

H.F. 111

First Special Session
As introduced

Subject Minnesota Amateur Sports Commission

Authors Koegel and Lillie

Analyst Matt Gehring

Date June 15, 2020

Summary

This bill appropriates funds to the Minnesota Amateur Sports Commission, for the purpose of supporting the operations of the National Sports Center that are typically supported by revenue from events held at the center. The National Sports Center is operated by a private nonprofit organization, but the facilities are supported in part by the Amateur Sports Commission. It has been closed to most activities and events in 2020 due to the COVID-19 pandemic.
