

## **AURORA TO HOYT LAKES MESABI TRAIL SPUR ROUTE DETAILS**

- The Mesabi Trail, when complete, will be 165 miles of paved trail, linking 28 communities from the Mississippi River near Grand Rapids to the Boundary Waters Canoe Area near Ely.
- House File 1699 (Lislegard/Skraba) supports this trail project with \$2.3 million in funding.
- Mesabi Trail thanks the Minnesota Legislature and Legislative Citizens Commission on Minnesota Resources (LCCMR) for past support of the trail.
- 5.4 miles of trail with approx. 1.5 miles located on city streets.
- Requested connection by the City of Hoyt lakes in 2015.
- Connects to existing City of Hoyt Lakes paved trail system.
- Follows a similar route as the snowmobile and ATV trails between Aurora and Hoyt Lakes.
- Existing bridge over the Partridge River has been rebuilt and has enough room to allow for safe bike passage as well as vehicle.
