

1.1 ..... moves to amend H.F. No. 3457 as follows:

1.2 Delete everything after the enacting clause and insert:

1.3 "Section 1. Minnesota Statutes 2023 Supplement, section 216E.10, subdivision 2, is  
1.4 amended to read:

1.5 Subd. 2. **Other state permits.** (a) Notwithstanding anything herein to the contrary,  
1.6 utilities shall obtain state permits that may be required to construct and operate large electric  
1.7 power facilities. A state agency ~~in~~ processing a utility's facility permit application shall be  
1.8 bound to the decisions of the commission, with respect to the site or route designation, and  
1.9 with respect to other matters for which authority has been granted to the commission by  
1.10 this chapter.

1.11 (b) No later than 60 days after the date the commission issues a site or route permit under  
1.12 this chapter, a state agency must make a final decision on any permit that the state agency  
1.13 is authorized to issue and that is required in order to construct or operate the facility that  
1.14 was issued a permit by the commission, unless:

1.15 (1) the 60-day limit conflicts with the requirements of federal law, in which case the  
1.16 federal law applies;

1.17 (2) the permit application is incomplete, in which case the agency must specify the  
1.18 missing information in writing to the permit applicant within ten days of receiving the permit  
1.19 application, and the 60-day limit does not begin until the permit applicant supplies all the  
1.20 additional information requested to the agency; or

1.21 (3) the permit applicant agrees to extend the 60-day period.

1.22 **EFFECTIVE DATE.** This section is effective the day following final enactment and  
1.23 applies to projects issued a site or route permit by the commission on or after that date."
