A RESOLUTION SUPPORTING SUBURBAN TRANSIT PROVIDERS

WHEREAS, the City of Victoria is currently served by Southwest Transit, a high-performing, locally governed transit agency;

WHEREAS, Southwest Transit has been consistently recognized for its efficiency, innovation, and customer satisfaction, and has successfully adapted service levels and innovations to meet the unique needs of southwest suburban communities;

WHEREAS, the opt-out transit model has allowed cities like Victoria to maintain local oversight, ensuring accountability, flexibility, and a direct connection to the residents who rely on and fund the service;

WHEREAS, a proposal under consideration of the Minnesota Legislature aims to eliminate suburban transit agencies and consolidate transit operations under Metro Transit, effectively removing local control and potentially diminishing service quality and responsiveness for suburban communities;

WHEREAS, a one-size-fits-all regional model could limit the ability of Southwest Transit to respond to changing demographics, employment patterns, and ridership preferences in communities like Victoria;

WHEREAS, local control is essential for ensuring responsible use of taxpayer dollars, timely innovation, and equitable service tailored to specific community needs;

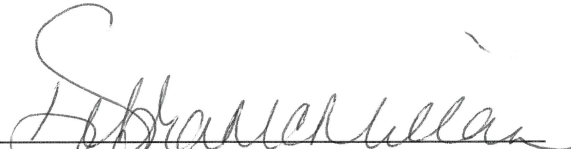

NOW, THEREFORE, BE IT RESOLVED by the City of Victoria:

We encourage the Minnesota Legislature, the Governor, and the Metropolitan Council to continue working in partnership with suburban transit communities to preserve and strengthen a transit system that respects local governance, builds on past success, and reflects the diverse needs of the region.

RESULT: Motion carried unanimously 5-0
