Overview

This bill provides regulations, compensation requirements, and enforcement provisions related to minor children appearing on the Internet on platforms where the content generates compensation.

Summary

Section	Description
---------	-------------

- | | |
|---|---|
| 1 | Online platform.
Defines “online platform” to mean a website or mobile applications like social networking sites and streaming services. |
| 2 | Content creation.
Defines “content creation” as the videos and photographs that are put online for compensation. |
| 3 | Content creator.
Defines “content creator” as a person who creates and posts videos online for compensation, on their own or with a company. |
| 4 | Compensation for Internet content creation.
Requires a trust account and payment for the content created using the minor’s likeness and for the trust to be maintained until the minor reaches 18. This section also requires that records are kept on minors who appear in at least 30 percent of the content creator’s videos, when the content creator’s videos generate income, including the minor’s name, the amount of compensation generated, and how much was paid to the minor’s trust account. |

This section requires that the records must be readily accessible to the minor and allows the minor to request to delete the content with their likeness at any time after they turn 13. The minor, or an adult who was previously depicted as a minor, can also
