## CITY OF INVER GROVE HEIGHTS

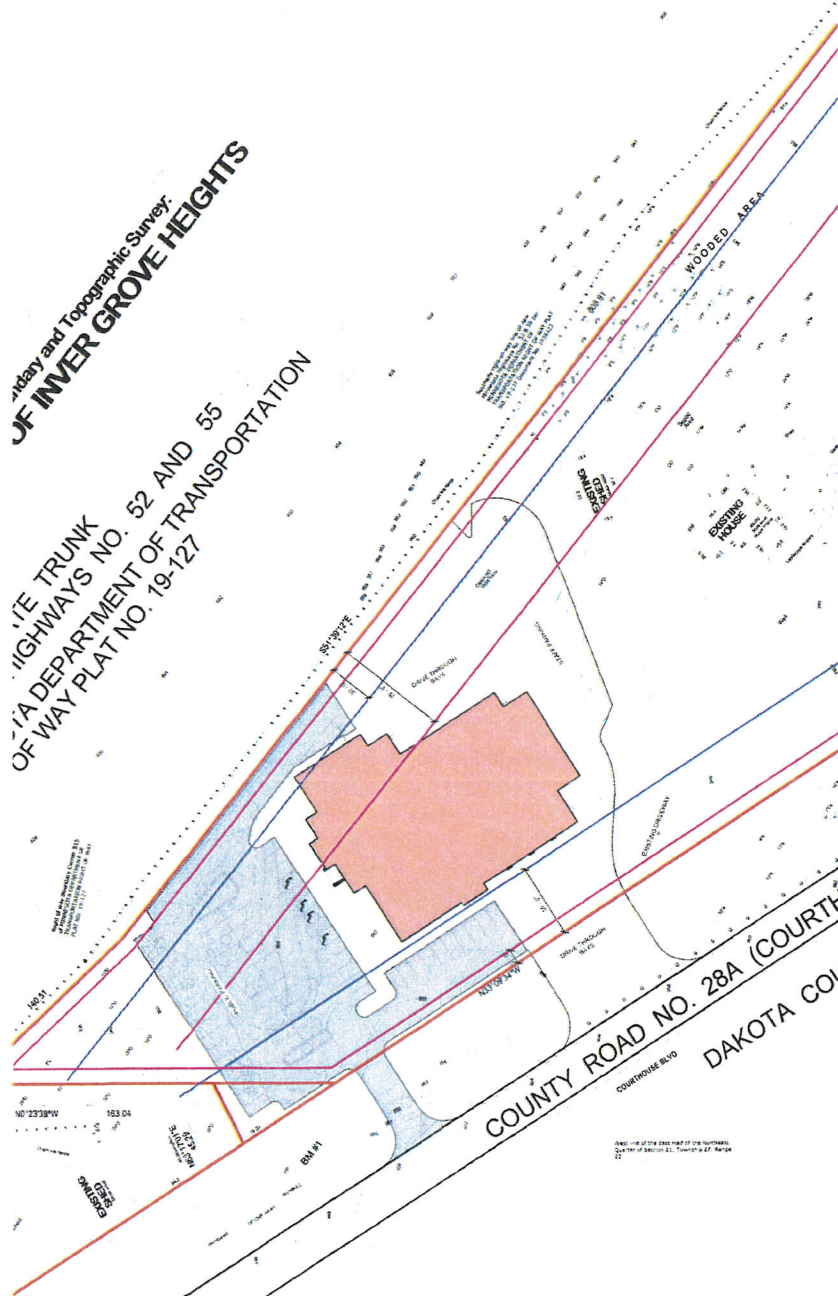

### 2019 TAX EXEMPTION REQUEST FOR CONSTRUCTION OF NEW FIRE STATION

The City of Inver Grove Heights is requesting tax exemption for sales and use tax for both materials and supplies used in, along with equipment incorporated into, construction of a fire station to be built in the City of Inver Grove Heights.

- Third fire station in a city of 32 square miles, population of 38,000
- Location: 9250 Courthouse Boulevard
- Size: 32,000 square feet, which includes a partial basement
- Firefighting readiness and flexible public safety training space
- Will reduce response time to residences and businesses
- Will improve insurance rates
- Cost of Building construction: \$8,667,558
- Cost of Utilities construction: \$552,000
