

1.1 moves to amend H.F. No. 2992 as follows:

1.2 Page 1, delete lines 11 to 17 and insert:

1.3 "(b) If the remaining capacity of a solid waste disposal facility located in Monticello
1.4 Township is less than 1.5 percent of the facility's design capacity based on the facility's
1.5 most recent permit and any past annual report, the owner or operator of the facility must
1.6 stop accepting waste and begin closure of the facility in compliance with agency rules within
1.7 24 months of the date the annual report was due or within 24 months of the effective date
1.8 of this section, whichever is later. The commissioner may approve an alternative timeline
1.9 to begin closure in the case of a small solid waste disposal facility that has historically
1.10 accepted only small amounts of waste. This paragraph does not prevent the commissioner
1.11 from issuing a permit for expansion."
