1.4 "Sec. 26. **SOBER HOME WORKGROUP AND EVALUATION.**

1.5 The commissioner shall conduct a survey to identify sober home settings across the state
1.6 and to collect information about the services they provide, their funding sources, whether
1.7 they specialize in serving specific populations, and other information needed to inform
1.8 discussions of potential future sober home certification and registration. The commissioner
1.9 must convene a workgroup of sober home owners, people in recovery, behavioral health
1.10 providers, and advocates to provide input and recommendations on potential future sober
1.11 home certification and registration. The commissioner must provide the working group's
1.12 recommendations to the chairs and ranking minority members of the legislative committees
1.13 with jurisdiction over health and human services, including changes to law and funding
1.14 needed to implement any certification or registration recommended by the working group.
1.15 The commissioner may evaluate the recommendations to assess the need for modifications
1.16 and improvements on the recommendations of the working group."

1.17 Renumber the sections in sequence and correct the internal references
