1.3 "Subd. 10. Disparities

1.4 (a) A recipient of money appropriated in this
1.5 section must include in the accomplishment
1.6 plan a reasonable estimate of whether the
1.7 project will increase or decrease disparities.

1.8 A final report submitted by the recipient must
1.9 include a narrative describing whether the
1.10 investments made had the effect of increasing
1.11 or decreasing disparities and any data available
1.12 to assess the impact.

1.13 (b) The commissioner of natural resources, in
1.14 consultation with the Lessard-Sams Outdoor
1.15 Heritage Council, must assess the information
1.16 on disparities required under paragraph (a), to
1.17 determine whether the appropriations under
1.18 this section have had an effect of increasing
1.19 or decreasing disparities and any data gaps
1.20 that impair the commissioner's ability to assess
1.21 the appropriations' impact. The commissioner
1.22 must submit a report to the Lessard-Sams
1.23 Outdoor Heritage Council and the chairs and
