## 2018 Legislative Report on Election Equipment Grant Account Awards

*Updated 3/2/2018*

### *COST OF REPORT PREPARATION*

Estimated costs to prepare the report are provided in accordance with Minnesota Statutes, section 3.197. The total cost for the Office of the Secretary of State to prepare this report was approximately \$716. These costs are exclusively staff time needed to prepare the written report.

### **Background**

In 2017, the legislature authorized \$7 Million in grant funding available to counties, cities, towns, and school districts to assist with the purchase of voting equipment. The legislature authorized use of these funds to offset up to 50% of the cost of optical scan precinct counters, optical scan central counters, or assisted voting devices; or up to 75% of the cost of electronic rosters. See Minn. Laws. 2017, 1st Spec. Sess., Chap. 4, Art. 3 § 17. This report summarizes the grant awards made to local jurisdictions in accordance with the enabling legislation, "including the jurisdiction, the amount of the grant, and the type of equipment purchased." *Id.*

### **Overview of Election Equipment Grant Account Awards**

The Office of the Minnesota Secretary of State made grant applications available starting on September 6, 2017. Applications were due to the Office of the Minnesota Secretary of State by 4 p.m. on December 15, 2017. The December 15, 2017 date was selected in order to allow counties and local governments the ability to time their application in conjunction with their annual budget processes. A copy of the grant application is attached to this report at Appendix A.

At the close of the grant application period, ***the Office of the Minnesota Secretary of State received grant applications from 85 counties and 17 municipalities, for a total request of over \$13.3 million in grant matching funds.*** Of these jurisdictions, 97 requested \$8,199,605.78 in matching funds for electronic rosters and 59 requested \$5,097,051.17 in matching funds for optical scan precinct counters, optical scan central counters, or assisted voting devices.

Between December 15, 2017 and January 19, 2018, the Office of Secretary of State reviewed applications for completeness and prepared grant contracts and grant award allocations. Because the amount of grant requests exceeded the amount of available grant funds, grant awards were pro-rated based on the number of precincts in the jurisdiction.

Following the initial allocation of grant awards, some jurisdictions asked for the ability to reallocate funds between optical scan counters/assistive voting devices and electronic rosters. The Office accommodated these requests, and provided all counties with the opportunity to request reallocation. Eleven counties asked for reallocation. An updated copy of the grant awards for each jurisdiction is attached to this report as Appendix B, and the grant award contract is attached to this report as Appendix C.

## **Section A. General Instructions**

The Office of the Minnesota Secretary of State (OSS) is currently soliciting applications from jurisdictions for grants to purchase voting equipment.

\$7,000,000 has been appropriated to the Voting Equipment Grant Account. Grants of up to \$5,000 per precinct may be made to purchase any combination of optical scan counters (OS), assistive voting devices (AVD), or electronic rosters until the appropriation is exhausted. If the grant requests exceed the appropriation available, the secretary of state will prorate the grant amounts to each eligible jurisdiction to match the amount available. Jurisdictions must agree to provide a local match at least equal to the amount of the grant received that is used for optical scan or assistive voting devices (i.e. at least 50% of total cost), and at least equal to one-fourth the amount of the grant received that is used for electronic rosters (i.e. at least 25% of total cost).

Applications must be received by 4 p.m. December 15, 2017. Funds are expected to be awarded by Jan. 31, 2018 and funds must be used by August 31, 2019. Awarded funds not used must be returned to the Minnesota Office of the Secretary of State by August 31, 2019.

In order to apply for these funds, jurisdictions must answer all questions fully and completely on this application. All county applications must include a resolution from the county board of commissioners approving the application for these funds. All municipality or school district applications must include a resolution from the city council, town board or school district board approving the application for these funds; and must include a letter from the county auditor(s) agreeing to assist the municipality/school district in use of the equipment.
