

The Greater MN Business Development Public Infrastructure (BDPI) Grant Program

Providing the public infrastructure necessary for private investment

What is BDPI?

- The BDPI program provides grants to cities in Greater Minnesota of up to 50% of the capital costs for the public infrastructure necessary to expand economic growth, retain or create jobs, or increase the tax base (§ 116J.431).
- Greater Minnesota cities depend on the BDPI program to attract new businesses and create jobs in their communities.

BDPI since 2010:

- 140 BDPI grants to Greater Minnesota cities and counties
- More than 5,000 jobs created and 9,500 retained
- More than \$70 million awarded

"As our state continues on its path to economic recovery from the COVID-19 pandemic, these infrastructure investments are a vital tool for future economic growth.

We urge the Minnesota Legislature to consider options to increase funding capacity for BDPI grants in the future"

--- DEED Commissioner Steve Grove, International Falls Journal, 7/14/2020

2021 BDPI Proposal:

- \$20 million in General Obligation bonds
- Continue the program's \$1.787 million general fund appropriation

Support the Greater Minnesota BDPI program and help Greater Minnesota's economy grow!

How have BDPI grants been used across the state?

The BDPI Grant Program Has Helped More Than 125 Greater Minnesota Communities Grow
