearing services, and expands an exception to the consumer-directed community-supports (CDCS) budget methodology.

- 1 Report requirements. Amends § 144A.351, subd. 1. Clarifies that appropriations for the gaps analysis report are available in either year of the biennium.
- Applicability. Amends § 245D.03, subd. 1. Modifies the list of services that are governed by the home and community-based services standards chapter of statutes by adding individual community living support, individualized home supports, and three new employment services. Makes the addition of individual community living support and individualized home supports effective the day following final enactment. Makes the addition of the new employment services effective upon federal approval. Requires the commissioner of human services to notify the revisor of statutes when federal approval is obtained.
- Day training and habilitation (DT&H) services for adults with developmental disabilities. Amends § 252.41, subd. 3. Modifies the list of DT&H services by removing supported employment and clarifying work-related activities are center-based. Specifies that DT&H services do not include three new employment services that are proposed to be provided under the HCBS disability waivers. Makes this section effective upon federal approval. Requires the commissioner of human services to notify the revisor of statutes when federal approval is obtained.
- Self-advocacy grants. Creates § 256.477. Requires the commissioner to make available a grant for the purposes of establishing and maintaining a statewide self-advocacy network for persons with intellectual and developmental disabilities. Lists duties of the self-advocacy network. Specifies that an organization receiving this grant must be governed by people with intellectual and developmental disabilities that administers a statewide network of disability groups in order to maintain and promote self-advocacy services and supports for persons with intellectual and developmental disabilities throughout the state. (This language codifies language in Laws 2009).
- 5 Home health services. Amends § 256B.0625, subd. 6a. Allows medical assistance (MA) to cover home health services provided in the community where normal life activities take the recipient.
- **Medical supplies and equipment.** Amends § 256B.0625, subd. 31. Adds paragraph (g), which requires an order or prescription for medical supplies, equipment, or appliances to meet certain federal requirements.
- **Definitions.** Amends § 256B.0653, subd. 2. Modifies the definition of "home health agency services."

Section

8 Home health aide visits. Amends § 256B.0653, subd. 3. Allows home health aide visits to be provided in the community where normal life activities take the recipient.

- **9 Skilled nurse visit services.** Amends § 256B.0653, subd. 4, as amended by Laws 2017, ch. 59, § 10. Allows skilled nurse visits to be provided in the community where normal life activities take the recipient.
- Home care therapies. Amends § 256B.0653, subd. 5. Allows home care therapies to be provided in the community where normal life activities take the recipient. Home care therapies include physical therapy, occupational therapy, respiratory therapy, and speech and language pathology therapy services.
- Noncovered home health agency services. Amends § 256B.0653, subd. 6. Modifies the list of noncovered home health agency services by removing from the list home care therapies provided at a day program and adding to the list home health agency services without documentation of a face-to-face encounter.
- Face-to-face encounter. Amends § 256B.0653, subd. 7. Requires a face-to-face encounter to be completed for all home health services, except when providing a one-time perinatal visit by skilled nursing. Allows the face-to-face encounter to occur through telemedicine. Specifies when the encounter must occur and who may conduct the encounter. Lists duties of the physician responsible for ordering the services. For home health services requiring authorization, specifies that home health agencies must retain documentation of the face-to-face encounter and submit the qualifying documentation to the commissioner upon request.
- **Definitions.** Amends § 256B.0911, subd. 1a. Defines "person-centered planning" in the section of statutes governing long-term care consultation services.
- MnCHOICES certified assessors. Amends § 256B.0911, subd. 2b. Makes a grammatical correction. Requires certified assessors to use person-centered planning principles to conduct an interview that identifies what is important to the person, the person's needs for supports, health and safety concerns, and the person's abilities, interests, and goals. Lists certified assessor responsibilities.
- Long-term care reassessments and community support plan updates. Amends § 256B.0911, by adding subd. 3f. Requires face-to-face reassessments to be conducted annually or as required by federal and state laws and rules. Describes the purpose of reassessments.
- Preadmission screening of individuals under 65 years of age. Amends § 256B.0911, subd. 4d, as amended by Laws 2017, ch. 40, art. 1, § 69. Modifies language governing the timing of face-to-face assessments of individuals under age 65 who are admitted to a nursing facility under certain circumstances.
- Administrative activity. Amends § 256B.0911, subd. 5. Adds paragraph (b), which requires the commissioner of human services to work with lead agencies responsible for conducting long-term care consultation services to modify the MnCHOICES application and assessment policies to create efficiencies while ensuring federal compliance with MA and long-term services and supports eligibility criteria.

Section

Payment for long-term care consultation services. Amends § 256B.0911, subd. 6, as amended by Laws 2017, ch. 40, art. 1, § 70. Specifies the state share of the cost for long-term care consultation services.

- 19 Home and community-based services incentive pool. Amends § 256B.0921. Expands the list of activities for which an entity may receive an incentive for innovation. Removes obsolete language.
- Rate stabilization adjustment. Amends § 256B.4913, subd. 4a. Modifies the historical rate for certain day service recipients and adds a seventh year of banding. Makes the changes to the historical rate effective the day following final enactment. Makes the additional year of banding effective upon federal approval. Requires the commissioner of human services to notify the revisor of statutes when federal approval is obtained.
- New services. Amends § 256B.4913, by adding subd. 7. Specifies that a service added after January 1, 2014, is not subject to the rate stabilization adjustment. Makes this section effective the day following final enactment.
- **Definitions.** Amends § 256B.4914, subd. 2. Modifies the definition of "unit of service" for certain unit-based services without programming. Makes this section effective upon federal approval. Requires the commissioner of human services to notify the revisor of statutes when federal approval is obtained.
- Applicable services. Amends § 256B.4914, subd. 3. Adds individualized home supports, independent living skills specialist services, and three employment services to the list of services that are governed by the Disability Waiver Rate System (DWRS). Makes this section effective upon federal approval, except individualized home supports are effective the day following final enactment. Requires the commissioner of human services to notify the revisor of statutes when federal approval is obtained. Makes supported employment services expire upon federal approval and requires the commissioner of human services to notify the revisor of statures when federal approval is obtained.
- Base wage index and standard component values. Amends § 256B.4914, subd. 5. Paragraph (a) modifies various base wage calculations and adds calculations for individualized home supports services staff, independent living skills specialist staff, employment support services staff, employment exploration services staff, and employment development services staff.

Paragraph (d) modifies certain component values for day services.

Paragraphs (e) to (g) modify certain component values for unit-based services with programming and unit-based services without programming.

Paragraphs (h) and (i) remove language requiring the commissioner to make certain inflationary adjustments every five years. Beginning on July 1, 2022, requires the commissioner to provide inflationary adjustments based on specified data and publish updated values and load them into the rate management system.

Paragraph (j) requires the commissioner to recommend to the legislature codes or items to update and replace missing component values if Bureau of Labor Statistics occupational codes or Consumer Price Index items are unavailable in the future.

Section

Makes the amendments to paragraphs (a) to (g) effective January 1, 2018, except the change in the base wage calculation for residential asleep-overnight staff, supervisory staff, and registered nurse staff, and the absence and utilization factor for day services is effective January 1, 2019, and the addition of individualized home supports is effective the day following final enactment. Makes the amendments to paragraphs (h) to (j) effective the day following final enactment.

Makes the base wage calculation for supported employment staff expire upon federal approval and requires the commissioner of human services to notify the revisor of statutes when federal approval is obtained.

- **Payments for residential support services.** Amends § 256B.4914, subd. 6. Makes a conforming change to a cross-reference.
- **Payments for day programs.** Amends § 256B.4914, subd. 7. Makes a conforming change to a cross-reference.
- Payments for unit-based services with programming. Amends § 256B.4914, subd. 8. Makes conforming changes to add new services and makes a conforming change to a cross-reference. Specifies the payment calculation for employment support services provided in a shared manner. Makes this section effective the day following final enactment. Makes supported employment services expire upon federal approval and requires the commissioner of human services to notify the revisor of statutes when federal approval is obtained.
- **Payments for unit-based services without programming.** Amends § 256B.4914, subd. 9. Makes a conforming change to a cross-reference.
- Updating payment values and additional information. Amends § 256B.4914, subd. 10. Modifies certain analyses and evaluations the commissioner must conduct. Modifies the date of the next report to the legislature regarding the DWRS. Removes obsolete language. Beginning July 1, 2017, requires the commissioner to renew analysis and implement changes to the regional adjustment factors when certain adjustments occur. Requires the commissioner to study the underlying cost of absence and utilization for day services. Requires the commissioner to make recommendations to the legislature by January 15, 2018, for changes, if any, to the absence and utilization factor ratio component values for day services. Beginning July 1, 2017, requires the commissioner to collect transportation and trip information for all day services through the DWRS. Makes this section effective the day following final enactment.
- Reporting and analysis of cost data. Amends § 256B.4914, by adding subd. 10a. Paragraph (a) requires the commissioner to ensure that wage values and component values reflect the cost to provide the service. Requires providers enrolled to provide services with rates determined under the DWRS to submit requested cost data to the commissioner to support research on the cost of providing services that have rates determined by the DWRS. Lists the cost data that must be submitted.

Paragraph (b) requires providers to submit the cost data at least once in any five-year period. Requires the commissioner to temporarily suspend payments to a provider if cost data is not received 90 days after the required submission date. Requires withheld payments to be made once data is received by the commissioner.

Section

Paragraph (c) requires the commissioner to conduct a random validation of data submitted by providers to ensure accuracy and to analyze cost documentation and provide recommendations for adjustments to cost components.

Paragraph (d) requires the commissioner to analyze cost documentation and to submit recommendations on component values and inflationary factor adjustments to the legislative committees with jurisdiction over human services every four years beginning January 1, 2020. Requires the commissioner to release cost data in an aggregate form.

Paragraph (e) requires the commissioner to develop and implement a process for providing training and technical assistance necessary to support provider submission of cost documentation.

Makes this section effective the day following final enactment.

- **Budget neutrality adjustments.** Amends § 256B.4914, subd. 16. Exempts individualized home support services from the budget neutrality factor effective the day following enactment.
- Culturally affirmative. Amends § 256C.23, by adding subd. 1a. Defines "culturally affirmative" in the chapter of statute governing deaf and hard-of-hearing services.
- **Deaf.** Amends § 256C.23, subd. 2. Updates the definition of "deaf."
- **Interpreting services.** Amends § 256C.23, by adding subd. 2c. Defines "interpreting services."
- **Real-time captioning.** Amends § 256C.23, by adding subd. 6. Defines "real-time captioning."
- **Deaf and Hard-of-Hearing Services Division.** Amends § 256C.233, subd. 1. Updates the list of activities the division must address. Removes language referring to an "interagency management team" and replaces it with "interagency advisors." Updates language to be person-centered.
- **Responsibilities.** Amends § 256C.233, subd. 2. Updates the list of duties the division must perform. Updates language to be person-centered.
- **Location.** Amends § 256C.24, subd. 1. Sets a minimum number of regional service centers the division must establish. Updates language to be person-centered.
- **Responsibilities.** Amends § 256C.24, subd. 2. Updates the list of duties the regional service centers must perform. Updates language to be person-centered.
- Advisory committee. Amends § 256C.24, subd. 3. Clarifies language creating advisory committees for each region of the state. Requires the director of the Deaf and Hard-of-Hearing Services Division to determine the boundaries of each advisory committee region. Specifies the duties of the advisory committees. Allows advisory committee members to be appointed to consecutive terms. Updates language to be person-centered.

Section

Services for persons who are deafblind. Amends § 256C.261. Clarifies language related to the use of deafblind services grant funding and updates language to be person-centered. Requires consumer-directed services to be provided in whole by grant-funded providers. Prohibits the regional services centers from providing grant-funded consumer-directed services.

- **Duties of human services commissioner.** Amends § 256C.30. Updates language to be person-centered. Makes this section effective the day following final enactment.
- Effective date. Amends Laws 2012, ch. 247, art. 4, § 47, as amended by Laws 2014, ch. 312, art. 27, § 72, and Laws 2016, ch. 144, § 1. Modifies the effective date of a CDCS budget methodology exception to make the exception expire when a new exception becomes effective.
- Expansion of CDCS budget methodology exception. Expands the 2015 CDCS budget methodology exception. Limits the exception for persons who are currently using licensed providers for employment supports or services during the day or residential services to persons who can demonstrate that the total cost of CDCS services, including the exception, will be less than the cost of current waiver services. Makes the exception effective October 1, 2017, or upon federal approval, whichever is later. Specifies the exception to the CDCS budget methodology in Laws 2016, ch. 144, § 1, remains in effect until the exception under Laws 2015, ch. 71, art. 7, § 54, or under this section becomes effective, whichever occurs first. Requires the commissioner of human services to notify the revisor of statutes when federal approval is obtained.
- Consumer-directed community supports budget methodology exception for persons leaving institutions and crisis residential settings. By September 30, 2017, requires the commissioner to establish an institutional and crisis bed CDCS budget exception process. Lists to whom the exception process will apply. For purposes of this exception, lists the settings that are considered to be institutional. Limits the budget exception to no more than the amount of appropriate services provided in a non-institutional setting as determined by the lead agency managing the individual's HCBS waiver. Requires lead agencies to notify DHS of the budget exception. Makes this section effective the day following final enactment.
- CDCS revised budget methodology report. Requires the commissioner of human services, in consultation with others, to develop a revised CDCS budget methodology. Specifies criteria upon which the new methodology must be based. By December 15, 2018, requires the commissioner to report a revised CDCS budget methodology, including proposed legislation and funding necessary to implement the new methodology, to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services. Makes this section effective the day following final enactment.
- 47 Federal waiver amendments. Requires the commissioner of human services to submit necessary waiver amendments to CMS to add employment exploration services, employment development services, and employment support services to the HCBS disability waivers. Also requires the commissioner to submit necessary waiver amendments to remove community-based employment services from DT&H and prevocational services. Requires the commissioner to submit all necessary waiver amendments by October 1, 2017. Makes this section effective the day following final enactment.

Section

Transportation study. Requires the commissioner of human services to conduct a study to increase access to transportation services for an individual who receives HCBS. Requires the commissioner to submit a report to the legislative committees with jurisdiction over human services by January 15, 2019. Lists the information that must be included in the report. Makes this section effective the day following final enactment.

- Direction to commissioner; telecommunication equipment program. Requires the commissioner of human services to work in consultation with the Commission of Deaf, Deafblind, and Hard-of-Hearing Minnesotans to provide recommendations by January 15, 2018, to the legislative committees with jurisdiction over human services to modernize the telecommunications equipment program. Lists the items the recommendations must address.
- Direction to commissioner; billing for mental health services. By January 1, 2018, requires the commissioner of human services to report to the legislative committees with jurisdiction over deaf and hard-of-hearing services on the potential costs and benefits of the Deaf and Hard-of-Hearing Services Division billing for the cost of providing mental health services.
- Direction to commissioner; MnCHOICES assessment tool. Requires the commissioner of human services to work with lead agencies responsible for conducting long-term consultation services to modify the MnCHOICES assessment tool and related policies to: (1) reduce assessment times; (2) create efficiencies within the tool; (3) implement policy changes reducing the frequency and depth of assessment and reassessment; and (4) evaluate alternative payment methods.
- Random moment time study evaluation required. Requires the commissioner of human services to evaluate the random moment time study methodology for reimbursement of costs associated with county duties required under the long-term care consultation services. Specifies the purpose of the evaluation. Requires the commissioner to submit a report to the legislature by January 15, 2019.
- Rate increase for self-directed workforce negotiations. Effective July 1, 2017, and within available appropriations, requires the commissioner of human services to implement rate adjustments to comply with wages and benefits negotiated in the labor agreement between the State of Minnesota and SEIU Healthcare Minnesota for the period between July 1, 2017, and June 30, 2019. Applies rate increases to direct support services provided through a covered program.
- **Repealer.** Paragraph (a) repeals Minnesota Statutes, section 144A.351, subd. 2 (critical access study).
 - Paragraph (b) repeals Minnesota Statutes, section 256B.4914, subd. 16 (budget neutrality adjustments), effective January 1, 2018.
 - Paragraph (c) repeals Laws 2012, ch. 247, art. 4, § 47, as amended by Laws 2014, ch. 312, art. 27, § 72, Laws 2015, ch. 71, art. 7, § 58, and Laws 2016, ch. 144, § 1 (exception to CDCS budget methodology); and Laws 2015, ch. 71, art. 7, § 54 (CDCS budget methodology exception), upon the effective date of section 44.

Section

Paragraph (d) repeals Minnesota Statutes, sections 256C.23, subd. 3 (definitions; regional service center); 256C.233, subd. 4 (duties of state agencies; state commissioners); and 256C.25, subds. 1 (interpreter services; establishment) and 2 (interpreter services; duties).

Article 2: Housing

Overview

This article modifies provisions related to home and community-based (HCBS) settings to comply with the federal HCBS setting rule, reforms corporate foster care services, creates a new housing benefit under MA, changes terminology from "group residential housing" to "housing support services," and provides for housing support supplementary rates for certain facilities.

- 1 Contents of contract. Amends § 144D.04, subd. 2. Makes a grammatical correction. Makes this section effective the day following final enactment.
- Additional contract requirements. Amends § 144D.04, by adding subd. 2a. Adds additional housing with services contract requirements for residents receiving one or more health-related services. Allows a restriction of EW, CAC, CADI, and BI waiver recipients' rights only if determined necessary for the residents' health, safety, and well-being and requires restrictions to be documented. Lists information the contract must include. Makes this section effective the day following final enactment.
- 3 Licensing moratorium. Amends § 245A.03, subd. 7. Paragraph (a) modifies the commissioner's authority to manage corporate foster care and adds new exceptions to the moratorium.
 - Paragraph (c) removes obsolete language.
 - Paragraph (e) makes conforming changes and updates terminology. Removes language requiring the commissioner to annually provide information on the capacity of long-term services and supports, actions taken to manage statewide long-term services and supports resources, and any recommendations for change and moved this language to paragraph (h).

Paragraph (h) allows the commissioner to adjust capacity to address needs identified in the gaps analysis report and specifies the manner in which delicensing of settings is accomplished.

Paragraph (i) requires the commissioner to notify a license holder when its corporate foster care or community residential setting licensed beds are reduced, state the reason for the reduction, and inform the license holder of the right to request reconsideration by the commissioner. Specifies requirements related to requesting a reconsideration.

Paragraph (j) prohibits the commissioner from issuing an initial license for children's residential treatment services for a program CMS would consider an institution for mental diseases. Exempts facilities that serve only private pay clients from the moratorium.

Section

Policies and procedures for program administration required and enforceable. Amends § 245A.04, subd. 14. Requires adult foster care providers that provide foster care services to EW residents to annually provide a copy of the resident termination policy to a resident covered by the policy.

- Adult foster care bedrooms. Amends § 245A.11, by adding subd. 9. Requires foster care residents to have a choice of roommates. Makes the license holder responsible for notifying residents of the right to request a change of roommate. Requires license holders to provide a lock for each resident's bedroom door, unless otherwise indicated for the resident's health, safety, or well-being. Requires documentation of restrictions on the use of the lock in the resident's individual abuse prevention plan. Requires the case manager to be part of an EW resident's interdisciplinary team. Makes this section effective the day following final enactment.
- Adult foster care resident rights. Amends § 245A.11, by adding subd. 10. Lists the information license holders must provide to a resident and a resident's legal representative at admission. Lists adult foster care resident rights. Allows restrictions on resident rights only if determined necessary to ensure the health, safety, and well-being of the resident. Requires any restriction of a resident's right to be documented in the resident's individual abuse prevention plan. Requires the case manager to be part of an EW resident's interdisciplinary team. Requires restrictions to be implemented in the least restrictive manner necessary to protect the resident. Makes this section effective the day following final enactment.
- Adult foster care service termination for elderly waiver participants. Amends § 245A.11, by adding subd. 11. Specifies adult foster care license requirements for EW residents. Requires the license holder to establish policies and procedures for service termination that promote continuity of care and service coordination. Lists requirements that the license holder must meet. Makes this section effective the day following final enactment.
- **8 Protection-related rights.** Amends § 245D.04, subd. 3. Modifies the list of protection-related rights under the home and community-based standards. Makes this section effective the day following final enactment.
- **State agency hearings.** Amends § 256.045, subd. 3. Updates the appeal statute to allow for a state agency hearing on the termination of service for corporate foster care. Makes conforming changes to cross-references. Makes this section effective the day following final enactment.
- 10 Housing support services. Creates § 256B.051.
 - **Subd. 1. Purpose.** Establishes housing support services to provide housing support services to an individual with a disability that limits the individual's ability to obtain or maintain stable housing. Specifies that services support an individual's transition to housing in the community and increase long-term stability in housing, to avoid future periods of being at risk of homelessness or institutionalization.
 - **Subd. 2. Definitions.** Defines the terms "at-risk of homelessness," "commissioner," "homeless," "individual with a disability," and "institution."
 - **Subd. 3. Eligibility.** Lists eligibility requirements an individual must meet in order to be eligible for housing support services.

Section

Subd. 4. Assessment requirements. Lists the methods by which an individual's assessment of functional need must be conducted. Requires an individual to be reassessed within one year of initial assessment, and annually thereafter.

- **Subd. 5. Housing support services.** Paragraph (a) specifies that housing support services include housing transition services and housing and tenancy sustaining services.
- Paragraph (b) lists housing transition services.
- Paragraph (c) lists housing and tenancy sustaining services.
- Paragraph (d) allows a housing support to include person-centered planning for people who are not eligible to receive person-centered planning through any other service, if the person-centered planning is provided by a provider who meets certain requirements.
- **Subd. 6. Provider qualifications and duties.** Lists requirements providers must meet in order to be eligible for reimbursement under this section.
- **Subd. 7. Housing support supplemental service rates.** Requires supplemental service rates for individuals in specified settings to be reduced by one-half over a two-year period. Only applies the reduction to supplemental service rates for individuals eligible for housing support services under this section.

Makes subdivisions 1 to 6 effective contingent upon federal approval. Requires the commissioner of human services to notify the revisor of statutes when federal approval is obtained. Makes subdivision 7 effective contingent upon federal approval of subdivisions 1 to 6.

- Assessment and support planning. Amends § 256B.0911, subd. 3a. Adds a new paragraph (k), which requires the certified assessor, at the time of reassessment, to: (1) assess each person receiving waiver services currently residing in a community residential setting or corporate foster care home to determine if that person would prefer to be served in a community-living setting; and (2) offer the person the option to receive alternative housing and service options.
- **Authority.** Amends § 256B.0915, subd. 1. Adds paragraph (b), which requires the commissioner to comply with the requirements in the federally approved transition plan for the EW waiver. Makes this section effective the day following final enactment.
- Home and community-based services for developmental disabilities. Amends § 256B.092, subd. 4. Adds paragraph (d), which requires the commissioner to comply with the requirements in the federally approved transition plan for the DD waiver. Makes this section effective the day following final enactment.
- **Authority.** Amends § 256B.49, subd. 11. Adds paragraph (f), which requires the commissioner to comply with the requirements in the federally approved transition plan for the CADI, CAC, and BI waivers. Makes this section effective the day following final enactment.
- Coordinated service and support plan; comprehensive transitional service plan; maintenance service plan. Amends § 256B.49, subd. 15. Removes obsolete language.

Section

Commissioner's duties; report. Amends § 256B.493, subd. 1. Removes language requiring the commissioner to solicit proposals to convert services for individuals residing in certain residential settings to other services in community settings. Gives the commissioner the authority to manage statewide licensed corporate foster care or community residential setting capacity. Requires the commissioner to implement a program for planned closure of licensed corporate adult foster care or community residential settings in order to: (1) respond to those individuals who want to move out of these settings; and (2) achieve budgetary savings.

- Planned closure process needs determination. Amends § 256B.493, subd. 2. Removes language requiring the commissioner to implement a program for planned closure of adult foster care homes. Requires a need determination process, managed at the state level, to be used by the commissioner to align capacity where needed.
- Closure process. Amends § 256B.493, by adding subd. 2a. Paragraph (a) requires the commissioner to work with stakeholders to establish a process for the application, review, approval, and implementation of setting closures. Specifies the information that must be included in a planned closure.

Paragraph (b) requires the commissioner to give first priority to closure plans that meet specified requirements.

Paragraph (c) requires, for each planned closure approved by the commissioner, a contract to be established between the commissioner, the counties of financial responsibility, and the participating license holder.

- **Temporary absence due to illness.** Amends § 256D.44, subd. 4, as amended by Laws 2017, ch. 59, § 12. Makes a conforming change related to housing support services.
- Special needs. Amends § 256D.44, subd. 5, as amended by Laws 2017, ch. 40, art. 1, § 84, and Laws 2017, ch. 59, § 13. Makes conforming changes related to housing support services. Paragraph (g) modifies the benefit amount and eligibility for housing services under MSA. Makes paragraphs (a) to (f) effective July 1, 2017. Makes the change to the benefit amount effective July 1, 2020, and the changes in eligibility are effective July 1, 2017.
- **Supplementary services.** Amends § 256I.03, subd. 8. Makes conforming changes related to housing support services.
- Individual eligibility requirements. Amends § 256I.04, subd. 1. Makes conforming changes related to housing support services. Adds paragraph (c), which modifies eligibility requirements for housing support payments by including individuals receiving licensed residential crisis stabilization services and MA. Allows the individual to receive concurrent housing support payments if receiving licensed residential crisis stabilization services. Makes paragraph (c) effective October 1, 2017.
- Conditions of payment; commissioner's right to suspend or terminate agreement.

 Amends §256I.04, subd. 2d. Makes conforming changes related to housing support services.
- **24 Crisis shelters.** Amends § 256I.04, subd. 2g. Makes conforming changes related to housing support services.

Section

Moratorium on development of housing support beds. Amends § 256I.04, subd. 3. Makes conforming terminology changes. Modifies an exception to the moratorium on the development of housing support beds by increasing the number of supportive housing units that are allowed in Anoka, Dakota, Hennepin, or Ramsey County for homeless adults with a mental illness, a history of substance abuse, or HIV/AIDS.

- **Supplementary service rates.** Amends § 256I.05, subd. 1a. Makes conforming changes related to housing support services.
- **Rate increases.** Amends § 256I.05, subd. 1c. Makes conforming changes related to housing support services.
- **Supplementary rate for certain facilities.** Amends § 256I.05, subd. 1e. Makes conforming changes related to housing support services.
- Supplementary rate for certain facilities; Crow Wing County. Amends § 256I.05, subd. 1j. Makes a conforming terminology change.
- **Supplemental rate for certain facilities; Hennepin and Ramsey Counties.** Amends § 256I.05, subd. 1m. Makes conforming changes related to housing support services.
- Supplementary rate; St. Louis County. Amends § 256I.05, by adding subd. 1p. Requires a county agency to negotiate a supplemental rate, not to exceed \$700 per month, including any legislatively authorized inflationary adjustments, for a housing support provider located in St. Louis County that operates a 35-bed facility that serves women who are chemically dependent, mentally ill, or both, and provides certain support services.
- Supplemental rate; Olmsted County. Amends § 256I.05, by adding subd. 1q. Requires a county agency to negotiate a supplemental rate, not to exceed \$750 per month, including any legislatively authorized inflationary adjustments, for a housing support provider located in Olmsted County that operates long-term residential facilities with a total of 104 beds that serve chemically dependent men and women and provide 24-hour-a-day supervision and other support services.
- Supplemental rate; Anoka County. Amends § 256I.05, by adding subd. 1r. Requires a county agency to negotiate a supplemental rate for 42 beds, not to exceed the standard housing support supplemental rate, including any legislatively authorized inflationary adjustments, for a housing support provider located in Anoka County that provides emergency housing on the former Anoka Regional Treatment Center campus.
- Transfer of emergency shelter funds. Amends § 256I.05, by adding subd. 11. Requires the commissioner to make a cost-neutral transfer of funding from the housing support fund to county human service agencies for emergency shelter beds removed from the housing support census under a biennial plan submitted by the county and approved by the commissioner. Lists the information that must be described in the plan, including: (1) anticipated and actual outcomes for persons experiencing homelessness; (2) improved efficiencies in administration; (3) requirements for individual eligibility; and (4) plans for quality assurance monitoring and outcomes. Requires the commissioner to review the county plan to monitor implementation and outcomes. Allows the funding to be used for room and board or supplemental services. Requires funding to be allocated annually. Requires the room and board portion of the allocation to be determined at the time of transfer. Allows the

Section

commissioner or county to return beds to the housing support fund with 180 days' notice. Makes this section effective July 1, 2017.

- **Time of payment.** Amends § 256I.06, subd. 2. Makes conforming terminology changes related to housing support services. Makes this section effective July 1, 2017.
- Amount of housing support payment. Amends § 256I.06, subd. 8. Establishes the housing support payment calculation for individuals who receive licensed residential crisis stabilization services and makes conforming terminology changes. Makes the new payment calculation effective October 1, 2017.
- Community living infrastructure. Creates § 256I.09. Requires the commissioner to award grants to agencies through an annual competitive process for: (1) outreach to locate and engage people who are homeless or residing in segregated settings to screen for basic needs and assist with referral to community living resources; (2) building capacity to provide technical assistance and consultation on housing and related support service resources for persons with both disabilities and low income; and (3) streamlining the administration and monitoring activities related to housing support funds. Allows agencies to collaborate and submit joint applications for funding.
- Group residential housing; housing support services plan to review supplemental service rates. Requires the commissioner to develop a plan to review the housing support supplementary service rates, a process to modify rates, and a process to review supplemental rates prospectively. Requires the commissioner to report to the legislative committees with jurisdiction over group residential housing issues by December 1, 2018.
- **Revisor's instruction.** Instructs the revisor to change terminology from "group residential housing" to "housing support services."

Article 3: Continuing Care

Overview

This article modifies the nursing facility payment statutes, expands return to community initiatives, reforms elderly waiver, modifies ICF/DD rates, extends the Alzheimer's disease working group, and provides for an electronic service delivery documentation system.

- 1 Resident assessment schedule. Amends § 144.0724. Clarifies when a significant change in status assessment must be completed.
- Penalties for late or nonsubmission. Amends § 144.0724, subd. 6. Expands the commissioner of human services' authority to reduce penalties incurred by a nursing facility for failure to complete or submit a case mix assessment. Makes this section effective the day following final enactment.
- Eligibility for license condition. Amends § 144.562, subd. 2. Modifies the commissioner's authority to approve swing bed use above the cap by requiring patients to agree to referral to skilled nursing facilities under certain circumstances.

Section

Consolidation of nursing facilities. Amends § 144A.071, subd. 4d, as amended by Laws 2017, ch. 40, art. 1, § 25. Modifies the date for nursing facility property rate adjustments for consolidation projects to the first January or July following both the completion of the upgrades in the remaining facility and the closure of the other facility. Makes this section effective for consolidations occurring after July 1, 2017.

- Maximum charges. Amends § 144A.74. Amends a section setting maximum charges a supplemental nursing services agency is permitted to bill or receive payments from a nursing home, to specify that a nursing home that pays for actual travel and housing costs for supplemental nursing services agency staff working at the facility is not violating the limitation on charges in this section. Makes this section effective January 1, 2018.
- 6 Consumer information and assistance and long-term care options counseling; Senior LinkAge Line. Amends § 256.975, subd. 7. Modifies the list of services the Senior Linkage Line must provide to ensure that older adults are properly referred for counseling.
- Self-directed caregiver grants. Amends § 256.975, by adding subd. 12. Requires the Minnesota Board on Aging to administer self-directed caregiver grants to support at risk family caregivers of older adults or others eligible under the Older Americans Act of 1965, so that older adults can remain at home longer. Requires the board to give priority to consumers referred by the Senior LinkAge Line.
- Assessment and support planning. Amends § 256B.0911, subd. 3a. For a person being assessed for EW services, requires a provider who submitted information during the assessment process to receive a copy of the final written community support plan when available and the Residential Services Workbook. Specifies the effective date of eligibility for services under alternative care, elderly waiver, CADI, CAC, and BI waiver programs when an eligibility update is completed and documented within 90 days of the previous face-to-face assessment.
- **9 Elderly waiver cost limits.** Amends § 256B.0915, subd. 3a. Specifies the manner in which legislatively authorized service specific increases are handled. Modifies effective dates of certain increases to coincide with nursing facility payment increases.
- Customized living service rate. Amends § 256B.0915, subd. 3e. Modifies effective dates of certain increases to coincide with nursing facility payment increases. Corrects an obsolete a cross-reference.
 - Makes this section prevail over any conflicting amendments regardless of the order of enactment.
- Service rate limits; 24 hour customized living services. Amends § 256B.0915, subd. 3h. Modifies effective dates of certain increases to coincide with nursing facility payment increases. Corrects obsolete cross-references.
- Assessments and reassessments for waiver clients. Amends § 256B.0915, subd. 5. Paragraph (a) removes language requiring client reassessments when the case manager determines there has been a significant change in a client's functioning.
 - Paragraph (b) contains no changes.

Section

Paragraph (c) requires the lead agency to conduct a change-in-condition reassessment before the annual reassessment in cases where a client's condition changed due to certain specified events. Allows a change-in-condition reassessment to be initiated by the lead agency or requested by the client, or on the client's behalf by another party. Lists lead agency requirements related to conducting and completing change-in-condition reassessments.

- Payment rates; application. Amends § 256B.0915, by adding subd. 11. Applies the payment methodologies in subdivisions 12 to 16 to EW and EW customized living, alternative care, essential community supports, community access for disability inclusion customized living, brain injury customized living, EW foster care, and residential care.
- Payment rates; phase-in. Amends § 256B.0915, by adding subd. 12. Effective January 1, 2019, sets EW rates at the sum of 10 percent of the rates calculated under subdivisions 13 to 16 and 90 percent of the rates calculated using the methodology in effect as of June 30, 2017.
- Payment rates; establishment. Amends § 256B.0915, by adding subd. 13. Paragraph (a) requires the commissioner to use specific data to establish base wages using Minnesotaspecific wages taken from job descriptions.
 - Paragraph (b), beginning January 1, 2019, requires the commissioner to establish factors, component rates, and rates using base wages.
- Payment rates; base wage index. Amends § 256B.0915, by adding subd. 14. Lists base wage calculations for various services. Requires the commissioner to select a new standard occupational classification (SOC) code and position that is the closest match to the previously used SOC position if any of the SOC codes and positions are no longer available.
- Payment rates; factors. Amends § 256B.0915, by adding subd. 15. Lists the factors the commissioner shall use in setting payment rates.
- **Payment rates; component rates.** Amends § 256B.0915, by adding subd. 16. Paragraph (a) defines "adjusted base wage."

Paragraph (b) specifies the component rate for medication setups by licensed nurse, registered nurse, and social worker services.

Paragraph (c) specifies the component rate for home management and support services, home care aide, and home health aide services.

Paragraph (d) specifies the payment rate for socialization and transportation.

Paragraph (e) specifies the 15-minute unit rate calculations for chore services and companion services.

Paragraph (f) specifies the 15-minute unit rate calculations for homemaker services and assistance with personal care, homemaker services and cleaning, and homemaker services and home management.

Paragraph (g) specifies the 15-minute rate calculation for in-home respite care services.

Paragraph (h) specifies the daily rate calculation for in-home respite care services.

Paragraph (i) specifies the 15-minute rate calculation for out-of-home respite care services.

Paragraph (j) specifies the daily rate calculation for out-of-home respite care services.

Section

Paragraph (k) specifies the rate calculation for individual community living support services.

Paragraph (1) specifies the rate for home delivered meals.

Paragraph (m) specifies the rate for adult day services.

Paragraph (n) specifies the 15-minute unit rate for adult day services bath service.

Paragraph (o) specifies requirements related to minimum and maximum hours for adult day services.

- Evaluation of rate methodology. Amends § 256B.0915, by adding subd. 17. Directs the commissioner of human services, in consultation with stakeholders, to conduct an evaluation of the payment rate methodology. Requires the commissioner to submit a report to the legislature on the results of the evaluation by January 1, 2019. Specifies certain information that must be included in the report.
- Property rate adjustments and construction projects. Amends § 256B.431, subd. 10. Modifies the date for nursing facility property rate adjustments for construction projects to the first January or July following the completion of the construction project and the submission of the provider's rate adjustment request. Makes this section effective for projects completed after January 1, 2018.
- Major additions and replacements; equity incentive. Amends § 256B.431, subd. 16. Modifies the date for nursing facility property rate adjustments for major additions or facility replacements to the first January or July following the completion of the addition or replacement. Makes this section effective for additions or replacements completed after January 1, 2018.
- Bed layaway and delicensure. Amends § 256B.431, subd. 30. Modifies the timing of property payment rate adjustments due to a bed layaway or delicensure. Updates a cross-reference. Makes this section effective for layaways occurring after July 1, 2017.
- Alternate rates for nursing facilities. Amends § 256B.434, subd. 4. Limits an inflationary adjustment to the property payment rate for rate years beginning on and after January 1, 2019, and removes obsolete language. Makes this section effective the day following final enactment.
- Construction project rate adjustments effective October 1, 2006. Amends § 256B.434, subd. 4f. For facilities completing projects after January 1, 2018, modifies the date for nursing facility property rate adjustments resulting from certain construction projects to the first July or January following the completion of the project. Makes this section effective January 1, 2018.
- Filing an appeal. Amends § 256B.50, subd. 1b. Modifies the date by which an appeal must be received by the commissioner. Makes this section effective the day following final enactment.
- Therapeutic leave days. Amends § 256B.5012, by adding subd. 3a. Counts a vacant bed in an intermediate care facility for persons with developmental disabilities as a reserved bed when determining occupancy rates and eligibility for payment of a therapeutic leave day.

Section

ICF/DD rate increase effective July 1, 2017; Murray County. Amends § 256B.5012, by adding subd. 17. Effective July 1, 2017, specifies the daily rate for a specific ICF/DD located in Murray County is \$400. Adds this increase to any other increase that is effective on July 1, 2017.

- Administrative costs. Amends § 256R.02, subd. 4. Modifies the definition of "administrative costs" in the chapter of statutes governing nursing facility payment rates by clarifying insurance costs and including costs incurred for travel and housing for people employed by a supplemental nursing services agency. This includes these costs in the facility's other operating payment rate. Makes this section effective October 1, 2017.
- **Direct care costs.** Amends § 256R.02, subd. 17. Modifies the definition of "direct care costs" by adding costs for nurse consultants, pharmacy consultants, and medical directors. Requires that salaries and payroll taxes for nurse consultants who work out of a central office be allocated proportionately to the nursing facilities served by those consultants. Makes this section effective October 1, 2017.
- **Employer health insurance costs.** Amends § 256R.02, subd. 18. Clarifies the definition of "employer health insurance costs." Makes this section effective the day following final enactment.
- External fixed costs. Amends § 256R.02, subd. 19. Modifies the definition of "external fixed costs" by adding rate adjustments for compensation-related costs for minimum wage changes and by clarifying the PERA costs that are included.
- **Fringe benefit costs.** Amends § 256R.02, subd. 22. Clarifies the definition of "fringe benefit costs."
- **Raw food costs.** Amends § 256R.02, subd. 42. Includes the allocation of dietary credits in the definition of "raw food costs."
- Real estate taxes. Amends § 256R.02, by adding subd. 42a. Defines "real estate taxes."
- 35 Special assessments. Amends § 256R.02, subd. 48a. Defines "special assessments."
- **Therapy costs.** Amends § 256R.02, subd. 52. Clarifies the definition of "therapy costs."
- Notice to residents. Amends § 256R.06, subd. 5. Modifies requirements related to notifying private pay residents of nursing facility rate increases.
- **Electronic signature.** Amends § 256R.07, by adding subd. 6. Allows the use of an electronic signature for documentation requiring a signature under the nursing facility payment system.
- Not specified allowed costs. Amends § 256R.10, by adding subd. 7. Requires the commissioner, in consultation with stakeholders, to determine the cost category for an allowed cost item or service when the cost category for that item or service is not otherwise specified. Makes this section effective the day following final enactment.

Section

Report by commissioner of human services. Creates §256R.18. Beginning January 1, 2019, requires the commissioner to provide to the legislative committees with jurisdiction over nursing facility payment rates a biennial report on the effectiveness of the reimbursement system in improving quality, restraining costs, and any other features of the system as determined by the commissioner. Makes this section effective the day following final enactment.

- **Scholarships.** Amends § 256R.37. Removes the requirement that registered nurses and licensed practical nurses be newly graduated in order to be eligible for a scholarship under the nursing facility payment system. Makes this section effective October 1, 2017.
- **Definitions.** Amends § 256R.40, subd. 1. Modifies the definition of "completion of closure" for the purposes of the planned closure rate adjustment under the nursing facility payment system.
- Planned closure rate adjustment. Amends § 256R.40, subd. 5. Modifies the timing of the planned closure rate adjustment due to the closure of a facility. Makes this section effective for closures occurring after July 1, 2017.
- Single-bed room incentive. Amends § 256R.41. Modifies the timing of the single-bed room incentive due to the delicensure of beds. Makes this section effective for closures occurring after July 1, 2017.
- 45 Rate adjustment for critical access nursing facilities. Amends § 256R.47. Extends the suspension of this program through December 31, 2019. The current suspension expires on December 31, 2017. Makes this section effective the day following final enactment.
- **Rate adjustments for compensation-related costs.** Amends § 256R.49, subd. 1. Makes rate increases provided under this section expire after two years. Makes this section effective the day following final enactment.
- Direction to commissioner; adult day services staffing ratios; elderly waiver. Requires the commissioner of human services to study existing adult day services models, project demand for adult day services into the future, and report to the legislature by January 1, 2019. Makes this section effective July 1, 2017.
- 48 Alzheimer's Disease Working Group.
 - **Subd. 1. Members.** Requires the Minnesota Board on Aging to appoint an Alzheimer's disease working group consisting of 16 members. Lists the organizations that must be represented on the working group. Requires the appointing authorities to complete their appointments no later than December 15, 2017. Requires the membership of the working group to reflect the diversity in Minnesota.
 - **Subd. 2. Duties; recommendations.** Requires the working group to review and revise the 2011 report titled "Preparing Minnesota for Alzheimer's: the Budgetary, Social and Personal Impacts." Requires the working group to consider and make recommendations and findings on several issues, including:
 - trends and disparities in the state's Alzheimer's population;

Section

• risk reduction, including health education and health promotion on risk factors, safety, and potentially avoidable hospitalizations; and

- health disparities and access to high quality dementia care.
- **Subd. 3. Meetings.** Requires the Board on Aging to convene the first meeting of the working group no later than January 15, 2018. Requires meetings of the working group to be open to the public, and to the extent practicable, technological means, such as Web casts, must be used to reach the greatest number of people throughout the state. Requires the Board of Aging to designate one member to serve as chair. Limits the working group to no more than five meetings.
- **Subd. 4. Compensation.** Provides that working group members serve without compensation, except for allowed expense reimbursement.
- **Subd. 5. Administrative support.** Requires the Board of Aging to provide administrative support.
- **Subd. 6. Report.** Requires the Board on Aging to submit a report providing the findings and recommendations of the working group to the governor and the legislature no later than January 15, 2019.
 - **Subd. 7. Expiration.** Provides an expiration date for the working group.

49 Electronic service delivery documentation system.

- **Subd. 1. Documentation; establishment.** Requires the commissioner of human services to establish implementation requirements and standards for an electronic service delivery documentation system to comply with the 21st Century Cures Act.
- **Subd. 2. Definitions.** Defines the terms "electronic service delivery documentation," "electronic service delivery documentation system," and "service."
- **Subd. 3. Requirements.** Requires the commissioner to consider electronic visit verification systems and other electronic service delivery documentation methods in developing implementation requirements for an electronic service delivery documentation system. Requires the commissioner to convene impacted stakeholders to ensure that the requirements meet certain criteria, including:
 - being minimally administratively and financially burdensome to a provider;
 - considering existing best practices and use of electronic service delivery documentation; and
 - being effective methods for preventing fraud.

Requires the commissioner to: (1) make training available to providers on the electronic service delivery documentation system requirements; (2) establish baseline measurements related to preventing fraud; and (3) establish measures to determine the effect of electronic service delivery documentation requirements on program integrity.

Subd. 4. Legislative report. Requires the commissioner to submit a report by January 15, 2018, to the legislative committees with jurisdiction over human services

Section

with recommendations to establish electronic service delivery documentation system requirements and standards. Lists items the report must include.

Makes this section effective the day following final enactment.

Revisor's instruction. Requires the revisor of statutes, in consultation with the House Research Department, Office of Senate Counsel, Research, and Fiscal Analysis, and the Department of Human Services to prepare legislation for the 2018 legislative session to recodify laws governing the elderly waiver program. Makes this section effective the day following final enactment.

Article 4: Health Care

Overview

This article contains provisions related to the Medical Assistance and MinnesotaCare programs. The article requires the legislative auditor to audit DHS programs and managed care organizations, modifies inpatient hospital payment methods for MA, increases the spenddown standard for persons who are age 65 or older, are blind, or have a disability, modifies requirements for nonemergency medical transportation, and provides for payment for targeted case management provided by interactive video. The article also modifies the integrated health partnership demonstration project, expands an existing and establishes new intergovernmental transfers, delays capitation payments, requires studies, and modifies and adds other provisions related to state health care programs.

- Audits of the Department of Human Services (DHS). Amends § 3.972, by adding subd. 2a. (a) Directs the legislative auditor to give high priority to auditing the programs, services, and benefits administered by DHS, in order to ensure continuous legislative oversight and accountability. Requires the audits to determine whether DHS offered programs and provided services and benefits only to eligible persons and organizations, and complied with applicable legal requirements.
 - (b) Requires the legislative auditor, based on assessment of risk and using professional standards, no less than three times each year, to test a representative sample of MA and MinnesotaCare enrollees, to determine whether they are eligible to receive benefits under those programs. Requires the legislative auditor to report the results to the commissioner of human services and recommend corrective actions. Requires the commissioner to provide a response to the legislative auditor within 20 business days, including corrective actions to be taken and anticipated completion dates. Requires the legislative auditor to monitor implementation of corrective actions and periodically report to the legislative audit commission and the legislative committees with jurisdiction over health and human services policy and finance. Requires these reports to include recommendations for any legislative actions needed to ensure that MA and MinnesotaCare benefits are provided only to eligible persons.

Section

Audits of managed care organizations. Amends § 3.972 by adding subd. 2b. Requires the legislative auditor to audit each managed care and community-based purchasing plan that contracts with the Commissioner of Human Services to provide services under medical assistance and MinnesotaCare, to determine if the organization used public money in compliance with federal and state laws and rules and the organization's contract with the commissioner.

- Payment restructuring; quality incentive payments. Amends § 62U.02. Modifies requirements for the Statewide Quality Reporting and Measurement System (SQRMS) administered by the commissioner of health, which establishes a standard set of quality measures and reporting requirements for health care providers and facilities and health plan companies in the state.
 - **Subd. 1. Development.** Clarifies that the commissioner establishes two sets of quality measures under this section, one for health plan companies under subdivision 5 and one for health care providers. Requires that the quality measures for health care providers are:
 - for physician clinics, selected from measures established in federal rule for Medicare, unless there is no measure in federal rule for a particular diagnosis, condition, service, or procedure;
 - based on medical evidence (this requirement exists in current law and is being moved to this clause); and
 - developed through a process in which providers participate and consumer and community input are obtained.

Allows these measures to include care infrastructure and patient satisfaction (this language is moved here from subdivision 3), and removes requirements for the initial set of measures and requirements that the measures for primary care are incorporated.

Directs the commissioner to develop a measurement framework by June 30, 2018, and use that framework to update statewide measures by December 15, 2018, to assess health care provider quality. Specifies that no more than six statewide measures will be required for single-specialty physician practices and no more than ten measures will be required for multi-specialty physician practices, except that additional measures may be included if they are derived from administrative claims data. Requires the measurement framework to be developed in consultation with stakeholders, and requires the framework to be reviewed at least once every three years. Requires the commissioner to report to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services policy and finance by September 30, 2018, on development of the measurement framework and recommendations on the type and maximum number of measures for implementation on January 1, 2020. Authorizes the commissioner to require measures to be stratified by composite indices of multiple sociodemographic factors.

- **Subd. 2. Quality incentive payments.** No amendments to this subdivision.
- **Subd. 3. Quality transparency.** Requires the commissioner to issue periodic, rather than annual, reports on quality, and clarifies that the reports must address trends

Section

in provider quality at the statewide, regional, and community levels. Requires the reporting methods used by clinics and hospitals to include alternatives to electronic reporting. Clarifies that physician clinics and hospitals must provide the commissioner with information on the identified statewide measures. Requires the commissioner to align reporting requirements for physician clinics with the specifications and timelines for the measures selected according to subdivision 1, and allows the commissioner to develop additional data on race, ethnicity, preferred language, country of origin, or other sociodemographic factors required for stratification or risk adjustment. States that none of the statewide measures selected shall require providers to use an external vendor to administer or collect data.

- **Subd. 4. Contracting.** No amendments to this subdivision.
- **Subd. 5. Implementation.** Makes a clarifying change to conform with changes made in subdivision 1.
- **Asset verification system.** Amends § 256.01, by adding subd. 18f. Requires the commissioner to implement the Asset Verification System, according to federal law, to verify assets for persons applying for or renewing medical assistance benefits who are over age 65, blind, or have a disability.
- **Authority.** Amends § 256.9685, subd. 1. Strikes language allowing the commissioner to reduce the types of inpatient hospital admissions required to be certified as medically necessary after providing notice and a comment period.
- **Administrative reconsideration.** Amends § 256.9685, subd. 1a. Requires the reconsideration process for denials of hospital inpatient services determined to be medically unnecessary to be conducted by the medical review agent, rather than physicians. Also makes a conforming change.
- **Rate year.** Amends § 256.9686, subd. 8. Defines "rate year" as the state fiscal year, effective with the 2012 base year. Provides an immediate effective date.
- **8 Hospital cost index.** Amends § 256.969, subd. 1. Allows automatic inflation adjustments for hospital payment rates, if authorized by this section of law. Provides a July 1, 2017, effective date
- **Hospital payment rates.** Amends § 256.969, subd. 2b. The amendment to (e) extends the period by which the commissioner may make additional adjustments to rebased rates, to include the next two rebasing periods (current law allows this until the next rebasing).

The amendment to (f) provides that for determining rates for discharges in subsequent base years, the per discharge rates shall be based on Medicare cost-finding methods and allowable costs.

The amendment to (h) requires changes in costs between base years to be measured using the lower of the change in the CMS Inpatient Hospital Market Basket or the change in the case mix adjusted cost per claim.

Section

The amendment to (i) clarifies that it is "inpatient" rates for critical access hospitals that are to be determine using the new cost-based methodology.

Provides a July 1, 2017, effective date.

- Payments. Amends § 256.969, subd. 3a. Effective for discharges on or after July 1, 2017, requires rate adjustments for long-term hospitals to be incorporated into the rates and not applied to each claim. Provides a July 1, 2017, effective date.
- Unusual length of stay experience. Amends § 256.969, subd. 8. Requires the commissioner to establish outlier payment rates for admissions that result in long length of stays (current law refers only to transfers). Provides a July 1, 2017, effective date.
- Hospital residents. Amends § 256.969, subd. 8c. Effective for discharges on or after July 1, 2017, requires payment for long stays to equal the payments established under the DRG system for unusual length of stay. Provides a July 1, 2017, effective date.
- Disproportionate numbers of low-income patients served. Amends § 256.969, subd. 9. Makes a technical change in the terminology used to refer to nonchildren's hospitals. Provides a July 1, 2017, effective date.
- **Rehabilitation hospitals and distinct parts.** Amends § 256.969, subd. 12. Effective for discharges on or after July 1, 2017, requires payment to rehabilitation hospitals to be established using the DRG methodology. Provides a July 1, 2017, effective date.
- Appeals. Amends § 256.9695, subd. 1. Adds Medicare wage indexes, Medicare cost-to-charge ratios, and policy adjusters to the list of items that shall not be changed regardless of any appeal outcome. Limits the facts to be considered in any appeal to those in existence 12 months after the last day of the calendar year that is the base year for the payments rates in dispute. Makes other related changes.
- Limitation on services. Amends § 256B.04, subd. 12. Strikes language requiring DHS to adopt rules that would reimburse nonemergency medical transportation providers at a lower rate for additional passengers.
- Medicaid waiver requests and state plan amendments. Amends § 256B.04, subd. 24. Requires the commissioner to notify the chairs and ranking minority members of the legislative committees with jurisdiction over medical assistance, at least 30 days before submitting a new Medicaid waiver request to the federal government.
- Treatment of trusts. Amends § 256B.056, subd. 3b. Inserts cross-reference to federal law governing how trusts are treated for medical assistance eligibility. Allows a mentally capable individual determined to be disabled to establish their own special needs trust on or after December 12, 2016, conforming to new federal law. Makes section effective the day following final enactment.
- Asset limitations for families and children. Amends § 256B.056, subd. 3c. Strikes language specifying that bank accounts containing personal income or assets, or used to pay personal expenses, are not a capital or operating asset of a trade or business, for purposes of the MA asset limit. (This provision was not approved by the federal government.)

Section

Excess income standard. Amends § 256B.056, subd. 5. Increases the medical assistance spenddown standard for persons with a disability, who are blind, or who are age 65 or older, from 80 percent of federal poverty guidelines to 81 percent, effective June 1, 2019.

- **Periodic data matching.** Amends § 256B.0561, subd. 2. Requires the commissioner to implement periodic data matching beginning April 1, 2018 (this date is later than that specified in current law but earlier than the projected implementation date).
- **Report.** Amends § 256B.0561, subd. 4. Changes the initial reporting date for the annual reports on periodic data matching to be submitted to the commissioner, to conform to the change in the implementation date.
- Employed persons with disabilities. Amends § 256B.057, subd. 9. Provides a definition of "good cause" for purposes of nonpayment of MA for employed persons with disabilities (MA-EPD) premiums.
- **Temporary application.** Amends § 256B.059, subd. 6. Specifies that an institutionalized spouse enrolled in home and community-based waivers must have applied for those waivers on or after January 1, 2014, in order for the rules against spousal impoverishment to be temporarily applied for a certain period under federal law. Makes section effective the day following final enactment.
- Payment rates. Amends § 256B.0621, subd. 10. Adds that in assisting a client who is moving from an institutional setting to the community, a case manager may bill medical assistance for relocation targeted case management services conducted by interactive video as provided in section 256B.0924, subdivision 4a. Provides that the section is effective upon federal approval.
- Inpatient hospital services. Amends § 256B.0625, subd. 1. Requires the medical review agent, when determining medical necessity for inpatient hospital services, to follow industry standard medical necessity criteria. Lists specific items for which this industry standard is to be used, and specifies related criteria for reviews of patient medical condition and records.
- Telemedicine services. Amends § 256B.0625, subd. 3b. Allows mental health practitioners, working under the general supervision of a mental health professional, to provide telemedicine services under MA Provides an immediate effective date
- **Home care nursing.** Amends § 256B.0625, subd. 7. Eliminate a cross-reference to the home care nursing interpreter-communicator service which is being repealed.
- **Transportation costs.** Amends § 256B.0625, subd. 17.

The amendment to paragraph (b) makes a change in terminology and clarifies that taxicabs must meet the MA requirements for nonemergency medical transportation (NEMT).

The amendment to paragraph (g) includes the securement of car seats in the list of driver-assisted services.

The amendment to paragraph (i) strikes language that prohibits implementation of the covered modes of transportation, without a new rate structure.

Section

A new paragraph (q) requires the commissioner, when determining NEMT reimbursement rates, to exempt the covered modes of transportation from an MA rule that sets payment rates and requires pro-rating for transporting two or more persons.

- **Documentation required.** Amends § 256B.0625, subd. 17b. Makes a conforming change related to implementation of all modes of NEMT.
- Nursing facility transports. Amends § 256B.0625, by adding subd. 17c. Exempts from level of need determinations Minnesota health care program enrollees who are residing in, or being discharged from, a nursing facility. States that these individuals are eligible for NEMT services until they no longer reside in a nursing facility.
- Managed care. Amends § 256B.0626, subd. 18h. Lists the MA provisions related to NEMT services that managed care and county-based purchasing plans must comply with (current law specifies the provisions from which these plans are exempt). A new paragraph (b) requires NEMT providers to comply with special transportation services standards, but exempts publicly operated transit systems, volunteers, and not-for-hire vehicles from this requirement. Provides an immediate effective date.
- Mental health case management. Amends § 256B.0625, subd. 20. Provides that medical assistance and MinnesotaCare will pay for mental health case management services provided by interactive video if the interactive video contact meets the requirements of subdivision 20b. Provides that the section is effective upon federal approval.
- Mental health targeted case management through interactive video. Amends § 256B.0625, by adding subd. 20b. Paragraph (a) provides, subject to federal approval, that medical assistance will pay for targeted case management services provided by interactive video to a person who resides in a hospital, nursing facility, or residential setting staffed 24 hours a day, seven days a week. Use of interactive video must be approved in the case plan, must be in the best interests of the person, and must be approved by the person receiving services, the case manager, and the provider operating the setting where the person resides. Provides that interactive video cannot be used for more than 50 percent of the minimum required face-to-face contacts.

Paragraph (b) allows the person receiving services the right to consent to use of interactive video and to refuse the use of interactive video at any time.

Paragraph (c) instructs the commissioner to establish criteria for providing targeted case management via interactive video, and lists possible criteria addressing client safety, policies and protocols, and quality assurance.

Paragraph (d) provides the documentation requirements for a targeted case management provider to receive medical assistance reimbursement for services provided by interactive video.

Provides that the section is effective upon federal approval.

Preferred incontinence product program. Amends § 256B.0625, by adding subd. 31c. Requires the commissioner to establish a preferred incontinence product program by July 1, 2018, using volume purchasing.

Section

- Post-arrest community-based service coordination. Amends § 256B.0625 by adding subd, 56a. Allows medical assistance to cover post arrest community-based service coordination for an individual who: has been identified as having a mental illness or substance use disorder; does not require the security of a public detention facility and is not considered an inmate of a public institution; meets eligibly requirements in section 256B.056; and has agreed to participate in postarrest community-based service coordination through a diversion contract in lieu of incarceration. Defines post-arrest community-based service coordination, specifies procedures for reimbursement, provider reporting, and avoiding duplication of services or payments. Specifies that the nonfederal share of cost for postarrest community-based service coordination services shall be provided by the county providing the services, using sources other than federal funds or funds used to match other federal funds. States that the section is effective upon federal approval for services provided on or after July 1, 2017.
- Investigational drugs, biological products, and devices. Amends § 256B.0625, subd. 64. Allows the EPSDT program to cover stiripentol only:
 - (1) when determined to be medically necessary;
 - (2) for enrollees with Dravet syndrome or certain children with Malignant Migrating Epilepsy in Infancy;
 - (3) if all other covered prescription medications have been tried without successful outcomes; and
 - (4) if the U.S. Food and Drug Administration has approved the treating physician's individual patient new drug application for the use of stiripentol for treatment.

Provides that the MinnesotaCare program does not cover stiripentol.

- Reimbursement under other state health care programs. Amends § 256B.0644. Exempts dental providers providing dental services outside of the seven-county metropolitan area from the requirement that they participate as a provider in MA and MinnesotaCare, in order to participate as a provider in insurance plans and programs for state employees, the public employees insurance program, insurance plans for local government and school district employees, the workers' compensation system, and MCHA. Provides that the section is effective upon any necessary federal waiver or approval.
- **Performance reporting and quality improvement system.** Amends § 256B.072. The amendments to subdivision 1, paragraphs (b) and (e), make conforming changes related to section 3.

Subdivision 1, paragraph (f), requires the commissioner to adjust quality metrics and benchmarks for providers serving socioeconomically complex populations who request to be scored on additional measures.

Subdivision 1, paragraph (g), prohibits the assessment of patient satisfaction with pain management from being used in determining compensation or quality incentive payments under MA and MinnesotaCare. Directs the commissioner to require managed care and county-based purchasing plans, and integrated health partnerships, to comply with this prohibition as a condition of contract. States that the prohibition does not apply to: (1) assessing patient satisfaction with pain management for the purpose of quality improvement;

Section

and (2) pain management as part of a palliative care plan to treats patient with cancer or receiving hospice care.

A new subdivision 2 requires the commissioner, by January 1, 2019, to consider and appropriately adjust quality metrics and benchmarks for providers who primarily serve socioeconomically complex populations and request to be scored on these additional measures. Specifies that this requirement applies to all MA and MinnesotaCare programs and enrollees.

- Implementation. Amends § 256B.0755, subd. 1c. Changes terminology used to refer to a payment reform demonstration project from "health care delivery systems" to "integrated health partnerships" or IHPs (these changes are made throughout the statutory section). Specifies that an IHP may be customized for special needs and barriers of patient populations experiencing health disparities due to social, economic, racial, or ethnic factors. Provides a January 1, 2018, effective date.
- **Accountability.** Amends § 256B.0755, subd. 3. Specifies that the accountability standards for IHPs must be appropriate to the particular population served. Provides a January 1, 2018, effective date.
- Payment system. Amends § 256B.0755, subd. 4. Specifies that the payment system for IHPs must include a population-based payment that supports care coordination services for enrollees served by the IHP and is risk adjusted to reflect varying levels of care coordination intensiveness. Provides that the payment must be a per-member per-month payment paid at least on a quarterly basis and specifies that IHPs that receive this payment must continue to meet cost and quality metrics in order to maintain eligibility for the population-based payment. Specifies other criteria related to payment. Provides a January 1, 2018, effective date.
- Patient incentives. Amends § 256B.075, subd. 9. States that the commissioner may authorize an IHP to provide incentives for patients to see a primary care provider for an initial health assessment, maintain a continuous relationship with a primary care provider, and participate in ongoing health improvement and coordination of care activities. States that this section is effective January 1, 2018, or upon federal approval, whichever is later.
- Targeted case management through interactive video. Amends § 256B.0924, by adding subd. 4a. Paragraph (a) provides, subject to federal approval, that medical assistance will pay for targeted case management services provided by interactive video to a person who resides in a hospital, nursing facility, or residential setting staffed 24 hours a day, seven days a week. Use of interactive video must be approved in the case plan, must be in the best interests of the person, and must be approved by the person receiving services, the case manager, and the provider operating the setting where the person resides. Provides that interactive video cannot be used for more than 50 percent of the minimum required face-to-face contacts.

Paragraph (b) allows the person receiving services the right to consent to use of interactive active and to refuse the use of interactive video at any time.

Paragraph (c) instructs the commissioner to establish criteria for providing targeted case management via interactive video, and lists possible criteria addressing client safety, policies and protocols, and quality assurance.

Section

Paragraph (d) provides the documentation requirements for a targeted case management provider to receive medical assistance reimbursement for services provided by interactive video.

Provides that this section is effective upon federal approval.

Commissioner's duties. Amends § 256B.192, subd. 2. The amendment to paragraph (c) phases-out the managed care intergovernmental transfer over an eight-year period, ending December 31, 2025.

The amendment to paragraph (d) allows ambulance services owned and operated by a governmental organization to participate in an existing intergovernmental transfer (IGT) arrangement for ambulance services that currently applies to ambulance services affiliated with Hennepin County Medical Center and the city of St. Paul. Requires the commissioner to determine an upper payment limit for these ambulance services, inform participating governmental entities of the IGTs necessary to match federal Medicaid payments available, and upon receipt of these transfers, to make supplementary payments to these entities equal to the difference between the MA payment rate and the upper payment limit. Provides that tribal governments that operate an ambulance service are not eligible to participate in the IGT arrangement for ambulance services.

A new paragraph (e) directs the commissioner to determine an upper payment limit for physicians, dentists, and other billing professionals affiliated with the University of Minnesota and University of Minnesota Physicians. Requires the commissioner to inform the University of Minnesota Medical School and School of Dentistry of the periodic intergovernmental transfers needed to match federal Medicaid payments available, in order to make supplemental payments to physicians, dentists, and other billing professionals equal to the difference between the established MA payment rate and the upper payment limit. Upon receipt of these transfers, requires the commissioner to make these supplemental payments.

A new paragraph (h) states that all data and funding transactions are between the commissioner and the governmental entities.

A new paragraph (i) defines "billing professional."

States that paragraph (d) is effective July 1, 2017, or upon federal approval, whichever is later.

- Intergovernmental transfers. Amends § 256B.196, subd. 3. Requires all intergovernmental transfer payments made by the University of Minnesota Medical School and School of Dentistry to be used to match federal payments to the University of Minnesota and the University of Minnesota Physicians under subdivision 2, paragraph (e).
- Adjustments permitted. Amends § 256B.196, subd. 4. Adds the average commercial rates for physician and other professional services to the list of factors for which the commissioner may adjust intergovernmental transfers and payments. Adds university schools to the list of entities that the commissioner must consult with prior to making adjustments.

Section

Financial audits. Amends § 256B.69, subd, 9e. Modifies the current financial audit language for managed care organizations by adding a cross reference to section 3.972, subd. 2b.

- 49 Hospital outpatient reimbursement. Amends § 256B.75. Specifies the method for determining outpatient payment rates for critical access hospitals. Requires Medicare cost report information to be used until DHS finalizes the MA cost reporting process for critical access hospitals. Specifies components of the outpatient rate. Provides a July 1, 2017, effective date.
- **Physician reimbursement.** Amends § 256B.76, subd. 1. Exempts autism early intensive intervention benefits from rateable reductions for physician and professional services effective before July 1, 2015. Provides an immediate effective date.
- Dental reimbursement. Amends § 256B.76, subd. 2. Increases payment rates by 23.8 percent, for dental services provided on or after July 1, 2017, to enrollees under age 21. States that the rate increase does not apply to state-operated dental clinics, federally qualified health centers, rural health centers, Indian health centers, managed care plans, and county-based purchasing plans.
- **Reimbursement for mental health services.** Amends § 256B.761. Exempts autism early intensive intervention benefits from rateable reductions effective before July 1, 2015. Provides a July 1, 2017 effective date.
- Reimbursement for evidence-based public health nurse home visits. Adds § 256B.7635. For services provided on or after January 1, 2018, sets MA payment rates for prenatal and post-partum follow-up home visits provided by a public health nurse, or a registered nurse supervised by a public health nurse, using evidence-based models, at \$140 per visit. Requires follow-up home visits to be administered by home visiting programs that meet specified criteria. Requires home visits to target mothers and their children beginning with prenatal visits through age three for the child.
- Reimbursement for basic health care services. Amends § 256B.766. Effective for items provided on or after January 1, 2016, sets the MA payment rate for non-pressure support ventilators at the lower of the submitted charge or the Medicare fee schedule rate, and sets the MA payment rate for pressure support ventilators at the lower of the submitted charge or 47 percent above the Medicare fee schedule rate. Requires the state to repay the amount of any excess federal match received to the Centers for Medicare and Medicaid Services, using state funds, and to maintain the full payment rate. Also excludes laboratory services from an enhanced hospital payment rate and specifies that categories of medical supplies may be individually priced. Provides a retroactive effective date of January 1, 2016.
- **Covered health services.** Amends § 256L.03, subd. 1. For purposes of covered MinnesotaCare services, defines "child" as an individual younger than 19 years of age.
- **Children; MinnesotaCare health care reform waiver.** Amends § 256L.03, subd. 1a. Eliminates MinnesotaCare coverage for special education services.
- **Cost-sharing.** Amends § 256L.03, subd. 5. Modifies MinnesotaCare cost-sharing provisions, by including coinsurance and deductibles in the definition of cost-sharing, removing specific

Section

copayment amounts, and revising a reference to federal regulations in a provision exempting American Indians from cost-sharing. Provides a January 1, 2018, effective date.

- Dental providers. Amends § 256L.11, by adding subd. 6a. Increases MinnesotaCare payment rates by 54 percent, for dental services provided on or after January 1, 2018. States that payments to prepaid health plans shall reflect this increase. Requires prepaid health plans to provide payments to dental providers that are at least equal to a rate that includes the payment increase.
- **Critical access dental providers.** Amends § 256L.11, subd. 7. For services provided on or after July 1, 2017, reduces the MinnesotaCare payment rate to critical access providers from 30 or 32.5 percent (depending on the provider) to 20 percent above the standard rate.
- **Sliding fee scale; monthly individual or family income.** Amends § 256L.15, subd. 2. Updates the MinnesotaCare premium scale, to reflect legislative changes made in 2015. Provides an August 1, 2015, effective date.
- Capitation payment delay. Delays the capitation payment to managed care plans and county-based purchasing plans due in May 2019 until July 1, 2019. Also delays the capitation payment due in May 2021 until July 1, 2021.
- **Federal waiver or approval; state program participation requirement.** Requires the commissioner of human services to seek any federal waiver or approval necessary to implement section 38.
- Opioid use and acupuncture study. Requires the commissioner of human services, within the limits of available appropriations, to study and compare the use of opiates for the treatment of chronic pain conditions when acupuncture services are also part of the treatment for chronic pain, to opiate use by the MA recipients who are not receiving acupuncture. Requires the commissioner to report findings to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services policy and finance by February 15, 2018.
- Study of payment rates for durable medical equipment and supplies. Requires the commissioner of human services to study the impact of basing MA payment for durable medical equipment and supplies on Medicare payments, as limited by the federal 21st Century Cures Act, on access by MA enrollees to these items. Requires the study to include recommendations for ensuring and improving access by MA enrollees to durable medical equipment and supplies. Requires the commissioner to report to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services policy and finance, by January 1, 2019.
- Eligibility verification federal compliance. Requires the commissioner of human services to implement a process to terminate coverage for MA enrollees who fail to submit requested verifications within 95 days of coverage approval. Directs the commissioner to implement a manual process by July 1, 2017, and to ensure that the Minnesota eligibility technology system has the functionality to implement an automated process by April 1, 2018.
- **Revisor's instruction.** Requires the Revisor to change the term "health care delivery system" to "integrated health partnership" where it appears in section 256B.0755.

Section

Repealer. (a) Repeals an intergovernmental transfer involving Hennepin County (IGT-2; section 256B.19, subd. 1c), and coverage for home care nursing interpreter-communicator services (section 256B.64).

(b) Repeals Minnesota Rules, part 9500.1140, subparts 3, 4, 5, and 6 (hospital rate appeals).

Article 5: Health Insurance

Overview

This article exempts health plans from requirements to include certain standard provisions in their policies; modifies provisions governing continuation coverage for current spouses, former spouses, and dependents; modifies requirements for pharmacy benefit filings; exempts Affordable Care Act compliant plans from certain requirements in chapter 62E; modifies two provisions in the premium subsidy program and one provision related to reinsurance funds; and establishes a moratorium on health maintenance organization and service plan corporation conversions to for-profit status.

- 1 Reference. Amends § 62A.04, subd. 1. Lists provisions from a section establishing standard provisions for accident and sickness or accident and health insurance that do not apply to health plans.
- Continuation privilege. Amends § 62A.21, subd. 2a. In a subdivision authorizing continuation of insurance coverage for former spouses and dependent children, specifies that continuation of coverage only applies to a former spouse who was covered on the day before the entry of a valid dissolution decree. Also adds a cross-reference regarding dependent children whose coverage may be continued.
- Cancer chemotherapy treatment coverage. Amends § 62A.3075. Requires a health plan company with a health plan covering cancer chemotherapy treatment to indicate, in its pharmacy benefit filing with the commissioner, the level of coverage for orally administered anticancer medication.
- 4 Coverage of current spouse, former spouse, and children. Amends § 62D.105. In a section on health maintenance agreement coverage of an enrollee's spouse and dependent children, specifies that continuation of coverage for former spouses only applies to a former spouse who was covered on the day before the entry of a valid dissolution decree. Also adds a cross-reference regarding dependent children whose coverage may be continued.
- Affordable Care Act compliant plans. Amends § 62E.04, subd. 11. Provides that section 62E.04, requiring insurers to file policies with the commissioner of commerce that meet the standards of a qualified plan, does not apply to policies of accident and health insurance that are subject to the Affordable Care Act.
- **Certification.** Amends § 62E.05, subd. 1. Provides that section 62E.05, which establishes certification and annual reporting requirements for policies filed with the commissioner of commerce as a qualified plan, does not apply to policies of accident and health insurance that are subject to the Affordable Care Act.

Section

7 **Affordable Care Act compliant plans.** Adds subd. 5 to § 62E.06. Provides that section 62E.06, which establishes minimum benefits for qualified plans, does not apply to policies of accident and health insurance that are subject to the Affordable Care Act.

- **Sunset.** Amends Laws 2017, chapter 2, article 1, section 5. Modifies the sunset date for chapter 2, article 1, which established the premium subsidy program. The article now sunsets August 31, 2018, except that provisions on audits, data sharing, and appropriations do not sunset.
- Appropriations. Amends Laws 2017, chapter 2, article 1, section 7. Modifies a section appropriating money for the premium subsidy program, by making the appropriation available through August 31, 2018 (instead of June 30, 2018), and requiring any unexpended funds to be transferred to the budget reserve by August 31, 2018 (instead of July 1, 2018).
- Minnesota premium security plan funding. Amends Laws 2017, chapter 13, article 1, section 15. Amends a section governing funding for the Minnesota premium security plan (a reinsurance program) to provide that all unused state funds in the Minnesota premium security plan account as of June 30, 2021, are transferred to the health care access fund. (Existing law provides that unused general fund money is returned to the general fund, and unused health care access fund money is returned to the health care access fund.)
- Moratorium on conversion transactions. Until July 1, 2019, prohibits nonprofit health service plan corporations and health maintenance organizations from merging, consolidating with, or transferring all or a substantial portion of assets to any entity that is not a nonprofit corporation organized in Minnesota. Establishes an exemption for corporations dissolving due to insolvency or participating in insolvency proceedings under chapter 60B.

Article 6: Direct Care and Treatment

Overview

This article adds factors for determining the location of state-operated, community-based programs, makes changes to civil commitment administrative requirements, and requires a review of and report on state-operated group homes housing one person.

- Location of programs. Amends § 252.50, subd. 5. Requires commissioner to prioritize beds for individuals with complex behavioral needs not met by private community-based providers and take into account individual choices to move to more integrated settings, when determining the location of state-operated, community-based programs.
- Administrative requirements. Amends § 253B.10, subd. 1. Requires that treatment facility staff receive civil commitment documents and information consistently and in a timely manner.
- Review of alternatives to state-operated group homes housing one person. Requires the commissioner to review alternatives to state-operated on-person group homes and report back to legislative committees by January 15, 2018.

Section

Article 7: Children and Families

Overview

This article makes changes to welfare data practices provisions, child care assistance programs and program integrity provisions, child care licensing, TEFRA parental fees, MFIP, and foster care. This article also establishes the birth to eight pilot project and the pathways to prosperity pilot project.

- Access by welfare system. Amends § 13.32, by adding subd. 12. Allows county personnel with the welfare system to request access to education data in order to coordinate services for a student or family. Specifies the manner in which the request must be submitted. Allows education data to be released only if the parent or legal guardian gives informed consent to the release.
- **Definitions.** Amends § 13.46, subd. 1. Modifies the definitions of "program" and "welfare system" in the chapter of statutes governing data practices.
- General. Amends § 13.46, subd. 2. Provides that entities within the welfare system may disclose data to (1) the chief administrative officer of a school for purposes of coordinating services for a student and family; and (2) county correctional agencies to the extent necessary to coordinate services and diversion programs.
- **Disclosure.** Amends § 13.84, subd. 5. Provides that private or confidential court services data may be disclosed to personnel in the county welfare system.
- Transition year families. Amends § 119B.011, subd. 20. Modifies the definition of "transition year families" to allow transition year child care to be used to support approved education or training programs. Makes this section effective October 23, 2017.
- **Transition year extension families.** Amends § 119B.011, subd. 20a. Modifies the definition of "transition year extension families" to allow transition year extension child care to be used to support approved education or training programs. Makes this section effective October 23, 2017.
- 7 **Applications.** Amends § 119B.025, subd. 1. Paragraph (a) clarifies that counted income must be verified at the time of initial application.
 - Paragraph (b) removes language related to redeterminations of eligibility. Requires the county to mail a notice of approval or denial of assistance to the applicant within 30 calendar days after receiving the application. Allows the county to extend the response time by 15 calendar days if the applicant is informed of the extension.
 - Paragraph (c) removes language related to redetermination forms and change report forms. Makes this section effective October 23, 2017.
- **Redeterminations.** Amends § 119B.025, by adding subd. 3. Specifies the process a county must use in redetermining eligibility for child care assistance. Limits redeterminations to occurring no more frequently than every 12 months. Makes this section effective October 23, 2017.

Section

Changes in eligibility. Amends § 119B.025, by adding subd. 4. Paragraphs (a) to (g) lay out the requirements a county must meet in processing a change in eligibility. Requires the commissioner to establish standards for verifying a change. Makes paragraphs (a) and (b) effective the day following final enactment. Makes paragraphs (c) to (g) effective October 23, 2017.

- Eligible participants. Amends § 119B.03, subd. 3. Removes a cross-reference that is repealed in section 25. Makes this section effective December 18, 2017.
- Eligible participants. Amends § 119B.05, subd. 1. Modifies MFIP child care eligibility by including certain student parents. Makes this section effective October 23, 2017.
- General eligibility requirements. Amends § 119B.09, subd. 1. Paragraphs (a) and (c) clarify income eligibility requirements.

Paragraph (d) requires all applicants and current recipients of child care assistance to pay the co-payment fee as a condition of eligibility. Allows the co-payment fee to include additional recoupment fees due to a child care assistance program overpayment.

Makes paragraphs (a) and (c) effective October 23, 2017. Makes paragraph (d) effective the day following final enactment.

Eligibility; annual income; calculation. Amends § 119B.09, subd. 4. Paragraph (a) makes a technical change.

Paragraph (b) modifies the timing of recalculations of self-employment income.

Paragraph (c) specifies how income changes are processed.

Makes this section effective October 23, 2017.

- Child care centers; assistance. Amends § 119B.09, subd. 9a. Modifies a subdivision governing eligibility for child care assistance at child care centers, to limit authorization for child care assistance to 25 or fewer children who are dependents of the center's employees. Specifies that funds paid when a center is authorized for more than 25 children who are dependents of center employees are not treated as overpayments. Makes this section effective April 23, 2018.
- 15 Child care authorizations. Creates § 119B.095.
 - **Subd. 1. General authorization requirements.** Establishes general requirements a county must follow when authorizing child care assistance.
 - **Subd. 2. Maintain steady child care authorizations.** Requires the amount of child care authorized for employment, education, or an MFIP or DWP employment plan to continue at the same number of hours or more hours until redetermination. Allows the county to increase the amount of child care authorized at any time if the participant verifies the need for increased hours for authorized activities. Allows the county to reduce the amount of child care authorized if a parent requests a reduction because of specified changes. Requires the amount of child care authorized for certain families to change when the participant's activity schedule changes.

Section

Subd. 3. Assistance for persons who are homeless. Specifies the amount of assistance a homeless applicant may receive.

Makes this section effective December 18, 2017.

- Authorization with a secondary provider. Creates § 119B.097. Requires a parent to choose one primary provider and one secondary provider per child that can be paid by child care assistance if a child uses certain combinations of providers paid by child care assistance. Limits the amount of child care authorized with the secondary provider and the total amount of child care authorized with both providers. Makes this section effective April 23, 2018.
- Assistance for persons seeking and retaining employment. Amends § 119B.10, subd. 1. Requires an employed person with an MFIP or DWP employment plan to receive child care assistance as specified in the person's employment plan.

Makes paragraphs (a) to (d) effective December 18, 2017.

- Assistance for persons attending an approved education or training program. Amends § 119B.10, by adding subd. 3. Lays out child care eligibility and authorization requirements for persons attending an approved education or training program. Makes this section effective December 18, 2017.
- **19 Extended eligibility and authorization.** Creates § 119B.105.
 - **Subd. 1. Three-month extended eligibility period.** Establishes a three-month extended eligibility period for families meeting certain criteria.
 - **Subd. 2. Extended eligibility and redetermination.** Specifies continued eligibility, redetermination, and child care authorization requirements for families who have received the three-month extended eligibility.

Makes this section effective December 18, 2017.

- **Parent fee.** Amends § 119B.12, subd. 2. Requires parent fees to be established for the family's 12-month eligibility period at initial application. Requires the parent fee to be recalculated at redetermination for the next 12-month eligibility period. Prohibits a parent fee from increasing during the 12-month eligibility period. Makes this section effective October 23, 2017.
- Subsidy restrictions. Amends § 119B.13, subd. 1. Modifies child care assistance program maximum rates by setting the maximum rate for child care providers who are located within the boundaries of a city located in two or more of the counties of Benton, Sherburne, and Stearns at the maximum rate paid in the county with the highest maximum reimbursement rates or the provider's charge, whichever is less. Limits maximum payments if a child uses two providers. Makes technical and conforming changes.

Makes paragraph (a) effective July 1, 2018. Makes paragraphs (d) to (i) effective April 23, 2018.

Provider payments. Amends § 119B.13, subd. 6. Requires payments to be made to providers within 21 days of receiving a complete bill from the provider. Makes this section effective September 25, 2017.

Section

Foster care parent liability insurance. Amends § 245.814, by adding subd. 5. Allows the commissioner to use federal reimbursement money earned on an expenditure for foster care parent liability insurance premiums to offset the costs of the premiums.

- Sudden unexpected infant death and abusive head trauma training. Amends § 245A.50, subd. 5. Exempts from the sudden unexpected infant death and abusive head trauma training relatives of the license holder if the relative is only involved in the care of the license holder's own infant or child.
- **Contribution amount.** Amends § 252.27, subd. 2a. Reduces TEFRA parental fees by 13 percent.
- **Allocation of money.** Amends § 256E.30, subd. 2. Modifies the allocation of money to community action agencies.
- General information. Amends § 256J.45, subd. 2. Adds to the list of information that must be presented during the MFIP orientation by including information about certain income exclusions. Makes this section effective December 1, 2018.
- Support for adoptive, foster, and kinship families. Proposes coding for § 256N.261.
 - **Subd. 1. Program established.** Instructs the commissioner to design and implement a program to reduce the need for placement changes of children and youth in foster care, adoptive placements, and permanent physical and legal custody kinship placements, to improve the functioning and stability of these families. Requires the commissioner, to the extent funds are available, to ensure that placements are traumainformed and child and family-centered, and to provide services as follows:
 - (1) Information, referrals, parent-to-parent support, peer support for youth, family activities, respite care, crisis services, educational support, and mental health services to children, youth, and families;
 - (2) Training for adoptive, foster, and kinship families, and the professionals who serve them, on the effects of trauma, common disabilities of children in placements, and other challenges; and
 - (3) Periodic evaluation of these services.
 - **Subd. 2. Definitions.** Defines "child and family-centered" and "trauma-informed."
- **Exempted individuals.** Amends § 256P.06, subd. 2. Adds to the list of exempted members of an assistance unit for purposes of MFIP and the child care assistance programs. Makes this section effective December 1, 2018.
- Changes that must be reported. Amends § 256P.07, subd. 3. Creates an exception for child care assistance programs to certain reporting requirements under the economic assistance program eligibility and verification statutes. Makes this section effective December 18, 2017.
- Child care assistance programs-specific reporting. Amends § 256P.07, subd. 6. Makes changes to the list of items a family receiving child care assistance must report within ten days of the change. Requires certain families to report a change in the family's authorized activity status. Requires a family to notify the county when the family wants to reduce the

Section

number of authorized hours for children in the family. Makes this section effective December 18, 2017.

- 32 Reentering foster care and accessing services after 18 years of age and up to 21 years of age. Amends § 260C.451, subd. 6. Adds a requirement for the responsible social services agency to provide foster care or other services, with a plan specific to the individual's needs, to an individual over 18 years old who was not under the guardianship of the commissioner and who asks to reenter foster care, if the individual left foster care within six months before his or her 18th birthday.
- 33 Minnesota Birth to Age Eight Pilot Project.
 - **Subd. 1. Authorization.** Requires the commissioner of human services to award a grant to Dakota County to develop and implement pilots that will evaluate the impact of a coordinated systems and service delivery approach on key developmental milestones and outcomes that lead to reading proficiency by age eight. Specifies the pilot project is from July 1, 2017, to June 30, 2021.
 - **Subd. 2. Pilot design and goals.** Requires the pilot to develop five key milestone markers from birth to age eight. Requires enrollees to be developmentally assessed and tracked by a technology solution that tracks developmental milestones. Requires the coordinated service system to focus on areas of concern, mobilize appropriate supportive services, and offer services to children whose progress falls below established milestones and their families.
 - Subd. 3. Program participants in phase 1 target population. Pilot program participants must: (1) be enrolled in WIC; (2) be participating in a family home visiting program, or nurse family practice, or Healthy Families America; (3) be children and families qualifying for and participating in early language learners in the school district in which they reside; and (4) opt-in and provide parental consent to participate in the pilot project.
 - **Subd. 4. Evaluation and report.** Requires the county or counties to work with a third-party evaluator to evaluate the effectiveness of the pilot and report to the legislative committees with jurisdiction over human services policy and finance each year by February 1 with an update on the progress of the pilot. Requires a final report on January 1, 2022.
- 34 Minnesota Pathways to Prosperity and Well-Being Pilot Project.
 - **Subd. 1. Authorization.** Allows the commissioner of human services to develop a pilot project to test an alternative financing model for the distribution of publicly funded benefits and to work with interested counties to develop the pilot and determine the waivers that are necessary to implement the pilot project based on the design and outcome measures.
 - **Subd. 2. Pilot project goals.** Specifies the goals of the pilot project.
 - **Subd. 3. Project participants.** Allows the commissioner to require certain requirements for participation in the pilot project.

Section

Subd. 4. Outcomes. Lists the outcome measures that must be included in the pilot project.

- 35 Child care correction order posting guidelines. Requires commissioner to develop guidelines, consulting with stakeholders, for posting public licensing data for licensed child care providers, by November 1, 2017.
- Repealer. Paragraph (a) repeals Minnesota Statutes 2016, sections 13.468 (data sharing). Paragraph (b) repeals Minnesota Statutes 2016, section 119B.07 (use of money), effective December 18, 2017.

Article 8: Chemical and Mental Health

Overview

This article modifies the definitions of diagnostic assessment in the adult and children's mental health acts, establishes a mental health innovation grant program, modifies the statutes relating to the Ombudsman for Mental Health and Developmental Disabilities, updates terminology and cross-references throughout the substance use disorder statutes, creates a new substance use disorder chapter, and adds new services. It also increases payment rates for certain treatment services, modifies provisions related to psychiatric residential treatment facility services for children, and requires analyses and reports for children's mental health and substance use disorder residential treatment

- **Diagnostic assessment.** Amends § 245.462, subd. 9. Paragraph (a) defines "diagnostic assessment" in the adult mental health act by reference to Minnesota Rules, part 9505.0370, subpart 11, and part 9505.0372, subpart 1, items A, B, C, and E. Specifies that a diagnostic assessment includes a standard, extended, or brief diagnostic assessment, or an adult update.
 - Paragraph (b) specifies what a brief diagnostic assessment must include.
 - Paragraph (c) requires that the professional or clinical trainee must draw a provisional clinical hypothesis based on the initial components, and may use the hypothesis to address the client's immediate needs or presenting problem.
 - Paragraph (d) allows for treatment sessions conducted under authorization of a brief assessment to be used to gather additional information necessary to complete a standard diagnostic assessment or an extended diagnostic assessment.
 - Paragraph (e) allows for psychological testing prior to completion of a client's initial diagnostic assessment.
 - Paragraph (f) allows for up to three individual of family psychotherapy or psychoeducation sessions prior to completion of a client's initial diagnostic assessment, in conjunction with the diagnostic assessment process.
 - Paragraph (g) allows for brief diagnostic assessment to be used for a client's family who requires a language interpreter to participate.

Section

2 Grant program; mental health innovation. Proposes coding for § 245.4662.

Subd. 1. Definitions. Defines the following terms: community partnership, eligible applicant, intensive residential treatment services, and metropolitan area.

"Eligible applicant" includes a county, Indian tribe, mental health center, hospital, and community partnership.

- **Subd. 2**. **Grants authorized.** Authorizes the commissioner to award grants to eligible applicants to plan, establish, or operate programs to improve community-based outpatient mental health services. Specifies that half of grant funds will be awarded to applicants in the metropolitan area, and half outside the area. Allows the commissioner to reallocate underspending among grantees within the same grant period. References the mental health innovation account for ongoing funding.
- **Subd. 3. Allocation of grants.** Specifies application deadlines and what applications must contain. Lists guidelines for the commissioner to establish criteria, and relevant factors for the commissioner to consider. Lists grant award purposes: intensive residential treatment services, mental health urgent care centers, crisis residential services, new or expanded community mental health services, supportive housing, and other innovative projects.
- **Subd. 4. Report to legislature.** Requires the commissioner to provide a report on program outcomes to the legislature by December 1, 2019. Requires grantees to provide information to the commissioner for the report.
- **Diagnostic assessment.** Amends § 245.467, subd. 2. Removes "outpatient" from Adult Mental Health Act.
- **Diagnostic assessment.** Amends § 245.4871, by adding subd. 11a. Paragraph (a) defines "diagnostic assessment" in the children's mental health act by reference to Minnesota Rules, part 9505.0370, subpart 11, and part 9505.0372, subpart 1, items A, B, C, and E. Specifies that a diagnostic assessment includes a standard, extended, or brief diagnostic assessment, or an adult update.
 - Paragraph (b) specifies what a brief diagnostic assessment must include.
 - Paragraph (c) requires that the professional or clinical trainee must draw a provisional clinical hypothesis based on the initial components, and may use the hypothesis to address the client's immediate needs or presenting problem.
 - Paragraph (d) allows for treatment sessions conducted under authorization of a brief assessment to be used to gather additional information necessary to complete a standard diagnostic assessment or an extended diagnostic assessment.
 - Paragraph (e) allows for psychological testing prior to completion of a client's initial diagnostic assessment.
 - Paragraph (f) allows for up to three individual of family psychotherapy or psychoeducation sessions prior to completion of a client's initial diagnostic assessment, in conjunction with the diagnostic assessment process.

Section

Functional assessment. Amends § 245.4871 by adding subd. 18a. Defines "functional assessment" in the children's mental health act.

- **Diagnostic assessment.** Amends § 245.4876, subd. 2. Removes "outpatient" from children's mental health act.
- Establishment and authority. Amends § 245.4889, subd. 1. Allows children's mental health grants to be used for start-up funding to establish new children's mental health programs to support providers to meet program requirements and begin operations, and for transportation to school-linked mental health services. Makes clause (17) effective the day following final enactment.
- **Facility or program.** Amends § 245.91, subd. 4. Specifies that a "facility" or "program" includes any entity required to be licensed, certified, or registered, providing services or treatment for mental illness, developmental disabilities, chemical dependency, or emotional disturbance.

Makes section effective the day following final enactment.

- **Serious injury.** Amends § 245.91, subd. 6. Adds to the list of serious injuries for reporting to the ombudsman for mental health and developmental disabilities:
 - (1) head injuries with loss of consciousness or potential for a closed head injury or concussion without loss of consciousness requiring a medical assessment, whether or not further medical attention was sought;
 - (2) attempted suicide; and
 - (3) all other incidents considered serious by a health care professional, including selfharm, medication error requiring medical treatment, delay of medical treatment, and complications related to treatment and injury.

Makes section effective the day following final enactment

Powers. Amends § 245.94, subd. 1.

Paragraph (b) clarifies that the ombudsman for mental health and developmental disabilities is a health oversight agency under federal regulations, and may access patient records.

Paragraph (d) allows the ombudsman to investigate to promote the health, safety, and welfare of clients, including those in acute care facilities receiving services through private funding.

Paragraph (e) allows the ombudsman to gather and analyze data upon receiving information or a complaint relating to the rights of one or more clients who may not be capable of requesting assistance.

Paragraph (f) allows the ombudsman to gather records on behalf of one or more clients, and specifies that the ombudsman is not required to obtain consent for access to private data for individuals in the Minnesota Sex Offender Program. Allows the ombudsman to take photos or video evidence while investigating, with client consent. Adds chemical dependency to the services for which the ombudsman may access private data on deceased clients without consent.

Section

Paragraph (i) expands ombudsman's power to attend meetings and access private client data without consent.

Paragraph (j) instructs the ombudsman to gather private data regarding services for clients with developmental disabilities and those served by the Minnesota Sex Offender Program.

Paragraph (l) states that the Office of the Ombudsman must provide the services of the Civil Commitment Training and Resource Center.

Makes section effective the day following final enactment.

11 Terms, compensation, and removal. Amends § 245.97, subd. 6. Changes the membership, compensation, and removal terms for the Ombudsman Committee.

Makes section effective the day following final enactment.

- **Exclusion from licensure.** Amends § 245A.03, subd. 2. Updates terminology to refer to substance use disorder and cross-references to new chapter established in this article. Adds county (as eligible vendor of care coordination and assessment) and recovery community organization to exclusions. Makes section effective January 1, 2018.
- Provider eligibility for payments from the chemical dependency consolidated treatment fund. Amends § 245A.191. Updates terminology and cross-references. Makes section effective January 1, 2018.
- 14 to 35 § 14. Definitions; § 15. Applicability; § 16. Licensing requirements; § 17. Initial services plan; § 18. Comprehensive assessment and assessment summary; § 19. Individual treatment plan; § 20. Treatment service; § 21. Medical services; § 22. Client records; § 23. Staff requirements; § 24. Staff qualifications; § 25. Provider policies and procedures; § 26. Provider personnel policies; § 27. Service initiation and termination policies; § 28. Client rights protection; § 29. Behavioral emergency procedures; § 30. Evaluation; § 31. License holders serving adolescents; § 32. License holders serving clients with children; § 33. License holders serving persons with co-occurring disorders; § 34. Requirements for licensed residential treatment; § 35. Opioid treatment programs. Proposing coding for 245G.01, 245G.02, 245G.03, 245G.04, 245G.05, 245G.06, 245G.07, 245G.08, 245G.09, 245G.10, 245G.11, 245G.12, 245G.13, 245G.14, 245G.15, 245G.16, 245G.17, 245G.18, 245G.19, 245G.20, 245G.21, 245G.22. These sections establish the standards for the substance use disorder services in a new chapter, 245G. A majority of the language in these sections is existing rule, and is being codified in this new chapter. New language in section 20 includes the expansion of services, which are peer recovery support services and care coordination, subject to federal approval. The existing provisions related to opioid treatment programs are consolidated in this chapter in section 35.

Sections effective January 1, 2018.

Collections deposited in the general fund. Amends § 246.18, subd. 4. Requires receipts from collection efforts for regional treatment centers and community behavioral health hospitals (county payments) to be deposited in the mental health innovation account, according to section 37.

Section

Mental health innovation account. Amends § 246.18 by adding a subdivision. Establishes the mental health innovation account. Requires \$2,000,000 of revenue generated by collection efforts from to regional treatment centers and community behavioral health hospitals to be deposited into the account in fiscal year 2018 and fiscal year 2019, and \$2,500,000 beginning fiscal year 2020. Specifies that money deposited into this account is for the mental health innovation grant program.

- **Public policy.** Amends § 254A.01. Modifies the public policy statement related to drug and alcohol addiction. Makes section effective January 1, 2018.
- **Approved treatment program.** Amends § 254A.02, subd. 2. Updates terminology and strikes obsolete references. Makes section effective January 1, 2018.
- **Comprehensive program.** Amends § 254A.02, subd. 3. Updates terminology and strikes obsolete references. Makes section effective January 1, 2018.
- **Drug dependent person.** Amends § 254A.02, subd. 5. Updates terminology and strikes obsolete references. Makes section effective January 1, 2018.
- **Facility.** Amends § 254A.02, subd. 6. Updates terminology and strikes obsolete references. Makes section effective January 1, 2018.
- **Substance misuse.** Amends § 254A.02 by adding subd. 6a. Defines the term "substance misuse." Makes section effective January 1, 2018.
- **Other drugs.** Amends § 254A.02, subd. 8. Updates terminology and strikes obsolete references. Makes section effective January 1, 2018.
- **State authority.** Amends § 254A.02, subd. 10. Updates terminology and strikes obsolete references. Makes section effective January 1, 2018.
- **Substance use disorder.** Amends § 254A.02 by adding subd. 10a. Defines the term "substance use disorder." Makes section effective January 1, 2018.
- 47 State authority on alcohol and drug abuse. Amends § 254A.03. Updates the statute delegating authority to the alcohol and drug abuse section in DHS, by incorporating the new services and updating terminology.

Subdivision 3 specifies that upon federal approval or on July 1, 2018, whichever is later, of a comprehensive assessment as a Medicaid benefit, an eligible vendor may determine and approve the appropriate level of substance use disorder treatment for a recipient of public assistance. The commissioner shall develop and implement a utilization review process for publicly funded treatment placements to monitor and review the clinical appropriateness and timeliness of publicly funded placements in treatment.

Makes section effective January 1, 2018.

- **Establishment.** Amends § 254A.035, subd. 1. Updates terminology. Makes section effective January 1, 2018.
- **Citizens advisory council.** Amends § 254A.04. Updates terminology. Makes section effective January 1, 2018.

Section

Detoxification centers. Amends § 254A.08. Updates terminology and incorporates references to rules. Makes section effective January 1, 2018.

- **Confidentiality of records.** Amends § 254A.09. Updates terminology. Makes section effective January 1, 2018.
- Financial conflicts of interest. Amends § 254A.19, subd. 3. Adds paragraph specifying that an eligible vendor conducting a comprehensive assessment shall approve the nature, intensity, and duration of treatment services, but an individual may access any enrolled and licensed provider to provide the treatment services, and must comply with any requirements of a prepaid health plan, if applicable. Makes section effective January 1, 2018.
- **Substance use disorder treatment services.** Amends § 254B.01, subd. 3. Updates terminology by changing "chemical dependency" to "substance use disorder." Makes section effective January 1, 2018.
- **Recovery community organization.** Amends § 254B.01 by adding subd. 8. Defines the term "recovery community organization." Makes section effective January 1, 2018.
- **Chemical dependency fund payment.** Amends § 254B.03, subd. 2. Updates terminology and prohibits a vendor from requiring clients to use their public benefits to offset the cost of services paid under this section. Clarifies that SNAP benefits belong to the client. Makes section effective January 1, 2018.
- **Eligibility.** Amends § 254B.04, subd. 1. Modifies the chemical dependency fund services by striking obsolete language. Makes section effective January 1, 2018.
- Eligibility for placement in opioid treatment programs. Amends § 254B.04, subd. 2b. Modifies the chemical dependency fund services by striking obsolete language. Makes section effective January 1, 2018.
- Licensure required. Amends § 245B.05, subd. 1. Provides that on July 1, 2018, or upon federal approval, whichever is later, licensed professionals in private practice and counties are eligible vendors of comprehensive assessment and assessment summary services, under new paragraphs (b) and (c). Counties are also eligible providers of care coordination services. Paragraph (d) provides that on July 1, 2018, or upon federal approval, whichever is later, a recovery community organization is an eligible vendor of peer support services. Updates terminology and references. Makes section effective January 1, 2018.
- **Room and board provider requirements.** Amends § 254B.05, subd. 1a. Updates cross-references to new chapter 245G. Makes section effective January 1, 2018.
- Rate requirements. Amends § 254B.05, subd. 5. Requires the commissioner to establish rates for the new eligible services (comprehensive assessments, care coordination, peer recovery support services, and withdrawal management services) under this section, effective July 1, 2018, or upon federal approval, whichever is later. Updates references to the new chapter 245G. Makes section effective January 1, 2018.
- **Substance use disorder treatment effectiveness.** Amends § 254B.051. Updates terminology. Makes section effective January 1, 2018.

Section

Third party liability. Amends § 254B.07. Updates terminology. Makes section effective January 1, 2018.

- **Federal waivers.** Amends § 254B.08. Updates terminology. Makes section effective January 1, 2018.
- **Indian reservation allocation of chemical dependency fund.** Amends § 254B.09. Updates terminology. Makes section effective January 1, 2018.
- **Payment methodology for highly specialized vendors.** Amends § 254B.12, subd 2. Updates terminology. Makes section effective January 1, 2018.
- **Chemical dependency provider rate increase.** Amends § 254B.12 by adding subd. 3. Provides for a 1 percent rate increase for chemical dependency services listed in section 254B.05, subdivision 5 provided on or after July 1, 2017.
- Eligibility for navigator pilot program. Amends § 254B.13, subd 2a. Updates cross-references. Makes section effective January 1, 2018.
- Psychiatric residential treatment facility services for persons under 21 years of age. Amends § 256B.0625, subd. 45a. Clarifies that MA coverage of psychiatric residential treatment facility services must be provided according to section 256B.0941, and makes conforming and technical changes. Makes section effective the day following final enactment.
- **Psychiatric residential treatment facility for persons under 21 years of age.** Proposes coding for § 256B.0941.
 - **Subd. 1. Eligibility.** (a) States that individuals eligible for mental health treatment services in a psychiatric residential treatment facility must meet all of the following criteria:
 - (1) before admission, the services are determined to be medically necessary by the state's medical review agent;
 - (2) be younger than age 21 at the time of admission, with services continuing until the individual meets discharge criteria or reaches age 22, whichever occurs first;
 - (3) has a mental health diagnosis, and clinical evidence of severe aggression or a finding that the individual is a risk to self or others;
 - (4) has a functional impairment and a history of difficulty in functioning safely and successfully, an inability to adequately care for one's physical needs, or caregiver, guardians, and family members are unable to safely fulfill the individual's needs;
 - (5) requires psychiatric residential treatment under the direction of a physician;
 - (6) utilized and exhausted other community-based mental health services, or clinical evidence indicates that these services cannot provide the needed level of care; and
 - (7) referred to residential treatment by a qualified mental health professional.
 - (b) Requires the mental health professional making a referral to submit specified documentation to the state's medical review agent, within 180 days of admission.

Section

Subd. 2. Services. Requires psychiatric residential treatment facility services providers to offer and have the capacity to provide the following:

- (1) development of the individual plan of care, review of the plan every 30 days, and discharge planning;
- (2) any services provided by a psychiatrist or physician for purposes of the services required in clause (1);
- (3) active treatment seven days per week;
- (4) individual therapy, at least twice per week;
- (5) family engagement activities, at least once per week;
- (6) consultation with other professionals;
- (7) coordination of educational services between local and resident school districts and the facility;
- (8) 24-hour nursing; and
- (9) direct care and supervision, supportive services for daily living and safety, and positive behavior management.
- **Subd. 3. Per diem rate.** (a) Requires the commissioner to establish a statewide per diem rate for facility services for individuals 21 years of age or younger. Specifies criteria for the rate and the reporting of costs.
- (b) Specifies rate components.
- (c) Allows a facility to submit a claim for payment outside of the per diem for professional services, and specifies related criteria.
- (d) Requires Medicaid to reimburse for concurrent services as approved by the commissioner to support continuity of care and successful discharge. Defines concurrent services and specifies related criteria.
- (e) Excludes the costs of the following services from payment rates: educational services, acute medical care or specialty services for other conditions, dental services, and pharmacy drug costs.
- (f) Provides a definition of "actual cost."
- **Subd. 4. Leave days.** Provides medical assistance coverage for therapeutic and hospital leave days, and specifies requirements for payment and payment levels.

Makes section effective the day following final enactment.

Exception to excluded services. Amends § 256B.0943, subd. 13. Adds a psychiatric residential treatment facility to the list of facilities for which payment can be made under MA for children's therapeutic services and supports. Strikes obsolete language. Makes section effective the day following final enactment.

Section

Covered services. Amends § 256B.0945, subd. 2. Provides that MA covers mental health services provided to children with severe emotional disturbance in a residential facility determined by CMS to be an institution for mental diseases (IMD), except for room and board, using state-only MA funding.

- Payment rates. Amends § 256B.0945, subd. 4. Provides that payments to counties, for services provided to children with severe emotional disturbance by a residential facility that is determined to be an IMD, shall be equivalent to the federal share of the payment that would have been made were the facility not an IMD. Requires the portion of payment representing what would be the nonfederal share to be paid by the county. Specifies other payment criteria and makes conforming changes.
- Critical access mental health rate increase. Amends § 256B.763. Requires the MA payment rate to mental health clinics and centers that are not designated as essential community providers under section 62Q.19 to be the same as the payment rate for those facilities that are designated as essential community providers, for the following services:
 - (1) Group skills training as a component of mental health services;
 - (2) Medication education services provided by adult rehabilitative mental health services providers;
 - (3) Mental health behavioral aide services provided by children's therapeutic services and support providers; and
 - (4) Individual and family skills training provided by children's therapeutic services and support providers.

Requires a provider to demonstrate a commitment to serve low-income and underserved populations in order to receive increased payments by charging for services on a sliding fee schedule based on poverty guidelines and not restricting access or services because of financial limitations.

- Children's mental health report and recommendations. Requires the commissioner to conduct a comprehensive analysis of Minnesota's continuum of intensive mental health services and develop recommendations for a sustainable and community-driven continuum of care for children with serious mental health needs, including children in residential treatment. Lists criteria for the analysis and requires extensive stakeholder engagement. Requires the commissioner to present the report with specific recommendations and implementation timelines to legislative committees by November 15, 2018.
- **Residential treatment and payment rate reform.** Requires the commissioner to contract with an outside expert to develop a substance use disorder residential treatment program model that is not subject to the federal IMD exclusion, and that is financially sustainable and improves treatment outcomes. Requires analysis to include recommendations and a timeline for providers to transition to the new models of care. Requires report to legislative committees by December 15, 2018.
- **Revisor's instruction.** Instructs the revisor to make necessary cross-reference changes due to terminology and structural changes in this section.

Section

Repealer. Repeals obsolete statutes and rules due to new chapter 245G; repeals section related to chemical dependency provider rate. Provides effective dates for repealers.

Article 9: Operations

Overview

This article modifies and adds several provisions relating to child care licensing and corrective actions, requires a report to the legislature on child care, and transfers investigation responsibilities for reports of maltreatment in juvenile correctional facilities regulated by the Department of Corrections to the Department of Human Services.

- Annual or annually. Amends § 245A.02, subd. 2b. Adds an exception.
- Annual or annually; family child care training requirements. Amends § 245A.02 by adding subd. 2c. Specifies that "annual" or "annually" for the purposes of section 245A.50 (family child care training requirements) means the 12 month period beginning on the license anniversary and ending the day prior to the anniversary.
- Inspections; waiver. Amends § 245A.04, subd. 4. Requires a licensing agency to offer a child care license holder an exit interview to discuss violations observed during inspection and offer technical assistance to help the license holder comply, before completing a licensing inspection. Allows commissioner to issue a correction order or negative action for violations not discussed in an exit interview, or if the license holder does not participate in an exit interview. Makes section effective October 1, 2017.
- 4 Reconsideration of correction orders. Amends § 245A.06, subd. 2. Modifies the reconsideration process of DHS licensing correction orders for licensed family child care providers, to allow for expedited review under certain circumstances.
- Requirement to post correction order. Amends § 245A.06, subd. 8. Requires the commissioner to issue an amended correction order and requires the license holder to post the amended order, if the commissioner reverses or rescinds a violation in a correction order upon reconsideration. Requires the license holder to remove the original posted correction order if the correction order is rescinded or reversed in full upon reconsideration.
- 6 Child care correction order quotas prohibited. Adds subd. 9 to § 245A.06. Prohibits the commissioner and county licensing agencies from mandating or suggesting quotas for issuing correction orders to any person responsible for licensing or inspecting child care centers or family child care facilities.
- 7 Child care fix-it ticket. Proposes coding for § 245A.065. (a) Requires the commissioner to issue a "fix-it ticket" to a child care license holder if:
 - (1) the license holder failed to comply with statute or rule that is eligible for a fix-it ticket;
 - (2) the violation does not imminently endanger the health, safety, or welfare of anyone the program serves;

Section

(3) the license holder did not receive a fix-it ticket or correction order for the same violation at the previous inspection;

- (4) the violation can be corrected at the time of inspection or within 48 hours; and
- (5) the license holder in fact corrects the violation at the time of inspection, or agrees to correct the violation within 48 hours.
- (b) Specifies that the fix-it ticket must state:
 - (1) the conditions that led to violation;
 - (2) the specific law or rule violated; and
 - (3) that the violation was corrected, or will be corrected within 48 hours.
- (c) States that a fix-it ticket will not be available on a public Web site.
- (d) Requires the child care license holder to correct the violation within 48 hours of receiving the ticket, and to submit evidence to the county licensing agency showing the correction.
- (e) Allows commissioner to issue a correction order if the violation on the fix-it ticket is not corrected at the time of inspection or within 48 hours, or if the evidence the license holder submits is not sufficient to establish that the violation has been corrected.
- (f) Requires commissioner to issue a report by October 1, 2017, identifying violations of statute and rule that are eligible for a fix-it ticket, and to provide the report to county agencies and legislative committees, and post the report online.

Makes the section effective October 1, 2017.

- License suspension, revocation, or fine. Amends § 245A.07, subd. 3. Modifies the DHS licensing act by imposing a \$5,000 fine on a license holder following the determination of serious maltreatment. Imposes a \$1,000 fine for each determination of maltreatment for a program operating out of the license holder's home and licensed under Minnesota Rules, part 9502.0300 to 9502.0495. Makes section effective August 1, 2017.
- Information for child care license holders. Proposes coding for § 245A.1434. Adds the commissioner's duty to timely inform family child care and child care center license holders of changes in federal and state statute, rule, regulation, or policy, relating to child care, child care assistance, child care quality rating and improvement, and licensing functions, in order to promote license holder compliance with changes. Allows notice via electronic means, requires the commissioner to make the notice available online.
- 10 Report to legislature on the status of child care. Proposes coding for § 245A.153.
 - **Subd. 1. Reporting requirements.** Requires the commissioner to provide a report on the status of child care in Minnesota to the legislative committees with jurisdiction over child care by February 1, 2018, and each year thereafter.
 - **Subd. 2. Contents of report.** Requires that the child care report include the following:
 - (1) summary data on trends in child care capacity and availability;
 - (2) description of any changes to statutes, rules, or policies and procedures;

Section

(3) description of actions DHS has taken to address or implement the recommendations of the Legislative Task Force on Access to Affordable Child Care, including:

- (i) encouraging uniformity in implementing and interpreting statutes, rules, policies, and procedures relating to child care licensing;
- (ii) improving communication with county licensors and child care providers;
- (iii) providing notice to child care providers before issuing correction orders or negative licensing actions relating to recently changed statutes, rules, or policies;
- (iv) implementing confidential communication processes for provider questions;
- (v) streamlining processes to reduce training and paperwork requirement overlap and duplication; and
- (vi) compiling and distributing information detail trends in violations resulting in correction orders and negative licensing actions;
- (4) description of DHS efforts to cooperate with counties;
- (5) summary data on CCAP, including state funding and number of families served
- (6) summary data on child care correction orders.
 - Subd. 3. Sunset. Section expires February 2, 2020.
- Local welfare agency, Department of Human Services or Department of Health responsible for assessing or investigating reports of maltreatment. Amends § 626.556, subd. 3c. Requires that investigations of maltreatment occurring in children's residential facilities licensed by the Commissioner of Corrections be conducted by the Department of Human Services Licensing Division.

Article 10: Health Department

Overview

This article creates or modifies programs operated by the Minnesota Department of Health. It makes changes to a chapter governing wells and borings; creates an advisory council; modifies an existing loan forgiveness program and establishes a health professionals clinical training expansion grant program; authorizes licensure of prescribed pediatric extended care centers; modifies fees for health occupations regulated by the commissioner of health, body art technicians and establishments, and food, beverage, and lodging establishments; establishes background study requirements for health occupations regulated by the commissioner of health; modifies the commissioner's authority over medical cannabis manufacturers; delays implementation of radon licensing requirements; and authorizes studies or working groups regarding safety and quality improvement practices for long-

Section

term care services, the home care nursing workforce shortage, and opioid abuse prevention.

- **Boring.** Amends § 103I.005, subd. 2. In a definition of boring, removes a reference to environmental bore holes and changes a reference from shafts to borings.
- 2 Certified representative. Amends § 103I.005, subd. 2a. Amends the definition of certified representative to change an occupational title from monitoring well contractor to environmental well contractor.
- 3 Environmental well. Adds subd. 8a to § 103I.005. Defines environmental well.
- **Environmental well contractor.** Adds subd. 8b to § 103I.005. Defines environmental well contractor.
- 5 Limited well/boring contractor. Amends § 103I.005, subd. 12. Modifies the definition of limited well/boring contractor by changing the tasks that require a limited well/boring contractor's license.
- **Temporary environmental well.** Adds subd. 17a to § 103I.005. Defines temporary environmental well.
- Water supply well. Amends § 103I.005, subd. 20a. Modifies the definition of water supply well by changing a reference from monitoring well to environmental well and removing remedial wells from the definition of water supply well.
- **Well.** Amends § 103I.005, subd. 21. Amends the definition of well to add monitoring, testing, and remediation as well uses and change a reference from monitoring well to environmental well.
- **Duties.** Amends § 103I.101, subd. 2. In a subdivision specifying duties of the commissioner of health related to regulating wells and borings, specifies that environmental well contractors are licensed, not registered, and changes an occupational title. Makes other minor changes.
- Commissioner to adopt rules. Amends § 103I.101, subd. 5. In a subdivision authorizing rulemaking relating to wells and borings, changes registration to license or certification, as applicable.
- 11 Fees for variances. Amends § 103I.101, subd. 6. Changes the application fee for requesting a variance or modification from rules governing wells and borings, from \$235 to \$275.
- Advisory council on wells and borings. Amends § 103I.105. Amends a section establishing the advisory council on wells and borings, to change a term from monitoring well contractor to environmental well contractor.
- Unsealed wells and borings are public health nuisances. Amends § 103I.111, subd. 6. Clarifies that unsealed borings that are required to be sealed, in addition to unsealed wells, are a public health nuisance that may be abated.
- Municipal regulation of drilling. Amends § 103I.111, subd. 8. Changes a reference from shaft to boring, in a subdivision authorizing municipalities to regulate certain types of drilling.

Section

Notification required. Amends § 103I.205, subd. 1. Modifies the types of wells for which the commissioner must be notified before construction, and specifies that notification prior to construction is not required for a temporary environmental well. Strikes language requiring a permit to construct a monitoring well.

- **Emergency permit and notification exemptions.** Amends § 103I.205, subd. 2. Clarifies that the commissioner may adopt rules for boring permits, and changes a term used from monitoring well contractor to environmental well contractor.
- Maintenance permit. Amends § 103I.205, subd. 3. Changes a term used from monitoring well to environmental well.
- License required. Amends § 103I.205, subd. 4. Changes a term used from monitoring well to environmental well, adds a reference to borings, clarifies that environmental well contractors are licensed rather than registered, and modifies activities that may be performed by a limited well/boring contractor.
- **At-grade environmental wells.** Amends § 103I.205, subd. 5. Changes a term used from monitoring well to environmental well.
- Distance requirements for sources of contamination, buildings, gas pipes, liquid propane tanks, and electric lines. Amends § 103I.205, subd. 6. Prohibits a person from placing or installing a building, gas pipe, liquid propane tank, or electric line closer to a well or boring than as authorized by the commissioner in rule.
- **Well notification fee.** Amends § 103I.208, subd. 1. Changes well notification fees as follows:
 - construction of a water supply well, from \$235 to \$275;
 - well sealing, from \$65 to \$75 for each well; and
 - construction of a dewatering well, from \$235 to \$275 for each well and from \$1,175 to \$1,375 for projects with five or more wells.

Also establishes a fee of \$275 to construct an environmental well (a \$235 monitoring well fee in another section is being stricken).

- Permit fee. Amends § 103I.208, subd. 2. Modifies permit fees as follows:
 - moves language exempting wells owned by public entities from fees, from a clause on monitoring wells to a clause on environmental wells;
 - strikes a monitoring well fee (an environmental well fee is established in another section);
 - groundwater thermal exchange device, from \$235 to \$275;
 - bored geothermal heat exchanger, from \$235 to \$275, \$475 to \$515, or \$700 to \$740;
 and
 - elevator boring, from \$235 to \$275.
- Temporary environmental well and unsuccessful well exemption. Adds subd. 3 to § 1031.235. Specifies that a section requiring disclosure of the location of wells before transferring real property does not apply to temporary environmental wells or unsuccessful wells that have been sealed.

Section

Wells and borings. Amends § 103I.301, subd. 1. Adds borings to a subdivision governing sealing of wells, and removes a reference to registered persons.

- **Environmental wells.** Amends § 103I.301, subd. 2. Changes a term used from monitoring well to environmental well.
- Order to seal well or boring. Amends § 103I.315, subd. 1. Changes a term used from monitoring well to environmental well.
- Licensing and regulation of wells and borings. Amends § 103I.501. Removes a reference to register, in a section governing the commissioner's authority to license and regulate activities related to wells and borings. Also changes terms used, from monitoring well contractor to environmental well contractor.
- **Reciprocity authorized.** Amends § 103I.505, subd. 1. In a section governing reciprocity for persons licensed or certified in other states, replaces registration with certification.
- **Fees required.** Amends § 103I.505, subd. 2. In a section governing reciprocity for persons licensed or certified in other states, replaces registration with certification.
- **Licenses not transferrable.** Amends § 103I.515. In a section on transferability of licenses and similar authorizations, replaces registration with certification.
- Certification application. Amends § 103I.525, subd. 1. Removes language authorizing a person to apply as an individual for certification to represent a well contractor.
- **Certification fee.** Amends § 103I.525, subd. 2. Establishes requirements for certified representatives to renew certification.
- **Bond.** Amends § 103I.525, subd. 5. Removes language exempting individual well contractors from a requirement to submit a corporate surety bond.
- **License fee.** Amends § 103I.525, subd. 6. Removes language establishing a fee for individual well contractor licenses.
- **Renewal.** Amends § 103I.525, subd. 8. Removes language regarding renewal application fees for individual well contractor licenses.
- Certification fee. Amends § 103I.531, subd. 2. Establishes a fee of \$225 for three or more limited well/boring contractor certifications, and establishes requirements to renew certification for certified representatives of a limited well/boring contractor.
- **Bond.** Amends § 103I.531, subd. 5. Removes language requiring submission of a \$10,000 corporate surety bond for a limited well/boring contractor to construct, repair, or seal drive point wells or dug wells. Requires submission of a \$2,000 corporate surety bond for a limited well/boring contractor to modify well pumps and pumping equipment, and removes language requiring submission of this bond for a contractor to install well pumps or pumping equipment.
- **Certification fee.** Amends § 103I.535, subd. 2. Establishes requirements to renew certification for representatives of an elevator boring contractor.

Section

License fee. Amends § 103I.535, subd. 6. In a subdivision establishing license fees for certain licenses, changes the name of the license from elevator shaft contractor's license to elevator boring contractor's license.

- 40 to 48 Amends § 103I.541. In a section governing representatives of monitoring well contractors, changes registration to certification or licensure and removes references to registration. Changes an occupational title from monitoring well contractor to environmental well contractor. Clarifies that a representative must file an application and a renewal application to renew the certification and must include information that the certified representative has met continuing education requirements.
- **Registration of drilling machines and hoists required.** Amends § 103I.545. In a section governing the use of drilling machines and hoists, removes references to registration.
- Limited pump, pitless, or dug well/drive point contractor. Adds § 103I.550. Establishes requirements for the issuance of a limited pump or pitless license or certification, and for a limited dug well/drive point license or certification.
- License required to make borings. Amends § 103I.601, subd. 2. In a subdivision establishing requirements for licensure of explorers, establishes procedures for certification renewal and prohibits a person with an expired certification from supervising exploratory borings until these procedures are completed.
- Notification and map of borings. Amends § 103I.601, subd. 4. At least ten days before beginning exploratory boring, requires an explorer to submit notice of a proposed boring and the required fee to the commissioner of health.
- **Impoundment.** Amends § 103I.711, subd. 1. In a subdivision establishing a process for the commissioner to seek impoundment of drilling machines and hoists, changes shaft to boring and removes a reference to registration.
- **Gross misdemeanors.** Amends § 103I.715, subd. 2. In a subdivision establishing penalties for violations of chapter 103I, changes shafts to borings.
- Minnesota biomedicine and bioethics innovation grants. Adds § 137.67. Establishes a grant program in which the steering committee of the University of Minnesota and Mayo Foundation partnership awards grants to fund innovations and research in biomedicine and bioethics. Lists allowable uses for funds, and lists criteria to be used by the steering committee in awarding grants. Allows the steering committee to consult with interested parties who are able to provide technical information, advice, and recommendations on grant projects and awards.
- Criminal history background checks on applicants, licensees, and other occupations regulated by commissioner of health. Adds § 144.0572. Establishes criminal history background check requirements for audiologists, speech-language pathologists, and hearing instrument dispensers. Directs the commissioner of health to contract with the Department of Human Services to conduct background checks through NETStudy 2.0. Lists information applicants and licensees must provide for a background check to be performed, and requires payment of fees.

Section

Palliative Care Advisory Council. Adds § 144.059. Establishes an 18-member Palliative Care Advisory Council to advise the commissioner of health on palliative care initiatives in the state. Specifies the council's membership, and requires at least six members to reside outside counties in and surrounding the Twin Cities metro area. Establishes requirements for meetings and terms, and provides that public members of the council shall not receive compensation or reimbursement for expenses. Directs the council to consult with and advise the commissioner on palliative care initiatives in the state, and requires the council to submit an annual report on the availability of palliative care, barriers, and recommendations for legislative action. Requires the report to also be published on MDH's Web site. Requires the council to comply with open meeting laws, and sunsets the council January 1, 2025.

- **Authorization to use handheld dental x-ray equipment.** Adds § 144.1215. Allows the use of handheld dental x-ray equipment that meet the requirements of this section.
 - **Subd. 1. Definition; handheld dental x-ray equipment.** Defines handheld dental x-ray equipment.
 - **Subd. 2. Use authorized.** Allows a facility to use handheld dental x-ray equipment if the equipment has been approved for human use by the FDA and is being used consistent with that approval and uses a backscatter shield that meets the listed requirements. Prohibits use of the equipment if its backscatter shield is broken or not permanently affixed to the system. Prohibits limiting the use of handheld equipment to situations when it is impractical to transfer a patient to a stationary system. Allows the system's tube housing and position-indicating device to be handheld during exposure. Requires the equipment to be securely stored when not in use and establishes calibration requirements.
 - **Subd. 3. Exemptions from certain shielding requirements.** Exempts handheld equipment from the following requirements in Minnesota Rules: shielding requirements and requirements for the location of the x-ray console or use of a protective barrier.
 - **Subd. 4. Compliance with rules.** Requires handheld dental x-ray equipment to otherwise comply with Minnesota Rules, chapter 4732, which governs sources of ionizing radiation.
- License, permit, and survey fees. Amends § 144.122. Increases license fees for nursing homes effective July 1, 2018, and July 1, 2020. Specifies that fees collected to license hospitals, nursing homes, outpatient surgical centers, boarding care homes, and supervised living facilities are nonrefundable even if received before July 1, 2017, for licenses issued effective July 1, 2017 or later.
- **Creation of account.** Amends § 144.1501, subd. 2. Expands the category of nurses eligible for loan forgiveness through the health professional education loan forgiveness program to include nurses who agree to practice in a housing with services establishment or practice with a home care provider.
- Health professionals clinical training expansion grant program. Adds § 144.1505. Establishes a program administered by the commissioner of health to provide grants to physician assistant (PA), advanced practice registered nurse (APRN), pharmacy, dental

Section

therapy, and mental health professional training programs, to expand clinical training for these professions.

- **Subd. 1. Definitions.** Defines terms: eligible advanced practice registered nurse program; eligible dental therapy program; eligible mental health professional program; eligible physician assistant program; eligible pharmacy program; mental health professional; and project.
- **Subd. 2. Program.** Directs the commissioner of health to award grants to eligible programs training advanced practice registered nurses, physician assistants, pharmacists, dental therapists, advanced dental therapists, or mental health professionals, to plan and implement expanded clinical training for these professions. Establishes limits for planning and training grants and lists purposes for which grant funds may be used.
- **Subd. 3. Applications.** Directs eligible PA, APRN, pharmacy, dental therapy, and mental health professional programs seeking a grant to apply to the commissioner and lists required content for applications.
- **Subd. 4. Consideration of applications.** Directs the commissioner to review and score applications and specifies factors the commissioner must use to score applications.
- **Subd. 5. Program oversight.** Directs the commissioner to determine grant amounts for eligible programs based on their application scores. Specifies that appropriations do not cancel and are available until expended and allows the commissioner to collect from programs information necessary for evaluation.
- **Public health response contingency account.** Adds § 144.4199. Establishes a public health response contingency account for use by the commissioner of health to fund public health response activities required to address pandemic influenza or an outbreak of a communicable or infectious disease.
 - **Subd. 1. Public health response contingency account.** Establishes the public health response contingency account in the special revenue fund and appropriates money in the account to the commissioner of health for the purposes listed in subdivision 4.
 - **Subd. 2. Definition.** Defines "public health response" as immediate public health activities needed to protect public health and safety due to pandemic influenza or an outbreak of a communicable or infectious disease.
 - **Subd. 3. Determination criteria.** Allows the commissioner to use money in the account only if the commissioner:
 - determines the pandemic influenza or disease outbreak requires a public health response;
 - determines the public health response is reasonably expected to require more supplies, equipment, personnel, and other resources than otherwise available; and

Section

- has notified the appropriate federal agency that the influenza or disease (i) may
 require evacuations, relocations of ill or injured people, or the provision of
 replacement essential community services; (ii) may result in a large number of
 deaths, serious injuries, or long-term disabilities; (iii) involves exposure to an
 infectious agent that poses a risk of substantial future harm to a large number of
 people; or (iv) poses a significant risk of harm to a large number of people or a
 high rate of morbidity or mortality.
- **Subd. 4. Uses of funds.** Lists allowable uses for money in the public health response contingency account: staffing; information technology; supplies, equipment, and services to protect people in the affected area or population, health care providers, and public safety workers; training and coordination; communication and outreach; to provide a state match for federal assistance; laboratory testing; the purchase of vaccines, antibiotics, antivirals, and other medicines; and reimbursement to community health boards, local units of government, health care organizations, health care providers, and other state agencies for incurred costs.
- **Subd. 5. Assistance from other sources.** As a condition of using money in the account, requires the commissioner to seek appropriate assistance from other available sources, including the federal government. If the commissioner recovers funds from a nonstate source after using money from the public health response contingency account, requires the commissioner to reimburse the account for expenditures made from the account, up to the amount recovered from the nonstate source.
- **Subd. 6. Emergency management authority.** States that this section does not limit the emergency management authority of the governor, local organizations for emergency management, or county organizations for emergency management.
- **Subd. 7. Notice and expenditure review.** If the commissioner of health determines that a pandemic influenza or outbreak of a communicable or infectious disease may require diversion of Department of Health staff or resources to address the outbreak, requires the commissioner of health to provide notice to the legislative committees with jurisdiction over health and human services policy and finance, and lists information the notice must include. Before authorizing expenditures from the contingency account, requires the commissioner to seek review and recommendation from the Legislative Advisory Commission.
- **Subd. 8. Report.** Requires the commissioner of health, by January 15 of each year, to submit a report to the listed legislative committees detailing expenditures made from the public health response contingency account in the previous calendar year.
- 63 to 65 Delays implementation of rules adopted under the radon licensing act, requirements for system tags for radon mitigation systems, and licensure requirements for radon detection and mitigation individuals and firms, until January 1, 2019.
- **Restricted construction or modification.** Amends § 144.551, subd. 1. Current law prohibits the construction of a new hospital and any hospital construction that increases hospital bed capacity or increases or redistributes hospital beds in the state. This section establishes an exception, to allow PrairieCare's inpatient psychiatric hospital for children and adolescents

Section

in Brooklyn Park to add 21 new beds to that facility. This section is effective the day following final enactment.

- Remedies available. Amends § 144.99, subd. 1. Allows the Minnesota Department of Health to enforce section 144.1215 (authorizing the use of handheld dental x-ray equipment) using the tools of the Health Enforcement Consolidation Act (HECA; sections 144.99 to 144.993; these sections include provisions on correction orders, administrative penalty orders, injunctive relief, cease and desist orders, actions related to licenses, contested case hearings, and penalty amounts).
- Fees; application, change of ownership, and renewal. Amends § 144A.472, subd. 7. Increases license fees for home care providers effective July 1, 2018, and July 1, 2020. Specifies that home care provider license fees are nonrefundable even if received before July 1, 2017, for licenses issued effective July 1, 2017 or later.
- **Fines.** Amends § 144A.474, subd. 11. Requires the revenue from fines collected from home care providers to be used by the commissioner of health for special projects to improve home care in Minnesota, as recommended by the home care provider advisory council. (Current law permits, but does not require, the revenue to be used for these special projects.)
- **Duties.** Amends § 144A.4799, subd. 3. Directs the home care provider advisory council to annually review the balance in the account that holds fines collected from home care providers, and to make recommendations to the legislature regarding uses of those funds for special projects to improve home care.
- Nurse. Adds subd. 4a to § 144A.70. Defines "nurse" for purposes of statutes regulating supplemental nursing services agencies, to mean an LPN or an RN.
- Supplemental nursing services agency. Amends § 144A.70, subd. 6. Amends the definition of supplemental nursing services agency, by removing "other licensed health professionals" from the list of health professionals an agency may provide for temporary employment in a health care facility. With this language removed, a supplemental nursing services agency that is regulated by the commissioner of health is an agency that provides nurses, nursing assistants, nurse aides, and orderlies for temporary employment in health care facilities.
- Contents of contract. Amends § 144D.04, subd. 2. In a subdivision establishing requirements for housing with services contracts, requires contracts to include text providing tenants with conspicuous notice of the circumstances under which the tenant's contract may be modified, amended, or terminated, including requiring a tenant to move to a different room or share a room.
- **Other laws.** Amends § 144D.06. Exempts housing with services establishments from being required to obtain a lodging license under chapter 157.
- **Definitions.** Adds § 144H.01. Defines terms for a new chapter licensing prescribed pediatric extended care centers: basic services, commissioner, licensee, medically complex or technologically dependent child, owner, prescribed pediatric extended care center, and supportive services or contracted services.

Section

Licensure required. Adds § 144H.02. Prohibits a person from owning or operating a prescribed pediatric extended care center, or PPEC center, unless the center is licensed by the commissioner of health under this chapter.

- Exemptions. Adds § 144H.03. Exempts facilities operated by a federal agency and facilities licensed under chapter 144 (hospitals and supervised living facilities) or 144A (nursing homes, boarding care homes, and hospices) from the licensing requirements of this chapter.
- **The Solution Action 1.** License application and renewal. Adds § 144H.04. Establishes a procedure and requirements for seeking licensure and for license renewal. Specifies that PPEC center licenses are not transferrable.
- Fees. Adds § 144H.05. Specifies fees for initial license applications, license renewal, late submission of a renewal application, and change of ownership. Provides that fees are not refundable.
- Application of rules for hospice services and residential hospice facilities. Adds § 144H.06. Provides that rules for hospice services and residential hospice facilities, administered by the commissioner of health, also apply to PPEC centers, except that the rules listed in clauses (1) to (11) do not apply.
- Services; limitations. Adds § 144H.07. Requires PPEC centers to provide basic services to medically complex and technologically dependent children, based on a protocol of care established for each child. Allows a PPEC center to provide care up to 14 hours a day and up to six days a week. Prohibits a child from attending a PPEC center more than 14 hours in a 24-hour period. Prohibits a PPEC center from providing other services besides services to medically complex or technologically dependent children. Specifies that the maximum capacity for a PPEC center is 45 children.
- **Administration and management.** Adds § 144H.08. Provides that the owner of a PPEC center has the full legal authority and responsibility for operation of the center, and requires the owner to designate an administrator who is responsible for overall management of the center. Lists duties for center administrators.
- Admission, transfer, and discharge policies; consent form. Adds § 144H.09. Requires a PPEC center to have written policies for admitting, transferring, and discharging children, and requires a parent or guardian to sign a consent form before admitting a child to a PPEC center. Also requires notice of discharge to a parent or guardian at least ten days before a child's discharge.
- **Medical director.** Adds § 144H.10. Requires a PPEC center to have a medical director who is a physician licensed in Minnesota and certified by the American Board of Pediatrics.
- Nursing services. Adds § 144H.11. Requires a PPEC center to have a nursing director who is a registered nurse licensed in Minnesota and who has specified expertise. Also establishes requirements that registered nurses, licensed practical nurses, and other direct care personnel (including nursing assistants and individuals trained in the fields of education, social services, or child care) must meet in order to be employed by a PPEC center.
- **Total staffing for nursing services and direct care personnel.** Adds § 144H.12. Requires a minimum of one staff person providing direct care for every three children at a PPEC center.

Section

Medical record; protocol of care. Adds § 144H.13. Requires a medical record and individualized nursing protocol of care to be developed, maintained, and appropriately signed for each child admitted to a PPEC center.

- **Quality assurance program.** Adds § 144H.14. Requires PPEC centers to have a quality assurance program.
- 89 Inspections. Adds § 144H.15. Allows the commissioner of health to inspect PPEC centers and center records at reasonable times to ensure compliance with this chapter and rules that apply to PPEC centers, and before issuing or renewing a license.
- **Compliance with other laws.** Adds § 144H.16. Requires PPEC centers to:
 - develop procedures for reporting suspected child maltreatment; and
 - comply with crib safety requirements in section 245A.146, to the extent they are applicable.
- **Denial, suspension, revocation, refusal to renew a license.** Adds § 144H.17. Specifies grounds for denying, suspending, revoking, and refusing to renew a PPEC center license, and provides for a contested case hearing before suspending, revoking, or refusing to renew a license.
- **92** Fines; corrective action plans. Adds § 144H.18.
 - **Subd. 1.** Corrective action plans. Authorizes the commissioner to require a PPEC center to submit a corrective action plan to remedy violations found by the commissioner.
 - **Subd. 2. Fines.** Authorizes the commissioner to issue a fine to a PPEC center, employee, or contractor, and lists factors for the commissioner to consider in determining fine amounts.
 - **Subd. 3. Fines for violations of other statutes.** Directs the commissioner to impose a fine of \$250 for violations of the Maltreatment of Minors Act or crib safety requirements.
- Olosing a PPEC center. Adds § 144H.19. If a PPEC center voluntarily closes, requires the PPEC center to provide notice to the parents and guardians of children attending the center at least 30 days before the center closes.
- **Physical environment.** Adds § 144H.20. Requires PPEC centers to conform with the physical environment requirements in this section, and otherwise with requirements that apply to day care facilities in Minnesota Rules, chapter 9502. Establishes specific requirements for center entrances, treatment rooms, isolation procedures, outdoor and indoor spaces, and application of the building code.
- **Forms.** Amends § 145.4131, subd. 1. Requires a physician or facility performing an abortion to include in abortion data reports submitted to the commissioner of health, the facility code for the patient and the facility code for the physician, if the abortion was performed via telemedicine. This section is effective January 1, 2018.

Section

Duties of director. Amends § 145.4716, subd. 2. Authorizes the commissioner of health to manage funds that were used or intended to be used to commit a crime related to prostitution or sex trafficking, were subject to forfeiture under state law, and were deposited in the safe harbor for youth account. The commissioner may use these funds for distribution to crime victims services organizations that serve sexually exploited youth.

- **Reports.** Amends § 145.928, subd. 13. Clarifies that the commissioner of health's annual report on public health grants made to decrease racial and ethnic disparities in infant mortality rates must be released to the public. Also requires the report to include an itemized list specifying how each grantee used the grant funds and the amount expended for each use.
- **Grants to local communities.** Amends § 145.986, subd. 1a. Requires the commissioner of health to award at least two statewide health improvement program (SHIP) grants to be used to confront the opioid addiction and overdose epidemic.
- **Requirements and term of license.** Amends § 146B.02, subd. 2. Makes a body art establishment license valid for two years, instead of three years as in current law.
- **Inspection.** Amends § 146B.02, subd. 3. Requires the commissioner to inspect a body art establishment within one year of issuing a provisional license.
- **Transfer of ownership, relocation, and display of license.** Amends § 146B.02, subd. 5. Requires a person who purchased a body art establishment to submit an application for licensure within two weeks of the date of sale, and requires an owner of a body art establishment that is relocating to submit an application for licensure at the new location.
- **Supervisors.** Adds subd. 7a to § 146B.02. Establishes qualifications for persons supervising temporary body art technicians.
- **Temporary event permit.** Amends § 146B.02, subd. 8. Prohibits a person without a body art establishment license from being issued more than four temporary body art event permits in a year. Also prohibits a person who has been disciplined for a serious violation of chapter 146B in the past three years from being issued a temporary body art event permit.
- Licensure precluded. Adds subd. 10 to § 146B.02. Authorizes the commissioner to deny a body art establishment license to a person disciplined for a serious violation of chapter 146B. Lists criteria the commissioner must consider in deciding whether to license a person who has been disciplined for a serious violation of chapter 146B.
- **Penalties.** Adds subd. 11 to § 146B.02. Provides that any person who performs body art in an unlicensed location or who owns or operated an unlicensed body art establishment is guilty of a gross misdemeanor.
- Licensure term; renewal. Amends § 146B.03, subd. 6. Allows certain body art technicians with lapsed licenses in Minnesota to apply for license renewal. Requires a body art technician previously licensed in Minnesota whose license has lapsed for more than six years and who was not continuously licensed in another jurisdiction during the period of lapse, to reapply for licensure, rather than applying for license renewal.
- **Temporary licensure.** Amends § 146B.03, subd. 7. Allows a temporary body art technician license to be renewed twice, rather than once as in current law.

Section

Parent or legal guardian consent; prohibitions. Amends § 146B.07, subd. 2. Provides that tattooing an individual under age 18 is a gross misdemeanor, regardless of parental or guardian consent.

- **Licensing fees.** Amends § 146B.10, subd. 1. Modifies fees as follows:
 - body art technician licensure, from \$100 to \$420;
 - temporary body art technician licensure, from \$100 to \$240;
 - temporary guest artist licensure, from \$50 to \$140;
 - dual body art technician licensure, from \$100 to \$420;
 - provisional body art establishment licensure, initial establishment licensure, and renewal of an establishment license, from \$1,000 to \$1,500; and
 - temporary body art establishment event permit, from \$75 to \$200.

Allows the commissioner to prorate the first renewal fee in certain circumstances. Establishes fees for license verification to other states, to reissue a provisional establishment license for an establishment that relocates before removal of provisional status, and to change an establishment name or establishment type.

- Late renewal fee. Amends § 146B.10, subd. 2. Modifies the fee for late submission of a body art technician renewal application, from \$75 to \$150. Establishes a fee of \$300 for late submission of a body art establishment renewal application.
- **Technical violation fee for practice after lapse.** Adds subd. 2a to § 146B.10. Establishes technical violation fees for practicing body art after expiration of a body art license or temporary body art license, and for operating a body art establishment after expiration of the establishment's license.
- **General licensure procedures.** Amends § 148.514, subd. 1. Requires applicants for licensure as a speech-language pathologist or audiologist to consent to a fingerprint-based background check.
- **Applications for licensure.** Amends § 148.519, subd. 1. As part of an application for licensure as a speech-language pathologist or audiologist, requires an applicant to consent to a fingerprint-based criminal history background check and pay all required background check fees.
- Action on applications for licensure. Amends § 148.519, subd. 2. Prohibits the commissioner of health from licensing a person applying for a speech-language pathology or audiology license, if the person refuses to consent to a background study within 90 days after submitting the application for licensure.
- **Speech-language pathologist licensure fees.** Amends § 148.5194, subd. 2. Increases the fee for initial licensure for a speech-language pathologist from \$200 to \$210.50.
- Licensure fees for dual licensure as a speech-language pathologist and audiologist.

 Amends § 148.5194, subd. 3. Increases the fee for initial dual licensure from \$435 to \$523.

 Increases the fee for clinical fellowship licensure, doctoral externship, temporary license, or license renewal from \$435 to \$510.

Section

Penalty fee for late renewals. Amends § 148.5194, subd. 4. Increases the fee for late submission of a renewal application for licensure as a speech-language pathologist or audiologist from \$45 to \$60.

- **Audiologist biennial licensure fee.** Increases the fee for initial licensure as an audiologist from \$435 to \$523. Increases the fee for clinical fellowship, doctoral externship, temporary licensure, and license renewal as an audiologist from \$435 to \$510.
- Surcharge. Adds subd. 7a to § 148.5194. Establishes a onetime surcharge to cover background check costs, for speech-language pathologists and audiologists who were licensed before January 1, 2018, and renewing their licenses after January 1, 2020.
- Rights of applicants and licensees. Amends § 148.5195, subd. 2. Updates a cross-reference.
- **Fees.** Amends § 148.997, subd. 1. Increases the application fee for doula certification from \$130 to \$185, and increases the background check fee from \$6 to \$15.
- Medical cannabis manufacturer registration. Amends § 152.25, subd. 1. Authorizes the commissioner of health to decide to not renew a medical cannabis manufacturer's registration if an officer, director, or controlling person of the manufacturer pleads or is found guilty of intentionally diverting medical cannabis to a person other than allowed by law.
- Revocation, nonrenewal, or denial of consent to transfer a medical cannabis manufacturer registration. Adds subd. 1a to § 152.25. If the commissioner of health intends to revoke, not renew, or deny consent to transfer a medical cannabis manufacturer registration, requires the commissioner to notify a manufacturer in writing and give the manufacturer a chance to request a contested case hearing. Allows the commissioner to proceed without a hearing if the manufacturer does not request a hearing. Specifies a registration is revoked on the date specified in the commissioner's notice of revocation.
- **Temporary suspension proceedings.** Adds subd. 1b to § 152.25. Establishes a process for the commissioner to temporarily suspend a medical cannabis manufacturer's registration.
- Notice to patients. Adds subd. 1c to § 152.25. If a manufacturer's registration is revoked, not renewed, or temporarily suspended, requires the commissioner to provide written notice to patients and their designated caregivers, parents, or legal guardians about the proceeding and alternative registered manufacturers. Requires this notice to be provided at least two business days before the revocation, nonrenewal, or suspension.
- Advertising restrictions. Adds subd. 3 to § 152.28. Prohibits health care practitioners from including in their advertising, certain information, terms, or images related to medical cannabis, a statement that the practitioner is endorsed by the Department of Health, or medical symbols that could be confused with the symbols of established medical groups. A health care practitioner who violates this subdivision is prohibited from certifying that patients have a qualifying medical condition for purposes of patient participation in the medical cannabis registry program.
- **Intentional diversion outside the state; penalties.** Adds subd. 1a to § 152.33. Permits the commissioner to levy a fine of \$250,000 against a manufacturer and immediately initiate proceedings to revoke a manufacturer's registration if an officer, director, or controlling person of the manufacturer: (1) pleads or is found guilty of intentionally transferring medical

Section

cannabis to a person other than allowed by law; and (2) in transferring medical cannabis to a person other than allowed by law, transported or directed the transport of medical cannabis outside the state. Requires fees collected under this subdivision to be deposited in the state government special revenue fund.

- **Application for certificate.** Amends § 153A.14, subd. 1. Requires an applicant for certification as a hearing instrument dispenser to consent to a fingerprint-based criminal history records check, pay all associated fees, and cooperate with requests for information.
- **Issuance of certificate.** Amends § 153A.14, subd. 2. Prohibits the commissioner from issuing a hearing instrument dispenser certificate to a person who refuses to consent to a criminal history background check.
- **Expenses; fees.** Amends § 153A.17. Increases fees for hearing instrument dispenser certification as follows:
 - initial certification, from \$600 to \$772.50;
 - annual renewal of certification, from \$600 to \$750;
 - fee for the practical portion of the hearing instrument dispenser exam, from \$250 to \$600:
 - trainee application fee, from \$200 to \$230; and
 - fee for late submission of an application for renewal, from \$200 to \$260.

Also requires hearing instrument dispensers certified before January 1, 2018, to pay a onetime surcharge of \$22.50 when renewing a certification that expires after October 31, 2020.

- License required annually. Amends § 157.16, subd. 1. Specifies that license fees collected under chapter 157 must be deposited in the state government special revenue fund.
- Establishment fees; definitions. Amends § 157.16. Modifies the names of food and beverage establishment fee categories; the new categories are category 1 establishment, category 2 establishment, and category 3 establishment. Also modifies the establishments and facilities that are included in each category, and increases fees for food and beverage service establishments, special event food stands, category 1 establishments, category 2 establishments, category 3 establishments, other food and beverage service providers, lodging establishments, public pools, spas, additional food service locations, and additional inspections. Establishes a fee for HACCP verification, and eliminates separate fees for beer or wine table service and for alcohol service from a bar.
- Statewide hospitality fee. Amends § 157.16, subd. 3. Increases the statewide hospitality fee from \$35 to \$40; all boarding establishments, food and beverage service establishments, seasonal temporary or permanent food stands, special event food stands, mobile food units, food carts, resorts, hotels, motels, and lodging establishments must submit this fee to the commissioner of health for each licensed activity.
- Occupations regulated by commissioner of health. Adds subd. 2a to § 245C.10. Directs the commissioner of human services to set fees to recover the cost of combined background studies and criminal background checks for speech-language pathologists, audiologists, and hearing instrument dispensers. Appropriates these fees to the commissioner of human services to conduct the background studies and criminal background checks.

Section

Fees, manufactured home parks and recreational camping areas. Amends § 327.15, subd. 3. Increases fees for manufactured home parks and recreational camping areas. Requires fees collected under this section to be deposited in the state government special revenue fund.

- **Exceptions.** Amends § 364.09. Provides that chapter 364, which governs access to criminal records and the use of criminal history for purposes of employment, does not apply to speech-language pathologist, audiologist, and hearing instrument dispenser licenses, registrations, permits, or certificates denied or revoked by the commissioner of health.
- **Disposition of money; prostitution.** Amends § 609.5315, subd. 5c. Transfers authority to distribute the forfeited funds used or intended to be used to commit a prostitution or sex trafficking crime, from the commissioner of public safety to the commissioner of health.
- 138 to 141 Amends § 626.556, subds. 2, 3, 3c, 10d. Adds references to PPEC centers in section 626.556, the Maltreatment of Minors Act, to make PPEC centers subject to the reporting requirements and standards in that section.
- Recommendations for safety and quality improvement practices for long-term care services and supports. Directs the commissioner of health to consult with interested stakeholders to consider how to improve processes used by the Office of Health Facility Complaints to investigate maltreatment reports, and options for implementing prevention strategies, alternative reporting approaches, and patient safety and quality improvement practices.
- Study and report on home care nursing workforce shortage. Requires house and senate chairs and ranking minority members of the listed health and human services committees to convene a working group to study and report on the shortage of RNs and LPNs available to provide low-complexity regular home care services to clients. Specifies working group membership, who will convene the first meeting, and who will provide support, meeting space, technical assistance, and recommendations to the working group. Lists working group duties, and requires the working group to submit a report and draft legislation by January 15, 2018.
- Opioid abuse prevention pilot projects. (a) Requires the commissioner of health to establish opioid abuse prevention pilot projects in geographic areas throughout the state, to reduce opioid abuse through the use of controlled substance care teams and community-wide coordination of abuse-prevention initiatives. Requires the commissioner to award grants to health care providers, health plan companies, local units of government, tribal governments, or other entities.
 - (b) Provides that each pilot project must:
 - (1) be designed to reduce emergency room use and health care provider visits resulting from opioid use or abuse, and reduce rates of opioid addiction;
 - (2) establish multidisciplinary controlled substance care teams;
 - (3) deliver health care services and care coordination, through controlled substance care teams, to reduce the inappropriate use of opioids and rates of opioid addiction;

Section

(4) address unmet social service needs that create barriers to managing pain and obtaining optimal health outcomes;

- (5) provide prescriber and dispenser education and assistance to reduce the inappropriate prescribing and dispensing of opioids;
- (6) promote best practices for opioid disposal and reducing illegal access to opioids; and
- (7) engage partners outside of the health care system, to address root causes of opioid abuse and addiction at the community level.
- (c) Requires the commissioner to contract with an accountable community for health that operates an opioid abuse prevention project and can document reductions in opioid use through the use of controlled substance care teams, to assist the commissioner in administering this section and to provide technical assistance to the commissioner and entities selected to operate a pilot project.
- (d) Requires the accountable community for health under contract to evaluate the extent to which pilot projects were successful in reducing the inappropriate use of opioids. Specifies requirements for the evaluation and requires results to be reported to the chairs and ranking minority members of specified legislative committees by December 15, 2019.
- (e) Allows the commissioner to award one grant that allows a root cause approach to reduce opioid abuse in an American Indian community.
- Safe harbor for all; statewide sex trafficking victims strategic plan. Directs the commissioner of health to consult with the commissioners of public safety and human services and develop a statewide strategic plan, by October 1, 2018, to address the needs of sex trafficking victims. Directs the commissioner of health to seek recommendations and input from a range of organizations and individuals. Requires the strategic plan to include recommendations regarding the expansion of the safe harbor law to adult victims. Requires the commissioner to report, by January 15, 2019, to the chairs and ranking minority members of the relevant legislative committees on the plan and recommendations for legislation and funding.
- Direction to commissioner of health. Directs the commissioner of health to evaluate whether existing laws governing certain health care providers and facilities protect the health and safety of persons with dementia.
- Palliative care advisory council. Requires first appointments to be made to the palliative care advisory council by October 1, 2017, and requires the first meeting to be convened by November 15, 2017.
- **Repealer.** Repeals the following statutes:
 - section 103I.005, subds. 8, 14, and 15 (definitions of environmental bore hole, monitoring well, and monitoring well contractor)
 - section 103I.451 (requirements for environmental bore holes)
 - section 144.0571 (requiring the commissioner of health to require health-related occupations regulated by the Department of Health to submit to criminal history records checks).

Section

Article 11: Health Licensing Boards

Overview

This article moves certain occupational licensing fees from rules to statute, establishes the Board of Occupational Therapy Practice and makes corresponding statutory changes, modifies provisions governing psychology practice and licensure, and modifies provisions governing dental assistants, dental therapists, and dental hygienists.

- Physician application and license fees. Amends § 147.01, subd. 1. Moves the license fees for physicians from rules into statute and authorizes the Board of Medical Practice to charge fees developed by the Interstate Commission to determine physician qualifications to register and participate in the interstate medical licensure compact.
- 2 United States or Canadian medical school graduates. Amends § 147.02, subd. 1. Specifies that the fees paid to the Board of Medical Practice are nonrefundable.
- **Endorsement; reciprocity.** Amends § 147.03, subd. 1. Removes the reference to Board of Medical Practice fees established by rule.
- 4 Physician assistant application and license fees. Amends § 147A.28. Moves the license fees for physician assistants from rules to statute and specifies that the board may prorate the initial fee and the fees are to be deposited into the state government special revenue fund.
- **Acupuncturist application and license fees.** Amends § 147B.08 by adding subd. 4. Moves the license fees for acupuncturist from rules to statute and specifies that the board may prorate the initial license fee and that the fees are to be deposited into the state government special revenue fund.
- **Respiratory therapist application and license fees.** Amends § 147C.40 by adding subd. 5. Moves the license fees for respiratory therapists from rules to statute and specifies that the board may prorate the initial license fee and that the fees are to be deposited into the state government special revenue fund.
- **Board.** Amends § 148.6402, subd. 4. Changes the regulatory authority for the licensure of occupational therapists and occupational therapy assistants from the commissioner of health to a newly created Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- **8** Licensure application requirements: procedures and qualifications. Amends § 148.6405. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- **Qualifying examination score required.** Amends § 148.6408, subd 2. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.

Section

Qualifying examination score required. Amends § 148.6410, subd 2. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.

- Persons certified by National Board for Certification in Occupational Therapy after June 17, 1996. Amends § 148.6412, subd. 2. Changes cross-references and terminology from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- Licensure by reciprocity. Amends § 148.6415. Changes cross-references and terminology from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- **Application.** Amends § 148.6418, subd. 1. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- **Procedures.** Amends § 148.6418, subd. 2. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- Supervision required. Amends § 148.6418, subd. 4. Changes reference from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- **Expiration of temporary licensure.** Amends § 148.6418, subd. 5. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- Applications for licensure. Amends § 148.6420, subd. 1. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- Applicants certified by National Board for Certification in Occupational Therapy.

 Amends § 148.6420, subd. 3. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- **Action on applications for licensure.** Amends § 148.6420, subd. 5. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- **Licensure renewal.** Amends § 148.6423. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- **21 Licensure renewal after licensure expiration date.** Amends § 148.6425, subd. 2. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- Licensure renewal four years or more after licensure expiration date. Amends § 148.6425, subd. 3. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- Change of name, address, or employment. Amends § 148.6428. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.

Section

Reporting continuing education contact hours. Amends § 148.6443, subd. 5. Changes reference from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.

- **Auditing continuing education reports.** Amends § 148.6443, subd. 6. Changes reference from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- Waiver of continuing education requirements. Amends § 148.6443, subd. 7. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- **Penalties for noncompliance.** Amends § 148.6443, subd. 8. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- **Initial licensure fee.** Amends § 148.6445, subd. 1. Changes reference from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- **Use of fees.** Amends § 148.6445, subd. 10. Changes references from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- Grounds for denial of licensure or discipline; investigation procedures; disciplinary actions. Amends § 148.6448. Changes cross-references and terminology from commissioner of health to Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- **Board of occupational therapy practice.** Proposes coding for § 148.6449. Establishes Board of Occupational Therapy Practice.
 - **Subd. 1. Creation.** Specifies board structure and member requirements.
 - **Subd. 2. Qualifications for board members.** States that OT practitioners on the board must represent a variety of practice areas and settings, with at least two employed outside the seven-county metro area. Limits members to two consecutive terms.
 - **Subd. 3. Recommendations for appointment.** Specifies process for board member appointment.
 - **Subd. 4. Officers.** Specifies process for officer election.
 - **Subd. 5. Executive director.** Requires board to appoint an employ a non-member executive director.
 - **Subd. 6. Terms; compensation; removal of members.** Provides that board operations must be conducted according to chapter 214.
 - **Subd. 7. Duties of the Board of Occupational Therapy Practice.** Lists duties and activities of the board.

Makes section effective January 1, 2018.

Section

Declaration of policy. Amends § 148.881. Specifies that the Board of Psychology regulates the practice of psychology through licensure and regulation to promote access to quality, ethical psychological services. Designates sections 148.88 to 148.98 as the Minnesota Psychology Practice Act.

- **Definitions.** Amends § 148.89.
 - Subd. 2a. Modifies "client" definition.
 - **Subd. 2c.** Modifies "designated supervisor" definition.
 - **Subd. 2d.** Adds definition of "direct services," to mean the delivery of preventive, diagnostic assessment, or therapeutic intervention services to benefit a direct recipient client.
 - **Subd 2e.** Adds definition of "full-time employment," to mean a minimum of 35 hours per week.
 - **Subd. 3a.** Adds definition of "jurisdiction," to mean United States, United States territories, or Canadian provinces or territories.
 - Subd. 4. Modifies "licensee" definition.
 - Subd. 4a. Modifies "provider or provider of services" definition.
 - Subd 4b. Modifies "primary supervisor" definition.
 - **Subd 5.** Modifies "practice of psychology" definition to include prediction of human behavior, evaluating, assessing, or predicting behavior, and applying psychological principles in legal settings. Modifies the activities that constitute the practice of psychology.
 - **Subd. 6.** Adds definition of "telesupervision."
- Board of Psychology. Amends § 148.90, subd. 1. Modifies the composition of the Board of Psychology. Adds one member who is a licensed psychologist with a doctoral degree; requires both psychologists, not necessarily licensed, to have doctoral degrees representing different training programs in psychology; removes individual licensed or qualified to be a licensed psychologist.
- Members. Amends § 148.90, subd. 2. Specifies that a public board member shall not be licensed by another health-related licensing board, the commissioner of health, or licensed in another jurisdiction.
- **General.** Amends § 148.905, subd. 1. Removes "psychological practitioners" from those licensed. Adds requirements for the board to consider before adopting or implementing a new national licensing examination.
- **Effective date.** Amends § 148.907, subd. 1. Removes August 1, 1991, date; adds exemption.
- **Requirements for licensure as licensed psychologist.** Amends § 148.907, subd. 2. Specifies that postdoctoral supervised employment must be completed between 12 and 60 months. Allows the board to grant a variance.

Section

Research Department

Exemptions to license requirement. Proposes coding for § 148.9075.

Subd. 1. General. Prohibits licensed health professionals or mental health practitioners from holding themselves out as licensed to practice psychology; specifies that they may perform the functions of their occupations.

- **Subd. 2. Business or industrial organization.** Specifies that a business, organization, or agency may use psychological techniques for personnel or evaluation purposes. Prohibits these entities from selling, offering, or providing psychological services unless performed or supervised by a person licensed by the board.
- **Subd. 3. School psychologist.** Permits the practice of school psychology within the scope of employment, with a license or certificate from the State Board of Teaching.
- **Subd. 4. Clergy or religious officials.** Permits recognized religious officials to conduct counseling activities within the scope of their regular duties, if the official does not use the title of psychologist.
- **Subd. 5. Teaching and research.** Permits an educator in an accredited institution to teach and conduct research in psychology if the institution provides oversight and the educator is not providing direct clinical services.
- **Subd. 6. Psychologist in disaster or emergency relief.** Permits a psychologist sent to Minnesota to respond to a disaster or emergency relief effort to practice in the state for less than 30 days, and the sponsoring organization can certify the psychologist's assignment. Permits the board to grant an extension.
- **Subd. 7. Psychological consultant.** Specifies that a license from the board is not required for a licensed, certified, or registered nonresident serving as an expert witness, consultant, presenter, or educator on a limited basis.
- **Subd. 8. Students.** Permits the practice of psychology for practicums, internships, and postdoctoral supervised employment. Requires student trainees and interns to use specified titles.
- **Subd. 9. Other professions.** Clarifies that a person licensed under sections 148.88 to 148.98 may not engage in any other regulated profession, unless licensed or registered in that profession.
- **Relicensure.** Proposes coding for § 148.9077. Permits a former licensee to reapply to the board for licensure under the laws and rules in effect on the date of initial licensure.
- **Application.** Amends § 148.9105, subd. 1. Removes psychological practitioner emeritus registration; changes fee for retired providers.
- **Documentation of status.** Amends § 148.9105, subd. 4. Removes psychological practitioner.
- **Representation to the public.** Amends § 148.9105, subd. 5. Removes psychological practitioner emeritus.
- **Generally.** Amends § 148.916, subd. 1. (a) Extends the amount of time an applicant for guest licensure must intend to practice in Minnesota, from seven days to 30 days.

Section

- (b) Establishes eligibility requirements for guest licensure:
- (1) psychology license/registration/certification in another jurisdiction;
- (2) doctoral degree in psychology from accredited institution;
- (3) good moral character;
- (4) no pending complaints or disciplinary actions;
- (5) passage of professional responsibility exam; and
- (6) payment of fee.
- **Applicants for licensure.** Amends § 148.916, subd. 1a, guest licensure technical changes.
- **Supervision.** Amends § 148.924.
 - **Subd. 1. Supervision.** Modifies definition of "supervision;" specifies that supervision may include telesupervision.
 - **Subd. 2. Postdegree supervised psychological employment.** Specifies "psychological."
 - **Subd. 3. Individuals qualified to provider supervision.** Removes master's-level licensure supervision provisions, allowing for only doctoral applicants for licensure.
 - **Subd. 4. Supervisory consultation for a licensed psychological practitioner.** Repeals subdivision 4.
 - **Subd. 6. Supervisee duties.** Technical changes to duties for applicants preparing for licensure during postdegree supervised psychological employment.
 - **Subd. 7. Variance from supervision requirements.** Repeals subdivision 7.
- **Requirements for representations to public.** Amends § 148.96, subd. 3. Adds "psychology fellow" to permitted designations. Removes reference to the practice of school psychology.
- **General requirements.** § 148B.53, subd. 1. Removes exception for licensed psychologists to be licensed as professional counselors.
- Waiver of examination. Amends § 150A.06, subd. 3. Adds dental therapists and dental assistants to the list of professionals for whom examination requirements may be waived, under certain circumstances and at the discretion of the board.
- **Licensure by credentials.** Amends § 150A.06, subd. 8. Requires dental assistants to have graduated from an accredited dental assisting program and be certified by the Dental Assisting National Board.
- Restorative procedures. Amends § 150A.10, subd. 4. Allows dental assistants and dental hygienists trained and board certified in certain restorative dental functions to place restorative material on primary and permanent teeth, after a dentist or dental therapist has prepared the tooth structure.
- Health-related licensing board. Amends § 214.01, subd. 2. Adds the Board of Occupational Therapy Practice to the definition of "health related licensing board" in chapter 214. Makes section effective January 1, 2018.

Section

Board of Occupational Therapy Practice. Requires the governor to appoint the members of the Board of Occupational Therapy Practice by October 1, 2017, and requires the board to convene its first meeting by November 1, 2017. Makes section effective July 1, 2017.

- **Revisor's instruction.** Instructs the revisor to replace references relating to the creation of the Board of Occupational Therapy Practice. Makes section effective January 1, 2018.
- **Revisor's instruction.** Instructs the revisor to change the headnote of section 147.0375 (medical faculty licensure), to read "LICENSURE OF EMINENT PHYSICIANS." Makes section effective the day following final enactment.
- **Repealer.** Repealers associated with fees that are being moved from rules to statute; repeal of provisions related to psychology practice act changes, and Board of Occupational Therapy; specific effective dates.

Article 12: Opiate Abuse Prevention

Overview

This article contains provisions related to preventing opiate abuse. The article requires warning labels on opiate prescriptions, places quantity limits on opiate prescriptions for acute dental pain and acute pain related to refractive surgery, provides grant funding for a chronic pain rehabilitation therapy demonstration project, and establishes a provider grant program related to injectable or implantable medications.

- 1 Controlled substances. Amends § 151.212, subd. 2. Requires a pharmacy or practitioner, when dispensing an opiate, to display on the label or container a specific warning about the risk of overdose and addiction.
- Limit on quantity of opiates prescribed for acute dental and ophthalmic pain. Amends § 152.11, by adding subd. 4. (a) Limits prescriptions for opiate or narcotic pain relievers listed in Schedules II to IV to a four-day supply, when used for treatment of acute dental pain, or acute pain associated with refractive surgery. Requires the quantity prescribed to be consistent with the dosage listed in the professional labeling for the drug.
 - (b) Defines "acute pain."
 - (c) Allows a practitioner to prescribe more than a four-day supply, based on the practitioner's professional judgement.
- 3 Chronic pain rehabilitation therapy demonstration project.
 - **Subd. 1. Establishment.** Directs the commissioner to award a two-year grant to a rehabilitation institute meeting specified criteria for a bundled payment arrangement for chronic pain rehabilitation therapy for MA enrollees. Specifies components of the demonstration project.
 - **Subd. 2. Performance measures.** Requires the commissioner to develop performance measures to evaluate the demonstration project. Lists measures that may be included.

Section

Subd. 3. Eligibility. To be eligible, requires individuals to: (1) be 21 or older; (2) be eligible for MA; and (3) meet criteria appropriate for chronic pain rehabilitation. Specifies factors the commissioner may consider in determining these criteria.

- **Subd. 4. Payment for services.** Specifies criteria for bundled payments.
- **Subd. 5. Report.** Requires the institute, for the duration of the demonstration project, to annually report to the commissioner on cost savings and performance indicators. Requires the commissioner, one year after completion of the demonstration project, to report to legislative committees on the demonstration project. Provides that the report may include recommendations to increase access to chronic pain rehabilitation therapy.
- Substance use disorder provider capacity grant program. Requires the commissioner of human services to design and implement a grant program to assist providers to purchase the first dose of a nonnarcotic injectable or implantable medication to treat substance abuse disorder for MA enrollees. Requires grants to be distributed between July 1, 2017, and June 30, 2019. Requires the commissioner to conduct provider outreach, ensure a simplified grant application process, and provide technical assistance to providers. Also requires the commissioner, in collaboration with stakeholders, to analyze the impact of the program and barriers to provider access to, and reimbursement for, the medications, and to develop recommendations to address these barriers. Requires the commissioner to report to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services policy and finance by September 1, 2019.

Article 13: Miscellaneous

Overview

This article requires establishment of a special enrollment period to allow individuals whose employers offer QSEHRAs to purchase individual health plans and defines terms in the Human Services Licensing Act.

- Annual open enrollment periods; special enrollment periods. Amends § 62K.15.

 Requires a health carrier that offers individual health plans to provide a special enrollment period in the individual market for employees of small employers that offer a qualified small employer health reimbursement arrangement.
- Controlling individual. Amends § 245A.02, subd. 5a. Clarifies the definition of "controlling individual" in the Human Services Licensing Act to mean the owner of a licensed program, each officer of the organization, each authorized agent, each compliance officer, and each managerial official with decision-making authority for operation of the program. Clarifies that an employee stock ownership plan trust or a participant or board member of an employee stock ownership plan is not a controlling individual, unless the participant or board member is otherwise a controlling individual as specified in this subdivision.
- **Owner.** Adds subd. 10b to § 245A.02. Defines "owner" in the Human Services Licensing Act to mean an individual or organization that has a direct or indirect ownership interest of 5 percent or more in a licensed program. Also defines related terms.

Section

Article 14: Nursing Facility Technical Corrections

Overview

This article removes and corrects obsolete nursing facility cross-references throughout Minnesota Statutes.

The 2016 Legislature enacted a bill to recodify the nursing facility payment statutes (see Laws 2016, ch. 99). Given the complexity of the nursing facility payment and rates language, the recodification was accomplished by moving most of the nursing facility language out of Minnesota Statutes, chapter 256B, and into a new chapter 256R. In addition, the nursing facility payment and rates language was reorganized for clarity and ease of use, obsolete language was removed, consistent terminology was used, and language was redrafted for clarity and consistency. This article corrects obsolete cross-references that were created by the recodification and removes obsolete language.

- **Resident reimbursement classifications.** Amends § 144.0722, subd. 1, as amended by Laws 2017, ch. 40, art. 1, § 18. Corrects an obsolete cross-reference.
- **Exceptions authorizing increase in beds; hardship areas.** Amends § 144A.071, subd. 3, as amended by Laws 2017, ch. 40, art. 1, § 22. Corrects obsolete cross-references and corrects terminology.
- **Exceptions for replacement beds.** Amends § 144A.071, subd. 4a, as amended by Laws 2017, ch. 40, art. 1, § 23. Corrects obsolete cross-references.
- **Exceptions for replacement beds after June 30, 2003.** Amends § 144A.071, subd. 4c, as amended by Laws 2017, ch. 40, art. 1, § 24. Corrects obsolete cross-references.
- **Correction orders.** Amends § 144A.10, subd. 4, as amended by Laws 2017, ch. 40, art. 1, § 27. Removes obsolete language.
- **Maximum charges.** Amends § 144A.74. Corrects an obsolete cross-reference.
- **Nursing home license surcharge.** Amends § 256.9657, subd. 1. Removes obsolete language.
- **8 Customized living service rate.** Amends § 256B.0915, subd. 3e. Corrects obsolete cross-references.
- 9 Field audits required. Amends § 256B.35, subd. 4. Corrects an obsolete cross-reference.
- **Bed layaway and delicensure.** Amends § 256B.431, subd. 30. Corrects obsolete cross-references and adds references to the new nursing facility rates chapter of statutes, chapter 256R.
- 11 Effective date. Makes sections 1 to 10 effective the day following final enactment.

Section

Article 15: Managed Care Organizations

Overview

This article modifies and updates state law regulating managed care organizations serving MA and MinnesotaCare enrollees, to comply with recently issued federal regulations governing the use of managed care delivery systems by state Medicaid programs.

- Prepaid health plan appeals. Amends § 256.045, subd. 3a. In cases of prepaid health plan recipient appeals, removes the option for the state human services judge to order a second medical opinion from the prepaid health plan. A second medical opinion may continue to be ordered from a nonprepaid health plan provider. Requires the expense of this to be borne by DHS, rather than as under current law by the prepaid health plan. Provides that beginning January 1, 2018, the requirements in federal regulations related to managed care grievances and appeals take precedent over any conflicting state law provisions.
- Enrollee support system. Amends § 256B.69, by adding subd. 36. Requires the commissioner to establish an enrollee support system to support an enrollee before and during enrollment in a managed care plan. Specifies requirements for the support system. Allows the commissioner to designate enrollment brokers to assist enrollees in selecting a managed care organization and providing enrollment information.
- Networks. Amends § 256B.69, by adding subd. 37. Requires the commissioner to ensure that a managed care organization's network providers are enrolled as MA providers, and comply with federal disclosure, screening, and enrollment requirements. States that network providers are not required to provide services to MA or MinnesotaCare recipients under feefor-service. Specifies related requirements and defines "network provider."
- 4 Enrollee information. Adds § 256B.6925.
 - **Subd. 1. Information provided by the commissioner.** Requires the commissioner to provide each potential enrollee with information on receiving services through managed care, covered services and service areas, the provider directory and drug formulary, coordination of care, and other aspects of managed care service delivery.
 - **Subd. 2. Information provided by the managed care organization.** Requires the commissioner to ensure that managed care organizations provide to enrollees an enrollee handbook, provider directory, drug formulary, written notice of termination of any contracted provider, and upon enrollee request, the managed care organization's physician incentive plan. Specifies related requirements.
 - **Subd. 3. Provision of information.** Lists requirements for the delivery of information to enrollees and potential enrollees.
 - **Subd. 4. Language and accessibility standards.** Requires managed care organizations to provide language assistance and auxiliary aids and services to ensure enrollee access, as required by federal law and regulations. Requires oral interpretation

Section

to be provided in all languages, and written interpretation in each prevalent non-English language. Lists requirements for written materials.

- **Subd. 5. Enrollee communication.** Specifies requirements related to marketing and marketing materials.
- 5 State monitoring. Adds § 256B.6926.
 - **Subd. 1. Generally.** Requires the commissioner to establish a monitoring system that addresses all aspects of the managed care program, including managed care organization performance in the areas identified in federal regulations. Requires the commissioner to use monitoring data to improve the performance of the managed care program.
 - **Subd. 2. Readiness review.** Requires the commissioner to conduct a readiness review of each managed care organization's ability and capacity to perform satisfactorily in the areas specified in federal regulations. Requires the review to be conducted, and federal approval received, prior to the commissioner entering into a contract with the managed care organization.
 - **Subd. 3. Report.** Requires the commissioner to report to the Centers for Medicare and Medicaid Services on the managed care program annually, no later than 180 days after each contract year. Specifies report requirements.
 - **Subd. 4. Conflicts of interest.** Requires the commissioner to implement safeguards against conflicts of interest on behalf of persons having responsibilities related to managed care contracts. Specifies requirements for these safeguards.
- **Quality assessment and performance.** Adds § 256B.6927.
 - Subd. 1. Definitions. Defines terms.
 - **Subd. 2. Quality strategy.** Requires the commissioner to implement a written quality strategy for assessing and improving the quality of health care and services provided by managed care organizations. Specifies minimum requirements for the quality strategy.
 - **Subd. 3. External quality reviews.** Requires the commissioner to contract with an external quality review organization in accordance with federal regulations, to conduct an annual quality review of each managed care organization. Specifies related requirements. Requires the review organization to produce an annual quality review technical report, and requires the final report to be made available on the department's Web site and upon request, in alternative formats.
- 7 Managed care rates and payments. Adds § 256B.6928.
 - Subd. 1. Definitions. Defines terms.
 - **Subd. 2. Actuarial soundness.** Requires capitation rates to be reviewed and approved by the Centers for Medicare and Medicaid Services as actuarially sound. Lists other requirements for capitation rates. Requires rates to achieve a medical loss ratio of at least 85 percent, or a higher loss ratio if mandated by the commissioner, as

Section

long as the rates are adequate for reasonable, appropriate, and attainable nonbenefit costs.

- **Subd. 3. Rate development standards.** Sets requirements that the commissioner must follow in developing capitation rates.
- **Subd. 4. Special contract requirements related to payment.** Requires any risk-sharing mechanisms to be described in the contract, and developed according to the rate development standards and generally accepted actuarial principles and practices. Lists requirements that apply to incentive payment arrangements and withhold arrangements.
- **Subd. 5. Direction of managed care organization expenditures.** Prohibits the commissioner from directing managed care organization expenditures, except in specified situations.
- **Subd. 6. Monthly capitation payments for placements in institutions of mental disease.** Allows the commissioner to make monthly capitation payments for enrollees under age 65 receiving treatment for psychiatric or substance use disorder in an institution for mental disease in accordance with federal regulations.
- **Subd. 7. Rate certification submission.** Requires the commissioner to submit rate certifications to the Centers for Medicare and Medicaid services for review and approval, at the same time as managed care contracts are submitted. Specifies related requirements.
- **Subd. 8. Medical loss ratio.** Directs the commissioner to require managed care organizations to calculate and submit to the commissioner a medical loss ratio report for each contract year. Provides the methodology for calculating the loss ratio.
- **Subd. 9. Reports.** Directs the commissioner to require managed care organizations to report to the commissioner, for each medical loss ratio reporting year, the information related to the loss ratio calculation required in federal regulations. Requires the report to be submitted within 12 months of the end of each medical loss ratio reporting year. Requires the commissioner to annually submit to the Centers for Medicare and Medicaid Services a summary of the reports received, along with the rate certification required by subdivision 7. Specifies summary requirements and criteria for retroactive changes and exemptions.

Section

Article 16: Child Care Development Block Grant Compliance

Overview

This article makes statutory changes necessary to comply with the requirements for the federal child care development block grant. It requires annual inspections, modifies and clarifies child care training, health and safety, and emergency preparedness requirements, and makes changes to the requirements for background studies. It also establishes a process for certification of license-exempt child care centers and makes corresponding statutory changes.

- Inspections; waiver. Amends § 245A.04, subd. 4. Adds health, safety, and fire standards inspection for child care license holders to licensing inspection list. Requires commissioner or county to inspect licensed child care providers at least annually. Requires commissioner to make inspection results and maltreatment and injury occurrences publicly available online by November 19, 2017. Makes section effective August 1, 2017.
- **Regulatory methods.** Amends § 245A.09, subd. 7. Requires commissioner to conduct one unannounced inspection at least annually for child care centers. Makes section effective August 1, 2017.
- County fees for background studies and licensing inspections. Amends § 245A.10, subd. 2. Clarifies that subdivision applies before the implementation of NETStudy 2.0. Makes section effective August 1, 2017.
- 4 Parental access in child care programs. Amends § 245A.14, by adding subd. 15. Requires that a parent or guardian be allowed access to their enrolled child while the child is in care. Makes section effective August 1, 2017.
- Delegation of authority to agencies. Amends § 245A.16, subd. 1. Clarifies that certain paragraphs apply before the implementation of NETStudy 2.0. Requires county agencies to conduct one unannounced licensing review at least annually for family child care programs. Requires county agency to report licensing review results and maltreatment and injury determinations to the commissioner. Makes section effective August 1, 2017.
- **Family child care licensing oversight.** Amends § 245A.16 by adding subd. 7. Specifies that only county staff trained by the commissioner (within 90 days of employment) on family child care licensing standards will perform licensing functions. Makes section effective August 1, 2017.
- **Orientation.** Amends § 245A.40, subd. 1. Adds references to statute and rules. Makes section effective August 1, 2017.
- **Child development and learning training.** Amends § 245A.40, subd. 2. Modifies training to include learning, as part of the children's family, culture, and community. Requires at least two hours of child development and learning training within 90 days of child care center employment. Makes section effective August 1, 2017.

Section

9 First aid. Amends § 245A.40, subd. 3. Specifies that required first aid training must be "pediatric." Requires pediatric first aid training at least every two years. Makes section effective August 1, 2017.

- **10** Cardiopulmonary resuscitation. Amends § 245A.40, subd. 4. Requires CPR training at least every two years. Makes section effective August 1, 2017.
- **In-service.** Amends § 245A.40, subd. 7. Requires child care center director and all direct-contact staff to complete an annual in-service training in the following areas:
 - (1) child development and learning;
 - (2) developmentally appropriate learning experiences;
 - (3) relationships with families;
 - (4) assessment, evaluation, and individualization;
 - (5) historical and contemporary development of early childhood education;
 - (6) professionalism; and
 - (7) health, safety, and nutrition.

Defines each training area. Makes section effective August 1, 2017.

- Ongoing health and safety training. Amends § 245A.40 by adding subd. 9. Requires that a child care center staff person's health and safety training be repeated and documented at least once each calendar year. Makes section effective August 1, 2017.
- 13 Child care center health and safety requirements. Proposes coding for § 245A.41.
 - **Subd. 1.** Allergy prevention and response. Requires child care center license holder to obtain allergy documentation prior to admitting a child, maintain current information, available at all times, about the allergy in the child's record, and develop an individual child care program plan relating to the allergy. Requires license holder to ensure that each responsible staff person review and follow the plan and requires annual updates to child allergy records and plan. Requires license holder to contact a child's parent or guardian in any instance of exposure or allergic reaction requiring medication or medical attention, and to contact EMS when epinephrine is administered.
 - **Subd. 2. Handling and disposal of bodily fluids.** Requires a licensed child care center to comply with listed procedures for safely handling and disposing of bodily fluids, and to ensure that each staff person is trained on universal precautions to avoid risk of spreading disease.
 - **Subd. 3. Emergency preparedness.** Requires a licensed child care center to have a written emergency plan by September 30, 2017, that must include:
 - (1) procedures for evacuation or lockdown;
 - (2) designated relocation site and evacuation route;
 - (3) procedures to notify parents or guardians;

Section

- (4) accommodations for children with disabilities or medical conditions;
- (5) procedures for medication storage;
- (6) procedures for continuing operations during and after a crisis; and
- (7) procedures for communicating with local emergency officials.

Requires license holder to train staff persons on the emergency plan, conduct drills, and update the plan annually. Specifies that the plan must be included in the program's policies and procedures, and that the relocation site be posted in a visible place.

Makes section effective August 1, 2017.

- Child development and learning and behavior guidance training. Amends § 245A.50, subd. 2. Modifies training to include learning, as part of the children's family, culture, and community. Requires at least two hours of child development and learning training within 90 days of family or group family child care employment. Makes section effective August 1, 2017.
- Training requirements for family and group family child care. Amends § 245A.50, subd. 7. Requires family or group family child care license holder and each primary caregiver to complete 16 hours of training each year in the following areas:
 - (1) child development and learning;
 - (2) developmentally appropriate learning experiences;
 - (3) relationships with families;
 - (4) assessment, evaluation, and individualization;
 - (5) historical and contemporary development of early childhood education;
 - (6) professionalism; and
 - (7) health, safety, and nutrition.

- Supervising for safety; training requirement. Amends § 245A.50, subd. 9. Requires that all family or group family child care license holders and primary caregivers complete the six-hour Supervising for Safety for Family Child Care course prior to caring for a child. Requires annual completion of a two-hour active supervision course and completion of the Health and Safety I and II course once every five years.
- 17 Family child care health and safety requirements. Proposes coding for § 245A.51.
 - **Subd. 1. Allergy prevention and response.** Requires a family child care license holder to obtain allergy documentation prior to admitting a child, and maintain current information about the allergy, available to all caregivers, in the child's record. Requires annual review of the allergy documentation form.
 - **Subd. 2. Handling and disposal of bodily fluids.** Requires a licensed family child care provider to comply with listed procedures for safely handling and disposing of bodily fluids.

Section

Subd. 3. Emergency preparedness plan. Requires a licensed family child care provider to have a written emergency plan by September 30, 2017, that must include:

- (1) procedures for evacuation or lockdown;
- (2) designated relocation site and evacuation route;
- (3) procedures to notify parents or guardians;
- (4) accommodations for children with disabilities or medical conditions;
- (5) procedures for medication storage;
- (6) procedures for continuing operations during and after a crisis; and
- (7) procedures for communicating with local emergency officials.

Requires license holder to train caregivers on the emergency plan and conduct drills. Specifies that the plan must be available for review and posted in a prominent location, and must be provided to a child's parent or guardian upon enrollment. Makes section effective August 1, 2017.

- **18** Child care staff person. Amends § 245C.02 by adding subd. 6a. Defines "child care staff person." Makes section effective October 1, 2017.
- Licensed programs. Amends § 245C.03, subd. 1. Requires the commissioner to conduct a background study on all controlling individuals and child care staff persons, applying background study requirements to legal nonlicensed and certified license-exempt child care programs. Makes section effective when NETStudy 2.0 is implemented, or October 1, 2017, whichever is later.
- Legal nonlicensed and certified child care programs. Amends § 245C.03 by adding subd. 6a. Requires that the commissioner conduct background studies for legal nonlicensed and certified child care programs. Makes section effective October 1, 2017.
- Licensed programs; other child care programs. Amends § 245C.04, subd. 1. Specifies that a child care staff person in a family child care program, licensed child care center, certified license-exempt child care center, or legal nonlicensed child care provider must have a background study conducted by the commissioner, which must include fingerprints and must be repeated within five years.

Requires a family child care license holder to submit required background study information, photograph, and fingerprints to the county agency upon reapplication. Requires the county to verify the information and forward it to the commissioner; requires the commissioner to review the required background study information.

Specifies that the commissioner must conduct a background study of a person newly affiliated with a family child care license holder or legal nonlicensed child care provider.

Clarifies that a repeat background study is not required for a family child care substitute caregiver whose study is conducted after October 1, 2017, or in NETStudy 2.0. Exempts before and after school programs from background study requirements.

Makes section effective October 1, 2017.

Section

Current or prospective contractors serving multiple family child care license holders. Amends § 245C.04, subd. 8. Clarifies that paragraph (a) applies before the implementation of NETStudy 2.0. Requires that the active roster shall be the system used to document affiliation with a family child care license holder operating under NETStudy 2.0. Makes section effective August 1, 2017.

- County agency to collect and forward information to commissioner. Amends § 245C.05, subd. 2b. Requires county agency to collect background study information and provide it to the commissioner for family child care and legal nonlicesned child care upon implementation of NETStudy 2.0. Makes section effective the day following final enactment.
- **Electronic transmission.** Amends § 245C.05, subd. 4. Requires commissioner to electronically transmit background study results to county agencies for family child care and legal nonlicensed child care upon implementation of NETStudy 2.0. Makes section effective the day following final enactment.
- **Fingerprints and photograph.** Amends § 245C.05, subd. 5. Specifies that fingerprints are for a national criminal history check. Makes section effective the day following final enactment.
- **Probation officer and corrections agent.** Amends § 245C.05, subd. 7. Specifies that family child care and legal nonlicensed child care programs are exempt from these notification requirements if background studies were conducted under NETStudy 2.0. Makes section effective the day following final enactment.
- Background studies conducted by Department of Human Services. Amends § 245C.08, subd. 1. Requires the commissioner to review additional information for a child care background study, including a fingerprint national criminal history check and a national sex offender public website check. Makes section effective October 1, 2017.
- Background studies conducted by a county agency for family child care. Amends § 245C.08, subd. 2. Clarifies that subdivision applies before the implementation of NETStudy 2.0. Makes section effective the day following final enactment.
- **Juvenile court records.** Amends § 245C.08, subd. 4. Clarifies that subdivision applies before the implementation of NETStudy 2.0 for family child care. Makes section effective the day following final enactment.
- False statement in connection with a background study. Amends § 245C.09 by adding subd. 3. Specifies that a child care staff person will be disqualified for knowingly making a false statement in connection with a background study. Makes section effective the day following final enactment.
- Human services licensed programs. Amends § 245C.10, subd. 9. Adds child care centers, certified license-exempt child care centers, and legal nonlicensed child care centers to list of exemptions for \$20 DHS background study cost recovery. Makes section effective the day following final enactment.
- **Child care programs.** Amends § 245C.10 by adding subd. 9a. States that the commissioner will recover the cost of background studies through a fee of no more than \$40 per study charged to a child care license holder.

Section

Criminal history data. Amends § 245C.11, subd. 3. Clarifies that subdivision applies before the implementation of NETStudy 2.0. Makes section effective the day following final enactment.

- Permanent disqualification. Amends § 245C.15, subd. 1. For a child care staff person, adds conviction of a crime that would make an individual ineligible for employment under relevant federal law to the list of permanently disqualifying crimes. Specifies that a child care staff person is disqualified for as long as the person is registered or required to be registered on a sex offender registry. Makes section effective October 1, 2017.
- **Determining immediate risk of harm.** Amends § 245C.16, subd. 1. Allows the commissioner to immediately remove a child care staff person who has a felony drug conviction in the last five years from any position allowing direct contact with children. Makes section effective October 1, 2017.
- Notice to county agency. Amends § 245C.17, subd. 6. Requires the commissioner to provide notice of background study results for family child care and legal nonlicensed child care upon implementation of NETStudy 2.0. Makes section effective the day following final enactment.
- Who may request reconsideration. Amends § 245C.21, subd. 1. Technical language change. Makes section effective the day following final enactment.
- **Scope of set-aside.** Amends § 245C.22, subd. 5. Technical cross-reference change. Makes section effective October 1, 2017.
- Classification of certain data. Amends § 245C.22, subd. 7. Creates exception for a felony drug conviction in the last five years for a child care provider, so a set-aside or variance is not considered public data. Makes section effective October 1, 2017.
- 40 Commissioner's reconsideration notice. Amends § 245C.23.
 - **Subd. 1. Disqualification that is rescinded or set aside.** Paragraph (e) creates exception to notification requirements for a felony drug conviction in the last five years for a child care provider. Requires that the set-aside or reconsideration notice inform the applicant/provider that the disqualifying criminal record is not public.
 - **Subd. 2. Commissioner's notice of disqualification that is not set aside.** Adds family child care and legal nonlicensed child care to list for when the commissioner shall notify the county of the reconsideration results.

Makes section effective October 1, 2017.

- 41 Consolidated reconsideration of maltreatment determination and disqualification. Amends § 245C.25. Strikes language regarding maltreatment determination and disqualification reconsideration. Makes section effective October 1, 2017.
- **Disclosure of reason for disqualification.** Amends § 245C.30, subd. 2. Specifies that the commissioner may not disclose the reason for disqualification if based on a felony drug conviction in the last five years for a family child care or home foster care provider. Makes section effective October 1, 2017.

Section

Definitions. Proposes coding for § 245G.01. Defines the following terms:

- Subd. 2. Applicant.
- Subd. 3. Center operator or program operator.
- Subd. 4. Certification holder.
- Subd. 5. Certified license-exempt child care center.
- Subd. 6. Disinfecting.

Makes section effective August 1, 2017.

- Who must be certified. Proposes coding for § 245G.02. Specifies that a license-exempt child care program that is authorized to receive CCAP payments must be certified. Makes section effective August 1, 2017.
- **Application procedures.** Proposes coding for § 245G.03. Describes process for license-exempt child care center certification application.
 - **Subd. 1. Schedule.** Requires implementation by September 30, 2017.
 - **Subd. 2. Application submission.** Requires commissioner to provide instructions and information regarding applications, and to act upon an application within 90 working days of receipt.
 - **Subd. 3. Incomplete applications.** Requires commissioner to provide notice of incomplete application and allow 45 days for resubmission.

- Commissioner's right of access. Proposes coding for § 245G.04. Requires that the commissioner have access to the physical facility and grounds, program documents and records, children enrolled in the center, and staff and personnel records. Requires that access be given without prior notice and as often as necessary if the commissioner is investigating alleged maltreatment, violation or rule or law, or conducting an inspection. Allows commissioner to receive assistance from other agencies, and requires that commissioner be allowed to photocopy, photograph, and make recordings during an inspection. Makes section effective August 1, 2017.
- Monitoring and inspections. Proposes coding for § 245G.05. Requires commissioner to conduct an inspection of a certified license-exempt child care center at least annually and make inspection report results available on the public website by November 19, 2017. Makes section effective August 1, 2017.
- **48 Correction order.** Proposes coding for § 245G.06.
 - **Subd. 1. Correction order requirements.** Allows commissioner to issue correction orders and specifies what the orders must include.
 - **Subd. 2. Reconsideration request.** Allows applicant or certification holder to request reconsideration of a correction order and specifies the procedure for reconsideration.

Section

Subd. 3. Decertification following a correction order. Allows commissioner to decertify a license-exempt center if the center fails to correct a violation specified in correction order.

Makes section effective August 1, 2017.

- **Decertification.** Proposes coding for § 245G.07. Lists criteria for decertification of a license-exempt child care center. Specifies that a decertified center is ineligible for CCAP payments. Makes section effective August 1, 2017.
- 50 Staffing requirements. Proposes coding for § 245G.08.
 - **Subd. 1. Staffing requirements.** Requires a director or designee on site.
 - **Subd. 2. Director qualifications.** Specifies that a director must be 18 or older and must have completed at least 16 hours of training in listed topic areas.
 - **Subd. 3. Staff qualifications.** Requires that staff be 16 or older.
 - **Subd. 4. Maximum group size.** Lists maximum group sizes for specific age groups, which applies at all times except during brief group activities, meals, outdoor activities, field trips, naps, and other special activities.
 - **Subd. 5. Ratios.** Lists acceptable staff-child ratios for specific age groups.

Makes section effective August 1, 2017.

- **Background studies.** Proposes coding for § 245G.10.
 - **Subd. 1. Documentation.** Requires an applicant or certification holder to submit and maintain documentation of a completed background study for specified persons at the child care center.
 - **Subd. 2. Direct contact.** Specifies that a person may not provide direct contact services to a child until completion of a background study unless under continuous direct supervision. Requires the center to document the date of background study initiation and the date of first direct contact with a child.

- **Reporting.** Proposes coding for § 245G.11. Requires a certification holder to comply with all reporting requirements for abuse and neglect and to inform the commissioner within 24 hours of death or injury to a child in the program. Makes section effective August 1, 2017.
- Fees. Proposes coding for § 245G.12. Requires commissioner to consult with stakeholders to develop an administrative fee for certification procedures, and provide recommendations to relevant legislative committees by February 15, 2019. Makes section effective August 1, 2017.
- Health and safety requirements. Proposes coding for § 245G.13.
 - **Subd. 1. Exclusion of sick children and infectious disease outbreak control.** Requires a certified center to supervise and isolate a sick child and notify the child's parent or guardian; requires notice to parent or guardian of an exposed child the same

Section

day the program is notified of a child's contagious reportable disease, or other listed diseases.

- **Subd. 2. Immunizations.** Requires that a certified center have a record detailing a child's current immunizations or exemption.
- **Subd. 3. Administration of medication.** Requires a certified center to obtain written permission from a parent or guardian to administer prescription medication, diapering product, sunscreen, or insect repellent, and requires a certified center to administer products and nonprescription medications according to manufacturer instructions, unless instructed otherwise by a health professional.

Requires a certified center to obtain and follow written instructions from the prescribing health professional for prescription medication.

Requires a certified center to document the administration of medication and ensure that all medicine is kept in the original container, given only to the specific child, before the expiration date, and returned if unused.

- **Subd. 4. Preventing and responding to allergies.** Requires a certified center to obtain allergy documentation prior to admitting a child, and maintain current information about the allergy, available at all times, in the child's record. Requires license holder to ensure that staff is informed of each child's current allergy information and requires annual updates to child allergy records. Requires that food allergy information be readily available in the area where food is prepared and served.
- **Subd. 5. Building and physical premises; free of hazards.** Requires a certified center to document compliance with the State Fire Code. Requires a certified center to designate primary indoor and outdoor space used for child care and ensure that the areas used for child care are clean and in good repair, with age and size-appropriate furniture and equipment, and without hazardous items in reach of a child. Requires a certified center to safely handle and dispose of bodily or other infectious fluids.
- **Subd. 6. Transporting children.** Requires a certified center to ensure that a driver holds a valid license and that all seatbelt and child passenger restraint systems are followed, if transporting a child.

Makes section effective August 1, 2017.

- **Training requirements.** Proposes coding for § 245G.14. Specifies training and documentation requirements for certified centers in the following areas.
 - Subd. 1. First aid and cardiopulmonary resuscitation.
 - Subd. 2. Sudden unexpected infant death.
 - Subd. 3. Abusive head trauma.
 - Subd. 4. Child development.
 - Subd. 5. Orientation.
 - Subd. 6. In service.

Section

Emergency preparedness. Proposes coding for § 245G.15. Specifies written emergency plan requirements and requirements for initial and ongoing annual staff person training on the emergency plan. Makes section effective August 1, 2017.

- **Personnel record.** Proposes coding for § 245G.16. Requires the certification holder to maintain a personnel record for each staff person and specifies what the record must contain. Makes section effective August 1, 2017.
- **Certification standards.** Proposes coding for § 245G.17. Requires commissioner to regularly consult with stakeholders about implementing the certification standards. Makes section effective August 1, 2017.
- **Parental access.** Proposes coding for § 245G.18. Requires that a parent or guardian be allowed access to their enrolled child while the child is in care. Makes section effective August 1, 2017.
- **Definitions.** Amends § 626.556, subd. 2. Adds certified license-exempt child care centers to the maltreatment of minors reporting statute. Makes section effective August 1, 2017.
- Persons mandated to report; persons voluntarily reporting. Amends § 626.556, subd. 3. Adds certified license-exempt child care centers to the maltreatment of minors reporting statute. Makes section effective August 1, 2017.
- Local welfare agency, Department of Human Services or Department of Health responsible for assessing or investigating reports of maltreatment. Amends § 626.556, subd. 3c. Requires that investigations of maltreatment occurring in children's residential facilities licensed by the Commissioner of Corrections be conducted by the Department of Human Services Licensing Division; adds certified child care centers.
- **Immunity from liability.** Amends § 626.556, subd. 4. Adds certified license-exempt child care centers to the maltreatment of minors reporting statute. Makes section effective August 1, 2017.
- Notification of neglect or abuse in facility. Amends § 626.556, subd. 10d. Adds certified license-exempt child care centers to the maltreatment of minors reporting statute. Makes section effective August 1, 2017.
- **Determinations.** Amends § 626.556, subd. 10e. Adds certification references and certified license-exempt child care centers to the maltreatment of minors reporting statute. Makes section effective August 1, 2017.
- **Notice of determinations.** Amends § 626.556, subd. 10f. Adds certified license-exempt child care centers to the maltreatment of minors reporting statute. Makes section effective August 1, 2017.
- Administrative reconsideration; review panel. Amends § 626.556, subd. 10i. Specifies that a certification holder has the right to request reconsideration if a maltreatment determination is the basis for a correction order or decertification. Further specifies appeal procedures. Makes section effective August 1, 2017.
- **Revisor's instruction.** Instructs revisor to change all references to chapter 245G in this article to chapter 245H.

Section

Article 17: Human Services Forecast Adjustments

Overview

Adjusts appropriations for fiscal year 2017 for forecasted programs administered by the Department of Human Services.

Article 18: Appropriations

Overview

Appropriates money or adjusts appropriations for fiscal years 2018 and 2019 for the Department of Human Services, Department of Health, health-related licensing boards, Emergency Medical Services Regulatory Board, Council on Disability, Ombudsman for Mental Health and Developmental Disabilities, and Ombudsperson for Families.
