

Article 1: Department of Human Services Health Care

Section	H.F.	Author	Description
1	2900	Governor/ Liebling	Requires health insurers to comply with federal third-party liability requirements.
2, 31	2900	Governor/ Liebling	Extends the use of audio-only communication for telehealth, from July 1, 2023, through July 1, 2025.
3, 8	210, amended	Bahner	Requires MA to reimburse hospitals for long-acting reversible contraceptives provided immediately postpartum, effective January 1, 2024. Also requires hospitals and primary care providers to provide information on contraceptive options.
4	2900	Governor/ Liebling	Removes the authority for DHS, counties, and Tribes to recover overpayments as a result of client error.
5	2900	Governor/ Liebling	Provides that the base years for the July 1, 2023, rebasing of hospital payment rates are calendar years 2018 and 2019 (COVID-related adjustment).
6	2900	Governor/ Liebling	Makes changes in hospital criteria to allow Hennepin County Medical Center to continue to receive disproportionate share hospital (DSH) payments.
7	2900	Governor/ Liebling	Updates the rate methodology for long-term acute care hospitals, to mirror methodology used for critical access hospitals.
9, 22, 30	1574	Bierman	Expands MA coverage of tobacco and nicotine cessation services. Allows competitive bidding for quitline services. Eliminates MinnesotaCare cost-sharing for tobacco and nicotine cessation services.
10	2900	Governor/ Liebling	Provides MA coverage for persons under age 26 who were in foster care at age 18 and enrolled in another state's Medicaid program.
11	New (amendment)		Updates statute to state that MA covers gender-affirming services.
12	898, amended	Bierman	Expands adult dental coverage under MA, effective January 1, 2024.

Section	H.F.	Author	Description
13, 14	1159 2900	Fischer/ Governor	Expands membership of the DHS Formulary Committee (H.F. 1159). Provides that the committee does not expire, and also makes the cost of dispensing survey ongoing (H.F. 2900).
15	2900	Governor/ Liebling	Allows the commissioner to enter into value-based purchasing arrangements with drug manufacturers, for MA and MinnesotaCare.
16, 29, 32	91, 2 nd engrossment	Liebling	Provides that MA covers medically necessary abortions. Also eliminates the limitations on abortion coverage under MinnesotaCare. Also repeals a related rule provision.
17, 18	239, amended	Reyer	Provides MA coverage of respite and end-of-life care for recipients under age 21 provided in a hospice facility that is not Medicare-certified, using state-only funds if a federal match is not obtained.
19	2900	Governor/ Liebling	Allows doula agencies and individual treating doulas to be reimbursed directly by DHS.
20	2900	Governor/ Liebling	Allows Indian Health Services facilities and certain Tribal health centers to enroll as a Tribal federally qualified health center (FQHC), and to be reimbursed under an alternative payment method.
21	2077	Bierman	Provides MA coverage for seizure detection devices, effective January 1, 2024.
23	2081, amended	Acomb	Provides MA coverage for recuperative care services effective January 1, 2024, for persons experiencing homelessness.
24	2900	Governor/ Liebling	Requires providers affiliated with governmental entities that receive supplemental payments as part of an intergovernmental transfer arrangement to provide the information necessary to compute the supplemental payments to DHS within 24 months of a request.
25	2900	Governor/ Liebling	Removes the managed care plan performance withholds that are in statute.
26	2900	Governor/ Liebling	Allows the commissioner to reimburse providers for the cost of metabolic disorder testing of newborns who are MA recipients, when this is done outside of a hospital or freestanding birth center.

Section	H.F.	Author	Description
27	2900, modified	Governor/ Liebling	Rebases dental rates, using 2018 charges effective January 1, 2024, and effective January 1, 2028, using the Medicare Economic Index.
28	2900	Governor/ Liebling	Effective January 1, 2024, increases payment rates for family planning and abortion services by 10%.

Article 2: Health Care Affordability and Delivery

Section	H.F.	Author	Description
1-8	2202, amended	Reyer	Requires MDH to establish the Health Care Affordability Commission and a related advisory council. Requires the commission to set annual health care spending growth targets by June 15, 2024, for a five-year period. Allows the commission to require health care entities to file and comply with performance improvement plans.
9, 21-28	96, amended	Long	Allows persons with incomes above the current MinnesotaCare income limit to enroll in the program under the public option, effective January 1, 2027. Requires DHS to submit an implementation plan by January 15, 2025. Also makes undocumented persons eligible for MinnesotaCare effective January 1, 2025. Provides a transitional state cost-sharing reduction for gold plans.
10	693, amended	Fischer	Establishes a direct payment system for families and children and adults without children under MA and all MinnesotaCare enrollees, effective January 1, 2027. Enrollees would receive services through fee-for-service, county-based purchasing plans, and county-owned HMOs. Requires DHS to present an implementation plan to the legislature by January 15, 2025.
11, 16, 20	1752, amended	Liebling	Carves out prescription drugs from managed care contracts, effective January 1, 2026 (contingent upon certification of the new claims system). Also increases payment to disproportionate share, critical access, and children's hospitals to compensate for potential 340B drug program revenue losses, and requires managed care plans to pay a dispensing fee equal to one-half of the fee-for-service dispensing fee.

Section	H.F.	Author	Description
12	2286, 1 st engrossment, § 2	Noor	Provides MA continuous eligibility: 12 months for children under age 19 (effective January 1, 2024) and 12 months for children 19 to 21, and children under age 6 may remain eligible until they turn 6 (effective January 1, 2025).
13, 14	1030, amended	Liebling	Eliminates MA cost-sharing, effective January 1, 2024.
15, 17-19	816	Hicks	Allows MA enrollees to opt out of managed care enrollment, effective January 1, 2024.
29	1843, modified	Reyer	Requires MDH to contract for an analysis of the Minnesota Health Plan, the MinnesotaCare public option, the direct payment system, and other reform models, and the development of an analytic tool. Requires the contractor to report to the commissioner and legislature by January 15, 2026, and to make an analytic tool available to MDH by that date, to be used for future analyses.

Article 3: Department of Health

Section	Bill	Author	Description
1	2930, amended	Liebling	Governor’s proposal: adds Tribal Nations to the entities with which the commissioner may cooperate during disasters to protect public health; adds Tribal Nations to entities eligible for grants.
2, 58, 79, 115-117, 131, 176, 179, 203 (portion), 204 (portion)	91, 2 nd engrossment, with changes	Liebling	Repeals or amends certain statutes governing abortions; makes conforming changes.
3, 71	2422	Her	Establishes a tobacco use prevention account, requires certain settlement proceeds to be deposited in the account, and appropriates money in the account to the commissioner for tobacco use prevention activities.

Section	Bill	Author	Description
4	2621	Schomacker	Modifies requirements for when the commissioner must notify a provider following a review of a major spending commitment.
5	2930, amended	Liebling	Governor's proposal: requires the commissioner to assess the feasibility of developing a statewide electronic directory of health care providers.
6, 22-28	2930, amended	Liebling	Governor's proposal: requires health plan companies and providers to comply with the federal No Surprises Act, authorizes enforcement by the commissioners of health and commerce, and modifies provisions governing balance billing, continuity of care, and reviews of adverse determinations.
7	293, 1 st engrossment, with changes	Elkins	Requires hospitals, outpatient surgical centers, and certain medical or dental practices to make available to the public their current standard charges for items and services provided.
8-21, 204 (portion)	2930, amended	Liebling	Governor's proposal: modifies the Prescription Drug Price Transparency Act by changing reporting requirements and requiring additional entities to report certain data on prescription drugs to the commissioner.
29-34, 196	926, 2 nd engrossment	Elkins	Changes to the all-payer claims database. Requires submission of data on dental claims and prices with dental providers, requires third-party administrators to provide certain notices to self-insurers, requires submission of nonclaims-based payments data, and modifies allowable uses of data. Also requires a study on transparency of health care payments.
