

Timber Hall in Embarrass, Minnesota is one of the nation's largest free standing log structures. It is a community center and is used for community gatherings, the Embarrass Region fair, weddings, parties, and more.

The Embarrass Region Fair Association is requesting \$1,500,000 from the State of Minnesota for renovations and updates to Timber Hall in Embarrass Township. Renovations will include updates to electrical and plumbing systems, interior and exterior wall, ceiling, and roof repairs. Thank you for your consideration!

Help us save this community treasure!

From proms and dances, to the fair and pancake breakfasts, this is our gathering place.

Rep. Lislegard finds rotting logs that need replacement.
