Date March 3, 2023

Overview

This bill modifies the powers and duties of the commissioner of human services by allowing counties to provide in-house training for certain training and technical assistance programs during a pilot period.

Summary

Section	Description
---------	-------------

- | | |
|---|---|
| 1 | <p>Specific powers.</p> <p>Amends § 256.01, subd. 2. For a pilot period beginning on July 1, 2023, and ending on June 30, 2024, allows county agency participation in specified human services training and technical assistance programs to be completed by a county agency following the commissioner’s review and approval of the county’s training materials. Requires counties to have the resources to provide in-house training to participate in the pilot period.</p> <p>Provides a July 1, 2023, effective date.</p> |
